ARTICLE X GRIEVANCE FORM - State of Iowa Board of Regents and UNI-United Faculty

This form is designed to serve as a summary record of the grievance in process. Correspondence and documents relating to the action at each level may be numbered and attached to this form if added space beyond that provided with the document is required. The form is to be used for Article X grievances. A "grievance" is defined by the Agreement as an allegation by a faculty member that there has been a violation, misinterpretation, or misapplication of any provision of the Master Contract Agreement, except for matters subject to appeal under Article XI (Appeal) which are resolved under the procedures of that article. The United Faculty may file a grievance on organizational rights specified within the Agreement, and may waive the first two of the below noted levels. Agreement provisions relative to Article X grievance proceedings appear on the reverse side of this form.

ARTICLE X - GRIEVANCE PROCEDURE

10.2 General Procedures

10.21 Time Limits

The failure of an aggrieved person to act on any grievance within the prescribed time limits will act as a bar to any further appeal. An administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. Time limits may be extended by mutual agreement.

10.22 Processing

The investigation, handling or processing of any grievance by the grievance employee or the United Faculty shall be conducted so as not to interfere with specifically assigned duties. Any departure from this provision shall be by mutual agreement.

10.23 Election of Forum

If the grievant files any claim or complaint in any forum other than under the grievance procedure of this Master Contract Agreement, then, while such claim is pending or after it has been adjudicated, the Regents shall not be required to process the same or a substantially equivalent claim through this grievance procedure.

10.24 Filing of Initial Grievance

A faculty member who alleges that contract provisions have been violated shall initially seek to resolve the problem by informal means through administrative channels. This procedure must be initiated within thirty (30) days following the time at which the aggrieved party could reasonably have been aware of the occurrence of the grievance. However, under no circumstances shall a grievance be considered timely after twelve (12) calendar months from the date of occurrence.

10.25 Written Grievance

A formal grievance must be submitted in writing and shall contain a concise statement of the facts surrounding the grievance. The statement must specify the specific Article or provision alleged to be violated, and relief requested. The grievance shall be filed on the form approved by the parties, which shall be obtained from the United Faculty.

10.26 Filing Limitation

A formal grievance will be processed only if filed within forty-five (45) days following the time at which the aggrieved party could reasonably have been aware of the occurrence of the grievance. However, under no circumstances shall a grievance be considered timely after twelve (12) calendar months from the date of occurrence. The grievance form shall contain an endorsement indicating the United Faculty's receipt of a copy of the complaint.

10.27 Days Defined

In all instances in which "days" are used in this Article, the term refers to class days. Saturdays, Sundays, holidays, and days when classes are not in session are not counted. Class days during summer session will be counted for faculty on summer appointment (teaching and research) for the whole 5 weeks regardless of periodic appointment of faculty members. By mutual agreement between United Faculty and the Board, class days may not be counted for Faculty on summer appointment. Class days for Faculty not on summer appointment will not be counted except by mutual agreement between United Faculty and the Board. When counting days, the grievance received at any point in the procedure shall be considered "day one."

10.3 Formal Levels

10.31 Level One

The grievance form shall be filed with the grievant's department head who shall respond within fourteen (14) days, indicating his/her disposition of the case. The department head shall distribute copies as indicated on the approved grievance form.

10.32 Level Two

The aggrieved person may, within fourteen (14) days of the receipt of the disposition of the case at Level One, appeal to the appropriate dean, in writing, with the endorsement of United Faculty. The dean shall meet with the aggrieved and United Faculty, and, within fourteen (14) days of receipt of the appeal, indicate his/her response in writing, with a copy to United Faculty.

10.33 Level Three

The aggrieved person may, within fourteen (14) days of the receipt of the decision at Level Two, appeal to the President or his/her designee, with the endorsement of United Faculty. The President or designee shall, within fourteen (14) days of receipt, indicate his/her response in writing, with a copy to United Faculty.

10.4 Arbitration (Level Four)

10.41 Notice of Arbitration

The United Faculty may submit a grievance to arbitration with the consent of the grievant and notice to the President and copy to the Board Office, provided a written notice of intent to arbitrate is delivered to the President's Office within twenty-one (21) days of receipt of the President's response at Level Three.

10.42 Selection Procedure

Unless an alternative procedure has been agreed to promptly by the Board and United Faculty, a joint written request for a list of arbitrators shall be made to the American Arbitration Association, within fourteen (14) days after receipt of notice of intent to arbitrate, for a list of five (5) arbitrators, all of whom are currently employed by a college or university, yet are not current or former employees of the Board. The parties shall determine by lot within fourteen (14) days of receipt of the list which party shall have the right to remove the first name from the list. The parties shall alternately strike names from the list until one name remains. The person whose name remains shall be the arbitrator.

10.43 Hearing and Decision

The arbitrator so selected shall confer with the President or designee and the United Faculty and hold hearings promptly and shall issue his/her decision not later than thirty (30) class days from the date of the closing of the hearings or, if written briefs have not been waived, then from the date the final statements and proofs on the issues are submitted to the arbitrator. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall have no power to alter, add, or detract from the specific provisions of the agreement. The decision of the arbitrator shall be submitted to the President and the United Faculty and shall be final and binding on the parties.

10.5 Rights of Employees to Representation

10.51 Employees and United Faculty

Any aggrieved person may be represented at all stages of the grievance procedure prior to Level Three (3) by himself/herself, or at United Faculty's option, by a representative selected or approved by the United Faculty. The United Faculty shall have the right to be present at all levels as a party of interest.

10.52 Separate Grievance File

All official documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file. The grievance file shall be accessible during business hours to the grievant and United Faculty upon the request of either party.

10.53 Arbitration Hearings

All hearings before the arbitrator under this procedure shall be open except if the parties mutually agree that the proceedings should be closed. The arbitrator shall keep the proceedings closed for cause.
