\* Documents acquired by ERIC include many informal unpublished \*  
 \* materials not available from other sources. ERIC makes every effort \*  
 \* to obtain the best copy available. Nevertheless, items of marginal \*  
 \* reproducibility are often encountered and this affects the quality \*  
 \* of the microfiche and hardcopy reproductions ERIC makes available \*  
 \* via the ERIC Document Reproduction Service (EDRS). EDRS is not \*  
 \* responsible for the quality of the original document. Reproductions \*

PREFACE

This simple Alerting Service Bibliography is intended as a timely update for ERIC users who request the publication by mailing the Clearinghouse a self-addressed, stamped (first class) 9 by 12 inch manila envelope.

Listing these books does not imply a recommendation of them. All books deal in some way with libraries or media, but may not necessarily stress educational aspects of these fields. Books are arranged by major subject area.
