

The mission of *Excelencia* in Education is to accelerate Latino student success in higher education. A critical set of institutions enrolling Latino students is Hispanic-Serving Institutions (HSIs).

Summary of the 2021-22 Emerging HSIs (eHSIs) List

HSIs are defined as accredited and degree-granting public or private nonprofit institutions of higher education with 25% or more undergraduate Hispanic full-time equivalent (FTE) student enrollment.¹ *Excelencia* developed the eHSI category—institutions with undergraduate FTE Hispanic enrollment of 15-24.9%—to track the growth of potential HSIs.

There were 401 Emerging HSIs (eHSIs) in 2021-22, representing 13% of all colleges/ universities and enrolling 16% of Latino undergraduates.

While Emerging HSIs do not have the Latino student enrollment required to meet the definition of an HSI, these institutions may soon meet the criteria as their Latino enrollment grows. The following list of Emerging HSIs was created using data from the Integrated Postsecondary Education Data System (IPEDS).²

Total:	401	100%*

¹ Summary of Title V of the Higher Education Act, as amended in 2008. To be eligible for the "Developing HSIs Program," the law further requires that an HSI have a high enrollment of needy students and low core expenditures.

² IPEDS is a system of surveys designed to collect from all primary providers of postsecondary education institution-level data and is

maintained by the National Center for Education Statistics (NCES), U.S. Department of Education.

^{*}Percentages may not add up to 100% due to rounding.
