ABSTRACT
Over 200 selected materials on the Chicano are listed in this bibliography. These materials include bibliographies, statistical materials, books, articles, journals, films, and newspapers which pertain to the Mexican American population. The materials consist of such topics as the Mexican American community; their culture, history, heritage, education, economics and labor; their folklore and mythology; political science; law and justice; migration; psychology; public health; sociology and anthropology; and the theater. While some documents date from the early 1930s, most are dated in the 1960s and 1970s. The addresses of 19 Chicano newspapers are also given. (NQ)
