DESCRIPTORS *Bibliographies; *Discourse Analysis; Grammar; Language Research; Linguistic Theory; *Resource Materials; Sociolinguistics; *Structural Analysis; *Syntax; Transformation Generative Grammar

ABSTRACT This bibliography is divided into three main sections. The first section cites one bibliography relevant to discourse analysis. The second section cites books pertaining to discourse analysis, language structure, and transformational generative grammar. The third section refers to articles in the same areas. Entries include both American and European publications, and most have been published since 1970. (CLK)

**********************************************************************

Documents acquired by ERIC include many informal unpublished materials not available from other sources. ERIC makes every effort to obtain the best copy available. Nevertheless, items of marginal reproducibility are often encountered and this affects the quality of the microfiche and hardcopy reproductions ERIC makes available via the ERIC Document Reproduction Service (EDRS). EDRS is not responsible for the quality of the original document. Reproductions supplied by EDRS are the best that can be made from the original.
