This selective bibliography cites about 50 publications ranging in date from 1955 to 1975 with the majority published since 1965. The first part deals with contrastive studies of Indic languages and English and is divided into the following sections: (1) bibliography, (2) books and sections of books, and (3) articles. The second part is dedicated to error analysis for speakers of Indic languages learning English and to error analysis in general. Most of the entries were either written by Indic authors or published in Indic countries. (TL)
