Designed to assist community college and university representatives from specific academic disciplines in their discussions of articulation of degree programs, curricula, transfer of students and other related topics, this handbook provides information on how to implement statewide postsecondary articulation and outlines the duties and responsibilities of the chairpersons and members of the articulation task forces (ATF). Following introductory comments on the articulation project, the guidebook defines articulation and the role of the ATF. The next section enumerates the official activities of an ATF (e.g., facilitates the transfer of credits from the community colleges to the universities, develops methods to communicate accurate information to students, reviews and updates the content of the "Arizona Higher Education Course Equivalency Guide," and establishes a communication process regarding program changes. Next, the responsibilities of the ATF chair and members before, during, and after the meetings are outlined. Appendices include information on the Academic Program Articulation Steering Committee; samples of information on ATF meetings and reports; and samples of other articulation materials. (LAL)

INTRODUCTION

On February 4, 1983, the Joint Conference Committee of the Arizona State Board of Regents and the Arizona State Board of Directors for Community Colleges established the Academic Program Articulation Steering Committee (APASC). The APASC was charged with planning and convening meetings of representatives from specific academic disciplines at the public universities and community colleges to discuss articulation of degree programs, curriculum, transfer of students, and other related topics. (see Appendix A, pages 11-14, for APASC Members, Goals and Organizational Relationships)

This handbook is designed to provide information on how to implement statewide postsecondary articulation. In addition, the chairperson's and members' responsibilities before, during, and after the meetings are outlined.
WHAT IS ARTICULATION?

Articulation is the process of developing a harmonious working relationship between two-year and four-year institutions. The result is agreements and/or mechanisms which ensure that students can readily transfer from one institution to another with minimal academic problems.

Why Is Articulation Important?

Articulation is important so that students who transfer among Arizona institutions experience minimal loss of credit within their programs of study.

What Is The Goal Of Articulation?

The goal of articulation is to serve transfer students by:

- Removing the transfer barriers and
- Providing accurate information on a timely basis to assist students in planning for transfer among community colleges and/or public universities within Arizona.
WHAT IS AN ARTICULATION TASK FORCE (ATF)?

An Articulation Task Force (ATF) consists of faculty members who represent their institution and their discipline. The ATF provides community colleges and public universities with a forum to cooperatively exchange articulation information on a timely basis. The issues discussed and the decisions and recommendations made by the ATF will directly influence student transfer.

How Is An ATF Established?

1. The APASC establishes an ATF or it delegates articulation responsibilities to an existing group.
2. The chief academic officer of each community college and public university identifies an ATF member.
3. The chief academic officer also submits a list of disciplines and Bachelor's Degrees related to the ATF.
4. The APASC schedules the first meeting for a new ATF and coordinates the inclusion of articulation issues into meetings of existing groups.
5. The APASC determines the articulation portion of the agenda for ATF meetings.
6. ATF members determine the other agenda items as well as the format, time, and location of subsequent meetings.

What are the Outcomes of ATF Meetings?

- Update of the Arizona Higher Education Course Equivalency Guide
- Exchange of University Advisement Checklists for Majors
- Resolution of certain transfer issues
- Summary of recommendations and decisions made related to articulation
- Summary of unresolved issues
WHAT ARE THE OFFICIAL ACTIVITIES OF THE ATF?

1. Facilitates the transfer of credits from the community colleges to the universities for students who have selected that discipline.
   a. Resolves the issues involved with accepting transfer credits to meet program requirements.
   b. Provides a mechanism for anticipating and/or resolving transfer issues.

2. Develops methods to communicate accurate information (University Advisement Checklists for Majors) to community college students regarding degree program requirements of the universities and the transferability of community college courses to those programs.
   e.g., Exchange University Advisement Checklists for Majors.

3. Reviews and updates the content of the Arizona Higher Education Course Equivalency Guide.
   Evaluates the content of specific courses in order to facilitate transfer among institutions.

4. Establishes a communication process for programmatic changes as they are under development.
   a. Identifies the impact of proposed programmatic changes under development at the community colleges or universities which may affect the transferability of credits.
   b. Identifies the impact on transfer students of recently approved community college and university course and/or program additions, modifications, and deletions.

5. Gives consideration to the possibility of common course prefixes, numbers, and titles.

6. Reports to the APASC and appropriate institution administrators.
   a. Summarizes recommendations and decisions related to articulation.
   b. Summarizes any issues that cannot be resolved.
ATF CHAIRPERSON

What Are My Responsibilities?

After your selection as chairperson, you will meet with the APASC facilitator. The facilitator will orient you and serve as a resource person. Your responsibilities include:

Before the Meeting

Arrange for meeting location, map, meeting break, host or no-host meals, parking, etc.

Collect, develop, and send meeting packets to ATF members 45 days prior to ATF meeting. (see Appendix B, pages 15-19 for samples)

Packets should include:

a. Meeting Announcement
b. Agenda
c. List of ATF members (current)
d. List of ATF Disciplines and Bachelor's Degrees
e. Handbook for Articulation Task Forces (new members only)

Send the agenda, including the date, time, and location to the Chief Academic Officers. (see Appendix C, pages 20-21 for names and addresses)

During the Meeting

Conduct the business identified on the agenda.

Ensure that edited pages of the Arizona Higher Education Course Equivalency Guide (CEG) which are acceptable are signed and dated by the appropriate community college and university ATF members. EVERYTHING MUST BE LEGIBLE. (see Appendix E, page 24)

Ensure that University Advisement Checklists for Majors have been exchanged. (see Appendix F, page 26)
Facilitate discussion related to articulation issues.

Ensure that notes regarding recommendations, decisions, and unresolved issues are recorded.

After the Meeting

Prepare summary of recommendations, decisions, and unresolved issues. (see Appendix D, page 22 for a sample)

Send copies of the following to the Chief Academic Officers. (see Appendix C, pages 20-21)

1. A list of ATF attendees
2. A summary of recommendations and decisions
3. A summary of any unresolved issues

Send copies of appropriate sections of the edited CEG to the CEG Coordinator at each institution. (see Appendix E, page 23)

Send the edited pages of the CEG to the CEG Editor. (see Appendix E, pages 23-24)

Participate as a spokesperson for the ATF in any further discussions or meetings related to unresolved articulation issues.
COMMUNITY COLLEGE ATF MEMBER

What Are My Responsibilities?

Before the Meeting

Read all materials provided by the ATF chairperson.

Consult with other faculty members at your institution concerning articulation issues or other agenda items for the ATF meeting.

Communicate concerns and issues with other ATF members so that articulation activities may be efficiently handled during the meeting.

Contact your ATF chairperson to add agenda items.

Send to all ATF members 30 days prior to the meeting the following:

- A copy of your institution's present and proposed course descriptions for ATF disciplines.

- Get from your institution's CEG Coordinator a copy of the current printout(s) of the Arizona Higher Education Course Equivalency Guide (CEG) for the ATF discipline(s). (see Appendix E, page 24 for a sample)

Review the universities' evaluations of the courses listed on the CEG printout(s). Do the following:

1. Get a copy of your institution's official course descriptions for the ATF disciplines and the catalogs for the three state universities. (see your department chairperson or instructional dean)

2. Compare each of the course descriptions to the universities' course descriptions. (refer to Appendix E, page 25 for abbreviations used in the CEG)

3. Note any perceived mismatches of course evaluations on a copy of the CEG printout(s). EVERYTHING MUST BE LEGIBLE.

   e.g., A university has evaluated a community college course as DEC., E., or N.T. However, based on course descriptions, there is an equivalent university course. Note the equivalent course prefix, number, and credits on the copy of the CEG printout.
Send to the university ATF members 30 days prior to the ATF meeting the following.

1. The CEG printout(s)

2. The copy of the CEG printout(s) with the perceived mismatches noted and recommendations to change university evaluations

Review changes in course evaluations made by the university ATF members and your previous recommendations.

Come to the ATF meeting prepared to discuss any unresolved course evaluations and any concerns regarding the University Advisement Checklists for Majors.

During the Meeting

Your attendance is vital to the effectiveness of the articulation function.

The long range goals developed by APASC are the primary subject matter for meetings.

In addition, ATF members are encouraged to use this forum to exchange information related to transfer issues.

After the Meeting

The official dissemination of ATF recommendations and decisions is the responsibility of the ATF chairperson. However, as a representative of your institution, you are responsible to make sure that your colleagues and other school personnel concerned with articulation have the most current information.

e.g., Institution CEG Coordinator
Instructional Dean
Admissions Dean
Department Chairperson
UNIVERSITY ATF MEMBER

What Are My Responsibilities?

Before the Meeting

Read all materials provided by the ATF chairperson.

Consult with other faculty members at your institution concerning articulation issues or other agenda items for the ATF meeting.

Communicate concerns and issues with other ATF members so that articulation activities may be efficiently handled during the meeting.

Contact your ATF chairperson to add agenda items.

Send to all ATF members 30 days prior to the meeting the following:

- A copy of your institution's present and proposed course descriptions for ATF disciplines.

- University Advisement Checklists for Majors, effective the next academic year, for ATF Bachelor's Degrees. (see Appendix F, page 26 for a sample)

Do the following in consultation with the person from your college responsible for evaluating community college courses listed in the CEG.

Review the perceived mismatches and recommendations submitted by each community college ATF member.

1. Get your university's catalog and the course descriptions approved since the catalog was published.

2. Use the official course descriptions submitted by the community colleges and your course descriptions.

3. Evaluate perceived mismatches and determine acceptability of recommendations.
   a. For acceptable recommendations, mark the changes on the original CEG printout(s). EVERYTHING MUST BE LEGIBLE.
   b. For unacceptable recommendations, note an explanation on a separate sheet.
e.g., A community college has made a recommendation to change a university course evaluation based on the description in the current university catalog. However, the university has changed the course since the catalog was published.

Check that all other course evaluations in the CEG reflect the current courses offered by your institution.

1. For incorrect course evaluations, mark changes on the CEG printout(s). EVERYTHING MUST BE LEGIBLE.

2. Note an explanation on a separate sheet.

   e.g., A university has changed a course number without changing the CEG.

Sign, date, and print your institution's name on each page of the printout(s). EVERYTHING MUST BE LEGIBLE.

Write a memo to the ATF Chairperson and to the ATF member of that community college which includes the explanation for unacceptable recommendations and incorrect evaluations.

Make two copies of the edited and signed printout(s) and memos.

Send the original CEG printout(s) with changes and memo to the ATF chairperson.

Send one of the copies to the ATF member of that college and keep the other copy for your record.

During the Meeting

Your attendance is vital to the effectiveness of the articulation function.

The long range goals developed by APASC are the primary subject matter for meetings.

In addition, ATF members are encouraged to use this forum to exchange information related to transfer issues.

After the Meeting

The official dissemination of ATF recommendations and decisions is the responsibility of the ATF chairperson. However, as a representative of your institution, you are responsible to make sure that your colleagues and other school personnel concerned with articulation have the most current information.

   e.g., Institution CEG Coordinator
   Instructional Dean
   Admissions Dean
   Department Chairperson

APPENDIX A
LONG RANGE GOALS OF APASC

1. For every transfer discipline, establish an Articulation Task Force which:
   a. Facilitates the transfer of credits from the community colleges to the universities for students who have selected that discipline.
   b. Develops methods to communicate accurate information (University Advisement Checklists for Majors) to community college students regarding degree program requirements of the universities and the transferability of community college courses to those programs.
   c. Reviews and updates the content of the Arizona Higher Education Course Equivalency Guide.
   d. Establishes a communication process for programmatic changes as they are under development.
   e. Gives consideration to the possibility of common course prefixes, numbers, and titles.
   f. Sends a summary of ATF recommendations, decisions, and unresolved issues to the Academic Program Articulation Steering Committee and appropriate institution administrators.

2. Discuss the credit by examination policies of the community colleges and universities and identify the effects of those policies on students who transfer.

3. Develop methods to communicate the new university admission requirements to community college students and to identify and resolve any issues that may arise from the implementation of the new requirements.

4. Encourage each of the institutions within the state to develop procedures to review instances in which a student transferring to that institution loses academic credit. Any general recommendations that result of such reviews should be communicated to other institutions within the state.

5. Develop a standard definition of "transfer student" and recommend that the definition be used in research reports concerning the academic performance of students who transfer from the community colleges to the universities.

6. Consider the standardization of semester beginning and ending dates for all public universities and community colleges.
7. Encourage accurate, concise catalog descriptions for all programs and courses.

8. Encourage the development of Associate in Arts degree programs that will meet the general education requirements of the colleges of Liberal Arts or Arts and Sciences at the universities.

9. Encourage the development of two-plus-two programs or other specifically articulated programs for the bachelor's degrees offered by the professional colleges at the university.

TO: Articulation Task Force Members

FROM: , Chairperson

RE: Articulation Task Force Meeting

Your Chief Academic Officer has indicated that you are willing to serve as a member of the Articulation Task Force (ATF). A meeting has been scheduled for , 198 at M. It will be held at , Arizona, and hosted by .

Information on parking, lunch, etc.

I have enclosed the following to prepare you for the meeting:

1. Meeting Agenda
2. ATF Membership List
3. List of ATF Disciplines and Bachelor's Degrees
4. Handbook for Articulation Task Forces (new members only)

In an effort to meet the ATF objectives listed in the Handbook, each member has specific responsibilities prior to the meeting. Directions for carrying out these responsibilities are listed in detail on pages 7-10 of the Handbook. A summary of your responsibilities follows:

30 days prior to the meeting

All ATF Members:

Send to all ATF members a copy of your institution's present and proposed course descriptions for ATF disciplines.

University ATF Members:

Send to all ATF members a copy of University Advisement Checklists for Majors, effective the next academic year, for ATF Bachelor's Degrees.

BEST COPY AVAILABLE
Community College ATF members:

Send to the university ATF members the following:

1. The CEG printout(s) for the ATF disciplines

2. A copy of the CEG printout(s) with the perceived mismatches noted and recommendations to change university evaluations

10 days prior to the meeting

University ATF members:

Send the original CEG printout(s) with changes and a memo to the ATF Chairperson and to the appropriate ATF member.

I am looking forward to a very productive Articulation Task Force meeting.
