PROFESSIONAL NEGOTIATION AGREEMENT

I. PREAMBLE

The Board of Trustees of Junior College District 517, hereinafter referred to as the "Board", and the Lake Land Faculty Association, hereinafter referred to as the "Association", recognize that the aim of public junior colleges is to provide the best education possible for students. Attainment of these educational objectives is a joint responsibility of the Board, the administrative and supervisory staff and the professional teaching personnel.

Attainment of the educational objectives of the district requires mutual understanding and cooperation among the Board, the administrative and supervisory staff, and the professional teaching personnel. To this end, free and open exchange of views is desirable and necessary, with all parties participating in deliberations leading to the determination of matters defined as negotiable in Article III Section B, below.

It is recognized that teaching is a profession requiring specialized educational qualifications and that the success of the educational program in the district depends upon the maximum utilization of the abilities of teachers who are reasonably well satisfied with the conditions under which their services are rendered. As evidence of its acceptance of the professional rights and responsibilities of teachers, the Association has endorsed the Uniform Code of Ethics of the Education Profession.

II. RECOGNITION

A. The Board hereby recognizes the Association as the exclusive and sole negotiation agent for all full-time staff members who have contracted half-time or more teaching, counseling or instructional materials assignments.

Further, the Board agrees not to negotiate with any teacher individually during the duration of this Agreement.

III. DEFINITION OF RESPONSIBILITIES AND RIGHTS

A. The Board hereby retains and reserves unto itself, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the statutes of the State of Illinois. However, the Board agrees to participate in good faith negotiations with the duly designated representatives of the Association. The term "teacher", when used hereinafter in this Agreement, shall refer to all employees represented by the Association in the negotiating unit defined above.

E. Facts, opinions and proposals will be exchanged freely during the meeting or meetings in an effort to reach mutual understanding and agreement on matters defined as negotiable in Section III, B.

F. Teachers shall have the right to form, join, or assist professional employees' organizations and to participate in professional negotiations with the Board through representatives of their own choosing.

G. As a duly elected body exercising governmental power under authority of law of the State of Illinois, the Board undertakes and agrees that it will continue to not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by the laws of Illinois or the Constitution of Illinois and the United States; that it will continue not to discriminate against any teacher with respect to hours, wages, terms or conditions of employment by reason of his membership in the Association.

H. The Association shall continue the right to post notices of its activities, to use teacher's mailboxes and to use school buildings for meetings so long as in the opinion of the College President there is not interference with the orderly processes of the college.

I. Requests by Association representatives to hold meetings in school facilities will be granted by the administration provided that no interference with the instructional program would be occasioned by the granting of such requests and providing all visitors obtain permission from the President's office before proceeding to their destinations.

Association's views on matters relating to supervisor-teacher or Board-teacher relationships will not be discussed in the presence of students.
