This curriculum guide for English as a Second Language (ESL) Level IV is the fourth of six in the Guam Community College ESL project series. The other five guides, a companion teacher's guide, and pre-and post-tests are available separately (see note). The entire project centers around the Peabody Kits P, Level P, Level 1, Level 2, Level 3, and the Articulation Kit. Level IV is basically vocabulary-oriented with sentence structure in three simple tenses and simple sentence-patterns. Aimed at a trade and technical, adult-based learning experience, the 40 lessons are structured for the adult learner and adult-learner interest with emphasis on Guam and island living. Each lesson lists materials (coded to the Peabody kits), objective, and method and has three parts. Drill A reviews the previous lesson materials, Drill E develops and expands new vocabulary and presents stated objectives, and Drill C continues B or has additional exercises. After the first 20 lessons, the lessons reach back 20 lessons to develop the more important items from that lesson. Written with an absent or remote student in mind, the lessons are intended to be taped by the professor with pauses for student responses. (YLB)
Level IV begins with a new set of lesson numbers and pages but continues the process of Level III. The interlocking lesson patterns of previous levels will not change. The lessons presented in this level are expanded material from earlier as related presentations.
Material: Peabody: 1H-16, 3F-5, PH-11, PH-12, 1A-4, PF-4, 1F-9, PP-5, PP-24, 1A-9, 1A-29, PP-26, PP-25, 1A-29.
