Over two hundred periodical, dissertation, book, research paper, and essay citations of works published between 1948 and 1972 are listed in this bibliography which concerns itself with human motivation needs. Over 140 authors are represented. Some of the wide ranging topics included, in addition to and in relation to various aspects of motivation, deal with organizational behavior and systems, psychological needs and satisfactions, teacher education, employee needs and expectations, leadership and management, political behavior, and job performance. The majority of works cited were published after 1965. Author entries are arranged alphabetically.
MASLOW'S HUMAN MOTIVATION NEEDS HIERARCHY:
