The information contained in this booklet is designed to assist teachers at all levels (K through college) in planning, preparing, and supplementing science courses and topics. Appearing in a bibliographic format, science resource information is listed including: (1) suppliers of scientific materials, equipment, laboratory furniture, audiovisual aids, and textbooks; (2) speakers; (3) journals and periodicals; (4) free materials; (5) programmed instructional materials; and (6) professional organizations. Most entries include the address of the company or organization, local representative, and a description of the services, materials, or activities which can be provided. (CP)
Science Resource Booklet

INTRODUCTION

The information contained in this booklet is designed to assist teachers of science at all levels (K-College) in planning, preparing and supplementing science courses and specific topics. The format (table of contents) is:

Suppliers of Scientific Materials and Equipment... 1
Suppliers of Laboratory Furniture...................... 8
Suppliers of Audio-Visual Materials.................... 9
Suppliers of Textbooks.................................. 11
Assemblies and Tours.................................. 13
Speakers.................................................. 14
Journals and Periodicals............................... 15
Curriculum News....................................... 17
Free Materials......................................... 18
Programmed Instructional Materials.................... 21
Professional Organizations............................ 23

Each page is dated at the upper right-hand corner so that updated information will be easy to find.

The format for each entry is (generally):

Company/Organization, Address. Phone Number (Local/ Main office). Local representative or contact person.
Description of services, materials or activities which can be provided.

In many cases some of the information is not known but the entries were made as complete as possible.

The following sources were used to compile this booklet:

Abraham, Dr. Eugene, Materials provided for graduate classes at Temple University.
American Association of Physics Teachers, Convention schedules.
New Jersey Education Association, Convention schedules.
New Jersey Science Teachers Association, Convention schedules.
Walter C. Quint, personal files and resources.
Schmucker, Dr. Joseph, Materials provided for graduate
classes at Temple University.

SUPPLIERS OF SCIENTIFIC MATERIALS AND EQUIPMENT

Raised relief maps and globes and Farquhar globes.
Ainsworth and Sons, 2151 Lawrence St., Denver, Colorado.
Allied Chemical and Dye Corp., 40 Rector St., NY, NY 10006.
Aloe Scientific, 1831 Olive St., St. Louis, Missouri 63103.
American Optical Co., Box A, Buffalo, NY, 14215.
Supplier of microscopes and other optical equipment.
American Science and Engineering, Inc., 20 Overland St.,
Boston, Mass. 02215, Call 617-262-6500, Ray St. Martin.
American Type Culture Collection, 2112 M St, N.W., Washing-
ton, D.C. 20007.
Applied Sciences, Inc., 12435 Euclid Ave., Cleveland, Ohio,
44106. Portable lab with built in overhead projector.
Atomic Accessories, Inc., 811 W. Merrick Rd., Valley Stream,
N.Y. 11582. Nuclear training aids, instruments, and
accessories for teaching nuclear science.
AVCO Everett Research Laboratory, 2385 Revere Beach Park-
way, Everett, Mass., 02149, Call 617-389-3000.
Lasers and electronic physics apparatus.
Microprojectors, microscopes and other optical sci-
entific instruments.
The Rendix Corp., 3625 Hauck Rd., Cincinnati, Ohio 45241.
Science teaching kits and instructional scientific in-
struments.
Charles Beseler Co., 219 S. Eighteenth St., East Orange,
NJ 07818. Projection equipment for science teachers.
Biological Research Products Co., 243 W. Root St., Chicago,
Illinois. 60648.
Bioscope Manufacturing Co., P.O. Box 1492, Tulsa, Oklahoma
74101. Display and demonstration of microscopes and
microprojectors.
Black Light Planetarium Co., 329 N. Elmwood, Oak Park, Illinois
Buck Engineering Co., Inc., Lab.-Volt Division 37-41 March St.,
Freehold, NJ 07728. Unit power supplies and multi-
range protected meters.
W. Atlee Burpee Co., 300 Park Ave., Warminster, PA. 18974.
Call 215-674-4900. Seeds and plant supplies.
Burroughs Corp., 500 Kings Highway-North, Cherry Hill, NJ
California Biological Service, 1612 W. Glenoaks Blvd.,
Glendale, California 91201.
California Botanical Materials Co., 861 E. Columbia Ave.,
Pomona, California 91767.
Cambosqo Scientific Co., Inc., 342 Western Ave., Boston,
Mass. 02135. Science apparatus for schools. Also
see Turtox.
Carolina Biological Supply Co., Burlington, NC 27215.
Call 919-584-0381. Ask for Gene Wolfe. Complete line
of biological materials, specimens and equipment. Ex-
cellent supplier.

Certified Blood Donor Service, 146-16 Hillside Ave., Jamaica, NY 11435.

Chemical Rubber Company, 2310 Superior Ave., Cleveland, Ohio 44114. Publisher of scientific and mathematical tables and handbooks.

Chem-Product, Inc., 1619 E. First St., Austin, Texas 78700.

Conso-Lab Supply Co., 7 Endo Blvd., Garden City, NY 11533.

Corning Glass Works, Corning, NY 14830. Pyrex lab. glass.
