This document, which contains over 500 citations, has as its main emphasis Eastern Europe and the U.S.S.R. It is divided into the following main sections: 1) The Ideology and Nature of Communism; 2) International Communication; 3) The Soviet Union, with sections on its people and land, historical background and the formation of the U.S.S.R.; 4) The Evolution of the U.S.S.R. politically, militarily, economically, and artistically; 5) Communist Eastern Europe, historical background, and a section on Post World War II; 6) Selected Countries; 7) International Relations; and 8) Periodicals. Within each section the citations are arranged alphabetically by author's name. For a description of the series see SO 005 913. Others in the series are SO 005 914 through SO 005 919. (OPH)
FOREIGN SERVICE INSTITUTE
CENTER FOR AREA AND COUNTRY STUDIES

A SELECTED FUNCTIONAL AND COUNTRY BIBLIOGRAPHY FOR EASTERN EUROPE AND THE USSR
The Center for Area and Country Studies of the Foreign Service Institute prepares area bibliographies annually for use in its training programs. In addition to this selected bibliography, the Center publishes bibliographies on Sub-Saharan Africa, Western Europe, Near East and North Africa, South Asia, Southeast Asia, East Asia, and Latin America.

Primary emphasis in the selection of items for this listing is given to materials in the Institute's library. Preference is accorded to recently published materials in order to highlight the most up-to-date studies and to ensure a balanced presentation of differing viewpoints on an issue. The inclusion or exclusion of an item is in no way to be construed as reflecting the views of the Center.
