Minutes

CPTSC
16th Annual Business Meeting
October 14, 1989
Rochester, New York

Marilyn Samuels, CPTSC president, called the meeting to order at 8:45 A.M. She thanked the Rochester Institute of Technology for hosting the conference and appointed Sam Geonetta as official parliamentarian for the business meeting.

1. Secretary's Report

Participants voted to waive the reading of the minutes of the previous year's meeting. Copies were distributed.

2. Treasurer's Report

Carol Lipson summarized the CPTSC financial report, copies of which were given to all those present. Carol noted that the report did not take into account costs of the 1988 Proceedings.

3. Membership

Carol Lipson distributed copies of the CPTSC membership list, which is accurate to October 6, 1989. Marilyn added that only dues-paying members were eligible to vote at the meeting.

4. Constitution

Gloria Jaffe reviewed changes that had been approved at the last meeting. Laurie Hayes read the new wording for Article VIII, Section 1. In November a corrected version of the Constitution will be sent out, along with the newsletter and updated membership list.

5. Appointment of Nominating Committee

Marilyn Samuels announced that the following members had agreed to serve on the next Nominating Committee:

- Gloria Jaffe (chair)
- Glenn Broadhead
- Don Cunningham
- Carol Lipson
- Jack Selzer

Gloria asked participants to feel free to suggest names to the committee.
6. Program Review Board (PRB)

Marilyn Samuels read through the Executive Committee’s proposal for a PRB. There were a number of comments by those present. In particular, people generally agreed that the PRB should not be put forth as a group that "endorses" programs.

Glenn Broadhead moved (with Sam Geonetta’s second) that a Planning Committee be established to consider adoption of a PRB and that the Planning Committee report the results of its deliberations at the October 1990 meeting in San Diego. After approval of this motion, a second motion was approved that the Planning Committee’s membership be as recommended in the Executive Committee’s PRB proposal. The sense of the meeting was that the Planning Committee may entertain a number of options, only one of which is the approach recommended in the Executive Committee’s PRB proposal.

The five members of the Planning Committee are:

- Billie J. Wahlstrom (representing the Executive Committee)
- Mary Lay (selected from the membership by the Executive Committee)
- Sherry Little
- Henrietta Shirk
- Katherine Staples

Sherry, Henrietta, and Katherine were elected during the business meeting from a slate that included six persons nominated from the floor. The other three nominees were Glenn Broadhead, Maria Kreppel, and Leslie Olsen.

7. Program Survey

Glenn Broadhead and Patricia Goubil-Gambrell summarized the results of their survey concerning curricula in technical communication graduate programs. Patricia solicited information to add to the database.

8. 1990 Meeting

Sherry Little described preliminary plans for the 1990 meeting (October 11-13, 1989, at the Catamaran Resort Hotel in San Diego). After much discussion about the meeting, it was agreed that the Executive Committee should be given the flexibility to select theme and format—taking into consideration whatever conclusions the PRB Planning Committee reaches and ideas suggested during the business meeting.

9. 1991 and 1992 Meetings

Sam Geonetta (University of Cincinnati) suggested Cincinnati as the location for the 1991 meeting, and Henrietta Shirk (Northeastern University) suggested Boston as the site for the 1992 meeting. Members present approved these sites. It was also agreed that October would remain the CPTSC meeting month.
10. Publications

When Gloria Jaffe sends out the updated membership list in November, she will also send a proposal for how the 1989 Proceedings might be handled. There was some general discussion of options for publishing future Proceedings.

The business meeting closed at 11:20 A.M.

Proposal to Create  
A CPTSC Program Review Board  

October 1989

To: The Members of CPTSC  
From: The Executive Committee of CPTSC

In keeping with CPTSC's mission to assist, promote, and inform service, certificate, undergraduate, and graduate degree programs in technical and scientific communication, the CPTSC Executive Committee proposes a two-phase plan for the establishment of a Program Review Board (PRB).

In Phase 1 (1989-90) a planning committee will design review procedures, guidelines for participants, etc. and will present their plan to the Executive Committee for initial review at their annual retreat (April 1990) and then to the membership for a vote at the annual meeting (October 1990).

In Phase 2 (1990-92), subject to membership approval, the PRB will begin operating and will provide an annual report to the membership at the annual meetings of CPTSC in 1991 and 1992. At the end of the PRB's first two years of operation, its procedures and effectiveness will be reconsidered.

Phase 1

CPTSC will create a five-member PRB Planning Committee consisting of one member of the Executive Committee, one member appointed by the Executive Committee from the general membership, and three members of CPTSC voted for by the members present at the 1989 annual meeting.

The responsibilities of the Planning Committee will be

- to write guidelines for the functioning of the PRB including:
  - procedure for selecting members of the PRB
  - procedure for selecting individuals or teams to conduct reviews
  - procedure for persons or institutions requesting reviews

- to design a brochure describing PRB's services

- to outline the cost and conditions of PRB's services

- to consider the experience of similar review boards, such as the one currently administered by the Writing Program Director's Association, in its planning
to provide a rough draft of its report to the Executive Committee by April 1990 and a final draft to the CPTSC membership in time for consideration at the annual meeting in October 1990.

Phase 2

During its first two years of operation the PRB will follow the guidelines of the PRB Planning Committee as approved by the general membership of CPTSC. It will provide annual reviews in its first two years of operation. At the end of that two-year period, its procedures and effectiveness will be reconsidered.

The PRB Planning Committee will recommend the specific responsibilities of the PRB. As an example, however, the Executive Committee anticipates that these responsibilities will include:

- assembling and maintaining a list of qualified program reviewers
- receiving and processing requests for reviews
- serving as mediators between requesters and reviewers before, during, and following reviews.

The Executive Committee encourages the membership of CPTSC to endorse our two-phase plan for a PRB. A PRB will assist existing programs through national endorsement of their accomplishment and support of their requests for additional staff and equipment and will assist new or expanding programs in making important decisions about the direction of their efforts. The PRB will also enhance the reputation of CPTSC and its ability to influence the quality of education in scientific and technical communication.
