DESCRIPTORS *Asian Studies; *Audiovisual Aids; Audiovisual Centers; *Bibliographies; *Chinese Americans; Chinese Culture; Classroom Materials; Educational Resources; Filipino Americans; Film Libraries; Films; Instructional Films; Instructional Materials Centers; Japanese American Culture; *Japanese Americans

ABSTRACT This is a selected bibliography of some good and some outstanding audio-visual educational materials in the library of the Educational Materials Bureau, Audio-Visual Education Section, that may be considered of particular interest in the study of Asians and Asian-Americans. The bibliography is arranged alphabetically within the following subject areas: I. Asians: General; East Asia--China, Japan, Korea; South Asia--Ceylon, India, Pakistan; Southeast Asia--Burma, Cambodia, Laos, Indonesia and Malaya, Philippine Islands, Thailand, Viet Nam. II. Asian-Americans: Continental United States and Pacific Protectorates: Chinese-Americans, Japanese-Americans, Hawaii, Oceania (Samoa--Solomon Islands). The number of copies held of these materials is limited and many are exceptionally popular. Booking is always on a first-come, first-served basis and within the limits of the Audio-Visual Education Section's manpower, delivery facilities, plant, and available funds. (Author/JM)

FILMED FROM BEST AVAILABLE COPY
This is not a catalog, but merely a selected bibliography of some good and outstanding audio-visual educational materials in the library of the Educational Materials Bureau, Audio-Visual Education Section, that may be considered of particular interest in the study of Asians and Asian-Americans.

For additional materials, please consult the Audio-Visual Materials Card Catalog located in each major school building. This card catalog is kept up-to-date regularly in terms of new additions as well as withdrawn listings.

The number of copies held of these materials is limited and many are exceptionally popular. Booking is always on a first-come, first-served basis and within the limits of the Audio-Visual Education Section's manpower, delivery facilities, plant, and available funds.

The following bibliography is arranged alphabetically within the designated subject areas.

A. GENERAL

16mm Film

Americans on Everest. Q915.42-MS1
Sound film 55 minutes Color El JH SH CA
Filmed in cooperation with the National Geographic Society and David L. Wolper Productions.

Superb documentary of first American ascent of Mt. Everest and of its first transverse crossing. Follows mountaineers from earliest training and testing on Mt. Rainier to arrival at Nepal, 1963, and on to the top of Mt. Everest. Splendid narration and photography depicting the years of preparation, planning, selecting, and assembling for the expedition. Chomolungma Productions 1967

Avery Brundage Collection of Asian Art. Q798.194-MS1
Sound film 28 minutes Color Upper El JH SH CA ITNS

Presents collage-survey of Asian art works of Brundage collection. Views art pieces from antiquity to modern centuries, from Asian mainland to Japan and Korea: pre-Buddhist ritual objects; Buddhist and Indian sculpture; Shang bronze; 't'ang horse of 8th century; jade; porcelains etc. Considers analogy of Oriental calligraphy to western abstraction. Superb close-up color photography. Dick Ham for the M.H. de Young Memorial Museum Released by Standard Oil of California 1968

Fable of the Peacock. Q793.31-MS1
Sound film 13 minutes Color JH SH

Lakshimi Waba Singh, as she narrates the fable of the peacock phrase by phrase, demonstrates the stylized hand gestures and body movements common to east Indian ceremonial dances. Close-ups emphasize the subtle characterization of the animals involved. The story concerns the judgment of the peacock for his vanity. Brandon 1950
Fabled Land, Troubled Land: The Crisis Over Kashmir. 0915.46-MS1

Sound film 14 minutes B&W El JH SH C A

The Golden Fish. Fiction

Sound film 20 minutes Color P El

Suspenseful story of a young Chinese boy's involvement with a goldfish, a canary, and a black cat. Winning the goldfish as a prize at a local carnival, the youth takes the goldfish home to become a friend of his canary. During his absence a predatory alley cat tries to capture the pet bird and goldfish. Filmed in France. No narration. Jacques-Yves Cousteau Columbia Films 1959 Released by Columbia Pictures Corp. 1962

Hunza: A Remote Himalayan Community. Q915.4-MS9

Sound film 19 minutes Color Upper El JH SH C A

Presents a brief study of the origin, customs, culture, government, and industry of Himalayan mountain state of Hunza. Shows how isolation, customs of the past, warlike sports of their ancestors, and traditions of the Moslem religion make Hunza more like a state in the middle ages that the twentieth century. Notes that its inhabitants are descendants from the soldiers of Alexander the Great and their Persian wives. Paul Hoefler Productions. Released by Walt Disney 1968

India and Pakistan: Lands and Peoples. Q915.4-MS7

Sound film 14 minutes Color JH SH

India and Pakistan - study of its four major geographic regions - the effect of climate and topography on India's life. Good contrast of urban vs rural life. Excellent map illustration. Coronet 1956.
Mekong: A River of Asia. Q915.9-MS3
Sound film 25 minutes Color JH SH C A

Niok. Fiction.
Sound film 29 minutes Color E1 JH

Story of a small boy, Ayot, and pet baby elephant, Niok, that he adopts and trains, set in the ancient ruins of Angkor Vat and French Indochinese village life. Village elder sells elephant to animal dealer; Ayot trails party through jungle, boards river boat and frees Niok. Theme: Freedom is the greatest gift. Fine background for such favorites as Mukerji's Kari, The Elephant, Lindquist's Burma Boy, Creekmore's Ali's Elephant. Fine photography; very colorful, well-narrated. Walt Disney - Buena Vista 1957

Southeast Asia Geography. Q915.9-MS1
Sound film 21 minutes Color Upper Fl JH SH

Explains how land and climatic features affect population by determining crops grown and natural resources made available. Discusses: similarities and differences of countries of Southeast Asia: political importance of city of Singapore and countries of Burma, Laos, Thailand, Cambodia, Malaya: primitive farming; waterway transportation; irrigation; silk and handicraft industries; changing roles of major western powers. Art Evans Released by Bailey 1966

Taming the Mekong. Q915.9-MS2
Sound film 26 minutes B&W JH SH C A

The World in Your Kitchen: Introducing Far Eastern Cuisine. Q641.5-MS4
Sound film 28 minutes Color JH SH

Colorfully considers the preparation and serving of foods in Thailand, Indonesia, Malaysia, Hong Kong and Japan. Discusses importance of curry and ginger in life of the people of Southeast Asia. Shows Chinese "chow" method of cooking (stir-frying). Describes Japanese emphasis on beauty, simplicity, and variety in food preparation. Shows adaptations of exotic cuisine for western palates. Show Associates Released by Corning 1968

35mm filmstrips (captioned)

Nepal. 915.426-FSI
Filmstrip 45 frames Color JH SH C A

This small, almost medieval kingdom finds itself between the two largest nations of Asia: China and India. A buffer state between the extreme Left of China and the pronounced Neutralism of India, the isolated land of Nepal is of political importance far out of proportion to her size. McGraw-Hill 1962 (China and Her Neighbors Series)

Study Prints

Children of Asia. 915-P1
8 Study Prints (13 x 18) Color P El
Contents: Aung of Burma; Haruko of Japan; Ah Wang of China; Shao Yuan of Hong Kong; Ranjit of India; Vipha, Girl of Thailand; Ali of Saudi Arabia; Ziva of Israel. Society for Visual Education 1966 (Children Around the World Series)

Realia - Models-Specimen Exhibits

Marine Seashells of the World. 594-SPX2
Exhibit 60 specimen El JH SH

A collection of approximately 60 different genus and/or species marine seashells of display and study quality. Includes representative variety of many different families, showing different shapes and forms. Exceptionally colorful and interesting specimens from around the world including China, Japan, Africa, South America, Mexico, United States, South Indian Ocean and Pacific Ocean Islands. Must be picked up and returned by school personnel! Albin Dittli Imports 1968
B. EAST ASIA
   1. CHINA
      16mm Film

The Ancient Orient: The Far East. Q950-MS1
   Sound film 14 minutes SH

A study of the Orient - India, China, Japan. Oriental religions traced from origin to effect on customs. Arts, culture, societies of Far East. Brahmanism, Buddhism, Taoism, Confucianism. Part played by religion in government; status of family; trade spread by religion. Coronet.

Born Chinese: A Study of the Chinese Character. Q301.451-MS7 (2 parts)
   Sound film 57 minutes (Pt. I: 33 min; Pt. II: 24 min.) B&W JH SH C A INS

Depicts daily routine and motives behind behavior of middle-class Chinese family living in Hong Kong with roots in Mainland China and an economic future based on the booming economy of the Crown Colony. Excellent portrayal of the Chinese as a product of a four thousand year old culture. No Western face is seen. Peter M. Roebeck
   Released by BBC-TV/Time-Life Films 1971

China: A Portrait of the Land. Q951.05-MS4
   Sound film 18 minutes Color JH SH C A

Shows influence of China's land resources on her history and her economy. Considers the human problems that China will face as her development, both industrially and agriculturally, proceed along communist lines. Views six major regions of China: Manchuria, north China, south China, Inner Mongolia, Sinkiang Province, and Tibet. Focus on Manchuria as a key to the nation's agricultural and industrial progress. Magnum Films
   Released by Encyclopaedia Britannica 1967

China's Industrial Revolution. Q951.05-MS5
   Sound film 15 minutes Color JH SH C A

Points out that China stood still until the Communist revolution brought about great industrial strides. Discusses ability of the Communist regime to supply China's urgent needs of modernizing agriculture and training skilled technicians. Reveals difficulties facing government: untrained manpower, lack of machines and workers for industrial growth, lag in modernized agriculture needed for increased food production. Magnum Films
   Released by Encyclopaedia Britannica 1967
Chinese Painting: Its Traditions and Technique.
Q759.95-MS3
Sound film 15 minutes Color EL JH SH C A INS

Two Chinese artists of Hong Kong combine their talents to illustrate this film. Disciplined wisdom of Chinese culture, as reflected in their painting, discussed: use of symbolism and imagery shown. Basic brush strokes: vertical and slanting, demonstrated. Six principles as expounded by artist-philosopher of 4th century explained. Bailey 1964

Communism in Conflict: The Dragon and the Bear.
Q335.4-MS1
Sound film 17 minutes B&W JH SH C A

Excellent documentary film portraying dramatic growth of Red China. Her challenge to Soviet leadership, her demands for equal status within the Communist bloc, ideological split in 1956, withdrawal of technical aid, and finally willingness of Soviet Union to limit future atomic testing shown. Dangers, challenges, opportunities that mankind, as a result of this showdown struggle, are presented. Screen News Digest August, 1963 (Volume 6, Issue 1)

Communist China. Q951.05-MS1
Sound film 23 minutes B&W JH SH C A

Presents panoramic view of land and people with special reference to potential economic and military power. Shows efforts of unification through life and discipline of communes. Considers attempts made to up-date farming methods and to build industrial plants. Discusses factors of strength and weakness underlying drive for modernization. James Beveridge Released by McGraw-Hill 1964

Family of Free China. Q915.1249-MS1
Sound film 22 minutes Color EL JH SH

Narrated by teen-aged Chinese boy who lives with his family on island of Taiwan. Home life, education, farming methods, village and large cities pictured. Thrift and industry of people discussed; air, rail transportation shown as important links in growth of factories and of export trade. Maps. Bailey 1961
Chinese Brothers  398.21-MS2
Sound film 10 minutes  Color  P  EL

Based on book of same title by Claire Huchet Bishop and Kurt Wiese.

Story of five Chinese brothers who escape execution by virtue of their extraordinary individual qualities. An iconographic film. Weston Woods 1958  (Picture Book Parade Series)

Hong Kong: Free Port.  Q915.125-MS2
Sound film 21 minutes  Color  JH SH C

Strategic location; establishment of dependable government by British, with cooperation of Chinese, and of free port that encourages world trade. American consulate explains our foreign policy to people of South East Asia, and provides a window for U.S. to look into Communist China. Population, housing, feeding of refugees their contribution to business life of colony. Le Mont  1961

Hong Kong, Pulse Of Asia.  915.125-MS1
Sound film 15 minutes  Color  EL  JH SH

Strategic importance of this beautiful harbor, as a trade center and listening post of Asia. Sampans, ocean liners, junks, overcrowded life of the boat people, all pictured. Importance of fishing industry, deplorable living conditions of refugees from Red China, unemployment, multi-family dwellings, need for farm land; rice paddies, Kowloon and Aberdeen all portrayed. Map. Oriental musical background. Lobett  1960

Oriental Brushwork.  Q759.95-MS2
Sound film 16 minutes  Color  EL  JH SH INS

The Story About Ping, Fiction
Sound film 10 minutes  Color  P  EL

Based on the book of the same title by Flack and Wiese.
Relates the adventures of a young Chinese duck, who runs away from his houseboat home on the Yangtze River because he doesn't want to be spanked. Weston Woods 1957  (Picture Book Parade Series)
Taiwan, The Face Of Free China. Q951.249-MS1
Sound film 30 minutes Color El Jh SH A

Attractive film of Taiwan depicting the most favorable aspects of life in Nationalist China. It may be classified as a travelogue designed to impress and convey favorable impressions of present day life on Taiwan. Shows the importance of agriculture in the lives of the Chinese. The influence of habit and customs of the past on present day Taiwan is also noted. Cundelach 1960

Thunder Over Asia: The Dragon and His Dreams. Q951-MS1
Sound film 13 minutes B&W JH SH C A

RECOMMENDED FOR SECONDARY USE ONLY!

Turmoil in Communist China: Troubles of Mao Tse-tung. Q951.05-MS2
Sound film 16 minutes B&W JH SH C A

Utilized historical footage to portray development of modern China, inter-weaving life of Mao Tse-tung with China's history since 1921. Considers: "Long March" of 1934; "war of liberation"; conquest of mainland; Russian alliance; formation of Taiwan government; "Great Leap Forward" in agriculture and industry of 1950's; widening rift with Soviet Union; China's blueprint for world revolution. Hearst Metrotone News 1967 (Screen News Digest, Volume 9, Issue 10)

35mm filmstrips (captioned)

China: Industry and Communication. 915.1FS6
Filmstrip 45 frames Color JH SH C A

The extent of China's industrial development is apparent in this filmstrip. Although as yet limited in quantity or availability, China is shown to have many modern means of transportation and communication. The various ways of using propaganda to encourage increased production are described. McGraw-Hill 1962 (China and Her Neighbors Series)
China: Life in the Cities. 915.1-FS4
Filmstrip 45 frames Color JH SH C A

The efforts the Chinese are making to bring modern transportation, education, housing and health measures to their crowded cities are shown. By American standards, conditions in many areas are seen to be extremely backward, but progress towards modernization is apparent as is the constant influence of political control. McGraw-Hill 1962 (China and Her Neighbors Series)

China: Life in the Country. 915.1FS5
Filmstrip 45 frames Color JH C A

A comprehensive picture of the commune system that is being introduced in Chinese agriculture today. Actual scenes of the growing crops are shown, methods of farming and agrarian living conditions under the new system of collective ownership and supervised assignment of work. McGraw-Hill 1962 (China and Her Neighbors Series)

China: Past and Present. 915.1-FS3
Filmstrip 45 frames Color JH SH C A

An overview of China, illustrating the many contrasts between the old and the new ways of life in rural and urban areas. Rare photographs depict the still-primitive life of the agricultural communes. McGraw-Hill 1962 (China and Her Neighbors Series)
2. JAPAN

16mm Film

The Ancient Orient: The Far East. Q950-MS1
Sound film 14 minutes SH

A study of the Orient - India, China, Japan. Oriental religions traced from origin to effect on customs. Arts, culture, societies of Far East. Brahmanism, Buddhism, Taoism, Confucianism. Part played by religion in government; status of family; trade spread by religion. Coronet.

Boy of Japan: Ito and His Kite. 915.2-MS7
Sound film 11 minutes Color P El

Through the eyes of Ito and his adventures with his kite, the viewer learns about Japan. Scenes of life in a small farming village, a visit to a big city, the Children's Festival, flooded rice fields that Ito's family farmed, the sea which surrounds Japan - all are pictured. Traditional and Western clothing are shown, as are factories, schools, meals, etc. Coronet 1964

Conspiracy in Kyoto. Q709.52-MS1
Sound film 20 minutes Color SH CA

Based on the narrative scrolls, the Ban Dainagon painted by Metsuaga in 1175. It is the story of an innocent man, unjustly accused of a capital crime, who wins his vindication. Indiana University.

Discovering the Music of Japan. Q780.952-MS1
Sound film 22 minutes Color El JH SH CA

Demonstrates the three major Japanese instruments, the koto, the shamisen, and the shakuhachi. Explains their historical background and the ways they fit into current Japanese life. Includes performances of traditional singing and dancing, and pieces played by an ensemble of the three instruments. Bernard Wilets. Released by Film Associates of California 1967.

From Enemy to Ally: Story of Post-War Japan. Q915.2-MS16
Sound film 13 minutes B&W El JH SH

Presents background study of the men and events that have guided the transformation of Japan from a wartime enemy to a peacetime ally. Footage includes: final surrender and official signing of armistice; formation of Japanese constitution; end of Allied occupation; elected Diet; membership in the United Nations; U.S.-Japanese security agreements.
From Enemy to Ally: Story of Post-War Japan (continued)

Japan. Q915.2-MS8
Sound film 25 minutes Color JH SH C A

Shows integration of age-old methods, traditions, the "Japanese Way of Life" with the modern economics of the post-war period. Good for showing Japan as island area equal to California, but populated with 90,000,000 people. With food a problem, work a problem. Notes industries at which it excels: shipbuilding, textiles, cameras. International Film Bureau.

Japan: An Historical Overview. Q952-MS1
Sound film 14 minutes Color E1 JH SH C A

Traces major events in history of Japan, from clan society of 800 B.C. to present parliamentary government. Shows influence of Buddhism and other cultural elements from Asia; points out the impact of Western technology; explains how shifting powers of priests, nobles, shogun, and emperor have affected the destiny of the country. Coronet 1964

Japan: Harvesting the Land and Sea. Q915.2-MS11
Sound film 26 minutes Color E1 JH SH C A

Examines Japan's human and physical resources; explains that Japan must make maximum use of land and sea to feed a population living on area smaller than California; farmers of rice plains and fishermen of Inland Sea shown working. Points out Japan's contributions to and interest in plant genetics. Encyclopaedia Britannica 1963.

Japan Harvests the Sea. Q915.2-MS9
Sound film 34 minutes Color E1 JH SH C A

An extremely interesting, and beautifully photographed treatment of the over-all importance that the sea plays in the economics of Japan. Film centers around activities of people in Japanese fishing village; basic information about geography and size of Japan; early morning activities, work in village, Ama girls harvesting seaweed; school and household duties; care of the day's catch of fish; evening in the home. Cinemascope format. No special lens needed. Walt Disney - Buena Vista 1960 (People and Places Series)
Japan: Miracle in Asia. Q915.2-MS1

Sound film 30 minutes Color El JH SH C A

Freedom, hard work, education, being unhampered by large defense spending - all have made Japan the only industrial nation outside the West. In an effort to solve the problem of supporting a large, fast-growing population on a small, relatively poor land area, she has diversified her production, changed her image, emerged as world leader in shipbuilding, crockery; overseas trade is the lifeblood of this island country. Encyclopaedia Britannica 1963.

Japanese Boy- The story of Taro. Q915.2-MS3

Sound film 20 minutes Color P El JH

Touching story of a Japanese boy who loses a friend, gains a treasured possession, and learns that growing up often means sacrificing one end to gain another. Japanese children at school, visiting scenic places in their country, learning to use abacus, shown; silk worms, their care pictured; limited land of Japan, villages, customs, revealed. Encyclopaedia Britannica 1963.

Japan's Art from the Land. 915.2-MS13

Sound film 10 minutes Color El JH SH C A

Japan's Geography: Human and Economic. Q915.2-MS12

Sound film 13 minutes Color El JH SH C A

Depicts contrasts in climate and topography found in Japan. Shows how old patterns of life are changing. Discusses Japan's growing industrialization and urbanization; importance of trade to Japan's economy; role played by railroads in unification of country. Metro-Goldwyn-Mayer Released by Sterling Educational Films 1963 (Japan: Nation in Transition).

Japan's Revolution. Q952-MS2

Sound film 29 minutes B&W SH C A INS

Uses documentary film footage and dramatic re-enactments to explore Japan's industrial revolution, her military-inspired totalitarian revolution, and her recent democratic revolution. Questions what will be required of the United States if the gains of Japan's democratic revolution are to be sustained, NET Film Service 1958 Released by Indiana University (Twentieth Century Revolutions in World Affairs Series).
Kimono. Q646-MS13
Sound film 22 minutes Color SH A C

Presentation of the garment called the Kimono in Japan. Something of its history. Shows the different types of Kimono, those worn to indicate different age brackets, types worn at different seasons, how manufactured, etc. Built around one young girl - climaxing with assembling and wearing of the wedding Kimono. Japan Tourist Association.

Many Streams. Q915.2-MS15
Sound film 25 minutes B&W JH SH C A

Traces Occidental influences which formed Japan's traditional culture, and Western thought which transformed it into a modern nation. Graphic animation sequence relates the history of writing, from Kanji (adopted from the Chinese) through Kiragama (simplified for today's fast-moving world). Emphasizes that the soil of Japanese culture was irrigated by "many streams", by culture diffusion. UNESCO and NHK (Japan Broadcasting Corporation) 1964. Released by Contemporary Films.

Meet the Japanese. Q915.2-MS17
Sound film 25 minutes Color JH SH C A

Japanese produced documentary depicting changes that have occurred in traditional trades and crafts and in Japanese villages with the advent of modern technology and population migration to the cities. Considers urban problems and development of "satellite cities" adjacent to large metropolitan areas. Japan External Trade Organization (JETRO) 1970.

Oriental Brushwork. Q759.95-MS2
Sound film 16 minutes Color EL JH SH INS

Osaka. Q915.218-MS1
Sound film 16 minutes Color EL JH SH C A

Depicts symbolically the story of ancient, modern, young and growing Osaka, Japan's "City of Canals", sister city to San Francisco. Blending of the "old" with the "new" colorfully portrayed. Scenes include: Osaka Castle; Port of Osaka; Japanese gardens; cities of Kyoto, Nara, and Kobe; religious temples and shrines; Kabuki; electronics industry; manufacturing; pearl culture; native customs, etc. Excellent close-up views of individual faces of the people. Mainichi-Hoso Films 1963.
Seacoast Villages of Japan. Q915.2-MS10
Sound film 18 minutes Color El JH SH CA

Pictures everyday life in Japan's seacoast villages. Shows occupations, transportation, children's activities, religious rites; how one of the traditional village-type homes is built. Points out the dependence of villagers upon one another, and how cycle of nature governs their lives. Atlantis 1962.

The Stonecutter. 398.2-MS5
Sound film 6 minutes Color PE

Uses color animation to retell a traditional Japanese folk tale about the envy and greed of a stonecutter who is transformed into a prince, the sun, a cloud, and finally a mountain. Gerald Mac Dermott. Released by International Film Foundation 1965.

Sumi Artist. 759.95-MS1
Sound film 10 minutes Color El JH SH

Japanese sumi painting is demonstrated by Chairu Obata. Lobett Products 1954.

Village Life in the New Japan. Q915.2-MS14
Sound film 30 minutes B&W Upper El JH SH CA

Mature film depicting traditional life in a Japanese village through the activities of a Japanese farm wife. Shows home activities and work on the farm; points out stability which the traditional village life gives to the entire Japanese culture. Influence of economics, land reform, improved education, communications, transportation, improvements in agriculture described. Indiana University 1962 (Japan: Changing Years Series).

35mm Filmstrips (captioned)

Agriculture in Japan. 915.2-FS3
Filmstrip 30 frames Color El JH

Commercial Fishing in Japan. 915.2-FS2
Filmstrip 30 frames Color El JH

Describes scoop net fishing and other methods used by Japanese fishermen; explains importance of boat building and repair yards in operation of Japanese fishing fleets; discusses part played by all villagers in fishing industry. Shows influence of religious shrines in life of fishermen. Eye Gate 1965. (Modern Japan Series).
**Farm Village In Japan. 915-FS2**
Filmstrip 49 frames Color E1 JH

**Japanese Fishermen. 915-FS4**
Filmstrip 57 frames Color E1 JH

Covers the importance of the fishing industry in Japan, the role of the man and woman, how fish are caught and what is done with them. Shows community living in a village. Many types of fish are shown, especially sardines, planting of oyster beds, diving for pearls, preparing pearls for market and making boats. Encyclopaedia Britannica 1959. (Lands of the Far East Series).

**The Lost Ring: A Tale from Japan. 398.2-FS11**
Filmstrip 39 frames Color P E1

Raiko and Kintaro, brother princes, struggle for father's kingdom. Fishes, lobsters, turtles and other animals organize a successful search for a ring the good prince must find in order to claim his birthright. Filmstrip House 1962. (Tales of Far Away Folk Series).

**Study Prints**

**Japan. 915.2-P1**
35 Study Prints (11 x 14) E1 JH

Contents: Department store, fish market, rice paddies, farm house, bridges, railway station, office buildings in Tokyo, Nikko National Park, etc. Hi Worth.

**Realia - Models - Specimen Exhibits**

**Japanese Fans. 915.2-SPX2**
Exhibit 34 items P E1 JH SH C A

Collection to be picked up directly from and returned to Audio Visual Education by School personnel. NOTE: VERY FRAGILE!

Exhibit consists of artistic and decorative specimens of round fan (uchiwa) and closing fan (ogi or sensu). Some of the types included are: Tea Ceremony Fan (Cha No Yu Ogi); WaterFan (Mizu Uchiwa); War Fans (Kami Kazi, Gumpai Uchiwa, Gunsen); Wedding Fan (Konrei-Ogi); Court Fan (Akome Ogi); Dancer's Fan (Mai-Ogi) etc. Maurice K. Schiffman 1966.
Japanese Folk Toys. 915.2-SPX1
Exhibit 15 items P E1 JH

Collection consists of "talisman-type" toys noted for their artistic and decorative value. Included are:
1. Ainu dolls
2. Nambu Goma (Nambu horse)
3. Ushi (ox)
4. Akabeko (red cow or red ox)
5. Wara Uma (straw horse)
6. Sasano Bori (Sasano carvings)
7. Inu Hariko (papier mache dog)
8. Mimizuku (horned owl)
9. Yumi jishi (lion's head)
10. Nagashibina (floating dolls)
11. Matsue Anesama (Matsue elder-sister dolls)
12. Tora (tiger)
13. Fugubue (blowfish or globefish whistle)
14. Danjiri (whale)

The Raw Silk Industry of Japan. 677.41-SPX1
E1 JH

CIRCULATES ONLY AS A UNIT
Contents:
- 10 booklets - "Silk - 1959"

II. ASIAN - AMERICANS

A. CONTINENTAL UNITED STATES AND PACIFIC PROTECTORATES

1. CHINESE-AMERICANS

16mm Films

Canton West. Q979.461-MS4
Sound film 25 minutes B&W E1 JH SH C A

Story of Chinatown during critical years between Gold Rush and the turn of the century. Reasons for Chinese arrival in California, where they settled, problems they faced, and how, in facing them they created a "city within a city" and a new way of life. Pictures in detail many of ancient customs brought by these Oriental colonists. Their contributions to the social, cultural, and economic life discussed. KGO-TV 1962 (Expedition California Series).

China by the Golden Gate. Q917.946-MS2
Sound film 24 minutes Color E1 JH SH C A

Presents a colorful tour of San Francisco's famed Chinatown, the largest Chinese settlement outside of the Orient. Considers the fascinating ancient culture that is reflected in the lives of today's Chinese-Americans. Views include glimpses of the home, business and religious life of this community. Standard Oil of California 1957?
Land of Immigrants. Q325.73-MS2
Sound film 16 minutes Color El JH

A boy who sets out to see America finds evidence of "foreigners" everywhere. Using animated art work, film traces major waves of immigration and the forces that impelled them: religious persecution, adventure, trade, tyranny, starvation, search for freedom and a better way of life. Shows how the character, quality and fabric of the U.S. has been molded by mixture of many cultures; that the U.S. is made up of people of different national origins, creeds and colors. Churchill 1965.

The Melting Pot. Q979.461-MS8
Sound film 24 minutes B&W Upper El JH SH C A

Depicts growth of California as great melting pot of varied cultures, creeds and philosophies merging to form the "California" way of life. From days of the Indian, film outlines immigration of Spanish, Russian, Americans, Chinese and other national groups with focus on their contributions to present-day civilization. KGO-TV Project Released by Modern Learning Aids 1962 (Exploration California Series).

The Trouble with Chinatown. Q301.451-MS3
Sound film 26 minutes Color JH SH C A INS

Discusses massive wave of immigration and a restless and westernized younger generation among the Chinese who are beginning to examine their traditional isolation. Presents ways to deal with new problems of a rapidly changing social structure through such solutions as a bilingual professional group to deal with problems of housing, employment, family counseling and legal assistance. WNBC-TV 1968 Released by NBC Educational Enterprises 1970.
