B. An employee shall be given as much advance notice of overtime as practicable.

C. All overtime shall be divided as evenly as practicable within the same department and classification.

D. An employee required to work before or after her/his scheduled beginning time and ending time shall be paid at the prescribed overtime rate unless the schedule is mutually altered.

E. Schedules shall not be altered for the purpose of preventing payment of overtime. However, if mutually agreed, equivalent time off shall be scheduled within the work week.

II. Overtime Rates

A. Overtime pay shall be computed at one and one-half (1½) times the employee's base rate of pay. Overtime pay shall be given for any hours worked including paid leaves in excess of forty (40) hours in a work week except in Health Care Delivery Facilities where biweekly work schedules of eighty (80) hours are maintained. Overtime pay shall be given for any hours worked in excess of eight (8) hours in a day or eighty (80) hours in a biweekly period, whichever is the greater number of hours.

B. An employee who reports for scheduled work and no work is available will receive three (3) hours pay at her/his regular straight time rate.
ARTICLE 10

ABSENCES

I. When absent from work the employee must make a reasonable effort to notify her/his supervisor of the reason at the beginning of her/his shift. If the absence is to continue beyond the first day, the employee must notify the supervisor on a daily basis unless otherwise arranged and specifically approved by the supervisor. Failure to comply with this provision for three (3) consecutive work days is a voluntary termination.

II. All absences must be charged to personal leave, accrued vacation, or sick leave, whichever is appropriate. When no accrued time is available, unpaid leave may be approved by the supervisor not to exceed a total of ten (10) working days in each fiscal year. Absences exceeding ten (10) consecutive work days must be approved as a Leave of Absence. See Leave of Absence section.

III. Absences due to inclement weather, when the University is not officially closed, or transportation problems, will require the use of either personal leave or vacation time.

E. Upon request, the employee's contribution will be taken on a tax-deferred basis.

II. Other Retirement Information

   1. Have attained 62 years of age and have completed 15 years of full-time service.

D. Employees hired prior to January 1, 1973, who meet the minimum retirement requirements as defined above will have their minimum retirement pension based upon the following retirement formula at age 65:

1. Two (2) percent will be allowed for each year of completed continuous full-time service.

2. The percentage determined above will be multiplied by an amount equal to the highest continuous three year average earnings up to an annual ceiling of $3,600.

3. If the pension arrived at, using this formula, is greater than the pension produced by the TIAA annuity, the employee will receive the larger of the two pensions.

E. Those employees age 55 or over hired prior to January 1, 1973, who did not elect to participate in TIAA-CREF will have their retirement figured solely on the formula above.

F. Employees who do not meet the minimum retirement requirements will receive a retirement pension solely from the contributions made to the individual TIAA-CREF annuity.

G. Enrollment material must be received by the Staff Benefits Division no later than the 15th of the month in order to be effective the first of that month. Enrollments received after the 15th of the month may not be effective until the first of the following month and cannot be made retroactive.

ARTICLE 18

FILLING VACANT POSITION(S)

I. General

A. The University agrees to the principle of career development of its employees and will in good faith encourage career concepts of employment. Existing or newly created positions to be filled shall be filled under normal circumstances, by transfer or by promotion, provided that qualified and interested employees are available.
B. The employee will receive consideration for a position if she/he applies before the stipulated closing date of the Position Vacancy Notice. Employees who have served less than 520 working hours in their current position will only be considered if the number of applicants is inadequate. This provision shall not apply to employees who during their trial period, are placed in another position.

C. Eligible employees who apply will be considered on the basis of University seniority.

II. Procedure

A. All vacancies of positions within the bargaining unit expected to last in excess of 520 hours, will be posted. Positions shall be posted for no less than five (5) working days. Each posted position in grades IV through XII shall clearly state the requirements of the position to be used for selection purposes and the name of the department. A copy of each posting shall be sent to the Association.

B. Employees interested in a specific posting must notify the Personnel Office of their interest by completing and submitting the appropriate form(s) before the closing date of the Position Vacancy Notice.

III. Interviews

A. If a test exists that validly, reliably, and in a culturally fair manner measures the abilities or capabilities of an applicant to perform the duties of the position to be filled, the Personnel Office may administer such a test to all interested applicants who meet the requirements for the position. The five employees with the highest scores resulting from the test shall be placed on the list to be submitted to the division. If less than five employees are available for submission, the list may be supplemented by the highest ranking non-employees necessary to provide a list of five names. Employees of the University on this list shall not be bypassed in favor of non-employees unless the employees are notified in writing of the specific reason for this action. A copy of this notice shall be sent to the Association.

B. Where available, three applicants from the department meeting the posted qualifications and having the greatest University seniority, and where available, five applicants from the University at large meeting the posted qualifications and having the greatest University seniority shall constitute the candidates to be interviewed.

1. The employee with the highest seniority shall be interviewed first, to the extent practicable, and if selected, further interviewing shall be unnecessary. This process shall be followed until a selection is made, or written reasons for non-selection institute the next step in the procedure.

2. If no selection is made from these employees, written reasons for non-selection are to be submitted to the Personnel Office by the departmental administrator.
3. If the reasons for non-selection are acceptable to the Personnel Office, additional employees shall be referred for interview from those qualified and applying for the position and the written reasons shall be shared with the affected employees and the Association.

4. If no selection is made from the employees referred in 3 above, written reasons for non-selection are to be submitted to the Personnel Office by the departmental administrator.

5. This procedure is to be followed until all eligible employees who have applied have been interviewed.

6. A selection may be made without completing all the interviews if those more senior than the selected candidate have been interviewed.

7. An employee shall be limited to interviewing for no more than two (2) vacancies per posting, but shall have the choice of determining the two vacancies for which she/he will be placed on the interview list.

8. If an employee is not selected by the above procedure, outside applicants whose credentials meet the posted qualifications shall be referred for consideration.

IV. Other Provisions

A. If a vacancy has been posted, it may be withdrawn and reposted if the requirements or the classification of the position are changed. If a vacancy has been posted and is withdrawn and the requirements or classification are unchanged, the names originally submitted for the filling of the vacancy shall be resubmitted. If any of the employees are no longer interested or available for the position, the list may be supplemented under the outlined procedure so that the total names submitted is consistent with the defined procedure.

B. An employee will be given reasonable "time off" from the job for the purpose of interviewing for another University position if such arrangements are made in advance with her/his supervisor(s). It shall be understood that the department considering an employee for transfer or promotion may contact the employee's current department for an evaluation of the employee's performance in her/his current position.

C. Where special physical requirements pertain to a position to be filled, the Employer may request that the applicant selected for transfer or promotion take a physical examination, the results of which are approved by the University Physician.

D. Employees who have applied for the position, but were not selected, shall be notified, in writing, or their non-selection by the Personnel Office.

E. A position upgraded by reclassification shall be considered a vacancy subject to all the provisions above unless the incumbent of the position is qualified and has performed the duties based on which the position was reclassified for a minimum of 176 working hours and is not serving a probationary period or trial period. In that case, the incumbent shall be retained in the reclassified position.
V. Conditions for Bypassing the Procedure

The procedure for filling a vacancy may be bypassed for persons holding the following priority status and meet the requirements for the position:

A. Employees who at their own or the Employer's discretion terminate a trial period prior to the conclusion of 176 working hours shall have preference for any vacancy at their former grade level or at the discretion of the Employer at their current grade level and as provided under the trial period section below.

B. Employees on leave drawing workmen's compensation benefits for any position at their former or lower compensation grade level the duties of which they are able to perform, provided that during their absence they did not become subject to layoff.

C. Employees returning from an approved sick or disability leave of absence without pay provided that during their absence they did not become subject to layoff.

D. Employees returning from an approved personal leave without pay, provided that during their absence they did not become subject to layoff.

E. Employees eligible for recall from layoff or to prevent the imminent layoff from another position.

F. Employees or non-employees whose transfer, promotion or selection may be required for affirmative action purposes. The need for such action shall be evidenced by the existence of an affirmative action plan by the Employer.

VI. Trial Period

An employee promoted or transferred shall begin a trial period consisting of 176 working hours. Prior to the expiration of this period, the employee at her/his discretion, or at the discretion of the Employer, may be returned to her/his former position, if the position is vacant. If the position is not vacant, the employee shall be given priority to a vacancy for which she/he is qualified at the former grade level or the current grade level at the discretion of the Employer. If no vacancy exists, the employee shall be entitled to her/his former position.

VII. Access and Review of Procedure

A. Records pertaining to the filling of a vacant position shall be retained for at least 20 working days following notice of those interviewed or the starting date of the selected employee. Except for records containing personal data of other employees, individuals who were actually interviewed for a position and/or a representative of the Association may review the records at a time and place mutually agreeable to the employee, Association, and the Personnel Office.

B. A committee consisting of 2 members of the Association and 2 representatives of the Employer shall be established to:
1. Determine the advisability of continuing to post detailed descriptions of vacancies at the grade IV level;

2. Consider limitations on employees applying for vacancies;

3. Establish criteria for suspending an employee's privilege of applying for vacancies for a period of up to 90 days;

4. Review the actions taken by the Employer, for cause, which have restricted or suspended the employee's privilege to apply for position vacancies;

5. Review the number of departments and suggest consolidation of small units for the purpose of filling vacancies.

VIII. Implementation

Provisions of the Filling of Vacant Positions article shall go into effect on January 1, 1975.

ARTICLE 19

LAYOFFS

I. General Provisions

Layoff is defined as a reduction in the work force. The Employer agrees that a layoff shall never take place for punitive purposes. To this end, the Employer agrees that an employee will have fifteen (15) working days notice, in writing, prior to layoff. The Association will be given the opportunity to discuss the circumstances with the Employer prior to the fifteen (15) day period. The Employer, where practicable, will attempt to reassign rather than layoff.

A. For purposes of layoff, University seniority shall apply.

B. Among probationary employees, seniority shall not apply. A probationary employee in the grade level shall be laid off before an employee with seniority is laid off.

C. The layoff procedure may be bypassed for affirmative action purposes. The need for such action shall be evidenced by the existence of an affirmative action plan by the Employer.

II. Procedures

A. Departmental:

1. The first employee to be laid off shall be the employee within the department with the least University seniority in the grade level where the layoff is to occur.
2. An employee subject to layoff shall be entitled to any vacancy in her/his grade level provided she/he is capable of performing the duties of the position.

3. It shall be assumed throughout this article that an employee can perform the duties of a position if she/he is able to do so within a training period of no more than 176 working hours. The employee shall not be entitled to a vacancy or to replace another employee if more than 176 working hours of training are required.

4. The employee subject to layoff shall at her/his own discretion have the right to remain in her/his current department by accepting a voluntary demotion to a vacant position in which she/he is capable of performing the work.

B. University

2. If no vacancy at the same grade level is available, or the employee does not accept a position at a lower grade level, the employee subject to layoff may exercise her/his seniority within the University and replace the least senior employee in the same grade level where she/he is capable of performing the work.

3. The least senior employee at a grade level who is subject to layoff shall be entitled to any vacancy at the next lower compensation level, the duties of which she/he can perform. If no vacancy is available, the employee shall have the right to exercise her/his seniority over the least senior employee in the next lower grade level or levels, the duties of which she/he can perform.

F. Positions becoming available shall be offered to employees under the preference established in Article 18-IV-E Filling Vacant Positions, and employees laid off shall be recalled in inverse order of their layoff providing they are capable of performing the work. Employees laid off shall also have the right to accept a recall to a position at a lower level if they are capable of performing the duties of the position.
1. Notice of recall shall be sent to the laid off employee at her/his last address of record as recorded in the Employee's Official Personnel Folder by registered or certified mail, return receipt requested.

2. Positions to be filled shall be offered to laid off employees who are qualified. An employee so notified must indicate her/his acceptance of recall within five (5) working days after receipt of notification from the Employer. The employee must report to work within ten (10) working days after notifying the Employer of her/his acceptance.

G. Failure to accept recall from layoff, or report for work, provided the position offered was at the classification or comparable compensation grade level which the employee held at the time of layoff, terminates seniority, recall rights, and employment with the Employer.

H. Failure to be restored to duty from layoff for a period of time equal to University Seniority or two (2) years, whichever occurs first, shall terminate the employee's seniority, recall rights, and employment with the Employer.

I. The layoff procedure may be bypassed for affirmative action purposes. The need for such action shall be evidenced by the existence of an affirmative action plan by the Employer.

III. Other Provisions:

A. For the purpose of layoff, Executive Board officers not to exceed eleven (11) shall be deemed to have greater seniority than other employees within their grade level or lower grade in all classifications if they are capable of performing the duties.

B. For the purpose of layoff, Association Representatives not to exceed forty (40) shall be deemed to have greater seniority than other employees within their grade level or lower grade in all classifications in their representation unit if they are capable of performing the duties.

When accrued sick leave credits are exhausted, the employee may elect to use accrued vacation credits to supplement Workmen's Compensation benefits.
II. Workmen's Compensation benefits begin after seven calendar days of time lost from work. After three months of employment, the Employer will waive the seven-day statutory waiting period and will continue the employee's full pay for the one-week period.

When the affected group is contained within one department, college, or division, the grievance shall be initiated at Step Two of the Grievance Procedure. Any other group grievance shall begin at Step Three.

III. Informal Grievance Procedure

An aggrieved employee should promptly notify her/his immediate supervisor that she/he has a grievance. The employee may at her/his option discuss the matter directly with the supervisor or call her/his Association Representative for the purpose of attempting to adjust the grievance.

IV. Formal Grievance Procedure

A. Step One

1. If the aggrieved employee does not receive a satisfactory oral answer, or if she/he does not receive any answer at the informal step within three (3) mutual working days following the day of oral presentation, the aggrieved employee may reduce the grievance to writing and submit it to the appropriate supervisor.

2. A grievance must be submitted in writing within fifteen (15) calendar days of the occurrence of the condition(s) giving rise to the grievance, or within fifteen (15) calendar days of the date it is reasonable to assume that the employee(s) should reasonably have become aware of the conditions giving rise to the grievance, whichever is later, in order for the matter to be considered a grievance under this Agreement.
3. The grievance shall be submitted on forms provided by the University, dated, and signed by the aggrieved employee(s) and shall set forth the facts, dates, and provisions of the Agreement that are alleged to have been violated and the remedy desired. At the time the grievance is received, the supervisor or designee shall sign and date a copy which shall be returned to the grievant. A meeting shall be held if requested by either party.

4. In the event the immediate supervisor or designated representative does not answer the grievance within ten (10) working days, the grievance may be appealed to the next higher step of this grievance procedure within five (5) working days after the expiration of the applicable time limit.

5. In the event the answer of the supervisor or designated representative is unacceptable to the grievant, the grievance may be appealed to the next higher step of this grievance procedure. Any grievance not appealed within five (5) working days after such answer shall be considered settled on the basis of the written answer of the supervisor or designated representative and shall not be subject to further appeal and/or review.

B. Step Two

1. If the grievant is not satisfied with the disposition of the grievance at Step One, the grievant may appeal the grievance to the Administrative Head of the unit or her/his designee within five (5) working days after the date of the answer. Such appeal shall be in writing as in Step One and shall state the reason(s) why the Step One disposition is not satisfactory.

2. Within ten (10) working days after receipt of such request for appeal, the Administrative Head or her/his designee shall hold a meeting with the grievant in an attempt to resolve the alleged grievance. Only persons directly related to the grievance shall be present at the meeting. The grievant may be represented by the Association. Representatives of the Employer and the Association shall not exceed three (3) in number respectively (including the grievant and the supervisor).

3. Within five (5) working days following conclusion of such meeting(s), the Administrative Head or her/his designee shall provide the grievant with a written disposition of the grievance.

2. Within ten (10) working days after receipt of such request for appeal, the Director of Labor Relations or her/his designee shall hold a meeting with the grievant in an attempt to resolve the alleged grievance. 1. The arbitration proceedings shall be conducted by an arbitrator who shall be selected by the Employer and the Association within seven (7) working days after notice of arbitration has been given. If the parties fail to select an arbitrator, the American Arbitration Association shall be requested by either or both parties to provide a panel of ten (10) arbitrators. The parties shall attempt to select an arbitrator from this list within ten (10) working days. If there is no selection from the list, the American Arbitration Association shall appoint an arbitrator.
B. Upon enrollment, for regular full-time employees, the Employer will pay the full amount of the single subscriber rate regardless of the medical plan selected.

C. Beginning October 1, 1974, upon enrollment the Employer will contribute 95 percent of the applicable total monthly premium cost of two-party or family coverage for the American/TIAA Major Medical programs for regular full-time employees. The family contribution amount may also be applied to the monthly premium cost of either two-party or family coverage under Blue Cross-Blue Shield. The difference shall not exceed ten (10) dollars per month.

D. Part-time employees, after three (3) years of service, shall be eligible for an employee contribution equal to one-half of the full-time contribution amount for family coverage effective July 1, 1975.

III. Group Life Insurance

A. If coverage is desired, regular full-time employees who secure employment prior to their 53rd birthday must enroll for Group Life Insurance within 60 days of their employment date.

2. The employee should contact the Staff Benefits Division of the Employee Compensation and Benefits Office for information or as soon as it appears that the employee may be off work for six (6) months or more.
B. Travel Accident Insurance

ASSOCIATION SECURITY

I. Membership

As a condition of employment, each employee in the Bargaining Unit on or before the 30th day after the effective date of this Agreement or on or before the 30th day after employment in the Bargaining Unit, whichever is later, and monthly thereafter, shall tender to MSUEA either periodic and uniformly required Association dues, or in the alternative, service fees in an amount equal to these dues as set forth in the Constitution of the Michigan State University Employees Association (see Appendix V).

II. Checkoff

A. The Personnel Office, at the time of hire, rehire, reinstatement or transfer of an employee into the Bargaining Unit, shall apprise the prospective member of this Article's provisions and shall present to her/him an Application for Membership and an Authorization for Checkoff of Dues. Such forms to be provided by the Association.

1. If the employee desires to join MSUEA, the employee shall complete both the Application for Membership and the Authorization card for Checkoff of Dues and return them along with the initiation fee to MSUEA financial officer.

2. If the employee does not desire to join MSUEA, the employee shall complete only the Authorization card for Checkoff of Dues, so that MSUEA may collect from the employee its service fees equal to the monthly dues, and return it to the MSUEA financial officer.
3. If the employee desires to tender dues or fee directly to the Association, the employee will so indicate on the Application for Membership form which shall be transmitted to the Association on or before the 30th day of employment with dues or fees equivalent to $100. Adjustment of dues or fees shall be made at the end of 12 months from these receipts. Excess amounts then will be returned to the employee within 10 days of demand and insufficient amounts will require payment within 10 days of notice. Each year will again require deposit of a sum of $100 and the procedure indicated above will be applied.

B. During the life of this Agreement and in accordance with the terms of the Authorization for Checkoff of Dues, the Employer agrees to deduct membership dues or service fees levied in accordance with the Constitution of the Association from the pay of each employee who executes or has executed the Authorization for Checkoff of Dues.

C. The initial deduction for any employee shall not begin unless the Authorization for Checkoff of Dues and the certification of the MSUEA's financial officer as to the amount of the periodic association dues or service fees has been delivered to the Employer's Payroll Department at least 15 calendar days prior to the affected pay day.

D. All monies deducted by the Employer shall be remitted to the MSUEA's financial officer once each month by the 20th calendar day of the month following the month in which deductions were made together with a list of current employees showing the amount of association dues or service fees deducted from each employee.

E. In cases which a deduction is made which duplicates a payment already made to MSUEA by an employee, or where a deduction is not in conformity with the Constitution of the Association, refunds to the employee shall be made by MSUEA.

F. The Employer shall not be liable to MSUEA by reason of Section B of this Article for the remittance or payment of any sum other than that constituting actual deductions made from the pay earned by the employees.

G. The Employer shall not, during the life of this Agreement, deduct dues or service fees from employees for any organization other than the Association without MSUEA's written permission.

H. MSUEA shall protect and save harmless the Employer from any and all claims, demands, suits, and other forms of liability by reason of action taken or not taken by the Employer for the purpose of complying with this Article.
III. Termination For Failure To Comply

A. An employee in the Bargaining Unit who fails to tender to the Association either periodic and uniformly required association dues, or in the alternative, service fees in an amount equal to these dues as set forth in the Constitution of the Association shall be terminated by the Employer, provided the following stipulations are adhered to:

1. The Association shall notify the employee by certified or registered mail explaining that the employee is delinquent in not tendering required association dues or service fees, specifying the current amount of the delinquency, and warning her/him that unless the delinquent dues or service fees are paid and a properly executed Authorization for Checkoff of dues or service fees is tendered within ten (10) working days of such notice, the employee shall be reported to the Office of Labor Relations with a request to terminate the employee as provided in this article.

2. The Association shall give a copy of the letter sent to the employee and the following written notice to the Office of Labor Relations at the end of the 10-day period:

The Association certifies that (name) has failed to tender either the periodic and uniformly required Association dues or service fees required as a condition of continued employment under the collective bargaining Agreement and demands that the employee be terminated under the terms of this Agreement.

The employee shall be terminated by the Employer within ten (10) working days following receipt of the above letter and notice.

B. Termination Limitation

If an employee has tendered directly to the Association her/his membership dues or the service charge, or has a written authorization in effect requiring the deduction of dues or service charge, the employee shall not, under any circumstance, risk the loss of job because of a lack of good standing in the Association. The Association cannot cause the discharge of an employee who has resigned from or has been expelled by the Association for any reason other than her/his failure to tender the dues or service charge to the Association, either directly or after revocation of her/his authorization.

C. Disputes Concerning Compliance

The Association shall protect and save harmless the Employer from any and all claims, demands, suits, and other forms of liability by reason of action taken or not taken by the Employer for the purpose of complying with this Article.
ARTICLE 28

ASSOCIATION RIGHTS AND RESPONSIBILITIES

I. Pursuant to the powers and authority of the Employer under the Constitution of the State of Michigan, the University hereby agrees that all employees of the University who may be appropriately included in the bargaining unit represented by the Association, shall have the right to freely organize, join, and support the Association for the purpose of engaging in collective bargaining or negotiations and other concerted activities for mutual aid and protection. The Employer agrees it will not directly or indirectly discriminate against any employee with respect to hours, wages, or any terms or conditions of employment by reason of her/his membership in the Association, her/his participation in any activities of the Association or collective professional negotiations with the University, or her/his institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

II. The Employer will not aid, promote, or finance any labor group or organization which purports to engage in collective bargaining involving the employees covered by this Agreement. Nothing contained herein shall be construed to prevent an individual employee from presenting a grievance and have the grievance adjusted without intervention of the Association, if the adjustment is not inconsistent with the terms of this Agreement, provided the Association has been given the opportunity to be present at such adjustment. The Association may initiate a grievance as pertaining to Rights of the Employer Article for protection and maintenance of this Agreement.

ARTICLE 29

RIGHTS OF THE EMPLOYER

Except as specifically abridged, delegated, granted, or modified by terms of this contract, the Employer shall retain all rights to exercise customary and regular functions, duties, and responsibilities of management, including, but not limited to, the right to hire, establish and change work schedules, set hours of work, establish, eliminate or change classifications, assign, transfer, promote, demote, layoff employees, and for just cause to discipline and discharge employees and otherwise maintain an orderly, effective and efficient operation. Further, the Employer retains supervision of all operations, methods, processes, means and personnel by which work will be performed and the right to determine and change the work to be done and the standards to be met by employees. The Employer may require employees to have a physical reexamination when directed by the University Physician. It is further understood that management shall not use its right to unfairly and illegally discriminate against an employee, group of employees, or the Association.
In addition, the Employer shall have the right to make reasonable rules and regulations and change such rules and regulations as it may from time to time deem necessary and which are not in violation of this Agreement. If after publication and transmittal to the Association of rules and regulations, the Association has not processed a grievance alleging unreasonableness within ten (10) working days, the rules and regulations shall no longer be grievable. Thereafter, grievances related to rules and regulations shall be limited to their enforcement and penalties resulting therefrom.

ARTICLE 30

NO-STRIKE, NO-INTERFERENCE, AND NO-LOCKOUT

II. The Association and its officials will not cause, support, or condone, nor shall any employee or employees take part in any action against or any interference with the operations of the University during the term of this Agreement.

III. The University shall not conduct a lockout of bargaining unit employees during the term of this Agreement.

ARTICLE 31

SCOPE OF THE AGREEMENT

I. The Employer and the Association acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

II. No provision of this Agreement, or any supplement thereto, nor the rights of either the Employer or the Association under the terms of the Agreement shall be changed or altered in any way unless such change or alteration is agreed to in writing between the Employer and the Association.

III. This Agreement shall supersede any rules, regulations, practices, or contracts inconsistent with its terms unless mutually adjusted in writing by the Employer and the Association.
IV. Such an adjustment between the Employer and the Association shall be made only after the Employer and the Association have agreed in writing that a particular program cannot be designed to comply with specific provisions of this Agreement.

V. The written adjustment between the Employer and the Association shall specify which provisions of this Agreement shall be adjusted and how they shall be adjusted.

VI. Any such adjustment shall apply only to the programs specifically mentioned therein.

VII. In the event that any provisions of this Agreement shall at any time be held to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided for doing so, such provisions shall be void and inoperative. However, all other provisions of this Agreement shall continue in effect, and the parties shall meet for the purpose of rewriting the voided and any other directly affected provisions and those provisions only.

VIII. Negotiations to modify, alter, amend, renegotiate, or change, or any combination thereof, the provisions of this Agreement shall begin no later than 60 days nor earlier than 180 days prior to the expiration of the Agreement.

GUIDELINES FOR EDUCATIONAL ASSISTANCE PROGRAM

I. Purpose

The purpose is to provide employees an opportunity to gain knowledge and develop skills which will improve proficiency on the present job and/or enhance promotability to higher level jobs which are available within the University.

II. Determination of Job Relatedness

Courses, either with or without credit, are considered "job-related" when any of one(1) of the following primary goals is met:

A. To improve skills and/or update the technology involved in the present work assignment;

B. to provide knowledge, skills, and understandings which relate to more responsible, higher level University positions to which the employee may reasonably aspire;

C. to complete the requirements for a high school diploma;

D. to enhance basic skills in written and/or oral communications and/or mathematics;

E. to enroll in a college degree program in which the entire curriculum is directly related to the field of the employee's current job assignment;

F. to enroll in a college degree program in which the entire curriculum is designed to lead to more responsible University positions to which the employee may reasonably aspire; or

G. to enroll in individual college courses which are directly related to the field of the employee's current job assignment, even though such courses might be components of a total degree program which was not related to the current job assignment.

III. Accredited Institutions

Course offerings are expected to be from those institutions accredited by generally recognized accrediting agencies and/or are listed in the Education Directory of the U.S. Department of Health, Education, and Welfare. In addition, institutions approved under such government training programs as the G.I. Bill of Rights will also be recognized.
IV. Employer Initiated Education And/Or Training

In-service training and/or education may be required by the Employer for such purposes as informing employees of University procedures, improving the basic skills of employees, introducing new techniques or skills necessary to perform on-going responsibilities, and the like. When employee participation in such programs is initiated by the Employer, it would not be subject to the provisions contained in the Educational Assistance Program. However, when the employee initiates the request to participate in such programs, provisions of the Educational Assistance Program, Article 15, will apply.

Employees and the Association will be encouraged to communicate in-service training needs and concerns to the Employer.
APPENDIX IV
