Sources consulted in preparing this bibliography on early childhood education include various Canadian, British, and American indices, covering an approximate period of five years, from 1966 to 1971. The items are divided into three sections: books and papers, numbering 318; articles, numbering 228; and theses, numbering 66. Material available through the ERIC Clearinghouse is so marked, as is material available from the Canadian Teachers' Federation. A listing is also provided of the previously published other 28 bibliographies in the education series. (LH)
