This student handbook contains information about participating in the construction trades program in the Manatee County (Florida) Public Schools. The first part of the handbook consists of general information about the program: program goals and objectives, intended outcomes, benefits to students, student responsibilities, contractor responsibilities, minimum qualifications for apprenticeship applicants, equal opportunities, requirements for entrance into on-the-job training, terms of apprenticeship, probationary period, notice of adverse action, compliance with apprenticeship program requirements, safety, records, apprenticeship agreement, and apprentice complaint procedure policy. The majority of the document is made up eight attachments of documents from the apprenticeship program: (1) construction trades curriculum model; (2) class scheduling model; (3) student agreement; (4) sponsor agreement; (5) school board youth apprenticeship agreement, including agreements with parents, students, contractors, and schools; (6) on-the-job training plan; (7) personnel policies; and (8) recruiting materials for the apprenticeship in construction trades program.

Reproductions supplied by EDRS are the best that can be made from the original document.

SCHOOL-TO-WORK TRANSITION THROUGH SCHOOL AND WORK-BASED LEARNING
The MISSION of the Youth Apprenticeship is to develop a working relationship between the School Board of Manatee County, Florida, and the Youth Apprenticeship in Construction Trades (YACT) for the purpose of developing a better trained work force in the various construction trades.
PROGRAM GOALS/OBJECTIVES

1. Develop each student's attitude, work habits and competencies necessary to succeed in the job market, complete the apprenticeship program, and continue education at the postsecondary level.

2. Develop each student's ability to solve problems, think critically and work cooperatively with others to complete a project.

3. Develop in each student a sense of individual responsibility and pride in craftsmanship.

4. Prepare each student to contribute to the economic growth of the construction industry as skilled, stable, and productive employees.

5. Provide a structured career path which will lead each student directly into the job market and continuation to postsecondary education upon graduation.

INTENDED OUTCOMES:

After successfully completing this program, the student will be able to:

1. Demonstrate knowledge of safe and efficient work practices.

2. Apply fundamental skills related to the specific occupation, craft or trade.

3. Properly use and care for equipment.

4. Properly use materials of the trade.

5. Demonstrate manipulative skills of the trade.

6. Demonstrate appropriate communication skills, math skills, understanding of basic science, and employability skills.

7. Be in a position to successfully enter the construction trade in the area in which he/she has demonstrated interest and aptitude.

8. Be equipped to continue and complete the apprenticeship program in the chosen field.

9. Be encouraged and prepared to continue education at the postsecondary level.
BENEFITS TO STUDENTS

Students will receive:

1. A program of study intended to provide for a smooth school-to work transition.

2. A program that will enable students to link instruction received in school-related construction classes and laboratories with training received at the job site.

3. An opportunity to earn while they learn.

4. Consulting, testing, and the opportunity to master academic and pre-identified occupational skills which will allow entry into the apprenticeship with advanced standing.

5. Program options that will lead to job performance competency and self sufficiency to enable students to enter the labor force directly upon high school graduation.

STUDENT RESPONSIBILITIES

The student will:

1. Perform the assigned duties in a loyal manner and work to the best interest of all concerned.

2. Report job problems to supervisor/mentor and/or high school coordinator.

3. Adhere to employer’s company policy. (Note: employment may be terminated for the same reasons as for regular employees.)

4. Be regular in attendance at school and on the job. If unable to report to work, the employer and high school coordinator must be notified by the student before the start of the normal work day.

5. Student apprentices may be terminated from the apprenticeship employment upon withdrawal from school.

6. Maintain a Grade Point Average (GPA) of 2.0.
CONTRACTOR RESPONSIBILITIES

1. To adhere to all state and federal regulations regarding employment, child labor laws, minimum wages, and workmen's compensation. Each contractor must furnish to the School Board a copy of sponsor's current Workers Compensation Certificate of Insurance and a letter from their carrier stating that the student apprentice is a "covered" employee.

2. To recognize and support the educational objectives of the Program Requirements for the Construction Trades Apprenticeship Program and to provide employment for the student apprentice on a regular, continuous basis.

3. To appoint a training supervisor/mentor for the student apprentice.

4. To agree to follow the "training plan" designed by the program's instructors and the training supervisor/mentor appointed by the contractor; to give the student apprentice a variety of work assignments according to the "training plan" and to provide comprehensive instruction under the direction of qualified personnel.

5. To provide a "Safety Orientation" on the job site for ALL new youth apprentices followed up with continuous safety instruction throughout the apprenticeship training program.

6. To provide adequate equipment, materials, and other facilities required in order to provide an appropriate learning experience for the student apprentice.

7. To keep accurate records of the student's attendance.

8. To notify the sending high school if the student is absent without notification.

9. To pay the youth apprentices at the same rate as any other beginning employee in the same job, or a beginning hourly rate of at least $6 per hour.

10. To permit the school's representative(s) to visit the student and supervisor at the place of employment to determine progress, obtain direct feedback, and make adjustments in the "training plan" whenever necessary.

11. To perform periodic evaluations of the student's accomplishments and performance by the training supervisor on a form provided by the high school; and to advise the high school coordinator when a training problem arises.

12. If contractor intends to terminate a student, the contractor shall provide five (5) days advance written notice to YACT, to the student, and to the home school stating intent to terminate the student.
MINIMUM QUALIFICATIONS FOR APPRENTICESHIP APPLICANTS

The qualifications of all applicants for apprenticeship shall be determined by the youth apprenticeship committee. The following information shall be submitted to the youth apprenticeship committee by each applicant for apprenticeship:

a. Evidence that student is at least 16 years of age.
b. Evidence that the student has completed the 10th grade with 90% or better school attendance.
c. Transcript of school courses and grades.
d. Evidence that the student has completed an apprenticeship application in its entirety.
e. Each student shall participate in an interview.
f. Substance abuse testing, as required by contractor.
g. Agreement to submit to Aptitude Testing for the school year 98-99 and after.

EQUAL OPPORTUNITY STATEMENT

Selection of apprentices under the program shall be made from qualified applicants without regard to race, creed, color, national origin, sex or occupationally irrelevant physical requirements, in accordance with objective standards, which permit review after full and fair opportunity for application.

REQUIREMENTS FOR ENTRANCE INTO ON-THE-JOB TRAINING

The student must meet the participating employer's employment requirements to be accepted into the OJT portion of the Youth Apprenticeship Program. The student must also have completed the Core Curriculum prior to employment and must have received a Partial Waiver from the Florida Department of Labor (education) regarding the State's Child Labor Law.

TERM OF APPRENTICESHIP

The minimum number of hours for the trade involved will be determined by the Youth Apprenticeship in Construction Trades Program (YACT) and shall be realistic in terms of attainment of predetermined competencies and relative to national industry standards.

PROBATIONARY PERIOD

All apprentices, in accordance with these program requirements, will be subject to a probationary period not exceeding eighteen (18) weeks. During this probationary period, cancellation of the apprenticeship agreement shall be made by the request of either the apprentice, the Youth Apprenticeship, or the contractor.

NOTICE OF ADVERSE ACTION

The apprentice shall be given five (5) school days advance written notice of any proposed adverse action affecting his/her apprenticeship status, and shall have an opportunity to present to the coordinator his/her response to the proposed action.
COMPLIANCE WITH APPRENTICESHIP PROGRAM REQUIREMENTS

The signing of the following listed Construction Trades apprenticeship agreements shall bind ALL parties to the Program Requirements:

a. Apprenticeship Partnership Agreement between the Manatee County Public Schools and the Youth Apprenticeship in Construction Trades (YACT).

b. Apprenticeship Agreement between the apprentice and the Youth Apprenticeship in Construction Trades (YACT).

c. Participating Employer’s Apprenticeship Agreement between the Contractor and the Youth Apprenticeship in Construction Trades (YACT).

d. Participating High School Apprenticeship Agreement between the Parent, Student, Contractor, ICE Coordinator, and Principal.

Apprentices entering into an apprenticeship agreement with the Youth Apprenticeship in Construction Trades (YACT) shall receive and acknowledge receipt of a copy of these Program Requirements.

SAFETY

The Youth Apprenticeship Program Committee agrees that safety will be included as part of the instruction provided at the on-the-job training site and the OSHA standards will be strictly enforced.

RECORDS

All records pertaining to the progress and training of apprenticeship will become a part of the apprenticeship cumulative folder, and be maintained for not less than five (5) years.

APPRENTICESHIP AGREEMENT

The apprentice (and, if a minor, his/her parent or guardian) shall sign the apprenticeship agreement, which shall also be signed by the Youth Apprenticeship in Construction Trades.

APPRENTICE COMPLAINT PROCEDURE POLICY

In the event that an apprentice believes there is a basis for complaint, the apprentice must first discuss the alleged complaint with the occupational instructor and/or the cooperative education coordinator.

In case of failure by an apprentice in related occupational instruction, the Youth Apprenticeship in Construction Trades shall fulfill its obligations, including the right to suspend him/her from the program for a specific length of time/or for sufficient reasons, take steps to have his/her apprenticeship agreement removed after a hearing before the Youth Apprenticeship in Construction Trades (YACT). The apprentice shall be given five (5) school days notice of any adverse action taken against him/her.

PROGRAM PURPOSE: To provide students with the academic and construction trade skills necessary to successfully complete an apprenticing trade of their choosing.

PARENT AGREEMENT

I, the parent or guardian, agree that this Youth Apprenticeship in Construction Trades is in the best interest of my son/daughter to pursue. Furthermore, I have read the enclosed goals and agree with their intent.

Goals:
1. Meet state requirements for high school graduation.
2. Develop job entry skills.
3. Learn trade skills in a selected specific construction trade.
4. Successfully enter the construction trade in the area he/she has demonstrated interest and aptitude.

I acknowledge receipt of a copy of the PROGRAM REQUIREMENTS FOR THE YOUTH APPRENTICESHIP IN CONSTRUCTION TRADES, and have read the provisions therein. I further understand that all questions and contacts pertaining to the program between the school and myself or between the contractor/employer and myself are to be made through the occupational instructor and/or cooperative education coordinator. I further understand that my son/daughter must work 180 hours successfully for each out-of-class work experience credit. Finally, I understand that the PROGRAM REQUIREMENTS referred to herein are hereby incorporated in and made a part of this agreement.

YOUTH APPRENTICESHIP IN CONSTRUCTION TRADES PROGRAM

PORTFOLIOS:

A portfolio is a representative sample of student work that is collected over a period of time. Portfolios tell a story about student activities in academic areas. The focus is on problem solving thinking and understanding written communication, integrated curriculum and students’ views of themselves as learners.

The portfolio will contain both teacher and student selected items. Important points to remember are:

- date all items
- show progress for growth made in the academic year
- show writing in all academic areas, if possible
- include a table of contents
- show skills (group) in working with others

NOTE: A four year journeyman license requires a portfolio.

The following are the selected areas:

I. Academic
   A. Math
   B. Science
   C. English
   D. Industry

II. Projects
   A. photographs of projects
   B. taped presentations
   C. individual contributions to group projects

III. Communications
   A. written work
   B. daily journal entries

IV. Evaluations
   A. award documents
   B. job site evaluations
   C. pay check stubs
   D. attendance record
   E. report cards

V. Student choice

Portfolio Assessment

The portfolio will be part of the semester grade and the student can choose to which academic area the grade will apply.
NON-WORK DAYS

In the event that any youth apprentice who is scheduled for work is told not to report to work, the following instructions are to be adhered to at all times:

In the event a youth apprentice is told not to report for work, the youth apprentice is to report to MHS and contact ____________, the Program Coordinator for classroom assignment. The employer will have also notified the Program Coordinator that the youth apprentice work has been canceled for that day.

In the event of rain on a workday, the youth apprentice is to report to MHS and contact ____________, the Program Coordinator for classroom assignment.

In the event the youth apprentice is clocked out before the regular day’s end, the youth apprentice is to adhere to the following instructions at all times:

If the youth apprentice is clocked out early on any scheduled work day the youth apprentice is to report to ____________, the Program Coordinator for classroom assignment. The employer will have also notified the Program Coordinator that the youth apprentice is clocked out before the regular day’s end.

I have read the above instructions and will adhere to them at all times.

MEMO

TO: All Youth Apprenticeship in Construction Trades Students

DATE: Effective immediately

SUBJECT: Attendance at Manatee High and the Worksite

Any of the following will result in the student missing one day of work:

* an absence from Manatee High or the worksite that is not medically confirmed

* three tardies per three weeks

Students dismissed from work due to attendance will be reassigned to Manatee High and will not be allowed to return to work until the day has been made up at Manatee High.

An absence from the worksite that is not medically confirmed will result in lowering the OJT grade.

Only medically confirmed checkouts at Manatee High will be allowed.

* More than 3 unexcused or unexplained absences per quarter will result in the student being withdrawn from the Youth Apprenticeship in Construction Trades.

* More than 3 excused absences per quarter may warrant dismissal from the program.

* A day missed at the worksite is considered an absence from school.
Do You Have What It Takes To Be A Youth Apprentice in the Construction Trades?

Manatee High School is accepting applications for the 1998-99 Youth Apprenticeship in the Construction Trades

Would you like to be trained to be a potential worker in these industries? Would you like to be given training to enter an adult apprenticeship program? Would you like to earn a minimum of $6.00 per hour while in training?

If you answer yes, then can you also say yes to the following?

- Are you willing to receive TECHNICAL skill training and unique ACADEMIC classes directly related to the work-based training?
- Do you have your own transportation to get to and from school and work?
- Will you be at least 16 years old at the beginning of your 11th grade?
- Will you have all the academic requirements for your grade level?
- Will you have completed pre-algebra or higher?
- Do you have a GPA of 2.0 or better in core requirements?
- Do you have a 90% or better school attendance record?
- Do you have an interest or demonstrated ability in the occupational areas related to the work in the construction trades industry?
- Pass any physical or drug screening?
- Commit to at least two full years of the program?
- Take a 90 hour core training class?

If you can answer yes to these questions, then you will want to complete and return the interest survey card. In addition, you and one of your parents/guardians will need to attend an evening meeting to complete the application process.

Application to this Youth Apprenticeship Program is open to all Manatee High School students who will be in the ninth, tenth, or eleventh grade for the 1998-1999 school year. The Manatee County School District does not discriminate against any person on the basis of race, color, religion, sex, national origin, marital status, or disability in any of their educational or employment programs or activities.
