ABSTRACT

Between 1974-75 and 1975-76, American Association of State Colleges and Universities (AASCU) member tuition and fees averaged increases of 5.5 percent for undergraduate and graduate state resident students and 3.7 percent for undergraduate and graduate nonresident students. Room-and-board rates averaged increases of 8.3 percent. AASCU institutions in most states did not substantially increase undergraduate tuition and fees. However, increases greater than 10 percent occurred in 10 states. This document provides tables that break down tuition changes for the period covered by graduate students, undergraduate students, resident students, nonresident students, state and institution.
