I. African Heritage

A. Art and Culture

16mm Films

The Ancient Africans. Q960.2-MS2
Sound film 27 minutes Color JH SH C A INS

Penetrates Western ignorance about Africa's past as it utilizes animation to transport viewer back through history to a time before written word. Creatively considers: African heritage; life of the people as seen through their arts, religions, civilizations, communities, buildings and monuments. Museum art objects viewed. Musical score incorporates variety of African music. Location photography includes stone walls of Zimbabwe, ancient ruins of Kush and Axum. Julien Bryan Released by International Film Foundation 1970.

The Ancient Egyptian. Q913.32-MS2
Sound film 27 minutes Color JH SH C A

Discovering the Music of Africa. Q780.96-MS1
Sound film 22 minutes Color EI JH SH C A

Describes individually the musical instruments of Ghana and how to make and play each: rattle, bells, drums. Each instrument is examined and played individually and then as part of the group. Robert Ayitee, drummer, and his associates present the history, structure and style of African music with an explanation of its complexity. Describes how music and rhythms of Africa are used as means of communication. Bernard Wilets Released by Film Associates of California 1967.

A Giant People. Former title, Watussi of Africa. 916 7-MS1
Sound film 10 minutes JH SH

Reveals the activities, customs and traditions of the Watussi, an African people characterized by their advanced native culture. Shows ruling prince, royal family and activities in the royal household, including weaving, decorating, cooking and churning. Shows
the prince inspects the cattle and leads a hunt. Encyclopaedia Britannica 1979.

In Search of a Past. Q960.2-MS1 (2 Parts)
Sound film 53 minutes (Part I: 24 minutes; Part II: 29 minutes)
B&W JH SH C A INS

Follows three American Negroes to Ghana for a return to Africa trip to gain insight into their cultural heritage. Through these teenagers we compare the contemporary African and American Negro's position in the respective societies and the way in which each raises pertinent questions on the subject of freedom. CBS News Released by Film Associates 1968. (Of Black America Series).

The Peoples of Africa. Q916-MS3
Sound film 16 minutes Color Upper El JH SH

Carefully surveys life of natives of four major areas of Africa: Arab culture in north, Negroid peoples in west, European peoples in east and south. Realistic study of the Bantu, Bushmen, Pygmies, and Masai. Depicts authentic native "dress" (some nudity shown.) Helps students appreciate contributions which peoples of Africa have made to advancement of civilization. ACI Productions Released by McGraw-Hill 1966 (Africa Series).

Realia, Models, Specimen Exhibits

Ashanti Stools. 916.6-SPX2
Exhibit 2 items P El JH SH C A INS

Two (2) authentic, different, hand-carved individual wooden stools (one small; one large) used by native chiefs. Historical significance based upon legend that a Golden Stool fell from the sky into lap of first Ashanti king. 1965 (West African Primitive Art Collection).
Nigerian Thorn Carvings. 916.69-SPX1
Exhibit 38 items 3 to 4 inches high
P El JH SH C A INS

Figurines made of Nigerian thorn wool, handcarved by Nigerian craftsmen. Carvings from three (3) to four (4) inches high showing villagers engaging in daily activities such as cooking, fishing and weaving. Descriptive brochure accompanies carvings. Collection to be picked up directly from and returned to Audio Visual Education by school personnel. 1965 (West African Primitive Art Collection).

Oware Game Board. 916.6-SPX4
Exhibit 1 item P El JH SH C A INS

A hand-carved cupped wooden board used when playing Oware, a game of strategy and mathematical skill. The game is played in all parts of Africa; name varies according to region. Rules governing game enclosed with game board. 1965 (West African Primitive Art Collection).

West African Fertility Dolls. 916.6-SPX3
Exhibit 4 items P El JH SH C A INS

A collection of four (4) hand-carved wooden figurines. Smaller dolls, larger dolls are modern conception by Augustine D'Almeida, contemporary Ghanaian sculptor. Custom dictates prospective mother selects either boy or girl figurine representative of child to be. She carries doll in belief her choice will be realized. 1965 (West African Primitive Art Collection).

West African Masks. 916.6-SPX1
Exhibit 6 items P El JH SH C A INS

A collection of six (6) different original hand-carved wooden masks and/or figures of authentic items used within various ceremonies of West African tribes. 1965 (West African Primitive Art Collection).

B. Land and People
16mm Films

African Girl: Malobi. 916.69-MS6
Sound film 11 minutes Color El JH

Story of Malobi, a ten-year old girl of the Ibo tribe in Nigeria. Shows home activities, wood carving, farming, use of jungle products, building a home in the traditional way; Malobi attending school; musical and recreational activities pictured. Atlantis 1960. (Children of Our World Series)

Anansi the Spider. 398.24-MS1
Sound film 10 minutes Color P El JH SH

Prefaced by brief background of Ashanti people, animated film graphically relates adventures of Anansi, the spider folk hero of the Ashanti people of Ghana, in West Africa. Depicts Anansi's plunge into trouble his rescue by six talented sons, and a parable about the moon. Imaginatively presented, film expresses the wonder of the Ashanti people, of their culture. Gerald McDermott Films Released by Landmark Educational Media 1969. (African Folklore Series)
Blue Men of Morocco. Q916.4-MS2
Sound film 28 minutes Color El JH SH C A

Strange story of a primitive nomadic tribe of Arabs living in Southern Morocco; their way of life in this camel economy, their customs, problems, and history pictured; their constant struggle with the desert and its perennial water problem; caravan so typical of Arabian stories shown; contrasts life in an oasis and city life in Marrakech. Story of a people whose skin acquires its color from dye in their clothes. Disney 1959? (People and Places Series).

The Continent of Africa. Q916-MS2
Sound film 15 minutes Color Upper El JH SH

Discusses the land and people of the four major regions: dry North, forests of the West, industrial South, and highlands of the East. Examines the contrasts in the continent: native culture and emerging modernization, differences in land forms and climate; varying methods of agriculture and industrial development; African people's diversified ways of life; the Arab, Indian and European involvements in modernization of Africa. Excellent map utilization. ACI Productions Released by McGraw-Hill 1966 (Africa Series).

East Africa. (Second Ed.) Q916.76-MS1
Sound film 22 minutes Color Upper El JH SH

View three principal political regions of East Africa: Kenya, Uganda, and Tanzania. Considers ancient and modern customs, occupations, dwellings, people, major cities, topography, etc. Focus on East Africa as home of countless wild animals and as one of great underdeveloped areas of today's world. Includes scenic highlights such as Lake Victoria, the Nile, and Murchison Falls. Paul Hoefler Production 1962 Released by Bailey Film Associates 1969. (Far Places Series).

East Africa: Tropical Highlands. Q916.7-MS4
Sound film 15 minutes Color Upper El JH SH

The Economy of Africa. Q916-MS4
Sound film 13 minutes Color Upper El JH SH

Traces expanding African economy from colonial period through its development in the newly independent nations. Considers problems of lack of fertile soil, small crop yields, isolation of subsistence villages, shortage of trained personnel, lack of necessary capital to diversify the economy. Discusses value of common markets as means

Egypt and the Nile. Q916.2-MS2
Sound film 16 minutes Color JH SH

Discusses Egypt and Nile Valley as seen against its historical background. Explains importance of Nile for whole pattern of Egyptian life, commerce, industry and defense. Views include: ancient temple to sun god at Abu Simbel; Aswan Dam; Delta region; Suez Canal; cities of Asyut, Cairo, and Alexandria. Encyclopaedia Britannical 1954.

Egyptian Villagers. Q916.2-MS5
Sound film 14 minutes Color JH SH

Describes agriculture in an Egyptian village near the Nile. Shows three cotton crops being harvested and night-time irrigation being carried on with hand-operated waterwheels. Points out that village life is a mixture of old and new cultures. Includes scenes of modern schools, the government-sponsored health program, and the Muessin call for mid-day prayer. Public Media Inc., Released by Films Incorporated, 1969. (Man and His World Series).

Ethiopia: Africa's Ancient Kingdom. Q916.3-MS1
Sound film 16 minutes Color JH SH C A

A good, general overview of Ethiopia, its geography, natural history, sociology, and economics. Focus on Emperor Haile Selassie; the ancient Coptic Christian Sect, tribe of Amharas discussed. Animal wildlife of the region, general geography - high plateau about nine times the size of New York state; general need of the country to modernize, etc. Good for introductory work, and for discussion. Hoefler 1960.

Family of Ghana (Journey from Etsa) Q916.67-MS2
Sound film 30 minutes B&W JH SH C A

Excellent picture of a people in transition. Film is centered around family, young men trying to improve and modernize the unproductive ways of fishing, etc.; resistance of older generation to change. Pictures African folkways, fetish worship; presents a challenging picture of events in this recently-emerged member of the Commonwealth of Nations. Thin story thread throughout; tribal traditions, methods of labor, medicine pictured. National Film Board of Canada 1958.
Focus on the Fallen Idol: Kwame Nkrumah. Q916.67-MS4
Sound film 14 minutes B&W El JH SH C A

Reviews causes for economic and political decline of Ghana during regime of Nkrumah. Focus on life of Kwame Nkrumah: his American background, as Prime Minister heading "crash" programs in education and welfare, taking trips behind Iron Curtain negotiating barter agreements, having self made President, growth of distrust at home, his trip to Red China, his outing by military coup. Hearst Metrotone News 1966. (Screen News Digest Series, Volume 8, Issue 10)

Moslem People of Nigeria. Q916.69-MS4
Sound film 11 minutes Color El JH SH C A

Over-all view of area around Kano. Describes daily activities, tribal customs; industries (textiles, jewelry, indigo, tanning, utensils from gourds); education (based upon Koran); climate; architecture and religion. Explains pre-European historical development of Northern Nigeria. Animate map illustrations. Wolff 1961.

Nawi. Q916.67-MS5
Sound film 22 minutes Color El JH SH C A

Outstanding documentary depicting the life of the Jie peoples of Uganda as they leave their homesteads and take their cattle to temporary camps, or Nawi, where fresh grass is abundant. Shows preparation for the journey, a last meal of parched sorghum, and the cattle drive. Presented without narration but with subtitles translating the conversation of the people. David McDougall Released by Churchill Films 1970.

Nigeria and Biafra: Story Behind the Struggle. Q916.69-MS8
Sound film 14 minutes B&W JH SH

Portrays underlying and immediate causes of the civil war between Nigeria and the breakaway province of Biafra. Pictures the bitterness, suffering and heartbreak that have marked Nigeria's history. Hearst Metrotone News 1968. (Screen News Digest, Volume II, Issue 2)

Nigeria: Giant in Africa. Q916.9-MS7 (2 Parts)
Sound film 50 minutes (each part 25 minutes) B&W Upper El JH SH C A INS

Recounts historical background of Nigeria including ancient African cultures and period of European colonization. Traces political evolution from colony status to membership in Commonwealth of Nations. Overview includes: climate, topography; agriculture; lumbering; cattle raising; transportation; cities; educational system; industry; "war" on disease, etc. National Film Board of Canada Released by Contemporary Films 1960.
Nile Valley and its People, The. Q916.2-MS3
Sound film 15 minutes Color El JH SH C A

Traces source, junctions, mouth of Nile River, its importance in the three countries through which it flows; dependence of people on river for water, hydroelectric power, irrigation, and transportation; typical village and its activities shown. Pictures Cairo, capital of Egypt, and largest city in Africa. Encyclopaedia Britannica 1962.

Northern Africa: Water and Man. Q916.1-MS3
Sound film 16 minutes Color Upper El JH SH

Demonstrates importance of water sites in arid parts of Northern Africa; relationship of area's geography to man and man's dependency upon it; character of the natural environment of region; why area has been slow to develop. Explains present need for industrial development. Emphasizes promising future of region symbolized by installation of irrigation projects, development of hydroelectric power, and drilling for rich oil deposits beneath the Sahara. AIC Productions Released by McGraw-Hill 1966 (Africa Series).

Salima in Transition. Q916.89-MS1
Sound film 28 minutes B&W JH SH C A

Presents a documentary of an African culture in transition. Focuses on a secondary school in the town of Salima in Malawi in southeast Africa. Shows group of English speaking students in process of making transition from their rural background into educated class of an emerging nation. Pictures school life, home life, shopping, a school dance, and a visit by one of the boys to his village home. Churchill Films, 1970.

Southern Africa: Industry and Agriculture. Q916.8-MS3
Sound film 15 minutes Color Upper El JH SH

Presents historical approach to explain why Southern Africa developed as a highly industrialized, Europeanized region. Depicts efforts of a diverse population, British, Bantu, Afrikaner, Indian, different and often conflicting, bound by industry and agriculture, working together to determine future of area. Includes visits to diamond mines, steel mills, fishing industries, and coffee plantations. Excellent map utilization. ACI Productions Released by McGraw-Hill 1966. (Africa Series).

Surf Boats of Accra. Q916.67-MS3
Sound film 17 minutes Color JH SH C A

Accra, seaport town of Southeast Ghana, has for centuries depended on surf boats to take products to ships, to return with things needed to help Ghana become a modern nation. Communal life, lead by tribal chief, pictured. Excellent picture of an episode in Ghana's history that has just recently vanished. Narrator has British accent. Unilever 1961.
Tropical Africa. Q916-MS1
Sound film 29 minutes Color SH C A INS

Documentary film introducing Africa; four minute animated sequence, narrated by native African, highlights history. Later part presents basic problems: racial, economic, political; movement to cities, to new mines and factories; emergence of new class of technicians, white-collar work: s. Struggle for self-government; efforts to establish schools, etc. Julien Bryan 1961. International Film Foundation.

Two Boys of Ethiopia. Q916.3-MS2
Sound film 20 minutes Color El JH

West Africa: Nigeria. Q916.69-MS5
Sound film 22 minutes Color El JH SH C A

An overview of Nigeria, dealing with each of three regions separately. Illustrates the diversity among them, and the efforts to create unity out of different tribal, religious, and economic traditions. Film includes a segment showing some famous Nigerian Benin bronze sculptures. Encyclopaedia Britannica 1961.

West Africa: Tropical Lowlands, Q916.6-MS1
Sound film 15 minutes Color Upper Fl JH SH

35mm Filmstrips (captioned)

An African Home Near the Equator. (Revised Ed.) 916.7-FS4
Filmstrip 24 frames Color P El

African Profiles Series. 916-FS1
3 Filmstrip set Color El JH

Three filmstrips circulated only as set: no captions. Each filmstrip accompanied by individual script. Set composed of following three titles:
  Profile of Africa, Parts I and II
  Profile of Nigeria
  Overview of African Continent. Shows diversity in occupations, marketing, industry, religion, government, weather, education, customs, etc. School Film Service 1961-1962.

Children of Equatorial Africa. (Revised Ed.) 916.7-FS2
Filmstrip 24 frames Color P El

Scenes presented of everyday activities of children living in rural Central Africa. Shows them admiring flowers, taking care of pets, attending school, playing games, cutting sugar cane, gathering bark, learning building trades, listening to stories, etc. Curriculum Films 1967 (Life in Central and Equatorial Africa Series).

Contrasts in Nigeria. 916.69-FS1
Filmstrip 47 frames Color El JH

Farming in Equatorial Africa. (Revised Ed.) 916.7-FS3
Filmstrip 32 frames Color P El

Shows influence of education upon backward nomadic peoples; replacement of primitive and traditional methods of farming by more modern, mechanized agricultural techniques; growth of stable and settled farming community. Views include development of "cash crops" through improved farming methods. Curriculum Films 1957. (Life in Central and Equatorial Africa Series.)

Native Tribes. 916.7-FS1
Filmstrip 55 frames Color El JH

The Region. 916.76-FS1
Filmstrip 55 frames Color El JH

Study Prints

Children of Africa. 916.P1
8 Study Prints (13 x 18) Color P E1

Contents: Latifa of Morocco; Rabi of Nigeria; Foussein of Egypt; school children of Ethiopia; Takuya, Boy of the Masai; Mawire and Gotora of Rhodesia; Kwi of the Kalahari desert; Jan and Marta of South Africa. Society for Visual Education 1966. (Children Around the World Series).

C. Flora and Fauna

16mm Films

The African Lion and His Realm. Q599.74-MS5
Sound film 19 minutes Color EI JH SH C A

Outstanding photography captures the realm of the African lion in the primeval heartland of Africa - lush grass, cool forests, lakes and rivers. Shows how the lions themselves congregate in family groups called prides ruled by the lioness and not the "King of Beasts". Animals viewed include: Antelope, Zebra, Water Buffalo, Giraffe, Rhino, Gazelle, Wild Dog, Vultures, Jackals, etc. Walt Disney 1969 (African Lion Series).

Africa's Vanishing Wildlife. Q591.5-MS48
Sound film 15 minutes Color EI JH SH

Illustrates how it is possible for many kinds of animals to live together in Africa's interrelated wildlife community. Stresses importance of wildlife conservation to the overall economy of the East African nations. Discusses how man's increasing pressure on the land threatens Africa's remaining wildlife regions. Outstanding wildlife photography. Barr 1967.

Birds, Baboons and Other Animals: Their Struggle for Survival. Q599-MS14
Sound film 19 minutes Color EI JH SH C A

Filmed in wilds of Africa, presents outstanding study of animals and birds which share the realm of the African lion: Cranes, Herons, Storks, the Ostrich and the highly intelligent Apes, the Baboons. Telephoto lens brings into view an incredible host of intermingled wildlife. Presents excellent pageant of living nature and the laws of survival. Walt Disney 1969. (African Lion Series).

Elephants and Hippos in Africa. Q599.61-MS1
Sound film 17 minutes Color EI JH SH C A

Presents insight into the lives of two African giants - the Elephant and the Hippopotamus as they are viewed in their natural habitat, on land and in the water. Outstanding underwater photography captures the Hippo (dubbed "river horse" by the Ancient Greeks) as he cavorts among reptiles and fish. Shows how both the Elephant and Hippo are plagued by insects and how the "lily hopper" bird is the constant companion of the Hippo. Walt Disney 1969. African Lion Series.
Mammals of Africa and India. 599-MS13
Sound film 11 minutes Color El

Observe likenesses and differences of the two major groups of Elephants, three species of Rhinoceroses, and two species of Hippos in a modern zoo and in their native habitat. Introduces vocabulary commonly used by scientists when discussing mammals, their characteristics, and behavior. Helpful for introducing scientific method to beginning "observers". Paul Hoefler 1966.

Miss Goodall and the Wild Chimpanzees. Q599.8-MS1
Sound film 29 minutes Color Upper El JH SH C A

Filmed in cooperation with the National Geographic Society.

Realia, Models, Specimen Exhibits

Camel (Dromedary). 599.73-SPX3
Model (one-tenth scale) El JH SH C A INS

Outstanding and valuable display unit of museum quality with precise regard to life-like detail. Superb workmanship. Model, mounted in plastic display case, to be picked up directly from and returned to the Bureau of Audio Visual Education by school personnel. Louis Paul Jonas Studios 1969. (Mammals of Africa Series).

Cheetah (Running). 599.74-SPX6
Model (one-tenth scale) El JH SH C A INS

Outstanding and valuable display unit of museum quality with precise regard to life-like detail. Superb workmanship. Model, mounted in plastic display case, to be picked up directly from and returned to the Bureau of Audio Visual Education by school personnel. Louis Paul Jonas Studios 1969. (Mammals of Africa Series).

Eland. 599.73-SPX8
Model (one-tenth scale) El JH SH C A INS

Outstanding and valuable display unit of museum quality with precise regard to life-like detail. Superb workmanship. Model, mounted in plastic display case, to be picked up directly from and returned to the Bureau of Audio Visual Education by school personnel. Louis Paul Jonas Studios 1969. (Mammals of Africa Series).
Elephant ("Charging"). 599.61-SPX1
Model (one-tenth scale) El JH SH C A INS

Outstanding and valuable display unit of museum quality with precise regard to life-like detail. Superb workmanship. Model, mounted in plastic display case, to be picked up directly from and returned to the Bureau of Audio Visual Education by school personnel. Louis Paul Jonas Studios 1969. (Mammals of Africa Series).

Giraffe (Male-Standing). 599.73-SPX10
Model (one-tenth scale) El JH SH C A INS

Outstanding and valuable display unit of museum quality with precise regard to life-like detail. Superb workmanship. Model, mounted in plastic display case, to be picked up directly from and returned to the Bureau of Audio Visual Education by school personnel. Louis Paul Jonas Studios 1969. (Mammals of Africa Series).

Gnu. 599.73-SPX11
Model (one-tenth scale) El JH SH C A INS

Outstanding and valuable display unit of museum quality with precise regard to life-like detail. Superb workmanship. Model, mounted in plastic display case, to be picked up directly from and returned to the Bureau of Audio Visual Education by school personnel. Louis Paul Jonas Studios 1969. (Mammals of Africa Series).

Gorilla. 599.88-SPX1
Model (one-tenth scale) El JH SH C A

Outstanding and valuable display unit of museum quality with precise regard to life-like detail. Superb workmanship. Model, mounted in plastic display case, to be picked up directly from and returned to the Bureau of Audio Visual Education by school personnel. Louis Paul Jonas Studios 1969. (Mammals of Africa Series).

Hippopotamus. 599.73-SPX13
Model (one-tenth scale) El JH SH C A

Outstanding and valuable display unit of museum quality with precise regard to life-like detail. Superb workmanship. Model, mounted in plastic display case, to be picked up directly from and returned to the Bureau of Audio Visual Education by school personnel. Louis Paul Jonas Studios 1969. (Mammals of Africa Series).

Kuda (Greater). 599.73-SPX14
Model (one-tenth scale) El JH SH C A INS

Outstanding and valuable display unit of museum quality with precise regard to life-like detail. Superb workmanship. Model, mounted in plastic display case, to be picked up directly from and returned to the Bureau of Audio Visual Education by school personnel. Louis Paul Jonas Studios 1969. (Mammals of Africa Series).
Lion (Male). 599.74-SPX7
Model (one-tenth scale) El JH SH C A INS
Outstanding and valuable display unit of museum quality with precise regard to life-like detail. Superb workmanship. Model, mounted in plastic display case, to be picked up directly from and returned to the Bureau of Audio Visual Education by school personnel. Louis Paul Jonas Studios 1969. (Mammals of Africa Series).

Marine Seashells of the World. 594-SPX2
Exhibit 60 specimens El JH SH
A collection of approximately 60 different genus and/or species marine seashells of display and study quality. Includes representative variety of many different families, showing different shapes and forms. Exceptionally colorful and interesting specimens from around the world including China, Japan, Africa, South America, Mexico, United States, South Indian Ocean and Pacific Ocean Islands. Must be picked up and returned by school personnel! Albin Dittli Imports 1968.

Monkey (Colobus in Tree). 599.82-SPX1
Model (one-tenth scale) El JH SH C A INS
Outstanding and valuable display unit of museum quality with precise regard to life-like detail. Superb workmanship. Model, mounted in plastic display case, to be picked up directly from and returned to the Bureau of Audio Visual Education by school personnel. Louis Paul Jonas Studios 1969. (Mammals of Africa Series).

Okapi. 599.73-SPX16
Model (one-tenth scale) El JH SH C A INS
Outstanding and valuable display unit of museum quality with precise regard to life-like detail. Superb workmanship. Model, mounted in plastic display case, to be picked up directly from and returned to the Bureau of Audio Visual Education by school personnel. Louis Paul Jonas Studios 1969. (Mammals of Africa Series).

Ostrich. 598.51-SPX1
Model (one-tenth scale) El JH SH C A INS
Outstanding and valuable display unit of museum quality with precise regard to life-like detail. Superb workmanship. Model, mounted in plastic display case, to be picked up directly from and returned to the Bureau of Audio Visual Education by school personnel. Louis Paul Jonas Studios 1969. (Mammals of Africa Series).

Rhinoceros (Black). 599.72-SPX1
Model (one-tenth scale) El JH SH C A INS
Outstanding and valuable display unit of museum quality with precise regard to life-like detail. Superb workmanship. Model, mounted in plastic display case, to be picked up directly from and returned to the Bureau of Audio Visual Education by school personnel. Louis Paul Jonas Studios 1969. (Mammals of Africa Series.)
Rhinoceros (White). 599.72-SPX2
Model (one-tenth scale) E1 JH SH C A INS
Outstanding and valuable display unit of museum quality with precise regard to life-like detail. Superb workmanship. Model, mounted in plastic display case, to be picked up directly from and returned to the Bureau of Audio Visual Education by school personnel. Louis Paul Jonas Studios 1969. (Mammals of Africa Series).

Zebra (Grants-Mare). 599.72-SPX3
Model (one-tenth scale) E1 JH SH C A INS
Outstanding and valuable display unit of museum quality with precise regard to life-like detail. Superb workmanship. Model, mounted in plastic display case, to be picked up directly from and returned to the Bureau of Audio Visual Education by school personnel. Louis Paul Jonas Studios 1969. (Mammals of Africa Series).

II. Black America: American Life and History

A. Historical Development

16mm Films

Black History: Lost, Stolen or Strayed. Q973-MS13 (2 Parts)
Sound film 54 minutes (Part I: 38 minutes; Part II: 26 minutes)
B&W JH SH C A INS
Compares true history of Black Americans with prejudiced and subverted version found in textbooks. Discusses: Admiral Perry's navigator; first surgeon to do open heart surgery; Black soldiers who fought in the Civil War, and other "unkowns". Surveys African art and works of noted artists and designers. Presents stereotype of Negro American perpetrated by radio, television, etc. Actor Bill Cosby narrates. CBS News Released by Film Associates 1968. (Of Black America Series).

Frederick Douglass. Q921-MS39 (2 Parts)
Sound film 50 minutes (each part 25 minutes) B&W JH SH C A
Documentary on life of Frederick Douglass, Negro writer, orator, statesman. Discusses contributions to struggle for human freedom and to American government. Focus on pre-Civil War activities: addressing abolitionist meetings; views on institution of slavery story of his escape from slavery. NBC-TV Project Released by Robert Saudek Associates 1965 (Profiles in Courage, Series II, no 1)

The Great Debate: Lincoln versus Douglass. Q973.6-MS1
Sound film 30 minutes Color JH SH C A
Vivid dramatization of Lincoln-Douglass campaign debate in which two great orators, rivals for election to U.S. Senate, challenge each other on important issues of day: extension of slavery in U.S. territories; institution of slavery as a moral issue; question of Negro's right to basic civil liberties; validity of Supreme Court decision in Dred Scott case; future of "popular sovereignty" in U.S. territories. Encyclopaedia Britannica 1965.
Harriet Tubman and the Underground Railroad. Q973.6-MS2 (2 Parts)
Sound film 54 minutes (each part 27 minutes) B&W JH SH C A

CBS-TV Project Released by McGraw-Hill 1964 (Great Adventure Series).
