ARTICLE I - AGREEMENT

This agreement is made between the University of the Dis-
trict of Columbia Faculty Association/National Education
Association, hereinafter called the Association, and the
Board of Trustees of the University of the District of
Columbia, hereinafter called the University.

ARTICLE II - PURPOSE AND INTENT

The purpose of this Agreement is to set forth terms and
conditions of employment for faculty represented by the
Association and negotiated by the parties. The intent of
the parties to this Agreement is to affirm their mutual
belief in good faith collective bargaining which gives
legitimate expression to the concerns of faculty regarding
terms and conditions of employment.

It is also the intent of the parties to promote the quality
and effectiveness of education at UDC and to maintain the
highest possible standards of academic excellence in all
phases of instruction, research and service. It is recog-
nized by the parties that mutual benefits are to be derived
from the continued improvement of UDC. The parties concur
that these objectives are facilitated by the amicable
adjustment of matters of common interest.

ARTICLE III - AGREEMENT SUPERSEDES

Unless otherwise expressly provided herein, this Agreement
supersedes all previous agreements, understandings,
policies, and prior practices governing subjects included
within this Agreement.

ARTICLE IV - SCOPE OF UNIT

As certified by the District of Columbia Board of Labor
Relations, case number 6R012, the employees who make up the
bargaining unit are: All full-time faculty employees
holding a permanent appointment from appropriated funds,
including librarians/media specialists, of the University of
the District of Columbia, excluding any management official,
confidential employee, supervisor or employee engaged in
personnel work in other than a purely clerical capacity.
ARTICLE V - EXCLUSIVITY

The University recognizes the Association as the sole and exclusive bargaining agent for all faculty members in the bargaining unit, collectively and individually, as described in Article IV, Scope of Unit.

ARTICLE VI - DEFINITIONS

As used in this Agreement, unless otherwise specified:

1. "Bargaining unit" or "unit" means UDC faculty employees, certified by the District of Columbia Board of Labor Relations or its successor, for the purpose of collective bargaining.

2. "Collective Bargaining Agreement" or "this Agreement" means all of the definitions, provisions, terms and conditions set forth in this contract, including any appendices thereto, and any subsequent modifications, supplements or amendments, as agreed upon by the University and the Association in writing and signed by authorized representatives of both parties.

3. "Day" means calendar day unless it is specifically identified as a working day. "Working day" means a day when classes or examinations are scheduled and held in accordance with the official academic calendar of the university, excluding Saturdays and Sundays.

4. "Department" means the designated first level of the University's academic administrative organization within a college or within the Learning Resources Division (hereinafter called "LRD").

5. "College" means the designated second level of the University's academic administrative organization.

6. "Consult" means to meet and discuss.
ARTICLE VII - ASSOCIATION RIGHTS

A. 1. The President of the Association or designee shall have the right to speak at the Board meeting on any issue relating to terms and conditions of employment that is pending before the Board provided one (1) day’s notice is given to the Board. If the meeting is not open to the public, the Association representative shall only be present to make the presentation and answer questions, if any.

2. Not less than ten (10) days prior to a scheduled meeting of the Board of Trustees, the Association may in writing addressed to the Chair of the Board propose for inclusion on the agenda of the forthcoming meeting items affecting the terms and conditions of employment of members of the bargaining unit, and the Board will make a good faith effort to include such items on the agenda. Notwithstanding the foregoing, the parties acknowledge that the inclusion of any item on the agenda of the Board is solely at the discretion of the Board, and the failure of the Board to include any item proposed by the Association, or to take up such item at a meeting, shall not be grievable or arbitrable.

3. The Faculty Association shall be sent two (2) copies of the agenda packet of all public Board of Trustees meetings at the same time they are sent to Board members. One copy shall be sent to the Faculty Association office, and the other shall be sent to the office of the Association’s representative to the Board of Trustees. The Faculty Association shall be sent two (2) copies of the official minutes of all public Board meetings and all resolutions referenced in those minutes.

B. A bargaining unit member may bring a matter of personal concern through the Association to the attention of the person designated by the President for the receipt of communications from the Association concerning this Agreement. An appropriate response shall be made within fifteen (15) working days or less, except by mutual agreement of the parties.

C. A bargaining unit member shall be free from unwarranted interference or harassment in the performance of duty. Members of the Administration shall be free from unwarranted interference or harassment by the Association and any of its representatives.
D. Recognizing that the Association has a need to conduct continuing business with the University on behalf of its bargaining unit members, the University will:

1. make available to the Association adequate and secure space for an office on the main campus;

2. release the Association President from thirty two (32) professional units of assigned duties per academic year and the Association Vice President from sixteen (16) professional units of assigned duties per academic year upon written request at least ninety (90) calendar days prior to the beginning of the academic year. The Association may purchase the release from teaching for up to two (2) FTE Association representatives per academic year at the part-time faculty rate for Level C appointments. Written notification of intent to purchase such release and the individuals to be released must be provided to the Provost/Vice President for Academic Affairs at least thirty (30) calendar days prior to the beginning of the semester in which it is to be used.

E. The University President shall meet quarterly with the Association President to discuss matters of mutual concern. Agenda items shall be mutually exchanged no less than five (5) working days prior to the meeting.

The University President shall designate a person(s) to meet monthly with the Association to discuss issues of mutual concern.

F. Each faculty member has the right to ready access to any and all policies effecting working conditions. The University shall index all such policies and provide each faculty member with a copy of the index within one hundred and twenty (120) calendar days of the signing of this Agreement. Copies of the indexed policies shall be kept in each department and library site. Faculty will be provided notice of any new policies and of their placement in the index and copies shall be sent to the departments and library sites within fifteen (15) days of their adoption.

G. Faculty will be given reasonable access to their offices and laboratories, but the University may close buildings or deny such access when necessary for reasons related to security and efficient operations.

The University, after consultation with the Association, may set non-uniform rules and procedures for access to different facilities based on the particular administrative, physical, and security problems posed.
H. The Faculty Association shall have access to annual financial reports, audits and budgets of the University, and to other information, statistics, and financial data related to the bargaining unit as may be necessary for the Association to properly perform its functions as the exclusive representative in negotiations and in the administration of this Agreement. The University shall make such information available upon request; provided, however, that audits need not be made available unless they are final, external audits, and further provided that the University shall not be required to make available (i) any material that is legally privileged, (ii) confidential personal information concerning a faculty member who has not authorized disclosure of the information, or (iii) internal University communications of a confidential nature. The Association shall be provided with a copy of the annual budget call materials, the Administration's budget proposal when it is submitted to the Board of Trustees, and the University’s budget proposal when it is submitted to the District of Columbia Government.

I. The Association shall receive without cost twenty (20) copies of the current Faculty and Administrative Personnel Policies, and any codification thereof, within thirty (30) working days of the signing of this Agreement. When changes are made to the current personnel policies, twenty (20) copies of such changes shall be provided to the Association within fifteen (15) working days after the date on which the change officially takes place in accordance with notice and publication requirements applicable to all units of government of the District of Columbia.

J. At the time of issuance of notice of any proposed adverse or disciplinary action against a bargaining unit member, the Association shall also be provided notice.

K. A copy of any written communication affecting the terms or conditions of employment of any class or category of members of the bargaining unit that is sent by the University to more than one member of the bargaining unit shall be sent to the Association.

L. Polling or surveying of bargaining unit employees will not be conducted by the Administration without prior consultation with the Association.

M. The University shall transmit to the Association annually by the second Friday in October a list of names, work addresses, and work telephone numbers of all employees in the bargaining unit, as shown in the records of the University. Faculty members' home addresses of record will be released
to the Association only upon specific written authorization of the respective faculty member. Any additions, deletions, or modifications to the above listing shall be submitted to the Association within fifteen (15) working days of such changes.

N. The Association shall be provided in mutually agreed upon locations of each building where faculty are housed, bulletin boards for their exclusive use.

O. Duly authorized personnel of the Faculty Association shall be permitted to conduct regular Association meetings and transact Association business on University property during operating hours and with reasonable notice, provided such business does not interfere with the normal operations of the University.

P. The Faculty Association shall have normal access to the University's interoffice mail services for official communications, provided that this Section shall not obligate the University to carry Association communications on any post route, or from one place to another between which the mail is regularly carried, or as otherwise limited by law.

Q. The Association shall be provided two (2) reserved parking spaces in the Van Ness Garage.

ARTICLE VIII - DUES DEDUCTION

A. Upon receipt of lawfully executed written authorization forms from employees covered by this Agreement, the University agrees to process such forms to the District of Columbia Government for the deduction of the regular Association dues of such employees from their pay. Arrangements for dues deductions and the revocation of such dues deductions shall be made in accordance with the procedures of the Office of Financial Management, Pay and Retirement, District of Columbia Government.

B. The University shall arrange to deduct from the pay of all non-Association members the established service fee stipulated by the Association for that year provided that the authorization forms referred to in Section A above for no less than fifty-five percent (55%) of the bargaining unit are in effect on August 16 of each year. Such arrangement shall be made in accordance with the procedures of the Office of Financial Management, Pay and Retirement, District of Columbia Government.
C. The Administration shall inform the Association promptly of all revocations of payroll deductions.

D. The Administration shall forward the semi-monthly payroll deductions of bargaining unit members to the Association promptly.

E. The service fee stipulated by the Association shall be equivalent to the amount of dues uniformly required of members of the Association, less any amounts not permitted by law.

F. The Association agrees to indemnify and hold the University harmless against any liability which may arise by reason of any action taken by the University in complying with the provisions of this Article, provided that:

1. The University gives the Association timely notice in writing of any claim, demand, suit or other form of liability in regard to which it will seek to implement this Section; and

2. If the Association requests in writing, the University will surrender to it full responsibility for the defense of such claim, demand, suit or other form of liability and will cooperate fully with the Association in gathering evidence, securing witnesses, and in all other aspects of said defense, which defense will be diligently pursued. It is expressly understood that this Section will not apply to any claim, demand, suit or other form of liability which may arise as a result of any type of willful misconduct by the University or the University's imperfect execution of the obligations imposed upon it by this Article.

To the extent permitted by law, the Association's assets shall be applied to the satisfaction of any claim the University may have against the Association pursuant to this Section F, before said assets are applied to the satisfaction of any other claim against the Association. Upon the assertion of a claim for indemnification by the University pursuant to this Section, the University shall have a security interest in the dues and fees thereafter collected by or owed to the Association.
ARTICLE IX - GRIEVANCE PROCEDURE AND ARBITRATION

A. DEFINITIONS

1. A grievance is a formal written complaint that there has been a violation, misinterpretation, or improper application of the terms and conditions of this Agreement.

2. Parties in interest shall mean any member of the bargaining unit or administration who may be party to a grievance.

3. Days shall mean working days.

B. INTENT

1. Nothing in this Article is intended to discourage or prohibit informal discussion of a dispute prior to the filing of a formal grievance.

2. The parties recognize and endorse the importance of establishing a prompt, just, and efficient mechanism for the orderly resolution of grievances that may arise during the term of this Agreement. Both parties agree that grievance proceedings will be kept confidential at all levels of the procedure. The processes hereinafter set will be the sole method used for the resolution of all grievances.

3. All members of the unit shall use this procedure when filing a grievance on matters covered in this Agreement.

4. In order to effect a prompt and efficient resolution of grievances, the parties shall make available information reasonably necessary to process the grievance, provided, however, that the University shall not be required to make available (i) any material that is legally privileged, (ii) confidential personal information concerning a faculty member who has not authorized disclosure of the information, or (iii) internal University communications of a confidential nature.

C. TIME LIMITS

1. Anything herein to the contrary notwithstanding, the filing of a grievance shall be accomplished within the time limits specified. In the event that an appeal of a decision is not filed in a timely fashion, the
Administration's decision at the prior step shall be final and binding upon the parties provided, however, that the said time limits may be extended for any reason by agreement of the parties in writing.

2. Initiation time limits are as specified in D below.

3. Grievances at the Presidential level shall be disposed of within twenty (20) days of receipt.

D. Procedure

1. The Official Grievance Form, Form G-1, shall be used in filing any grievance and may be filed by an employee, group of employees, or the Association and shall be filed through the Association office to the appropriate management official.

2. All grievances and appeals shall be filed in triplicate, one copy to the person against whom the grievance is filed, one copy to the Association, and one copy to the University's contract administrator.

3. For the purpose of this Article the levels of administrative authority are as follows in ascending order: (i) Department Chair; (ii) Dean; (iii) Provost/Vice President for Academic Affairs; and (iv) President.

4. A grievance shall be filed at the lowest appropriate management level having authority to dispose of the complaint within ten (10) days of the occurrence giving rise to the complaint or within ten (10) days of the date on which the person(s) filing the grievance knew or reasonably should have known of such occurrence, whichever is later. Every effort shall be made by both parties to resolve the matter informally at this level. The person with whom the grievance has been filed has ten (10) days after receipt of the grievance form to resolve the matter.

5. If the grievance is not resolved satisfactorily at the initial level, the grievant or the Association shall present it in writing to the person at the first appellate level within ten (10) days of response or non-response. That person or designee(s) shall have ten (10) days following receipt of the appeal to investigate the matter as deemed appropriate, discuss the matter with the grievant and/or the Association President or designee(s) and to submit a written decision, including reasons for said decision, to the grievant and the Association. Any claim not alleged at this level is waived, and may not be raised by the grievant.
or the Association at any later step of the grievance and arbitration procedure, unless the person(s) presenting the grievance did not know, and should not reasonably have known, of the facts upon which the claim is based at the time the grievance is presented at this level.

6. The same process will continue to next appellate levels and will stop at the President's level, provided, however, that any ground for denial of the grievance that is not stated in the initial written response to the grievance is waived, and may not be raised by the University at any later step of the grievance and arbitration procedure, unless such ground was not known to and should not reasonably have been known by the person preparing the initial written response. In such case, the University may add the ground for denial at the first step in the proceedings at which such ground is or should have been known to the responsible University official, provided the grievant or the Association will be afforded such adjournment or extension of time, not to exceed twenty (20) days, as it may require to respond to the additional ground or grounds for denial.

7. If the grievance is not satisfactorily resolved at the President's level, the Association, and only the Association, may within thirty (30) days of the determination made at the level of the President, or if the President fails to issue a decision within the allotted time period, within fifty (50) days after the grievance was submitted to the President, commence an arbitration proceeding by serving the other party with a written notice of intent to arbitrate.

E. ARBITRATION

1. If the Association decides to appeal to arbitration, it shall contact the Federal Mediation and Conciliation Service and request that it submit to the parties a panel of ten arbitrators. The parties will select an arbitrator from this list by mutual agreement. If within five (5) days after receipt of the list, an arbitrator has not been agreed upon, the parties will alternately strike names from the list and the last remaining name shall be selected as the arbitrator. The first party to strike shall be determined by lot.

2. The arbitration proceedings shall be conducted in accordance with the rules of the Federal Mediation and Conciliation Service.
3. The arbitrator may not consider any claim, or any ground for denying the grievance, that has been waived by operation of Section D.5 or Section D.6 of this Article.

4. The decision of the arbitrator shall be final and binding upon the parties, but the Arbitrator shall have no authority to add to, subtract from, or modify this Agreement.

5. The arbitrator’s fees shall be shared equally by the Association and the University, but each party shall bear its own cost of presenting its case to the Arbitrator and for ordering transcripts. The arbitrator shall have authority to award the mutually-incurred costs of the arbitration to the University if it is found that the appeal to arbitration was frivolous, and the arbitrator shall have the authority to award such costs to the Association if it is found that the University’s position in denying the grievance was frivolous, or that the grievance was denied for the clear purpose of harassment or delaying redress of the grievance.

F. RIGHTS OF THE ASSOCIATION

1. A representative of the Association shall be given an opportunity to be present at any meeting(s) which the University holds with a grievant regarding a grievance, regardless of whether the grievant wants such a representative(s) present.

2. The Association representative shall be permitted to represent the grievant when requested to do so by the grievant and, in any event, to represent and to speak on behalf of the Association’s particular point of interest in connection with the grievance.

3. A copy of documents and correspondence exchanged between the University and the grievant with respect to a grievance, excluding any official transcripts made, shall be made available to the Association upon written request, and the Association shall be obligated to reimburse the University for such copies as are provided.
G. SETTLEMENT

Any settlement, withdrawal or disposition of a grievance other than an arbitrator's decision shall not constitute a binding precedent for the settlement of similar grievances in the future, unless the University and the Association so agree in writing.

Settlement agreements (including implementation date(s) if relevant) shall be signed by the grievant, the Association, and the University.

H. MISCELLANEOUS

1. Time periods provided for each level of appeal shall begin on the day following receipt by the parties of the written decision or the expiration of the period of review at the prior level, whichever is earlier.

2. No record of grievance(s) shall be kept in the official personnel file of any of the participants.

3. The parties will make every reasonable effort to present all the evidence upon which they rely in support of their position with respect to a grievance at the earliest possible step of the grievance and arbitration procedure. Submission of new evidence at a later step may, if circumstances warrant, be grounds for extending (by not more than five (5) days) the time limits for filing an appeal or for submitting a decision; and submission of new evidence at the arbitration stage may be grounds for adjourning the hearing if the arbitrator determines that such adjournment is warranted.

I. ASSOCIATION OR UNIVERSITY AS GRIEVANT

If the Association or the University is the grievant, the parties shall meet to resolve the matter in the manner provided in the Article on Consultation. If the complaint or grievance is resolved by the parties, the resolution shall be reduced to writing and signed by the parties within ten (10) days of the meeting on the complaint or grievance. If the complaint or grievance is not resolved, the complaining or grieving party may take the matter to arbitration in the manner and within the time limits provided.

IMPLEMENTING FORMS for this Article appear in Appendix A.
ARTICLE I - MANAGEMENT RIGHTS

The parties agree that, except where specifically limited by the provisions of this Agreement, the University retains the sole right to manage the University, direct its employees, and exercise all rights listed in Section 1-618.8(a) of the D.C. Code.

Section 1-618.8(a) states as follows (with editorial changes to reflect the fact that the "agency" referred to in Section 1-618.8(a) in this case is the University, and that the "employees" are faculty members):

(a) The University shall retain the sole right, in accordance with applicable laws and rules and regulations:

(1) To direct faculty members;

(2) To hire, promote, transfer, assign and retain faculty members in positions within the University and to suspend, demote, discharge or take other disciplinary action against faculty members for cause;

(3) To relieve faculty members of duties because of lack of work or other legitimate reasons;

(4) To maintain the efficiency of the District government operations entrusted to them;

(5) To determine the mission of the University, its budget, its organization, the number of faculty members and the number, types and grades of positions of faculty members assigned to an organization unit, work project or tour of duty, and the technology of performing its work; of its internal security practices; and

(6) To take whatever actions may be necessary to carry out the mission of the University in emergency situations.

ARTICLE XI - DISCIPLINARY/ADVERSE ACTION

A. PRINCIPLES

1. The standards and procedures set forth in this Article shall be the sole and exclusive means by which a disciplinary or adverse action may be brought against a faculty member covered by this Agreement. Notwith-
standing the foregoing, any procedural requirement of this Article, including but not limited to the requirement that any hearing and all proceedings be confidential, may be waived or modified upon the express written agreement of the affected faculty member, the Association and the University.

2. A "disciplinary or adverse action" shall be defined as a written reprimand, suspension or dismissal. "Corrective action" shall be defined as any action less severe than a written reprimand, including but not limited to oral or written warnings and counseling, and shall not constitute disciplinary or adverse action for purposes of this Article.

3. A faculty member may be subject to disciplinary or adverse action only for cause, which for the purposes of this Article shall be defined as either professional misconduct or a pattern of dereliction of duties or responsibilities.

   It is the intent of the parties that cause, as defined in the contract, shall be synonymous with that set forth in Section 1-617.1 of the D.C. Comprehensive Merit Personnel Act (D.C. Code 1981 edition).

4. Recognizing that no level of dereliction of responsibilities or professional misconduct is acceptable within the University community, the University and the Association agree that corrective, disciplinary or adverse action shall be promptly initiated whenever such conduct is identified. Where appropriate to the circumstances and taking into account the best interests of the University community, discipline or adverse action shall be progressive.

5. The University shall carry the burden of proof by clear and convincing evidence in all proceedings for disciplinary or adverse action under this Article.

6. Recognizing the importance of early corrective action in avoiding the necessity for the imposition of disciplinary or adverse action, the University and the Association agree that where appropriate to the circumstances a faculty member will be warned and/or counseled before disciplinary or adverse action is initiated.

7. The impositions of specific disciplinary or adverse action shall be commensurate with the nature and severity of the offense. The sanction of termination
may be imposed only in cases of (a) gross professional misconduct, conviction of a felony or crime of moral turpitude, or fraud in the securing of employment or promotion, or (b) professional misconduct, or a pattern of dereliction of duties or responsibilities, for which the faculty member was previously suspended.

8. Any disciplinary or adverse action shall be initiated not later than 90 calendar days after the occurrence of the event precipitating the action or within 90 calendar days of the date the responsible University official (at the level of Department Chair or above) knew or reasonably should have known of the event, whichever is later.

B. INITIATION OF ACTION

1. Disciplinary or adverse action shall be preceded by a discussion between the faculty member and a University administrator. Following such discussion, the administrator may terminate the matter, issue an oral or written warning to the faculty member, or initiate disciplinary or adverse action proceedings under this Article by issuing a written reprimand to the faculty member or by recommending to the Vice President for Academic Affairs the suspension or termination of the faculty member.

2. Where a written reprimand is issued, the faculty member may request that the action be reviewed by the Vice President for Academic Affairs, who shall review the action and issue a determination within 30 days of receipt of a written request for such a review. The Vice President for Academic Affairs may either uphold the written reprimand or direct that it be expunged. Unless the Vice President for Academic Affairs directs otherwise, a written reprimand shall be expunged ninety (90) days after its issuance. A faculty member who receives a written reprimand that is not to be expunged within ninety (90) days after its issuance shall have available the same appeal rights as are available upon a recommendation of suspension or termination.

3. Where a suspension or termination is recommended, the Vice President for Academic Affairs or his or her designee shall conduct an informal inquiry, the purpose of which shall be to determine whether, in his or her opinion, the facts merit the imposition of such sanctions. In the conduct of the informal inquiry, the Vice President for Academic Affairs or his or her designee shall, at the request of the faculty member, consult with said faculty member, and may consult with
the department chair or head and the Dean or Director of the unit involved. If, upon the conduct of the informal inquiry, the Vice President for Academic Affairs determines that the sanctions of suspension or termination are not warranted, he or she shall terminate the matter with prejudice, impose a written reprimand, or provide for the use of corrective action.

4. Pending action on a recommendation by an administrator that a faculty member be suspended or terminated, the Vice President for Academic Affairs may place the faculty member on administrative leave with pay if, in the judgement of the Vice President for Academic Affairs, the continued presence of the faculty member poses a clear and present danger to the health or safety of the University community or any member thereof, or is contrary to the welfare of the University. The faculty member may appeal such action to the President, who will review the circumstances and, within two working days of receipt of a written request for review, determine whether to uphold the imposition of administrative leave or direct that the faculty member be returned to normal duties. In the event the President fails to act on a request for review within two working days, the faculty member shall be returned to normal duties pending review of the action by the President. The placement of a faculty member on administrative leave with pay is not subject to grievance or arbitration.

5. In the event the Vice President for Academic Affairs determines that suspension, termination, or a written reprimand not to be expunged within ninety (90) days after its issuance is warranted by the facts, he or she shall provide the faculty member with a written statement of cause, which shall describe with specificity the conduct upon which the proposed sanction is based, together with a description of the rights of the faculty member to appeal the action, the available alternatives through which an appeal may be taken and his or her right to assistance by a representative of his or her choice throughout such proceedings.

6. A faculty member shall have ten (10) working days from actual receipt of the statement of cause within which to initiate appeal of the action. If an appeal is not taken prior to the expiration of this period, the sanction shall become immediately effective and shall not be subject to grievance or arbitration.
C. APPEAL AND REVIEW

A faculty member charged with an offense for which the Vice President for Academic Affairs has recommended either suspension, termination, or a written reprimand not to be expunged within ninety (90) days after its issuance may, at his or her option, proceed under Section 1 or 2 below.

1(a). The faculty member may appeal directly to the President, who may conduct such inquiry as he or she may deem appropriate and shall, within thirty (30) days of the receipt of a written request for an appeal, either sustain the recommended penalty, modify it to a lesser disciplinary or adverse action, use corrective action, or dismiss the matter.

(b). The action of the President, if it entails a suspension, termination or written reprimand not to be expunged within 90 days after its issuance, may be appealed by the Association to arbitration in accordance with the "Grievance Procedure and Arbitration" article.

2(a). A faculty member charged with an offense for which the Vice President for Academic Affairs has recommended suspension, termination, or a written reprimand not to be expunged within ninety (90) days after its issuance may request review by a Hearing Panel.

(b). The Hearing Panel shall consist of three persons who shall be chosen as follows. Within ten days of receipt of the request for review, the President shall appoint one member, the faculty member shall appoint another member, and the University shall ask the Federal Mediation and Conciliation Service for a list of ten arbitrators from the Washington Metropolitan area with experience relative to the matter at issue. When the University receives the list, it will promptly forward copies to the two individuals selected to serve on the Hearing Panel. These individuals will endeavor to select one of the arbitrators on the list as the Chair of the Hearing Panel by mutual agreement. Failing mutual agreement, they will alternately strike names from the list, with the member appointed by the faculty member striking first, and the last remaining name shall be selected as the Chair of the Hearing Panel.
Within ten days of the selection of the Chair of the Hearing Panel, the University will notify in writing the individual selected of the need for his or her services. If the individual selected is unwilling or unable to serve for any reason, the two members of the Hearing Panel (chosen by the President of the University and the faculty member as per the above paragraphs) will try to agree on who will serve as the Chair from the remaining names on the list. Failing such agreement, the individual who was the last one stricken from the list under the procedures set forth in the above paragraph shall be the Chair. Except as otherwise provided herein, the hearing will be scheduled and conducted in accordance with FMCS rules.

The faculty member may appear at the hearing or may waive appearance and respond to the charges in writing.

The faculty member may be accompanied, assisted and/or represented by another person, including counsel.

The University shall appear at the hearing and be represented by a person designated by the President.

The Chair of the Hearing Panel shall preside at the hearing and over any deliberations of the panel.

The Hearing Panel will not be bound by strict rules of legal evidence, and may admit any evidence which is relevant and material to the issues involved. Questions as to the admissibility of evidence shall be decided via majority vote of the members of the Hearing Panel.

The University, having the burden to prove the charge against the faculty member by clear and convincing evidence, shall first present its evidence including the production of documents and the examination of witnesses, who may be cross-examined by the faculty member.

The Hearing Panel will evaluate all evidence admitted at the hearing and base its findings solely on the hearing record.
(k). The hearing and all proceedings and records shall be confidential.

(l). A verbatim record of the hearing will be taken, which may be in the form of an audio recording.

(m). If the Association does not represent the faculty member at the hearing, it shall have a right to have a representative present throughout the proceedings, and may, at the conclusion of the presentation of the evidence by the University and the faculty member, address the Panel with regard to matters pertaining to the administration of this Agreement.

(n). Upon the conclusion of the presentation of evidence, the examination of witnesses and concluding statements, and the submission of any post-hearing briefs, the Hearing Panel shall provide the President, the Association, and the faculty member with a written decision, which shall include its factual findings and conclusions. Any member of the committee may submit to the President, the Association, and the faculty member a separate statement dissenting or otherwise commenting on any aspect of the report. If a majority of the Panel determines that the facts do not support the charge, the proceeding shall be terminated and the charge dismissed with prejudice. If a majority of the Panel determines that the facts support the charge, it shall so certify to the President, the Association, and the Faculty member in its decision.

(o). The President shall review the Panel's report and any separate statements submitted by members of the Panel and, based upon his or her review of the facts and circumstances of the case, either sustain the sanction recommended by the Vice President for Academic Affairs, reduce it to a lesser sanction, use corrective action, or dismiss the charge.

(p). The decision of the President shall be final and shall not be grievable or arbitrable, provide that procedural defects shall remain subject to the "Grievance and Arbitration" Article.

(q). The University shall bear the mutually incurred costs of the proceedings, including but not limited to the fee of the Chair of the Hearing Panel and the cost of preparing the verbatim
record required by subsection 1 above, but the faculty member shall bear the cost of presenting his or her case to the Hearing Panel.

D. ASSOCIATION PARTICIPATION

Upon written request of the faculty member the Association may, if it determines to do so, represent the faculty member at any stage of the proceedings provided for in this Article subsequent to the University's receipt of such written consent, including but not limited to all discussions, meetings, hearings and written submissions provided for in Section B, paragraphs 1-6, and Section C, paragraphs 1 and 2. The decision of the Hearing Panel (or the decision of the President upon review of the decision of the Hearing Panel) shall not constitute a precedent for purposes of the interpretation or application of this Agreement. At any stage of the proceedings provided for in this Article at which the Association does not represent the faculty member, the Association shall be given a copy of any written communication between the faculty member and the University that is exchanged.

ARTICLE XII - CONSULTATION

The Administration and the Association agree to meet at the request of either party to discuss matters pertinent to the implementation or administration of the Agreement, or a proposed action which would impact on terms and conditions of employment. The meeting(s) shall be held within ten (10) days of receipt of a written request for such meeting(s). The request shall contain an agenda of items to be discussed. Either party shall provide the other with relevant documents sufficiently in advance of the meeting(s). The parties understand and agree that such meetings shall not constitute or be used for the purpose of negotiations, or for the purpose of discussing matters in the nature of grievances except those matters in which the Association or the University is the grievant. In case there is any disagreement between the parties regarding an action, a good faith effort shall be made to resolve the same.
ARTICLE XIII - ACADEMIC FREEDOM/ACADEMIC RIGHTS AND RESPONSIBILITIES

A. ACADEMIC FREEDOM

The parties agree that academic freedom is essential to the fulfillment of the mission of the University. Therefore, the parties reaffirm the basic principles of academic freedom, to wit:

A member of the faculty is free:

1. To teach and to discuss in class any aspect of a topic pertinent to the understanding of the subject matter of the course being taught;
2. To conduct research and publish the results;
3. To act and to speak in one's capacity as a citizen without institutional censorship or discipline; and
4. To manage their classroom in ways that are consistent with the stated goals of the University.

B. ACADEMIC RIGHTS AND RESPONSIBILITIES

Recognizing that academic freedom is accompanied by a corresponding concept of responsibility to the University and its students, the following shall apply:

1. Individual faculty members shall have the right and responsibility to participate, collectively and individually, in the development of course syllabi and the selection of textbooks, consistent with academic needs, established course descriptions, and established departmental and university standards. Within fiscal constraints, faculty are entitled to freedom in the selection of non-textbooks, audiovisual aids, library materials, and other teaching aids.

2. Any research funded by the University shall be the property of the University. However, rights to research performed under a summer research grant may be repurchased by the faculty member.

3. Faculty members shall have the sole responsibility to evaluate and grade students in their classes as long as such evaluation and resulting grade are consistent with established criteria and can be justified by the instructor's records and professional judgement.
4. Departmental faculty shall have the collective right and responsibility for formally recommending their majors as candidates for graduation.

ARTICLE XIV - UNIVERSITY TENURE

The University, as a public land-grant institution, recognizes and supports the concept of tenure. The granting of tenure to a bargaining unit member shall not constitute relief from the application of the full provisions of this Agreement.

ARTICLE XV - EVALUATION PROCEDURE

A. GENERAL PROVISIONS

1. The University's evaluation procedure is designed to provide an annual assessment of the performance of each faculty member. This assessment is to be used by the faculty member as a basis for maintaining or improving the quality of his or her performance, and by the University as a basis for making employment decisions.

2. A faculty member may be rated as "Less than Satisfactory" (which means that he or she failed in significant respects to meet the generally expected level of performance under the applicable criteria); "Competent" (which means that he or she met the generally expected level of performance under the applicable criteria); "Above Average" (which means that he or she exceeded the generally expected level of performance under the applicable criteria); and "Excellent" (which means that he or she substantially exceeded the generally expected level of performance under the applicable criteria).

3. There shall be no pre-set distribution of ratings (i.e., quotas) among the aforesaid four categories in any department or University-wide. Evaluation is an individual, not a comparative process, and each faculty member shall be evaluated on his or her own merits.

4. The quality of a faculty member's performance, not the quantity, shall be the determinative consideration.

5. The Teaching and Job Related Responsibilities criterion for teaching faculty members shall be based on the faculty member's performance during the Spring and Fall Semesters, and activities engaged in by a faculty
member during the Summer Semester shall not be considered for purposes of this criterion. Such Summer Semester activities may be considered only in connection with the Scholarship and Professional Growth, University Service, and Public Service criteria.

B. DEPARTMENTAL EVALUATION AND PROMOTION COMMITTEE

1. On or before September 1 of each academic year, a Departmental Evaluation and Promotion Committee ("DEPC") shall be established in each department of the University. The DEPC shall consist of 3 members in departments with 7 or less full-time permanent faculty members; 5 members in departments with 8 to 15 full-time permanent faculty members; and 7 members in departments with 16 or more full-time permanent faculty members. The members of the DEPC shall be full-time permanent faculty in the department, and shall be elected by a vote of full-time permanent faculty members in said department to serve for the academic year in question. The Department Chairperson shall not be a member of the DEPC, nor shall he or she vote in the election for DEPC members. When a DEPC cannot be established in the manner provided above, the Department Chairperson and the Association President shall make arrangements to establish through other appropriate means a DEPC that is designed to meet the intent of this Section.

2. Except for the quorum requirements (which shall be 3 for a 3-member DEPC; 4 for a 5-member DEPC; and 5 for a 7-member DEPC), each DEPC shall establish its own rules of procedure, including selection of a chairperson.

3. On or before October 1 of each academic year, and at such other times as may be appropriate, the DEPC shall make itself available to any individual faculty member who wishes to obtain guidance as to how the evaluation criteria shall apply to him or her during the academic year in question.

C. CRITERIA FOR EVALUATION

The criteria to be used for evaluating the performance of a faculty member, and the relative weight to be given to each criterion, are as follows:

Each DEPC shall establish its own guidelines for the consideration of student evaluations as provided under Section E below, which guidelines will be made available to all faculty in the Department.
E. STUDENT EVALUATIONS

1. Recognizing the importance of effective student participation in the evaluation process, prior to the last regularly scheduled class session in each course that a faculty member is teaching, the DEPC shall afford the students in said course an opportunity to complete a Student Course Assessment form, a copy of which is attached as Appendix . (An appropriate explanatory cover memorandum, agreed to by the parties, shall be attached to the Student Course Assessment form.)

2. The Chair shall arrange for the statistical analysis of all Student Course Assessment forms. Upon request, the Chair shall provide the DEPC with access to the statistical analyses and the completed forms. After the submission of grades for the course in question, the Chair shall provide the faculty member with a copy of the statistical analysis for each course taught by the faculty member and, if so requested, by the faculty member, a copy of the Student Course Assessment forms for such course.

F. EVALUATION AND DECISION BY DEPARTMENT CHAIRPERSON

1. Each DEPC shall, in consultation with the Department Chairperson, adopt such written guidelines as it deems appropriate for evaluating the faculty members in the department on the basis of the criteria set forth in Section C above.

2. On or about April 1 of the academic year in question, the DEPC shall submit to the Department Chairperson for each faculty member in the department a completed Faculty Member Evaluation Form which shall include the DEPC's recommendation as to whether the faculty member should be rated as "Less than Satisfactory", "Competent", "Above Average", or "Excellent". (A sample of the Faculty Member Evaluation Form is attached to this Agreement.) Upon consideration of the Faculty Member Evaluation Form, the criteria set forth in Section C, and such other information as he or she deems relevant (e.g., the statistical compilation of the Student Course Assessment forms), the Department Chairperson shall rate the faculty member as "Less than Satisfactory", "Competent", "Above Average", or "Excellent". If the rating given by the Department Chairperson is less favorable to the faculty member than the recommendation made by the DEPC, the Department Chairperson shall attach to the Faculty Member Evaluation Form an addendum, which sets forth in specific terms the basis...
for his or her disagreement with the DEPC.

3. By April 15, the Department Chairperson shall give a copy of the Faculty Member Evaluation Form, and any addendum prepared by the Department Chairperson in accordance with paragraph 2 above, to the faculty member and the DEPC. The faculty member and the Department Chairperson shall meet promptly thereafter to discuss the faculty member's evaluation, unless both the Department Chairperson and the faculty member agree to waive such meeting. At the invitation of either the Department Chairperson or the faculty member, the Chairperson of the DEPC shall attend this meeting.

4. In addition to the annual evaluation provided for in paragraphs 2 and 3 above, an interim evaluation, covering only the Fall Semester, shall be conducted for each first year faculty member. This interim evaluation shall follow the aforesaid procedures, provided that the April 1 and April 15 dates shall be changed to January 15 and January 30, respectively. The purpose of the interim evaluation shall be to assist the faculty member in adjusting to his or her new position, and shall not be used by the University as the basis for employment decisions. The interim evaluation shall not be subject to appeal under Section F or G of this Article.

5. If an individual is employed as a full-time faculty member after the commencement of an academic year, he or she shall be evaluated in accordance with the procedure set forth in paragraphs 2 and 3 and/or 4 above for that portion of the year during which he or she is employed.

6. Faculty members who are on an authorized leave of absence shall be exempt from the provisions of this Article for the period of such leave.

G. APPEAL TO DEAN

1. A faculty member shall have ten (10) working days from the meeting with the Department Chairperson, or from the receipt of the Faculty Member Evaluation Form from the Department Chairperson if the meeting has been waived, to file an appeal with the Dean. If the faculty member does not appeal the decision of the Department Chairperson within the aforesaid ten (10) day period, said decision shall not be subject to further review under this Agreement.
2. If the faculty member wishes to appeal the decision of the Department Chairperson, he or she shall, within the aforesaid ten (10) day period, send a Notice of Appeal, using a copy of the form which is attached hereto, to the Dean, with a copy to the Department Chairperson, setting forth the specific basis for his or her challenge to said decision.

3. The Dean shall take such steps as he or she deems appropriate to dispose of the appeal, and shall meet with the faculty member unless the faculty member waives his or her right to such a meeting. Within thirty (30) days after receipt of the Notice of Appeal, the Dean shall issue his or her decision, either sustaining or modifying the decision of the Department Chairperson. The Dean's decision shall be in writing, and shall include the Dean's findings and conclusions. A copy of the Dean's decision shall be sent to the faculty member and to the Department Chairperson.

H. APPEAL TO PROVOST/VICE PRESIDENT FOR ACADEMIC AFFAIRS

1. The faculty member shall have ten (10) working days after receipt of the Dean's decision to file an appeal with the Provost/Vice President for Academic Affairs ("VPAA"). If the faculty member does not appeal the decision of the Dean within the aforesaid ten (10) day period, said decision shall not be subject to further review under this Agreement.

2. If the faculty member wishes to appeal the decision of the Dean, he or she shall, within the aforesaid ten (10) day period, send a Notice of Appeal, using a copy of the form which is attached hereto, to the VPAA, with a copy to the Dean, setting forth the specific basis for his or her challenge to said decision.

3. The VPAA shall take such steps as he or she deems appropriate to dispose of the appeal. Within thirty (30) days after receipt of the Notice of Appeal, the VPAA shall issue his or her decision, either sustaining or modifying the decision of the Dean. The VPAA's decision shall be in writing, and shall include the VPAA's findings and conclusions. A copy of the VPAA's decision shall be sent to the faculty member, the Dean, and the Department Chairperson. The decision of the VPAA shall be final and not subject to further review under this Agreement.
I. PERFORMANCE IMPROVEMENT PLAN

If a faculty member's final rating for the previous academic year was "Less than Satisfactory," the Department Chairperson, in consultation with the faculty member, shall develop a plan for the current academic year to assist the faculty member in improving the quality of his or her performance. A copy of said Performance Improvement Plan shall be submitted to the DEPC.

J. ASSOCIATION REPRESENTATION

If requested to do so by a faculty member, the Association may, at its discretion, represent said faculty member in the appeal to the Dean provided for in Section F and/or in the appeal to the VPAA provided for in Section G. If the Association does not represent the faculty member in one or both of the aforesaid appeals, the Dean or the VPAA, as the case may be, shall notify the Association in writing of such appeal, and make available to it upon request copies of all documents exchanged between the parties, including without limitation Notices of Appeal and decisions, as soon as said documents are available.

K. RESERVATION OF RIGHTS

Nothing contained in this Article shall be construed to prevent a faculty member from exercising any right that he or she may have under law to challenge any aspect of his or her evaluation. Notwithstanding the foregoing, the parties agree that a procedural defect in the evaluation process shall be subject to the grievance and arbitration procedure of Article IX of this Agreement.

ARTICLE XVI - PROMOTION PROCEDURES

A. Principles

1. Promotion refers to the advancement from one academic rank to a higher rank. Promotion shall be the result of a selective process to identify the candidates from among the eligible regular full-time faculty. It is awarded in recognition of the professional stature achieved by an individual as assessed in relation to one's contributions to the three-fold mission of the University, namely teaching, research, and service.

While the scrutiny of the scholarship and professional activity of an individual will be rigorous regardless of the academic rank for which a faculty member is
being considered, the expectations will necessarily vary with the academic rank sought. Thus, the expectations for promotion to the rank of Assistant Professor will be less than those for the rank of Professor.

2. The following shall form the parameters for assessing applicants for promotion:
   a. Academic, scholarly, and service achievements;

3. Assessment of promotion applications will be based on uniformly administered principles, procedures, and criteria which have been designed to ensure fair and impartial judgments. Consistent with the provisions of this Article, it shall be the responsibility of the Administration to disseminate to the faculty at the beginning of each academic year the guidelines and procedures for applying for promotion and the established criteria for promotion together with the weights and standards applicable to the criteria for the academic year.

4. Faculty members applying for promotion must meet the following requirements of minimum eligibility.

   (i) For the last three evaluations at least one Excellent rating and none less than Above Average or at least two Excellent ratings one of which shall be the most recent;

   (ii) Met the required amount of time in lower rank by August 16 of the submitting year as shown below.

   (iii) Met the degree requirements by September 15 of the submitting year as shown below.

</table>

It is understood that the foregoing represent only minimum eligibility requirements. Whether a faculty member who satisfies these eligibility requirements is promoted will be determined with reference to the degree to which he or she meets the applicable criteria as applied in accordance with this Article.

5. The University shall budget annually an amount at least equal to 1% of the salary of bargaining unit faculty for use in funding promotions for bargaining unit members.
6. The faculty member applying for promotion has the right to have his or her scholarship judged by persons who are competent to do so.

7. In the development of University promotion standards and weights, recognition shall be given to rating(s) awarded for previous application(s) for promotion.

B. Promotion Committees

1. Department Evaluation and Promotion Committee (DEPC)

See Article XV, Evaluation Procedures, for structure.

2. College Promotion Committee (CPC)

This Committee is a group of full-time faculty members in a college, consisting of one representative from each department in the college. The Learning Resources Division shall be considered a college within the context of this Article. Each department shall elect its representative by the second Friday in February.

1. Not later than the first Friday in May of each year, the Provost/VPAA shall forward to each CPC the University criteria for promotion in effect for the coming academic year. It is agreed between the parties that for the duration of this Agreement, said criteria shall be the criteria presently set forth at DCMR Sections 1413, 1414, and 1415.

2. Based upon such criteria, each CPC shall develop recommended standards and weights to be used in assessing applicants for promotion, which shall include a formula for giving credit to faculty reapplying for promotion whose ratings for the previous year(s) was (were) "strongly recommended." Each CPC shall submit its recommendations to the applicable Dean no later than the third Friday in March. A copy of the CPC's recommendation shall be submitted to the Faculty Association, which may submit comments thereon to the Dean. The Dean shall review the CPC recommendations and any comments received from the Association and forward them, together with his or her comments, to the UPC no later than the second Friday in April.
3. **University Promotion Committee (UPC)**

Membership on this committee shall be limited to the chairpersons of the various CPC's, the respective deans, and a representative of the Faculty Senate. The Provost/VPAA shall serve as chair of the Committee. Using the various CPC recommendations and comments, and consistent with University policies and criteria applicable under this Article, the UPC shall establish University-wide promotion standards and weights, which shall remain in effect for the duration of this Agreement. Such standards and weights shall include a formula for giving credit to faculty reapplying for promotion whose rating(s) for the previous year(s) was (were) "strongly recommended." In recognition of the differing missions of the several colleges of the University, the Committee may, with the VPAA's approval, establish differential standards and weights for different colleges.

4. **University-wide Review Committee (URC)**

The Committee (URC) shall consist of one faculty member holding the rank of professor from each of the colleges, appointed by the Faculty Senate in such fashion as it shall deem appropriate. The URC shall (i) hear appeals of applicants who have been declared ineligible and as provided below render binding rulings on those appeals and (ii) advise the Provost/VPAA on appeals at that level.

**C. Procedures**

1. An applicant for promotion shall submit his or her application with supporting documents to the Department Chair no later than the second Friday in September. The application is to be filed on Form P-1, a copy of which is annexed to this Agreement. The Department Chair shall issue a receipt to the applicant for the materials submitted.

2. The Department Chair shall promptly review the records and certify whether the applicant meets minimum eligibility requirements as outlined in Paragraph B above. The Department Chair shall send notice of eligibility to the DEPC, with a copy to the applicant, by the third Friday in September. If a faculty member disagrees with the minimum eligibility determination given, or if the Department Chair fails to send the notice of eligibility by the indicated date, the faculty member may within five (5) working days after receipt of said notice, or after the third Friday in September if said
notice is not received by that date, file a written request for a determination of eligibility by the URC. The URC shall notify the faculty member of its decision by the fourth Friday in October with a copy to the Department Chair, in which case the URC's decision shall be final and not subject to grievance or arbitration under this Agreement. No final action on promotion will be taken absent a final determination with respect to eligibility.

3. The Department Chair shall review the documents and make a recommendation no later than the fourth Friday in October as to whether or not an applicant should be promoted. The chair shall rank the applicants separately for each academic rank. The following ratings shall be used: (i) Strongly Recommended; (ii) Recommended; (iii) Not Recommended. The Chair is required to state reasons for the given rating. This rating shall be made on Form P-2, a copy of which is annexed to this Agreement. The Chair shall promptly send a copy of this form to the CPC Chair and to the applicant and forward the original of the form and all supporting documents to the DEPC.

4. The DEPC shall review the application with all the supporting documents and make a recommendation no later than the third Friday in November as to whether or not the applicant should be promoted. The DEPC shall rank the applicants separately for each academic rank. The following ratings shall be used: (i) Strongly Recommended; (ii) Recommended; (iii) Not Recommended. The Committee is required to state reasons for the given rating. This rating shall be made on Form P-3. The Committee shall send the form along with all supporting documents to the Chair of the CPC no later than the first Friday in December, with a copy of the form to the applicant.

5. The applicant may submit to the CPC comments on the decision of the Department Chair and/or the DEPC no later than the first Friday in January.

6. The CPC shall review the materials of all the applicants along with the comments submitted by the applicants, if any, and make a recommendation as to whether or not an applicant should be promoted. The CPC may hold such interviews or hearings as it deems necessary to make a recommendation. The Committee shall rank the applicants separately for each academic rank. The following ratings shall be used: (i) Strongly Recommended; (ii) Recommended; (iii) Not Recommended. The Committee is required to state reasons for the given rating.
rating. The Committee shall complete its reviews by the first Friday in February and shall promptly forward its recommendations, assigned rankings and all supporting materials to the Dean, with a copy of the recommendation to the faculty member.

7. The Dean shall review all the information received and shall rank the applicants separately for each academic rank giving one of the following ratings: (i) Strongly Recommended; (ii) Recommended; (iii) Not Recommended. The Dean shall state reasons for the given rating. This rating shall be made on Form P-5. The Dean shall forward the recommendations for all applicants together with all the supporting materials for the college's recommended candidates to the Provost/VPAA no later than the fourth Friday in February. A copy of the rating, with reasons, and rank assigned to the promotion application shall be simultaneously provided to each applicant.

8. The applicant may appeal the recommendation of the Dean to the Provost/VPAA within five (5) working days of receiving the Dean's recommendation. The Provost/VPAA shall convene the URC and shall submit to it all appeals and all relevant supporting documents no later than the second Friday in March. The URC shall conduct such review and make its recommendations to the Provost/VPAA no later than April 1. The Provost/VPAA shall review the recommendations of the Dean together with the recommendations of the URC and make an independent recommendation to the President no later than April 10. A copy of the VPAA's recommendation shall be sent simultaneously to the applicant and to the Association.

9. Promotion applicants not included on the listing of University candidates for promotion but who were strongly recommended for promotion by their CPC or recommended by the URC may appeal to the President within five (5) working days after receiving the listing of University candidates for promotion. The applicant shall have the right to meet with the President within two (2) weeks after the filing of said appeal. The President shall consider the recommendations and reports of the VPAA, CPC and URC, if any, and render a decision within five (5) working days after the meeting, or if no meeting is held, within ten (10) working days after the filing of the appeal. The President shall include the reasons for his decision in writing and provide a copy to the applicant as well as the Association. The decision of the President shall not be subject to Article IX (Grievance Procedure and
Arbitration) of this Agreement. Nothing contained in this Article shall constitute a waiver by the Association or any member of the bargaining unit of any right that it or he or she may have under D.C. law.

10. The faculty member’s personal portfolio submitted as supporting documentation shall be returned within sixty (60) calendar days after promotions have been announced unless it is necessary to retain them for an appeal in process. It is the responsibility of the faculty member to retrieve this material from the Dean’s office within thirty (30) days of the above date.

IMPLEMENTING FORMS for this Article appear in Appendix C.

ARTICLE XVII - WORKLOAD

PREAMBLE

Faculty responsibilities fall into two distinct categories -- those specifically assigned by the administration and those undertaken by the selective choice of the individual faculty member in the areas of scholarship and professional growth and service, either University or community. In recognition of the responsibilities expected to be undertaken in the areas of scholarly activities and service, the University limits its assigned workload so as to leave a faculty member free the equivalent of one full day per week. The University may, however, include scholarly or service activities as part of an individual’s assigned workload. In these instances, the activity will be reflected in the workload as "Authorized University Activity." (See subsection A.4.g below for valuation of such activities.)

A. Teaching Faculty

The chair, with the dean’s approval, and after consulting with the individual faculty member (unless the faculty member is unavailable), shall have the right to change such assignments for reasons related to the cancelling or adding of classes, enrollment shifts, or other appropriate reasons, provided, however, that if, less than thirty (30) days prior to the start of the semester, a faculty member who has been assigned to teach a particular course is relieved of that assignment and is required to teach another course that he or she has not taught within the previous two (2) years, the affected faculty member shall be awarded one (1) additional pu.

Individual workload assignments shall be made by the department chairperson in consultation with the individual faculty member and approved by the director. The chair, after consultation with the faculty member (unless the faculty member is unavailable), and with the director's approval, may modify the work assignments as required by changed circumstances.

The problem must have been suddenly precipitated, must be of such a nature that preplanning was not possible, or when preplanning could not relieve the necessity for the faculty member’s absence.

2. If leave is required beyond one day, it is expected that the faculty member will apply for some other type of leave either with or without pay as may be appropriate to the circumstances.

If, after reporting for jury duty, it is determined that the faculty member's services are not required and the person is dismissed, if time permits, the person is required to return to work. If the person is paid for jury duty, the check must be endorsed to the University unless the individual has been granted a leave of absence without pay.

3. A faculty member who is summoned by subpoena to appear as a witness in a court action shall be permitted to be absent from duties as required by such subpoena, without loss of pay and without charge against any leave. If the person is paid for services as a witness, the check must be endorsed to the University unless the individual has been granted a leave of absence without pay.

IMPLEMENTING FORMS for this Article appear in Appendix D
ARTICLE XX - TRANSFERS

A. Definition: As discussed in this Article, a transfer shall mean the reassignment of a faculty member from a full-time faculty position in one department to a full-time faculty position in another department.

B. When the needs of the University necessitate the transfer of a faculty member, the following factors shall be considered in making the decision: (1) the individual's qualifications; (2) recommendations of involved departments; and (3) seniority. However, seniority shall be applied in the following manner: In case the transfer is made at the request of faculty members, more senior qualified persons will be given priority over less senior qualified persons. If the transfer is involuntary, faculty with less seniority shall be transferred before those with more seniority provided the faculty with less seniority have the required qualifications.

C. Before an involuntary transfer is initiated, the University shall inform the University faculty of the need and shall invite volunteers for the position. Faculty who volunteer shall submit the request in writing to the Provost and Vice President for Academic Affairs with copies to the involved departments and dean(s) and the Association. Qualified volunteers shall be considered before initiating involuntary transfers.

D. In the event of a proposed transfer, the Provost and Vice President for Academic Affairs shall inform the involved faculty member and the Association with respect to the nature (if it is temporary, the expected duration), reason(s), and possible impact of the anticipated transfer at least thirty (30) days before any action is taken. Before a determination is made to transfer, the Provost and Vice President for Academic Affairs shall consult with the Association.

E. In the case of an involuntary transfer, the affected faculty member may appeal the proposed action to the President of the University. The President shall meet and discuss with the faculty member and the Association representative before any decision is made.

F. All transfers shall be documented on a Form 52 and signed by the President.

G. If the University determines that retraining is necessary for the transfer, the cost of such retraining shall be borne
by the University. The University agrees to consult with the Association and the involved faculty member concerning the need for retraining.

ARTICLE XXI - REDUCTION IN FORCE

A. Pursuant to Section 1-618.8(a) of the D.C. Code, the University expressly reserves the sole right "[t]o relieve employees of duties because of lack of work or other legitimate reasons." The University's exercise of this right shall not be subject to Article IX (Grievance Procedure and Arbitration) of this Agreement. Nothing contained in this Section shall constitute a waiver by the Association or any member of the bargaining unit of any right that it or he or she may have to challenge said exercise under law.

B. 1. Except as provided in subpart 2 below, the following procedures will be followed prior to implementing any RIF.

(a) At least 60 days before the Administration forwards a recommendation of RIF to the Board, the Administration will notify the Association of its intention to recommend a RIF and will inform the Association of the basis for its conclusion that a RIF may be warranted.

(b) The Administration will consider such response as the Association may submit, and if a response is submitted, will consult with the Association before forwarding any recommendation to the Board.

(c) If the Administration forwards a recommendation for RIF to the Board, the Association's response will be included in the submission, and a copy of the submission will be sent to the Association at the same time as it is sent to the Board.

(d) The Association may file a further statement to the Board, with a copy to the Administration, within 15 days of receipt of the Administration's submission. The Board will consider the Association's submission in reaching its final decision.

(e) If the Board contemplates initiating a RIF independent of Administration recommendation, the Board will notify the Association at least 60 days
before the meeting at which time proposed RIF action is to be taken and will inform the Association of the bases for the Board's conclusion that a RIF is warranted. The Board will consider such response of the Association as the Association may submit in advance of the meeting at which the proposed RIF action is to be taken.

2. If the welfare of the University so requires, the University shall not be required to follow the procedures set forth above, provided that the University will endeavor to follow said procedures to the extent possible consistent with the welfare of the University.

C. 1. Prior to recommending a RIF, the Administration shall consider alternatives such as normal attrition, retirement (both mandatory and early), resignations and transfer.

2. When transfer is utilized as an alternative to RIF, if the University determines that retraining is necessary, the cost of such retraining shall be borne by the University pursuant to Article XX, Paragraph G.

D. When a RIF becomes necessary, it shall be applied among faculty holding positions subject to RIF in inverse order by date of employment with the University. For faculty having the same period of service, RIF shall be applied as follows:

- Faculty of lower rank before faculty of higher rank.
- For faculty with the same rank RIF shall be applied as follows: Faculty paid at a lower step before faculty paid at a higher step.

For the purpose of this Article, date of employment is defined as the initial date of continuous employment as regular full-time faculty with the University or its predecessor institutions.

Time spent on any authorized leave with or without pay such as sabbatical leave, educational leave, and military leave shall count toward seniority.

A faculty member affected by a RIF may exercise seniority rights at the University by bumping the least senior faculty member occupying a position in a discipline in which the affected faculty member has received an advance degree qualifying a faculty member to teach courses offered in that discipline prior to the effective date of this Agreement, and has been assigned and taught in that discipline in an academic department at the University.
E. THE RETENTION LIST

1. A retention list which includes all employees having faculty status shall be prepared by the Office of Academic Affairs within ninety (90) calendar days after signing of this Agreement. The Retention List shall be updated annually thereafter and published no later than the second Friday in November.

2. The Retention List will note the faculty members' name, EOD date, department and other department(s) for which he or she is eligible in accordance with Section D of this Article.

3. Within ten (10) working days of its completion the Retention List shall be posted by the Office of Academic Affairs in each department office so that all faculty members may review the list. The list shall remain posted and be updated as necessary for the life of this Agreement.

4. A copy of the Retention List shall be sent to the Association Office as soon as it is ready for posting.

5. A faculty member shall have the right to challenge his/her position on this list. Such challenge shall be addressed in writing to the person designated by the President under Article VII.B. of this Agreement, who shall provide a copy of the challenge upon receipt to the Association.

6. The Provost/Vice President for Academic Affairs shall issue a decision within ten (10) working days after receipt of the challenge. If the challenge is denied or if a decision is not made within ten (10) working days, the faculty member may appeal through the grievance procedure.

F. A RIF'D EMPLOYEE LIST

A faculty member who is RIF'd shall be placed on a list to be known as a RIF'd Employee List and shall retain all prior rights accrued up to date. Each RIF'd employee's name shall remain on this list for a period not to exceed thirty-six (36) months from the date of its placement on the list. The most senior faculty member shall be the first name placed on the list.
G. PROCEDURES FOR REDUCTION-IN-FORCE (RIF)

1. The Administration shall notify the Association that the Board of Trustees has determined that reduction-in-force is to be undertaken. The notification shall provide details of the proposed RIF including the program(s) or department(s) to be affected and faculty positions which may be subject to the RIF, and shall also provide an impact statement.

2. The Administration shall consult with the Association prior to finalizing the plan regarding the impact of the RIF and then inform the affected faculty member and the Association of the final plan for RIF.

3. The University shall give Notice of Intent to RIF to the affected faculty members one academic year prior to the effective date. The University may find it necessary to forego one academic year's notice of intent to RIF. In such cases, the University shall consult with the Association on the matter. After such consultation with the Association, the University shall provide notice of at least four weeks with severance pay as follows:

   a. One academic year's compensation for those with two or more years of continuous service;

   b. One half of an academic year's compensation for those with less than two years of continuous service.

H. A RIF'd faculty member shall be offered reinstatement should a position for which the person is qualified, in accordance with section D of this Article, be reopened within the person's college within thirty-six (36) months of the date of the person's layoff. A reinstatement offer shall be based on the inverse order of reduction after giving consideration to programs needs.

1. A reinstatement offer shall be sent by certified mail to the last address registered by the individual with the Office of Personnel Management with a copy sent to the Association.

2. No appointment to fill that position with another will be made for thirty (30) calendar days following the receipt of such reinstatement offer unless the reinstatement offer is declined.
3. If a faculty member offered reinstatement does not accept the offer within thirty (30) calendar days from the date the offer is received or returned undelivered, the University shall have no further employment obligation to that person. If a faculty member who has given notice of intent to return is prevented from doing so because of illness, the individual shall have an extension of one semester to return to work.

4. A reinstated faculty member shall retain all credits for sabbatical leave, credit for previous years of experience with the University, and shall where applicable, be entitled to purchase post service credits for retirement in accordance with District regulations.

I. Except as expressly provided otherwise in this Article, nothing contained herein shall constitute a waiver of any right the Association may have to bargain with respect to any matter relating to a reduction in force.

ARTICLE XXII - NON-DISCRIMINATION/AFFIRMATIVE ACTION

The University shall comply with applicable laws regarding discrimination in employment and affirmative action. The parties agree that allegations of violations in this area must be presented to the University Affirmative Action officer and/or to an appropriate governmental agency and are therefore not subject to the grievance procedure of this Agreement.

ARTICLE XXVI - SAFETY AND HEALTH

The University has the responsibility for providing an environment that adequately protects the safety and health of all faculty members, and that is conducive to efficiency and productivity.
