Each question in Part IV of the pre- and post-assessment has four sections. Each section deals with a different component of the interpersonal perception process, as follows:

1. comprehension
2. empathic ability
3. sympathetic attitude
4. identification

The scoring of the first three sections of each question is indicated on the following pages. The fourth section ("How would you feel if this were happening to you?") should be graded on the basis of its similarity to the answer to the second section ("How do you think this child feels?"). In other words, if the answer to section 4 is the same as the answer to section 2, it is scored +1. If the answer to section 4 is different from the answer to section 2, it is scored -1.
Part IV: Interpersonal Perception Evaluation

Name ___________________________ Male _____ Female _____

Age ________ Schooling completed __________________________

years months

Number of siblings in your family older than you _____ younger than you _____

Each of the pictures on pages 00-00 of your Resource Book shows something happening in a family or in school. You will be asked questions about the pictures. Answer the questions about the child the arrow is pointing to.

For each question choose the one answer you think is best. Place a check mark (✓) in the space next to the answer you choose. It is important to say what you think. If you are not sure, guess. Be sure that the number above the question you are looking at is the same as the number on the picture you are looking at.

Here is an example of the way you should answer the question:

Look at Picture A. Now look at the questions for Picture A below:

Picture A

What is happening in picture A? Check one.

( ) 1. Being punished
(✓) 2. The cookie jar
( ) 3. The happy family

( ) angry
( ) lonely
( ) pleased
( ) scared

As you can see, this is a picture of an interpersonal situation involving a cookie jar, so a check mark was put in the space next to that answer. You can also see that the child under the arrow in the picture looks 'ashamed, so a check mark was put in the space next to that word.

Now look at the next question on your answer sheet: How do you feel about what is happening to this child? Check one; Now look at the last question for this picture - Picture A. Choose any word you want to, and place a check mark next to it. You have now answered four (4) questions by checking one answer for each question.
Now look at the first picture in the Resource Book and answer the questions under Picture No. 1 on your answer sheet. Be sure the number on the answer sheet and on the picture are the same. Also be sure that you have checked one answer for each of the four (4) questions for each picture. Go on until you finish all twenty pictures.
