This selected, annotated bibliography reflects the emphasis of sinologists on the early period (roughly 600 B.C. to 300 A.D.) of Chinese rhetoric. The 42 items listed in the annotated bibliography are divided into overviews of early Chinese intellectual history, secondary sources on rhetoric, and translations of primary sources. The books and journal article entries included were published between 1928 and 1983. (RS)
CHINESE RHETORIC

A Selected, Annotated Bibliography of Works by Sinologists
