The parties agree that, except otherwise provided herein or previously approved (as in the case of illness or official travel) by the appropriate administrator or administrative officer, staff members are expected to be present and available on campus each day the College is open, which is normally Monday through Friday, during which time they will perform their professional obligation and duties including, but not limited to, attending all meetings scheduled by the administrator to whom they report and all meetings of committees to which they have been appointed or elected. The staff member may request a meeting with his immediate supervisor to present his position in regard to the matter and this shall be granted within fifteen (15) days, before the decision not to reappoint has been communicated in writing. At the meeting, the staff member may present any written or oral statement or other documents which he considers appropriate. Following the meeting, copies of all written statements or documents shall be forwarded to the President of the College for his information, together with any additional statement in writing which the staff member wishes to submit as a result of the meeting. These documents shall be placed in the personal file on the staff member. The President of the College may, at his discretion, add to such file any comments or observations which he may deem appropriate.
- C. Failure to reappoint a staff member shall not be subject to the grievance procedure.

- E. In the case of those who are to be reappointed, the supervisor shall discuss the evaluation with the staff member, who prior thereto, shall have been given an opportunity to inspect and, if he wishes, to duplicate such evaluation at his own expense. At the annual conference, the staff member shall have the right to bring in any material he feels is pertinent to the proper consideration of the nature and scope of the evaluation prior to its submission to the Administration. ARTICLE XVIII

SABBATICAL LEAVE

The College recognizes that many varieties of professional growth and development are possible and that many of these modes of growth are of such a nature that they cannot be undertaken while a faculty member is engaged in full time service on the campus. The College therefore recognizes the desirability of a sabbatical leave policy as will be of benefit to both the College and the faculty member.

The purpose of such leave is to provide opportunity to improve the qualifications of the faculty member, the quality of his or her professional performance and the value of the member's further service to the College. The request for sabbatical leave will set forth in detail the plans for the period of absence and the contribution that the planned program should make both to the faculty member and to the College. If such sabbatical leave is granted, the recipient will file a full report with the President within three (3) months after his or her return.

A member of the Faculty will be eligible for sabbatical leave after six (6) consecutive years of full-time on-campus service.

Periods of sick leave, maternity leave or approved leave without pay should not count toward this six year total, but will not be deemed to be an interruption of otherwise continuous service. Faculty members who have discontinued their service to the College without approved leave, and have returned to the College, will lose previously accrued sabbatical leave time. Individuals who have been granted and taken sabbatical leave shall be eligible to apply for additional leave at the completion of another six (6) years of on-campus service under the same conditions as previously stated.

The request for sabbatical leave and the program plan shall be submitted to a designated sub-committee of the Professional Status Committee no later than nine (9) months (excluding July and August) preceding the academic year in which the sabbatical will be taken. The sub-committee shall forward its recommendation to the President and the Board of Trustees for action no later than seven (7) months in advance of the anticipated departure date. When there are more than one recommendation, the committee shall develop a system of priorities in its recommendations to the President. In cases where no distinction between the merit of applications can be made, priority will be established for the applicant possessing the longer period of service at the College without sabbatical leave. The Faculty member shall be notified by

ARTICLE XVIII (con't)

the President in writing of approval or disapproval no later than three (3) months prior to his planned departure. In those cases in which, in the opinion of the President, the granting of a sabbatical leave would impair the functions of the department or office, a faculty member shall be required to postpone his leave.

Faculty members will receive one-half of their annual salary during the period of sabbatical leave which equal or exceed one-half of their annual obligation. Faculty members taking sabbatical leaves of less duration will be compensated at their regular salary rate while on leave. The Faculty member will be compensated only at the difference between the rate of pay received from the College and that received from another employer during his sabbatical leave, unless the rate of pay received from the other employer exceeds the individual's regular salary rate of the College. In the latter case he will not be compensated by the College. If the Faculty member takes another position rather than returning to Schenectady County Community College to complete the following full year of academic service, the full amount of money received from Schenectady County Community College while on sabbatical leave must be repaid to the College.

A Faculty member returning from sabbatical leave shall retain the rank and position which were in effect before the leave unless he or she shall have been promoted, or assigned to a different position with his or her consent. The period of sabbatical leave shall be credited as continuous service for continuing and career appointment policies, for retirement, vacation, sick leave, eligibility for promotion, and salary increases. All health and other benefits shall continue in effect during the leave and the sabbatical leave shall not be counted as a period of vacation for those on twelve months' appointments.

The Board of Trustees will provide for at least one sabbatical leave per budget year, unless there are no qualified applicants. Applicants will be selected by the Board on the merit of the leave project in accordance with the provisions of this policy.

ARTICLE XIX

- (8) Reporting Sick Leave. Each staff member shall submit appropriate reports of any sick leave taken as may be required by the President of the College.

ARTICLE XX

ARTICLE XXI

PROFESSIONAL LEAVE WITHOUT SALARY

The Board of Trustees may grant leaves of absence, without salary, of not to exceed one (1) year for the purpose of permitting a staff member to commence, continue to complete advance study, serve as an exchange teacher, serve with a professional organization, or to perform research in his area of professional competence, when, in the opinion of the Board of Trustees, such leave would be in the best interest of the staff member and the College, and when such absence would not unduly affect normal College operations or the academic program. The Board of Trustees may extend such leaves for additional periods of not to exceed one (1) year each. Staff members granted such leave shall continue to be eligible for participation in retirement and health insurance programs to the extent permitted by law.

ARTICLE XXII

MATERNITY LEAVE

As soon as any staff member shall become aware of pregnancy, she shall notify the President and apply for a leave of absence.

Leaves of absence shall normally commence at the beginning of the fall, winter or spring quarter unless the President or applicant shall deem it necessary that the leave be sooner.

Leaves of absence shall not be for more than twelve (12) calendar months. Extension of maternity leave may be permitted on request, but not to exceed a period of one year from the end of the original leave.

Maternity leave shall be granted without pay.

Additional maternity leaves may be granted at the discretion of the President.

Sick leave credit may not be used for maternity purposes.

ARTICLE XXIII

The term immediate family shall mean grandparent, parent, spouse, sibling, child, grandchild or corresponding in-laws. GRIEVANCE PROCEDUREPersonal Grievance ProcedureA. Definition

A personal grievance is an allegation by a staff member that there has been an arbitrary or discriminatory application of, or a failure to act pursuant to, the policies of the Board of Trustees related to the terms and conditions of employment.

B. Procedures for Handling Personal GrievancesStep 1 (a)

A staff member alleging a grievance shall discuss the alleged grievance with his immediate supervisor not later than thirty (30) calendar days after the event upon which the grievance is based occurred, either personally or by a representative with the objective of resolving the matter informally. If the grievant submits the grievance through a representative, the grievant may be present at the informal discussion.

Step 1 (b)

If the grievance is not resolved informally within five (5) calendar days after discussions, as provided in (a) above, it shall be reduced to writing and presented to the supervisor, with a copy to the President of the College, or his designee. Within five (5) scheduled days after the written grievance is presented to him, the supervisor shall render a decision in writing, with a copy sent to the President of the College, or his designee.

Step 2

If the Grievant is not satisfied with the determination made at Step 1, he may appeal such determination to the President. Such appeal must be made in writing on official grievance forms within five (5) calendar days after the issuance of the Step 1 determination. The Grievant, if he so desires, may request the appointment of an ad hoc committee for the sole purpose of fact finding, said committee to be appointed as follows: one member appointed by the President of the College, one member appointed by the President of the Association, and a third member to be Chairman,

Step 2 (con't)

mutually agreed upon and jointly appointed by the two members theretofore designated. The ad hoc committee will transmit to the President of the College, in writing, a report, such report to be limited to the findings of fact made by said committee within five (5) days of its appointment. The President shall meet with the Grievant or his representative within fourteen (14) calendar days of receipt of the appeal or of the report of the ad hoc committee, as the case may be, for the purpose of discussing the grievance. Within ten (10) calendar days following the last such meeting, the President shall issue a written determination and send it to the Grievant. There shall be no further appeal from such written determination concerning matters involving academic judgment or relating to appointment, reappointment, tenure or promotion.

Step 3

If the Grievant is not satisfied with the decision at Step 2 concerning a matter other than one involving academic judgment or relating to appointment, reappointment, tenure or promotion as to which Step 2 determination shall be final, he may file a written appeal with the Board of Trustees. Copies of all earlier written decisions shall be submitted with the appeal. If an ad hoc committee has submitted a report as provided at Step 2, this report shall also be furnished to the Board of Trustees on appeal. The Grievant or his representative shall be given the opportunity to orally present his position to the Board of Trustees, or a committee thereof, within ten (10) calendar days after the notice of appeal. Within ten (10) calendar days after such oral presentation, if requested, or within the ten (10) calendar days after the notice of appeal, if no oral presentation is requested, the Board of Trustees or its committee shall render a decision in writing to the Grievant. If an ad hoc committee was not convened at Step 2, or for any reason failed to submit a written report, then within seven (7) calendar days after receipt of the appeal, the Board of Trustees shall set a date for a hearing and notify the Grievant. Hearings on the grievance shall be held within seven (7) calendar days of the issuance of the notice either by the Board of Trustees or a duly authorized committee thereof. The Board of Trustees or its committee shall render a decision, in writing, to the

ARTICLE XXVI (con't)

B. Step 3 (con't)

Grievant within ten (10) calendar days after the conclusion of the hearing. There shall be no further appeal from a determination by the Board of Trustees.

C. Representation

The Grievant may be represented by a person of his own choice at any and all of the 3 steps of the Personal Grievance Procedure.

D. Time Limits

The parties may mutually agree to extend or contract the time limits hereinabove specified.

E. Forms for Filing Grievances

Forms for filing grievances shall be jointly developed by the President or his nominees and the Grievance Committee of the Association. The College shall have the forms agreed upon printed and distributed to the members of the staff, upon request.

F. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

Contract Grievance

A. Definition

A contract grievance is a dispute concerning the interpretation of a specific term, condition or provision of this Agreement, provided, however, that such specific term, condition or provision shall not include any matter involving an employee's rate of compensation. Disputes which do not involve the interpretation of a specific term, condition or provision of this Agreement; or foreclosed either by this Agreement or by Statute, rule or regulation; matters which are hypothetical, not actual, where what is sought is an advisory decision or opinion, shall not be considered a contract grievance.

ARTICLE XXVI (con't)

Contract Grievance (con't)

B. The contract grievance procedure shall be as follows:

Step 1

The Association (hereinafter referred to as the Grievant) shall present the grievance in writing on official grievance forms to the person who has been designated by the College for such purpose not later than thirty (30) calendar days following the date on which the act or omission resulting from such alleged misinterpretation occurred. The person designated to receive the grievance may request the Grievant to meet informally in an effort to resolve the grievance. The person designated to receive the grievance shall reply to the Grievant, in writing, within fourteen (14) calendar days following his receipt of the grievance.

Step 2 - President

If the Grievant is not satisfied with the written decision at the conclusion of Stage 1 and wishes to proceed further under this grievance procedure, the Grievant shall within ten (10) calendar days of receipt of Step 1 determination file a written appeal of the decision at Stage 1 with the President. Copies of the written decision at Stage 1 shall be submitted with the appeal. The President or his duly authorized representative, shall set a date for an informal hearing, notify the Grievant as to the date of the hearing, and shall conduct such hearing. Such hearing shall commence within ten (10) calendar days after receipt of the appeal by the President. The President shall render a decision, in writing, to the Grievant within five (5) calendar days after the conclusion of the hearing.

Step 3 - Review Panel

(a) If the Grievant is not satisfied with the decision at Step 2, the Grievant may submit the grievance to the three member Review Panel, by written notice to the President within five (5) working days of the decision at Stage 2.

ARTICLE XXVI (con't)

Step 3 - Review Panel (con't)

- (b) The Association and the College shall each select one member of the Panel. The two selected members shall meet to determine a mutually agreeable third panel member.
- (c) Within five (5) working days after such written notice of submission to the Review Panel, the Review Panel members will agree upon a mutually acceptable chairman and will obtain a commitment from him to serve.
- (d) Should the parties fail to agree on a third member, a request for a list of possible panel members will be made to the AAA by either party. The parties will then be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.
- (e) The Review Panel will hear the matter promptly and will issue its decision no later than forty-five (45) calendar days from the date of the close of the hearing or receipt of transcript of hearing. The Panel's decision will be in writing and will set forth their findings of fact, reasoning, and conclusions on the issues. The College may initiate a contract grievance at this Step 3 and proceed directly to a hearing before a Review Panel.

- (f) The Review Panel shall have no power to add to or subtract from, modify or expand the provisions of this Agreement in arriving at the determination; shall confine the decision solely to the interpretation of this Agreement; and shall not require either party to do or refrain from doing an act beyond his, its or their powers.
- (g) The Review Panel shall consider only the precise issue submitted and shall have no authority to determine any other issue or question not so submitted, not include in the decision observations or declarations of opinion not essential to the reaching of the determination.

B. Step 3 - Review Panel (con't)

- (h) A record of the proceedings shall be made. All fees and expenses of the Panel and the stenographer which may be involved in the panel proceedings shall be equally divided between the parties.
- (i) The findings of the Panel shall be in writing and are to be signed by a concurring majority. The findings will set forth the findings of fact and conclusions of the panel. Appropriate steps will be taken by the respective parties involved to resolve the grievance in accordance with the findings of the panel.
- (j) If either party, within fourteen (14) calendar days after the panel's decision states in writing to the other party its intention to seek clarification or interpretation of the decision submitted, then both parties will agree to appear before the Panel.
- (k) Unless the decision of the Panel is appealed pursuant to Article 75 of the New York Civil Practice Law and Rules within fourteen (14) days of receipt thereof, it will be accepted as final and binding by the parties.

Procedures

- A. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of any of the faculty participants.
- B. Forms for filing grievances shall be jointly developed by the President or his nominees and the Grievance Committee of the Association.

ARTICLE XXVII

ACADEMIC FREEDOM

It is the policy of the College to maintain and encourage full freedom within the law, of inquiry, teaching and research. In the exercise of this freedom, the teaching faculty member is free to discuss his own subject in the classroom; he may not, however, claim as his right the privilege of discussing in his classroom controversial matter which has no relation to his subject.
