"Alcohol Education; Children; Curriculum Guides; Drug Education; Grade 2; Health; Instructional Materials; Intervention; Prevention; Primary Education; Resource Materials; Substance Abuse"

This educational program on drugs and alcohol provides a "No-Use" message to students. The curriculum maintains that alcohol, tobacco, and illicit drugs are unhealthy and harmful, and that society's laws and values are to be respected. The lessons build students' resistance to influences that encourage drug abuse and they promote safe, healthy, and responsible attitudes while correcting mistaken beliefs and assumptions about drugs and alcohol. Lessons appear on 36 "Task Cards" which are intended to be used once a week during a traditional school year. The sequence and frequency with which these Task Cards are used, though, is at the instructor's discretion. Cards may be completed individually or in a group. Each card contains a benchmark (a one or two line goal for the lesson), a short message that the facilitator can present to the students, and an activity, all of which are age appropriate. If students work in groups, they are encouraged to create and display a team name, a pennant or banner with their team symbol, a license plate, a team motto or slogan, and a simulated 1-800 phone number. Cartoon characters with positive messages appear at the end of the publication and these can be awarded to students as incentives.

RATIONALE

SPARKS, (Smart People Act Responsibly to Keep Safe), is a nationally marketed, educational program brought to you exclusively by Drexler Associates, Inc. The "NO-USE" message in this curricula is clear, consistent, and positively communicated throughout this material. This program spirals in a continuous progression from kindergarten through grade eight and maintains that the use of alcohol, tobacco and illicit drugs is unhealthy and harmful, and that the laws and values of our society are to be respected. This program builds resistance to influences that encourage drug abuse, promotes safe, healthy and responsible attitudes, and corrects mistaken beliefs and assumptions.
TO THE TEACHER/FACILITATOR

The lessons on the "Task Cards" in this publication are designed for use once a week, for a traditional thirty-six week school year. However, the actual sequence or frequency of these Task Cards should be at the discretion of the prevailing instructor, counselor or group leader in charge. The Task Cards could be completed individually or used in a cooperative learning, group situation. Benchmarks can be discussed orally and the facts can be written in a student notebook.

If students are working in small groups of three or four students, they should create and display their team names, a pennant or banner with their team symbol, a license plate (Example: WE-ARE-#1), a team motto or slogan, and a simulated 1-800 phone number, (Example: 1-800 -NODRUGS).

The teacher can assign "tangible" points to the teams in the form of buttons, popcorn kernels, perler beads, etc. contained in a jar or plastic, reclosable sandwich bag, or show points listed on a chart. Points can be administered by the teacher's discretion for accuracy, cooperation, quality work, creative answers, organization, participation, effort, extra drug and alcohol information or speakers brought into the class, etc. Winning team upon conclusion of the task cards, is the one with the most points. Students delight in seeing visible progress through the containers, and competition becomes more exciting each week.

Cartoon characters, from the Creature Feature Cards at the end of this publication, can be awarded to students in any quantity, in any fashion, for any reason, at the discretion of the group facilitator.
To the Student: About Drugs and Crime

When drugs are prescribed by doctors and used wisely, they can ease pain and suffering, help fight infection and even cure diseases. But when drugs are not supervised by a doctor, not used wisely, or used by someone other than the person for whom the drug was prescribed, they can cause pain, suffering, illness and even death. Do not experiment with any drugs, medicine, alcohol or chemicals!

Sooner or later, you will probably come in contact with people who are using illegal drugs or alcohol or, who are selling or "pushing" this habit on others. You may be tempted to try the drug because of stories you have heard, of promises made by the "pusher," just from curiosity, or because of the pressure to do whatever your friends are doing. However, drugs will NEVER help you get better grades, will NEVER make you more popular, and will NEVER solve any problems that you may have.

Drugs and alcohol can cause you a lot of pain, make you very sick and even cause death. It may seem hard for you to say "No," but it is certainly easier to refuse drugs NOW, than to try to break the habit later. Be strong in your plans to stay clean and free from drugs, alcohol and crime. Don't hang around with other kids who get into trouble with the law, or who use drugs or alcohol. Stick with friends who respect the drug-free, crime-free choice. You must learn the facts about drug and alcohol abuse, and care about your body, your mind, and your future.

Crime is everybody's business! Preventing crime is everyone's duty. All citizens in our country have the responsibility of keeping themselves safe and their community safe. You also, share in this important responsibility. Laws of your state and city, as well as the rules within your home, school and community, were designed to keep you safe and help you grow up to be the best you can be. Obey the laws. Obey the rules. Encourage your friends to respect laws, rules and property. Whenever a crime is committed, everyone pays. Taxes go up, more money is spent to fix property, or to punish criminals, or to hire more staff to help protect innocent people. Think about it. This is money that could have been routed for other purposes such as health care, research for diseases, better parks, roads, education, inventions, space travel, etc. Whenever a crime is committed, someone is injured or rights are violated. Crime hurts everyone. It takes a long time to rebuild damaged property and fix broken lives. Everyone suffers. Everyone pays the price.

You and your classmates can help. Take steps to prevent crime. Follow the rules. Report law breakers or suspicious behavior. Be respectful of those in authority. Honor police officers and those who risk their lives every day so that you and your family can have a better life, without fear of intruders, vandalism, pollution, theft, or drivers on the road who are under the influence of alcohol or drugs. Perhaps, you, too, will choose a career in law, or law enforcement, to continue to help our citizens live and grow in a crime-free, drug-free environment.
TASK CARD # 1

BENCHMARKS - The student should know:
* To try hard in school
* To learn to follow rules

Activity: Trophy
Draw yourself in school doing something you like to do and write about something in school that you do well. On that page design a new trophy. Write your name on the trophy. Compare your trophies and interests.

TASK CARD # 2

BENCHMARKS - The student should know:
* People who abuse drugs are not happy with their lives
* People who abuse drugs think that pills and chemicals will patch everything up quickly
* The use of illegal drugs and alcohol will not fix anything
* Drugs only cause more problems
* One way that you can make your life go in the right direction is by eating the right foods

Activity: Restaurant Menu
Start your day with a good breakfast. Your body needs energy to do a good job. Think of the items needed for a good breakfast. Make yourself a new restaurant owner. Show what your restaurant looks like. Design a menu for your drug-free meals. Make a free "coupon". Invent a new drug-free cocktail using fruit juices, soft drinks or milk and other items such as your favorite candy bar melted down. Design a drug-free place mat.
**TASK CARD # 3**

**BENCHMARKS - The student should know:**
- Abusing drugs and using alcohol will not help you cope with stress in your life.
- Stress is something you feel when you are worried, concerned or anxious about things going on in your life.
- Everyone has stress, and some stress is good because it keeps you alert and "on your toes!"
- One way to cope with stress, is to get enough sleep so that you can think clearly.

**Activity: Sweet Dreams**
Picture yourself having a sweet dream. What is in your dream? Colored clouds, rainbows, castles, treehouses, endless playgrounds? Draw a scene from your dream.

**TASK CARD # 4**

**BENCHMARKS - The student should know that:**
- Your life is special and precious
- To abuse drugs or alcohol would spoil that beautiful life
- Celebrate life. Celebrate your Country, especially on July 4th every year

**Activity: Popsicle Goalposts**
Think of many reasons to stay healthy so that you can live a long and happy life. Show the reasons by using a sheet of drawing paper and popsicle sticks. Glue the sticks down to look like a goalpost in a football field. At the top of the goalpost, print "The goals I have". Glue each popsicle stick down like a "ladder". Print (using pen or thin marker), things you want very much to do. (Become an animal doctor, play sports, travel, find a cure for cancer, etc.).
TASK CARD # 5

BENCHMARKS - The student should know that:
* To be kind to all living things.  (After all, you are a living thing.)
* Drug and alcohol abuse are ways that you would hurt yourself

Activity: Mock Photo Scrapbook
Think of a time when you, or someone else, helped a person or animal. On a
square of heavy paper, draw a picture of that time when you were an important
helper. Make the square look like a photograph mounted in an old scrapbook,
by coloring in the slanted corners of the picture. Mount all photos on large
paper or oaktag "photo album" to show the world you care.

TASK CARD # 6

BENCHMARKS - The student should know:
* To enjoy music, because it helps to keep your life in rhythm
* If you break the law, or abuse drugs and alcohol, your life will be changed
forever

Activity: Scroll Top Tune List
What is your favorite tune? Who is your favorite musical artist? Have someone
bring in a list from the newspaper that tells the top ten hits of the country. Try to
read the names of those ten songs. Make up a four line "rap" about drugs.
Perform it for the group. Make a long scroll covered with music notes around
the edges. At the top put "Just a Note" to say "We want to be drug-free!"
Present the scroll to an important person after everyone signs the scroll.
TASK CARD # 7

BENCHMARKS - The student should know:
* Everyone feels lonely now and then
* The use of drugs or alcohol will not help those feelings

Activity: Draw a Picture
Let people know how much you care about them. People need people. How can you let your parents know that you love them? List, using simple pictures or symbols, all the things you can do to show your parents that you love or care about them. (Do what they ask, help in the kitchen, don't fight with brothers and sisters, stay out of trouble in school, etc.). This is a contest to see what group thinks of the most things in 10 minutes. After 10 minutes, each group will share only their best ideas, which they believe no one else has thought of.

TASK CARD # 8

BENCHMARKS - The student should know:
* You won't be tempted to break the law or abuse drugs if you feel good about yourself

Activity: "I.O.U." Gifts
Share. Give gifts. Others will like you, if you like yourself. Gifts don't have to cost money. Make "I-O-U' s" for someone you love. (Clear the dinner table, sweep the floor, do the dishes, take out the garbage). Make "I-O-U' s" for your teachers, your friends, etc. Use old wrapping paper or colored comics from the newspaper. Wrap your I-O-U gifts and tape them shut like a present. Add ribbons or bows if you have them. You could tie your presents with yarn.
**TASK CARD # 9**

**BENCHMARKS - The student should know:**
* If you make a mistake, forgive yourself.
* If you make a mistake, pick yourself up and try again
* The use of drugs or alcohol will not fix mistakes
* Abuse will not solve problems, just cause more problems

**Activity: Nobody's Perfect**

Draw and explain the last silly mistake you made. (Make sure it is something you want to share aloud with the group). Make a display that says "Nobody's perfect". Mount the pictures everyone drew.

---

**TASK CARD # 10**

**BENCHMARKS - The student should know:**
* The use of drugs and alcohol will not open worlds of power, money and success for you

**Activity: Inventions**

Ideas lead to new worlds and new inventions. What would you invent if you could? Inventions usually solve a problem. Start by thinking of things that really annoy you. "I don't like it when..." (I have to wait for the hot water to flow through the shower, when I can't get the ketchup out of the bottle, etc) Have an invention contest. Draw designs to show your invention or really make something that works. Give a certificate to the winner.
SPARKS EDUCATIONAL PROGRAMS

Grade two

TASK CARD # 11

BENCHMARKS - The student should know:
* Everyone has things that they can do well

Activity: Photo Talent Display
Draw clues to one of your talents. Let the class guess your talents using the clues. Put a photo of each person, such as a school picture in the center of a piece of paper. Surround the photos with clues drawn for each talent. (Piano keys, music notes, a football, a paintbrush, a mixing spoon, etc.)

TASK CARD # 12

BENCHMARKS - The student should know:
* Obey the laws, obey rules and play fair in games and sports
* Athletes who use drugs called steroids to give them superior strength and energy, are thrown off their teams
* They lose their trophies and medals, when judges learn of the illegal practice of using these drugs.

Activity: Exciting Moment
Explain your favorite sport. Tell about special equipment that you need to play it, the rules to follow and the most exciting moment you ever had when you were involved in that sport. Tell how you feel when team members don’t follow the rules.
SPARKS EDUCATIONAL PROGRAMS

Grade two

TASK CARD # 13

BENCHMARKS - The student should know:
• Obey all laws about alcohol, drugs and cigarette smoking.
• Rules are meant to keep you safe

Activity: Good Leader Picture
Follow the rules in your classroom and in your school building. Respect your teachers, principal, and team leaders. They have studied hard and dedicated their lives to helping students learn and grow. Draw yourself with your group leader. Show as many reasons as you can why your leader is a good leader.

TASK CARD # 14

BENCHMARKS - The student should know:
• People who can control their stress probably won't turn to drugs

Activity: Role Playing
Find time to laugh, because laughing is good for your body and it's good for your mind. Everyone needs time to relax and to find their sense of humor. Write about the funniest thing that you can remember. Draw a pictures or act out what happened. Use a partner if you need to. Compare funny scenes from favorite movies.
TASK CARD # 15

BENCHMARKS - The student should know:
* Drugs destroy people's health
* Laws of your state and your city are meant to protect people and property

Activity: USA 21st Century
Be a builder. Build things up. How do you feel when someone breaks something that belongs to you? Think of a dream you have for the future of our country. Explain it to the class. On a large roll of paper, the teacher or leader draws an outline of the shape of the U.S. Spread the paper out on the floor, so that small groups can rotate to the outline map. Draw tiny pictures all over the U.S. to show your dreams for a better tomorrow. (computers for schools, money for housing, hats to show different jobs, rocket for space travel, science bottles for disease cures, etc).

TASK CARD # 16

BENCHMARKS - The student should know:
* Get lots of fresh air and exercise
* A healthy body helps your mind to be healthy, too.
* The use of alcohol, drugs and cigarettes will hurt your body
* Don't put anything into your body that will stop it from working right

Activity: Space Age Fitness Center
Design a space age fitness center with fun activities such as trampolines, pools, indoor track, jump rope competitions, etc.
TASK CARD # 17

BENCHMARKS - The student should know that:

* Illegal drugs cause "addiction", which means users get "hooked on" the drug
* They cannot stop using the drug, no matter how hard they try

Activity: Picture

Sometimes we want a good time to last forever. Draw a picture that shows things that are hard for you to stop doing. Riding your favorite amusement park ride, stop trick or treating on Halloween, stop swimming in a pool or lake, stop watching a TV show to take a bath, etc.

TASK CARD # 18

BENCHMARKS - The student should know that:

* Police officers, and judges should be respected.
* Respect should be shown for people serving in the Army, Navy, Air Force or Marines
* People choose jobs in law, crime prevention or Armed Forces to keep all of us safe and happy

Activity: "Happy Birthday USA!" Cake

Love your country. This is YOUR country. Every good thing you do, keeps the U.S.A. healthy and strong. Every person can make a difference. Design a special birthday cake for our country. Tell how you will make a difference in the War on Drugs across our land.
TASK CARD # 19

BENCHMARKS - The student should know that:
* Happiness does not come packed inside a "pill"
* Happiness cannot come from the use of drugs or alcohol

Activity: Scrapbook
Use a calendar. Think of a holiday, or a reason for celebration each month of the year. Be sure to include your birthday because you are special. Make a class scrapbook of different holiday pages showing things to look forward to. Think of one, drug-free activity for each of the twelve months.

TASK CARD # 20

BENCHMARKS - The student should know:
* Drug abusers and law breakers have lives that are all messed up

Activity: Picture - Before and After
Keep yourself and your belongings organized, and your mind will be organized, too! Show something of yours that should be straightened up. Show "before" and "after", by folding the paper in half (messy closets, drawers, toy boxes, under the bed, backpacks, garages, student desks, etc). Make a display of all the "before" and "after" pictures. People using drugs cannot keep anything in order. Their lives are scrambled like a jigsaw puzzle.
SPARKS EDUCATIONAL PROGRAMS

Grade two

TASK CARD # 21

BENCHMARKS - The student should know:
* Drugs and alcohol put a body "out of whack", sort of like destroying the balance of nature
* Your body needs a good balance of food, exercise, sleep, fun and learning

Activity: Gift List
Since playing hard, is an important as part of a balanced life, show your favorite games to play inside and outside. Make a long class list of good board games, computer games, card games and educational games. Have a grown-up type this list, possibly showing price and where to buy the games. Make many copies of your list and send home to parents for holiday and birthday gift ideas.

TASK CARD # 22

BENCHMARKS - The student should know:
* Your body is a fine-tuned machine that must be constantly cared for and respected
* Keep your body free from chemicals, drugs and alcohol that will harm it or destroy it

Activity: Scavenger Hunt
Bring in labels from canned foods and beverages, and cardboard or plastic packages. Go on a scavenger hunt for the word "sugar" or "sodium" (salt) on the ingredient labels. Notice how much sugar and salt is inside many of the foods we eat, and we don't even realize it. Too much salt or sugar is not good for you. Many things you put inside your body, including drugs, can be harmful. Always be sure of what you are eating or drinking. Never eat, drink, chew or sniff anything you are not sure of.

Task Card # 23

Benchmarks - The student should know:

* Smoking makes you cough
* Smoking makes your teeth and fingers turn yellow
* It is illegal for young people to buy or use tobacco

Activity: Picture

Housecleaning is important. "Houseclean" your mind, your body and your life. Show the world the neat person you are - clean and free from drugs and alcohol. Draw yourself looking and feeling your very best. Show your very best outfit, clean, combed hair, trimmed fingernails and a sparkly clean face. On the other side of the paper, draw the fanciest outfit you can think of.

Task Card # 24

Benchmarks - The student should know:

* Many drug users will be linked to other crimes, such as burglary, to get the money they need to buy more drugs

Activity: Safety Essay

Keep yourself safe, your family safe, and your whole community safe, by taking steps that will stop crime from happening. Fix broken windows, put your bike away safely, get street lights for dark areas, report suspicious behavior... Write about one of your good ideas to make your school or neighborhood safer, or draw a picture. Send good ideas to a newspaper editor!
