La Raza: A Selective Bibliography of Library Resources Addenda.

ABSTRACT
Books, periodicals, recordings, art works, government documents, and bibliographies, dating mostly from 1960, are included in this 1978 addendum to the 1973 edition of "La Raza: A Selective Bibliography of Library Resources". Similar in format to the earlier volume, the addendum contains 1,616 non-annotated entries organized into 31 Library of Congress subject areas: Reference Materials, Agricultural Labor, Archeology/Anthropology, Art Forms, Biography/Autobiography, Chicano Lifestyle, Civil Rights, Economic/Labor Conditions, Education, Folklore, Geography, Health, Historical Emergence of the Chicano, Housing, Immigration, Language Study/Bilingualism, Law Enforcement, Literature, Juvenile Literature, Mexico, Media, Music, Recordings, Newspaper/Journal Resources, Political Rights, Religion, Philosophy, Theater Arts, La Chicana, and Third World. The sections for La Chicana and the Third World are new. Within each section entries are listed alphabetically by author and include the California State University-Northridge (CSUN) library call number. Also in each section is a list of Chicano periodical references, based on CSUN holdings, which are rarely indexed in standard sources. Articles from standard journals are not included. An alphabetical author index is included. (SB)

Reproductions supplied by EDRS are the best that can be made from the original document.
LA RAZA: A SELECTIVE BIBLIOGRAPHY OF LIBRARY RESOURCES

ADDENDA

KAREN AUFCOLL
CALIFORNIA STATE UNIVERSITY, NORTHridge
1978
This bibliography is an addenda to the La Raza: a selective bibliography of library resources (CSUN) published in 1973. The collection of research sources has grown considerably as has the need for easy access.

The format of this addenda is basically the same as the base volume. Call numbers are given for those materials owned by the University Libraries. Two new sections - ‘La Chicano’ and ‘Third World’ - were added because of specific new research needs of CSUN researchers.

A special feature of the addenda is the inclusion of Chicano periodicals which are rarely indexed in the standard sources. The indexing was based on holdings at CSUN and unfortunately there are some gaps for missing issues. Articles from standard journals are not included since they are easily accessed through the standard periodical indexing sources.

Grateful appreciation is extended to Nina Pinthus and Sue Metzger who spent many hours on the monumental task of typing this addenda.

ADELANTE!
