This bibliography on urbanization is divided into two sections. The first section contains articles pertaining to urbanization in Canada; the second section contains non-Canadian items. Topics covered include rural-urban migration, employment, urban environment, public finance, city problems, economic development, urban planning, population change and growth, industrial location, social mobility, and theories of urbanization. (DN)
THE TREND TO THE METROPOLIS: Bibliography
Hans Blumenfeld, Consultant, Toronto
THE TREND TO THE METROPOLIS: BIBLIOGRAPHY

Compiled by Hans Blumenfeld for the Canadian Council on Urban and Regional Research, Ottawa, to accompany a Research Agenda on the Trend to the Metropolis.
