This bibliography is divided into three sections. The first section lists bibliographies relevant to first-language acquisition. In the second section, books pertaining to first-language acquisition and to language in the classroom situation are cited, while the third section lists two periodicals in the same areas. Entries include both American and European publications, and most have been published since 1970. (CLK)
First-language acquisition, including the classroom situation

A select list of books and periodicals. Prices quoted in brackets are for paperbacks.
