A course in music which emphasizes harmony is presented. The approach used is a laboratory one in which pupils will develop skill in playing orchestral string instruments, sing, listen to, read and compose music with emphasis on elementary concepts of harmony. Course objectives include: (1) The student will select the title of a familiar melody heard from a list provided; (2) The student will identify the type of instrumental ensemble heard using a list provided; (3) The student will determine by ear whether an example is in major, minor, or major and minor mode; (4) The student will identify simple musical forms by ear and by eye; (5) The student will exhibit proper position and maintenance of his instrument and bow; (6) The student will play from notation rhythmic passages using whole, half, dotted half, quarter, dotted quarter, eighth, dotted eight, and sixteenth notes; and, (7) The student will play passages which will utilize several bowing techniques. Course content is focused on: (1) development of performance skills, (2) Chromatic Scale, (3) Major Scales and Chords, and (4) Minor Scales and Chords.

OUTLINE FOR QUINMESTER PROGRAM

I. COURSE TITLE
   Instrumental Techniques - Strings

II. COURSE NUMBER
   5642.4-4

III. COURSE DESCRIPTION
   An introduction to music emphasizing harmony. A laboratory approach in which pupils will develop skill in playing orchestral string instruments, sing, listen to, read and compose music with emphasis on elementary concepts of harmony.

IV. COURSE ENROLLMENT GUIDELINES
   Pupils will have successfully complete Instrumental Techniques - Strings, Level III or will demonstrate advanced musicianship and performance skill to the satisfaction of the music teacher.

V. COURSE OF STUDY OBJECTIVES
   A. Musicianship
      1. The student will select the title of a familiar melody heard from a list provided.
      2. The student will identify the type of instrumental ensemble heard using a list provided.
      3. The student will determine by ear whether an example is in major, minor, or major and minor mode.
      4. The student will identify simple musical forms by ear and by eye.
      5. The student will be able to identify the proper I, IV, and V chord and apply it in a musical setting.
6. The student will be able to identify the harmony of a piece of music and tell whether it is higher or lower than the melody.

7. The student will be able to identify the harmonic technique used in a composition.

8. The student will be able to identify chord tones, passing tones and neighboring tones.

9. The student will be able to spell simple major and minor chords.

10. The student will be able to identify songs from written notes.

B. Performance

1. The student will exhibit proper position and maintenance of his instrument and bow. He will tune his instrument from a given 'A'. Bass players will employ the tuning harmonics.

2. The student will play from notation rhythmic passages using whole, half, dotted half, quarter, dotted quarter, eighth, dotted eighth and sixteenth notes. Time signatures will include 4/4, 3/4, 2/4, and 6/8 meter.

3. The student will play passages which will utilize the following bowing techniques: detache', controlled spiccato, portato, and martelé.

4. The student will demonstrate proper left hand position while performing the five finger patterns on each string. These patterns will be performed at various speeds and bowings, utilizing the shifts in the cello and bass.

5. The student will demonstrate knowledge of the first five sharp and flat keys by playing selected melodies in each.

6. The student will be able to play 2-octave major and minor scales in the following keys: violin: G, A, B; viola: C, D, E; cello: C, D; bass: (1 octave) E, A, D.

7. The student will perform on his instrument a piece of music to show acceptable intonation and tone quality.
VI. COURSE CONTENT

A. Development of performance skills

(These fundamentals will be stressed greatly at first until they are mastered, then continue to develop concurrently with musical concept development).

1. Logistics:

   Care and cleaning of instrument and case
   Adjustment of bow
   Adjustment of bridge
   Adjustment of pegs and fine tuners
   Changing of strings

2. Tone:

   Position of left hand fingers
   Position of left elbow and wrist
   Grip of the bow
   Motion and angle of the right arm
   Bow control
   Placement of bow on the strings
   Proper tilting of the bow stick

3. Pitch:

   Tuning of the instrument
   Left hand position (arm, wrist, fingers)
   Pressure of fingers on string
   Ear training (listening)
   Alignment of bow on the strings

4. Articulation:

   Bowing
   Detache'
   Staccato
   Spiccato
   Portato
   Martele'
   Slurs
   Accents
   Pizzicato (left and right hand)

5. Dynamics - Meanings and Symbols

   Piano
   Forte
   Mezzo (combinations)
Crescendo
Decrescendo
Sforzando
Subito (combinations)

6. Review of Staff Notation Reading Skills
   Treble clef
   Viola clef
   Bass clef

7. Rote drills on rhythmic patterns

B. Find Missing Key Signatures
   The student will develop awareness of the function of the
   key signature and skills in notating and playing desired
   effects.

C. Chromatic Scale
   The pupil will develop skill in performing, notating and hear-
   ing chromatic passages and scales.

D. Major Scales and Chords
   The student will develop skill in notating, hearing and per-
   forming major scale and chord patterns. The concept of major-
   minor chords will be stressed.
