INDIANS AND TRIBES GENERALLY

Sec. 4701. Indian defined.
An Indian is defined for all purposes as being a person who is in whole or to the extent of at least \(\frac{1}{4}\) part of Indian blood.

Sec. 4702. Department of Indian Affairs; commissioner, qualifications, employment and salary; personnel
The duties and powers heretofore given the Commissioner of Health and Welfare relating to Indians, except their education, are transferred to the Department of Indian Affairs, hereinafter in this part called the "department," which is created to exercise general supervision over the Indian tribes.

The Department of Indian Affairs shall be under the control and supervision of the Commissioner of Indian Affairs, hereinafter in this part called the "commissioner," who shall be qualified by experience, training and demonstrated interest in Indian affairs. The commissioner shall be appointed by the Governor to serve for a term of 4 years and until his successor shall be appointed and qualified. Any vacancy shall be filled by appointment for a like term. The commissioner shall receive such salary as shall be fixed by the Governor.

The commissioner may employ, subject to the Personnel Law, the necessary assistance to carry out the duties and responsibilities of the Department of Indian Affairs. (P.L. 65, c.340)
Sec. 4703. Record of proceedings; account of receipts and expenditures

The commissioner shall keep a true record of his proceedings and correct accounts of all receipts and expenditures of every kind; and shall carry into effect all treaties with said tribes.

4704. Health officers

A tribal physician or nurse for each of the reservations of the Penobscot and Passamaquoddy tribes of Indians shall be appointed by the Director of the Bureau of Health, subject to the approval of the commissioner. Such tribal physician or nurse shall be a physician or other person approved because of training and experience in public health work and shall serve for a term of 3 years and until his successor is appointed and approved; compensation to be determined by the commissioner.

4705. Overseers of the poor and other special officers

An overseer of the poor, a road commissioner, a local health officer and a tribal hall keeper may be appointed by the tribal governor of each of the Indian tribes subject to the approval of the tribal council, if any, of each such tribe. Such officers shall advise with the commissioner and receive compensation for duties performed upon his authorization.

4706. Clerks of tribes

1. Appointment. The tribal governor of each reservation, with the advice and consent of the tribal council of each such reservation, shall appoint a tribal clerk for the reservation.

The qualifications for such positions and the duties of such positions will be determined by the respective tribal governor and council.

The compensation for such positions shall be mutually agreed upon in writing by the respective tribal governor and council and the Commissioner of Indian Affairs or his representative.

The terms of appointments for such positions will be for the term of the appointing tribal governor and council.

2. Duties and powers. Each tribal clerk shall keep a record of the births and deaths of persons living on such reservation and shall perform all other duties with respect to the same as are required of the clerks of towns under section 2702. Each clerk shall receive a fee of 25c for each certificate returned to the Bureau of Vital Statistics.

All excise taxes of residents of the various reservations shall be paid to the respective tribal clerk, who shall hold and disburse the proceeds for the benefit of each such tribe in accordance with the vote of the respective tribal council.

Each such tribal clerk shall give a corporate surety bond for the faithful discharge of his duty to the respective tribal council in the sum and with such sureties as the tribal council approves.

The accounts of each tribal clerk shall be audited annually by the State Department of Audit or by a qualified public accountant. The report of each audit shall be certified to the respective tribal governor and council by the person conducting such audit.

Each such tribal clerk shall perform other duties of a clerical or record-keeping nature as may be specified by the respective tribal governor and council, including keeping minutes of all tribal and council meetings.
Sec. 4706. Clerks of tribes (continued)

3. Removal. For inefficiency or neglect of duty or misconduct in office a tribal clerk may be removed after a hearing by the appointing tribal governor with the advice and consent of the respective tribal council, provided he shall have been given a copy of the charges at least 10 days prior to the hearing and had an opportunity to be heard in person or by counsel. In the event of the removal of a tribal clerk, a record of the proceedings shall be filed in the office of the respective tribal council and with the Department of Indian Affairs.

4707. Contracts of Indians for timber and grass

Contracts relating to the sale or disposal of trees, timber or grass on the Indian lands made with any Indian belonging to either of said tribes, unless examined and allowed by the commissioner, are void.

4708. Limitations on leases and contracts made by commissioner

No lease of land or contract for trees, timber or grass made by the commissioner has effect for more than one year; nor shall the commissioner, in any one year, sell or dispose of trees or timber of said Indians to an amount exceeding $500, except as provided for section 2775 to 2788.

4709. Actions by Attorney General

The Attorney General upon his own initiative, or at the request of the governing body of any of the Indian tribes in this State, may in the name of any such tribe and in his said capacity, maintain actions for money dues any such tribe and for injuries done to tribal lands. All sums or damages so recovered shall be distributed by the commissioner to the Indians of the tribe concerned according to their usages, or be invested in useful articles. This section shall apply only to tribal and unassigned lands not privately owned and shall apply only to damages and injuries arising out of acts done after September 16, 1961.

2. Oats, beans and others. For every bushel of rye, oats, barley, buckwheat, peas or beans, 10c.

3. Potatoes, beets and others. For every bushel of potatoes, turnips, parsnips, beets or carrots, 5c.

Before any bounty is paid to such Indian, he shall prove to the satisfaction of the commissioner the number of bushels of each article before named, raised by him on such land.
Sec. 4712. Account of appropriation

The commissioner shall keep an account of appropriations so paid out.

4713. Relief of Indians not members of tribes; statements; reimbursement

Such constables shall act as school attendance officers for their respective tribes. They shall receive such compensation as may be determined by the department.

2. Term of office. Said constables shall be appointed for a term of 2 years from the date of their appointments or until their successors have been duly appointed and qualified. Any constable may be removed by the tribal governor upon recommendation of the department.

MAINE INDIAN HOUSING AUTHORITY LAW

Sec.
4731. Short title

This chapter shall be known and may be cited as the "Maine Indian Housing Authority Law."

4732. Findings and declaration of necessity

It is hereby found and declared:

1. Shortage. That there exists on the reservations in this State occupied by the Passamaquoddy and Penobscot Indian Tribes, insanitary, unsafe and overcrowded dwelling accommodations; that there is a shortage of safe or sanitary dwelling accommodations available at rents or prices which persons of low income can afford; and that such shortage forces such persons to occupy insanitary, unsafe and overcrowded dwelling accommodations;

2. Conditions. That these conditions cause an increase in and spread of disease and other conditions and constitute a menace to the health, safety, morals and welfare of the residents of the reservations; that these conditions necessitate excessive and disproportionate expenditures of state funds for public health and safety, fire and accident protection and other public services and facilities;

3. Obstacles. That these slum areas cannot be cleared, nor can the shortage of safe and sanitary dwellings for persons of low income be relieved through the operation of private enterprise, or by any housing authority created by the Maine Housing Authorities Act;

4. Public uses. That the clearance, replanning and preparation for rebuilding of these areas and the providing of safe and sanitary dwelling accommodations and maintaining a wholesome living environment for persons of low income are public uses and purposes for which public money may be spent and are governmental functions of state concern;

5. Residential construction. That residential construction activity is an important factor to general economic activity and that the undertakings authorized by this chapter to aid the production of better housing and more desirable neighborhood and community developments at lower costs will make possible a more stable and larger volume of residential construction activity which will assist materially in maintaining full employment; and
Sec. 4732. Findings and declaration of necessity (continued)

6. Necessity. That the necessity in the public interest for the provisions of this chapter enacted is declared as a matter of legislative determination.

4733. Creation of Indian Housing Authorities

In the Penobscot tribal reservation at Indian Island, Old Town, and in each reservation of the Passamaquoddy Tribe of Indians at Pleasant Point and Indian Township, there is created a public body corporate and politic to be known as the reservation "Housing Authority". Except as otherwise provided in this chapter or clearly indicated otherwise by the context, the Maine Housing Authorities Act shall apply to the housing authorities created by this section, hereinafter in this chapter referred to as "authority" or "authorities."

4734. Appointment and removal of commissioners

1. Appointment. Each authority shall have 5 commissioners appointed by the reservation governor, with the advice and consent of the tribal council, of the reservation for which the authority is created. No less than 4 commissioners, including the chairman, shall be members of the tribe of the respective reservation. Holding of any tribal office shall not bar appointment of any such tribal member to the Housing Authority of the member's reservation. The commissioners who are first appointed shall be designated to serve for terms of one, 2, 3, 4 and 5 years, respectively, from the date of their appointment, but thereafter such commissioners shall be appointed for a term of office of 5 years, except that all vacancies shall be filled for the unexpired term. Each commissioner shall hold office until his successor has been appointed and has qualified. Each authority shall elect a chairman, a vice-chairman, a secretary and a treasurer from among the commissioners and a commissioner may hold any 2 of these positions except for the positions of chairman and vice-chairman.

2. Removal. For inefficiency or neglect of duty or misconduct in office, a commissioner may be removed after a hearing by the reservation governor and tribal council of the reservation for which the authority is created, provided he shall have been given a copy of the charges at least 10 days prior to the hearing and had an opportunity to be heard in person or by counsel. In the event of the removal of a commissioner, a record of the proceedings shall be filed in the office of the respective reservation Housing Authority.

4735. Area of operation

The area of operation of an authority is within the territorial boundaries of the reservation for which it is created. Each authority is empowered to construct, develop, operate and maintain water and sewer systems to insure that adequate water and sewer services are available to the housing project.
Sec. 4736. Referendum approval not applicable

Title 30, section 4701, requiring referendum approvals under the Maine Housing Authorities Act, does not apply to the authorities created by this chapter.

4737. Authorization for transfer of real property

Any real property required by an authority for use in its area of operation in providing housing shall be leased to the authority by the respective governor and council with the approval of the Governor of the State of Maine upon such lawful terms as shall be agreeable to the parties.

4738. State aid

In addition to its other powers, the State is empowered to provide facilities, services and financial aid, by loan, donation, grant, contribution and appropriation of money; or by any other means, to an authority and, in connection therewith, to enter into agreements, which may extend over any period, notwithstanding any provision or rule of law to the contrary, excepting constitutional provision or treaty.

4739. Relation of powers of local officials and state public bodies

For the purposes of this chapter, the powers and duties conferred and imposed by the Maine Housing Authorities Act upon municipalities and their governing bodies, mayors and specified local officials are hereby vested in tribal governors, tribal councils and tribal officials. The term "state public body," as defined in the Maine Housing Authorities Act, includes the State for the purpose of this chapter, and the term "municipality" in the opening paragraph of Title 30, section 4652 includes the respective reservations of the Passamaquoddy and Penobscot Indian Tribes, for the purposes of this chapter.

1. **Birth.** By birth;

2. **Adoption.** By adoption into the tribe as determined by its tribal council, in accordance with sections 4762 and 4763;

The tribal council at any regularly held meeting may, by 3/4 vote of its total membership, adopt into said tribe any person who is in whole or to

the extent of at least $\frac{1}{2}$ part Indian blood, and who is the husband, wife or child of a member of said tribe, and who has his or her residence for at least one year next preceding such adoption upon any reservation of said tribe. The resolution of said council upon such residence and Indian descent and such other papers as may be required for the purpose shall not be effective until the same has been ratified and approved in writing by the commissioner. The adoption of a child by any member of the tribe under ordinary legal process shall not of itself constitute such child a member of said tribe, but the power of adoption into the tribe shall in all cases rest with the tribal council, subject to approval by the commissioner.

4763. Filing certificate of adoption; exclusion from certain offices

Whenever said tribal council shall vote to adopt any person into said tribe, a certificate of such vote of adoption shall be signed by the person presiding at the meeting, and said certificate shall be filed with the commissioner. If ratified and approved by the commissioner, said adopted person shall thereafter be deemed and accepted to be a member of said tribe for all intents and purposes, and shall be enrolled as such upon the list of its members. No person adopted into the tribe shall be eligible to hold the office of governor, lieutenant governor or representative of said tribe.

4764. Oath of adopted person

Every male person adopted as provided in section 4762 shall, within one month after such adoption, or if a minor within one month of becoming 18 years of age, make oath before the commissioner that he will demean himself as a discreet, industrious and good member of said tribe, and will faithfully fulfill the duties incumbent upon him as such member.

4765. Loss of membership by abandonment

If any member of said tribe shall abandon it and join another tribe of Indians, he shall be deemed to have lost his membership in the Penobscot tribe, and shall not be entitled to any share of dividends, rentals or other money thereafter apportioned among the members of said tribe, nor to any other subsequent rights of membership.

4766. Loss of membership does not affect membership of other members of family

When any member loses his membership under section 4765, or his right to share in dividends, rentals or other moneys under section 4768, no member of his family to whom said sections do not personally apply shall be deemed to have lost such membership or right.

4767. Restoration to membership

Any person a member of said tribe on March 22nd, 1901, as shown by the tribal census taken under the laws of the State, who shall have forfeited any rights of membership may regain said rights by petition, under oath, to the commissioner, after 30 days' continuous residence within the State. If at the end of 60 days said commissioner shall have refused or neglected to restore said person to membership, he shall have the right of appeal to

the tribal council which shall thereupon forthwith hear the facts and enter such judgment as to restoration to membership as is just and right. Such renewal of rights shall not entitle such person to any share of the dividends, rentals or moneys which previously thereto have come into the hands of the commissioner, nor have any other retrospective effect.

4768. Dividends and rentals with respect to nonresident members

If any member of the tribe shall reside outside the tribal reservation, but within the State, he shall report to the commissioner at least once in each year in order to be entitled to his share of dividends, rentals or other money apportioned to members of the tribe. During such time as he shall reside without the State he shall not be entitled to any part of the dividends, rentals or other money apportioned to members of the tribe.

4769. Forfeited money used for family benefit

If any member of said tribe shall desert his family or fail to provide properly for said family's support, the commissioner may in his discretion use for the benefit of such family any part or all of said member's dividends or share of rentals or any money assigned to him from state funds or coming to him in any way by apportionment or distribution through the hands of said commissioner.

4770. Removal of nonmembers from reservation

Any person residing or commorant upon the tribal reservation of the Penobscot tribe of Indians, not being a member nor the husband, wife or legally adopted child of a member of said tribe, may be required to remove therefrom by a written notice given to him in hand under the signature of the governor or, in his absence, the lieutenant governor, and the commissioner. A copy of such notice attested by said commissioner, with a return of service thereon by any officer qualified to serve criminal precepts, or an affidavit of service by any other person, shall be filed with said commissioner and be sufficient evidence of such service. If the person so notified shall not remove from said reservation within 2 days after service of said notice upon him, the commissioner or any member of the tribe may make complaint to the proper officer of the District Court for Southern Penobscot, who shall cause a certified copy of said complaint with a notice of the time and place of hearing thereon to be given in hand to said person or left at his place of last and usual abode at least 2 days before the time fixed for said hearing, or may cause said person to be at once apprehended and brought before said court. After due hearing, the judge with the recommendation of the tribal governor and council may order the respondent to remove within a specified time beyond the tribal reservation limits. If the respondent fails to obey said order, or if within one year after the service of said notice he shall again become resident or commorant upon any reservation of said tribe without the consent of said commissioner and said governor or lieutenant governor, said judge may cause such person to be apprehended and brought before said court and may punish him by fine of not more than $20 or by imprisonment for not more than 30 days, or by both. The costs of all such court proceedings under this section may be included in the order or sentence of said judge. If the respondent fails to pay the same, he may be committed to jail for not more than 30 days additional to

any imprisonment otherwise imposed upon him. In such case, or if the
does not include said costs in his order or sentence, such costs shall
be paid by said commissioner from the tribal fund. Costs shall be
taxed as in ordinary proceedings upon complaint.

4771. Destitute persons on reservation

For all relief to any person not a member of the Penobscot tribe of
Indians, nor having a pauper settlement in this State, found destitute and
in distress upon any tribal reservation of said tribe, which has been
furnished by the commissioner or by the overseers of the poor of the town
within whose territorial limits such person is so found, the State shall
reimburse said commissioner or said town to such extent as the department
adjudges to have been necessarily expended therefor. The reasonable
expenses and services of said overseers relative to said pauper shall be
included in the amount to be so reimbursed.

4772. Destitute members outside of reservation

When any member of said tribe is found destitute and in distress
beyond the tribal reservation and is relieved by the town in this State
where he is so found, the overseers of the poor of said town may send to
the commissioner a statement specifying the nature, dates and amounts of

REPORT of commissioners appointed to purchase the lands belonging to the Penobscot tribe of Indians 1833.

To the governor and council of the state of Maine,
June session, A. D. 1833.

We, the undersigned commissioners appointed on the part of the state of Maine, to treat with the Penobscot tribe of Indians for the purchase of such lands belonging to said tribe as they are disposed to sell to said state, have attended to the duties of said appointment and report, that they have succeeded in purchasing the four townships belonging to said Indians, being north of the mouth of the Piscataquis river, as will appear by the deed of the same signed by the governor and chiefs of said tribe, and executed according to their usages, and herewith submitted for your consideration. In discharge of the duties devolving on us in this negotiation, we were aware of the difficulties always attendant on subjects of this character, and especially at this time, disunited as they have long been by factions and party animosity; but we are happy to say that they received the proposition made by us, cordially, convened their council and chiefs, consisting of members of both parties, and after frequent public deliberations for several weeks, and frequent interviews with us by delegates appointed by their convention, and receiving from us full explanation of the subject, we were notified by them to attend their convention, where, after having read the deed of conveyance, by their request, their signatures were then prefixed in presence of witnesses borne on said instrument. All which is submitted.

A. M. ROBERTS,
THOMAS BARTLETT,

Commissioners.

Whereas, We, Amos M. Roberts, of Bangor, and Thomas Bartlett, of Orono, in the County of Penobscot, Esquires, commissioners appointed by the governor of Maine, to purchase for said state such of the lands of the Penobscot tribe of Indians as they might be disposed to sell, having met the governor and principal men of said tribe in the council chamber of said tribe on the 10th day of June, A. D. 1833, for the purpose of purchasing the lands aforesaid, and having discussed the subject of the meeting in open council and there obtained the consent of said tribe to sell their four townships of land to said state, and whereas, the governor and lieutenant governor, by his attorney, by him appointed for that purpose, the councilors and captains of said tribe, then and there executed to said state, under their hands and seals, a deed to the said four townships, convenanting for themselves and in behalf of said tribe to warrant and defend the same to the state against the claims of said tribe. Now, therefore, we the commissioners aforesaid, in consideration of the premises have and do hereby covenant with said tribe of Indians, in behalf of the state of Maine, to pay to said tribe the sum of fifty thousand dollars, in the manner following, to wit: said sum of fifty thousand dollars shall be deposited in the states treasury, and the interest, reckoning from the date hereof, shall annually be paid under the direction of the governor and council of said state, through the Indian agent for the benefit of said tribe: provided it should in their opinion, be required for the comfortable support of said tribe, and if at any time, at the annual settlement any part of said interest should remain in the treasury, unexpended, it shall be added to the principal of fifty thousand dollars and become a part thereof, and said sum of fifty thousand dollars, together with such increase as it may from year to year receive, and shall forever remain in the treasury an accumulating fund, for the benefit of said tribe.

In witness whereof, we the said commissioners, have hereunto set our hands this 10th day of June, A. D. 1833.

Signed, sealed and delivered,
