This 83-item bibliography stresses the efforts of blacks to communicate publicly and persuasively to a world often hostile to their interests and purposes. Entries in the bibliography are categorized into six sections: bibliographies, rhetorical documents, general collections, learning resources, theoretical analyses, religious studies, and critical studies. The books and journal articles listed in the bibliography were published between 1925 and 1984. (RS)
Distributed by the Speech Communication Association, 5105 Backlick Road, Annandale, VA 22003. This bibliography may be reproduced for free distribution without permission of the Speech Communication Association.

In this highly selected bibliography, the editors stressed the efforts of black to communicate publicly and persuasively to a world often hostile to their interests and purposes. For convenience, the sources of rhetorical studies are categorized into six sections: bibliographies, rhetorical documents, general collections, learning resources, theoretical analyses, religious studies, and critical studies.
