This compilation of federal regulations concerning student aid includes changes through December 31, 1998, that apply to all regulations published in the "Federal Register." An introduction offers suggestions for understanding regulations. The regulations, with original dates and change dates, cover the following parts of Title 34 of the Code of Federal Regulations: drug free schools and campuses; family educational rights and privacy; institutional eligibility under the Higher Education Act of 1965, as amended; the Secretary's procedures and criteria for recognition of accrediting agencies; the Secretary's recognition procedures for State agencies; the Paul Douglas Teacher Scholarship program; the Robert C. Byrd Honors Scholarship Program; student assistance general provisions; general provisions for the Federal Perkins Loan Program, the Federal Work-Study Program, and the Federal Supplemental Educational Opportunity Grant Program; the Federal Perkins Loan Program; the Federal Work Study Program; the Supplemental Educational Opportunity Grant Program; the Federal Family Education Loan Programs; William D. Ford Federal Direct Student Loan Program; Federal Pell Grant Program; the Presidential Access Scholarship Program; the State Student Incentive Grant Program (recently renamed "Leveraging Educational Assistance Partnership Program"); and the National Early Intervention Scholarship and Partnership Program. The two appendices provide a list of final regulations published in 1998 and a summary of changes made in final regulations published in 1998. (DB)

Introduction: Understanding a Regulation
This compilation includes the regulations for the student aid programs that are administered by the Office of Student Financial Assistance (OSFA) within the U.S. Department of Education. Many of these programs are authorized by Title IV of the Higher Education Act of 1965, as amended, and have come to be known as the “Title IV programs.”

**The relationship of law to regulations**

The statutory language that authorizes the SFA programs specifies many of the eligibility and administrative requirements for participation in the programs. Major changes are usually made every 4-5 years when the programs are reauthorized. The most recent reauthorization took place with the Higher Education Amendments of 1998. For example, the 1998 Amendments established a teacher cancellation provision for Federal Stafford Loans and renamed the State Student Incentive Grant Program.

Other changes to the law may be made on an annual basis as a part of the appropriations process. For instance, the Omnibus Reconciliation Act of 1993 eliminated the Federal Supplemental Loans for Students (SLS) program.

Some legislative changes are incorporated directly into the regulations. For instance, when §484 of the Act was amended to specify how satisfactory progress is measured, this language was added to Section 668.7 of the General Provisions.

In other cases, regulatory language must be developed that explains how the statute is to be implemented. For example, the method for calculating Pell Grants for a payment period is not specified in legislation, but was established through the regulatory process.
Proposed rules, final rules, and notices

New regulations may be issued as proposed regulations, final regulations, or notices and are published in a government publication called the Federal Register. Regulations are usually published first as a Notice of Proposed Rulemaking (NPRM). An NPRM includes background information, proposed changes to current regulations, and the address and closing (due) date for receiving comments from the public. After the Department receives comments on an NPRM from the public, it reviews the comments, incorporates any needed changes, and publishes final regulations.

In some cases, regulations are not preceded by an NPRM, but are published as a Final Rule—for instance, when the regulations simply incorporate recent statutory changes, or when the Secretary finds that solicitation of public comments would be otherwise impracticable and contrary to the public interest under 5 U.S.C. 553(b)(B). Final regulations supplement, amend, or replace earlier final regulations. Regulations published as notices generally concern procedural matters that do not require a review or comment period. The law requires some notices to be published annually—for example, notices of program deadline dates and notices to update need-analysis charts.
How regulations are developed

Regulations for the SFA programs are developed by the appropriate organizational unit within the Office of Student Financial Assistance (OSFA). For instance, the regulations for the Federal Pell Grant Program are developed by the Grants Branch of the Policy Development Division.

The text of the regulation, whether it is a notice, NPRM, or final regulation, must be reviewed and approved by other offices within the Department, such as the Office of the General Counsel and the Office of the Inspector General. After the comments from these offices have been incorporated in the regulation or otherwise resolved, the draft regulation is submitted to the Office of Management and Budget for review of:

- overall federal policy;
- budget implications;
- potential paperwork burden; and
- cost to the service population (in the case of ED, institutions of postsecondary education, lenders, guaranty agencies, students, and parents).

When the Department publishes a proposed regulation, the preamble to the regulation will explain where comments should be sent, and specify the length of the comment period. The comment period is usually 30, 45, 60, or 120 days. After the comment period ends, the office that drafted the regulation reviews all of the comments that were received. In most cases, these comments reflect administrative and other problems that might arise if the regulation was implemented as first proposed. The originating office must weigh the concerns voiced by the service population and the interest of the general public in ensuring program integrity, as it decides if changes should be made as a result of these comments. Once the originating office has drafted a final regulation, that regulation must again be reviewed by other offices in the Department, and by the Office of Management and Budget.

When final regulations are published, they include a summary of the comments received and the Department’s responses to them. Any changes incorporated in the final regulations that resulted from the comments are noted. In addition, if the Department has not made changes for the final regulations as recommended in the comments, the Department will explain its reasons for that decision.
**Negotiated rulemaking**

The law requires certain categories of regulations to undergo a review process called "Negotiated Rulemaking" before they are published as an NPRM. For example, the Department has convened a series of regional meetings to obtain public involvement in developing regulations to implement the Higher Education Amendments of 1998. These meetings included individuals and representatives of the groups involved in the SFA programs, such as students, legal assistance organizations that represent students, institutions of higher education, guaranty agencies, lenders, secondary markets, loan servicers, guaranty agency servicers, and collection agencies.

The attendees at these public meetings are given the opportunity to nominate individuals to serve as negotiators at later sessions. From this list of nominees, the Department selects a panel of negotiators. To the extent possible, the Department selects individuals reflecting the diversity in the industry, representing both large and small participants, as well as individuals serving local areas and national markets. The negotiation sessions are held at conference facilities secured by the Department, and often last a week at a time. For some regulations, as many as three of these week-long sessions are necessary to allow full discussion of the issues raised by the negotiators. The sessions are moderated by an independent mediator retained by the Department.

Following a comprehensive discussion and exchange of information, the Department uses the comments received at those meetings as it develops the proposed regulations that are published in the **Federal Register**.
How regulations are numbered by Title, Part, and Section

The Federal Register provides a uniform system for publishing federal documents. The basic component of the system is the Code of Federal Regulations (CFR). The CFR is divided into 50 titles according to subject matter. Each title is further divided into parts. Federal regulations relating to education are designated as "Title 34 of the Code of Federal Regulations" or "34 CFR." The Title 34 regulations are presently published in three volumes (Parts 1 to 299, Parts 300 to 399, and Part 400 to end). Regulations governing the SFA programs for postsecondary education currently include the following parts under Title 34:

Each part of the regulations is divided into sections. For example, Section 682.209 of the final regulations for the Federal Family Education Loan Programs, published December 18, 1992, is titled "Repayment of a Loan." When referring to this section, it may be cited as "Section 682.209," "§ 682.209," or "34 CFR 682.209."

682.209 Repayment of a loan.

(a) Conversion of a loan to repayment status. (1) For a PLUS loan disbursed in one installment or a Consolidation loan, the repayment period begins on the date the loan is disbursed. The first payment is due within 60 days after the date the loan is fully disbursed.

(2) (i) For a PLUS loan disbursed in more than one installment, the repayment period begins on the date of the first disbursement made on the loan. The first payment is due within 60 days after the date the loan is fully disbursed.

(ii) For an SLS loan, the repayment period begins on the date the loan is disbursed, or, if the loan is disbursed in multiple installments, on the date of the last disbursement of the loan. Except as provided in paragraph (a)(2)(iii) of this section the first payment is due within 60 days after the date the loan is fully disbursed.

(iii) For an SLS borrower who has not yet entered repayment on a Stafford loan, the borrower may postpone payment, consistent with the grace period on the borrower's Stafford loan.

(3)(i) Except as provided in paragraphs (a)(4) and (5) of this section, for a Stafford loan the repayment period begins—

(A) For a borrower with a loan for which the applicable interest rate is 7 percent per year, not less than 9 nor more than 12 months following the date on which the borrower is no longer enrolled on at least a half-time basis at an eligible school. The length of this grace period is determined by the lender for loans made under the FISL Program, and by the guaranty agency for loans guaranteed by the agency; and

(B) For a borrower with a loan for which the initial applicable interest rate is 8 or 9 percent per year, 6 months following the date on which the borrower is no longer enrolled on at least a half-time basis at an eligible school.

Sections are divided into subsections with the following sequential lettering and numbering system: (a), (1), (i), and (A). For example, the first bracketed subsection (shown above) would be referred to as § 682.209(a)(2)(i); the second bracketed subsection would be referred to as § 682.209(a)(3)(i)(A).
Reading a proposed regulation

The preamble of a regulation contains much useful information about the contents of the regulation and the intent of the regulatory changes. The preamble for an NPRM includes:

- Basic identifying information, such as the title of the regulations and the type of regulation.

- A summary statement of the purpose of the regulation. Note that the summary statement is usually the quickest place to identify the topics covered by the regulation. In the example below, the Summary specifically identifies the topic as “Verification,” while the title of the regulation is simply “Student Assistance General Provisions.”

| SUMMARY: The Secretary proposes to amend Subpart E of the Student Assistance General Provisions regulations, 34 CFR Part 668, Verification of Student Aid Application Information, to implement revisions resulting from the Higher Education Amendments of 1992 (Pub. L. 103-325) ... |

- The due date for public comments (may also include dates for public hearings if they are to be held).

| DATES: Comments must be received on or before May 31, 1994. |
• The address for comments, and the person and telephone number to contact for further information.

**ADDRESSES:** All comments concerning these proposed regulations should be addressed to Shirley Regwriter, U.S. Department of Education, 400 Maryland Avenue, SW., Regional Office Building 3, Room 4318, Washington, DC 20202-5451.

**FOR FURTHER INFORMATION CONTACT:** Shirley Regwriter, U.S. Department of Education, 400 Maryland Avenue, SW., Regional Office Building 3, Room 4318, Washington, DC 20202-5451. Telephone (202) 000-0000.

• A “supplementary information” section. For most regulations, this section of the preamble is the best place to find a concise summary of the proposed changes and the reasons for the changes.

**SUPPLEMENTARY INFORMATION:** Subpart E of the Student Assistance General Provisions regulations governs the verification of the information that is used to calculate an applicant’s expected family contribution as a part of the determination of the applicant's need for student financial assistance.

**Summary of Proposed Changes**

The Secretary proposes to change the requirement in §668.54 that determines the percentage of selected applicants required to be verified annually by an institution in any award year. The Secretary also proposes to change the amount of the dollar tolerance option in §668.59.

The preamble concludes with certifications that the regulation complies with Executive Order 12866 (cost/benefit analysis) and the Regulatory Flexibility Act (impact on small entities), and a List of Subjects covered in the regulation.
The actual regulation follows the preamble—in many cases, the regulation is much shorter than the preamble. To save space, the Federal Register sometimes does not contain the entire text of an existing regulation. Instead, only the language that is being changed will be printed, with the appropriate section references to indicate where the change is being made. To make sure that you understand the effect of these changes, you must compare the printed changes with the complete text of the regulation that is being amended.

The Secretary amends Part 668 of the Title 34 of the Code of Federal Regulations as follows:

PART 668—STUDENT ASSISTANCE
GENERAL PROVISIONS

1. The authority citation for Part 668 continues to read as follows:

Authority: 20 U.S.C. 1085, 1091, 1092, 1094, and 1141, unless otherwise noted.

2. Section 668.7 is amended by revising paragraph (a)(4)(iii) as follows:

§668.7 Eligible student.
(a) * * *
* * * * * *
(4) * * *
(iii) Is a permanent resident of the Trust Territory of the Pacific Islands (Palau); or
* * * * *

(These changes have been inserted into the compilation of regulations, so that you will have the complete text of the regulations as of the date that the compilation was sent to print.)
Reading a final regulation

The structure of a final regulation is very similar to that for a proposed rule. Many of the same elements described previously for proposed rules will be included in the preamble for a final rule, with the following major exceptions:

- The preamble for a final regulation will not give an address for comments unless it is an "interim final" regulation with comments invited.

- The preamble will include a section that gives the effective dates for the regulatory provisions.

- A "waiver of rulemaking" may be included if the final rule includes statutory or other changes that did not require public comment.

- The "supplementary information" section will include a summary of the comments received from the public, with the Department's decision.

Analysis of Comments and Changes

In response to the Secretary's invitation in the NPRM, 81 parties submitted comments on the proposed regulations. An analysis of the comments and of the changes in the regulations since publication of the NPRM follows.

Section 668.2 General Definitions

Comments: Several commentors supported the proposed changes to the general definitions. One commentor recommended clarifying the definitions of the PLUS Program, Stafford Loan Program and the Supplemental Loans for Students Program by adding the phrase, "to help pay for the costs of the student's postsecondary education" at the end of the definitions.

Discussion: These definitions were amended to make them consistent with the definitions proposed in 34 CFR 682.100 of the November 20, 1990 Notice of Proposed Rulemaking for the Guaranteed Student Loan programs. The Secretary believes that further clarification is unnecessary.

Changes: None.

Note that similar comments on a single issue may be addressed in a single comment and response.
The "supplementary information" section will also include a summary, usually, bulleted, of the major changes made in the final regulation. Please note that the summary of changes for a final regulation only lists those changes that were made to the proposed regulation—the summary does not list those proposed changes that were adopted without further modification. Therefore, you must refer to the preamble of the NPRM as well as the final regulation for a complete summary of the changes that were adopted in the final regulation.
Effective Dates

Generally, regulations become effective following a 45-day period prescribed by law that follows immediately after the date of publication in the Federal Register. However, if the Congress adjourns during the 45-day period, some provisions of the regulations may have a later effective date. In addition, some portions of the regulation that include recordkeeping requirements may have other effective dates that depend on the approval of these information collection requirements by the Office of Management and Budget. These later effective dates will be published in the Federal Register when they are known.

The effective dates for a regulation can depend on other constraints, as well. The master calendar specified by the Higher Education Amendments of 1986 requires major regulations to be published in final form by December 1 in order to be effective for the next award year. (For instance, a regulation would have to be published by December 1, 1995 to be effective for the 1996-97 award year.) The purpose of this provision is to give schools sufficient time to adjust to new regulatory changes before the new award year begins on July 1. The master calendar also requires annual updates to the tables used in the need analysis formulas to calculate expected family contributions; the tables must be published by June 1 of the year preceding the applicable award year.

To help you find when requirements took effect, we have included some of the more recent effective dates in small print at the end of each section of the regulations.

The appendix also includes a summary of health risks associated with alcohol, as described in What Works: Schools Without Drugs (1989 Edition), a Department of Education publication.

Persons interested in acquiring the publications or in obtaining subsequent editions in the future should contact the Superintendent of Documents, Washington, DC 20402, for Drugs of Abuse; and Schools Without Drugs, Pueblo, CO 81009, for What Works: Schools Without Drugs.

The Department of Education is providing this information as an example of the minimum level of information that IHEs may provide to their students and employees in order to comply with the requirement in Sec. 86.100(a)(3) of these regulations relating to the distribution of the health risks associated with the use of illicit drugs and the abuse of alcohol. Alcohol Effects

Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgement and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol also increase the incidence of a variety of aggressive acts, including spouse and child abuse. Moderate to high doses of alcohol cause marked impairments in higher mental functions, severely altering a person's ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described.

Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life-threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition, can also lead to permanent damage to vital organs such as the brain and the liver.

Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risk than other youngsters of becoming alcoholics.

Model Notification of Rights Under FERPA for Elementary and Secondary Institutions

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

(1) The right to inspect and review the student's education records within 45 days of the day the District receives a request for access.

Parents or eligible students should submit to the school principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

(2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading.

Parents or eligible students may ask Alpha School District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.
PART 99—FAMILY EDUCATIONAL RIGHTS AND PRIVACY

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

[Optional] Upon request, the District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. [Note: FERPA requires a school district to make a reasonable attempt to notify the student of the records request unless it states in its annual notification that it intends to forward records on request.]

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605

[Note: In addition, a school may want to include its directory information public notice, as required by Sec. 99.37 of the regulations, with its annual notification of rights under FERPA.]

Model Notification of Rights Under FERPA for Postsecondary Institutions

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

(1) The right to inspect and review the student's education records within 45 days of the day the University receives a request for access.

Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

(2) The right to request the amendment of the student's education records that the student believes are inaccurate or misleading.

Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

[Optional] Upon request, the University discloses education records without consent to officials of another school, upon request, in which a student seeks or intends to enroll. [Note: FERPA requires an institution to make a reasonable attempt to notify the student of the records request unless the institution states in its annual notification that it intends to forward records on request.]

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by State University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605
[Note: In addition, an institution may want to include its directory information public notice, as required by Sec. 99.37 of the regulations, with its annual notification of rights under FERPA.]

Sec. 600.1 Scope.

An eligible institution of higher education may apply to participate in programs authorized by the HEA (HEA programs).

Authority: 20 U.S.C. 1088, 1094, 1099b, 1099c, and 1141

Sec. 600.2 Definitions.

The following definitions apply to terms used in this part:

Award year: The period of time from July 1 of one year through June 30 of the following year.

Branch Campus: A location of an institution that is geographically apart and independent of the main campus of the institution. The Secretary considers a location of an
PART 600--INSTITUTIONAL ELIGIBILITY UNDER THE HIGHER EDUCATION ACT OF 1965, AS AMENDED

Institution to be independent of the main campus if the location—

1. Is permanent in nature;

2. Offers courses in educational programs leading to a degree, certificate, or other recognized educational credential;

3. Has its own faculty and administrative or supervisory organization; and

4. Has its own budgetary and hiring authority.

Clock hour: A period of time consisting of—

1. A 50- to 60-minute class, lecture, or recitation in a 60-minute period;

3. Sixty minutes of preparation in a correspondence course.

Correspondence course: (1) A "home-study" course provided by an institution under which the institution provides instructional materials, including examinations on the materials, to students who are not physically attending classes at the institution. When students complete a portion of the instructional materials, the students take the examinations that relate to that portion of the materials, and return the examinations to the institution for grading.

2. A home-study course that provides instruction in whole or in part through the use of video cassettes or video discs in an award year is a correspondence course unless the institution also delivers the instruction on the cassette or disc to students physically attending classes at the institution during the same award year.

3. A course at an institution that may otherwise satisfy the definition of a "telecommunications course" is a correspondence course if the sum of telecommunications and other correspondence courses offered by that institution equals or exceeds 50 percent of the total courses offered at that institution.

4. If a course is part correspondence and part residential training, the Secretary considers the course to be a correspondence course.

Educational program: A legally authorized postsecondary program of organized instruction or study that leads to an academic, professional, or vocational degree, or certificate, or other recognized educational credential.

However, the Secretary does not consider that an institution provides an educational program if the institution does not provide instruction itself (including a course of independent study), but merely gives credit for one or more of the following: instruction provided by other institutions or schools; examinations provided by agencies or organizations; or other accomplishments such as "life experience."

Eligible institution: An institution that—

1. Qualifies as—

   (i) An institution of higher education, as defined in Sec. 600.4;

The Federal Stafford Loan, Federal PLUS, Federal SLS, and Federal Consolidation Loan programs are defined in 34 CFR part 668.

Incarcerated student: A student who is serving a criminal sentence in a Federal, State, or local penitentiary, prison, jail, reformatory, work farm, or other similar correctional institution. A student is not considered incarcerated if that student is in a halfway house or home detention or is sentenced to serve only weekends.

Legally authorized: The legal status granted to an institution through a charter, license, or other written document issued by the appropriate agency or official of the State in which the institution is physically located.

Nationally recognized accrediting agency: An agency or association that the Secretary recognizes as a reliable authority to determine the quality of education or training offered by an institution or a program offered by an institution. The Secretary recognizes these agencies and associations under the provisions of 34 CFR part 602 and publishes a list of the recognized agencies in the Federal Register.
PART 600—INSTITUTIONAL ELIGIBILITY UNDER THE HIGHER EDUCATION ACT OF 1965, AS AMENDED

Nonprofit institution: An institution that—

Regular student: A person who is enrolled or accepted for enrollment at an institution for the purpose of obtaining a degree, certificate, or other recognized educational credential offered by that institution.

The term does not include a course that is delivered using video cassettes or disc recordings unless that course is delivered to students physically attending classes at an institution providing the course during the same award year. If the course does not qualify as a telecommunications course it is considered to be a correspondence course, as provided for in paragraph (c) of the definition of correspondence course in this section.

Title IV, HEA program: Any of the student financial assistance programs listed in 34 CFR 668.1(c).

(Authority: 20 U.S.C. 1071 et seq., 1078-2, 1088, 1099b, 1099c, and 1141 and 26 U.S.C. 501(c).)

(i) Counts any period during which the applicant institution qualified as an eligible institution of higher education;

(ii) Counts any period during which the applicant institution was part of another eligible institution of higher
education, provided that the applicant institution continues to be part of an eligible institution of higher education;

(iii) Counts any period during which the applicant institution qualified as a branch campus; and

(iv) Except as provided in paragraph (b)(3)(iii) of this section, does not count any period during which the applicant institution was a part of another eligible proprietary institution of higher education or postsecondary vocational institution.

(c) An institution is physically located in a State or other instructional site if it has a campus or instructional site in that State.

(d) The Secretary does not recognize the accreditation or preaccreditation of an institution unless the institution agrees to submit any dispute involving the final denial, withdrawal, or termination of accreditation to binding arbitration before initiating any other legal action.

(Authority: 20 U.S.C. 1088 and 1094(c)(3))

Sec. 600.7 Conditions of Institutional Ineligibility.

(a) General rule. For purposes of title IV of the HEA, an educational institution that otherwise satisfies the requirements contained in Secs. 600.4, 600.5, or 600.6 nevertheless does not qualify as an eligible institution under this part if--

(1) For its latest complete award year--

(i) More than 50 percent of the institution's courses were correspondence courses as calculated under paragraph (b) of this section;

(ii) Fifty percent or more of the institution's regular enrolled students were enrolled in correspondence courses;

(iii) Twenty-five percent or more of the institution's regular enrolled students were incarcerated;

(iv) Fifty percent or more of its regular enrolled students had neither a high school diploma nor the recognized equivalent of a high school diploma, and the institution does not provide a four-year or two-year educational program for which it awards a bachelor's degree or an associate degree, respectively;

(2) The institution, or an affiliate of the institution that has the power, by contract or ownership interest, to direct or cause the direction of the management of policies of the institution--

(A) Files for relief in bankruptcy, or

(B) Has entered against it an order for relief in bankruptcy; or

(3) The institution, its owner, or its chief executive officer--

(i) Has pled guilty to, has pled no contest to, or is found guilty of, a crime involving the acquisition, use, or expenditure of title IV, HEA program funds; or

(ii) Has been judicially determined to have committed fraud involving title IV, HEA program funds.

(b) Special provisions regarding correspondence courses and students--

(1) Treatment of telecommunications courses. For purposes of paragraphs (a)(1)(i) and (ii) of this section, the Secretary considers a telecommunications course to be a correspondence course if the sum of telecommunications courses and other correspondence courses the institution provided during that award year equalled or exceeded 50 percent of the total number of courses it provided during that year.

(2) Calculating the number of courses. For purposes of paragraphs (a)(1)(i) and (ii) of this section--

(i) A correspondence course may be a complete educational program offered by correspondence, or one course provided by correspondence in an on-campus (residential) educational program;

(ii) A course must be considered as being offered once during an award year regardless of the number of times it is offered during that year; and

(iii) A course that is offered both on campus and by correspondence must be considered two courses for the purpose of determining the total number of courses the institution provided during an award year.

(3) Exceptions. (i) The provisions contained in paragraphs (a)(1)(i) and (ii) of this section do not apply to an institution that qualifies as a "technical institute or vocational school used exclusively or principally for the provision of vocational education to individuals who have completed or left high school and who are available for study in preparation for entering the labor market" under section 521(4)(C) of the Carl D. Perkins Vocational and Applied Technology Education Act.

(ii) The Secretary waives the limitation contained in paragraph (a)(1)(ii) of this section for an institution that offers a 2-year associate-degree or a 4-year bachelor's-degree program if the students enrolled in the institution's correspondence courses receive no more than 5 percent of the
PART 600—INSTITUTIONAL ELIGIBILITY UNDER THE HIGHER EDUCATION ACT OF 1965, AS AMENDED

(c) Special provisions regarding incarcerated students—(1) Exception. The Secretary may waive the prohibition contained in paragraph (a)(1)(ii) of this section, upon the application of an institution, if the institution is a nonprofit institution that provides four-year or two-year educational programs for which it awards bachelor's or associate degrees, respectively.

(2) If the nonprofit institution that applies for a waiver consists solely of four-year or two-year educational programs for which it offers bachelor's or associate degrees, respectively, or both types of programs, the Secretary waives the prohibition contained in paragraph (a)(1)(ii) of this section for the entire institution.

(3) If the nonprofit institution that applies for a waiver does not consist solely of four-year or two-year educational programs for which it offers bachelor's or associate degrees, respectively, or both types of programs, the Secretary waives the prohibition contained in paragraph (a)(1)(ii) of this section—

(i) For the four-year and two-year programs that lead, respectively, to bachelor's and associate degrees; and

(ii) For the other programs the institution offers, if the incarcerated regular students enrolled in those other programs have a completion rate of 50 percent or greater.

(d) Special provisions for a nonprofit institution if more than 50 percent of its enrollment consists of students who do not have a high school diploma or its equivalent. (1) Subject to the provisions contained in paragraphs (d)(2) and (d)(3) of this section, the Secretary waives the limitation contained in paragraph (a)(1)(iv) of this section for a nonprofit institution that demonstrates to the Secretary's satisfaction that it exceeds that limitation because it serves, through contracts with Federal, State, or local government agencies, significant numbers of students who do not have a high school diploma or its recognized equivalent.

(2) Number of critical students. The Secretary grants a waiver under paragraph (d)(1) of this section only if no more than 40 percent of the institution's enrollment of regular students consists of students who—

(i) Do not have a high school diploma or its equivalent; and

(ii) Are not served through contracts described in paragraph (d)(3) of this section.

(3) Contracts with Federal, State, or local government agencies. For purposes of granting a waiver under paragraph (d)(1) of this section, the contracts referred to must be with Federal, State, or local government agencies for the purpose of providing job training to low-income individuals who are in need of that training. An example of such a contract is a job training contract under the Job Training Partnership Act (JTPA).

(e) Special provisions. (1) For purposes of paragraph (a)(1) of this section, when counting regular students, the institution shall—

(i) Count each regular student without regard to the full-time or part-time nature of the student's attendance (i.e., "head count" rather than "full-time equivalent");

(ii) Count a regular student once regardless of the number of times the student enrolls during an award year; and

(iii) Determine the number of regular students who enrolled in the institution during the relevant award year by—

(A) Calculating the number of regular students who enrolled during that award year; and

(B) Excluding from the number of students in paragraph (e)(1)(iii)(A) of this section, the number of regular students who enrolled but subsequently withdrew or were expelled from the institution and were entitled to receive a 100-percent refund of their tuition and fees less any administrative fee that the institution is permitted to keep under its fair and equitable refund policy.

(2) For the purpose of calculating a completion rate under paragraph (c)(3)(i) of this section, the institution shall—

(i) Determine the number of regular incarcerated students who enrolled in the other programs during the last completed award year;

(ii) Exclude from the number of regular incarcerated students determined in paragraph (e)(2)(i) of this section, the number of those regular incarcerated students who remained enrolled in the programs at the end of the applicable award year;

(iii) Exclude from the total obtained in paragraph (e)(2)(ii) of this section, the number of those regular incarcerated students who received a degree, certificate, or other recognized educational credential awarded for successfully
(f) (1) If the Secretary grants a waiver to an institution under this section, the waiver extends indefinitely provided that the institution satisfies the waiver requirements in each award year.

(2) If an institution fails to satisfy the waiver requirements for an award year, the institution becomes ineligible on June 30 of that award year.

(g) (1) For purposes of paragraph (a)(1) of this section, and any applicable waiver or exception under this section, the institution shall substantiate the required calculations by having the certified public accountant who prepares its audited financial statement under 34 CFR 668.15 or its title IV, HEA program compliance audit under 34 CFR 668.23 report on the accuracy of those determinations.

(2) The certified public accountant's report must be based on performing an "attestation engagement" in accordance with the American Institute of Certified Public Accountants (AICPA's) Statement on Standards for Attestation Engagements. The certified public accountant shall include that attestation report with or as part of the audit report referenced in paragraph (g)(1) of this section.

(3) The certified public accountant's attestation report must indicate whether the institution's determinations regarding paragraph (a)(1) of this section and any relevant waiver or exception under paragraphs (b), (c), and (d) of this section are accurate; i.e., fairly presented in all material respects.

(h) Notice to the Secretary. An institution shall notify the Secretary--

(1) By July 31 following the end of an award year if it falls within one of the prohibitions contained in paragraph (a)(1) of this section, or fails to continue to satisfy a waiver or exception granted under this section; or

(2) Within 10 days if it fails within one of the prohibitions contained in paragraphs (a)(2) or (a)(3) of this section.

(i) Regaining eligibility. (1) If an institution loses its eligibility because of one of the prohibitions contained in paragraph (a)(1) of this section, to regain its eligibility, it must demonstrate--

(i) Compliance with all eligibility requirements;

(ii) That it did not fall within any of the prohibitions contained in paragraph (a)(1) of this section for at least one award year; and

(iii) That it changed its administrative policies and practices to ensure that it will not fall within any of the prohibitions contained in paragraph (a)(1) of this section.

(2) If an institution loses its eligibility because of one of the prohibitions contained in paragraphs (a)(2) and (a)(3) of this section, this loss is permanent. The institution's eligibility cannot be reinstated.

Sec. 600.8 Treatment of a branch campus.

A branch campus of an eligible institution must be in existence for at least two years as a branch campus before seeking to be designated as a main campus or a free-standing institution.

(Authority: 20 U.S.C. 1099c)

Sec. 600.9 Written agreement between an eligible institution and another institution or organization.

(a) Without losing its eligibility under this part, an eligible institution may enter into a written agreement with another eligible institution under which the latter institution provides all or a part of the educational program of students enrolled in the former institution if the former institution gives credit to students enrolled in that contracted program on the same basis as if it provided that program itself.

(b) Without losing its eligibility under this part, an eligible institution may enter into a written agreement with an institution or organization that is not an eligible institution under which the latter institution or organization provides a part of the educational program of students enrolled in the eligible institution if--
PART 600—INSTITUTIONAL ELIGIBILITY UNDER THE HIGHER EDUCATION ACT OF 1965, AS AMENDED

(1) The eligible institution gives credit to students enrolled in that contracted program on the same basis as if it provided that program itself;

(2) The ineligible institution or organization--

(i) Has not been terminated from participation in the title-IV, HEA programs; or

(ii) Has not withdrawn from participation in the title IV, HEA programs under a termination, show-cause, suspension, or similar type proceeding initiated by the institution's State licensing agency, accrediting agency, guarantor, or by the Secretary; and

(3) The ineligible institution or organization provides-

(i) Not more than 25 percent of the educational program of a student enrolled in the eligible institution; or

(ii) More than 25 percent but not more than 50 percent of the educational program of a student enrolled in the eligible institution so long as--

(A) The eligible institution and the ineligible institution or organization are not owned or controlled by the same individual, partnership, or corporation; and

(B) The eligible institution's accrediting agency or, if the eligible institution is a public postsecondary vocational educational institution, the relevant State agency listed in the Federal Register in accordance with 34 CFR part 603, specifically determines that the institution's agreement meets the agency's standards for the contracting out of educational services.

(Authority: 20 U.S.C. 1094)

Sec. 600.10 Date, extent, duration, and consequence of eligibility.

(a) Date of eligibility. (1) If the Secretary determines that an applicant institution satisfies all the statutory and regulatory eligibility requirements, the Secretary considers the institution to be an eligible institution as of the date--

(i) The Secretary signs the institution's program participation agreement described in 34 CFR part 668, subpart B, for purposes of participating in any title IV, HEA program; and

(ii) The Secretary receives all the information necessary to make that determination for purposes other than participating in any title IV, HEA program.

(2) For purposes of participating in a title IV, HEA program, if an eligible institution seeks eligibility for a location or educational program not previously designated eligible, and the Secretary determines that the location or educational program satisfies all the statutory and regulatory eligibility requirements, the Secretary considers the location or program to be eligible to participate in that title IV, HEA program as of the date the Secretary certifies that location or program to so participate.

(b) Extent of eligibility. (1) If the Secretary determines that the entire applicant institution, including all its locations and all its educational programs, satisfies the applicable requirements of this part, the Secretary extends eligibility to all educational programs and locations identified on the institution's application for eligibility.

(2) If the Secretary determines that only certain educational programs or certain locations of an applicant institution satisfy the applicable requirements of this part, the Secretary extends eligibility only to those educational programs and locations that meet those requirements and identifies the eligible educational programs and locations in the eligibility notice sent to the institution under Sec. 600.21.

(3) Eligibility does not extend to any location that an institution establishes after it receives its eligibility designation if the institution provides at least 50 percent of an educational program at that location, unless--

(i) The institution has notified the Secretary of that location in accordance with Sec. 600.30(a)(3); and

(ii) The Secretary does not require the institution to submit an eligibility application for that location under Sec. 600.21(c).

(c) Subsequent additions of educational programs. (1) Except as provided in paragraph (c)(2) of this section, if an eligible institution adds an educational program after it has been designated as an eligible institution by the Secretary, the institution must apply to the Secretary to have that additional program designated as an eligible program of that institution.

(2) An eligible institution that adds an educational program after it has been designated as an eligible institution by the Secretary does not have to apply to the Secretary to have that additional program designated as an eligible program of that institution if the additional program--

(i) Leads to an associate, baccalaureate, professional, or graduate degree; or
PART 600—INSTITUTIONAL ELIGIBILITY UNDER THE HIGHER EDUCATION ACT OF 1965, AS AMENDED

(ii)(A) Prepares students for gainful employment in the same or related recognized occupation as an educational program that has previously been designated as an eligible program at that institution by the Secretary; and

(B) is at least 8 semester hours, 12 quarter hours, or 600 clock hours.

(3) If an institution incorrectly determines under paragraph (c)(2) of this section that an educational program satisfies the applicable statutory and regulatory eligibility provisions without applying to the Secretary for approval, the institution is liable to repay to the Secretary all HEA program funds received by the institution for that educational program, and all the title IV, HEA program funds received by or on behalf of students who were enrolled in that educational program.

(d) Duration of eligibility. (1) If an institution participates in the title IV, HEA programs, the Secretary's designation of the institution as an eligible institution under the title IV, HEA programs expires when the institution's program participation agreement, as described in 34 CFR part 668, subpart B, expires.

(2) If an institution participates in an HEA program other than a title IV, HEA program, the Secretary's designation of the institution as an eligible institution, for purposes of that non-title IV, HEA program, does not expire as long as the institution continues to satisfy the statutory and regulatory requirements governing its eligibility.

(e) Consequence of eligibility. (1) If, as a part of its institutional eligibility application, an institution indicates that it wishes to participate in a title IV, HEA program and the Secretary determines that the institution satisfies the applicable statutory and regulatory requirements governing institutional eligibility, the Secretary will determine whether the institution satisfies the standards of administrative capability and financial responsibility contained in 34 CFR part 668, subpart B.

(2) If, as part of its institutional eligibility application, an institution indicates that it does not wish to participate in any title IV, HEA program and the Secretary determines that the institution satisfies the applicable statutory and regulatory requirements governing institutional eligibility, the institution is eligible to apply to participate in any HEA program listed by the Secretary in the eligibility notice it receives under Sec. 600.21. However, the institution is not eligible to participate in those programs, or receive funds under those programs, merely by virtue of its designation as an eligible institution under this part.

(Authority: 20 U.S.C. 1088 and 1141)

Sec. 600.11 Special rules regarding institutional accreditation or preaccreditation.

(a) Change of accrediting agencies. For purposes of Secs. 600.4(a)(5)(i), 600.5(a)(6), and 600.6(a)(5)(i), the Secretary does not recognize the accreditation or preaccreditation of an otherwise eligible institution if that institution is in the process of changing its accrediting agency, unless the institution provides to the Secretary--

(1) All materials related to its prior accreditation or preaccreditation; and

(2) Materials demonstrating reasonable cause for changing its accrediting agency.

(b) Multiple accreditation. The Secretary does not recognize the accreditation or preaccreditation of an otherwise eligible institution if that institution is accredited or preaccredited as an institution by more than one accrediting agency, unless the institution--

(1) Provides to each such accrediting agency and the Secretary the reasons for that multiple accreditation or preaccreditation;

(2) Demonstrates to the Secretary reasonable cause for that multiple accreditation or preaccreditation; and

(3) Designates to the Secretary which agency's accreditation or preaccreditation the institution uses to establish its eligibility under this part.

(c) Loss of accreditation or preaccreditation. (1) An institution may not be considered eligible for 24 months after it has had its accreditation or preaccreditation withdrawn, revoked, or otherwise terminated for cause, unless the accrediting agency that took that action rescinds that action.

(2) An institution may not be considered eligible for 24 months after it has withdrawn voluntarily from its accreditation or preaccreditation status under a show-cause or suspension order issued by an accrediting agency, unless that agency rescinds its order.

(d) Religious exception. (1) If an otherwise eligible institution loses its accreditation or preaccreditation, the Secretary considers the institution to be accredited or preaccredited for purposes of complying with the provisions of Secs. 600.4, 600.5, and 600.6 if the Secretary determines that its loss of accreditation or preaccreditation--

(i) Is related to the religious mission or affiliation of
the institution; and

(ii) is not related to its failure to satisfy the accrediting agency's standards.

(2) If the Secretary considers an unaccredited institution to be accredited or preaccredited under the provisions of paragraph (d)(1) of this section, the Secretary will consider that unaccredited institution to be accredited or preaccredited for a period sufficient to allow the institution to obtain alternative accreditation or preaccreditation, except that period may not exceed 18 months.

(Authority: 20 U.S.C. 1099b)

Subpart B—Procedures for Establishing Eligibility

Sec. 600.20 Application procedures.

(a) An institution that wishes to establish its eligibility to apply to participate in any program authorized by the HEA must first apply to the Secretary for a determination that it qualifies as an eligible institution.

(b) A previously designated eligible institution must apply to the Secretary if—

(1) The Secretary requests the institution to file an application so as to determine whether it continues to meet the requirements of this part; or

(2) The institution satisfies one of the conditions contained in paragraph (c) of this section.

(c) An institution must apply if it wishes to—

(1) Continue to be eligible beyond the scheduled expiration of its current eligibility designation;

(2) Include in its eligibility designation a branch campus that is not currently included in that designation;

(3) Include in its eligibility designation a location that is not currently included in that designation, if—

(i) The institution offers 100 percent of an educational program at that location; or

(ii) The institution offers at least 50 percent of an educational program at that location, and the Secretary requires the institution to apply for eligibility under Sec. 600.21(c)(2);

(4) Continue to be eligible following a change in its name, location, or address;

(5) Continue to include in its eligibility designation a branch campus that has changed its name, location, or address;

(6) Continue to include in its eligibility designation another location that has changed its name, location, or address, if—

(i) That location offers 100 percent of an educational program; or

(ii) The Secretary requires the institution to apply for eligibility under Sec. 600.21(c)(2); or

(7) Reestablish eligibility following a change in ownership that results in a change in control according to the provisions of Sec. 600.31.

(d) An institution applying for designation as an eligible institution shall—

(1) Apply on the form prescribed by the Secretary; and

(2) Provide all the information and documentation requested by the Secretary to make a determination of its eligibility.

(Authority: 20 U.S.C. 1088 and 1141)

(Approved by the Office of Management and Budget under control number 1840-0098)

Sec. 600.21 Eligibility notification.

(a) The Secretary notifies an institution in writing—

(1) Whether the applicant institution qualifies in whole or in part as an eligible institution under the appropriate provisions in Secs. 600.4, 600.5, 600.6 and 600.7;

(2) Whether the institution is certified to participate in the title IV, HEA programs if the institution applied to participate in those programs; and

(3) Of the title IV, HEA programs in which it is eligible to participate, and the title IV, HEA programs for which it is eligible to apply to participate.
PART 600—INSTITUTIONAL ELIGIBILITY UNDER THE HIGHER EDUCATION ACT OF 1965, AS AMENDED

(b) If only a portion of the applicant institution qualifies as an eligible institution, the Secretary specifies in the notice the locations or educational programs that qualify as the eligible institution.

(c) If the Secretary receives a notice from an institution as a result of Sec. 600.30(a)(3), the Secretary--

(1) Notifies the institution that the location is an eligible location of that institution, identifies the HEA programs in which the institution may participate without further action, and indicates that the extension of eligibility and participation is effective on the date that the Secretary received the institution's notice; or

(2) Notifies the institution that the institution must apply for eligibility of that location under Sec. 600.20.

(d) The Secretary makes the determination in paragraph (c) of this section by evaluating the institution's ability to provide adequately education or training at the location. In making that evaluation, the Secretary uses such factors as--

(1) The percentage of an educational program offered at the location; and

(2) The financial and administrative capability of the institution.

(Authority: 20 U.S.C. 1088, 1099c, and 1141)

Subpart C—Maintaining Eligibility

Sec. 600.30 Institutional notification requirements.

(a) Except as provided in paragraph (b) of this section, an eligible institution shall notify the Secretary in writing, at an address specified by the Secretary in a notice published in the Federal Register, no later than 10 days after the change occurs, of any change in the following information provided in the institution's eligibility application:

(1) Its name.

(2) Its address.

(3) The name, number, and address of locations other than the main campus at which it offers at least 50 percent of an educational program and the percentages of the educational programs that it provides at each location.

(4) The way it measures program length, e.g. clock hours or credit hours.

(5) Its ownership, if that ownership change results in a change in control of the institution.

(6) Its status as a proprietary, nonprofit, or public institution.

(7) A person's ability to affect substantially the actions of the institution, if that person did not previously have this ability. The Secretary generally considers a person to have this ability if the person--

(i) Directly or indirectly holds at least a 25 percent ownership interest in the institution;

(ii) Holds, together with another member or members of his or her family, at least a 25 percent ownership interest in the institution;

(iii) Represents, either alone or together with other persons, under a voting trust, power of attorney, proxy, or similar agreement one or more persons who hold either individually or in combination with the other persons represented or the person representing them, at least a 25 percent ownership in the institution; or

(iv) Is a member of the board of directors, a general partner, the chief executive officer, or other executive officer of--

(A) The institution; or

(B) An entity that holds at least a 25 percent ownership interest in the institution.

(b) An eligible institution that is owned by a publicly-traded corporation shall notify the Secretary in writing, at an address specified by the Secretary in a notice published in the Federal Register, of any change in the information that is described in paragraphs (a) (5) through (7) of this section at the same time that the institution notifies the institution's accrediting agency, but no later than 10 days after the corporation learns of the change.

(c) The Secretary notifies the institution in writing if any reported change affects the institution's eligibility, and the effective date of that change.

(d) The institution's failure to inform the Secretary of the information described in paragraph (a) of this section within the time period stated in that paragraph may result in adverse action against it, including its loss of eligibility.

(e)(1) For the purposes of this section, an ownership interest is a share of the legal or beneficial ownership or
control of, or a right to share in the proceeds of the operation of, an institution or institution’s parent corporation.

(2) The term ownership interest includes, but is not limited to—

(i) An interest as tenant in common, joint tenant, or tenant by the entireties;

(ii) A partnership; and

(iii) An interest in a trust.

(3) The term ownership interest does not include any share of the ownership or control of, or any right to share in the proceeds of the operation of—

(i) A mutual fund that is regularly and publicly traded;

(ii) An institutional investor; or

(iii) A profit-sharing plan, provided that all employees are covered by the plan.

(f) For the purposes of this section, the Secretary considers a member of a person’s family to be a parent, sibling, spouse or child; spouse’s parent or sibling; or sibling’s or child’s spouse.

(Authority: 20 U.S.C. 1088 and 1141)

(Approved by the Office of Management and Budget under control number 1840-0098)

Sec. 600.31 Change in ownership resulting in a change of control.

(a) General. (1) An institution that undergoes a change in ownership that results in a change of control ceases to qualify as an eligible institution upon the change in ownership and control. A change in ownership that results in a change in control includes any change by which a person who has or thereby acquires an ownership interest in the entity that owns this institution or the parent corporation of that entity, acquires or loses the ability to control the institution.

(2) In order to reestablish eligibility and to resume participation in the title IV, HEA programs, the institution must demonstrate to the Secretary that after the change in ownership and control—

(i) The institution satisfies all the applicable requirements contained in Secs. 600.4, 600.5, and 600.6, except that if the institution is a proprietary institution of higher education or postsecondary vocational institution, it need not have been in existence for two years before seeking eligibility; and

(ii) The institution qualifies to be certified to participate under 34 CFR part 668, subpart B.

(b) Definitions. The following definitions apply to terms used in this section:

Closely-held corporation. Closely-held corporation (including the term “close corporation”) means—

(1) A corporation that qualifies under the law of the State of its incorporation as a closely-held corporation; or

(2) If the State of incorporation has no definition of closely-held corporation, a corporation the stock of which—

(i) Is held by no more than 30 persons; and

(ii) Has not been and is not planned to be publicly offered.

Control. Control (including the terms “controlling”, “controlled by” and “under common control with”) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

Ownership. Ownership or ownership interest means a legal or beneficial interest in an entity, or a right to share in the profits derived from the operation of an entity. The term does not include the interests of a mutual fund that is regularly and publicly traded, of an institutional investor, or of a profit-sharing plan in which all employees of an entity may participate.

Parent. The parent or parent corporation of a specified corporation is the corporation or partnership that controls the specified corporation directly or indirectly through one or more intermediaries.

Person. Person includes a legal person (corporation or partnership) or an individual.

Wholly-owned subsidiary. A wholly-owned subsidiary is one substantially all of whose outstanding voting securities are owned by its parent together with the parent’s other wholly-owned subsidiaries.

(c) Standards for identifying changes in ownership
and control—(1) Closely-held corporation. A change in ownership and control occurs when—

(i) A person acquires more than 50 percent of the total outstanding voting stock of the corporation;

(ii) A person who holds an ownership interest in the corporation acquires control of more than 50 percent of the outstanding voting stock of the corporation; or

(iii) A person who holds or controls 50 percent or more of the total outstanding stock of the corporation ceases to hold or control that proportion of the stock of the corporation.

(2) Publicly-traded corporation required to be registered with the Securities and Exchange Commission (SEC). A change in ownership and control occurs when a change of control of the corporation takes place that gives rise to the obligation to file a Form 8K with the SEC notifying that agency of the change in control.

(3) Other corporations. A change in ownership and control of a corporation that is neither closely-held nor required to be registered with the SEC occurs when—

(i) A person who has or acquires an ownership interest acquires both control of at least 25 percent of the total outstanding voting stock of the corporation and control of the corporation;

(ii) A person who holds both ownership or control of at least 25 percent of the total outstanding voting stock of the corporation and control of the corporation ceases to own or control that proportion of the stock of the corporation, or to control the corporation; or

(iii) For a membership corporation, a person who is or becomes a member acquires or loses control of 25 percent of the voting interests of the corporation and control of the corporation.

(4) Partnership or sole proprietorship. A change in ownership and control occurs when a person who has or acquires an ownership interest acquires or loses control as described in this section.

(5) Parent corporation. An institution that is a wholly-owned subsidiary changes ownership and control when the parent corporation changes ownership and control as described in this section.

(6) Nonprofit corporation or association. An institution that is owned by a nonprofit corporation or association changes ownership and control when a change specifically described in this paragraph (c) takes place.

(7) Public institution. Notwithstanding paragraph (d) of this section, an institution owned and operated by a governmental entity changes ownership and control only when the ownership of the institution is transferred to a different governmental entity or to another person.

(d) Covered transactions. For the purposes of this section, a change in ownership of an institution that results in a change of control may include, but is not limited to—

(1) The sale of the institution;

(7) A conversion of the institution from a for-profit to a nonprofit institution.

(e) Excluded transactions. A change in ownership and control otherwise subject to this section does not include a transfer of ownership and control upon the retirement or death of the owner, to—

(1) A member of the owner's family, as described in Sec. 600.30(f);

(2) A person with an ownership interest in the institution who has been involved in management of the institution for at least two years preceding the transfer.

(f) Transfers subject to contingency. An institution may submit and have considered an application for a designation of eligibility and for certification under 34 CFR part 668, subpart B, only when the transfer has been completed. A transfer is complete for purposes of this section when the transfer is otherwise final but is subject to the condition subsequent that the institution obtain approval from the Secretary, the accrediting agency, or State licensing authority after the transfer. A transfer otherwise complete is not considered incomplete or contingent where the transferor retains a interest in the stock or assets of the institution or its owner solely for purposes of security.

(Authority: 20 U.S.C. 1088 and 1141)

Subpart D—Loss of Eligibility

Sec. 600.40 Loss of eligibility.

(a)(1) Except as provided in paragraphs (a)(2) and (3) of this section, an institution, or a location or educational program of an institution, loses its eligibility on the date that--

(i) The institution, location, or educational program fails to meet any of the eligibility requirements of this part;

(ii) The institution or location permanently closes;

(iii) The institution or location ceases to provide educational programs for a reason other than a normal vacation period or a natural disaster that directly affects the institution, particular location, or the students of the institution or location; or

(iv) For purposes of the title IV, HEA programs--

(A) The institution's period of participation as specified under 34 CFR 668.13 expires; or

(B) The institution's provisional certification is revoked under 34 CFR 668.13.

(2) If an institution loses its eligibility because it violated the requirements of Sec. 600.5(a)(8), as evidenced by the determination under provisions contained in Sec. 600.5(d), it loses its eligibility on the last day of the fiscal year used in Sec. 600.5(d), except that if an institution's latest fiscal year was described in Sec. 600.7(h)(1), it loses its eligibility as of June 30, 1994.

(3) If an institution loses its eligibility under the provisions of Sec. 600.7(h)(1), it loses its eligibility on the last day of the award year being evaluated under that provision.

(b) If the Secretary undertakes to terminate the eligibility of an institution because it violated the provisions of Sec. 600.5(a)(8) or Sec. 600.7(h), and the institution requests a hearing, the presiding official must terminate the institution's eligibility if it violated those provisions, notwithstanding its
status at the time of the hearing.

(c)(1) If the Secretary designates an institution or any of its educational programs or locations as eligible on the basis of inaccurate information or documentation, the Secretary's designation is void from the date the Secretary made the designation, and the institution or program or location, as applicable, never qualified as eligible.

(2) If an institution closes its main campus or stops providing any educational programs on its main campus, it loses its eligibility as an institution, and that loss of eligibility includes all its locations and all its programs. Its loss of eligibility is effective on the date it closes that campus or stops providing any educational program at that campus.

(d) Except as otherwise provided in this part, if an institution ceases to satisfy any of the requirements for eligibility under this part—

(1) It must notify the Secretary within 30 days of the date that it ceases to satisfy that requirement; and

(2) It becomes ineligible to continue to participate in any HEA program as of the date it ceases to satisfy any of the requirements.

(Authority: 20 U.S.C. 1088, 1099a-3, and 1141)

Sec. 600.41 Termination and emergency action proceedings.

(a) If the Secretary believes that a previously designated eligible institution as a whole, or at one or more of its locations, does not satisfy the statutory or regulatory requirements that define that institution as an eligible institution, the Secretary may—

(1) Terminate the institution's eligibility designation in whole or as to a particular location—

(i) Under the procedural provisions applicable to terminations contained in 34 CFR 668.81, 668.83, 668.86, 668.87, 668.88, 668.89, 668.90 (a)(1), (a)(4), and (c) through (f), and 668.91; or

(ii) Under a show-cause hearing, if the institution's loss of eligibility results from—

(A) Its previously qualifying as an eligible vocational school;

(B) Its previously qualifying as an eligible institution, notwithstanding its unaccredited status, under the transfer-of-credit alternative to accreditation (as that alternative existed in 20 U.S.C. 1085, 1088, and 1141(a)(5)(B) and 600.8 until July 23, 1992);

(C) Its loss of accreditation or preaccreditation;

(D) Its loss of legal authority to provide postsecondary education in the State in which it is physically located;

(E) Its violations of the provisions contained in Sec. 600.5(a)(6) or Sec. 600.7(a);

(F) Its permanently closing; or

(G) Its ceasing to provide educational programs for a reason other than a normal vacation period or a natural disaster that directly affects the institution, a particular location, or the students of the institution or location;

(2) Limit, under the provisions of 34 CFR 668.86, the authority of the institution to disburse, deliver, or cause the disbursement or delivery of funds under one or more title IV, HEA programs as otherwise provided under 34 CFR 668.26 for the benefit of students enrolled at the ineligible institution or location prior to the loss of eligibility of that institution or location; and

(3) Initiate an emergency action under the provisions contained in 34 CFR 668.83 with regard to the institution's participation in one or more title IV, HEA programs.

(b) If the Secretary believes that an educational program offered by an institution that was previously designated by the Secretary as an eligible institution under the HEA does not satisfy relevant statutory or regulatory requirements that define that educational program as part of an eligible institution, the Secretary may in accordance with the procedural provisions described in paragraph (a) of this section—

(1) Undertake to terminate that educational program's eligibility under one or more of the title IV, HEA programs under the procedural provisions applicable to terminations described in paragraph (a) of this section;

(2) Limit the institution's authority to deliver, disburse, or cause the delivery or disbursement of funds provided under that title IV, HEA program to students enrolled in that educational program, as otherwise provided in 34 CFR 668.26; and

(3) Initiate an emergency action under the provisions contained in 34 CFR 668.83 with regard to the institution’s participation in one or more title IV, HEA programs.
with respect to students enrolled in that educational program.

(c)(1) An action to terminate and limit the eligibility of an institution as a whole or as to any of its locations or educational programs is initiated in accordance with 34 CFR 668.86(b) and becomes final 20 days after the Secretary notifies the institution of the proposed action, unless the designated department official receives by that date a request for a hearing or written material that demonstrates that the termination and limitation should not take place.

(2) Once a termination under this section becomes final, the termination is effective with respect to any commitment, delivery, or disbursement of funds provided under an applicable title IV, HEA program by the institution—

(i) Made to students enrolled in the ineligible institution, location, or educational program; and

(ii) Made on or after the date of the act or omission that caused the loss of eligibility as to the institution, location, or educational program.

(3) Once a limitation under this section becomes final, the limitation is effective with regard to any commitment, delivery, or disbursement of funds under the applicable title IV, HEA program by the institution—

(i) Made after the date on which the limitation became final; and

(ii) Made to students enrolled in the ineligible institution, location, or educational program.

(d) After a termination under this section of the eligibility of an institution as a whole or as to a location or educational program becomes final, the institution may not certify applications for, make awards of or commitments for, deliver, or disburse funds under the applicable title IV, HEA program, except—

(1) In accordance with the requirements of 34 CFR 668.26(c) with respect to students enrolled in the ineligible institution, location, or educational program; and

(2) After satisfaction of any additional requirements, imposed pursuant to a limitation under paragraph (a)(2) of this section, which may include the following:

(i) Completion of the actions required by 34 CFR 668.26(a) and (b).

(ii) Demonstration that the institution has made satisfactory arrangements for the completion of actions required by 34 CFR 668.26(a) and (b).

(iii) Securing the confirmation of a third party selected by the Secretary that the proposed disbursements or delivery of title IV, HEA program funds meet the requirements of the applicable program.

(iv) Using institutional funds to make disbursements permitted under this paragraph and seeking reimbursement from the Secretary for those disbursements.

(e) If the Secretary undertakes to terminate the eligibility of an institution, location, or program under paragraphs (a) and (b) of this section:

(1) If the basis for the loss of eligibility is the loss of accreditation or preaccreditation, the sole issue is whether the institution, location, or program has the requisite accreditation or preaccreditation. The presiding official has no authority to consider challenges to the action of the accrediting agency.

(2) If the basis for the loss of eligibility is the loss of legal authorization, the sole issue is whether the institution, location, or program has the requisite legal authorization. The presiding official has no authority to consider challenges to the action of a State agency in removing the legal authorization.

Subpart E--Eligibility of Foreign Institutions To Apply To Participate In the Federal Family Education Loan (FFEL) Programs

Sec. 600.51 Purpose and scope.

(a) A foreign institution is eligible to apply to participate in the Federal Family Education Loan (FFEL) programs if it is comparable to an eligible institution of higher education located in the United States and has been approved by the Secretary in accordance with the provisions of this subpart.

(b) This subpart E contains the procedures and criteria under which a foreign institution may be deemed eligible to apply to participate in the FFEL programs.

(c) This subpart E does not include the procedures and criteria by which a foreign institution that is deemed eligible to apply to participate in the FFEL programs actually applies for that participation. Those procedures and criteria are contained in the regulations for the FFEL programs, 34 CFR part 682, subpart F.
PART 600—INSTITUTIONAL ELIGIBILITY UNDER THE HIGHER EDUCATION ACT OF 1965, AS AMENDED

Sec. 600.52 Definitions

The following definitions apply to this subpart E:

Foreign institution: An institution that is not located in a State.

Passing score: The minimum passing score as defined by the Educational Commission for Foreign Medical Graduates (ECFMG).

(2) Provide all the information and documentation requested by the Secretary to make a determination of that eligibility.

(b) If a foreign institution fails to provide, release, or authorize release to the Secretary of information that is required in this subpart E, the institution is ineligible to apply to participate in the FFEL programs.

Sec. 600.54 Criteria for determining whether a foreign institution is eligible to apply to participate in the FFEL programs.

The Secretary considers a foreign institution to be comparable to an eligible institution of higher education in the United States and eligible to apply to participate in the FFEL programs if the foreign institution is a public or private nonprofit educational institution that—

(a) Admits as regular students only persons who—

(1) Have a secondary school completion credential; or

(2) That is at least a two-academic-year program acceptable for full credit toward the equivalent of a baccalaureate degree awarded in the United States; or

(3) That is equivalent to at least a one-academic-year training program in the United States that leads to a certificate, degree, or other recognized educational credential and prepares students for gainful employment in a recognized occupation.

Sec. 600.55 Additional criteria for determining whether a foreign graduate medical school is eligible to apply to participate in the FFEL programs.

(a) The Secretary considers a foreign medical school to be eligible to apply to participate in the FFEL programs if, in addition to satisfying the criteria in Sec. 600.54 (except the criterion that the institution be public or private nonprofit), the school satisfies all of the following criteria:
(1) The school provides, and in the normal course requires its students to complete, a program of clinical and classroom medical instruction of not less than 32 months in length, that is supervised closely by members of the school's faculty and that is provided either—

(i) Outside the United States, in facilities adequately equipped and staffed to afford students comprehensive clinical and classroom medical instruction; or

(ii) In the United States, through a training program for foreign medical students that has been approved by all medical licensing boards and evaluating bodies whose views are considered relevant by the Secretary.

(2) The school has graduated classes during each of the two twelve-month periods immediately preceding the date the Secretary receives the school's request for an eligibility determination.

(3) The school employs for the program described in paragraph (a)(1) of this section only those faculty members whose academic credentials are the equivalent of credentials required of faculty members teaching the same or similar courses at medical schools in the United States.

(4)(i) The school has been approved by an accrediting body—

(A) That is legally authorized to evaluate the quality of graduate medical school educational programs and facilities in the country where the school is located; and

(5)(i)(A) During the academic year preceding the year for which any of the school's students seeks an FFEL program loan, at least 60 percent of those enrolled as full-time regular students in the school and at least 60 percent of the school's most recent graduating class were persons who did not meet the citizenship and residency criteria contained in 34 CFR 668.33; and

(B) At least 60 percent of the school's students and graduates who took any step of the examinations administered by the Educational Commission for Foreign Medical Graduates (ECFMG) (including the ECFMG English test) in the year preceding the year for which any of the school's students seeks an FFEL program loan received passing scores on the exams; or

(ii) The school's clinical training program was approved by a State as of January 1, 1992, and is currently approved by that State.

(b) In performing the calculation required in paragraph (a)(5)(i)(B) of this section, a foreign graduate medical school shall count as a graduate each person who graduated from the school during the three years preceding the year for which the calculation is performed.

Note: (a) amended June 30, 1994, effective July 1, 1994.

Sec. 600.56 Duration of eligibility determination.

(a) The eligibility of a foreign institution under this subpart expires four years after the date of the Secretary's determination that the institution is eligible to apply for participation, except that the Secretary may specify a shorter period of eligibility. In the case of a foreign graduate medical school, continued eligibility is dependent upon annual submission of the data and information required under Sec. 600.55(a)(5)(i), subject to the terms described in Sec. 600.53(b).

(b) A foreign institution that has been determined eligible loses its eligibility on the date that the institution no longer meets any of the criteria in the subpart E.

(c) Notwithstanding the provisions of 34 CFR 668.26, if a foreign institution loses its eligibility under this subpart E, an otherwise eligible student, continuously enrolled at the institution before the loss of eligibility, may receive an FFEL program loan for attendance at that institution for the academic year succeeding the academic year in which the institution lost its eligibility, if the student actually received an FFEL program loan for attendance at the institution for a period during which the institution was eligible under subpart E.

(3) An accrediting agency that—
   (i) Has a voluntary membership;

   (1) Indicates in writing the reasons for the deferral and the deferral period; and
   (2) Automatically extends any previously granted recognition period until the Secretary reaches a decision on the renewal application.

(h) If the Secretary does not reach a final decision on an accrediting agency's application for renewal of recognition before the expiration of the agency's recognition period, the Secretary automatically extends the previously granted recognition period until the Secretary reaches a decision on the renewal application.

(2)(i) If the agency requests a hearing, the hearing is conducted by the Advisory Committee or by a subcommittee of five members of the Advisory Committee, selected by the Secretary, if the Secretary determines that a more timely hearing is necessary than can be accommodated by the schedule of the full Advisory Committee.

(ii) If the Secretary selects a subcommittee of the Advisory Committee instead of the full Advisory Committee, the agency may challenge the membership of the subcommittee on grounds of conflict of interest on the part of one or more of the members of the subcommittee, and the Secretary replaces the member(s) if the agency's challenge is successful.

(iii) The designated Department official arranges for a transcript to be made of the hearing.

(iii) Provides the reasons for that recommendation.

(2) The Advisory Committee or subcommittee shall--

(i) Transmit its written opinion to the Secretary; and

(ii) Provide a copy of its opinion to the designated Department official and the accrediting agency.

(f)(1) Unless the Advisory Committee's or subcommittee's recommendation is appealed, after receiving the recommendation, the Secretary issues a decision on whether to limit, suspend, or terminate the agency's recognition, based upon the Advisory Committee's or subcommittee's recommendation and the full record before the Advisory Committee or subcommittee.

(2) Either the accrediting agency or the designated Department official may appeal the Advisory Committee's or subcommittee's recommendation by filing a notice of appeal with the Secretary within 10 days of receipt of the Advisory Committee's or subcommittee's recommendation. If either party files an appeal with the Secretary, that party shall simultaneously provide a copy of the notice of appeal to the other party.

(3) The party appealing the Advisory Committee's or subcommittee's recommendation has 30 days after its receipt of the recommendation to make a written submission to the Secretary challenging the recommendation. However, the appealing party may not submit any evidence that was not submitted to the Advisory Committee or subcommittee.

(4) The nonappealing party has 30 days from the date it receives the appealing party's submission to file a written response to the Secretary regarding the submissions of the appealing party and shall simultaneously provide the appealing party with a copy of its response. The nonappealing party may not submit any evidence that was not submitted to the Advisory Committee or subcommittee.

(2) If the agency believes that the institution or program is not in compliance with the standards, the agency shall--

(i) Take prompt adverse action against the institution or program; or

(ii) Require the institution or program to take appropriate action to bring itself into compliance with the agency's standards within a time frame specified by the agency.

(Authority: 20 U.S.C. 1087-1(b))

Sec. 603.24 Criteria for State agencies.

The following are the criteria which the Secretary will utilize in designating a State agency as a reliable authority to assess the quality of public postsecondary vocational education in its respective State.

(a) Functional aspects. The functional aspects of the State agency must be shown by:

(i) Is statewide in the scope of its operations and is legally authorized to approve public postsecondary vocational education in their respective States for the purpose of determining eligibility for Federal student assistance programs administered by the Department.

(ii) Clearly sets forth the scope of its objectives and activities, both as to kinds and levels of public postsecondary vocational institutions or programs covered, and the kinds of operations performed;

(iii) Delineates the process by which it differentiates among and approves programs of varying levels.

(2) Its organization. The State agency:

(i) Employs qualified personnel and uses sound procedures to carry out its operations in a timely and effective manner;

(ii) Receives adequate and timely financial support, as shown by its appropriations, to carry out its operations;
PART 603--SECRETARY'S RECOGNITION PROCEDURES FOR STATE AGENCIES

(3) Its procedures. The State agency:

(i) Maintains clear definitions of approval status and has developed written procedures for granting, reaffirming, revoking, denying, and reinstating approval status;

(ii) Requires, as an integral part of the approval and reaffirmation process, institutional or program self-analysis and onsite reviews by visiting teams, and provides written and consultative guidance to institutions or programs and visiting teams.

(A) Self-analysis shall be a qualitative assessment of the strengths and limitations of the instructional program, including the achievement of institutional or program objectives, and should involve a representative portion of the institution's administrative staff, teaching faculty, students, governing body, and other appropriate constituencies.

(B) The visiting team, which includes qualified examiners other than agency staff, reviews instructional content, methods and resources, administrative management, student services, and facilities. It prepares written reports and recommendations for use by the State agency.

(iii) Reevaluates at reasonable and regularly scheduled intervals institutions or programs which it has approved.

(b) Responsibility and reliability. The responsibility and reliability of the State agency will be demonstrated by:

Among its functions, this structure provides counsel to the State agency relating to the development of standards, operating procedures and policy, and interprets the educational needs and manpower projections of the State's public postsecondary vocational education system;

(ii) Demonstrates that the advisory body makes a real and meaningful contribution to the approval process;

(vi) Demonstrates that it approves only those institutions or programs which meet its published standards; that its standards, policies, and procedures are fairly applied; and that its evaluations are conducted and decisions are rendered under conditions that assure an impartial and objective judgment;

(vii) Regularly reviews its standards, policies and procedures in order that the evaluative process shall support constructive analysis, emphasize factors of critical importance, and reflect the educational and training needs of the student;

(viii) Performs no function that would be inconsistent with the formation of an independent judgment of the quality of an educational institution or program;

(ix) Has written procedures for the review of complaints pertaining to institutional or program quality as these relate to the agency's standards, and demonstrates that such procedures are adequate to provide timely treatment of such complaints in a manner fair and equitable to the complainant and to the institution or program;

(xii) Confers regularly with counterpart agencies that have similar responsibilities in other and neighboring States about methods and techniques that may be used to meet those responsibilities.

(2) Its assurances that due process is accorded to institutions or programs seeking approval. The State agency:

(i) Provides for adequate discussion during the on-site visit between the visiting team and the faculty, administrative staff, students, and other appropriate persons;
(ii) Furnishes as a result of the evaluation visit, a written report to the institution or program commenting on areas of strength, areas needing improvement, and, when appropriate, suggesting means of improvement and including specific areas, if any, where the institution or program may not be in compliance with the agency's standards;

(iii) Provides the chief executive officer of the institution or program with opportunity to comment upon the written report and to file supplemental materials pertinent to the facts and conclusions in the written report of the visiting team before the agency takes action on the report;

(v) Publishes rules of procedure regarding appeals;

(vi) Continues the approval status of the institution or program pending disposition of an appeal;

(vii) Furnishes the chief executive officer of the institution or program with a written decision of the appeal body, including a statement of its reasons therefor.

(i) Promotes a well-defined set of ethical standards governing institutional or programmatic practices, including recruitment, advertising, transcripts, fair and equitable student tuition refunds, and student placement services;

(ii) Maintains appropriate review in relation to the ethical practices of each approved institution or program.

PART 654--ROBERT C. BYRD HONORS SCHOLARSHIP PROGRAM

PART 654--ROBERT C. BYRD HONORS SCHOLARSHIP PROGRAM

654.51 What are the continuing eligibility criteria?

(a) A scholar continues to be eligible for scholarship funds as long as the scholar continues to—

(1) Meet the eligibility requirements in Sec. 654.40(b), (e), and (f);

(2) Be enrolled as a full-time student at an institution of higher education except as provided in paragraph (b) of this section; and

(3) Maintain satisfactory progress as determined by the institution of higher education the scholar is attending, in accordance with the criteria established in 34 CFR 668.14(e) of the Student Assistance General Provisions regulations.

(b) In order to be eligible for scholarship funds, a scholar must be enrolled full time for the first year of study. If after the first year of study the SEA determines that unusual circumstances justify waiver of the full-time attendance requirement, the scholar may enroll part time and continue to receive a scholarship payment. The SEA shall prorate the payment according to the scholar's enrollment status for the academic period during which he or she continues to be enrolled on a part-time basis but remains otherwise eligible for the award. For example, if a scholar for whom the full-time enrollment requirement is waived by the SEA is enrolled as a half-time student for one semester, he or she is eligible to receive one-quarter of his or her scholarship during that semester.

(b)(1) Except as provided in paragraph (a) of this section, if an SEA finds that a scholar fails to meet the requirements of 654.51 within an award year, it shall suspend the scholar's eligibility to receive scholarship funds until the scholar is able to demonstrate to the satisfaction of the SEA that he or she meets these requirements.

(b)(2) Except as provided in paragraph (b)(3) of this section, a scholar's eligibility for a scholarship is terminated when the total of his or her suspension periods exceeds 12 months.

(b)(3) In exceptional circumstances, the SEA may extend the 12-month suspension period without terminating a scholar's eligibility under paragraph (b)(2) of this section, in accordance with standards established by the SEA.

(c) A scholar who receives an award for a period for which the SEA subsequently determines the scholar was ineligible under the requirements in 654.40 or 654.51 shall repay to the SEA the total amount of the scholarship funds received for the period during which he or she was ineligible.

Subpart G—What Post-Award Conditions Must an SEA Meet?

654.60 What requirements must an SEA meet in the administration of this program?

(a) To receive and continue to receive payments under this part, an SEA shall—

(1) Comply with the criteria, procedures, and assurances in its approved participation agreement;

(2) Disburse the scholarship funds in accordance with 654.50 to the scholar, the institution of higher education in which the scholar enrolls, or copayable to the scholar and the institution of higher education in which the scholar enrolls;

(3) Collect any scholarship funds improperly disbursed under 654.50;

(4) Make reports to the Secretary that the Secretary deems necessary to carry out the Secretary's functions under this part; and

(Authority: 20 U.S.C. 1070d-33, 1070d-36)
(5) Except as provided in paragraph (b) of this section, expend all funds received from the Secretary for scholarships during the award period specified by the Secretary for those funds.

(b) After awarding all scholarship funds during an award year, as required by paragraph (a)(5) of this section, an SEA may retain any funds that are subsequently returned or collected for scholarship awards in the following award period.

(i) The calendar midpoint between the first and last scheduled days of class of the program or academic year; or

(ii) The date, as determined by the institution, that the student has completed half of the academic coursework.

(4) If, in an academic year, in a program of less than an academic year, or in the remaining portion of an eligible program under paragraph (b)(2) of this section, an institution chooses to have more than two payment periods, the rules in paragraphs (b)(1) through (b)(3) of this section are modified to reflect the increased number of payment periods. For example, if an institution chooses to have three payment periods in an academic year, each payment period must correspond to one-third of the academic year.

(3) Subtract from the total obtained under paragraph (f)(2) of this section the number of students who were enrolled in the program at the end of that award year.

(4) Determine the number of regular students who, during that award year, received within 150 percent of the published length of the educational program the degree, certificate, or other recognized educational credential awarded for successfully completing the program.

(i) Determine the number of students who, during the award year, received the degree, certificate, or other recognized educational credential awarded for successfully completing the program.

(ii) Of the total obtained under paragraph (g)(1)(i) of this section, determine the number of students who, within 180 days of the day they received their degree, certificate, or other recognized educational credential, obtained gainful employment in the recognized occupation for which they were trained or in a related comparable recognized occupation and, on the date of this calculation, are employed, or have been employed, for at least 13 weeks following receipt of the credential from the institution.

(iii) Divide the number determined under paragraph (g)(1)(ii) of this section by the total obtained under paragraph (g)(1)(i) of this section.

(2) An institution shall document that each student described in paragraph (g)(1)(ii) of this section obtained gainful employment in the recognized occupation for which he or she was trained or in a related comparable recognized occupation. Examples of satisfactory documentation of a student's gainful employment include, but are not limited to—

(i) A written statement from the student's employer;

(ii) Signed copies of State or Federal income tax forms; and

(3) An ESL program that qualifies as an eligible program under this paragraph is eligible for purposes of the Federal Pell Grant Program only.

(k) Undergraduate educational program in credit hours. If an institution offers an undergraduate educational program in credit hours, the institution must use the formula contained in paragraph (l) of this section to determine whether that program satisfies the requirements contained in paragraph (c)(3) or (d) of this section, and the number of credit hours in that educational program for purposes of the Title IV, HEA programs, unless—

(1) The program is at least two academic years in length and provides an associate degree, a bachelor's degree, a professional degree, or an equivalent degree as determined by the Secretary; or

(2) Each course within the program is acceptable for full credit toward that institution's associate degree, bachelor's degree, professional degree, or equivalent degree as determined by the Secretary, provided that the institution's degree requires at least two academic years of study.

(a) In determining the amount of Title IV, HEA program assistance that a student who is enrolled in a program described in Sec. 668.8(k) is eligible to receive, the institution shall apply the formula contained in Sec. 668.8(l) to determine the number of semester, trimester, or quarter hours in that program, if the institution measures academic progress in that program in semester, trimester, or quarter hours.

(b) Notwithstanding paragraph (a) of this section, a public or private nonprofit hospital-based school of nursing that awards a diploma at the completion of the school's program of education is not required to apply the formula contained in Sec. 668.8(l) to determine the number of semester, trimester, or quarter hours in that program for purposes of calculating Title IV, HEA program assistance.

PART 668—STUDENT ASSISTANCE GENERAL PROVISIONS

Sec. 668.13 Certification procedures.

(a) Requirements for certification. The Secretary certifies that an institution meets the standards of this subpart only if—

(1) The institution is an eligible institution;

(2) The institution meets the standards of this subpart;

(3) Each branch campus to be included in the institution’s participation meets the applicable standards of this subpart; and

(4) (i) Except as provided in paragraph (a)(4)(ii) of this section, in the case of an institution seeking to participate for the first time in the Federal Pell Grant Program, the campus-based programs, the Direct Loan Program, or the FFEL Program, the institution requires the following individuals to complete Title IV, HEA program training provided or approved by the Secretary:

(A) The individual designated by the institution under Sec. 668.16(b)(1).

(B)(1) In the case of a for-profit institution, the chief administrator of the institution; or

(2) In the case of an institution other than a for-profit institution, the chief administrator of the institution, or another administrative official of the institution designated by the chief administrator.

(ii) If either one of the two individuals who is otherwise required to complete training under paragraph (a)(4)(i) of this section has previously completed Title IV, HEA program training provided or approved by the Secretary, the institution may elect to request an on-site Title IV, HEA program certification review by the Secretary instead of requiring that individual to complete again the Title IV, HEA program training provided or approved by the Secretary.

(iii) An institution may not begin participation in the applicable Title IV, HEA program or programs—

(A) In the case of an institution that requires individuals to complete training in accordance with paragraph (a)(4)(i) of this section, until the individuals complete the required training; or

(B) In the case of an institution that requests an on-site review in accordance with paragraph (a)(4)(ii) of this section, until the Secretary conducts the review and notifies the institution that it is in compliance with Title IV, HEA program requirements.

(b) Period of participation. (1) If the Secretary certifies that an institution meets the standards of this subpart, the Secretary also specifies the period for which the institution may participate in a Title IV, HEA program. An institution's period of participation expires four years after the date that the Secretary certifies that the institution meets the standards of this subpart, except that the Secretary may specify a shorter period.

(2) Provided that an institution has submitted an application for a renewal of certification that is materially complete at least 90 days prior to the expiration of its current period of participation, the institution's existing certification will be extended on a month to month basis following the expiration of the institution's period of participation until the end of the month in which the Secretary issues a decision on the application for recertification.

(c) Provisional certification. (1) The Secretary may provisionally certify an institution if—

(i) The institution seeks initial participation in a Title IV, HEA program;

(ii) The institution is an eligible institution that has undergone a change in ownership that results in a change in control according to the provisions of 34 CFR part 600;

(iii) The institution is a participating institution—

(A) That is applying for a certification that the institution meets the standards of this subpart

(B) That the Secretary determines has jeopardized its ability to perform its financial responsibilities by not meeting the factors of financial responsibility under Sec. 668.15 or the standards of administrative capability under Sec. 668.16;

(C) Whose participation has been limited or suspended under subpart G of this part, or voluntarily enters into provisional certification;

(iv) The institution seeks a renewal of participation in a Title IV, HEA program after the expiration of a prior period of participation in that program; or

(v) The institution is a participating institution that was accredited or preaccredited by a nationally recognized accrediting agency on the day before the Secretary withdrew the Secretary's recognition of that agency according to the provisions contained in 34 CFR part 603.

(2) If the Secretary provisionally certifies an institution, the Secretary also specifies the period for which the institution may participate in a Title IV, HEA program. Except as provided in paragraphs (c) (3) and (4) of this section, a provisionally certified institution's period of participation expires—

(i) Not later than the end of the first complete award year following the date on which the Secretary provisionally
certified the institution under paragraph (c)(1)(i) of this section:

(ii) Not later than the end of the third complete award year following the date on which the Secretary provisionally certified the institution under paragraphs (c)(1)(ii), (iii), (iv) or (e)(2) of this section; and

(iii) If the Secretary provisionally certified the institution under paragraph (c)(1)(v) of this section, not later than 18 months after the date that the Secretary withdrew recognition from the institution’s nationally recognized accrediting agency.

(3) Notwithstanding the maximum periods of participation provided for in paragraph (c)(2) of this section, if the Secretary provisionally certifies an institution, the Secretary may specify a shorter period of participation for that institution.

(4) For the purposes of this section, “provisional certification” means that the Secretary certifies that an institution has demonstrated to the Secretary's satisfaction that the institution—

(i) Is capable of meeting the standards of this subpart within a specified period; and

(ii) Is able to meet the institution’s responsibilities under its program participation agreement, including compliance with any additional conditions specified in the institution’s program participation agreement that the Secretary requires the institution to meet in order for the institution to participate under provisional certification.

(d) Revocation of provisional certification. (1) If, before the expiration of a provisionally certified institution’s period of participation in a Title IV, HEA program, the Secretary determines that the institution is unable to meet its responsibilities under its program participation agreement, the Secretary may revoke the institution’s provisional certification for participation in that program.

(2)(i) If the Secretary revoked the provisional certification of an institution under paragraph (d)(1) of this section, the Secretary sends the institution a notice by certified mail, return receipt requested. The Secretary also may transmit the notice by other, more expeditious means, if practical.

(ii) The revocation takes effect on the date that the Secretary mails the notice to the institution.

(iii) The notice states the basis for the revocation, the consequences of the revocation to the institution, and that the institution may request the Secretary to reconsider the revocation. The consequences of a revocation are described in Sec. 668.26.

(3)(i) An institution may request reconsideration of a revocation under this section by submitting to the Secretary, within 20 days of the institution’s receipt of the Secretary’s notice, written evidence that the revocation is unwarranted. The institution must file the request with the Secretary by hand-delivery, mail, or facsimile transmission.

(ii) The filing date of the request is the date on which the request is—

(A) Hand-delivered;

(B) Mailed; or

(C) Sent by facsimile transmission.

(iii) Documents filed by facsimile transmission must be transmitted to the Secretary in accordance with instructions provided by the Secretary in the notice of revocation. An institution filing by facsimile transmission is responsible for confirming that a complete and legible copy of the document was received by the Secretary.

(iv) The Secretary discourages the use of facsimile transmission for documents longer than five pages.

(4)(i) The designated department official making the decision concerning an institution’s request for reconsideration of a revocation is different from, and not subject to supervision by, the official who initiated the revocation of the institution’s provisional certification. The deciding official promptly considers an institution’s request for reconsideration of a revocation and notifies the institution, by certified mail, return receipt requested, of the final decision. The Secretary also may transmit the notice by other, more expeditious means, if practical.

(ii) If the Secretary determines that the revocation is warranted, the Secretary’s notice informs the institution that the institution may apply for reinstatement of participation only after the later of the expiration of—

(A) Eighteen months after the effective date of the revocation; or

(B) A debarment or suspension of the institution under Executive Order (E.O.) 12549 (3 CFR, 1986 comp., p. 189) or the Federal Acquisition Regulations, 48 CFR part 9, subpart 9.4.

(iii) If the Secretary determines that the revocation of the institution’s provisional certification is unwarranted, the Secretary’s notice informs the institution that the institution’s provisional certification is reinstated, effective on the date that the Secretary’s original revocation notice was mailed, for a specified period of time.

(ii) For either of those fiscal years, did not note a material weakness or a reportable condition in the institution’s report on internal controls that is related to refunds.

(2) If the Secretary or a State or guaranty agency finds during a review conducted of the institution that the institution no longer qualifies for an exemption under paragraph (d)(1)(C) of this section, the institution must—

(i) Submit to the Secretary the irrevocable letter of credit required in paragraph (b)(5) of this section no later than 30 days after the Secretary or State or guaranty agency notifies the institution of that finding; and

(ii) Notify the Secretary of the guaranty agency or State that conducted the review.

(3) If the auditor who conducted the institution’s compliance audit finds that the institution no longer qualifies for
an exemption under paragraph (d)(1)(C) of this section, the institution must submit to the Secretary the irrevocable letter of credit required in paragraph (b)(5) of this section no later than 30 days after the date the institution's compliance audit must be submitted to the Secretary.

(h) Foreign institutions. The Secretary makes a determination of financial responsibility for a foreign institution on the basis of financial statements submitted under the following requirements—

(1) If the institution received less than $500,000 U.S. in title IV, HEA program funds during its most recently completed fiscal year, the institution must submit its audited financial statement for that year. For purposes of this paragraph, the audited financial statements may be prepared under the auditing standards and accounting principles used in the institution's home country; or

(2) If the institution received $500,000 U.S. or more in title IV, HEA program funds during its most recently completed fiscal year, the institution must submit its audited financial statement in accordance with the requirements of Sec. 668.23, and satisfy the general standards of financial responsibility contained in this section, or qualify under an alternate standard of financial responsibility contained in this section.

Sec. 668.16 Standards of administrative capability.

To begin and to continue to participate in any Title IV, HEA program, an institution shall demonstrate to the Secretary that the institution is capable of adequately administering that program under each of the standards established in this section. The Secretary considers an institution to have that administrative capability if the institution—

(a) Administers the Title IV, HEA programs in accordance with all statutory provisions of or applicable to Title IV of the HEA, all applicable regulatory provisions prescribed under that statutory authority, and all applicable special arrangements, agreements, and limitations entered into under the authority of statutes applicable to Title IV of the HEA;

(b)(1) Designates a capable individual to be responsible for administering all the Title IV, HEA programs in which it participates and for coordinating those programs with the institution's other Federal and non-Federal programs of student financial assistance. The Secretary considers an individual to be "capable" under this paragraph if the individual is certified by the State in which the institution is located, if the State requires certification of financial aid administrators. The Secretary may consider other factors in determining whether an individual is capable, including, but not limited to, the individual's successful completion of Title IV, HEA program training provided or approved by the Secretary, and previous experience and documented success in administering the Title IV, HEA programs properly;

(b)(2) Uses an adequate number of qualified persons to administer the Title IV, HEA programs in which the institution participates. The Secretary considers the following factors to determine whether an institution uses an adequate number of qualified persons—

(i) The number and types of programs in which the institution participates;

(ii) The number of applications evaluated;

(iii) The number of students who receive any student financial assistance at the institution and the amount of funds administered;

(iv) The financial aid delivery system used by the institution;

(v) The degree of office automation used by the institution in the administration of the Title IV, HEA programs;

(vi) The number and distribution of financial aid staff; and

(vii) The use of third-party servicers to aid in the administration of the Title IV, HEA programs;

(3) Communicates to the individual designated to be responsible for administering Title IV, HEA programs, all the information received by any institutional office that bears on a student's eligibility for Title IV, HEA program assistance; and

(4) Has written procedures for or written information indicating the responsibilities of the various offices with respect to the approval, disbursement, and delivery of Title IV, HEA program assistance and the preparation and submission of reports to the Secretary;

(c)(1) Administers Title IV, HEA programs with adequate checks and balances in its system of internal...
controls; and

(2) Divides the functions of authorizing payments and disbursing or delivering funds so that no office has responsibility for both functions with respect to any particular student aided under the programs. For example, the functions of authorizing payments and disbursing or delivering funds must be divided so that for any particular student aided under the programs, the two functions are carried out by at least two organizationally independent individuals who are not members of the same family, as defined in 668.15, or who do not together exercise substantial control, as defined in 668.15, over the institution;

(d) Establishes and maintains records required under this part and the individual Title IV, HEA program regulations;

(e) For purposes of determining student eligibility for assistance under a Title IV, HEA program, establishes, publishes, and applies reasonable standards for measuring whether an otherwise eligible student is maintaining satisfactory progress in his or her educational program. The Secretary considers an institution's standards to be reasonable if the standards—

(1) Are the same as or stricter than the institution's standards for a student enrolled in the same educational program who is not receiving assistance under a Title IV, HEA program;

(2) Include the following elements:

(i) A qualitative component which consists of grades (provided that the standards meet or exceed the requirements of Sec. 668.34), work projects completed, or comparable factors that are measurable against a norm.

(ii) A quantitative component that consists of a maximum timeframe in which a student must complete his or her educational program. The timeframe must—

(A) For an undergraduate program, be no longer than 150 percent of the published length of the educational program measured in academic years, terms, credit hours attempted, clock hours completed, etc. as appropriate;

(B) Be divided into increments, not to exceed the lesser of one academic year or one-half the published length of the educational program;

(C) Include a schedule established by the institution designating the minimum percentage or amount of work that a student must successfully complete at the end of each increment to complete his or her educational program within the maximum timeframe; and

(D) Include specific policies defining the effect of course incompletes, withdrawals, repetitions, and noncredit remedial courses on satisfactory progress;

(3) Provide for consistent application of standards to all students within categories of students, e.g., full-time, part-time, undergraduate, and graduate students, and educational programs established by the institution;

(4) Provide for a determination at the end of each increment by the institution as to whether the student has met the qualitative and quantitative components of the standards (as provided for in paragraphs (e)(2)(i) and (ii) of this section);

(5) Provide specific procedures under which a student may appeal a determination that the student is not making satisfactory progress; and

(6) Provide specific procedures for a student to re-establish that he or she is maintaining satisfactory progress.

(f) Develops and applies an adequate system to identify and resolve discrepancies in the information that the institution receives from different sources with respect to a student's application for financial aid under Title IV, HEA programs. In determining whether the institution's system is adequate, the Secretary considers whether the institution obtains and reviews—

(1) All student aid applications, need analysis documents, Statements of Educational Purpose, Statements of Registration Status, and eligibility notification documents presented by or on behalf of each applicant;

(2) Any documents, including any copies of State and Federal income tax returns, that are normally collected by the institution to verify information received from the student or other sources; and

(3) Any other information normally available to the institution regarding a student's citizenship, previous educational experience, documentation of the student's social security number, or other factors relating to the student's eligibility for funds under the Title IV, HEA programs;

(g) Refers to the Office of Inspector General of the Department of Education for investigation—

(1) After conducting the review of an application provided for under paragraph (f) of this section, any credible information indicating that an applicant for Title IV, HEA program assistance may have engaged in fraud or other criminal misconduct in connection with his or her application. The type of information that an institution must refer is that which is relevant to the eligibility of the applicant for Title IV, HEA program assistance, or the amount of the assistance. Examples of this type of information are—

(i) False claims of independent student status;
(ii) False claims of citizenship;

(iii) Use of false identities;

(iv) Forgery of signatures or certifications; and

(v) False statements of income; and

(2) Any credible information indicating that any employee, third-party servicer, or other agent of the institution that acts in a capacity that involves the administration of the Title IV, HEA programs, or the receipt of funds under those programs, may have engaged in fraud, misrepresentation, conversion or breach of fiduciary responsibility, or other illegal conduct involving the Title IV, HEA programs. The type of information that an institution must refer is that which is relevant to the eligibility and funding of the institution and its students through the Title IV, HEA programs;

(h) Provides adequate financial aid counseling to eligible students who apply for Title IV, HEA program assistance. In determining whether an institution provides adequate counseling, the Secretary considers whether its counseling includes information regarding--

(1) The source and amount of each type of aid offered;

(2) The method by which aid is determined and disbursed, delivered, or applied to a student's account; and

(3) The rights and responsibilities of the student with respect to enrollment at the institution and receipt of financial aid. This information includes the institution's refund policy, its standards of satisfactory progress, and other conditions that may alter the student's aid package;

(i) Has provided all program and fiscal reports and financial statements required for compliance with the provisions of this part and the individual program regulations in a timely manner;

(j) Shows no evidence of significant problems that affect, as determined by the Secretary, the institution's ability to administer a Title IV, HEA program and that are identified in--

(1) Reviews of the institution conducted by the Secretary, the Department of Education's Office of Inspector General, nationally recognized accrediting agencies, guaranty agencies as defined in 34 CFR part 682, the State agency or official by whose authority the institution is legally authorized to provide postsecondary education, or any other law enforcement agency; or

(2) Any findings made in any criminal, civil, or administrative proceeding;

(k) Is not, and does not have any principal or affiliate of the institution (as those terms are defined in 34 CFR part 85) that is--

(1) Debarred or suspended under Executive Order (E.O.) 12549 (3 CFR, 1986 Comp., p. 189) or the Federal Acquisition Regulations (FAR), 48 CFR part 9, subpart 9.4; or

(2) Engaging in any activity that is a cause under 34 CFR 85.305 or 85.405 for debarment or suspension under E.O. 12549 (3 CFR, 1986 Comp., p. 189) or the FAR, 48 CFR part 9, subpart 9.4;

(1) For an institution that seeks initial participation in a Title IV, HEA program, does not have more than 33 percent of its undergraduate regular students withdraw from the institution during the institution's latest completed award year. The institution must count all regular students who are enrolled during the latest completed award year, except those students who, during that period--

(1) Withdraw from, dropped out of, or were expelled from the institution; and

(2) Were entitled to and actually received in a timely manner, a refund of 100 percent of their tuition and fees (less any permitted administrative fee) under the institution's refund policy;

(m)(1) Has an FFEL Program cohort default rate, a Direct Loan cohort rate, or where applicable, a weighted average cohort rate--

(i) As defined in Sec. 668.17, that is less than 25 percent for each of the three most recent fiscal years for which the Secretary has determined the institution's rate; and

(ii) As defined in 34 CFR 674.5, on loans made under the Federal Perkins Loan Program to students for attendance at that institution that does not exceed 15 percent

(2)(i) Except that, if the Secretary determines that the institution is not administratively capable solely because the institution fails to comply with paragraph (m)(1) of this section, the Secretary will provisionally certify the institution in accordance with Sec. 668.13(c); and

(ii) The institution may appeal the loss of full participation in a Title IV, HEA program under paragraph (m)(1) of this section by submitting an appeal in writing to the Secretary in accordance with and on the grounds specified in Sec. 668.17;

(n) Does not otherwise appear to lack the ability to administer the Title IV, HEA programs competently; and

(o) Participates in the electronic processes that the Secretary--

institution; and

(2) Identifies through a notice published in the Federal Register.

Sec. 668.17 Default reduction and prevention measures.

(a) Default rates. (1) If the FFEL Program cohort default rate, Direct Loan Program cohort rate, or if applicable, weighted average cohort rate for an institution exceeds 20 percent for any fiscal year, the Secretary notifies the institution of that rate.

(2) The Secretary may initiate a proceeding under subpart G of this part to limit, suspend, or terminate the participation of an institution in the Title IV, HEA programs, if the institution has an FFEL Program cohort default rate, Direct Loan Program cohort rate, or a weighted average cohort rate that exceeds 40 percent for any fiscal year.

(3) Unless an institution is subject to loss of eligibility to participate in the FFEL Program under paragraph (b)(1) of this section, the Secretary initiates a proceeding under subpart G of this part to limit, suspend, or terminate an institution's participation in the FFEL Program if the institution, for each of the three most recent consecutive fiscal years, has any combination of an FFEL Program cohort default rate, a Direct Loan Program cohort rate, or a weighted average cohort rate that is equal to or greater than 25 percent.

(4) The Secretary may require an institution that meets the criteria under paragraph (a)(2) of this section to submit to the Secretary, within a timeframe determined by the Secretary, any reasonable information to help the Secretary make a preliminary determination as to what action should be taken against the institution.

(5) The Secretary ceases any limitation, suspension, or termination action against an institution under this paragraph if the institution satisfactorily demonstrates to the Secretary that, pursuant to an appeal that is complete and timely submitted under paragraph (c) of this section, the institution meets one of the exceptional mitigating circumstances under paragraph (c)(1)(ii)(B) of this section.

(b) End of participation. (1) Except as provided in paragraph (b)(6) of this section, an institution's participation in the FFEL Program ends 30 calendar days after the date the institution receives notification from the Secretary that its FFEL Program cohort default rate for each of the three most recent fiscal years for which the Secretary has determined the institution's rate, is equal to or greater than 25 percent.

(2) Except as provided in paragraph (b)(6) of this section, an institution's participation in the Direct Loan Program ends 30 calendar days after the date the institution receives notification from the Secretary that it has any combination of an FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate that is equal to or greater than 25 percent.

(3) Except as provided in paragraph (b)(6) of this section, an institution's participation in the FFEL Program or Direct Loan Program ends under paragraph (b)(1) or (2) of this section respectively may not participate in that program on or after the 30th calendar day after the date it receives notification from the Secretary that its FFEL Program cohort default rate, Direct Loan Program cohort rate, or, if applicable, weighted average cohort rate exceeds the thresholds specified in paragraph (b)(1) or (2) of this section and continuing—

(i) For the remainder of the fiscal year in which the Secretary determines that the institution's participation has ended under paragraph (b)(1) or (2) of this section; and

(ii) For the two subsequent fiscal years.

(4) An institution whose participation in the FFEL Program or Direct Loan Program ends under paragraph (b)(1) or (2) of this section may not participate in that program until the institution satisfies the Secretary that it meets all requirements for participation in the FFEL Program or Direct Loan Program and executes a new agreement with the Secretary for participation in that program following the period described in paragraph (b)(3) of this section.

(5) Until July 1, 1998, the provisions of paragraph (b)(1) or (2) of this section and the provisions of 34 CFR 686.16(m) do not apply to a historically black college or university within the meaning of section 322(2) of the HEA, a tribally controlled community college within the meaning of section 2(a)(4) of the Tribally Controlled Community College Assistance Act of 1978, or a Navajo community college under the Navajo Community College Act.

(6) An institution may, notwithstanding 34 CFR 686.26, continue to participate in the FFEL Program or Direct Loan Program until the Secretary issues a decision on the institution's appeal if the Secretary receives an appeal that is complete, accurate, and timely in accordance with paragraph (c) of this section.
PART 668—STUDENT ASSISTANCE GENERAL PROVISIONS

(c) Appeal procedures. (1) An institution may appeal the loss of participation in the FFEL Program or Direct Loan Program under paragraph (b)(1) or (2) of this section by submitting an appeal in writing to the Secretary by the 30th calendar day following the date the institution receives notification of the end of participation. An appeal or any portion of an appeal under this section will not be accepted after the 30th calendar day following the date the institution receives notification from the Secretary that it has lost its eligibility to participate in the FFEL or Direct Loan programs, except that an institution may submit an appeal under section (c)(1)(i) of this section later than the 30th calendar day if the appeal is submitted in accordance with paragraph (c)(8) and the information required by paragraph (c)(7) may be submitted in accordance with that paragraph. The appeal must include all information required by the Secretary to substantiate the appeal and all information must be submitted in a format prescribed by the Secretary. The additional 30-day period specified in paragraph (c)(7) of this section is an extension for the submission of the auditor's statement only and does not affect the date by which the appeal data must be submitted. An institution that is eligible for an extension under paragraph (c)(8) of this section must submit all required data within five working days following the agency's response to the institution's request for verification of data. The institution may appeal the grounds—

(i)(A) The calculation of the institution’s FFEL Program cohort default rate, Direct Loan Program cohort rate, or, if applicable, weighted average cohort rate, for any of the three fiscal years relevant to the end of participation is not accurate; and

(B) A recalculation of the institution's FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate, with corrected data verified by the cognizant guaranty agency or agencies for the FFEL Program loans, or the Secretary for Direct Loan Program loans would produce an FFEL Program cohort default rate, a Direct Loan Program cohort rate, or weighted average cohort rate for any of those fiscal years that is below the threshold percentage specified in paragraph (b)(1) or (2) of this section; or

(ii) The institution meets one of the following exceptional mitigating circumstances:

(A) The institution has a participation rate index of 0.0375 or less. The participation rate index is determined by multiplying the institution’s FFEL Program cohort default rate, Direct Loan Program cohort rate or weighted average cohort rate, by the percentage of the institution’s regular students, as defined in 34 CFR 600.2, enrolled on at least a half-time basis who received a loan made under either the FFEL Program or Direct Loan Program for a 12-month period that has ended during the six months immediately preceding the fiscal year for which the cohort of borrowers used to calculate the institution’s rate is determined. An institution that has an FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate that exceeds 40 percent may not appeal its loss of eligibility under paragraphs (b)(1) or (2) of this section on the basis of its participation rate index.

(B) For a 12-month period that has ended during the six months immediately preceding the fiscal year for which the cohort of borrowers used to calculate the institution's rate is determined, 70 percent or more of the institution's regular students, as defined in 34 CFR 600.2, are individuals from disadvantaged economic backgrounds, as established by documentary evidence submitted by the institution. Such evidence must relate to either qualification by those students for an expected family contribution (EFC) of zero for any award year that generally coincides with the 12-month period, or attribution to those students of an adjusted gross income of the student and his or her parents or spouse, if applicable, reported for any award year that generally coincides with the 12-month period, of less than the poverty level, as determined under criteria established by the Department of Health and Human Services; and,

(1) For a degree-granting institution, 70 percent or more of the institution's regular students who were initially enrolled on a full-time basis and were scheduled to complete their programs during the same 12-month period the institution has chosen to determine the percentage of its students that come from disadvantaged economic backgrounds under paragraph (c)(1)(ii)(B) of this section, completed the educational programs in which they were enrolled. This rate is calculated by comparing the number of regular students who were classified as full-time at their initial enrollment in the institution and were originally scheduled, at the time of enrollment, to complete their programs within the relevant 12-month period, with the number of these students who received a degree from the institution; transferred from the institution to a higher level educational program; or, at the end of the 12-month period, remained enrolled and were making satisfactory academic progress toward completion of their educational programs; or

(2) For a non-degree-granting institution, the institution had a placement rate of 50 percent or more with respect to its former regular students who remained in the program beyond the point the students would have received a 100 percent tuition refund from the institution. A student or former student may not be considered successfully placed if the institution is the student's or former student's employer. This rate is based on those regular students who were initially enrolled on at least a half-time basis and were originally scheduled, at the time of enrollment, to complete their educational programs during the same 12-month period the institution has chosen to determine the percentage of its students that come from disadvantaged economic backgrounds under paragraph (c)(1)(ii)(B) of this section. This rate does not include those students who are still enrolled and making satisfactory progress in the educational programs in which they were originally enrolled on the date following 12 months after the date of the student's last day of attendance. This rate is calculated by determining the percentage of all those former regular students who;
(i) are employed in an occupation for which the institution provided training on the date following 12 months after the date of their last day of attendance at the institution; or

(ii) were employed in an occupation for which the institution provided training for at least 13 weeks before the date following 12 months after the date of their last day of attendance at the institution.

(2) For purposes of the completion rate and placement rate described in paragraph (c)(1)(ii)(B) (1) and (2) of this section, a student is originally scheduled, at the time of enrollment, to complete the educational program on the date when the student will have been enrolled in the program for the amount of time normally required to complete the program. The "amount of time normally required to complete the program" for a student who is initially enrolled full-time is the period of time specified in the institution's enrollment contract, catalog, or other materials, for completion of the program by a full-time student, or the period of time between the original date of enrollment and the anticipated graduation date appearing on the student's loan application, if any, whichever is less. The "amount of time normally required to complete the program" for a student who is initially enrolled less than full-time is the amount of time it would take that student to complete the program if the student remained enrolled at that level of enrollment.

(3) The Secretary issues a decision on the institution's appeal within 45 calendar days after the institution submits a complete appeal that addresses the applicable criteria in paragraph (c)(1)(i) or (ii) of this section to the Secretary.

(4) The Secretary's decision is based on the consideration of written material submitted by the institution. No oral hearing is provided.

(5) The Secretary withdraws the notification of loss of participation in the FFEL Program or Direct Loan Program sent to an institution under paragraph (b) (1) or (2) of this section, if he determines that the institution's appeal satisfies one of the exceptional mitigating circumstances specified in paragraph (c)(1)(i) or (ii) of this section.

(6) An institution must include in its appeal a certification, under penalty of perjury, by the institution's chief executive officer that all information provided by the institution in support of its appeal is true and correct.

(7) An institution that appeals on the grounds that it meets the exceptional mitigating circumstances criteria contained in paragraph (c)(1)(ii) of this section must include in its appeal an opinion from an independent auditor on management's assertions that the information contained in the appeal is complete, accurate, and determined in accordance with the requirements of this section. The examination level engagement will be performed in accordance with Statement on Standards for Attestation Engagements #3. This opinion must be received by the Secretary within 60 days following the date the institution receives notification of its loss of eligibility under paragraph (b) of this section.

(8) An institution that appeals under paragraph (c)(1)(i) of this section will not lose its eligibility to continue to participate during the appeal process due to a guaranty agency's failure to comply with 34 CFR 682.401(b)(14) which requires the agency to respond to an institution's request for verification of data within 15 working days, provided the institution:

(i) requested such verification within 10 working days from the date it received notification of its loss of eligibility under paragraph (b) of this section; and

(ii) provided a copy of the request for verification of data to the Secretary at the same time it requested such verification by the relevant guaranty agency(ies).

(d) FFEL Program Cohort Default Rate. (1) (i) For purposes of the FFEL Program, except as provided in paragraph (d)(1)(ii) of this section, the term FFEL Program cohort default rate means--

(A) For any fiscal year in which 30 or more current and former students at the institution enter repayment on Federal Stafford loans or Federal SLS loans (or on the portion of a loan made under the Federal Consolidation Loan Program or Direct Consolidation Loan Program that is used to repay such loans) received for attendance at the institution, the percentage of those current and former students who enter repayment in that fiscal year on those loans who default before the end of the following fiscal year; or

(B) For any fiscal year in which fewer than 30 of the institution's current and former students enter repayment on Federal Stafford loans or Federal SLS loans (or on the portion of a loan made under the Federal Consolidation Loan Program or Direct Consolidation Loan Program that is used to repay such loans) received for attendance at the institution, the percentage of those current and former students who enter repayment on such loans in any of the three most recent fiscal years, who default before the end of the fiscal year immediately following the fiscal year in which they entered repayment.

(C) In determining the number of students who default before the end of that following fiscal year, the Secretary includes only loans for which the Secretary or a guaranty agency has paid claims for insurance, and Direct Consolidation Loan Program loans that repaid FFEL Program loans that entered default.

(ii)(A) In the case of a student who has attended and borrowed at more than one institution, the student (and his or her subsequent repayment or default) is attributed to each institution for attendance at which the student received a loan.
that entered repayment in the fiscal year.

(B) A loan on which a payment is made by the institution, its owner, agent, contractor, employee, or any other affiliated entity or individual, in order to avoid default by the borrower, is considered as in default for purposes of this definition.

(C) Any loan that has been rehabilitated under section 428F of the HEA before the end of that following fiscal year is not considered as in default for purposes of this definition.

(D) For the purposes of this definition, an SLS loan made in accordance with section 428A of the HEA (or a loan made under the Federal Consolidation Loan Program or Direct Consolidation Loan Program, a portion of which is used to repay a Federal SLS loan) shall not be considered to enter repayment until after the borrower has ceased to be enrolled in an educational program leading to a degree, certificate, or other recognized educational credential at the participating institution on at least a half-time basis (as determined by the institution) and ceased to be in a period of forbearance or deferment based on such enrollment. Each eligible lender of a loan made under section 428A (or a loan made under the Federal Consolidation Loan Program, a portion of which is used to repay a Federal SLS loan) of the HEA shall provide the guaranty agency with the information necessary to determine when the loan entered repayment for purposes of this definition, and the guaranty agency shall provide that information to the Secretary.

(2) Fiscal year means the period from and including October 1 of a calendar year through and including September 30 of the following calendar year.

(e) Direct Loan Program cohort rate. (1) For purposes of the Direct Loan Program, except as provided in paragraph (e)(2) of this section, the Secretary calculates Direct Loan Program cohort rates using the following formulas:

(i) For public institutions, private nonprofit institutions, or proprietary degree-granting institutions—

(A) For any fiscal year in which 30 or more current and former students at the institution enter repayment on a Direct Loan Program loan (or on the portion of a loan made under the Federal Direct Consolidation Loan Program that is used to repay those loans) received for attendance at the institution, the percentage of those current and former students who entered repayment on those loans in any of the three most recent fiscal years, who are in default before the end of the fiscal year immediately following the year in which they entered repayment.

(ii) For proprietary non-degree-granting institutions—

(A) For any fiscal year in which 30 or more current and former students at the institution enter repayment on a Direct Loan Program loan (or on the portion of a loan made under the Federal Direct Consolidation Loan Program that is used to repay those loans) received for attendance at the institution, the percentage of those current and former students who entered repayment in that fiscal year on those loans who are in default before the end of the following fiscal year, or who, before the end of that following fiscal year, have, for 270 days, been in repayment under the income-contingent repayment plan with scheduled payments that are less than 15 dollars per month and those payments result in negative amortization; or

(B) For any fiscal year in which fewer than 30 of the institution's current and former students enter repayment on a Direct Loan Program loan (or on the portion of a loan made under the Federal Direct Consolidation Loan Program that is used to repay those loans) received for attendance at the institution, the percentage of those current and former students who entered repayment on those loans in the three most recent fiscal years, who are in default before the end of that following fiscal year, or who, before the end of that following fiscal year, have for 270 days, been in repayment under the income-contingent repayment plan with scheduled payments that are less than 15 dollars per month and those payments result in negative amortization.

(2)(i) In the case of a student who has attended and borrowed at more than one institution, the student (and his or her subsequent repayment or default) is attributed to each institution for attendance at which the student received a loan that entered repayment in the fiscal year.

(ii) A loan on which a payment is made by the institution, its owner, agent, contractor, employee, or any other affiliated entity or individual, in order to avoid default by the borrower, is considered as in default for purposes of this definition.

(iii) Any loan on which the borrower has made 12 consecutive monthly on-time payments under 34 CFR 685.211(e) before the end of that following fiscal year is not considered as in default for purposes of this definition.

(3) For purposes of an institution's Direct Loan cohort rate, a Direct Loan Program loan is considered in default when the borrower or the guaranty agency determines that the loan is in default when the borrower's or endorser's failure to make an installment payment when due has persisted for 270 days.

(f)(1) Weighted average cohort rate. For purposes of an institution that has former students entering repayment in a
fiscal year on both Direct Loan Program and FFEL Program loans, except as provided under paragraph (f)(2) of this section, the Secretary calculates a weighted average cohort rate using the following formulas:

(i) For public institutions, private nonprofit institutions, or proprietary degree-granting institutions—

(A) For any fiscal year in which 30 or more current and former students at the institution enter repayment on an FFEL Program or Direct Loan Program loan (or on the portion of a loan made under the Federal Consolidation Loan Program or Federal Direct Consolidation Loan Program that is used to repay those loans) received for attendance at the institution, the percentage of those current and former students who entered repayment in that fiscal year on those loans who are in default before the end of the following fiscal year; and

(B) For any fiscal year in which fewer than 30 of the institution's current and former students enter repayment on an FFEL Program or Direct Loan Program loan (or on the portion of a loan made under the Federal Consolidation Loan Program or Federal Direct Consolidation Loan Program that is used to repay such loans) received for attendance at the institution, the percentage of those current and former students who entered repayment on such loans in the three most recent fiscal years, who are in default before the end of the fiscal year immediately following the year in which they entered repayment.

(ii) For proprietary non-degree-granting institutions—

(A) For any fiscal year in which 30 or more current and former students at the institution enter repayment on an FFEL Program or Direct Loan Program loan (or on the portion of a loan made under the Federal Consolidation Loan Program or Federal Direct Consolidation Loan Program that is used to repay those loans) received for attendance at the institution, the percentage of those current and former students who entered repayment in that fiscal year on such loans who are in default before the end of the following fiscal year; and

(B) For any fiscal year in which fewer than 30 of the institution's current and former students enter repayment on an FFEL Program or Direct Loan Program loan (or on the portion of a loan made under the Federal Consolidation Loan Program or Federal Direct Consolidation Loan Program that is used to repay such loans) received for attendance at the institution, the percentage of those current and former students who entered repayment on such loans in the three most recent fiscal years, who are in default before the end of the fiscal year immediately following the year in which they entered repayment.

result in negative amortization.

(2)(i) In the case of a student who has attended and borrowed at more than one institution, the student (and his or her subsequent repayment or default) is attributed to each institution for attendance at which the student received a loan that entered repayment in the fiscal year.

(ii) A loan on which a payment is made by the institution, its owner, agent, contractor, employee, or any other affiliated entity or individual, in order to avoid default by the borrower, is considered as in default for purposes of this definition.

(iii) Any Direct Loan Program loan on which the borrower has made 12 consecutive monthly on-time payments under 34 CFR 685.211(e) or has an FFEL Program loan that has been rehabilitated under section 428F of the HEA before the end of that following fiscal year is not considered as in default for purposes of this definition.

(3) For purposes of an institution's weighted average cohort rate, a Direct Loan Program loan is considered in default when a borrower's or endorser's failure to make an installment payment when due has persisted for 270 days.

(g) Applicability of Rates to Institutions. (1)(i) An FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate of an institution applies to all locations of the institution as the institution exists on the first day of the fiscal year for which the rate is calculated.

(ii) An FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate of an institution applies to all locations of the institution from the date the institution is notified of that rate until the institution is notified by the Secretary that the rate no longer applies.

(2)(i) For an institution that changes its status from that of a location of one institution to that of a free-standing institution, the Secretary determines the FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate, based on the institution's status as of October 1 of the fiscal year for which the rate is being calculated.

(ii) For an institution that changes its status from that of a free-standing institution to that of a location of another institution, the Secretary determines the FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate, based on the combined number of students who enter repayment during the applicable fiscal year and the combined number of students who default during the applicable fiscal years from both the former free-standing institution and the other institution. This rate applies to the new, consolidated institution and all of its current locations.

(iii) For free-standing institutions that merge to form a new, consolidated institution, the Secretary determines the
FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate based on the combined number of students who enter repayment during the applicable fiscal year and the combined number of students who default during the applicable fiscal years from all of the institutions that are merging. This rate applies to the new consolidated institution.

(iv) For a location of one institution that becomes a location of another institution, the Secretary determines the FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate based on the combined number of students who enter repayment during the applicable fiscal year and the number of students who default during the applicable fiscal years from both of the institutions in their entirety, not limited solely to the respective locations.

(h) Appeal based on allegations of improper loan servicing or collection—(1) General. An institution that is subject to loss of participation in the FFEL Program or the Direct Loan Program under paragraph (e)(3), (b)(1), or (b)(2) of this section or that has been notified by the Secretary that its FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate equals or exceeds 20 percent for the most recent year for which data are available may include in its appeal of that loss or rate a challenge based on allegations of improper loan servicing or collection. This challenge may be raised in addition to other challenges permitted under this section.

(2) Standard of review. (i) An appeal based on allegations of improper loan servicing or collection must be submitted to the Secretary in accordance with the requirements of this paragraph.

(ii) The Secretary excludes any loans from the FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate calculation that, due to improper servicing or collection, would, as demonstrated by the evidence submitted in support of the institution’s timely appeal to the Secretary, result in an inaccurate or incomplete calculation of that rate.

(iii) For the purposes of paragraph (h) of this section, a Direct Loan that has been included in a Direct Loan Program cohort rate, under paragraph (e)(1)(ii) of this section, or a weighted average cohort rate, under paragraph (f)(1)(ii) of this section, because it has been in repayment under the income contingent repayment plan for 270 days, with scheduled payments that are less than $15 per month and with those payments resulting in negative amortization, is not considered to have been included in that rate as a defaulted loan. An institution’s appeal under this paragraph does not affect the inclusion of these loans in an institution’s rate.

(3) Procedures. The following procedures apply to appeals from FFEL Program cohort default rates, Direct Loan Program cohort rates, and weighted average cohort rates issued by the Secretary:

(i) Notice of rate. Upon receiving notice from the Secretary that the institution’s FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate exceeds the thresholds specified in paragraph (a)(3), (b)(1), or (b)(2) of this section or that its most recent rate equals or exceeds 20 percent, the institution may appeal the calculation of that rate based on allegations of improper loan servicing or collection. The Secretary’s notice includes a list of all borrowers included in the calculation of the institution’s rate.

(ii) Appeals for FFEL Program loans. (A) To initiate an appeal under this paragraph for FFEL Program loans included in the institution’s rate, the institution must notify, in writing, the Secretary and each guaranty agency that guaranteed loans included in the institution’s FFEL Program cohort default rate or weighted average cohort rate that it is appealing the calculation of that rate. The notification must be received by the guaranty agency and the Secretary within 30 days of the date the institution received the Secretary’s notification. The institution’s notification to the guaranty agency must include a copy of the list of students provided by the Secretary to the institution.

(B) Within 15 working days of receiving the notification from an institution subject to loss of participation in the FFEL or Direct Loan programs under paragraph (a)(3), (b)(1), or (b)(2) of this section, or within 30 calendar days of receiving that notification from any other institution that may file a challenge to its FFEL Program cohort default rate or weighted average cohort rate under this paragraph, the guaranty agency shall provide the institution with a representative sample of the loan servicing and collection records relating to borrowers whose loans were guaranteed by the guaranty agency and that were included as defaulted loans in the calculation of the institution’s rate. For purposes of this section, when used for FFEL Program loans, the term “loan servicing and collection records” refers only to the records submitted by the lender to the guaranty agency to support the lender’s submission of a default claim and included in the claim file. In selecting the representative sample of records, the guaranty agency shall use the following procedures:

(1) The guaranty agency shall identify in social security number order all loans guaranteed by the guaranty agency and included as defaulted loans in the calculation of the FFEL Program cohort default rate or weighted average cohort rate that is being challenged by the institution.

(2) From the population of loans identified by the guaranty agency, the guaranty agency shall identify a sample of the loans. The sample must be of a size such that the universe estimate derived from the sample is acceptable at a 95 percent confidence level with a plus or minus 5 percent confidence interval. The sampling procedure must result in a determination of the number of FFEL Program loans that should be excluded from the calculation of the FFEL Program cohort default rate or weighted average cohort rate under this paragraph.

(3) The guaranty agency shall provide a copy of all servicing and collection records relating to each loan in the sample to the institution in hard copy format unless the guaranty agency and institution agree that all or some of the records may be provided in another format.

(4) The guaranty agency may charge the institution a reasonable fee for copying and providing the documents, not to exceed $10 per borrower file.

(5) After compiling the servicing and collection records for the loans in the sample, the guaranty agency shall send the records, a list of the loans included in the sample, and a description of how the sample was chosen to the institution. The guaranty agency shall also send a copy of the list of the loans included in the sample, listed in order by social security number, and the description of how the sample was chosen to the Secretary at the same time the material is sent to the institution.

(6) If the guaranty agency charges the institution a fee for copying and providing the documents under paragraph (h)(3)(ii)(B)(4) of this section, the guaranty agency is not required to provide the documents to the institution until payment is received by the agency. If payment of a fee is required, the guaranty agency shall notify the institution, in writing, within 15 working days of receipt of the institution's request, of the amount of the fee. If the guaranty agency does not receive payment of the fee from the institution within 15 working days of the date the institution receives notice of the fee, the institution shall be considered to have waived its right to challenge the calculation of its FFEL Program cohort default rate or weighted average cohort rate based on allegations of improper loan servicing or collection in regard to the loans guaranteed by that guaranty agency. The guaranty agency shall notify the institution and the Secretary, in writing, that the institution has failed to pay the fee and has apparently waived its right to challenge the calculation of its rate for this purpose.

(iii) Appeals for Direct Loan Program loans. (A) To initiate an appeal under this paragraph for Direct Loans included in the institution's rate, the institution must notify the Secretary, in writing, that it is appealing the calculation of its Direct Loan Program cohort rate or weighted average cohort rate. The notification must be received by the Secretary within 10 working days of the date the institution received the Secretary's notification.

(B) Within 15 working days of receiving the notification from an institution subject to loss of participation in the FFEL or Direct Loan Program under paragraph (a)(3), (b)(1), or (b)(2) of this section, or within 30 calendar days of receiving that notification from any other institution that may file a challenge to its Direct Loan Program cohort rate or weighted average cohort rate under this paragraph, the Secretary provides the institution with a representative sample of the loan servicing and collection records relating to borrowers whose Direct Loans were included as defaulted loans in the calculation of the institution's rate. For purposes of this section, when used for Direct Loans, the term "loan servicing and collection records" refers only to the records maintained by the Department's Direct Loan Servicer with respect to the servicing and collecting of delinquent loans prior to the default. In selecting the representative sample of records, the Secretary uses the following procedures:

(1) The Secretary identifies in social security number order all Direct Loans included as defaulted loans in the calculation of the Direct Loan Program cohort rate or weighted average cohort rate that is being challenged by the institution.

(2) From the population of loans identified by the Secretary, the Secretary identifies a sample of the loans. The sample is of a size such that the universe estimate derived from the sample is acceptable at a 95 percent confidence interval with a plus or minus 5 percent confidence interval. The sampling procedure must result in a determination of the number of Direct Loans included in the rate as defaulted loans that should be excluded from the calculation of the Direct Loan Program cohort rate or weighted average cohort rate under this paragraph.

(3) The Secretary provides a copy of all servicing and collection records relating to each loan in the sample to the institution in hard copy format unless the Secretary and institution agree that all or some of the records may be provided in another format.

(4) The Secretary may charge the institution a reasonable fee for copying and providing the documents, not to exceed $10 per borrower file.

(5) After compiling the servicing and collection records for the loans in the sample, the Secretary sends the records, a list of the loans included in the sample, and a description of how the sample was chosen to the institution.

(6) If the Secretary charges the institution a fee for copying and providing the documents under paragraph (h)(3)(ii)(B)(4) of this section, the Secretary does not provide the documents to the institution until payment is received by the Secretary. If payment of a fee is required, the Secretary notifies the institution, in writing, within 15 working days of receipt of the institution's request, of the amount of the fee. If the Secretary does not receive payment of the fee from the institution within 15 working days of the date the institution received notice of the fee, the institution shall be considered to have waived its right to challenge the calculation of its Direct Loan Program cohort rate or weighted average cohort rate based on allegations of improper loan servicing or collection in regard to the Direct Loans included in that rate. The Secretary notifies the institution, in writing, that the institution has failed to pay the fee and has waived its right to challenge the
calculation of its rate on the basis of those allegations.

(iv) Procedures for filing an appeal. After receiving the relevant loan servicing and collection records from the Secretary (for defaulted Direct Loan Program loans included in a Direct Loan Program cohort rate or weighted average cohort rate) and from all of the guaranty agencies that insured loans included in the institution's FFEL Program cohort default rate or weighted average cohort rate calculation (for defaulted FFEL Program loans included in a rate), the institution has 30 calendar days to file its appeal with the Secretary. An appeal is considered filed when it is received by the Secretary. If the institution is also filing an appeal under paragraph (c)(1)(i) of this section, the institution may delay submitting its appeal under this paragraph until the appeal under paragraph (c)(1)(i) is submitted to the Secretary. As part of the appeal, the institution shall submit the following information to the Secretary:

(A) A list of the loans that the institution alleges would, due to improper loan servicing or collection, result in an inaccurate or incomplete calculation of the rate.

(B) Copies of all of the loan servicing or collection records and any other evidence relating to a loan that the institution believes has been subject to improper servicing or collection. The records must be in hard copy or microfiche format.

(C) For FFEL Program loans, a copy of the lists provided by the guaranty agencies under paragraph (h)(3)(ii)(B) of this section.

(D) An explanation of how the alleged improper servicing or collection resulted in an inaccurate or incomplete calculation of the institution's rate.

(E) A summary of the institution's appeal listing the following:

(1) For FFEL Program cohort default rates, the number of loans insured by each guaranty agency that were included as defaulted loans in the calculation of the institution's rate and the number of loans that would be excluded from the calculation of that rate by application of the results of the review of the sample of loans provided to the institution to the population of loans for each guaranty agency.

(2) For Direct Loan Program cohort rates, the number of Direct Loans that were included as defaulted loans in the calculation of the institution's rate and the number of loans that would be excluded from the calculation of that rate by application of the results of the review of the sample of loans provided to the institution to the population of loans serviced by the Secretary.

(3) For weighted average cohort rates--

(i) The number of FFEL Program loans insured by each guaranty agency that were included as defaulted loans in the calculation of the institution's rate and the number of loans that would be excluded from the calculation of that rate by application of the results of the review of the sample of loans provided to the institution to the population of loans for each guaranty agency; and

(ii) The number of Direct Loans that were included as defaulted loans in the calculation of the institution's rate and the number of loans that would be excluded from the calculation of that rate by application of the results of the review of the sample of loans provided to the institution to the population of loans serviced by the Secretary.

(F) A certification by an authorized official of the institution that all information provided by the institution in the appeal is true and correct.

(v) Decision. The Secretary or the Secretary's designee reviews the information submitted by the institution and issues a decision.

(A) In making a decision under this paragraph, the Secretary presumes that the information provided to the institution by the guaranty agency or Secretary under paragraphs (h)(3)(ii)(B) and (iii)(B) of this section is correct unless the institution provides substantial evidence showing that the information is not correct.

(B) If the Secretary finds that the evidence presented by the institution shows that some of the loans included in the sample of loan records reviewed by the institution should be excluded from calculation of the FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate under paragraph (h)(2) of this section, the Secretary reduces the institution's rate, in accordance with a statistically valid methodology, to reflect the percentage of defaulted loans in the sample that should be excluded.

(vi) Notification. The Secretary notifies the institution, in writing, of the decision.

(vii) Seeking judicial review. An institution may not seek judicial review of the Secretary's determination of the institution's FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate until the Secretary or the Secretary's designee issues the decision under paragraph (h)(3)(v) of this section.

(viii) Improper loan servicing or collection criteria. For purposes of this paragraph, a default is considered to have been due to improper servicing or collection only if the borrower did not make a payment on the loan and--

(A) For an FFEL Program loan, the institution proves that the lender failed to perform one or more of the following activities, if that activity was required:
PART 668—STUDENT ASSISTANCE GENERAL PROVISIONS

(1) Send at least one letter (other than the final demand letter) urging the borrower or endorser to make payments on the loan.

(2) Attempt at least one phone call to the borrower or endorser.

(3) Submit a request for preclaims assistance to the guaranty agency.

(4) Send a final demand letter to the borrower.

(5) Submit a certification (or other evidence) that skip tracing was performed.

(B) For a Direct Loan Program loan, the institution proves that the Direct Loan Servicer failed to perform one or more of the following activities, if that activity is applicable to the loan:

(1) Send at least one letter (other than the final demand letter) urging the borrower or endorser to make payments on the loan.

(2) Attempt at least one phone call to the borrower or endorser unless the borrower or endorser is incarcerated or is residing outside a State, Mexico, or Canada.

(3) Send a final demand letter to the borrower.

(4) Document that skip tracing was performed if the Direct Loan Servicer determined it did not have the borrower's current address.

(i) Effect of decision. (1) An institution may challenge the calculation of an FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate under this section no more than once. The Secretary's determination of an institution's appeal of the calculation of such a rate is binding on any future appeal by the institution.

(2) An institution that fails to challenge the calculation of an FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate under this section within 10 working days of receiving notice of the determination of that rate is prohibited from challenging that rate in any other proceeding before the Department.

(3) If the Secretary has initiated an action under paragraph (a)(2) of this section, the institution may not challenge the calculation of the FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate on which the action is based.

(j) Review of default rate data. Effective on October 1, 1994, an institution has an opportunity to review and correct the information provided to the Secretary by the guaranty agencies for the purpose of calculating a cohort default rate on the loans to be included in the calculation of the institution's cohort default rate before the final rate is calculated.

(1)(i) Once the Secretary has received the information used in calculating the cohort default rates from the guaranty agencies, the Secretary calculates draft cohort default rates for each institution.

(ii) The Secretary sends all institutions with draft cohort default rates equal to or in excess of 20 percent, a copy of the information provided by the guaranty agencies in regard to loans included in the institution's cohort default rate.

(iii) An institution with a draft cohort default rate less than 20 percent will receive a notice of the draft default rate and may request a copy of the information provided by the guaranty agencies within 10 working days of receiving the notice from the Secretary. Upon receiving the request from the institution, the Secretary will send the institution a copy of the information requested. The time frames provided in this paragraph will not start until the institution receives the information from the Secretary.

(2) Within 30 calendar days of receiving the default rate information from the Secretary, the institution must notify the guaranty agency of any information included in the default rate data that it believes is incorrect. The institution must also provide the guaranty agency with evidence that it believes supports its contention that the default rate data are incorrect.

(3) Within 30 days of receiving the institution's challenge under paragraph (h)(2) of this section, the guaranty agency shall respond to the institution's challenge. The guaranty agency's response must include a response to each allegation of error made by the institution and any evidence supporting the agency's position.

(4) The guaranty agency shall provide a copy of its response to the institution to the Secretary and identify any errors in the information previously submitted to the Secretary.

(5) The information used to calculate cohort default rates will be changed to reflect allegations of error made by an institution, confirmed by the guaranty agency and accepted by the Secretary prior to releasing final cohort default rates.

(6) The draft default rate issued by the Secretary under paragraph (h)(1) of this section may not be considered public information and may not be otherwise voluntarily released by the Secretary or the guaranty agency.

(7) An institution may not appeal a cohort default rate under paragraph (d)(1) of this section on the basis of any alleged errors in the default rate information unless errors were identified by the institution in a challenge to its preliminary default rate under paragraph (h) of this section.

Sec. 668.19 Financial aid transcript.

(a) (1) An institution shall determine whether a student who is applying for assistance under any title IV, HEA program has previously attended another eligible institution.

(ii) May use information it obtains from the National Student Loan Data System (NSLDS) to satisfy the requirements of paragraphs (a)(1) and (a)(2)(i) of this section, after the Secretary informs institutions through a Notice in the Federal Register that the NSLDS is available for this purpose, and information on how the NSLDS can be used.

(3) Except as provided in paragraph (b)(5) of this section, if an institution requests a financial aid transcript from any institution a student previously attended, until the institution receives each requested financial aid transcript; the institution--

(i) May withhold payment of Federal Pell Grant and campus-based funds to the student;

(ii) May disburse Federal Pell Grant and campus-based funds to the student for one payment period only;

(iii) May decline to certify the student's Federal Stafford Loan application or the parent's Federal PLUS application under the FFEL Program;

(4) (i) An institution may not hold Federal Stafford or Federal PLUS loan proceeds under paragraph (b)(3) of this section for more than 45 days. If an institution does not receive all required financial aid transcripts for a student within 45 days of the receipt of such proceeds, the institution shall return the loan proceeds to the appropriate lender.

(ii) An institution that certifies a Federal Stafford or Federal PLUS loan application before receiving all required financial aid transcripts shall return to the lender the appropriate amount of any Federal Stafford or Federal PLUS proceeds if it receives a financial aid transcript indicating that the student is not eligible for all, or a part, of the loan proceeds.

(5) An institution may disburse title IV, HEA program funds to a student without receiving a financial aid transcript from an eligible institution the student previously attended if the institution the student previously attended--

(i) Has closed, and information concerning the student's receipt of title IV, HEA program assistance for attendance at that institution is not available;

(ii) Is not located in a State; or

(iii) Provides the disburse institution with the written certification described in paragraph (b)(2)(ii) of this section.

(b) Upon request, each institution located in a State shall promptly provide to the institution that requested a financial aid transcript--

(1) All information in its possession concerning whether the student in question attended institutions other than itself and the requesting institution; and

(2) (i) A financial aid transcript for that student, if the student received or benefitted from any title IV, HEA program assistance while attending the institution; or

(ii) A written certification that--
PART 668—STUDENT ASSISTANCE GENERAL PROVISIONS

(A) The student did not receive or benefit from any title IV, HEA program assistance while attending the institution; or

(B) The transcript would cover only years for which the institution no longer has records and is no longer required to keep records under the applicable title IV, HEA program recordkeeping requirements.

(c) An institution must disclose on a financial aid transcript for a student—

(1) The student's name and social security number;

(2) To the extent the institution is aware, whether the student is in default on any title IV, HEA program loan;

(3) To the extent the institution is aware, whether the student owes an overpayment on any title IV, HEA program grant or Federal Perkins Loan;

(4) For the award year for which a financial aid transcript is requested, the student's Scheduled Federal Pell Grant and the amount of Pell Grant funds disbursed to the student;

(5) The aggregate amount of loans made to the student under each of the title IV, HEA loan programs for attendance at the institution;

(6) For the award year in which a financial aid transcript is requested, the student's Scheduled Federal Perkins Loan and the amount of Perkins Grant funds disbursed to the student;

(7) Whether the student owed an outstanding balance on July 1, 1987 on either a National Direct Student Loan made for attendance at the institution;

(8) Whether the student owed an outstanding balance on October 1, 1992 on either a Federal Perkins loan or a National Direct Student Loan made for attendance at the institution;

(9) The amount of, and period of enrollment for, the most current loan made to the student under the FFEL, and Direct Loan programs for attendance at the institution.

(d) (1) A financial aid transcript must be signed by an official authorized by the institution to disclose information in connection with title IV, HEA programs.

(Authority: 20 U.S.C. 1091, 1094)

Sec. 668.20 Limitations on remedial coursework that is eligible for Title IV, HEA program assistance.

(a) A noncredit or reduced credit remedial course is a course of study designed to increase the ability of a student to pursue a course of study leading to a certificate or degree.

(1) A noncredit remedial course is one for which no credit is given toward a certificate or degree; and

(2) A reduced credit remedial course is one for which reduced credit is given toward a certificate or degree.

(b) Except as provided in paragraphs (c) and (d) of this section, in determining a student’s enrollment status and cost of attendance, an institution shall include any noncredit or reduced credit remedial course in which the student is enrolled. The institution shall attribute the number of credit or clock hours to a noncredit or reduced credit remedial course by—

(1) Calculating the number of classroom and homework hours required for that course;

(2) Comparing those hours with the hours required for nonremedial courses in a similar subject; and

(3) Giving the remedial course the same number of credit or clock hours it gives the nonremedial course with the most comparable classroom and homework requirements.

(c) In determining a student’s enrollment status under the Title IV, HEA programs or a student’s cost of attendance under the campus-based, FFEL, and Direct Loan programs, an institution may not take into account any noncredit or reduced credit remedial course if—

(1) That course is part of a program of instruction leading to a high school diploma or the recognized equivalent of a high school diploma, even if the course is necessary to enable the student to complete a degree or certificate program;

(2) The educational level of instruction provided in the noncredit or reduced credit remedial course is below the level needed to pursue successfully the degree or certificate program offered by that institution after one year in that remedial course; or

(3) Except for a course in English as a second language, the educational level of instruction provided in that course is below the secondary level. For purposes of this section, the Secretary considers a course to be below the
secondary level if any of the following entities determine that course to be below the secondary level:

(i) The State agency that legally authorized the institution to provide postsecondary education.

(ii) In the case of an accredited or preaccredited institution, the nationally recognized accrediting agency or association that accredits or preaccredits the institution.

(iii) In the case of a public postsecondary vocational institution that is approved by a State agency recognized for the approval of public postsecondary vocational education, the State agency recognized for the approval of public postsecondary vocational education that approves the institution.

(iv) The institution.

(d) Except as set forth in paragraph (f) of this section, an institution may not take into account more than one academic year's worth of noncredit or reduced credit remedial coursework in determining:

(1) A student's enrollment status under the Title IV, HEA programs; and

Sec. 668.22 Institutional refunds and repayments.

(a) General. (1) An institution shall have a fair and equitable refund policy under which the institution makes a refund of unearned tuition, fees, room and board, and other charges to a student who received Title IV, HEA program assistance, or whose parent received a Federal PLUS loan or Federal Direct PLUS loan on behalf of the student if the student--

(i) Does not register for the period of enrollment for which the student was charged; or

(ii) Withdraws, drops out, is expelled from the institution, or otherwise fails to complete the program on or after his or her first day of class of the period of enrollment for which he or she was charged.

(2) The institution shall provide a clear and conspicuous written statement containing its refund policy, including the allocation of refunds and repayments to sources of aid to a prospective student prior to the earlier of the student's enrollment or the execution of the student's enrollment agreement. The institution must make available to students upon request examples of the application of this policy and inform students of the availability of these examples in the written statement. The institution shall make its policy known to currently enrolled students. The institution shall include in its statement the procedures that a student must follow to obtain a refund, but the institution shall return the portion of a refund allocable to the Title IV, HEA programs in accordance with paragraph (f) of this section whether the student follows those procedures or not. If the institution changes its refund policy, the institution shall ensure that all students are made aware of the new policy.

(b) For purposes of this section, the Secretary considers that a student drops out before his or her first day of class of a payment period if the institution is unable to document the student's attendance at any class during the payment period.

(Authority: 20 U.S.C. 1094)

PART 668–STUDENT ASSISTANCE GENERAL PROVISIONS

(b) Fair and equitable refund policy. (1) For purposes of paragraph (a) of this section, an institution's refund policy is fair and equitable if the policy provides for a refund of at least the larger of the amount provided under—

(i) The requirements of applicable State law;

(ii) The specific refund standards established by the institution's nationally recognized accrediting agency if those standards are approved by the Secretary;

(iii) The pro rata refund calculation described in paragraph (c) of this section, for any student attending the institution for the first time whose withdrawal date is on or before the 60 percent point in time in the period of enrollment for which the student has been charged; or

(iv) For purposes of determining a refund when the pro rata refund calculation under paragraph (b)(1)(iii) of this section does not apply, and no standards for a refund under State law under paragraph (b)(1)(i) and no standards established by the institution's accrediting agency under (b)(1)(ii) of this section exist, the larger of—

(A) The Federal refund calculation contained in paragraph (d) of this section; or

(B) The institution's refund policy.

(2) For purposes of the calculation of a pro rata refund under paragraph (b)(1)(iii) of this section, "the 60 percent point in time in the period of enrollment for which the student has been charged" is—

(i) In the case of an educational program that is measured in credit hours, the point in calendar time when 60 percent of the period of enrollment for which the student has been charged, as defined in paragraph (e) of this section, has elapsed; and

(ii) In the case of an educational program that is measured in clock hours, the point in time when the student completes 60 percent of the clock hours scheduled for the period of enrollment for which the student has been charged, as defined in paragraph (e) of this section.

(3) The institution must determine which policy under paragraph (b)(1) of this section provides for the largest refund to that student.

(4) For all refund calculations other than the pro rata refund calculation under paragraph (b)(1)(iii) of this section, an institution must subtract the unpaid amount of a scheduled cash payment from the amount the institution may retain in accordance with paragraph (f)(2) of this section.

(c) Pro Rata refund. (1) "Pro rata refund," as used in this section, means a refund by an institution to a student attending that institution for the first time of not less than that portion of the tuition, fees, room, board, and other charges assessed the student by the institution equal to the portion of the period of enrollment for which the student has been charged that remains on the withdrawal date, rounded downward to the nearest 10 percent of that period, less any unpaid amount of a scheduled cash payment for the period of enrollment for which the student has been charged.

(2) A "scheduled cash payment" is the amount of institutional charges that is not paid for by financial aid for the period of enrollment for which the student has been charged exclusive of—

(i) Any amount scheduled to be paid by Title IV, HEA program assistance that the student has been awarded that is payable to the student even though the student has withdrawn;

(ii) Late disbursements of loans made under the FFEL and Direct Loan Programs in accordance with 34 CFR 682.207(d) and 34 CFR 685.303(d), respectively; and

(iii) Late disbursements of State student financial assistance, for which the student is still eligible in spite of having withdrawn, made in accordance with the applicable State's written late disbursement policies. The late disbursement must be made within 60 days after the student's date of withdrawal, as defined in paragraph (j)(1) of this section, or the institution must—

(A) Recalculate the refund in accordance with this section, including recalculating the student's unpaid charges in accordance with this paragraph without consideration of the State's late disbursement amount; and

(B) Return any additional refund amounts due as a result of the recalculations in accordance with paragraph (h) of this section.

(3) The "unpaid amount of a scheduled cash payment" is computed by subtracting the amount paid by the student for the period of enrollment for which the student has been charged from the scheduled cash payment for the period of enrollment for which the student has been charged.

(4) An institution may exclude from the calculation of a pro rata refund under this paragraph a reasonable administrative fee not to exceed the lesser of—

(i) Five percent of the tuition, fees, room and board, and other charges assessed the student; or

(ii) One hundred dollars.

(5)(i) For purposes of this section, "other charges assessed the student by the institution" include, but are not limited to, charges for any equipment (including books and supplies) issued by an institution to the student if the institution specifies in the enrollment agreement a separate charge for
PART 668--STUDENT ASSISTANCE GENERAL PROVISIONS

equipment that the student actually obtains or if the institution refers the student to a vendor operated by the institution or an entity affiliated or related to the institution.

(ii) The institution may exclude from the calculation of a pro rata refund under this paragraph the documented cost to the institution of unreturnable equipment issued to the student in accordance with paragraph (c)(5)(i) of this section or of returnable equipment issued to the student in accordance with paragraph (c)(5)(i) of this section if the student does not return the equipment in good condition, allowing for reasonable wear and tear, within 20 days following the date of the student's withdrawal. For example, equipment is not considered to be returned in good condition and, therefore, is unreturnable, if the equipment cannot be reused because of clearly recognized health and sanitary reasons. The institution must clearly and conspicuously disclose in the enrollment agreement any restrictions on the return of equipment, including equipment that is unreturnable. The institution must notify the student in writing prior to enrollment that return of the specific equipment involved will be required within 20 days of the student's withdrawal.

(iii) An institution may not delay its payment of the portion of a refund allocable under this section to a Title IV, HEA program or a lender under 34 CFR 682.607 by reason of the process for return of equipment prescribed in paragraph (c)(5) of this section.

(6) For purposes of this section--

(i) "Room" charges do not include charges that are passed through the institution from an entity that is not under the control of, related to, or affiliated with the institution; and

(ii) "Other charges assessed the student by the institution" do not include fees for group health insurance, if this insurance is required for all students and the purchased coverage remains in effect for the student throughout the period for which the student was charged.

(7)(i) For purposes of this section, a student attending an institution for the first time is a student who--

(A) Has not previously attended at least one class at the institution; or

(B) Received a refund of 100 percent of his or her tuition and fees (less any permitted administrative fee) under the institution's refund policy for previous attendance at the institution.

(ii) A student remains a first-time student until the student either--

(A) Withdraws, drops out, or is expelled from the institution after attending at least one class; or

(B) Completes the period of enrollment for which he or she has been charged.

(8) For purposes of this paragraph, "the portion of the period of enrollment for which the student has been charged that remains" is determined--

(i) In the case of an educational program that is measured in credit hours, by dividing the total number of weeks comprising the period of enrollment for which the student has been charged into the number of weeks remaining in that period as of the student's withdrawal date;

(ii) In the case of an educational program that is measured in clock hours, by dividing the total number of clock hours comprising the period of enrollment for which the student has been charged into the number of scheduled clock hours remaining to be completed by the student in that period as of the student's withdrawal date; and

(iii) In the case of an educational program that consists predominantly of correspondence courses, by dividing the total number of lessons comprising the period of enrollment for which the student has been charged into the number of lessons not submitted by the student.

(d) Federal Refund. (1) "Federal refund," as used in this section, means a refund by an institution to a student attending that institution of not less than the portion of institutional charges (tuition, fees, room, board and other charges assessed the student by the institution) to be refunded as follows--

(i) If a student withdraws, drops out, or is expelled from the institution before the first day of classes for the period of enrollment for which the student was charged, the institution must follow the provisions under Sec. 668.21 for the treatment of Federal Perkins Loan, FSEOG, and Federal Pell Grant Program funds, the provisions under Sec. 682.604(d)(3) or (4) for the treatment of FFEL Program funds, and the provisions under Sec. 685.303(b)(3) for the treatment of Direct Loan Program funds, as appropriate;

(ii) The institution must refund 100 percent of institutional charges, less an administrative fee, if any, as described in paragraph (d)(2) of this section, if a student withdraws on the first day of classes for the period of enrollment for which the student was charged;

(iii) The institution must refund at least 90 percent of institutional charges, less an administrative fee, if any, as described in paragraph (d)(2) of this section, if a student withdraws at any time after the first day of classes for the period of enrollment for which the student was charged up to and including the end of the first 10 percent (in time) of that period of enrollment;

(iv) The institution must refund at least 50 percent of institutional charges, less an administrative fee, if any, as described in paragraph (d)(2) of this section, if the student...
withdraws at any time after the end of the first 10 percent (in time) of the period of enrollment for which the student was charged up to and including the end of the first 25 percent (in time) of that period of enrollment; and

(v) The institution must refund at least 25 percent of institutional charges, less an administrative fee, if any, as described in paragraph (d)(2) of this section, if the student withdraws at any time after the end of the first 25 percent (in time) of the period of enrollment for which the student was charged up to and including the end of the first 50 percent (in time) of that period of enrollment.

(2) An institution may exclude from the calculation of a Federal refund under this paragraph a reasonable administrative fee not to exceed the lesser of-

(i) Five percent of the tuition, fees, room and board, and other charges assessed the student; or

(ii) One hundred dollars.

(3)(i) For purposes of this section, "other charges assessed the student by the institution" include, but are not limited to, charges for any equipment (including books and supplies) issued by an institution to the student if the institution specifies in the enrollment agreement a separate charge for equipment that the student actually obtains or if the institution refers the student to a vendor operated by the institution or an entity affiliated or related to the institution.

(ii) The institution may exclude from the calculation of a Federal refund under this paragraph the documented cost to the institution of unreturnable equipment issued to the student in accordance with paragraph (d)(3)(i) of this section or of returnable equipment issued to the student in accordance with paragraph (d)(3)(i) of this section if the student does not return the equipment in good condition, allowing for reasonable wear and tear, within 20 days following the date of the student's withdrawal. For example, equipment is not considered to be returned in good condition and, therefore, is unreturnable, if the equipment cannot be reused because of clearly recognized health and sanitary reasons. The institution must clearly and conspicuously disclose in the enrollment agreement any restrictions on the return of equipment, including equipment that is unreturnable. The institution must notify the student in writing prior to enrollment that return of the specific equipment involved will be required within 20 days of the student's withdrawal.

(iii) An institution may not delay its payment of the portion of a refund allocable under this section to a Title IV, HEA program or a lender under 34 CFR 682.607 by reason of the process for return of equipment prescribed in paragraph (c)(3) of this section.

(4) For purposes of this section--

(i) "Room" charges do not include charges that are passed through the institution from an entity that is not under the control of, related to, or affiliated with the institution; and

(ii) "Other charges assessed the student by the institution" do not include fees for group health insurance, if this insurance is required for all students and the purchased coverage remains in effect for the student throughout the period for which the student was charged.

(e) Period of enrollment for which the student has been charged. (1) For purposes of this section, "the period of enrollment for which the student has been charged," means the actual period for which an institution charges a student, except that the minimum period must be--

(i) In the case of an educational program that is measured in credit hours or clock hours and uses semesters, trimesters, quarters, or other academic terms, the semester, trimester, quarter or other academic term; or

(ii) In the case of an educational program that is measured in credit hours or clock hours and does not use semesters, trimesters, quarters, or other academic terms and is--

(A) Longer than or equal to the academic year in length, the greater of the payment period or one-half of the academic year;

(B) Shorter than the academic year in length, the length of the educational program.

(2) If an institution charges by different periods for different charges, the "period of enrollment for which the student has been charged" for purposes of this section is the longest period for which the student is charged. The institution must include any charges assessed the student for the period of enrollment or any portion of that period of enrollment when calculating the refund.

(f) Overpayments. (1) An institution shall determine whether a student has received an overpayment for noninstitutional costs for the period of enrollment for which the student has been charged if--

(i) The student officially withdraws, drops out, or is expelled, on or after his or her first day of class of that period; and

(ii) The student received Title IV, HEA program assistance other than from the FWS, FFEL, or Direct Loan Program for that period.

(2)(i) To determine if the student owes an overpayment, the institution shall subtract the noninstitutional costs that the student incurred for that portion of the period of enrollment for which the student has been charged from the amount of all assistance (other than from the FWS, FFEL, or Direct Loan Program) that the institution disbursed to the
(ii) Noninstitutional costs may include, but are not limited to, room and board for which the student does not contract with the institution, books, supplies, transportation, and miscellaneous expenses.

(g) Repayments to Title IV, HEA programs of institutional refunds and overpayments. (1)(i) An institution shall return a portion of the refund calculated in accordance with paragraph (b) of this section to the Title IV, HEA programs if the student to whom the refund is owed received assistance under any Title IV, HEA program other than the FWS Program.

(ii) The portion of the refund that an institution shall return to the Title IV, HEA programs may not exceed the amount of assistance that the student received under the Title IV, HEA programs other than under the FWS Program for the period of enrollment for which the student has been charged.

(2) For purposes of this section, for all refund calculations other than the pro rata refund calculation required under paragraph (b)(1)(iii) of this section–

(i) An institutional refund means the amount paid for institutional charges for the period of enrollment for which the student has been charged minus the amount that the institution may retain under paragraph (g)(2)(ii) of this section for the portion of the period of enrollment for which the student has been charged that the student was actually enrolled at the institution;

(ii) An institution may not include any unpaid amount of a scheduled cash payment in determining the amount that the institution may retain for institutional charges. A scheduled cash payment is the amount of institutional charges that has not been paid by financial aid for the period of enrollment for which the student has been charged, exclusive of–

(A) Any amount scheduled to be paid by Title IV, HEA program assistance that the student has been awarded that is payable to the student even though the student has withdrawn;

(B) Late disbursements of loans made under the FFEL and Direct Loan programs in accordance with 34 CFR 682.207(d) and 34 CFR 685.303(d), respectively; and

(C) Late disbursements of State student financial assistance, for which the student is still eligible in spite of having withdrawn, made in accordance with the applicable State's written late disbursement policies. The late disbursement must be made within 60 days after the student's date of withdrawal, as defined in paragraph (j)(1) of this section, or the institution must–

(1) Recalculate the refund in accordance with this section, including recalculating the student's unpaid charges in accordance with this paragraph without consideration of the State late disbursement amount; and

(2) Return any additional refund amounts due as a result of the recalculation in accordance with paragraph (h) of this section;

(iii) In determining the amount that the institution may retain for the portion of the period of enrollment for which the student has been charged during which the student was actually enrolled, an institution shall–

(A) Compute the unpaid amount of a scheduled cash payment by subtracting the amount paid by the student for that period of enrollment for which the student has been charged from the scheduled cash payment for the period of enrollment for which the student has been charged; and

(B) Subtract the unpaid amount of the scheduled cash payment from the amount that may be retained by the institution according to the institution's refund policy; and

(iv) An institution shall return the total amount of Title IV, HEA program assistance (other than amounts received from the FWS Program) paid for institutional charges for the period of enrollment for which the student has been charged if the unpaid amount of the student's scheduled cash payment is greater than or equal to the amount that may be retained by the institution under the institution's refund policy.

(3)(i) A student must repay to the institution or to the Title IV, HEA programs a portion of the overpayment as determined according to paragraph (f) of this section. The institution shall make every reasonable effort to contact the student and recover the overpayment in accordance with program regulations (34 CFR parts 673, 690, and 691).

(ii) The portion of the overpayment that the student or the institution (if the institution recovers the overpayment) shall return to the Title IV, HEA programs other than the FWS, FFEL, or Direct Loan Program for the period of enrollment for which the student has been charged.

(iii) Unless otherwise provided for in applicable program regulations–

(A) If the amount of the overpayment is less than $100, the student is considered not to owe an overpayment, and the institution is not required to contact the student or recover the overpayment; and

(B) If an institution demonstrates that the total amount of a refund would be $25 or less, the institution is not required to pay the refund, provided that the institution has obtained written authorization from the student in the enrollment agreement to retain any amount of the refund that would be allocated to the Title IV, HEA loan programs.
PART 668—STUDENT ASSISTANCE GENERAL PROVISIONS

(h) Allocation of refunds and overpayments. (1) Except as provided in paragraph (h)(2) of this section, if a student who received Title IV, HEA program assistance (other than assistance under the FWS Program) is owed a refund calculated in accordance with paragraph (b) of this section, or if a student who received Title IV, HEA program assistance (other than assistance under the FWS, FFEL, or Direct Loan Program) must repay an overpayment calculated in accordance with paragraph (f) of this section, an institution shall allocate that refund and any overpayment collected from the student in the following order:

(i) To eliminate outstanding balances on unsubsidized Federal Stafford loans received by the student for the period of enrollment for which he or she was charged.

(ii) To eliminate outstanding balances on subsidized Federal Stafford loans received by the student for the period of enrollment for which he or she was charged.

(iii) To eliminate outstanding balances on Federal PLUS loans received on behalf of the student for the period of enrollment for which he or she was charged.

(iv) To eliminate outstanding balances on Direct Unsubsidized Loans received by the student for the period of enrollment for which he or she was charged.

(v) To eliminate outstanding balances on Direct Subsidized Loans received by the student for the period of enrollment for which he or she was charged.

(vi) To eliminate outstanding balances on Direct PLUS Loans received on behalf of the student for the period of enrollment for which he or she was charged.

(vii) To eliminate outstanding balances on Federal Perkins loans received by the student for the period of enrollment for which he or she was charged.

(viii) To eliminate any amount of Federal Pell Grants awarded to the student for the period of enrollment for which he or she was charged.

(ix) To eliminate any amount of Federal SEOG Program aid awarded to the student for the period of enrollment for which he or she was charged.

(x) To eliminate any amount of other assistance awarded to the student under programs authorized by Title IV of the HEA for the period of enrollment for which he or she was charged.

(xi) To repay required refunds of other Federal, State, private, or institutional student financial assistance received by the student.

(xii) To the student.

(2) The institution must apply the allocation policy described in paragraph (h)(1) of this section consistently to all students who have received Title IV, HEA program assistance and must conform that policy to the following:

(i) No amount of the refund or of the overpayment may be allocated to the FWS Program.

(ii) No amount of overpayment may be allocated to the FFEL or Direct Loan Program.

(iii) The amount of the Title IV, HEA program portion of the refund allocated to the Federal Stafford Loan, and Federal PLUS programs must be returned to the appropriate borrower's lender by the institution in accordance with program regulations (34 CFR part 682).

(iv) The amount of the Title IV, HEA program portion of the refund allocated to the Title IV, HEA programs other than the FWS, and FFEL programs must be returned to the appropriate program account or accounts by the institution within 30 days of the date that the student officially withdraws, is expelled, or the institution determines that a student has unofficially withdrawn.

(v) The amount of the Title IV, HEA program portion of the overpayment allocated to the Title IV, HEA programs other than the FWS, FFEL, and Direct Loan Programs must be returned to the appropriate program account or accounts within 30 days of the date that the student repays the overpayment.

(j) Refund dates. (1) Withdrawal date. (i) Except as provided in paragraph (j)(1)(ii) and (iii) of this section, a student's withdrawal date is the earlier of:

(A) The date that the student notifies an institution of the student's withdrawal, or the date of withdrawal specified by the student, whichever is later; or

(B) If the student drops out of the institution without notifying the institution (does not withdraw officially), the last recorded date of class attendance by the student, as documented by the institution.

(ii) If the student is enrolled in an educational
program that consists predominantly of correspondence courses, the student's withdrawal date is normally the date of the last lesson submitted by the student, if the student failed to submit the subsequent lesson in accordance with the schedule for lessons established by the institution. However, if the student establishes in writing, within 60 days of the date of the last lesson that he or she submitted, a desire to continue in the program and an understanding that the required lessons must be submitted on time, the institution may restore that student to "in school" status for purposes of funds received under the Title IV, HEA programs. The institution may not grant the student more than one restoration to "in school" status on this basis.

(2) Approved leave of absence. A student who has been granted a leave of absence by an institution is not considered to have withdrawn from the institution and is considered to be on an "approved leave of absence" for purposes of this section (and, for a Title IV, HEA program loan borrower, for purposes of terminating the student's in-school status) under the following conditions:

(i) In any twelve-month period, the institution may grant a single leave of absence to a student, not to exceed 60 days;

(ii) The student must make a written request to be granted a leave of absence; and

(iii) The leave of absence may not involve additional charges by the institution to the student.

(3) Timely determination of withdrawal for students who drop out. An institution must determine the withdrawal date for a student who drops out within 30 days after the expiration of the earlier of the:

(i) Period of enrollment for which the student has been charged;

(ii) Academic year in which the student withdrew;

(iii) Educational program from which the student withdrew.

(4) Timely payment. An institution shall pay a refund that is due to a student—

(i) If a student officially withdraws or is expelled, within 30 days after the student's withdrawal date;

(ii) If a student drops out, within 30 days of the earliest of the—

(A) Date on which the institution determines that the student dropped out;

(B) Expiration of the academic term in which the student withdrew; or

(C) Expiration of the period of enrollment for which the student has been charged;

(iii) If a student—

(A) Does not return to the institution at the expiration of an approved leave of absence under paragraph (j)(2) of this section, within 30 days of the earlier of the date of expiration of the leave of absence or the date the student notifies the institution that the student will not be returning to the institution after the expiration of an approved leave of absence;

(B) Is taking a leave of absence that is not approved under paragraph (j)(2) of this section, within 30 days after the last recorded date of class attendance by the student, as documented by the institution.

(3) Third-party servicers. Except as provided under this part or 34 CFR part 682, with regard to complying with the provisions under this section a third-party servicer must follow the procedures contained in the audit guides developed by and available from the Department of Education's Office of Inspector General. A third-party servicer is defined under Sec. 668.2 and 34 CFR 682.200.
(4) Submission deadline. Except as provided by the Single Audit Act, Chapter 75 of title 31, United States Code, an institution must submit annually to the Secretary its compliance audit and its audited financial statements no later than six months after the last day of the institution's fiscal year.

(5) Audit submission requirements. In general, the Secretary considers the compliance audit and audited financial statement submission requirements of this section to be satisfied by an audit conducted in accordance with the Office of Management and Budget Circular A-133, "Audits of Institutions of Higher Education and Other Nonprofit Organizations"; Office of Management and Budget Circular A-128, "Audits of State and Local Governments", or the audit guides developed by and available from the Department of Education's Inspector General, whichever is applicable to the entity, and provided that the Federal student aid functions performed by that entity are covered in the submission. (Both OMB circulars are available by calling OMB's Publication Office at (202) 395-7332, or they can be obtained in electronic form on the OMB Home Page (http://www.whitehouse.gov).

(b) Compliance audits for institutions. (1) An institution's compliance audit must cover, on a fiscal year basis, all title IV, HEA program transactions, and must cover all of those transactions that have occurred since the period covered by the institution's last compliance audit.

(2) The compliance audit required under this section must be conducted in accordance with--

(i) The general standards and the standards for compliance audits contained in the U.S. General Accounting Office's (GAO's) Government Auditing Standards. (This publication is available from the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402); and

(3) The Secretary may require an institution to provide a copy of its compliance audit report to guaranty agencies or eligible lenders under the FFEL programs, State agencies, the Secretary of Veterans Affairs, or nationally recognized accrediting agencies.

(c) Compliance audits for third-party servicers: (1) A third-party servicer that administers title IV, HEA programs for institutions does not have to have a compliance audit performed if--

(i) The servicer contracts with only one institution; and

(ii) The audit of that institution's administration of the title IV, HEA programs involves every aspect of the servicer's administration of that program for that institution.

(2) A third-party servicer that contracts with more than one participating institution may submit a compliance audit report that covers the servicer's administration of the title IV, HEA programs for all institutions with which the servicer contracts.

(3) A third-party servicer must submit annually to the Secretary its compliance audit no later than six months after the last day of the servicer's fiscal year.

(d) Audited financial statements. (1) General. To enable the Secretary to make a determination of financial responsibility, an institution must, to the extent requested by the Secretary, submit to the Secretary a set of financial statements for its latest complete fiscal year, as well as any other documentation the Secretary deems necessary to make that determination. Financial statements submitted to the Secretary must be prepared on an accrual basis in accordance with generally accepted accounting principles, and audited by an independent auditor in accordance with generally accepted government auditing standards, and other guidance contained in the Office of Management and Budget Circular A-133, "Audits of Institutions of Higher Education and Other Nonprofit Organizations"; Office of Management and Budget Circular A-128, "Audits of State and Local Governments"; or in audit guides developed by, and available from, the Department of Education's Office of Inspector General, whichever is applicable. As part of these financial statements, the institution must include a detailed description of related entities based on the definition of a related entity as set forth in the Statement of Financial Accounting Standards (SFAS) 57. The disclosure requirements under this provision extend beyond those of SFAS 57 to include all related parties and a level of detail that would enable to Secretary to readily identify the related party. Such information may include, but is not limited to, the name, location and a description of the related entity including the nature and amount of any transactions between the related party and the institution, financial or otherwise, regardless of when they occurred.

(2) Submission of additional financial statements. To the extent requested by the Secretary in determining whether an institution is financially responsible, the Secretary may also require the submission of audited consolidated financial statements, audited full consolidating financial statements, audited combined financial statements or the audited financial statements of one or more related parties that have the ability, either individually or collectively, to significantly influence or control the institution, as determined by the Secretary.

(3) Audited financial statements for foreign institutions. A foreign institution must submit--
PART 668—STUDENT ASSISTANCE GENERAL PROVISIONS

(ii) Audited financial statements translated to meet the requirements of paragraph (d) of this section, if the institution received $500,000 U.S. or more in title IV, HEA program funds during its most recently completed fiscal year.

(4) Disclosure of title IV HEA program revenue. A proprietary institution must disclose in a footnote to its financial statement audit the percentage of its revenues derived from the title IV, HEA program funds that the institution received during the fiscal year covered by that audit. The revenue percentage must be calculated in accordance with Sec. 600.5(d).

(5) Audited financial statements for third-party servicers. A third-party servicer that enters into a contract with a lender or guaranty agency to administer any aspect of the lender's or guaranty agency's programs, as provided under 34 CFR part 682, must submit annually an audited financial statement. This financial statement must be prepared on an accrual basis in accordance with generally accepted accounting principles, and audited by an independent auditor in accordance with generally accepted government auditing standards and other guidance contained in audit guides issued by the Department of Education's Office of Inspector General.

(e) Access to records. (1) An institution or a third-party servicer that has a compliance or financial statement audit conducted under this section must—

(i) Give the Secretary and the Inspector General access to records or other documents necessary to review that audit, including the right to obtain copies of those records or documents; and

(ii) Require an individual or firm conducting the audit to give the Secretary and the Inspector General access to records, audit work papers, or other documents necessary to review that audit, including the right to obtain copies of those records, work papers, or documents.

(2) An institution must give the Secretary and the Inspector General access to records or other documents necessary to review a third-party servicer's compliance or financial statement audit, including the right to obtain copies of those records or documents.

(f) Determination of liabilities. (1) Based on the audit finding and the institution's or third-party servicer's response, the Secretary determines the amount of liability, if any, owed by the institution or servicer and instructs the institution or servicer as to the manner of repayment.

(2) If the Secretary determines that a third-party servicer owes a liability for its administration of an institution's title IV, HEA programs, the servicer must notify each institution under whose contract the servicer owes a liability of that determination. The servicer must also notify every institution that contracts with the servicer for the same service that the Secretary determined that a liability was owed.

(g) Repayments. (1) An institution or third-party servicer that must repay funds under the procedures in this section shall repay those funds at the direction of the Secretary within 45 days of the date of the Secretary's notification, unless—

(i) The institution or servicer files an appeal under the procedures established in subpart H of this part; or

(ii) The Secretary permits a longer repayment period.

(2) Notwithstanding paragraphs (f) and (g)(1) of this section—

(i) If an institution or third-party servicer has posted surety or has provided a third-party guarantee and the Secretary questions expenditures or compliance with applicable requirements and identifies liabilities, then the Secretary may determine that deferring recourse to the surety or guarantee is not appropriate because—

(A) The need to provide relief to students or borrowers affected by the act or omission giving rise to the liability outweighs the importance of deferring collection action until completion of available appeal proceedings; or

(B) The terms of the surety or guarantee do not provide complete assurance that recourse to that protection will be fully available through the completion of available appeal proceedings; or

(ii) The Secretary may use administrative offset pursuant to 34 CFR part 30 to collect the funds owed under the procedures of this section.

(3) If, under the proceedings in subpart H, liabilities asserted in the Secretary's notification, under paragraph (e)(1) of this section, to the institution or third-party servicer are upheld, the institution or third-party servicer must repay those funds at the direction of the Secretary within 30 days of the final decision under subpart H of this part unless—

(i) The Secretary permits a longer repayment period; or

(ii) The Secretary determines that earlier collection action is appropriate pursuant to paragraph (g)(2) of this section.

(4) An institution is held responsible for any liability owed by the institution's third-party servicer for a violation...
incurred in servicing any aspect of that institution's participation in the title IV, HEA programs and remains responsible for that amount until that amount is repaid in full.

Note: Section amended November 29, 1996, effective July 1, 1997. (f) removed and (g) and (h) redesignated as (f) and (g), respectively, November 25, 1997, effective July 1, 1998.

Sec. 668.48 Report on athletic program participation rates and financial support data.

(a) Applicability. This section applies to each co-educational institution of higher education that--

(1) Participates in any Title IV, HEA program; and

(2) Has an intercollegiate athletic program.

(b) Definitions. The following definitions apply for purposes of this section only.

(1) Athletically-related student aid means any scholarship, grant, or other form of financial assistance, the terms of which require the recipient to participate in a program of intercollegiate athletics at an institution of higher education in order to be eligible to receive that assistance.

(2) Institutional salary means all wages and bonuses an institution pays a coach as compensation attributable to coaching.

(3) Recruiting expenses means all expenses institutions incur for recruiting activities, including but not limited to expenditures for transportation, lodging, and meals for both recruits and institutional personnel engaged in recruiting, all expenditures for on-site visits, and all other expenses related to recruiting.
PART 668—STUDENT ASSISTANCE GENERAL PROVISIONS

(4) Reporting year means a consecutive twelve-month period of time designated by the institution for the purposes of this section.

(5) Undergraduate students means students who are consistently designated as such by the institution.

(6) Varsity team means a team that—
   (i) Is designated or defined by its institution or an athletic association as a varsity team; or
   (ii) Primarily competes against other teams that are designated or defined as varsity teams.

(c) Report. An institution subject to this section shall annually, for the immediately preceding reporting year, prepare a report that contains the following information regarding intercollegiate athletics:

   (1) The number of male and female full-time undergraduate students that attended the institution.

   (2) A listing of the varsity teams that competed in intercollegiate athletic competition and for each team the following data:
      (i) The total number of participants, by team, as of the day of the first scheduled contest of the reporting year for the team.
      (ii) Total operating expenses attributable to those teams. For the purposes of this section, the term "operating expenses" means expenditures on lodging and meals, transportation, officials, uniforms and equipment. An institution—
         (A) Also may report those expenses on a per capita basis for each team; and
         (B) May report combined expenditures attributable to closely-related teams—such as track and field or swimming and diving. Those combinations must be reported separately for men's and women's teams.
      (iii)(A) Whether the head coach was male or female and whether the head coach was assigned to that team on a full-time or part-time basis.
         (B) The institution shall consider graduate assistants and volunteers who served as assistant coaches to be head coaches for the purposes of this report.
      (iv)(A) The number of assistant coaches who were male and the number of assistant coaches who were female for each team and whether a particular coach was assigned to that team on a full-time or part-time basis.
         (B) The institution shall consider graduate assistants

   and volunteers who served as assistant coaches to be assistant coaches for purposes of this report.

   (3) The total amount of money spent on athletically-related student aid, including the value of waivers of educational expenses, aggregately for men's teams, and aggregately for women's teams.

   (4) The ratio of—(i) Athletically-related student aid awarded male athletes; and
      (ii) Athletically-related student aid awarded female athletes.

   (5) The total amount of expenditures on recruiting aggregately for all men's teams, and aggregately for all women's teams.

   (6) The total annual revenues generated across all men's teams, and the total annual revenues generated across all women's teams. An institution may also report those revenues by individual team.

   (7)(i) The average annual institutional salary of the head coaches of all men's teams, across all offered sports, and the average annual institutional salary of the head coaches of all women’s teams, across all offered sports.
      (ii) If a head coach had responsibilities for more than one team and the institution does not allocate that coach's salary by team, the institution shall divide the salary by the number of teams for which the coach had responsibility and allocate the salary among the teams on a basis consistent with the coach's responsibilities for the different teams.

   (8) The average annual institutional salary of the assistant coaches of men's teams, across all offered sports, and the average annual institutional salary of the assistant coaches of women's teams, across all offered sports.

Note to paragraph (c): The Secretary interprets the statute to require an institution to count all varsity team members as participants, and not merely those athletes who take part in a scheduled contest. "Participants" include all students who practice with the varsity team and receive coaching as of the day of the first scheduled intercollegiate contest of the designated reporting year, including junior varsity team and freshman team players if they are part of the overall varsity program. The Secretary believes that a reasonable count of participants would also cover all students who receive athletically-related student aid, including redshirts, injured student athletes, and fifth-year team members who have already received a bachelor's degree.

(4) An institution shall accept

(i) For an individual described in paragraph (a)(3)(i) of this section, a statement signed by that individual certifying that he or she has not filed nor is required to file an income tax return for the base year and certifying for that year that individual's—

(A) Sources of income earned from work as stated on the application; and

(B) Amounts of income from each source;

(ii) For an individual described in paragraph (a)(3)(ii) of this section—

(A) A copy of the IRS Form 4868, "Application for Automatic Extension of Time to File U.S. Individual Income Tax Return," that the individual filed with the IRS for the base year, or a copy of the IRS’s approval of an extension beyond the automatic four-month extension if the individual requested an additional extension of the filing time; and

(B) A copy of each IRS Form W-2 that the individual received for the base year, or for a self-employed individual, a statement signed by the individual certifying the amount of adjusted gross income for the base year; and

(iii) For an individual described in paragraph (a)(3)(iii) of this section—

(A) A copy of each IRS Form W-2 that the individual received for the base year, or

(B) For an individual who is self-employed or has filed an income tax return with a government of a U.S. territory or commonwealth, or a foreign central government, a statement signed by the individual certifying the amount of adjusted gross income for the base year.

(5) An institution shall require an individual described in paragraph (a)(3)(ii) of this section to provide to it a copy of his or her completed income tax return when filed. When an institution receives the copy of the return, it may re-verify the adjusted gross income and taxes paid by the applicant and his or her spouse or parents.

(6) If an individual who is required to submit an IRS Form W-2 under this paragraph is unable to obtain one in a timely manner, the institution may permit that individual to set forth, in a statement signed by the individual, the amount of income earned from work, the source of that income, and the reason that the IRS Form W-2 is not available in a timely manner.

(7) For the purpose of this section, an institution may accept in lieu of a copy of an income tax return signed by the filer of the return or one of the filers of a joint return, a copy of the filer's return that has been signed by the preparer of the return or stamped with the name and address of the preparer.

(b) Number of family members in household. An institution shall require an applicant selected for verification to verify the number of family members in the household by submitting to it a statement signed by the applicant and one of the applicant's parents if the applicant is a dependent student, or the applicant if the applicant is an independent student, listing the name and age of each family member in the household and the relationship of that household member to the applicant.

(c) Number of family household members enrolled in postsecondary institutions. (1) Except as provided in Sec. 668.56(b), (c), (d), and (e), an institution shall require an applicant selected for verification to verify annually information included on the application regarding the number of household members in the applicant's family enrolled on at least a half-time basis in postsecondary institutions. The institution shall require the applicant to verify the information by submitting a statement signed by the applicant and one of the applicant's parents, if the applicant is a dependent student, or by the applicant if the applicant is an independent student, listing—

(i) The name of each family member who is or will be attending a postsecondary educational institution as at least a half-time student in the award year;

(ii) The age of each student; and

(iii) The name of the institution attended by each student.

(2) If the institution has reason to believe that the information included on the application regarding the number of family household members enrolled in postsecondary institutions is inaccurate, the institution shall require—

(i) The statement required in paragraph (c)(1) of this section from the individuals described in paragraph (c)(1) of this section; and

(ii) A statement from each institution named by the applicant in response to the requirement of paragraph (c)(1)(iii) of this section that the household member in question is or will
be attending the institution on at least a half-time basis, unless
the institution the student is attending determines that such a
statement is not available because the household member in
question has not yet registered at the institution he or she
plans to attend or the institution has information itself that the
student will be attending the same school as the applicant.

(d) Untaxed income and benefits. An institution shall
require an applicant selected for verification to verify—

(1) Untaxed income and benefits described in Sec.
668.56(a)(5)(iii), (iv), (v), (vi), and (vii) by submitting to it—

(i) A copy of the U.S. income tax return signed by
the filer or one of the filers if a joint return, if collected under
paragraph (a) of this section, or the IRS listing of tax account
information if collected by the institution to verify adjusted
gross income; or

(ii) If no tax return was filed or is required to be filed,
a statement signed by the relevant individuals certifying that no
tax return was filed or is required to be filed and providing the
sources and amount of untaxed income and benefits specified
in Sec. 668.56(a)(5)(iii), (iv), (v), and (vi);

(2) Social Security benefits if the institution has
reason to believe that those benefits were received and were
not reported, or that the applicant has incorrectly reported
Social Security benefits received by the applicant, the
applicant's parents, or any other children of the applicant's
parents who are members of the applicant's household, in the
case of a dependent student, or by the applicant, the
applicant's spouse, or the applicant's children in the case of an
independent student. The applicant shall verify Social Security
benefits by submitting a document from the Social Security
Administration showing the amount of benefits received in the
appropriate calendar year for the appropriate individuals listed
above or, at the institution's option, a statement signed by both
the applicant and the applicant's parent, in the case of a
dependent student, or by the applicant, in the case of an
independent student, certifying that the amount listed on the
applicant's aid application is correct; and

(3) Child support received by submitting to it—

(i) A statement signed by the applicant and one of
the applicant's parents in the case of a dependent student, or
by the applicant in the case of an independent student,
certifying the amount of child support received; and

(ii) If the institution has reason to believe that the
information provided is inaccurate, the applicant must verify
the amount of child support received by providing a document
such as—

(A) A copy of the separation agreement or divorce
decree showing the amount of child support to be provided;

(B) A statement from the parent providing the child
support showing the amount provided; or

(C) Copies of the child support checks or money

Sec. 668.58 Interim disbursements.

(a)(1) If an institution has reason to believe that the
information included on the application is inaccurate, until the
applicant verifies or corrects the information included on his or
her application, the institution may not—

(i) Disburse any Federal Pell Grant or campus-
based program funds to the applicant;

(ii) Employ the applicant in its Federal Work-Study
Program;

(iii) Certify the applicant's Federal Stafford Loan
application or process Federal Stafford Loan proceeds for any
previously certified Federal Stafford Loan application; or

(2) If an institution does not have reason to believe
that the information included on an application is inaccurate
prior to verification, the institution may—

(i) May withhold payment of Federal Pell Grant and
campus-based funds; or

(ii)(A) May make one disbursement of any
combination of Federal Pell Grant, Federal Perkins Loan, or

(B) May employ or allow an employer to employ an
eligible student under the Federal Work-Study Program for the
first 60 consecutive days after the student's enrollment in that

PART 668--STUDENT ASSISTANCE GENERAL PROVISIONS

(ii)(A) May withhold certification of the applicant's Federal Stafford Loan application or origination of the applicant's Direct Subsidized Loan; or

(B) May certify the Federal Stafford Loan application or originate the Direct Subsidized Loan provided that the institution does not deliver Federal Stafford Loan proceeds or disburse Direct Subsidized Loan proceeds.

(b) If an institution chooses to make disbursement under paragraph (a)(2)(i)(A) or (B) of this section, it is liable for any overpayment discovered as a result of the verification process to the extent that the overpayment is not recovered from the student.

(c) An institution may not withhold any Federal Stafford Loan or Direct Loan proceeds from a student under paragraph (a)(2) of this section for more than 45 days. If the applicant does not complete the verification process within the 45 day period, the institution shall return the proceeds to the lender.

(d)(1) If the institution receives Federal Stafford Loan or Direct Loan proceeds in an amount which exceeds the student's need for the loan based upon the verified information and the excess funds cannot be eliminated in subsequent disbursements for the applicable loan period, the institution shall process the proceeds and advise the lender to reduce the subsequent disbursements.

(ii) No dollar amount in excess of $400 as calculated by the net difference between the corrected sum of Adjusted Gross Income (AGI) plus untaxed income minus U.S. taxes paid and the uncorrected sum of Adjusted Gross Income (AGI) plus untaxed income minus U.S. taxes paid. If no Federal Income Tax Return was filed, income earned from work may be used in lieu of Adjusted Gross Income (AGI). (Authority: 20 U.S.C. 1094)

Sec. 668.59 Consequences of a change in application information.

(a) For the Federal Pell Grant Program--

(1) Except as provided in paragraph (a)(2) of this section, if the information on an application changes as a result of the verification process, the institution shall require the applicant to resubmit his or her application information to the Secretary for corrections if--

(i) The institution recalculates the applicant's EFC, determines that the applicant's EFC changes, and determines that the change in the EFC changes the applicant's Federal Pell Grant award; or

(ii) The institution does not recalculate the applicant's EFC.

(2) An institution need not require an applicant to resubmit his or her application information to the Secretary, recalculate an applicant's EFC, or adjust an applicant's Federal Pell Grant award if, as a result of the verification process, the institution finds--

(i) No errors in nondollar items used to calculate the applicant's EFC;

(ii) No dollar amount in excess of $400 as calculated by the net difference between the corrected sum of Adjusted Gross Income (AGI) plus untaxed income minus U.S. taxes paid and the uncorrected sum of Adjusted Gross Income (AGI) plus untaxed income minus U.S. taxes paid. If no Federal Income Tax Return was filed, income earned from work may be used in lieu of Adjusted Gross Income (AGI). (b) For the Federal Pell Grant Program--

(1) If an institution does not recalculate an applicant's EFC under the provisions of paragraph (a)(2) of this section, the institution shall calculate and disburse the applicant's Federal Pell Grant award on the basis of the applicant's original EFC.

(2)(i) Except as provided under paragraph (b)(2)(ii) of this section, if an institution recalculates an applicant's EFC because of a change in application information resulting from the verification process, the institution shall--

(A) Require the applicant to resubmit his or her application to the Secretary;

(B) Recalculate the applicant's Federal Pell Grant award on the basis of the EFC on the corrected SAR or ISIR; and

(C) Disburse any additional funds under that award only if the applicant provides the institution with the corrected SAR or ISIR and only to the extent that additional funds are payable based on the recalculation.

(ii) If an institution recalculates an applicant's EFC because of a change in application information resulting from the verification process and determines that the change in the EFC increases the applicant's award, the institution--

(A) May disburse the applicant's Federal Pell Grant award on the basis of the original EFC without requiring the applicant to resubmit his or her application information to the Secretary; and
(B) Except as provided in 668.60(b), shall disburse any additional funds under the increased award reflecting the new EFC if the institution receives the corrected SAR or ISIR.

(c) For the campus-based and Federal Stafford Loan or Federal Direct Stafford/Ford Direct Loan programs—

(1) Except as provided in paragraph (c)(2) of this section, if the information on an application changes as a result of the verification process, the institution shall—

(i) Recalculate the applicant's EFC; and

(ii) Adjust the applicant's financial aid package for the campus-based and Federal Stafford Loan or Federal Direct Stafford/Ford Direct Loan programs to reflect the new EFC if the new EFC results in an overaward of campus-based funds or decreases the applicant's recommended loan amount.

(2) An institution need not recalculate an applicant's EFC or adjust his or her aid package if, as a result of the verification process, the institution finds—

(i) No errors in nondollar items used to calculate the applicant's EFC;

(ii) No dollar amount in excess of $400 as calculated by the net difference between the corrected sum of Adjusted Gross Income (AGI) plus untaxed income minus U.S. taxes paid and the uncorrected sum of Adjusted Gross Income (AGI) plus untaxed income minus U.S. taxes paid. If no Federal Income Tax Return was filed, income earned from work may be used in lieu of Adjusted Gross Income (AGI).

(d)(1) If the institution selects an applicant for verification for an award year who previously received a Direct Subsidized Loan for that award year, and as a result of verification the loan amount is reduced, the institution shall comply with the procedures specified in Sec. 668.61(b)(2).

(2) If the institution selects an applicant for verification for an award year who previously received a loan under the Federal Stafford Loan Program for that award year, and as a result of verification the loan amount is reduced, the institution shall comply with the procedures for notifying the borrower and lender specified in Sec. 668.61(b) and Sec. 682.604(h).

(e) If the applicant has received funds based on information which may be incorrect and the institution has made a reasonable effort to resolve the alleged discrepancy, but cannot do so, the institution shall forward the applicant's name, social security number, and other relevant information to the Secretary.

(Authority: 20 U.S.C. 1094)
PART 668—STUDENT ASSISTANCE GENERAL PROVISIONS

(2) If the applicant provides the requested documentation after the time period established by the institution, the institution may, at its option, award aid to the applicant notwithstanding paragraph (b)(1)(i) of this section; and

(3) An institution may not withhold any Federal Stafford Loan proceeds from an applicant under paragraph (b)(1)(ii)(D) of this section for more than 45 days. If the applicant does not complete verification within the 45-day period, the institution shall return the Federal Stafford Loan proceeds to the lender.

(c) For purposes of the Federal Pell Grant Program—

(1) An applicant may submit a verified SAR to the institution or the institution may receive a verified ISIR after the applicable deadline specified in 34 CFR 690.61 but within an established additional time period set by the Secretary through publication of a notice in the Federal Register. If the institution receives a verified SAR or ISIR during the established additional time period, and the EFC on the two SARs or ISIRs are different, payment must be based on the higher of the two EFCs.

(2) If the applicant does not provide to the institution the requested documentation and, if necessary, a verified SAR or the institution does not receive a verified ISIR, within the additional time period referenced in paragraph (c)(1) of this section, the applicant—

(i) Forfeits the Federal Pell Grant for the award year; and

(ii) Shall return any Federal Pell Grant payments previously received for that award year to the Secretary.

(d) The Secretary may determine not to process any subsequent application for Federal Pell Grant, and an institution, if directed by the Secretary, may not process any subsequent application for campus-based, Federal Direct Stafford/Ford Loan, or Federal Stafford Loan program assistance of an applicant who has been requested to provide documentation until the applicant provides the documentation or the Secretary decides that there is no longer a need for the documentation.

(e) If an applicant selected for verification for an award year dies before the deadline for completing the verification process without completing that process, and the deadline is in the subsequent award year, the institution may not—

(1) Make any further disbursements on behalf of the applicant;

(2) Certify that applicant's Federal Stafford Loan application, originate that applicant's Direct Subsidized Loan, or process that applicant's Federal Stafford Loan or Direct Subsidized Loan proceeds; or

(3) Consider any funds it disbursed to that applicant under Sec. 668.58 (a)(2) as an overpayment.

(Authority: 20 U.S.C. 1094)

Sec. 668.61 Recovery of funds.

(a) If an institution discovers, as a result of the verification process, that an applicant received under Sec. 668.58 (a)(2)(i)(A) more financial aid than the applicant was eligible to receive, the institution shall eliminate the overpayment by—

(1) Adjusting subsequent financial aid payments in the award year in which the overpayment occurred; or

(2) Reimbursing the appropriate program account by—

(i) Requiring the applicant to return the overpayment to the institution if the institution cannot correct the overpayment under paragraph (a)(1) of this section; or

(ii) Making restitution from its own funds, by the earlier of the following dates, if the applicant does not return the overpayment:

(A) Sixty days after the applicant's last day of attendance.

(B) The last day of the award year in which the institution disbursed Federal Pell Grant, Federal Perkins Loan, or FSEOG funds to the applicant.

(b)(1) If the institution determines as a result of the verification process that an applicant received Federal Stafford Loan proceeds for an award year in excess of the student's financial need for the loan, the institution shall withhold and promptly return to the lender or escrow agent any disbursement not yet delivered to the student that exceeds the amount of assistance for which the student is eligible, taking into account other financial aid received by the student. However, instead of returning the entire undelivered disbursement, the school may choose to return promptly to the lender only the portion of the disbursement for which the student is ineligible. In either case, the institution shall provide...

the lender with a written statement describing the reason for
the returned loan funds.

(2) If the institution determines as a result of the
verification process that a student received Direct Subsidized
Loan proceeds for an award year in excess of the student's
need for the loan, the institution shall reduce or cancel one or
more subsequent disbursements to eliminate the amount in
excess of the student's need.

(2) A violation for a reason contained in paragraph (d)(1) of this section is grounds for terminating—

PART 668--STUDENT ASSISTANCE GENERAL PROVISIONS

(b)(1) An initiating official begins an emergency action against an institution or third-party servicer by sending the institution or servicer a notice by registered mail, return receipt requested. In an emergency action against a third-party servicer, the official also sends the notice to each institution that contracts with the servicer. The official also may transmit the notice by other, more expeditious means if practical.

(2) The emergency action takes effect on the date the initiating official mails the notice to the institution or servicer, as applicable.

(3) The notice states the grounds on which the emergency action is based, the consequences of the emergency action, and that the institution or servicer, as applicable, may request an opportunity to show cause why the emergency action is unwarranted.

(c)(1) An initiating official takes emergency action against an institution or third-party servicer only if that official--

(i) Receives information, determined by the official to be reliable, that the institution or servicer, as applicable, is violating any statutory provision of or applicable to Title IV of the HEA, any regulatory provision prescribed under that statutory authority, or any applicable special arrangement, agreement, or limitation entered into under the authority of statutes applicable to Title IV of the HEA;

(ii) Determines that immediate action is necessary to prevent misuse of Title IV, HEA program funds; and

(iii) Determines that the likelihood of loss from that misuse outweighs the importance of awaiting completion of any proceeding that may be initiated to limit, suspend, or terminate, as applicable--

(A) The participation of the institution in one or more Title IV, HEA programs; or

(B) The eligibility of the servicer to contract with any institution to administer any aspect of the institution's participation in a Title IV, HEA program.

(2) Examples of violations of a Title IV, HEA program requirement that cause misuse and the likely loss of Title IV, HEA program funds include--

(i) Causing the commitment, disbursement, or delivery by any party of Title IV, HEA program funds in an amount that exceeds--

(A) The amount for which students are eligible; or

(B) The amount of principal, interest, or special allowance payments that would have been payable to the holder of a Federal Stafford or Federal PLUS loan if a refund allocable to that loan had been made in the amount and at the time required;

(ii) Using, offering to make available, or causing the use or availability of Title IV, HEA program funds for educational services if--

(A) The institution, servicer, or agents of the institution or servicer have made a substantial misrepresentation as described in Sec. 668.72, 668.73, or 668.74 related to those services;

(B) The institution lacks the administrative or financial ability to provide those services in full; or

(C) The institution, or servicer, as applicable, lacks the administrative or financial ability to compensate by appropriate refund for any portion of an educational program not completed by a student; and

(iii) Engaging in fraud involving the administration of a Title IV, HEA program. Examples of fraud include--

(A) Falsification of any document received from a student or pertaining to a student's eligibility for assistance under a Title IV, HEA program;

(B) Falsification, including false certifications, of any document submitted by the institution or servicer to the Secretary;

(C) Falsification, including false certifications, of any document used for or pertaining to--

(1) The legal authority of an institution to provide postsecondary education in the State in which the institution is located; or

(2) The accreditation or preaccreditation of an institution or any of the institution's educational programs or locations;

(D) Falsification, including false certifications, of any document submitted to a guaranty agency under the Federal Stafford Loan or Federal PLUS programs or an independent auditor;

(E) Falsification of any document submitted to a third-party servicer by an institution or to an institution by a third-party servicer pertaining to the institution's participation in a Title IV, HEA program;

(F) Falsification, including false certifications, of any document pertaining to the performance of any loan collection activity, including activity that is not required by the HEA or applicable program regulations.

(3) If the Secretary begins an emergency action against a third-party servicer, the Secretary may also begin an emergency action against any institution under whose contract a third-party servicer commits the violation.
PART 668—STUDENT ASSISTANCE GENERAL PROVISIONS

(d)(1) Except as provided in paragraph (d)(2) of this section, after an emergency action becomes effective, an institution or third-party servicer, as applicable, may not—

(i) Make or increase awards or make other commitments of aid to a student under the applicable Title IV, HEA program;

(ii) Disburse either program funds, institutional funds, or other funds as assistance to a student under that Title IV, HEA program;

(iii) In the case of an emergency action pertaining to participation in the Federal Stafford Loan or Federal PLUS programs—

(A) Certify an application for a loan under that program;

(B) Deliver loan proceeds to a student under that program; or

(C) Retain the proceeds of a loan made under that program that are received after the emergency action takes effect; or

(iv) In the case of an emergency action against a third-party servicer, administer any aspect of any institution's participation in any Title IV, HEA program.

(2) If the initiating official withdraws, by an emergency action, the authority of the institution or servicer to commit, disburse, deliver, or cause the commitment, disbursement, or delivery of Title IV, HEA program funds, or the authority of the servicer to administer any aspect of any institution's participation in any Title IV, HEA program, except in accordance with a particular procedure specified in the notice of emergency action, the institution or servicer, as applicable, may not take any action described in paragraph (d)(1) of this section except in accordance with the procedure specified in the notice.

(e)(1) Upon request by the institution or servicer, as applicable, the Secretary provides the institution or servicer, as soon as practicable, with an opportunity to show cause that the emergency action is unwarranted or should be modified.

(2) An opportunity to show cause consists of an opportunity to present evidence and argument to a show-cause official. The initiating official does not act as the show-cause official for any emergency action that the initiating official has begun. The show-cause official is authorized to grant relief from the emergency action. The institution or servicer may make its presentation in writing or, upon its request, at an informal meeting with the show-cause official.

(3) The show-cause official may limit the time and manner in which argument and evidence may be presented in order to avoid unnecessary delay or the presentation of immaterial, irrelevant, or repetitious matter.

(4) The institution or servicer, as applicable, has the burden of persuading the show-cause official that the emergency action imposed by the notice is unwarranted or should be modified because—

(i) The grounds stated in the notice did not, or no longer, exist;

(ii) The grounds stated in the notice will not cause loss or misuse of Title IV, HEA program funds; or

(iii) The institution or servicer, as applicable, will use procedures that will reliably eliminate the risk of loss from the misuse described in the notice.

(5) The show-cause official continues, modifies, or revokes the emergency action promptly after consideration of any argument and evidence presented by the institution or servicer, as applicable, and the initiating official.

(6) The show-cause official notifies the institution or servicer, as applicable, of that official's determination promptly after the completion of the show-cause meeting or, if no meeting is requested, after the official receives all the material submitted by the institution in opposition to the emergency action. In the case of a notice to a third-party servicer, the official also notifies each institution that contracts with the servicer of that determination. The show-cause official may explain that determination by adopting or modifying the statement of reasons provided in the notice of emergency action.

(f)(1) An emergency action does not extend more than 30 days after initiated unless the Secretary initiates a limitation, suspension, or termination proceeding under this part or under 34 CFR part 600 against the institution or servicer, as applicable, within that 30-day period, in which case the emergency action continues until a final decision is issued in that proceeding, as provided in 668.90(c), as applicable.

(2) Until a final decision is issued by the Secretary in a proceeding described in paragraph (f)(1) of this section, any action affecting the emergency action is at the sole discretion of the initiating official, or, if a show-cause proceeding is conducted, the show-cause official.

(3) If an emergency action extends beyond 180 days by virtue of paragraph (f)(1) of this section, the institution or servicer, as applicable, may then submit written material to the show-cause official to demonstrate that because of facts occurring after the later of the notice by the initiating official or the show-cause meeting, continuation of the emergency action is unwarranted and the emergency action should be modified or ended. The show-cause official considers any written material submitted and issues a determination that continues, modifies, or revokes the emergency action.
PART 668—STUDENT ASSISTANCE GENERAL PROVISIONS

(g) The expiration of an emergency action, or its modification or revocation by the show-cause official, does not bar subsequent emergency action on a ground other than one specifically identified in the notice imposing the prior emergency action. Separate grounds may include violation of an agreement or limitation imposed or resulting from the prior emergency action.

Sec. 668.84 Fine proceedings.

In the case of a fine proceeding against a third-party servicer, the official also sends the notice to each institution that is affected by the alleged violations identified as the basis for the fine action, and, to the extent possible, to each institution that contracts with the servicer for the same service affected by the violation. (ii) Specifies the proposed effective date of the fine, which is at least 20 days from mailing of the notice of intent

(iii) Informs the institution or servicer that the fine will not be effective on the date specified in the notice if the designated department official receives from the institution or servicer, as applicable, by that date a written request for a hearing or written material indicating why the fine should not be imposed; and

(iv) In the case of a fine proceeding against a third-party servicer, informs each institution that is affected by the alleged violations of the consequences of the action to the institution.

(2) If the institution or servicer does not request a hearing but submits written material, the designated department official, after considering that material, notifies the institution or, in the case of a third-party servicer, the servicer and each institution affected by the alleged violations that—

(i) The fine will not be imposed; or

(ii) The fine is imposed as of a specified date, and in a specified amount.

(3) If the institution or servicer requests a hearing by the time specified in paragraph (b)(1)(iii) of this section, the designated department official sets the date and the place. The date is at least 15 days after the designated department official receives the request.

(4) A hearing official conducts a hearing in accordance with 668.88.

(c) Expedited proceedings. With the approval of the hearing official and the consent of the designated department official and the institution or servicer, any time schedule specified in this section may be shortened.

Sec. 668.85 Suspension proceedings.

(a) Scope and consequences. (1) The Secretary may suspend an institution's participation in a Title IV, HEA program or the eligibility of a third-party servicer to contract with any institution to administer any aspect of the institution's participation in any Title IV, HEA program, if the institution or servicer—

(i) Violates any statutory provision of or applicable to Title IV of the HEA, any regulatory provision prescribed under that statutory authority, or any applicable special arrangement, agreement, or limitation entered into under the authority of statutes applicable to Title IV of the HEA; or

(ii) The designated department official begins a limitation or termination proceeding under Sec. 668.86.

(b) Procedures. (1) A designated department official begins a suspension proceeding by sending a notice to an institution or third-party servicer by certified mail, return receipt requested. In the case of a suspension proceeding against a third-party servicer, the official also sends the notice to each institution that contracts with the servicer. The designated department official may also transmit the notice by other, more expeditious means if practical. The notice--

(i) Informs the institution or servicer of the intent of the Secretary to suspend the institution's participation or the servicer's eligibility, as applicable, cites the consequences of that action, and identifies the alleged violations that constitute the basis for the action;

(ii)(A) Specifies the proposed effective date of the suspension, which is at least 20 days after the date of mailing of the notice of intent; or

(3) If the institution or servicer requests a hearing by the time specified in paragraph (b)(1)(iii) of this section, the designated department official sets the date and place. The date is at least 15 days after the designated department official receives the request. In the case of a hearing for an institution subject to suspension action because of its FFEL Program cohort default rate, Direct Loan Program cohort rate, or, if applicable, weighted average cohort rate, the hearing is set no later than 20 days after the date the designated department official receives the request. The suspension does not take place until after the requested hearing is held.

(4) A hearing official conducts a hearing in accordance with Sec. 668.88.

(c) Expedited proceedings. With the approval of the hearing official and the consent of the designated department official and the institution or servicer, as applicable, any time period specified in this section may be shortened.

PART 668—STUDENT ASSISTANCE GENERAL PROVISIONS

Sec. 668.90 Initial and final decisions.

(a)(1)(i) A hearing official issues a written initial decision in a hearing by certified mail, return receipt requested to—

(A) The designated department official who began a proceeding against an institution or third-party servicer;

(B) The institution or servicer, as applicable; and

(C) In the case of a proceeding against a third-party servicer, each institution that contracts with the servicer.

(ii) The hearing official may also transmit the notice by other, more expeditious means if practical.

(iii) The hearing official issues the decision within the latest of the following dates:

(A) The 30th day after the last submission is filed with the hearing official.

(B) The 60th day after the last submission is filed with the hearing official if the Secretary, upon request of the hearing official, determines that the unusual complexity of the case requires additional time for preparation of the decision.

(C) The 50th day after the last day of the hearing, if the hearing official does not request the parties to make any posthearing submission.

(D) For hearings regarding the limitation, suspension, or termination of an institution based on an institution's FFEL Program cohort default rate, Direct Loan Program cohort rate, or, if applicable, weighted average cohort rate, the 30th day after the conclusion of the hearing.

(2) The hearing official's initial decision states whether the imposition of the fine, limitation, suspension, or termination sought by the designated department official is warranted, in whole or in part. If the designated department official brought a termination action against the institution or servicer, the hearing official may, if appropriate, issue an initial decision to fine the institution or servicer, as applicable, or, rather than terminating the institution's participation or servicer's eligibility, as applicable, impose one or more limitations on the institution's participation or servicer's eligibility.

(3) Notwithstanding the provisions of paragraph (a)(2) of this section—

(i) If, in a termination action against an institution, the hearing official finds that the institution has violated the provisions of Sec. 668.14(b)(18), the hearing official also finds that termination of the institution's participation is warranted;

(ii) If, in a termination action against a third-party servicer, the hearing official finds that the servicer has violated the provisions of Sec. 668.82(d)(1), the hearing official also finds that termination of the institution's participation or servicer's eligibility, as applicable, is warranted;

(iii) If an action brought against an institution or third-party servicer involves its failure to provide surety in the amount specified by the Secretary under Sec. 668.15, the hearing official finds that the amount of the surety established by the Secretary was appropriate, unless the institution can demonstrate that the amount was unreasonable;

(iv) In a limitation, suspension, or termination proceeding commenced on the grounds described in Sec. 668.17(a) (2) and (3), if the hearing official finds that an institution's FFEL Program cohort default rate, Direct Loan Program cohort rate, or, if applicable, weighted average cohort rate meets the conditions specified in Sec. 668.17(a) (2) and (3) for initiation of limitation, suspension, or termination proceedings, the hearing official also finds that the sanction sought by the designated department official is warranted, except that the hearing official finds that no sanction is warranted if the institution presents clear and convincing evidence demonstrating that the FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate on which the proposed action is based is not the final rate determined by the Department and that the correct rate would result in the institution having an FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate that is beneath the thresholds that make the institution subject to limitation, suspension, or termination action.

(v) In a termination action taken against an institution or third-party servicer based on the grounds that the institution or servicer failed to comply with the requirements of Sec. 668.23(c)(3), if the hearing official finds that the institution or servicer failed to meet those requirements, the hearing official finds that the termination is warranted;

(vi) In a termination action against an institution based on the grounds that the institution is not financially responsible under Sec. 668.15(c)(1), the hearing official finds that the termination is warranted unless the institution demonstrates that all applicable conditions described in Sec. 668.15(d)(4) have been met; and

(vii) In a termination action against an institution or third-party servicer on the grounds that the institution or servicer, as applicable, engaged in fraud involving the administration of any Title IV, HEA program, the hearing official finds that the termination action is warranted if the hearing official finds that the institution or servicer, as applicable, engaged in that fraud. Examples of fraud include—

(A) Falsification of any document received from a student or pertaining to a student's eligibility for assistance under a Title IV, HEA program;
(B) Falsification, including false certifications, of any document submitted by the institution or servicer to the Department of Education;

(C) Falsification, including false certifications, of any document used for or pertaining to–

(1) The legal authority of an institution to provide postsecondary education in the State in which the institution is located; or

(2) The accreditation or preaccreditation of an institution or any of the institution's educational programs or locations;

(D) Falsification, including false certifications, of any document submitted to a guaranty agency under the Federal Stafford Loan, Federal PLUS, and Federal SLS programs, an independent auditor, an eligible institution, or a third-party servicer;

(E) Falsification of any document submitted to a third-party servicer by an institution or to an institution by a third-party servicer pertaining to the institution's participation in a Title IV, HEA program; and

(F) Falsification, including false certifications, of any document pertaining to the performance of any loan collection activity, including activity that is not required by the HEA or applicable program regulations.

(4) The hearing official bases findings of fact only on evidence considered at the hearing and on matters given judicial notice. If a hearing is conducted solely through written submissions, the parties must agree to findings of fact.

(b) (1) In a suspension proceeding, the Secretary reviews the hearing official's initial decision and issues a final decision within 20 days after the initial decision. The Secretary adopts the initial decision unless it is clearly unsupported by the evidence presented at the hearing.

(2) The Secretary notifies the institution or servicer and, in the case of a suspension proceeding against a third-party servicer, each institution that contracts with the servicer of the final decision. If the Secretary suspends the institution's participation or servicer's eligibility, the suspension takes effect on the later of–

(i) The day that the institution or servicer receives the notice; or

(ii) The date specified in the designated department official's original notice of intent to suspend the institution's participation or servicer's eligibility.

(3) A suspension may not exceed 60 days unless a designated department official begins a limitation or termination proceeding under this subpart before the expiration of that period. In that case, the period may be extended until a final decision is issued in that proceeding according to paragraph (c) of this section.

(c) (1) In a fine, limitation, or termination proceeding, the hearing official's initial decision automatically becomes the Secretary's final decision 30 days after the initial decision is issued and received by both parties unless, within that 30-day period, the institution or servicer, as applicable, or the designated department official appeals the initial decision to the Secretary.

(ii) At the time the party files its appeal submission, the party shall provide a copy of that submission to the opposing party.

(iii) The opposing party shall submit its brief or other responsive statement to the Secretary, with a copy to the appellant, within 30 days after the opposing party receives the appellant's brief or written statement.

(iv) The appealing party may submit proposed findings of fact or conclusions of law. However, the proposed findings of fact must be supported by–

(A) The evidence introduced into the record at the hearing;

(B) Stipulations of the parties if the hearing consisted of written submissions; or

(C) Matters that may be judicially noticed.

(v) Neither party may introduce new evidence on appeal.

(vi) The initial decision of the hearing official imposing a fine or limiting or terminating the institution's participation or servicer's eligibility does not take effect pending the appeal.

(vii) The Secretary renders a final decision. The Secretary may delegate to a designated department official the functions described in paragraph (c)(2) (vii) through (ix) of this section.

(viii) In rendering a final decision, the Secretary considers only evidence introduced into the record at the hearing and facts agreed to by the parties if the hearing consisted only of written submissions and matters that may be judicially noticed.
(ix) If the hearing official finds that a termination is warranted pursuant to paragraph (a)(3) of this section, the Secretary may affirm, modify, or reverse the initial decision, or may remand the case to the hearing official for further proceedings consistent with the Secretary's decision. If the Secretary affirms the initial decision without issuing a statement of reasons, the Secretary adopts the opinion of the hearing official as the decision of the Secretary. If the Secretary modifies, remands, or reverses the initial decision, in whole or in part, the Secretary's decision states the reasons for the action taken.

(2) Documents filed by facsimile transmission must be transmitted to the designated department official identified, either in the notice initiating the action, or, for an appeal, in instructions provided by the hearing official, as the individual responsible to receive them. A party filing a document by facsimile transmission must confirm that a complete and legible copy of the document was received by the Department of Education, and may be required by the designated department official to provide a hard copy of the document.

(3) The Secretary discourages the use of facsimile transmission for documents longer than five pages.

(4) If agreed upon by the parties, service of a document required to be served on another party may be made upon the other party by facsimile transmission.

(iv) The date a document sent by facsimile transmission is recorded as received by the facsimile equipment that receives the transmission.

(5) For purposes of assessing a fine on a third-party servicer, the extent to which—

(i) Violations are caused by repeated mechanical systemic unintentional errors. The Secretary counts the total of violations caused by a repeated mechanical systemic unintentional error as a single violation, unless the servicer has been cited for a similar violation previously and had failed to make the appropriate corrections to the system; and

(ii) The financial loss of Title IV, HEA program funds was attributable to a repeated mechanical systemic unintentional error.

(b) In determining the gravity of the institution's or servicer's violation, failure, or misrepresentation under paragraph (a) of this section, the designated department official, hearing official, and Secretary take into account the amount of any liability owed by the institution and any third-party servicer that contracts with the institution, and the number of students affected as a result of that violation, failure, or misrepresentation on—

(1) Improperly expended or unspent Title IV, HEA program funds received by the institution or servicer, as applicable; or

(2) Required refunds.

(c) Upon the request of the institution or third-party servicer, the Secretary may compromise the fine.

(Authority: 20 U.S.C. 1094)

Note: Section amended April 29, 1994, effective July 1, 1994.

(b) After its participation in a Title IV, HEA program has been terminated, an institution may disburse or deliver funds under that Title IV, HEA program to students enrolled at the institution only in accordance with 668.26 and with any additional requirements imposed under this part.

(c) If a third-party servicer's eligibility is terminated, the servicer must return to each institution that contracts with the servicer any funds received by the servicer under the applicable Title IV, HEA program on behalf of the institution or the institution's students or otherwise dispose of those funds required by the Title IV, HEA program contracts.
under instructions from the Secretary. The servicer also must return to each institution that contracts with the servicer all records pertaining to the servicer’s administration of that program on behalf of that institution.

(b) The corrective action may include payment of any funds to the Secretary, or to designated recipients, that the institution or servicer, as applicable, improperly received, withheld, disbursed, or caused to be disbursed. Corrective action may, for example, relate to—

(1) With respect to the Federal Stafford Loan, Federal PLUS, and Federal SLS programs—

(ii) Discounts, premiums, or excess interest paid in violation of 34 CFR part 682; and

(2) With respect to all Title IV, HEA programs—

(i) Refunds required under program regulations; and

(ii) Any grants, work-study assistance, or loans made in violation of program regulations.

(c) If any final decision requires an institution or third-party servicer to reimburse or make any other payment to the Secretary, the Secretary may offset these claims against any benefits or claims due to the institution or servicer.

(Authority: 20 U.S.C. 1094)

Note: Section amended April 29, 1994, effective July 1, 1994.

the limitation before the expiration of 12 months from the
effective date of the limitation.

(b) A third-party servicer whose eligibility to contract
with any institution to administer any aspect of the institution's

servicer, upon the institution's or servicer's request, an
opportunity to show cause why the participation or eligibility, as
applicable, should be fully reinstated.

(g) The institution's or servicer's request for an
opportunity to show cause does not waive--

(1) The institution's right to participate in any or all
Title IV, HEA programs if it complies with the continuing
limitation or limitations pending the outcome of the opportunity
to show cause; and

(2) The servicer's right to contract with any

Sec. 668.98 Interlocutory appeals to the Secretary from
rulings of a hearing official.

(a) A ruling by a hearing official may not be
appealed to the Secretary until the issuance of an initial
decision, except that the Secretary may, at any time prior to
the issuance of the initial decision, grant a review of a ruling
upon either a certification by a hearing official of the ruling to
the Secretary for review or the filing of a petition for review of a
ruling by one or both of the parties if--

(1) That ruling involves a controlling question of
substantive or procedural law; and

(2) The immediate resolution of the question will
materially advance the final disposition of the proceeding or
subsequent review will be an inadequate remedy.

(b)(1) A petition for interlocutory review of an interim
ruling must include the following:

(i) A brief statement of the facts necessary to an
understanding of the issue on which review is sought.

(ii) A statement of the issue.

(iii) A statement of the reasons showing that the
ruling complained of involves a controlling question of
substantive or procedural law and why immediate review of the
ruling will materially advance the disposition of the case, or
why subsequent review will be an inadequate remedy.

(2) A petition may not exceed ten pages,
double-spaced, and must be filed with a copy of the ruling and
any findings and opinions relating to the ruling.

(c) A copy of the petition must be provided to the
hearing official at the time of filing with the secretary, and a
copy of a petition or any certification must be served upon the
parties by certified mail, return receipt requested. The petition
or certification must reflect this service.

(d) If a party files a petition under this section, the
hearing official may state to the Secretary a view as to whether
review is appropriate or inappropriate by submitting a brief
statement addressing the party's petition within 10 days of the
receipt of that petition by the hearing official. A copy of the
statement must be served on all parties by certified mail, return
receipt requested.

(e) A party's response to a petition or certification for
interlocutory review must be filed within seven days after
service of the petition or statement, as applicable, and may not
exceed ten pages, double-spaced, in length. A copy of the
response must be served on the parties and the hearing
official by hand delivery or regular mail.
(f) The filing of a petition for interlocutory review does not automatically stay the proceedings. A stay during consideration of a petition for review may be granted by the hearing official if that official has certified or stated to the Secretary that review of the ruling is appropriate. The Secretary may order a stay of proceedings at any time after the filing of a request for interlocutory review.

(g) The Secretary notifies the parties if a petition or certification for interlocutory review is accepted, and may provide the parties a reasonable time within which to submit written argument with regard to the merit of the petition or certification.

(h) If the Secretary takes no action on a petition or certification for review within 15 days of receipt of it, the request is deemed to be denied.

(i) The Secretary may affirm, modify, set aside, or remand the interim ruling of the hearing official.

(j) The Secretary may delegate to a designated department official the functions described in paragraphs (f) through (i) of this section.

Sec. 668.124 Interlocutory appeals to the Secretary from rulings of a hearing official.

(a) A ruling by a hearing official may not be appealed to the Secretary until the issuance of an initial decision, except that the Secretary may, at any time prior to the issuance of the initial decision, grant a review of a ruling upon either a certification by a hearing official of the ruling to the Secretary for review or the filing of a petition for review of a ruling by one or both of the parties if—

(1) That ruling involves a controlling question of substantive or procedural law; and

(2) The immediate resolution of the question will materially advance the final disposition of the proceeding or subsequent review will be an inadequate remedy.

(b)(1) A petition for interlocutory review of an interim ruling must include the following:

(i) A brief statement of the facts necessary to an understanding of the issue on which review is sought.

(ii) A statement of the issue.

(iii) A statement of the reasons showing that the ruling complained of involves a controlling question of substantive or procedural law and why immediate review of the ruling will materially advance the disposition of the case, or why subsequent review will be an inadequate remedy.

(2) A petition may not exceed ten pages, double-spaced, and must be filed with a copy of the ruling and any findings and opinions relating to the ruling.

(c) A copy of the petition must be provided to the hearing official at the time of filing with the Secretary, and a copy of a petition or any certification must be served upon the parties by certified mail, return receipt requested. The petition or certification must reflect this service.

(d) If a party files a petition under this section, the hearing official may state to the Secretary a view as to whether review is appropriate or inappropriate by submitting a brief statement addressing the party's petition within 10 days of the receipt of that petition by the hearing official. A copy of the statement must be served on all parties by certified mail, return receipt requested.

(e) A party's response to a petition or certification for interlocutory review must be filed within seven days after service of the petition or statement, as applicable, and may not exceed ten pages, double-spaced, in length. A copy of the response must be served on the parties and the hearing official by hand delivery or regular mail.

(f) The filing of a petition for interlocutory review does not automatically stay the proceedings. A stay during consideration of a petition for review may be granted by the hearing official if that official has certified or stated to the Secretary that review of the ruling is appropriate. The Secretary may order a stay of proceedings at any time after the filing of a request for interlocutory review.

(g) The Secretary notifies the parties if a petition or certification for interlocutory review is accepted, and may provide the parties a reasonable time within which to submit written argument with regard to the merit of the petition or certification.

(h) If the Secretary takes no action on a petition or certification for review within 15 days of receipt of it, the request is deemed to be denied.

(i) The Secretary may affirm, modify, set aside, or remand the interim ruling of the hearing official.

(j) The Secretary may delegate to a designated department official the functions described in paragraphs (f) through (i) of this section.

(a) Scope and purpose. The regulations in this subpart govern the responsibilities of institutions and students in determining the eligibility of those noncitizen applicants for Title IV, HEA assistance who must, under Sec. 668.33(a)(2), produce evidence from the United States Immigration and Naturalization Service (INS) that they are permanent residents of the United States or in the United States for other than a temporary purpose with the intention of becoming citizens or
permanent residents.

(b) Student responsibility. At the request of the Secretary or the institution at which an applicant for Title IV, HEA financial assistance is enrolled or accepted for enrollment, an applicant who asserts eligibility under Sec. 668.33(a)(2) shall provide documentation from the INS of immigration status.

(Authority: 20 U.S.C. 1091, 1094)

Note: (a) and (b) amended July 29, 1998, effective July 29, 1998.

Sec. 668.131 Definitions.

The following definitions apply to this subpart:

Eligible noncitizen: An individual possessing an immigration status that meets the requirements of Sec. 668.33(a)(2).

Primary confirmation: A process by which the Secretary, by means of a matching program conducted with the INS, compares the information contained in an Application for Federal Student Aid or a multiple data entry application regarding the immigration status of a noncitizen applicant for Title IV, HEA assistance with records of that status maintained by the INS in its Alien Status Verification Index (ASVI) system for the purpose of determining whether a student's immigration status meets the requirements of Sec. 668.33(a)(2) and reports the results of this comparison on an output document.

Secondary confirmation: A process by which the INS, in response to the submission of INS Document Verification Form G-845 by an institution, searches pertinent paper and automated INS files, other than the ASVI database, for the purpose of determining a student's immigration status and the validity of the submitted INS documents, and reports the results of this search to the institution.

(Authority: 20 U.S.C. 1091)

Sec. 668.132 Institutional determinations of eligibility based on primary confirmation.

(a) Except as provided in Sec. 668.133(a)(1)(ii), the institution shall determine a student to be an eligible noncitizen if the institution receives an output document for that student establishing that—

(1) The INS has confirmed the student's immigration status; and

(2) The student's immigration status meets the noncitizen eligibility requirements of Sec. 668.33(a)(2).

(b) If an institution determines a student to be an eligible noncitizen in accordance with paragraph (a) of this section, the institution may not require the student to produce the documentation otherwise required under Sec. 668.33(a)(2).

(Authority: 20 U.S.C. 1091, 1094)

Note: (a)(2) and (b) amended July 29, 1998, effective July 29, 1998.

Sec. 668.133 Conditions under which an institution shall require documentation and request secondary confirmation.

(a) General requirements. Except as provided in paragraph (b) of this section, an institution shall require the student to produce the documentation required under Sec. 668.33(a)(2) and request the INS to perform secondary confirmation for a student claiming eligibility under Sec. 668.33(a)(2), in accordance with the procedures set forth in Sec. 668.135, if—

(1) The institution—

(i) Receives an output document indicating that the student must provide the institution with evidence of the student's immigration status required under Sec. 668.33(a)(2); or

(ii) Receives an output document that satisfies the requirements of Sec. 668.132(a)(1) and (2), but the institution—

(A) Has documentation that conflicts with immigration-status documents submitted by the student or the immigration status reported on the output document; or

(B) Has reason to believe that the immigration status reported by the student or on the output document is incorrect; and

(2) The institution determines that the immigration-status documents submitted by the student constitute reasonable evidence of the student's claim to be an eligible noncitizen.

(b) Exclusions from secondary confirmation. (1) An institution may not require the student to produce the documentation requested under Sec. 668.33(a)(2) and may not request that INS perform secondary confirmation, if the student—

(i) Demonstrates eligibility under the provisions of Sec. 668.33(a)(1) or (b); or

(ii) Demonstrated eligibility under the provisions of Sec. 668.33(a)(2) in a previous award year as a result of secondary confirmation and the documents used to establish that eligibility have not expired; and

(iii) The institution does not have conflicting documentation or reason to believe that the student's claim of citizenship or immigration status is incorrect.

(a) Except as provided in paragraphs (b) and (c) of this section, an institution that has requested secondary confirmation under Sec. 668.133(a) shall make its determination concerning a student's eligibility under Sec. 668.33(a)(2) by relying on the INS response to the Form G-845.

(b) An institution shall make its determination concerning a student's eligibility under Sec. 668.33(a)(2) pending the institution's receipt of an INS response to the institution's Form G-845 request concerning the student, if--

(1) The institution has given the student an opportunity to submit documents to the institution to support the student's claim to be an eligible noncitizen;
PART 668—STUDENT ASSISTANCE GENERAL PROVISIONS

(2) The institution possesses sufficient documentation concerning a student's immigration status to make that determination;

(3) At least 15 business days have elapsed from the date that the institution sent the Form G-845 request to the INS;

(4) The institution has no documentation that conflicts with the immigration-status documentation submitted by the student; and

(5) The institution has no reason to believe that the immigration status reported by the applicant is incorrect.

(c) An institution shall establish and use policies and procedures to ensure that, if the institution has disbursed or released Title IV, HEA funds to the student in the award year or employed the student under the Federal Work-Study Program, and the institution determines, in reliance on the INS response to the institution's request for secondary confirmation regarding that student, that the student was in fact not an eligible noncitizen during that award year, the institution provides the student with notice of the institution's determination, an opportunity to contest the institution's determination, and notice of the institution's final determination.

The deadline, set by the institution, must be not less than 30 days from the date the institution receives the student's output document.

(b) If a student fails to submit the documentation by the deadline established in accordance with paragraph (a) of this section, the institution may not disburse to the student, or certify the student as eligible for, any Title IV, HEA program funds for that period of enrollment or award year; employ the student under the Federal Work-Study Program; certify a Federal Stafford or Federal Perkins loan application; or originate a Direct Loan Program loan application for the student for that period of enrollment.

(b) A Federal PLUS or Direct PLUS Loan borrower is liable for any Federal PLUS or Direct PLUS Loan made to him or her on behalf of an ineligible student.

(c) The Secretary does not take any action against an institution with respect to an error in the institution's determination that a student is an eligible noncitizen if, in making that determination, the institution followed the provisions in this subpart and relied on-

(1) An output document for that student indicating that the INS has confirmed that the student's immigration status meets the eligibility requirements for Title IV, HEA assistance;

(2) An INS determination of the student's immigration status and the authenticity of the student's immigration documents provided in response to the institution's request for secondary confirmation; or

(3) Immigration-status documents submitted by the student and the institution did not have reason to believe that the documents did not support the student's claim to be an eligible noncitizen.

(d) Except as provided in paragraph (c) of this section, if an institution makes an error in its determination that a student is an eligible noncitizen, the institution is liable for any Title IV, HEA disbursements made to this student during the award year or period of enrollment for which the student applied for Title IV, HEA assistance.

(1) Making a reasonable effort to contact the student; and

PART 668—STUDENT ASSISTANCE GENERAL PROVISIONS

(b) If an institution causes a Federal Stafford, Federal PLUS, Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan to be disbursed to or on behalf of an ineligible student for which it is not liable in accordance with Sec. 668.138, it shall assist the Secretary in recovering the funds by notifying the lender in the case of an FFEL Program loan or the Secretary in the case of a Direct Loan Program loan that the student has failed to establish eligibility under the requirements of Secs. 668.201 or 685.200, as appropriate.

(c) If an institution is liable for payment of a grant or Federal Perkins loan to an ineligible student, the institution shall restore the amount equal to the payment or disbursement to the institution's Federal Perkins loan fund or Federal Pell Grant, Federal SEOG, or SSIG amount, even if the institution cannot collect the payment or disbursement from the student.

(d) If an institution is liable for a Federal Stafford, Federal PLUS, Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan disbursement to an ineligible student, the institution shall repay an amount equal to the disbursement to the lender in the case of an FFEL Program loan or the Secretary in the case of a Direct Loan Program loan, and provide written notice to the borrower.

PART 668—STUDENT ASSISTANCE GENERAL PROVISIONS

(e) The approval of a test may be withdrawn if the Secretary determines that the publisher violated any terms of the agreement described in Sec. 668.150, or that the information the publisher submitted as a basis for approval of the test was inaccurate;

(f) If the Secretary revokes approval of a previously approved test, the Secretary publishes a notice of that revocation in the Federal Register. The revocation becomes effective 120 days from the date the notice of revocation is published in the Federal Register; and

Sec. 668.149 Special provisions for the approval of assessment procedures for special populations for whom no tests are reasonably available.

If no test is reasonably available for persons with disabilities or students whose native language is not English and who are not fluent in English, so that no test can be approved under Secs. 668.146 or 668.148 for these students, the following procedures apply:

(a) Persons with disabilities. (1) The Secretary considers a modified test or testing procedure, or instrument that has been scientifically developed specifically for the purpose of evaluating the ability to benefit from postsecondary training or education of disabled students to be an approved test for purposes of this subpart provided that the testing procedure or instrument measures both basic verbal and quantitative skills at the secondary school level.

(2) The Secretary considers the passing scores for these testing procedures or instruments to be those recommended by the test developer, provided that the test administrator--

(i) Uses those procedures or instruments;

(ii) Maintains appropriate documentation, including a description of the procedures or instruments, their content domains, technical properties, and scoring procedures; and

(iii) Observes recommended passing scores.

(b) Students whose native language is not English. The Secretary considers a test in a student's native language for a student whose native language is not English to be an approved test under this subpart if--

(1) The Secretary has not approved any test in that native language;

(2) The test was not previously rejected for approval by the Secretary;

(3) The test measures both basic verbal and quantitative skills at the secondary school level; and

(4) The passing scores and the methods for determining the passing scores are fully documented.

Sec. 668.150 Agreement between the Secretary and a test publisher.

(a) If the Secretary approves a test under this subpart, the test publisher must enter into an agreement with the Secretary that contains the provisions set forth in paragraph (b) of this section before an institution may use the test to determine a student's eligibility for Title IV, HEA program funds.

(b) The agreement between a test publisher and the Secretary provides that the test publisher shall--

(1) Allow only test administrators that it certifies to give its test;

(2) Certify test administrators who have--

(i) The necessary training, knowledge, and skill to test students in accordance with the test publisher's testing requirements; and
PART 668--STUDENT ASSISTANCE GENERAL PROVISIONS

(ii) The ability and facilities to keep its test secure against disclosure or release;

(3) Decertify a test administrator for a period that coincides with the period for which the publisher's test is approved if the test publisher finds that the test administrator—

(i) Has repeatedly failed to give its test in accordance with the publisher's instructions;

(ii) Has not kept the test secure;

(iii) Has compromised the integrity of the testing process; or

(iv) Has given the test in violation of the provisions contained in Sec. 668.151;

(4) Score a test answer sheet that it receives from a test administrator;

(5) If a computer-based test, provide the test administrator with software that will:

(i) Immediately generate a score report for each test taker;

(ii) Allow the test administrator to send to the test publisher a secure write-protected diskette copy of the test taker's performance on each test item and the test taker's test scores; and

(iii) Prohibit any changes in test taker responses or test scores.

(6) Promptly send to the student and the institution the student indicated he or she is attending or scheduled to attend a notice stating the student's score for the test and whether or not the student passed the test;

(7) Keep for a period of three years each test answer sheet or electronic record forwarded for scoring and all other documents forwarded by the test administrator with regard to the test;

(8) Three years after the date the Secretary approves the test and for each subsequent three-year period, analyze the test scores of students to determine whether the test scores produce any irregular pattern that raises an inference that the tests were not being properly administered, and provide the Secretary with a copy of this analysis; and

(9) Upon request, give the Secretary, a guaranty agency, or an accrediting agency access to test records or other documents related to an audit, investigation, or program review of the institution, test publisher, or test administrator.

(c)(1) The Secretary may terminate an agreement with a test publisher if the test publisher fails to carry out the terms of the agreement described in paragraph (b) of this section.

(2) Before terminating the agreement, the Secretary gives the test publisher the opportunity to show that it has not failed to carry out the terms of its agreement.

(3) If the Secretary terminates an agreement with a test publisher under this section, the Secretary notifies institutions through publication in the Federal Register when they may no longer use the publisher's test(s) for purposes of determining a student's eligibility for Title IV, HEA program funds.

Sec. 668.151 Administration of tests.

(a)(1) To establish a student's eligibility for Title IV, HEA program funds under this subpart, if a student has not passed an approved state test, under Sec. 668.143, an institution must select a certified test administrator to give an approved test.

(2) An institution may use the results of an approved test to determine a student's eligibility to receive Title IV, HEA program funds if the test was independently administered and properly administered.

(b) The Secretary considers that a test is independently administered if the test is—

(1) Given at an assessment center by a test administrator who is an employee of the center, or

(2) Given by a test administrator who—

(i) Has no current or prior financial or ownership interest in the institution, its affiliates, or its parent corporation, other than the interest obtained through its agreement to administer the test, and has no controlling interest in any other educational institution;

(c) The Secretary considers that a test is not independently administered if an institution--

(1) Compromises test security or testing procedures;

(2) Pays a test administrator a bonus, commission, or any other incentive based upon the test scores or pass rates of its students who take the test;

(3) Otherwise interferes with the test administrator's independence or test administration.

(d) The Secretary considers that a test is properly administered if the test administrator--

(1) Is certified by the test publisher to give the publisher's test;

(2) Administers the test in accordance with instructions provided by the test publisher, and in a manner that ensures the integrity and security of the test;

(3) Makes the test available only to a test-taker, and then only during a regularly scheduled test;

(4) Secures the test against disclosure or release;

(5) Submits the completed test to the test publisher within two business days after test administration in accordance with the test publisher's instructions; and

(6) Upon request, gives the Secretary, guaranty agency, licensing agency, accrediting agency, and law enforcement agencies access to test records or other documents related to an audit, investigation, or program review of the institution, or test publisher.

(e) Except as provided in Sec. 668.152, a certified test administrator may not score a test.

(f) A student who fails to pass a test approved under this subpart may not retake the same form of the test for the period prescribed by the test's publisher.

(g) An institution shall maintain a record for each student who took a test under this subpart of--

(1) The test taken by the student;

(b)(1) Unless an agreement between a test publisher and an assessment center indicates otherwise, an assessment center scores the tests it gives and promptly notifies the institution and the student of the student's score on the test and whether the student passed the test.

(2) If the assessment center scores the test, it must provide annually to the test publisher--

(i) All copies of completed tests; or

(ii) A report listing all test-takers' scores and institutions to which the scores were sent.

Sec. 668.153 Administration of tests for students whose native language is not English or for persons with disabilities.

Except as provided in Sec. 668.143--

(a) Students whose native language is not English. For a student whose native language is not English and who is not fluent in English, the institution shall use the following tests, as applicable:

(1) If the student is enrolled in a program conducted entirely in his or her native language, the student must take a test approved under Secs. 668.146 and 668.148(a)(2), or 668.149(b).

(2) If the student is enrolled in a program that is taught in English with an ESL component, and the student is enrolled in that program and the ESL component, the student must take either an ESL test approved under Sec. 668.148(b), or a test in the student's native language approved under Secs. 668.146, 668.148 or 668.149.
PART 668--STUDENT ASSISTANCE GENERAL PROVISIONS

(3) If the student is enrolled in a program that is taught in English without an ESL component, or the student does not enroll in the ESL component if the institution offers such a component, the student must take a test in English approved under Sec. 668.146.

(4) If the student enrolls in an ESL program, the student must take an ESL test approved under Sec. 668.148(b); and

(2) The test must reflect the student's skills and general learned abilities rather than reflect the student's impairment.

(3) The institution shall document that a student is disabled and unable to be evaluated by the use of a conventional test from the list of tests approved by the Secretary.

(4) Documentation of a student's impairment may be satisfied by--

(i) A written determination, including a diagnosis and recommended testing accommodations, by a licensed psychologist or medical physician; or

(ii) A record of such a determination by an elementary or secondary school or a vocational rehabilitation agency, including a diagnosis and recommended testing accommodations.

(a) Used a test administrator who was not independent of the institution at the time the test was given;

(b) Compromises the testing process in any way; or

(c) Is unable to document that the student received a passing score on an approved test.

(Authority: U.S.C. 1091(d))

Sec. 668.155 Transitional rule for the 1996-97 award year.

(a) Notwithstanding any other provision of this part, an institution may continue to base an eligibility determination under section 484(d) of the HEA for a student on a test that was an approved test as of June 30, 1996, and the passing score on that test, until 60 days after the Secretary publishes in the Federal Register the name of an approved test and the passing score on that test that is appropriate for that student.

(b) If an institution properly based a student's eligibility determination for purposes of section 484(d) of the HEA on a test and passing score that was in effect on June 30, 1996, the institution does not have to redetermine the student's eligibility based upon a test and passing score that was approved under Secs. 668.143 through 668.149.

(Authority: U.S.C. 1091(d))

Sec. 668.156 Approved State process.

(a)(1) A State that wishes the Secretary to consider its State process as an alternative to achieving a passing score on an approved, independently administered test for the purpose of determining a student's eligibility for Title IV, HEA program funds must apply to the Secretary for approval of that process.

(2) To be an approved State process, the State process does not have to include all the institutions located in that State, but must indicate which institutions are included.

(b) The Secretary approves a State's process if--

(1) The State administering the process can demonstrate that the students it admits under that process without a high school diploma or its equivalent, who enroll in participating institutions have a success rate as determined under paragraph (h) of this section that is within 95 percent of the success rate of students with high school diplomas; and

(2) The State's process satisfies the requirements contained in paragraphs (c) and (d) of this section.

(c) A State process must require institutions participating in the process to provide each student they admit without a high school diploma or its recognized equivalent with the following services--

(1) Orientation regarding the institution's academic standards and requirements, and student rights;

(2) Assessment of each student's existing capabilities through means other than a single standardized test;
(3) Tutoring in basic verbal and quantitative skills, if appropriate;

(4) Assistance in developing educational goals;

(5) Counseling, including counseling regarding the appropriate class level for that student given the student's individual's capabilities; and

(6) Follow-up by teachers and counselors regarding the student's classroom performance and satisfactory progress toward program completion.

(d) A State process must--

(1) Monitor on an annual basis each participating institution's compliance with the requirements and standards contained in the State's process;

(2) Require corrective action if an institution is found to be in noncompliance with the State process requirements; and

(3) Terminate an institution from the State process if the institution refuses or fails to comply with the State process requirements.

(e)(1) The Secretary responds to a State's request for approval of its State's process within six months after the Secretary's receipt of that request. If the Secretary does not respond by the end of six months, the State's process becomes effective.

(2) An approved State process becomes effective for purposes of determining student eligibility for Title IV, HEA program funds under this subpart six months after the date on which the State submits the process to the Secretary for approval, if the Secretary approves, or does not disapprove, the process during that six month period.

(f) The Secretary approves a State process for a period not to exceed five years.

(g)(1) The Secretary withdraws approval of a State process if the Secretary determines that the State process violated any terms of this section or that the information that the State submitted as a basis for approval of the State process was inaccurate.

(2) The Secretary provides a State with the opportunity to contest a finding that the State process violated any terms of this section or that the information that the State submitted as a basis for approval of the State process was inaccurate.

(h) The State shall calculate the success rates as referenced in paragraph (b) of this section by--

(1) Determining the number of students with high school diplomas who, during the applicable award year described in paragraph (i) of this section, enrolled in participating institutions and--

(i) Successfully completed education or training programs;

(ii) Remained enrolled in education or training programs at the end of that award year; or

(iii) Successfully transferred to and remained enrolled in another institution at the end of that award year;

(2) Determining the number of students with high school diplomas who enrolled in education or training programs in participating institutions during that award year;

(3) Determining the number of students calculated in paragraph (h)(2) of this section who remained enrolled after subtracting the number of students who subsequently withdrew or were expelled from participating institutions and received a 100 percent refund of their tuition under the institutions' refund policies;

(4) Dividing the number of students determined in paragraph (h)(1) of this section by the number of students determined in paragraph (h)(3) of this section;

(5) Making the calculations described in paragraphs (h)(1) through (h)(4) of this section for students without a high school diploma or its recognized equivalent who enrolled in participating institutions.

(i) For purposes of paragraph (h) of this section, the applicable award year is the latest complete award year for which information is available that immediately precedes the date on which the State requests the Secretary to approve its State process, except that the award year selected must be one of the latest two completed award years preceding that application date.

Subpart K—Cash Management

PART 668—STUDENT ASSISTANCE GENERAL PROVISIONS

Sec. 668.161 Scope and purpose.

(a) General. (1) This subpart establishes the rules and procedures under which a participating institution requests, maintains, disburses, and otherwise manages title IV, HEA program funds. This subpart is intended to—

(i) Promote sound cash management of title IV, HEA program funds by an institution;

(ii) Minimize the financing costs to the Federal government of making title IV, HEA program funds available to a student or an institution; and

(iii) Minimize the costs that accrue to a student under a title IV, HEA loan program.

(2) The rules and procedures that apply to an institution under this subpart also apply to a third-party servicer.

(b) Federal interest in title IV, HEA program funds. Except for funds received by an institution for administrative expenses and for funds used for the Job Location and Development Program under the FWS Programs, funds received by an institution under the title IV, HEA programs are held in trust for the intended student beneficiaries and the Secretary. FFEL program funds are also held in trust for the lenders and guaranty agencies, in addition to the student beneficiaries and the Secretary, under 34 CFR 682.207. The institution, as a trustee of Federal funds, may not use or hypothecate (i.e., use as collateral) title IV, HEA program funds for any other purpose.

(Authority: 20 U.S.C. 1094)

Sec. 668.162 Requesting funds.

(a) General. (1) The Secretary has sole discretion to determine the method under which the Secretary provides title IV, HEA program funds to an institution. In accordance with procedures established by the Secretary, the Secretary may provide funds to an institution under the advance, reimbursement, just-in-time, or cash monitoring payment methods.

(2) Each time an institution requests funds from the Secretary, the institution must identify the amount of funds requested by program and fiscal year designation that the Secretary assigned to the authorization for those funds.

(b) Advance payment method. Under the advance payment method—

(1) An institution submits a request for funds to the Secretary. The institution's request for funds may not exceed the amount of funds the institution needs immediately for disbursements the institution has made or will make to eligible students and parents;

(2) If the Secretary accepts that request, the Secretary initiates an electronic funds transfer (EFT) of that amount to a bank account designated by the institution; and

(3) The institution must disburse the funds requested as soon as administratively feasible but no later than three business days following the date the institution received those funds.

(c) Just-in-time payment method. Under the just-in-time payment method—

(1) For each student or parent that an institution determines is eligible for title IV, HEA program funds, the institution transmits electronically to the Secretary, within a timeframe established by the Secretary, records that contain program award information for that student or parent. As part of those records, the institution reports the date and amount of the disbursements that it will make or has made to that student or that student's parent;

(2) For each record the Secretary accepts for a student or parent, the Secretary provides by EFT the corresponding disbursement amount to the institution on or before the date reported by the institution for that disbursement;

(3) When the institution receives the funds for each record accepted by the Secretary, the institution may disburse those funds based on its determination at the time the institution transmitted that record to the Secretary that the student is eligible for that disbursement; and

(4) The institution must report any adjustment to a previously accepted record within the time established by the...
Secretary in a notice published in the Federal Register.

(d) Reimbursement payment method. Under the reimbursement payment method--

(1) An institution must first make disbursements to students and parents for the amount of funds those students and parents are eligible to receive under the Federal Pell Grant, Direct Loan, and campus-based programs before the institution may seek reimbursement from the Secretary for those disbursements. The Secretary considers an institution to have made a disbursement if the institution has either credited a student's account or paid a student or parent directly with its own funds;

(2) An institution seeks reimbursement by submitting to the Secretary a request for funds that does not exceed the amount of the actual disbursements the institution has made to students and parents included in that request;

(3) As part of the institution's reimbursement request, the Secretary requires the institution to--

(i) Identify the students for whom reimbursement is sought; and

(ii) Submit to the Secretary or entity approved by the Secretary documentation that shows that each student and parent included in the request was eligible to receive and has received the title IV, HEA program funds for which reimbursement is sought; and

(4) The Secretary approves the amount of the institution's reimbursement request for a student or parent and pays the institution that amount, if the Secretary determines with regard to that student or parent that the institution--

(i) Accurately determined the student's eligibility for title IV, HEA program funds;

(ii) Accurately determined the amount of title IV, HEA program funds paid to the student or parent; and

(iii) Submitted the documentation required under paragraph (d)(3) of this section.

(e) Cash monitoring payment method. Under the cash monitoring payment method, the Secretary provides title IV, HEA program funds to an institution under the provisions described in paragraph (e)(1) or (e)(2) of this section. Under either paragraph (e)(1) or (e)(2) of this section, an institution must first make disbursements to students and parents for the amount of title IV, HEA program funds that those students and parents are eligible to receive, before the institution--

(1) Submits a request for funds under the provisions of the advance payment method described in paragraph (b) of this section, except that the institution's request may not exceed the amount of the actual disbursements the institution

made to the students and parents included in that request; or

(2) Seeks reimbursement for those disbursements under the provisions of the reimbursement payment method described in paragraph (d) of this section, except that the Secretary may modify the documentation requirements and review procedures used to approve the reimbursement request.

(a)(1) revised and (e) added November 25, 1997, effective July 1, 1998.

Sec. 668.163 Maintaining and accounting for funds.

(a)(1) Bank or investment account. An institution must maintain title IV, HEA program funds in a bank or investment account that is Federally insured or secured by collateral of value reasonably equivalent to the amount of those funds.

(2) For each bank or investment account that includes title IV, HEA program funds, an institution must clearly identify that title IV, HEA program funds are maintained in that account by--

(i) Including in the name of each account the phrase "Federal Funds";

(ii)(A) Notifying the bank or investment company of the accounts that contain title IV, HEA program funds and retaining a record of that notice; and

(B) Except for a public institution, filing with the appropriate State or municipal government entity a UCC-1 statement disclosing that the account contains Federal funds and maintaining a copy of that statement.

(b) Separate bank account. The Secretary may require an institution to maintain title IV, HEA program funds in a separate bank or investment account that contains no other funds if the Secretary determines that the institution failed to comply with--

(1) The requirements in this subpart;

(2) The recordkeeping and reporting requirements in subpart B of this part; or

(3) Applicable program regulations.

(c) Interest-bearing or investment account. (1) An institution must maintain the Fund described in Sec. 674.8(a) of the Federal Perkins Loan Program regulations in an interest-bearing bank account or investment account consisting predominately of low-risk, income-producing securities, such as obligations issued or guaranteed by the United States. Interest or income earned on Fund proceeds
PART 668--STUDENT ASSISTANCE GENERAL PROVISIONS

are retained by the institution as part of the Fund.

(2) Except as provided in paragraph (c)(3) of this section, an institution must maintain Direct Loan, Federal Pell Grant, FSEOG, and FWS program funds in an interest-bearing bank account or an investment account as described in paragraph (c)(1) of this section.

(3) An institution does not have to maintain Direct Loan, Federal Pell Grant, FSEOG, and FWS program funds in an interest-bearing bank account or an investment account for an award year if--

(i) The institution drew down less than a total of $3 million of those funds in the prior award year and anticipates that it will not draw down more than that amount in the current award year;

(ii) The institution demonstrates by its cash management practices that it will not earn over $250 on those funds during the award year; or

(iii) The institution requests those funds from the Secretary under the just-in-time payment method.

(4) If an institution maintains Direct Loan, Federal Pell Grant, FSEOG, and FWS program funds in an interest-bearing or investment account, the institution may keep the initial $250 it earns on those funds during an award year. By June 30 of that award year, the institution must remit to the Secretary any earnings over $250.

(d) Accounting and internal control systems and financial records. (1) An institution must maintain accounting and internal control systems that--

(i) Identify the cash balance of the funds of each title IV, HEA program that are included in the institution's bank or investment account as readily as if those program funds were maintained in a separate account; and

(ii) Identify the earnings on title IV, HEA program funds maintained in the institution's bank or investment account.

(2) An institution must maintain its financial records in accordance with the provisions under Sec. 668.24.

(e) Standard of conduct. An institution must exercise the level of care and diligence required of a fiduciary with regard to maintaining and investing title IV, HEA program funds.

(Authority: 20 U.S.C. 1094)

Sec. 668.164 Disbursing funds.

(a) Disbursement. (1) Except as provided in paragraph (a)(2) of this section, an institution makes a disbursement of title IV, HEA program funds on the date that the institution credits a student's account at the institution or pays a student or parent directly with--

(i) Funds received from the Secretary;

(ii) Funds received from a lender under the FFEL Programs; or

(iii) Institutional funds used in advance of receiving title IV, HEA program funds.

(2) If, earlier than 10 days before the first day of classes of a payment period, or for a student subject to the requirements of Sec. 682.604(c)(5) or Sec. 685.303(b)(4) earlier than 30 days after the first day of the payment period, an institution credits a student's institutional account with institutional funds in advance of receiving title IV, HEA program funds, the Secretary considers that the institution makes that disbursement on the 10th day before the first day of classes, or the 30th day after the beginning of the payment period for a student subject to the requirements of Sec. 682.604(c)(5) or Sec. 685.303(b)(4).

(b) Disbursements by payment period. (1) Except as provided in paragraph (b)(2) of this section, an institution must disburse title IV, HEA program funds on a payment period basis. Except as provided in paragraph (g) of this section, an institution may disburse title IV, HEA program funds to a student or parent for a payment period only if the student is enrolled for classes for that payment period and is eligible to receive those funds.

(2) The provisions of paragraph (b)(1) of this section do not apply to the disbursement of FWS Program funds.

(3) For a student enrolled in an eligible program at an institution that measures academic progress in clock hours, in determining whether the student completes the clock hours in a payment period, an institution may include clock hours for which the student has an excused absence if--

(i) The institution has a written policy that permits excused absences; and

(ii) The number of excused absences under the written policy for purposes of this paragraph does not exceed the lesser of--

(A) The policy on excused absences of the institution's accrediting agency or, if the institution has more than one accrediting agency, the agency designated under 34 CFR part 600.11(b); or

(B) The policy on excused absences of any State agency that licenses the institution or otherwise legally authorizes the institution to operate in the State; or...
PART 668—STUDENT ASSISTANCE GENERAL PROVISIONS

(C) Ten percent of the clock hours in the payment period.

(4) For purposes of paragraph (b)(3) of this section, an "excused absence" is an absence that a student does not have to make up.

(c) Direct payments. An institution pays a student or parent directly by:

(1) Releasing to the student or parent a check provided by a lender to the institution under an FFEL Program;

(2) Issuing a check or other instrument payable to and requiring the endorsement or certification of the student or parent. An institution issues a check by:

(i) Releasing or mailing the check to a student or parent; or

(ii) Notifying the student or parent that the check is available for immediate pickup;

(3) Initiating an electronic funds transfer (EFT) to a bank account designated by the student or parent; or

(4) Dispensing cash for which an institution obtains a signed receipt from the student or parent.

(d) Crediting a student's account at the institution.

(1) Without obtaining the student's or parent's authorization under Sec. 668.165, an institution may use title IV, HEA program funds to credit a student's account at the institution to satisfy current charges for:

(i) Tuition and fees;

(ii) Board, if the student contracts with the institution for board; and

(iii) Room, if the student contracts with the institution for room.

(2) After obtaining the appropriate authorization from a student or parent under Sec. 668.165, the institution may use title IV, HEA program funds to credit a student's account at the institution to satisfy:

(i) Current charges that are in addition to the charges described in paragraph (d)(1) of this section that were incurred by the student at the institution for educationally related activities; and

(ii) Minor prior award year charges if these charges are less than $100 or if the payment of these charges does not, and will not, prevent the student from paying his or her current educational costs.

(3) If an institution disburses Direct Loan Program funds by crediting a student's account at the institution, the institution must first credit the student's account with those funds to pay for outstanding current and authorized charges.

(4) For purposes of this paragraph, current charges refers to charges assessed the student by the institution for:

(i) The current award year; or

(ii) The loan period for which an institution certified or originated a loan under the FFEL or Direct Loan programs.

(e) Credit balances. Whenever an institution disburses title IV, HEA program funds by crediting a student's account and the total amount of all title IV, HEA program funds credited exceeds the amount of tuition and fees, room and board, and other authorized charges the institution assessed the student, the institution must pay the resulting credit balance directly to the student or parent as soon as possible but:

(1) No later than 14 days after the balance occurred if the credit balance occurred after the first day of class of a payment period; or

(2) No later than 14 days after the first day of class of a payment period if the credit balance occurred on or before the first day of class of that payment period.

(f) Early disbursements. Except as provided under paragraph (f)(3) of this section—

(1) If a student is enrolled in a credit-hour educational program that is offered in semester, trimester, or quarter academic terms, the earliest an institution may disburse title IV, HEA program funds to a student or parent for any payment period is 10 days before the first day of classes for a payment period.

(2) If a student is enrolled in a credit-hour educational program that is not offered in semester, trimester, or quarter academic terms, or in a clock hour educational program the earliest an institution may disburse title IV, HEA program funds to a student or parent for any payment period is the later of:

(i) Ten days before the first day of classes of the payment period; or

(ii) The date the student completed the previous payment period for which he or she received title IV, HEA program funds, except that this provision does not apply to the payment of Direct Loan or FFEL program funds under the conditions described in 34 CFR 685.301 (b)(3)(ii), (b)(5), and (b)(6) and 34 CFR 682.604 (c)(6)(ii), (c)(7), and (c)(8), respectively.
PART 668—STUDENT ASSISTANCE GENERAL PROVISIONS

(3) The earliest an institution may disburse the initial installment of a loan under the Direct Loan or FFEL programs to a first-year, first-time borrower as described in 34 CFR 682.604(c) and 34 CFR 685.303(b)(4) is 30 days after the first day of the student's program of study.

(g) Late disbursements—(1) Ineligible students who may receive a late disbursement. An institution may make a late disbursement under paragraph (g)(2) of this section, if the student became ineligible solely because--

(i) For purposes of the Direct Loan and FFEL programs, the student is no longer enrolled at the institution as at least a half-time student for the loan period; and

(ii) For purposes of the Federal Pell Grant, FSEOG, and Federal Perkins Loan programs, the student is no longer enrolled at the institution for the award year.

(2) Conditions for late disbursements. An institution may disburse funds under a title IV, HEA program to an ineligible student and to the parent of an ineligible student as described in paragraph (g)(1) of this section if, before the date the student became ineligible--

(i) The institution received a SAR from the student or an ISIR from the Secretary and the SAR or ISIR has an official expected family contribution calculated by the Secretary; and

(ii)(A) For a Direct Loan Program loan, the institution created the electronic origination record for that loan. An institution may not make a late second or subsequent disbursement of a Direct Subsidized or Direct Unsubsidized loan unless the student has graduated or successfully completed the period of enrollment for which the loan was intended;

(B) For an FFEL Program loan, the institution certified an application for that loan. An institution may not make a late second or subsequent disbursement of a Stafford loan unless the student has graduated or successfully completed the period of enrollment for which the loan was intended;

(C) For a Direct Loan or FFEL Program loan, the student completed the first 30 days of his or her program of study if the student was a first-year, first-time borrower as described in 34 CFR 682.604(c)(5) or 685.303(b)(4);

(D) For a Federal Pell Grant Program award, the institution received a valid SAR from the student or a valid ISIR from the Secretary; and

(E) For a Federal Perkins Loan Program loan or an FSEOG Program award, the student was awarded a loan or grant.

(3) Making a late disbursement. If a student or a parent borrower qualifies for a late disbursement under paragraphs (g)(2) and (3) of this section, the institution--

(i) May make that late disbursement of title IV, HEA program funds only if the funds are used to pay for educational costs that the institution determines the student incurred for the period in which the student was enrolled and eligible; and

(ii) Must make the late disbursement no later than 90 days after the date that student becomes ineligible under paragraph (g)(1) of this section.

(Authority: 20 U.S.C. 1094)

Sec. 668.165 Notices and authorizations.

(a) Notices. (1) Before an institution disburses title IV, HEA program funds for any award year, the institution must notify a student of the amount of funds that the student or his or her parent can expect to receive under each title IV, HEA program, and how and when those funds will be disbursed. If those funds include Direct Loan or FFEL Program funds, the notice must indicate which funds are from subsidized loans and which are from unsubsidized loans.

(2) If an institution credits a student's account at the institution with Direct Loan, FFEL, or Federal Perkins Loan Program funds, the institution must notify the student, or parent of--

(i) The date and amount of the disbursement;

(ii) The student's right, or parent's right to cancel all or a portion of that loan or loan disbursement and have the loan proceeds returned to the holder of that loan. However, the institution does not have to provide this information with regard to FFEL Program funds unless the institution received the loan funds from a lender through an EFT payment or master check; and

(iii) The procedures and the time by which the student or parent must notify the institution that he or she wishes to cancel the loan or loan disbursement.

(3) The institution must send the notice described in (a)(2) of this section--

(i) No earlier than 30 days before and no later than 30 days after crediting the student's account at the institution; and

(ii) Either in writing or electronically. If the institution sends the notice electronically, it must require the recipient of the notice to confirm receipt of the notice and must maintain a copy of that confirmation.
PART 668—STUDENT ASSISTANCE GENERAL PROVISIONS

(4) (i) A student or parent must inform the institution if he or she wishes to cancel all or a portion of a loan or loan disbursement.

(ii) The institution must return the loan proceeds, cancel the loan, or do both, in accordance with applicable program regulations if the institution receives a loan cancellation request either--

(A) Within 14 days after the date the institution sends the notice described in paragraph (a)(2) of this section; or

(B) If the institution sends the notice described in paragraph (a)(2) of this section more than 14 days prior to the first day of the payment period, by the first day of the payment period.

(iii) If a student or parent requests a loan cancellation after the period set forth in paragraph (a)(4)(ii) of this section, the institution may return the loan proceeds, cancel the loan, or do both, in accordance with applicable program regulations.

(5) An institution must inform a student or parent in writing or electronically regarding the outcome of any cancellation request.

(b) Student or parent authorizations. (1) If an institution obtains written authorization from a student or parent, as applicable, the institution may--

(i) Disburse title IV, HEA program funds to a bank account designated by the student or parent;

(ii) Use the student's or parent's title IV, HEA program funds to pay for charges described in Sec. 668.164(d)(2) that are included in that authorization; and

(iii) Except if prohibited by the Secretary under the reimbursement method, hold on behalf of the student or parent any title IV, HEA program funds that would otherwise be paid directly to the student or parent under Sec. 668.164(e).

(2) In obtaining the student's or parent's authorization to perform an activity described in paragraph (b)(1) of this section, an institution--

(i) May not require or coerce the student or parent to provide that authorization;

(ii) Must allow the student or parent to cancel or modify that authorization at any time; and

(iii) Must clearly explain how it will carry out that activity.

(3) A student or parent may authorize an institution to carry out the activities described in paragraph (b)(1) of this section for the period during which the student is enrolled at the institution.

(4) (i) If a student or parent modifies an authorization, the modification takes effect on the date the institution receives the modification notice.

(ii) If a student or parent cancels an authorization to use title IV, HEA program funds to pay for authorized charges under Sec. 668.164(d)(2), the institution may use title IV, HEA program funds to pay only those authorized charges incurred by the student before the institution received the notice.

(iii) If a student or parent cancels an authorization to hold title IV, HEA program funds under paragraph (b)(1)(iii) of this section, the institution must pay those funds directly to the student or parent as soon as possible but no later than 14 days after the institution receives that notice.

(5) If an institution holds excess student funds under paragraph (b)(1)(iii) of this section, the institution must--

(i) Identify the amount of funds the institution holds for each student or parent in a subsidiary ledger account designed for that purpose;

(ii) Maintain, at all times, cash in its bank account in an amount at least equal to the amount of funds the institution holds for the student; and

(iii) Notwithstanding any authorization obtained by the institution under this paragraph, pay any remaining balance on loan funds by the end of the loan period and any remaining other title IV, HEA program funds by the end of the last payment period in the award year for which they were awarded.

(Authority: 20 U.S.C. 1094)

Sec. 668.166 Excess cash.

(a) General. (1) The Secretary considers excess cash to be any amount of title IV, HEA program funds, other than Federal Perkins Loan Program funds, that an institution does not disburse to students or parents by the end of the third business day following the date the institution received those funds from the Secretary. Except as provided in paragraph (b) of this section, an institution must return promptly to the Secretary any amount of excess cash in its account or accounts.

(2) The provisions in this section do not apply to the title IV, HEA program funds that an institution receives from the Secretary under the just-in-time payment method.

(b) Excess cash tolerances. (1) If an institution draws down title IV, HEA program funds in excess of its immediate cash needs, the institution may maintain the excess cash balance in the account the institution established under

(2) The provisions in this section do not apply to the title IV, HEA program funds that an institution receives from the Secretary under the just-in-time payment method.
Sec. 668.164 only if—

(i) In the award year preceding that drawdown, the amount of that excess cash balance is less than—

(A) For a period of peak enrollment at the institution during which that drawdown occurs, three percent of its total prior-year drawdowns; or

(B) For any other period, one percent of its total prior-year drawdowns; and

(ii) Within the next seven days, the institution eliminates its excess cash balance by disbursing title IV, HEA program funds to students or parents for at least the amount of that balance.

(2) For the purposes of this section, a period of peak enrollment at an institution occurs when at least 25 percent of the institution's students start classes during a given 30-day period. For any award year, an institution calculates the percentage of students who started classes during a given 30-day period by—

(i) For the prior award year in which the 30-day period began, determining the number of students who started classes during that period;

(ii) Determining the total number of students who started classes during the entire award year used in paragraph (b)(2)(i) of this section;

(iii) Dividing the number of students in paragraph (b)(2)(i) of this section by the number of students in paragraph (b)(2)(ii) of this section; and

(iv) Multiplying the result obtained in paragraph (b)(2)(iii) of this section by 100.

(3) For the purpose of determining the total amount of title IV, HEA program funds under paragraph (b)(1)(i) of this section; an institution that participates in the Direct Loan Program may include, for the latest year for which the Secretary has complete data, the total amount of loans guaranteed under the FFEL Program for students attending the institution during that year.

(c) Consequences for maintaining excess cash balances. (1) If the Secretary finds that an institution maintains in its account excess cash balances greater than those allowed under paragraph (b) of this section, the Secretary—

(i) As provided in paragraph (c)(2) of this section, requires the institution to reimburse the Secretary for the costs the Secretary deems to have incurred in making those excess funds available to the institution; and

(ii) May initiate a proceeding to fine, limit, suspend, or terminate the institution's participation in one or more title IV, HEA programs under subpart G of this part.

(2) For the purposes of this section, upon a finding that an institution has maintained excess cash, the Secretary—

(i) Considers the institution to have issued a check on the date that the check cleared the institution's bank account, unless the institution demonstrates to the satisfaction of the Secretary that it issued the check shortly after the institution wrote the check; and

(ii) Calculates, or requires the institution to calculate, a liability for maintaining excess cash balances in accordance with procedures established by the Secretary. Under those procedures, the Secretary assesses a liability that is equal to the difference between the earnings that the excess cash balances would have yielded if invested under the applicable current value of funds rate and the actual interest earned on those balances. The current value of funds rate is an annual percentage rate, published in a Treasury Financial Manual (TFM) bulletin, that reflects the current value of funds to the Department of Treasury based on certain investment rates. The current value of funds rate is computed each year by averaging investment rates for the 12-month period ending every September. The TFM bulletin is published annually by the Department of Treasury. Each annual bulletin identifies the current value of funds rate and the effective date of that rate.

Sec. 668.167 FFEL Program funds.

(a) Requesting FFEL Program funds. In certifying a loan application for a borrower under Sec. 682.603—

(1) An institution may not request a lender to provide it with loan funds by EFT or master check earlier than—

(i) Twenty-seven days after the first day of classes of the first payment period for a first-year, first-time Federal Stafford Loan Program borrower as defined in Sec. 682.604(c)(5); or

(ii) Thirteen days before the first day of classes of any subsequent payment period for a first-year, first-time Federal Stafford Loan Program borrower or for any payment period for all other Federal Stafford Loan Program borrowers; and

(2) An institution may not request a lender to provide it with loan funds by check requiring the endorsement of the borrower earlier than—

(i) The first day of classes of the first payment period for a first-year, first-time Federal Stafford Loan Program borrower as defined in Sec. 682.604(c)(5); or
(ii) Thirty days before the first day of classes for any subsequent payment period for a first-year, first-time Federal Stafford Loan Program borrower or for any payment period for all other Federal Stafford borrowers; and

(3)(i) An institution may not request a lender to provide it with loan funds by EFT or master check for any Federal PLUS Program loan earlier than 13 days before the first day of classes for any payment period.

(ii) An institution may not request a lender to provide with loan funds by check requiring the endorsement of the borrower for any Federal PLUS Program loan earlier than 30 days before the first day of classes for any payment period.

(b) Returning funds to a lender. (1) Except as provided in paragraph (c) of this section, an institution must return FFEL Program funds to a lender if the institution does not disburse those funds to a student or parent for a payment period within--

(i) Ten business days following the date the institution receives the funds if the lender provides those funds to the institution by EFT or master check on or after July 1, 1997 but before July 1, 1999;

(ii) Three business days following the date the institution receives the funds if the lender provides those funds to the institution by EFT and master check on or after July 1, 1999; or

(iii) Thirty days after the date the institution receives the funds if a lender provides those funds by a check payable to the borrower or copayable to the borrower and the institution.

(2) If the institution does not disburse the loan funds as specified in paragraph (b)(1) or (c) of this section, the institution must return those funds to the lender promptly but no later than 10 business days after the date the institution is required to disburse the funds.

(3) If an institution must return loan funds to the lender under paragraph (b)(2) of this section and the institution determines that the student is eligible to receive the loan funds, the school may disburse the funds to the student or parent rather than return them to the lender provided the funds are disbursed prior to the end of the applicable timeframe under paragraph (b)(2) of this section.

(c) Delay in returning funds to a lender. An institution may delay returning FFEL program funds to a lender for--

(1) Ten business days after the date set forth in paragraph (b)(1) of this section if--

(ii)(A) The institution does not disburse FFEL Program funds to a borrower because the student did not complete the required number of clock or credit hours in a preceding payment period; and

(B) The institution expects the student to complete required hours within this 10-day period; or

(ii)(B) The student has not met all the FFEL Programs eligibility requirements; and

(B) The institution expects the student to meet those requirements within this 10-day period; or

(2) Thirty days after the date set forth in paragraph (b) of this section for funds a lender provides by EFT or master check if the Secretary places the institution on the reimbursement payment method under paragraph (d) or (e) of this section.

(d) An institution placed under the reimbursement payment method. (1) If the Secretary places an institution under the reimbursement payment method for the Federal Pell Grant, Direct Loan or campus-based programs, the institution--

(i) May not disburse FFEL Program funds to a borrower until the Secretary approves a request from the institution to make that disbursement for that borrower; and

(ii) If prohibited by the Secretary, may not certify a borrower's loan application until the Secretary approves a request from the institution to make that certification for that borrower.

(2) In order for the Secretary to approve a disbursement or certification request from the institution, the institution must submit documentation to the Secretary or entity approved by the Secretary that shows that each borrower included in that request whose loan has not been disbursed or certified is eligible to receive that disbursement or certification.

(3) Pending the Secretary's approval of a disbursement or certification request, the Secretary may--

(i) Prohibit the institution from endorsing a master check or obtaining a borrower's endorsement of any loan check the institution receives from a lender;

(ii) Require the institution to maintain loan funds that it receives from a lender via EFT in a separate bank account that meets the requirements under Sec. 668.151; and

(iii) Prohibit the institution from certifying a borrower's loan application.

(e) An institution participating solely in the FFEL Programs. If the FFEL Programs are the only title IV, HEA programs in which an institution participates and the Secretary determines that there is a need to monitor the institution's participation in those programs, the Secretary may subject the institution to the conditions and limitations
PART 668—STUDENT ASSISTANCE GENERAL PROVISIONS

 contained in paragraph (d) of this section.

(f) An institution placed under the cash monitoring payment method. The Secretary may require an institution that is placed under the cash monitoring described under paragraph Sec. 668.162(e), to comply with the disbursement and certification provisions under paragraph (d) of this section, except that the Secretary may modify the documentation requirements and review procedures used to approve the institution's disbursement or certification request.

Subpart L—Financial Responsibility

Sec. 668.171 General.

(a) Purpose. To begin and to continue to participate in any title IV, HEA program, an institution must demonstrate to the Secretary that it is financially responsible under the standards established in this subpart. As provided under section 498(c)(1) of the HEA, the Secretary determines whether an institution is financially responsible based on the institution's ability to:

(1) Provide the services described in its official publications and statements;
(2) Administer properly the title IV, HEA programs in which it participates; and
(3) Meet all of its financial obligations.

(b) General standards of financial responsibility. Except as provided under paragraphs (c) and (d) of this section, the Secretary considers an institution to be financially responsible if the Secretary determines that:

(1) The institution's Equity, Primary Reserve, and Net Income ratios yield a composite score of at least 1.5, as provided under Sec. 668.172 and Appendices F and G;
(2) The institution has sufficient cash reserves to make required refunds, as provided under Sec. 668.173;
(3) The institution is current in its debt payments. An institution is not current in its debt payments if:

(i) It is in violation of any existing loan agreement at its fiscal year end, as disclosed in a note to its audited financial statements or audit opinion; or

(ii) It fails to make a payment in accordance with existing debt obligations for more than 120 days, and at least one creditor has filed suit to recover funds under those obligations; and

(4) The institution is meeting all of its financial obligations, including but not limited to:

(i) Refunds that it is required to make under Sec. 668.22; and

(ii) Repayments to the Secretary for debts and liabilities arising from the institution's participation in the title IV, HEA programs.

(c) Public institutions. The Secretary considers a public institution to be financially responsible if the institution:

(1)(i) Notifies the Secretary that it is designated as a public institution by the State, local or municipal government entity, tribal authority, or other government entity that has the legal authority to make that designation; and

(ii) Provides a letter from an official of that State or other government entity confirming that the institution is a public institution; and

(2) Is not in violation of any past performance requirement under Sec. 668.174.

(d) Audit opinions and past performance provisions. Even if an institution satisfies all of the general standards of financial responsibility under paragraph (b) of this section, the Secretary does not consider the institution to be financially responsible if:

(1) In the institution's audited financial statements, the opinion expressed by the auditor was an adverse, qualified, or disclaimed opinion, or the auditor expressed doubt about the continued existence of the institution as a going concern, unless the Secretary determines that a qualified or disclaimed opinion does not have a significant bearing on the institution's financial condition; or

(2) As provided under the past performance provisions in Sec. 668.174(a) and (b)(1), the institution violated a title IV, HEA program requirement, or the persons or entities affiliated with the institution owe a liability for a violation of a title IV, HEA program requirement.

(e) Administrative actions. If the Secretary determines that an institution is not financially responsible under the standards and provisions of this section or under an alternative standard in Sec. 668.175, or the institution does not submit its financial and compliance audits by the date permitted and in the manner required under Sec. 668.23, the Secretary may--
PART 668—STUDENT ASSISTANCE GENERAL PROVISIONS

(1) Initiate an action under subpart G of this part to fine the institution, or limit, suspend, or terminate the institution's participation in the title IV, HEA programs; or

(2) For an institution that is provisionally certified, take an action against the institution under the procedures established in Sec. 668.13(d).

(Approved by Office of Management and Budget under control number 1840-0537)

Sec. 668.172 Financial ratios.

(a) Appendices F and G, ratio methodology. As provided under Appendices F and G to this part, the Secretary determines an institution's composite score by-

(1) Calculating the result of its Primary Reserve, Equity, and Net Income ratios, as described under paragraph (b) of this section;

(2) Calculating the strength factor score for each of those ratios by using the corresponding algorithm;

(3) Calculating the weighted score for each ratio by multiplying the strength factor score by its corresponding weighting percentage;

(4) Summing the resulting weighted scores to arrive at the composite score; and

(5) Rounding the composite score to one digit after the decimal point.

(b) Ratios. The Primary Reserve, Equity, and Net Income ratios are defined under Appendix F for proprietary institutions, and under Appendix G for private non-profit institutions.

(1) The ratios for proprietary institutions are:

For proprietary institutions:

\[
\text{Primary Reserve ratio} = \frac{\text{Adjusted Equity}}{\text{Total Expenses}}
\]

\[
\text{Equity ratio} = \frac{\text{Modified Equity}}{\text{Modified Assets}}
\]

\[
\text{Net Income ratio} = \frac{\text{Income Before Taxes}}{\text{Total Revenues}}
\]

(2) The ratios for private non-profit institutions are:

\[
\text{Primary Reserve ratio} = \frac{\text{Expendable Net Assets}}{\text{Total Expenses}}
\]

\[
\text{Equity ratio} = \frac{\text{Modified Net Assets}}{\text{Modified Assets}}
\]

\[
\text{Net Income ratio} = \frac{\text{Change in Unrestricted Net Assets}}{\text{Total Unrestricted Revenues}}
\]

(c) Excluded items. In calculating an institution's ratios, the Secretary--

(1) Generally excludes extraordinary gains or losses, income or losses from discontinued operations, prior period adjustments, the cumulative effect of changes in accounting principles, and the effect of changes in accounting estimates;

(2) May include or exclude the effects of questionable accounting treatments, such as excessive capitalization of marketing costs;

(3) Excludes all unsecured or uncollateralized related-party receivables;

(4) Excludes all intangible assets defined as intangible in accordance with generally accepted accounting principles; and

(5) Excludes from the ratio calculations Federal funds provided to an institution by the Secretary under program authorized by the HEA only if-

(i) In the notes to the institution's audited financial statement, or as a separate attestation, the auditor discloses by name and CFDA number, the amount of HEA program funds reported as expenses in the Statement of Activities for the fiscal year covered by that audit or attestation; and

(ii) The institution's composite score, as determined by the Secretary, is less than 1.5 before the reported expenses arising from those HEA funds are excluded from the ratio calculations.

PART 668—STUDENT ASSISTANCE GENERAL PROVISIONS

(Approved by Office of Management and Budget under control number 1840-0537)

Sec. 668.173 Refund reserve standards.

(a) General. The Secretary considers that an institution has sufficient cash reserves (as required under Sec. 668.171(b)(2)) to make any refunds required under Sec. 668.22 if the institution—

(1) Satisfies the requirements of a public institution under Sec. 668.171(c)(1);

(2) Is located in a State that has a tuition recovery fund approved by the Secretary and the institution contributes to that fund; or

(3) Demonstrates that it makes its refunds timely, as provided under paragraph (b) of this section.

(b) Timely refunds. An institution demonstrates that it makes required refunds within the time permitted under Sec. 668.22(j)(4) if the auditor(s) who conducted the institution's compliance audits for the institution's two most recently completed fiscal years, or the Secretary or a State or guaranty agency that conducted a review of the institution covering those fiscal years—

(1) Finds in the sample of student records audited or reviewed for each of those fiscal years that—

(i) Less than five percent of the refunds that the institution made within that sample were late (for purposes of determining the percentage of late refunds under this paragraph, the auditor or reviewer must include in the sample only those title IV, HEA program recipients who received or should have received a refund under Sec. 668.22); or

(ii) The institution made only one late refund within that sample (regardless of the percentage of the refunds within that sample represented by the one late refund); and

(2) Did not note for either of those fiscal years a material weakness or a reportable condition in the institution's report on internal controls that is related to refunds.

(c) Refund findings. Upon a finding that an institution no longer satisfies a refund standard under paragraph (a)(1) or (2) of this section, or that the institution is not making its refunds timely under paragraph (b) of this section, the institution must submit an irrevocable letter of credit, acceptable and payable to the Secretary, equal to 25 percent of the total amount of title IV, HEA program refunds the institution made or should have made during its most recently completed fiscal year. The institution must submit this letter of credit to the Secretary no later than—

(1) Thirty days after the date the institution is required to submit its compliance audit to the Secretary under Sec. 668.23, if the finding is made by the auditor who conducted that compliance audit; or

(2) Thirty days after the date that the Secretary, or the State or guaranty agency that conducted a review of the institution notifies the institution of the finding. The institution must also notify the Secretary of that finding and of the State or guaranty agency that conducted that review of the institution.

(d) State tuition recovery funds. In determining whether to approve a State's tuition recovery fund, the Secretary considers the extent to which that fund—

(1) Provides refunds to both in-State and out-of-State students;

(2) Allocates all refunds in accordance with the order required under Sec. 668.22; and

(3) Provides a reliable mechanism for the State to replenish the fund should any claims arise that deplete the fund's assets.

Note: (b) amended July 28, 1998, effective July 1, 1998.

Sec. 668.174 Past performance.

(a) Past performance of an institution. An institution is not financially responsible if the institution—

(1) Has been limited, suspended, terminated, or entered into a settlement agreement to resolve a limitation, suspension, or termination action initiated by the Secretary or a guaranty agency, as defined in 34 CFR part 682, within the preceding five years;

(2) In either of its two most recent compliance audits had an audit finding, or in a report issued by the Secretary had a program review finding for its current fiscal year or either of its preceding two fiscal years, that resulted in the institution's being required to repay an amount greater than 5 percent of the funds that the institution received under the title IV, HEA programs during the year covered by that audit or program review;

(3) Has been cited during the preceding five years for failure to submit in a timely fashion acceptable compliance and financial statement audits required under this part, or acceptable audit reports required under the individual title IV, HEA program regulations; or
PART 688—STUDENT ASSISTANCE GENERAL PROVISIONS

(4) Has failed to resolve satisfactorily any compliance problems identified in audit or program review reports based upon a final decision of the Secretary issued pursuant to subpart G or H of this part.

(b) Past performance of persons affiliated with an institution. (1)(i) Except as provided under paragraph (b)(2) of this section, an institution is not financially responsible if a person who exercises substantial control over the institution, as described under 34 CFR 600.30, or any member or members of that person's family, alone or together—

(A) Exercises or exercised substantial control over another institution or a third-party servicer that owes a liability for a violation of a title IV, HEA program requirement; or

(B) Owes a liability for a violation of a title IV, HEA program requirement; and

(ii) That person, family member, institution, or servicer does not demonstrate that the liability is being repaid in accordance with an agreement with the Secretary.

(2) The Secretary may determine that an institution is financially responsible, even if the institution is not otherwise financially responsible under paragraph (b)(1) of this section, if—

(i) The institution notifies the Secretary, within the time permitted and in the manner provided under 34 CFR 600.30, that the person referenced in paragraph (b)(1) of this section exercises substantial control over the institution; and

(ii) The person referenced in paragraph (b)(1) of this section repaid to the Secretary a portion of the applicable liability, and the portion repaid equals or exceeds the greater of—

(A) The total percentage of the ownership interest held in the institution or third-party servicer that owes the liability by that person or any member or members of that person's family, either alone or in combination with one another;

(B) The total percentage of the ownership interest held in the institution or servicer that owes the liability that the person or any member or members of the person's family, either alone or in combination with one another, represents or represented under a voting trust, power of attorney, proxy, or similar agreement; or

(C) Twenty-five percent, if the person or any member of the person's family is or was a member of the board of directors, chief executive officer, or other executive officer of the institution or servicer that owes the liability, or of an entity holding at least a 25 percent ownership interest in the institution that owes the liability; or

(iii) The applicable liability described in paragraph (b)(1) of this section is currently being repaid in accordance with a written agreement with the Secretary; or

(iv) The institution demonstrates to the satisfaction of the Secretary why—

(A) The person who exercises substantial control over the institution should nevertheless be considered to lack that control; or

(B) The person who exercises substantial control over the institution and each member of that person's family nevertheless does not or did not exercise substantial control over the institution or servicer that owes the liability.

(c) Ownership interest. (1) An ownership interest is a share of the legal or beneficial ownership or control of, or a right to share in the proceeds of the operation of, an institution, an institution's parent corporation, a third-party servicer, or a third-party servicer's parent corporation. The term "ownership interest" includes, but is not limited to—

(i) An interest as tenant in common, joint tenant, or tenant by the entireties;

(ii) A partnership; and

(iii) An interest in a trust.

(2) The term "ownership interest" does not include any share of the ownership or control of, or any right to share in the proceeds of the operation of a profit-sharing plan, provided that all employees are covered by the plan.

(3) The Secretary generally considers a person to exercise substantial control over an institution or third-party servicer if the person—

(i) Directly or indirectly holds at least a 25 percent ownership interest in the institution or servicer;

(ii) Holds, together with other members of his or her family, at least a 25 percent ownership interest in the institution or servicer;

(iii) Represents, either alone or together with other persons under a voting trust, power of attorney, proxy, or similar agreement, one or more persons who hold, either individually or in combination with the other persons represented or the person representing them, at least a 25 percent ownership in the institution or servicer; or

(iv) Is a member of the board of directors, a general partner, the chief executive officer, or other executive officer of—

(A) The institution or servicer; or
PART 668--STUDENT ASSISTANCE GENERAL PROVISIONS

(B) An entity that holds at least a 25 percent ownership interest in the institution or servicer.

(4) The Secretary considers a member of a person's family to be a parent, sibling, spouse, child, spouse's parent or sibling, or sibling's or child's spouse.

Sec. 668.175 Alternative standards and requirements.

(a) General. An institution that is not financially responsible under the general standards and provisions in Sec. 668.171, may begin or continue to participate in the title IV, HEA programs by qualifying under an alternate standard set forth in this section.

(b) Letter of credit alternative for new institutions. A new institution that is not financially responsible solely because the Secretary determines that its composite score is less than 1.5, qualifies as a financially responsible institution by submitting an irrevocable letter of credit, that is acceptable and payable to the Secretary, for an amount equal to at least one-half of the amount of title IV, HEA program funds that the Secretary determines the institution will receive during its initial year of participation. A new institution is an institution that seeks to participate for the first time in the title IV, HEA programs.

(c) Letter of credit alternative for participating institutions. A participating institution that is not financially responsible either because it does not satisfy one or more of the standards of financial responsibility under Sec. 668.171(b), or because of an audit opinion described under Sec. 668.171(d), qualifies as a financially responsible institution by submitting an irrevocable letter of credit, that is acceptable and payable to the Secretary, for an amount determined by the Secretary that is not less than one-half of the amount of title IV, HEA program funds received by the institution during its most recently completed fiscal year.

(d) Zone alternative. (1) A participating institution that is not financially responsible solely because the Secretary determines that its composite score is less than 1.5 may participate in the title IV, HEA programs as a financially responsible institution for no more than three consecutive years, beginning with the year in which the Secretary determines that the institution qualifies under this alternative.

(i) Requires the institution to make disbursements to eligible students and parents under either the cash monitoring or reimbursement payment method described in Sec. 668.162, as applicable.

(ii) An institution that qualified under this alternative for three consecutive years or for one of those years, may not seek to qualify again under this alternative until the year after the institution achieves a composite score of at least 1.5, as determined by the Secretary.

(2) Under this zone alternative, the Secretary--

(A) May require the institution to provide information regarding any of the following oversight and financial events--

(1) Any adverse action, including a probation or similar action, taken against the institution by its accrediting agency;

(B) Any event that causes the institution, or related entity as defined in the Statement of Financial Accounting Standards (SFAS) 57, to realize any liability that was noted as a contingent liability in the institution's or related entity's most recent audited financial statement;

(C) Any violation by the institution of any loan agreement;

(D) Any failure of the institution to make a payment in accordance with its debt obligations that results in a creditor filing suit to recover funds under those obligations;

(E) Any withdrawal of owner's equity from the institution by any means, including by declaring a dividend; or

(F) Any extraordinary losses, as defined in accordance with Accounting Principles Board (APB) Opinion No. 30.

(ii) May require the institution to submit its financial statement and compliance audits earlier than the time specified under Sec. 668.23(a)(4); and

(iv) May require the institution to provide information about its current operations and future plans.
PART 668--STUDENT ASSISTANCE GENERAL PROVISIONS

(3) Under the zone alternative, the institution must—

(i) For any oversight or financial event described under paragraph (d)(2)(ii) of this section for which the institution is required to provide information, provide that information to the Secretary by certified mail or electronic or facsimile transmission no later than 10 days after that event occurs. An institution that provides this information electronically or by facsimile transmission is responsible for confirming that the Secretary received a complete and legible copy of that transmission; and

(ii) As part of its compliance audit, require its auditor to express an opinion on the institution's compliance with the requirements under the zone alternative, including the institution's administration of the payment method under which the institution received and disbursed title IV, HEA program funds.

(4) If an institution fails to comply with the requirements under paragraphs (d)(2) or (3) of this section, the Secretary may determine that the institution no longer qualifies under this alternative.

(e) Transition year alternative. A participating institution that is not financially responsible solely because the Secretary determines that its composite score is less than 1.5 for the institution's fiscal year that began on or after July 1, 1997 but on or before June 30, 1998, may qualify as a financially responsible institution under the provisions in Sec. 668.15(b)(7), (b)(8), (d)(2)(ii), or (d)(3), as applicable.

(f) Provisional certification alternative. (1) The Secretary may permit an institution that is not financially responsible to participate in the title IV, HEA programs under a provisional certification for no more than three consecutive years if—

(i) The institution is not financially responsible because it does not satisfy the general standards under Sec. 668.171(b) or because of an audit opinion described under Sec. 668.171(d); or

(ii) The institution is not financially responsible because of a condition of past performance, as provided under Sec. 668.174(a), and the institution demonstrates to the Secretary that it has satisfied or resolved that condition.

(2) Under this alternative, the institution must—

(i) Submit to the Secretary an irrevocable letter of credit that is acceptable and payable to the Secretary, for an amount determined by the Secretary that is not less than 10 percent of the title IV, HEA program funds received by the institution during its most recently completed fiscal year, except that this requirement does not apply to a public institution;

(ii) Demonstrate that it was current on its debt payments and has met all of its financial obligations, as required under Sec. 668.171(b)(3) and (b)(4), for its two most recent fiscal years; and

(iii) Comply with the provisions under the zone alternative, as provided under paragraph (d)(2) and (3) of this section.

(3) If at the end of the period for which the Secretary provisionally certified the institution, the institution is still not financially responsible, the Secretary may again permit the institution to participate under a provisional certification, but the Secretary—

(i) May require the institution, or one or more persons or entities that exercise substantial control over the institution, as determined under Sec. 668.174(b)(1) and (c), or both, to submit to the Secretary financial guarantees for an amount determined by the Secretary to be sufficient to satisfy any potential liabilities that may arise from the institution's participation in the title IV, HEA programs; and

(ii) May require one or more of the persons or entities that exercise substantial control over the institution, as determined under Sec. 668.174(b)(1) and (c), to be jointly or severally liable for any liabilities that may arise from the institution's participation in the title IV, HEA programs.

(g) Provisional certification alternative for persons or entities owing liabilities. (1) The Secretary may permit an institution that is not financially responsible because the persons or entities that exercise substantial control over the institution owe a liability for a violation of a title IV, HEA program requirement, to participate in the title IV, HEA programs under a provisional certification only if—

(i)(A) The persons or entities that exercise substantial control, as determined under Sec. 668.174(b)(1) and (c), repay or enter into an agreement with the Secretary to repay the applicable portion of that liability, as provided under Sec. 668.174(b)(2)(ii); or

(B) The institution assumes that liability, and repays or enters into an agreement with the Secretary to repay that liability;

(ii) The institution satisfies the general standards and provisions of financial responsibility under Sec. 668.171(b) and (d)(1), except that institution must demonstrate that it was current on its debt payments and has met all of its financial obligations, as required under Sec. 668.171(b)(3) and (b)(4), for its two most recent fiscal years; and

(iii) The institution submits to the Secretary an irrevocable letter of credit that is acceptable and payable to the Secretary, for an amount determined by the Secretary that is not less than 10 percent of the title IV, HEA program funds received by the institution during its most recently completed fiscal year.
(2) Under this alternative, the Secretary—

(i) Requires the institution to comply with the provisions under the zone alternative, as provided under paragraph (d)(2) and (3) of this section;

(ii) May require the institution, or one or more persons or entities that exercise substantial control over the institution, or both, to submit to the Secretary financial guarantees for an amount determined by the Secretary to be sufficient to satisfy any potential liabilities that may arise from the institution’s participation in the title IV, HEA programs; and

(iii) May require one or more of the persons or entities that exercise substantial control over the institution to be jointly or severally liable for any liabilities that may arise from the institution’s participation in the title IV, HEA programs.

Appendix B—Standards for Audit of Governmental Organizations, Programs, Activities, and Functions (GAO)

Part III Chapter 3—Independence

(a) The Third general standard for governmental auditing is: In matters relating to the audit work, the audit organization and the individual auditors shall maintain an independent attitude.

(b) This standard places upon the auditor and the audit organization the responsibility for maintaining sufficient independence so that their opinions, conclusions, judgments, and recommendations will be impartial. If the auditor is not sufficiently independent to produce unbiased opinions, conclusions, and judgments, he should state in a prominent place in the audit report his relationship with the organization or officials being audited.

(c) The auditor should consider not only whether his or her own attitude and beliefs permit him or her to be independent but also whether there is anything about his or her situation which would lead others to question his or her independence. Both situations deserve consideration since it is important not only that the auditor be, in fact, independent and impartial but also that other persons will consider him or her so.

(d) There are three general classes of impairments that the auditor needs to consider; these are personal, external, and organizational impairments. If one or more of these are of such significance as to affect the auditor's ability to perform his or her work and report its results impartially, he or she should decline to perform the audit or indicate in the report that he or she was not fully independent.

Personal Impairments

There are some circumstances in which an auditor cannot be impartial because of his or her views or his or her personal situation. These circumstances might include:

1. Relationships of an official, professional, and/or personal nature that might cause the auditor to limit the extent or character of the inquiry, to limit disclosure, or to weaken his or her findings in any way.

2. Preconceived ideas about the objective or quality of a particular operation or personal likes or dislikes of individuals, groups, or objectives of a particular program.

3. Previous involvement in a decisionmaking or management capacity in the operations of the governmental entity or program being audited.

4. Biases and prejudices, including those induced by political or social convictions, which result from employment in or loyalty to a particular group, entity, or level of government.

5. Actual or potential restrictive influence when the auditor performs preaudit work and subsequently performs a post audit.

6. Financial interest, direct or indirect, in an organization or facility which is benefiting from the audited programs.

External Impairments

External factors can restrict the audit or impinge on the auditor's ability to form independent and objective opinions and conclusions. For example, under the following conditions either the audit itself could be adversely affected or the auditor would not have complete freedom to make an independent judgment:

1. Interference or other influence that improperly or imprudently eliminates, restricts, or modifies the scope or character of the audit.

2. Interference with the selection or application of audit procedures or the selection of activities to be examined.

3. Denial of access to such sources of information as books, records, and supporting documents or denial of opportunity to obtain explanations by officials and employees of the governmental organizations, program, or activity under audit.

4. Interference in the assignment of personnel to the audit task.

5. Retaliatory restrictions placed on funds or other resources dedicated to the audit operation.

6. Activity to overrule or significantly influence the auditor's judgment as to the appropriate content of the audit report.

7. Influences that place the auditor's continued employment in jeopardy for reasons other than competency or the need for audit services.

8. Unreasonable restriction on the time allowed to competently complete an audit assignment.

\[\text{If the auditor is not fully independent because he or she is an employee of the audited entity, it will be adequate disclosure to so indicate. If the auditor is a practicing certified public accountant, his or her conduct should be governed by the AICPA "Statements on Auditing Procedure."}\]

\[\text{Some of these situations may constitute justifiable limitations on the scope of the work. In such cases the limitation should be identified in the auditor's report.}\]
Organizational Impairments

(a) The auditor's independence can be affected by his or her place within the organizational structure of governments. Auditors employed by Federal, State, or local government units may be subject to policy direction from superiors who are involved either directly or indirectly in the government management process. To achieve maximum independence such auditors and the audit organization itself not only should report to the highest practicable echelon within their government but should be organizationally located outside the line-management function of the entity under audit.

(b) These auditors should also be sufficiently removed from political pressures to ensure that they can conduct their auditing objectively and can report their conclusions completely without fear of censure. Whenever feasible they should be under a system which will place decisions on compensation, training, job tenure, and advancement on a merit basis.

(c) When independent public accountants or other independent professionals are engaged to perform work that includes inquiries into compliance with applicable laws and regulations, efficiency and economy of operations, or achievement of program results, they should be engaged by someone other than the officials responsible for the direction of the effort being audited. This practice removes the pressure that may result if the auditor must criticize the performance of those by whom he or she was engaged. To remove this obstacle to independence, governments should arrange to have auditors engaged by officials not directly involved in operations to be audited.

Appendix C--Appendix I, Standards for Audit of Governmental Organizations, Programs, Activities, and Functions (GAO)

Qualifications of Independent Auditors Engaged by Governmental Organizations

(a) When outside auditors are engaged for assignments requiring the expression of an opinion on financial reports of governmental organizations, only fully qualified public accountants should be employed. The type of qualifications, as stated by the Comptroller General, deemed necessary for financial audits of governmental organizations and programs is quoted below:

"Such audits shall be conducted * * * by independent certified public accountants or by independent licensed public accountants, licensed on or before December 31, 1970, who are certified or licensed by a regulatory authority of a State or other political subdivision of the United States. Except that independent public accountants licensed to practice by such regulatory authority after December 31, 1970, and persons who although not so certified or licensed, meet, in the opinion of the Secretary, standards of education and experience representative of the highest prescribed by the licensing authorities of the several States which provide for the continuing licensing of public accountants and which are prescribed by the Secretary in appropriate regulations may perform such audits until December 31, 1975; Provided, That if the Secretary deems it necessary in the public interest, he may prescribe by regulations higher standards than those required for the practice of public accountancy by the regulatory authorities of the States." 

(b) The standards for examination and evaluation require consideration of applicable laws and regulations in the auditor's examination. The standards for reporting require a statement in the auditor's report regarding any significant instances of noncompliance disclosed by his or her examination and evaluation work. What is to be included in this statement requires judgment. Significant instances of noncompliance, even those not resulting in legal liability to the audited entity, should be included. Minor procedural noncompliance need not be disclosed.

(c) Although the reporting standard is generally on an exception basis—that only noncompliance need be reported—it should be recognized that governmental entities often want positive statements regarding whether or not the auditor's tests disclosed instances of noncompliance. This is particularly true in grant programs where authorizing agencies frequently want assurance in the auditor's report that this matter has been considered. For such audits, auditors should obtain an understanding with the authorizing agency as to the extent to which such positive comments on compliance are desired. When coordinated audits are involved, the audit program should specify the extent of comments that the auditor is to make regarding compliance.

(d) When noncompliance is reported, the auditor should place the findings in proper perspective. The extent of instances of noncompliance should be related to the number of cases examined to provide the reader with a basis for judging the prevalence of noncompliance.

Appendix D--Default Reduction Measures

This appendix describes measures that an institution with a high default rate under the Federal Stafford Loan and Federal SLS programs should find helpful in reducing defaults. An institution with a fiscal year default rate that exceeds the threshold rate for a limitation, suspension, or termination action under 668.17 may avoid that sanction by demonstrating that the institution has implemented the measures included in this appendix. Other institutions should strongly consider taking these steps as well.
To reduce defaults, the Secretary recommends that the institution take the following measures:

I. Measures to Reduce Defaults by Dropouts

1. Revise admission policies and screening practices, consistent with applicable State law, to ensure that students enrolled in the institution, especially those admitted under "ability to benefit" criterion or those in need of substantial remedial work, have a reasonable expectation of succeeding in their programs of study.

2. Improve the availability and effectiveness of academic counseling and other support services to decrease withdrawal rates, particularly with respect to academically high-risk students.

3. In consultation with the cognizant accrediting body, attempt to reduce its withdrawal rate by improving its curricula, facilities, materials, equipment, qualifications and size of faculty, and other aspects of its educational program.

4. Increase the frequency of reviews of in-school status of borrowers to ensure the institution's prompt recognition of instances in which borrowers withdraw without notice to the institution.

5. Implement a compensation structure for commissioned enrollment representatives and salesmen under which a representative or salesman earns no more than a nominal commission for enrolling students that never attend school, and progressively greater commissions for students who remain in school for substantial periods.

6. Implement a pro rata refund policy, as defined in 34 CFR 682.606(b)(2) and (c).

7. Delay certification of a first-time borrower's loan application, as described in 34 CFR 682.603(c).

8. Except in the case of a program of study by correspondence, require each first-time student borrower to endorse the loan check at the institution, and pick up at the institution any loan proceeds remaining after deduction of institutional charges.

II. Measures to Reduce Defaults Related to Borrowers' Difficulty Finding Employment

1. Expand its job placement program for its students by, for example, increasing contacts with local employers, counseling students in job search skills, and exploring with local employers the feasibility of establishing internship and cooperative education programs.

2. In consultation with the cognizant accrediting body, attempt to improve its job placement rate and licensing examination pass rate by improving its curricula, facilities, materials, equipment, qualifications and size of faculty, and other aspects of its educational program.

3. Establish a liaison for job information and placement assistance with the local office of the United States Employment Service and the Private Industry Council supported by the U.S. Department of Labor.

III. Measures To Improve Borrowers' Understanding and Respect for the Loan Repayment Obligation

1. In cooperation with the lender and in compliance with law, including the Fair Debt Collection Practices Act, if applicable, contact each borrower with respect to whom the lender has requested preclaims assistance from the guarantee agency to urge the borrower to repay the loan and to emphasize the consequences of default listed in item III.5(a)(3)(ii), below, by means of telephone contacts and letters sent "Forwarding and Address Correction Requested."

2. In cooperation with the lender and in compliance with law, including the Fair Debt Collection Practices Act, if applicable, contact a borrower during the grace period in order to:

   (i) Remind the borrower of the importance of the repayment obligation and of the consequences of default listed in item III.5(a)(3)(ii), below, by means of telephone contacts and letters sent "Forwarding and Address Correction Requested";

   (ii) Update the institution's records regarding the borrower's address, telephone number, employer, and employer's address.

3. At the time of a borrower's admission to the institution, obtain information from the borrower regarding references and family members beyond those provided on the loan application, to enable the institution to provide the lender with a variety of ways to locate a borrower who later relocates without notifying the lender.

4. Require an enrollment representative or salesman to explain carefully to a prospective student that, except in the case of a loan made or originated by the institution, the student's dissatisfaction with, or nonreceipt of, the educational services being offered by the institution does not excuse the borrower from repayment of any Stafford Loan or SLS loan made to the borrower for enrollment at the institution.

5. Conduct the following counseling activities in addition to those described in 34 CFR Part 682, Subpart F:

   (a) As part of the initial loan counseling provided to a Stafford Loan or SLS borrower—

      (1) Provide information to the borrower regarding, and through the use of a written test and intensive additional

Modified Assets = (total assets) - (intangible assets) - (unsecured related-party receivables)

Income Before Taxes is taken directly from the audited financial statement

No revenues shown after income taxes (e.g., discontinued operations, extraordinary gains, or change in accounting principle) on the income statement should be included.

**Primary Reserve** = \( \frac{23-5-9-10+16+19}{8+9+5+6+19} = 0.080 \)

**Equity Ratio** = \( \frac{23-5-9-10}{13-6-9-10} = 0.332 \)

**Net Income** = \( \frac{34}{27+33} = 0.051 \)

*Long-Term Debt (lines 16+19) cannot exceed Property and Equipment (line 8) in this formula.*
Section 3: Calculating the Composite Score

Step 1: Calculate the strength factor score for each ratio, by using the following algorithms:

**Example (for Proprietary Institutions)**

Primary Reserve strength factor score = 20 x Primary Reserve ratio result:  
20 x 0.080 = 1.600

Equity strength factor score = 6 x Equity ratio result:  
6 x 0.332 = 1.992

Net Income strength factor score = 1 + (33.3 x Net Income ratio result):  
1 + (33.3 x 0.051) = 2.698

If the strength factor score for any ratio is greater than or equal to 3, the strength factor score for that ratio is 3. If the strength factor score for any ratio is less than or equal to -1, the strength factor score for that ratio is -1.

Step 2: Calculate the weighted score for each ratio and calculate the composite score by adding the three weighted scores

Primary Reserve weighted score = 30% x Primary Reserve strength factor score:  
0.30 x 1.600 = 0.480

Equity weighted score = 40% x Equity strength factor score:  
0.40 x 1.992 = 0.797

Net Income weighted score = 30% x Net Income strength factor score:  
0.30 x 2.698 = 0.809

Composite score = sum of all weighted scores:  
0.480 + 0.797 + 0.809 = 2.086

Round the composite score to one digit after the decimal point to determine the final score:  
2.1

* The symbol "x" denotes multiplication.
Appendix G—Ratio Methodology for Private Non-Profit Institutions

Note: Appendix added November 25, 1997, effective July 1, 1998

Section 1: Ratios and Ratio Terms

Primary Reserve Ratio = \[
\frac{\text{Expendable Net Assets}}{\text{Total Expenses}}
\]

Equity Ratio = \[
\frac{\text{Modified Net Assets}}{\text{Modified Assets}}
\]

Net Income Ratio = \[
\frac{\text{Change in Unrestricted Net Assets}}{\text{Total Unrestricted Revenue}}
\]

Definitions:

Expendable Net Assets = (unrestricted net assets) + (temporarily restricted net assets) - (annuities, term endowments, and life income funds that are temporarily restricted) - (intangible assets) - (net property, plant and equipment)* + (post-employment and retirement liabilities) + (all debt obtained for long-term purposes) -(unsecured related-party receivables)**

Total Expenses is total unrestricted expenses taken directly from the audited financial statement

Modified Net Assets = (unrestricted net assets) + (temporarily restricted net assets) + (permanently restricted net assets) - (intangible assets) - (unsecured related-party receivables)

Modified Assets = (total assets) - (intangible assets) - (unsecured related-party receivables)

Change in Unrestricted Net Assets is taken directly from the audited financial statement

Total Unrestricted Revenue is taken directly from the audited financial statement (This amount includes net assets released from restriction during the fiscal year)

* The value of plant, property and equipment is net of accumulated depreciation, including capitalized lease assets.

** The value of all debt obtained for long-term purposes includes the short-term portion of the debt, up to the amount of net property, plant and equipment.

Section 3: Calculating the Composite Score

Step 1: Calculate the strength factor score for each ratio, by using the following algorithms

Example (for Private Non-Profit Institutions)

Primary Reserve strength factor score = 10 x* Primary Reserve ratio result: 
10 x 0.188 = 1.880

Equity strength factor score = 6 x Equity ratio result: 
6 x 0.350 = 2.100

Because the Net Income ratio result is negative, the algorithm for negative net income is used—Net Income strength factor score = 1 + (25 x Net Income ratio result):
1 + (25 x -0.0015) = 0.963

(Note: If the Net Income ratio result is positive, the following algorithm is used, Net Income strength factor score = 1 + (50 x Net Income ratio result) — If the Net Income ratio result is 0, the Net Income strength factor score is 1).

If the strength factor score for any ratio is greater than or equal to 3, the strength factor score for that ratio is 3. If the strength factor score for any ratio is less than or equal to -1, the strength factor score for that ratio is -1.

Step 2: Calculate the weighted score for each ratio and calculate the composite score by adding the three weighted scores

Primary Reserve weighted score = 40% x Primary Reserve strength factor score: 
0.40 x 1.880 = 0.752

Equity weighted score = 40% x Equity strength factor score: 
0.40 x 2.100 = 0.840

Net Income weighted score = 20% x Net Income strength factor score: 
0.20 x 0.963 = 0.193

Composite score = sum of all weighted scores: 
0.752 + 0.840 + 0.193 = 1.785

Round the composite score to one digit after the decimal point to determine the final score: 
1.8

* The symbol "x" denotes multiplication.

(b) Allocation and reallocation of FWS funds. The Secretary allocates and reallocates funds to institutions participating in the FWS Program in accordance with section 442 of the HEA.

(c) Allocation and reallocation of FSEOG funds. (1) The Secretary allocates funds to institutions participating in the FSEOG program in accordance with section 413D of the HEA.

(2) The Secretary reallocates funds to institutions participating in the FSEOG Program in a manner that best carries out the purposes of the FSEOG Program.

(d) General allocation and reallocation.--(1) Categories. As used in section 462 (Federal Perkins Loan Program), section 442 (FWS Program), and section 413D (FSEOG Program) of the HEA, "Eligible institutions offering comparable programs of instruction" means institutions that are being compared with the applicant institution and that fall within one of the following six categories:

(i) Cosmetology.

(ii) Business.

(iii) Trade/Technical.

(iv) Art Schools.

(v) Other Proprietary Institutions.

(vi) Non-Proprietary Institutions.

(2) Payments to institutions. The Secretary allocates funds for a specific period of time. The Secretary provides an institution its allocation in accordance with the payment methods described in 34 CFR 668.162.

(3) Unexpended funds. (i) If an institution returns more than 10 percent of its Federal Perkins Loan, FWS, or FSEOG allocation for an award year, the Secretary reduces the institution's allocation for that program for the second succeeding award year by the dollar amount returned.

(ii) The Secretary may waive the provision of paragraph (d)(3)(i) of this section for a specific institution if the Secretary finds that enforcement would be contrary to the interests of the program.

(iii) The Secretary considers enforcement of paragraph (d)(3)(i) of this section to be contrary to the interest of the program only if the institution returns more than 10 percent of its allocation due to circumstances beyond the institution's control that are not expected to recur.

(e) Anticipated collections of Federal Perkins Loan funds.

(1) For the purposes of calculating an institution's share of any excess allocation of Federal Perkins Loan funds, an institution's anticipated collections are equal to the amount that was collected by the institution during the second year preceding the beginning of the award period multiplied by 1.21.

(2) The Secretary may waive the provision of paragraph (e)(1) of this section for any institution that has a cohort default rate that does not exceed 7.5 percent.

(f) Authority to expend FWS funds. Except as specifically provided in 34 CFR 675.18(b), (c), and (f), an institution may not use funds allocated or reallocated for an award year--

(1) To meet FWS wage obligations incurred with regard to an award of FWS employment made for any other award year; or

(2) To satisfy any other obligation incurred after the end of the designated award year.

(g) Authority to expend FSEOG funds. Except as specifically provided in 34 CFR 668.164(g), an institution shall not use funds allocated or reallocated for an award year--

(1) To make FSEOG disbursements to students in any other award year; or

(2) To satisfy any other obligation incurred after the end of the designated award year.

(Authority: 20 U.S.C. 1070b-3 and 1087bb, 42 U.S.C. 2752)

Sec. 673.5 Overaward.

(a) Overaward prohibited.--(1) Federal Perkins Loan and FSEOG Programs. An institution may only award or disburse a Federal Perkins loan or an FSEOG to a student if that loan or the FSEOG, combined with the other resources the student receives, does not exceed the student's financial need.

(2) FWS Program. An institution may only award FWS employment to a student if the award, combined with the other resources the student receives, does not exceed the student's financial need.

(b) Awarding and disbursement. (1) When awarding and disbursing a Federal Perkins loan or an FSEOG or awarding FWS employment to a student, the institution shall take into account those resources it--
PART 673--GENERAL PROVISIONS FOR THE FEDERAL PERKINS LOAN PROGRAM, FEDERAL WORK-STUDY PROGRAM, AND FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT PROGRAM

(i) Can reasonably anticipate at the time it awards Federal Perkins Loan funds, an FSEOG, or FWS funds to the student;

(ii) Makes available to its students; or

(iii) Otherwise knows about.

(2) If a student receives resources at any time during the award period that were not considered in calculating the Federal Perkins Loan amount or the FWS or FSEOG award, and the total resources including the loan, the FSEOG, or the prospective FWS wages exceed the student's need, the overaward is the amount that exceeds need.

(c) Resources. (1) Except as provided in paragraph (c)(2) of this section, the Secretary considers that "resources" include, but are not limited to:

(i) Funds a student is entitled to receive from a Federal Pell Grant;

(ii) William D. Ford Federal Direct Loans;

(iii) Federal Family Education Loans;

(iv) Long-term loans, including Federal Perkins loans made by the institution;

(v) Grants, including FSEOGs, State grants, and ROTC subsistence allowances;

(vi) Scholarships, including athletic scholarships and ROTC scholarships;

(vii) Waivers of tuition and fees;

(viii) Fellowships or assistantships;

(ix) Veterans benefits;

(x) Net earnings from need-based employment; and

(xi) Insurance programs for the student's education.

(2) The Secretary does not consider as a resource:

(i) Any portion of the resources described in paragraph (c)(1) of this section that are included in the calculation of the student's expected family contribution (EFC); and

(ii) Earnings from non-need-based employment.

(d) Treatment of resources in excess of need--General. An institution shall take the following steps if it learns that a student has received additional resources not included in the calculation of Federal Perkins Loan, FWS, or FSEOG eligibility that would result in the student's total resources exceeding his or her financial need by more than $300:

(1) The institution shall decide whether the student has increased financial need that was unanticipated when it awarded financial aid to the student. If the student demonstrates increased financial need and the total resources do not exceed this increased need by more than $300, no further action is necessary.

(2) If the student's total resources still exceed his or her need by more than $300, as recalculated pursuant to paragraph (d)(1) of this section, the institution shall cancel any undisbursed loan or grant (other than a Federal Pell Grant).

(e) Federal Perkins loan and FSEOG overpayment. If the student's total resources still exceed his or her need by more than $300, after the institution takes the steps required in paragraphs (d)(1) and (2) of this section, the institution shall consider the amount by which the resources exceed the student's financial need by more than $300 as an overpayment.

(f) Liability for and recovery of Federal Perkins loans and FSEOG overpayments. (1) A student is liable for any Federal Perkins loan or FSEOG overpayment made to him or her.

(2) Notwithstanding the provisions of paragraph (e)(1) of this section, an institution may provide additional FWS funding to a student whose need has been met until that student's cumulative earnings from all need-based employment occurring subsequent to the time his or her financial need has been met exceed $300.

(f) Liability for and recovery of Federal Perkins loans and FSEOG overpayments. (1) A student is liable for any Federal Perkins loan or FSEOG overpayment made to him or her.

(2) Notwithstanding the provisions of paragraph (e)(1) of this section, an institution may provide additional FWS funding to a student whose need has been met until that student's cumulative earnings from all need-based employment occurring subsequent to the time his or her financial need has been met exceed $300.

BEST COPY AVAILABLE 272
The institution shall restore an amount equal to the overpayment and any administrative cost allowance claimed on that amount to its loan fund for a Federal Perkins loan overpayment or to its FSEOG account for an FSEOG overpayment if it cannot collect the overpayment from the student.

(3) If an institution makes a Federal Perkins loan or FSEOG overpayment for which it is not liable, it shall help the Secretary recover the overpayment by promptly attempting to recover the overpayment by sending a written notice to the student requesting repayment of the overawarded funds. The notice must state that failure to make that repayment or to make arrangements, satisfactory to the holder of the overpayment debt, to pay the overpayment renders the student ineligible for further title IV aid until final resolution of the overpayment.

(4) If a student objects to the institution's Federal Perkins loan or FSEOG overpayment determination on the grounds that it is erroneous, the institution shall consider any information provided by the student and determine whether the objection is warranted.

(5) Referral of FSEOG overpayments. (i) If the student fails to repay an FSEOG overpayment or make arrangements, satisfactory to the holder of the overpayment debt, to pay the FSEOG overpayment after taking the action required by paragraph (f)(3) and, if applicable, paragraph (f)(4) of this section, and the Federal share of the FSEOG overpayment is $25.00 or more, the institution shall notify the Secretary, identifying the Federal share of the FSEOG overpayment, the student's name, most recent address, telephone number, and any other relevant information. After notifying the Secretary under this section, the institution need make no further recovery efforts of FSEOG overpayments.

(ii) If an institution fails in its attempt to collect the overpayment and the Federal share of the FSEOG overpayment is less than $25.00, the institution need make no further recovery efforts of the FSEOG overpayment.

(a) Coordination of BIA grants with Federal Perkins loans, FWS awards, or FSEOGs. To determine the amount of a Federal Perkins loan, FWS compensation, or an FSEOG for a student who is also eligible for a Bureau of Indian Affairs (BIA) education grant, an institution shall prepare a package of student aid—

(1) From resources other than the BIA education grant the student has received or is expected to receive; and

(2) That is consistent in type and amount with packages prepared for students in similar circumstances who are not eligible for a BIA education grant.

(b)(1) The BIA education grant, whether received by the student before or after the preparation of the student aid package, supplements the student aid package specified in paragraph (a) of this section.

(2) No adjustment may be made to the student aid package as long as the total of the package and the BIA education grant is less than the institution's determination of that student's financial need.

(c)(1) If the BIA education grant, when combined with other aid in the package, exceeds the student's need, the excess must be deducted from the other assistance (except for Federal Pell Grants), not from the BIA education grant.

(2) The institution shall deduct the excess in the following sequence: loans, work-study awards, and grants other than Federal Pell Grants. However, the institution may change the sequence if requested to do so by a student and the institution believes the change benefits the student.

(3) To determine the financial need of a student who is also eligible for a BIA education grant, a financial aid administrator is encouraged to consult with area officials in charge of BIA postsecondary financial aid.

(Approved by the Office of Management and Budget under control number 1840-0535)

Sec. 673.7 Administrative cost allowance.

(a) An institution participating in the Federal Perkins Loan, FWS, or FSEOG programs is entitled to an administrative cost allowance for an award year if it advances funds under the Federal Perkins Loan Program, provides FWS employment, or awards grants under the FSEOG Program to students in that year.

(b) An institution may charge the administrative cost allowance calculated in accordance with paragraph (c) of this section for an award year against—

(1) The Federal Perkins Loan Fund, if the institution advances funds under the Federal Perkins Loan Program to students in that award year;

(2) The FWS allocation, if the institution provides FWS employment to students in that award year; and
(3) The FSEOG allocation, if the institution awards grants to students under the FSEOG program in that award year.

(c) For any award year, the amount of the administrative costs allowance equals—

(1) Five percent of the first $2,750,000 of the institution's total expenditures to students in that award year under the FWS, FSEOG, and the Federal Perkins Loan programs; plus

(2) Four percent of its expenditures to students that are greater than $2,750,000 but less than $5,500,000; plus

(3) Three percent of its expenditures to students that are $5,500,000 or more.

(d) The institution shall not include, when calculating the allowance in paragraph (c) of this section, the amount of loans made under the Federal Perkins Loan Program that it assigns during the award year to the Secretary under section 463(a)(6) of the HEA.

(e) An institution shall use its administrative costs allowance to offset its cost of administering the Federal Pell Grant, FWS, FSEOG, and Federal Perkins Loan programs. Administrative costs also include the expenses incurred for carrying out the student consumer information services requirements of Subpart D of the Student Assistance General Provisions regulations, 34 CFR Part 668.

(f) An institution may use up to 10 percent of the administrative costs allowance, as calculated under paragraph (c) of this section, that is attributable to the institution's expenditures under the FWS program to pay the administrative costs of conducting its program of community service. These costs may include the costs of—

(1) Developing mechanisms to assure the academic quality of a student's experience;

(2) Assuring student access to educational resources, expertise, and supervision necessary to achieve community service objectives; and

(3) Collaborating with public and private nonprofit agencies and programs assisted under the National and Community Service Act of 1990 in the planning, development, and administration of these programs.

(g) If an institution charges any administrative cost allowance against its Federal Perkins Loan Fund, it must charge these costs during the same award year in which the expenditures for these costs were made.

However, the institution's half-time standards must equal or exceed the equivalent of one or more of the following minimum requirements:

1. 6 semester hours or 6 quarter hours per academic term for an institution using a standard semester, trimester, or quarter system.

Sec. 674.5 Federal Perkins Loan program cohort default rate and penalties.

(a) Default penalty. If an institution's cohort default rate meets the following levels, a default penalty is imposed on the institution as follows:

(1) If the institution's cohort default rate equals or exceeds 15 percent, the institution must establish a default reduction plan in accordance with 674.6.

(2) If the institution's cohort default rate equals or exceeds 20 percent, but is less than 25 percent, the institution's FCC is reduced by 10 percent.

(3) If the institution's cohort default rate equals or exceeds 25 percent, but is less than 30 percent, the institution's FCC is reduced by 30 percent.

(4) If the institution's cohort default rate equals or exceeds 30 percent, the institution's FCC is reduced to zero.

(b) Cohort default rate. (1) The term "cohort default rate" means, for any award year in which 30 or more current and former students at the institution enter repayment on a loan received for attendance at the institution, the "cohort default rate" means the percentage of those current and former students who entered repayment on loans received for attendance at that institution in any of the three most recent award years and who defaulted on those loans before the end of the award year immediately following the year in which they entered repayment.

(c) Defaulted loans to be included in the cohort default rate. For purposes of calculating the cohort default rate under paragraph (b) of this section--

(1) A borrower must be included only if the borrower's default has persisted for at least--

(i) 240 consecutive days for loans repayable in monthly installments; or

(ii) 270 consecutive days for loans repayable in quarterly installments;

(2) A loan is considered to be in default if a payment is made by the institution of higher education, its owner, agency, contractor, employee, or any other entity or individual affiliated with the institution, in order to avoid default by the borrower;

(3)(i) Any loan that is in default, but on which the borrower has made satisfactory arrangements to repay the loan, or any loan that has been rehabilitated before the end of the following award year is not considered to be in default for purposes of the cohort default rate calculation; and

(ii) In the case of a student who has attended and borrowed at more than one institution, the student and his or her subsequent repayment or default are attributed to the institution for attendance at which the student received the loan that entered repayment in the award year; and

(4) Improper servicing or collection means the failure of the institution to comply with subpart C of this part.

(d) Locations of the institution. (1) A cohort default rate of an institution applies to all locations of the institution as it exists on the first day of the award year for which the rate is calculated.

(2) A cohort default rate of an institution applies to all locations of the institution from the date the institution is notified of that rate until the institution is notified by the Secretary that the rate no longer applies.

(3) For an institution that changes status from a location of one institution to a free-standing institution, the Secretary determines the cohort default rate based on the institution's status as of July 1 of the award year for which a cohort default rate is being calculated.
(4)(i) For an institution that changes status from a free-standing institution to a location of another institution, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the combined number of students who default during the applicable award years from both the former free-standing institution and the other institution. This cohort default rate applies to the new consolidated institution and all of its current locations.

(ii) For free-standing institutions that merge, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the combined number of students who default during the applicable award years from both of the institutions that are merging. This cohort default rate applies to the new, consolidated institution.

(iii) For an institution that changes status from a location of one institution to a location of another institution, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the number of students who default during the applicable award years from both of the institutions in their entirety, not limited solely to the respective locations.

(5) For an institution that has a change in ownership that results in a change in control, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the combined number of students who default during the applicable award years from the institution under both the old and new control.

(e) Satisfactory arrangements to repay the loan. The Secretary considers that the borrower has made satisfactory arrangements to repay the loan when the borrower has—

(1) Paid the loan in full; or

(2) Executed a new written repayment agreement; and

(3) Made one payment each month for six consecutive months.

(f) Loan rehabilitation. (1) The Secretary considers that the borrower has rehabilitated the loan when the borrower has—

(i) Paid the loan in full; or

(ii) Executed a new written repayment agreement; and

(iii) Made one payment each month for 12 consecutive months.

(2) Within 30 days of the date of the rehabilitation, the institution shall report the rehabilitation to any national credit bureau.

(Authority: 20 U.S.C. 1087bb)

Note: Section added November 30, 1994, effective July 1, 1995. (e) redesignated as (f); new (e) added; and redesignated (f) amended December 1, 1995, effective July 1, 1996.

674.6 Default reduction plan.

(a) General. An institution with a cohort default rate that equals or exceeds 15 percent shall establish and implement a plan designed to reduce defaults by its students in the future. The institution shall submit to the Secretary by December 31 of the calendar year in which the cohort default rate was calculated—

(1) A written description of the default reduction plan or

(2) A statement indicating that the institution agrees to comply with the required measures in paragraph (b) of this section.

(b) Required measures. The default reduction plan required under this section must include a description of the measures to be taken by the institution to reduce defaults. The institution shall explain how it plans to implement the following measures:

(1) Revise admission policies and screening practices, consistent with applicable State law, to ensure that students enrolled in the institution, especially those who are not high school graduates or those who are in need of substantial remedial work, have a reasonable expectation of succeeding in their programs of study.

(2) Improve the availability and effectiveness of academic counseling and other support services to decrease withdrawal rates, including—

(i) Providing academic counseling and other support services to students on a regular basis, at a time and location that is convenient for the students involved;

(ii) Publicizing the availability of the academic counseling and other support services;

(iii) Establishing procedures to identify academically high-risk students and schedule those students for immediate counseling services; and

(iv) Maintaining records identifying those students
who receive academic counseling.

(3) Attempt to reduce its withdrawal rate by conforming with that accrediting agency's standards of satisfactory progress and with those described in 34 CFR 668.14, and improving its curricula, facilities, materials, equipment, qualifications and size of faculty, and other aspects of its educational program in consultation with its academic accrediting agency.

(4) Increase the frequency of reviews of in-school status of borrowers to ensure the institution's prompt recognition of instances in which borrowers withdraw without notice to the institution. Reviews must be conducted each month.

(5) Expand its job placement program for its students by-

(i)(A) Increasing contacts with local employers, counseling students in job search skills, and

(B) Exploring with local employers the feasibility of establishing internship and cooperative education programs;

(ii) Attempting to improve its job placement rate and licensing examination pass rate by improving its curricula, facilities, materials, equipment, qualifications and size of faculty, and other aspects of its educational program in consultation with the cognizant accrediting agency; and

(iii) Establishing a liaison for job information and placement assistance with the local office of the United States Employment Service and the Private Industry Council supported by the U.S. Department of Labor.

(a) The promissory note used with regard to loans to borrowers enrolled on a less than half-time basis must state that the repayment period begins—

(1) On the date of the next scheduled installment payment on any outstanding loan to the borrower; or

(2) If the borrower has no outstanding loan, at the earlier of—

(i) Nine months from the date the loan was made, or

(ii) The end of a nine-month period that includes the date the loan was made and began on the date the borrower ceased to be enrolled as at least a half-time regular student at an institution of higher education or comparable institution outside the U.S. approved for this purpose by the Secretary.

Note: (a)(2)(ii) and authority citation amended July 21, 1992, effective September 18, 1992.

Sec. 674.33 Repayment

(a) Repayment Plan. (1) The institution shall establish a repayment plan before the student ceases to be at least a half-time regular student.

(2) If the last scheduled payment would be $25 or less the institution may combine it with the next-to-last repayment.

(3) If the installment payment for all loans made to a borrower by an institution is not a multiple of $5, the institution may round that payment to the next highest dollar amount that
PART 674—FEDERAL PERKINS LOAN PROGRAM

is a multiple of $5.

(4) The institution shall apply any payment on a loan in the following order:

(i) Collection costs.

(ii) Late charges.

(iii) Accrued interest.

(iv) Principal.

(b) Minimum monthly repayment—(1) Minimum monthly repayment option.

(i) An institution may require a borrower to pay a minimum monthly repayment if—

(A) The promissory note includes a minimum monthly repayment provision specifying the amount of the minimum monthly repayment; and

(B) The monthly repayment of principal and interest for a 10-year repayment period is less than the minimum monthly repayment.

(2) Minimum monthly repayment of loans from more than one institution. If a borrower has received loans from more than one institution, the following rules apply:

(i) If the total of the monthly repayments is equal to at least the minimum monthly repayment, no institution may exercise a minimum monthly repayment option.

(ii) If only one institution exercises the minimum monthly repayment option when the monthly repayment would otherwise be less than the minimum repayment option, that institution receives the difference between the minimum monthly repayment and the repayment owed to the other institution.

(iii) If each institution exercises the minimum repayment option, the minimum monthly repayment must be divided among the institutions in proportion to the amount of principal advanced by each institution.

(3) Minimum monthly repayment of both Defense and Direct or Federal Perkins loans from one or more institutions. If the total monthly repayment is less than $30 and the monthly repayment on a Defense loan is less than $15 a month, the amount attributed to the Defense loan may not exceed $15 a month.

(4) Minimum monthly repayment of loans with differing grace periods and deferments. If the borrower has received loans with different grace periods and deferments, the institution shall treat each note separately, and the borrower shall pay the applicable minimum monthly payment for each loan that is not in the grace or deferment period.

(5) Hardship. The institution may reduce the borrower’s scheduled repayments for a period of not more than one year at a time if—

(i) It determines that the borrower is unable to make the scheduled repayments due to hardship (see 674.33(c)); and

(ii) The borrower’s scheduled repayment is the minimum monthly repayment described in paragraph (b) of this section.

(6) Minimum monthly repayment rates. For the purposes of this section, the minimum monthly repayment rate is—

(i) $15 for a Defense loan;

(ii) $30 for a Direct Loan or for a Federal Perkins loan made before October 1, 1992, or for a Federal Perkins loan made on or after October 1, 1992, to a borrower who, on the date the loan is made, has an outstanding balance of principal or interest owing on any loan made under this part; or

(iii) $40 for a Federal Perkins loan made on or after October 1, 1992, to a borrower who, on the date the loan is made, has no outstanding balance of principal or interest owing on any loan made under this part.

(7) The institution shall determine the minimum repayment amount under paragraph (b) of this section for loans with repayment installment intervals greater than one month by multiplying the amounts in paragraph (b) of this section by the number of months in the installment interval.

(c) Extension of repayment period—(1) Hardship. The institution may extend a borrower’s repayment period due to prolonged illness or unemployment.

(2) Low-income individual. (i) For Federal Perkins loans and Direct loans made on or after October 1, 1980, the institution may extend the borrower's repayment period up to 10 additional years beyond the 10-year maximum repayment period if the institution determines during the course of the repayment period that the borrower is a “low-income individual.” The borrower qualifies for an extension of the repayment period on the basis of low-income status only during the period in which the borrower meets the criteria described in paragraph (c)(2)(i)(A) or (B) of this section. The
term low-income individual means the following:

(A) For an unmarried borrower without dependents, an individual whose total income for the preceding calendar year did not exceed 45 percent of the Income Protection Allowance for the current award year for a family of four with one in college.

(B) For a borrower with a family that includes the borrower and any spouse or legal dependents, an individual whose total family income for the preceding calendar year did not exceed 125 percent of the Income Protection Allowance for the current award year for a family with one in college and equal in size to that of the borrower's family.

(ii) The institution shall use the Income Protection Allowance published annually in accordance with section 478 of the HEA in making this determination.

(iii) The institution shall review the borrower's status annually to determine whether the borrower continues to qualify for an extended repayment period based on his or her status as a "low-income individual."

(iv) Upon determining that a borrower ceases to qualify for an extended repayment period under this section, the institution shall amend the borrower's repayment schedule. The term of the amended repayment schedule may not exceed the number of months remaining on the original repayment schedule, provided that the institution may not include the time elapsed during any extension of the repayment period granted under this section in determining the number of months remaining on the original repayment schedule.

(3) Interest continues to accrue during any extension of a repayment period.

(d) Forbearance. (1) Forbearance means the temporary cessation of payments, allowing an extension of time for making payments, or temporarily accepting smaller payments than previously were scheduled.

(2) Upon receipt of a written request and supporting documentation, the institution shall grant the borrower forbearance of principal and, unless otherwise indicated by the borrower, interest renewable at intervals of up to 12 months for periods that collectively do not exceed three years.

(3) The terms of forbearance must be agreed upon, in writing, by the borrower and the institution.

(4) In granting a forbearance under this section, an institution shall grant a temporary cessation of payments, unless the borrower chooses another form of forbearance subject to paragraph (d)(1) of this section.

(5) An institution shall grant forbearance if--

(i) The amount of the payments the borrower is obligated to make on title IV loans each month (or a proportional share if the payments are due less frequently than monthly) is collectively equal to or greater than 20 percent of the borrower's total monthly gross income;

(ii) The institution determines that the borrower should qualify for the forbearance due to poor health or for other acceptable reasons; or

(iii) The Secretary authorizes a period of forbearance due to a national military mobilization or other national emergency.

(6) Before granting a forbearance to a borrower under paragraph (d)(5)(i) of this section, the institution shall require the borrower to submit at least the following documentation:

(i) Evidence showing the amount of the most recent total monthly gross income received by the borrower; and

(ii) Evidence showing the amount of the monthly payments owed by the borrower for the most recent month for the borrower's title IV loans.

(7) Interest accrues during any period of forbearance.

(8) The institution may not include the periods of forbearance described in this paragraph in determining the 10-year repayment period.

(e) Compromise of repayment. (1) An institution may compromise on the repayment of a defaulted loan if--

(i) The institution has fully complied with all due diligence requirements specified in subpart C of this part; and

(ii) The student borrower pays in a single lump-sum payment--

(A) 90 percent of the outstanding principal balance on the loan under this part;

(B) The interest due on the loan; and

(C) Any collection fees due on the loan.

(2) The Federal share of the compromise repayment must bear the same relation to the institution's share of the compromise repayment as the Federal capital contribution to the institution's loan Fund under this part bears to the institution's capital contribution to the Fund.

674.34 Deferment of repayment--Federal Perkins loans and Direct loans made on or after July 1, 1993.

(a) The borrower may defer making scheduled installment repayment on a Federal Perkins loan or a Direct loan made on or after July 1, 1993, during the periods described in this section.

(b)(1) The borrower need not repay principal, and interest does not accrue, during a period after the commencement or resumption of the repayment period on a loan, when the borrower is--

(i) Enrolled and in attendance as a regular student in at least a half-time course of study at an eligible institution;

(ii) Enrolled and in attendance as a regular student in a course of study that is part of a graduate fellowship program approved by the Secretary;

(iv) Enrolled in a course of study that is part of a rehabilitation training program for disabled individuals approved by the Secretary as described in paragraph (g) of this section.

(2) No borrower is eligible for a deferment under paragraph (b)(1) of this section while serving in a medical internship or residency program, except for a residency program in dentistry.

(3) The institution of higher education at which the borrower is enrolled does not need to be participating in the Federal Perkins Loan program for the borrower to qualify for a deferment.

(4) If a borrower is attending an institution of higher education as at least a half-time regular student for a full academic year and intends to enroll as at least a half-time regular student in the next academic year, the borrower is entitled to a deferment for 12 months.

(5) If an institution no longer qualifies as an institution of higher education, the borrower's deferment ends on the date the institution ceases to qualify.

(c)(1) The borrower of a Federal Perkins loan need not repay principal, and interest does not accrue, for any period during which the borrower is engaged in service described in 674.53, 674.54, 674.56, 674.57, 674.58, 674.59, and 674.60.

(2) The borrower of a Direct loan need not repay principal, and interest does not accrue, for any period during which the borrower is engaged in service described in 674.53, 674.54, 674.56, 674.57, 674.58, and 674.59.

(d) The borrower need not repay principal, and interest does not accrue, for any period not to exceed 3 years during which the borrower is seeking and unable to find full-time employment.

(e) The borrower need not repay principal, and interest does not accrue, for any period not to exceed 3 years during which the borrower is suffering an economic hardship. To qualify for this deferment, the borrower must provide documentation satisfactory to the institution showing that the borrower--

(1) Has been granted an economic hardship deferment under either the FDSL or FFEL programs for the period of time for which the borrower has requested an economic hardship deferment for his or her Federal Perkins loan;

(2) Is receiving payment under a federal or state public assistance program, such as Aid to Families with Dependent Children, Supplemental Security Income, Food Stamps, or state general public assistance;

(3) Is working full-time and earning a total monthly gross income that does not exceed the greater of--

(i) The monthly earnings of an individual earning the minimum wage described in section 6 of the Fair Labor Standards Act of 1938; or

(4) Is not receiving total monthly gross income that exceeds twice the amount specified in paragraph (e)(3) of this section and, after deducting an amount equal to the borrower's monthly payments on federal postsecondary education loans, as determined under paragraph (e)(9) of this section, the remaining amount of that income does not exceed the amount specified in paragraph (e)(3) of this section; or

(5) Is not receiving total monthly gross income that exceeds twice the amount specified in paragraph (e)(3) of this section and, after deducting an amount equal to the borrower's monthly payments on federal postsecondary education loans, as determined under paragraph (e)(9) of this section, the remaining amount of that income does not exceed the amount specified in paragraph (e)(3) of this section; or

(6) Is not receiving total monthly gross income that exceeds twice the amount specified in paragraph (e)(3) of this section and, after deducting an amount equal to the borrower's monthly payments on federal postsecondary education loans, as determined under paragraph (e)(9) of this section, the remaining amount of that income does not exceed the amount specified in paragraph (e)(3) of this section; or
(5) Is working full-time and has a Federal education debt burden that equals or exceeds 20 percent of the borrower's total monthly gross income, and the borrower's income minus such burden is less than 220 percent of the amount calculated under paragraph (3) of this section.

(6) For a deferment granted under paragraph (e)(4) or (e)(5) of this section, the institution shall require the borrower to submit at least the following documentation to qualify for an initial period of deferment—

(i) Evidence showing the amount of the borrower's most recent total monthly gross income, as defined in section 674.2; and

(ii) Evidence that would enable the institution to determine the amount of the monthly payments that would have been owed by the borrower during the deferment period to other entities for federal postsecondary education loans in accordance with paragraph (e)(9) of this section.

(7) To qualify for a subsequent period of deferment that begins less than one year after the end of a period of deferment under paragraphs (e)(3), (e)(4), or (e)(5) of this section, the institution shall require the borrower to submit a copy of the borrower's federal income tax return if the borrower filed a tax return within eight months prior to the date the deferment is requested.

(8) For purposes of paragraphs (e)(3) and (e)(5) of this section, a borrower is considered to be working full-time if the borrower is expected to be employed for at least three consecutive months at 30 hours per week.

(9) In determining a borrower's eligibility for an economic hardship deferment under paragraph (e) of this section, the institution shall count only the monthly payment amount (or a proportional share if the payments are due less frequently than monthly) that would have been owed on a federal postsecondary education loan if the loan had been scheduled to be repaid in 10 years from the date the borrower entered repayment, regardless of the length of the borrower's actual repayment schedule or the actual monthly payment amount (if any) that would be owed during the period that the borrower requested an economic hardship deferment.

(f) To qualify for a deferment for study as part of a graduate fellowship program pursuant to paragraph (b)(1)(ii) of this section, a borrower must provide the institution certification that the borrower has been accepted for or is engaged in full-time study in the institution's graduate fellowship program.

(g) To qualify for a deferment for study in a rehabilitation training program, pursuant to paragraph (b)(1)(v) of this section, the borrower must be receiving, or be scheduled to receive, services under a program designed to rehabilitate disabled individuals and must provide the institution with the following documentation:

(1) A certification from the rehabilitation agency that the borrower is either receiving or scheduled to receive rehabilitation training services from the agency.

(2) A certification from the rehabilitation agency that the rehabilitation program—

(i) Is licensed, approved, certified, or otherwise recognized by one of the following entities as providing rehabilitation training to disabled individuals—

(A) A State agency with responsibility for vocational rehabilitation programs;

(B) A State agency with responsibility for drug abuse treatment programs;

(C) A State agency with responsibility for mental health services programs;

(D) A State agency with responsibility for alcohol abuse treatment programs; or

(A) Is individualized to meet the borrower's needs;

(B) Specifies the date on which the services to the borrower are expected to end; and

(C) Is structured in a way that requires a substantial commitment by the borrower to his or her rehabilitation. The Secretary considers a substantial commitment to be a commitment of time and effort that would normally prevent an individual from engaging in full-time employment either because of the number of hours that must be devoted to rehabilitation or because of the nature of the rehabilitation.

(h) The institution may not include the deferment periods described in paragraphs (b), (c), (d), (e), (f), and (g) of this section and the period described in paragraph (i) of this section in determining the 10-year repayment period.

(i) The borrower need not pay principal and interest does not accrue until six months after completion of any period during which the borrower is in deferment under paragraphs (b), (c), (d), (e), (f), and (g) of this section.

An institution shall use billing procedures that include at least the following steps:

(1) If the institution uses a coupon payment system, it shall send the coupons to the borrower at least 30 days before the first payment is due.

(2) If the institution does not use a coupon system, it shall send to the borrower--

(3) Notwithstanding paragraph (a)(2)(ii) of this section, if the borrower elects to make payment by means of an electronic transfer of funds from the borrower's bank account, the institution shall send to the borrower an annual statement of account.

(b)(1) An institution shall send a first overdue notice within 15 days after the due date for a payment if the institution has not received--

(1) The institution shall send a second overdue notice within 30 days after the first overdue notice is sent.

(2) The institution shall send a final demand letter within 15 days after the second overdue notice. This letter must inform the borrower that unless the institution receives a payment or a request for deferment, postponement, or cancellation within 30 days of the date of the letter, it will refer the account for collection or litigation, and will report the default to a credit bureau.

(d) Notwithstanding paragraphs (b) and (c) of this section, an institution may send a borrower a final demand letter if the institution has not within 15 days after the due date received a payment, or a request for deferment, postponement, or cancellation, and if—

(1) The borrower’s repayment history has been unsatisfactory, e.g., the borrower has previously failed to make payment(s) when due or to request deferment, postponement, or cancellation in a timely manner, or has previously received a final demand letter, or

(2) The institution reasonably concludes that the borrower neither intends to repay the loan nor intends to seek deferment, postponement, or cancellation of the loan.

If a borrower does not satisfactorily respond to the final demand letter or the following telephone contact made in accordance with Sec. 674.43(f), the institution shall--

(1) Report the defaulted account to any one national credit bureau; and

(2)(i) Use its own personnel to collect the amount due; or

Sec. 674A9 Bankruptcy of borrower.

(a) General. If an institution receives notice that a borrower has filed a petition for relief in bankruptcy, usually by receiving a notice of meeting of creditors, the institution and its agents shall immediately suspend any collection efforts outside the bankruptcy proceeding against the borrower.

(b) Proof of claim. The institution shall file a proof of claim in the bankruptcy proceeding, unless, in the case of a proceeding under Chapter 7 of the Bankruptcy Code, the notice of meeting of creditors states that the borrower has no assets.

(c) Borrower's request for determination of dischargeability. (1) The institution shall follow the procedures in this paragraph if it is properly served with a complaint in a proceeding under chapter 7, 11, 12, or 13 of the Bankruptcy Code, or under 11 U.S.C. 1328(b), for a determination of dischargeability under 11 U.S.C. 523(a)(8)(B) on the ground that repayment of the loan would impose an undue hardship on the borrower and his or her dependents.

(2) If more than seven years of the repayment period on the loan, excluding periods of deferment granted to the borrower, has passed before the borrower filed the petition for relief in bankruptcy, the institution may not oppose a determination of dischargeability requested under 11 U.S.C. 523(a)(8)(B) on the ground of undue hardship.
PART 674—FEDERAL PERKINS LOAN PROGRAM

(3) If less than seven years of the repayment period on the loan, excluding periods of deferment granted to the borrower, has passed before the borrower filed the petition for relief, the institution shall determine, on the basis of reasonably available information, whether repayment of the loan under either the current repayment schedule or any adjusted schedule authorized under subpart B or D of this part would impose an undue hardship on the borrower and his or her dependents.

(4) If the institution concludes that repayment would not impose an undue hardship, the institution shall determine whether the costs reasonably expected to be incurred to oppose discharge will exceed one-third of the total amount owed on the loan, including principal, interest, late charges and collection costs.

(5) If the expected costs of opposing discharge of such a loan do not exceed one-third of the total amount owed on the loan, the institution shall—

(i) Oppose the borrower's request for a determination of dischargeability; and

(ii) If the borrower is in default on the loan, seek a judgment for the amount owed on the loan.

(6) In opposing a request for a determination of dischargeability, the institution may compromise a portion of the amount owed on the loan if it reasonably determines that the compromise is necessary in order to obtain a judgment on the loan.

(d) Request for determination of non-dischargeability. The institution may file a complaint for a determination that a loan obligation is not dischargeable and for judgment on the loan if the institution would have been required under paragraph (c) of this section to oppose a request for a determination of dischargeability with regard to that loan.

(e) Chapter 13 repayment plan. (1) The institution shall follow the procedures in this paragraph in response to a repayment plan proposed by a borrower who has filed for relief under Chapter 13 of the Bankruptcy Code.

(2) The institution is not required to respond to a proposed repayment plan, if—

(i) The borrower proposes under the repayment plan to repay all principal, interest, late charges and collection costs on the loan; or

(ii) The repayment plan makes no provision with regard either to the loan obligation or to general unsecured claims.

(3)(i) If the borrower proposes under the repayment plan to repay less than the total amount owed on the loan, the institution shall determine from its own records and court documents—

(A) The amount of the loan obligation dischargeable under the plan by deducting the total payments on the loan proposed under the plan from the total amount owed;

(B) Whether the plan or the classification of the loan obligation under the proposed plan meets the requirements of section 1325 of the Code; and

(C) Whether grounds exist under 11 U.S.C. 1307 to move for conversion or dismissal of the Chapter 13 case.

(ii) If the institution reasonably expects that costs of the appropriate actions will not exceed one-third of the dischargeable loan debt, the institution shall—

(A) Object to confirmation of a proposed plan that does not meet the requirements of 11 U.S.C. 1325; and

(B) Move to dismiss or convert a case where grounds can be established under 11 U.S.C. 1307.

(4)(i) The institution shall monitor the borrower's compliance with the requirements of the plan confirmed by the court. If the institution determines that the debtor has not made the payments required under the plan, or has filed a request for a "hardship discharge" under 11 U.S.C. 1328(b), and the institution holds a loan that entered repayment status more than seven years, excluding periods of deferment, before the borrower filed the petition for relief in bankruptcy, the institution shall determine from its own records and information derived from documents filed with the court—

(A) Whether grounds exist under 11 U.S.C. 1307 to convert or dismiss the case; and

(B) Whether the borrower has demonstrated entitlement to the "hardship discharge" by meeting the requirements of 11 U.S.C. 1328(b).

(ii) If the institution reasonably expects that costs of the appropriate actions, when added to the costs already incurred in taking actions authorized under this section, will not exceed one-third of the dischargeable loan debt, the institution shall—

(A) Move to dismiss or convert a case where grounds can be established under 11 U.S.C. 1307; or

(B) Oppose the requested discharge where the debtor has not demonstrated that the requirements of 11 U.S.C. 1328(b) are met.

(f) Resumption of collection from the borrower. The institution shall resume billing and collection action prescribed
in this subpart after--

(1) The borrower's petition for relief in bankruptcy has been dismissed;

(2) The borrower has received a discharge under 11 U.S.C. 727, 11 U.S.C. 1141, or 11 U.S.C. 1228, unless--

(i) The court has found that repayment of the loan would impose an undue hardship on the borrower and the dependents of the borrower; or

(ii)(A) The loan entered the repayment period more than seven years, excluding periods of deferment, before the filing of the petition, and

(B) The loan is not excepted from discharge under other applicable provisions of the Code; or

(3) The borrower has received a discharge under 11 U.S.C. 1328(a) or 1328(b), unless--

(i) The court has found that repayment of the loan would impose an undue hardship on the borrower and the dependents of the borrower; or

(ii)(A) The loan entered the repayment period more than seven years, excluding periods of deferment, before the filing of the petition; and

(B) The borrower's plan approved in the bankruptcy proceeding made some provision with regard to either the loan obligation or unsecured debts in general.

(g) Termination of collection and write-off. (1) An institution shall terminate all collection action and write off a loan if it receives--

(i) A general order of discharge on a borrower owing a student loan obligation which entered the repayment period more than seven years, exclusive of periods of deferment, from the date on which a petition for relief under Chapter 7, 11 or 12 of the Bankruptcy Code was filed; or

(ii) A judgment that repayment of the debt would constitute an undue hardship, and that the debt is therefore dischargeable.

(iii) A judgment that repayment of the debt would constitute an undue hardship, and that the debt is therefore dischargeable.

(2) If an institution receives a repayment from a borrower after a loan has been discharged, it shall deposit that payment in its Fund.

Subpart A—Purpose and Scope

Sec. 682.100 The Federal Family Education Loan programs.

(a) This part governs the following four programs collectively referred to in these regulations as "the Federal Family Education Loan (FFEL) programs," in which lenders use their own funds to make loans to enable a student or his or her parents to pay the costs of the student's attendance at postsecondary schools:

(1) The Federal Stafford Loan (Stafford) Program, which encourages making loans to undergraduate, graduate, and professional students.

(2) The Federal Supplemental Loans for Students (SLS) Program, as in effect for periods of enrollment beginning prior to July 1, 1994, which encourages making loans to graduate, professional, independent undergraduate, and certain dependent undergraduate students.

(3) The Federal PLUS (PLUS) Program, which encourages making loans to parents of dependent undergraduate students. Before October 17, 1986, the PLUS Program also provided for making loans to graduate, professional, and independent undergraduate students. Before July 1, 1993, the PLUS Program also provided for making loans to parents of dependent graduate students.

(4) The Federal Consolidation Loan Program (Consolidation Loan Program), which encourages making loans to borrowers for the purpose of consolidating their repayment obligations, with respect to loans received while they were students, under the Federal Insured Student Loan (FISL), Stafford loan, SLS, ALAS (as in effect before October 17, 1986), PLUS, and Perkins Loan programs, the Health Professions Student Loan (HPSSL) Program authorized by subpart II of part A of Title VII of the Public Health Services Act, Health Education Assistance Loans (HEAL) authorized by subpart I of part A of Title VII of the Health Services Act, and Nursing Student Loan Program loans authorized by subpart II.
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(b)(1) Except for the loans guaranteed directly by the Secretary described in paragraph (b)(2) of this section, a guaranty agency guarantees a lender against losses due to default by the borrower on a FFEL loan. If the guaranty agency meets certain Federal requirements, the guaranty agency is reimbursed by the Secretary for all or part of the amount of default claims it pays to lenders.

(2)(i) The Secretary guarantees lenders against losses—

(A) Within the Stafford Loan Program, on loans made under Federal Insured Student Loan (FISL) Program;

(B) Within the PLUS Program, on loans made under the Federal PLUS Program;

(C) Within the SLS Program, on loans made under the Federal SLS Program; and

(D) Within the Consolidation Loan Program, on loans made under the Federal Consolidation Loan Program.

(ii) The loan programs listed in paragraph (b)(2)(i) of this section collectively are referred to in these regulations as the "Federal Guaranteed Student Loan (GSL) programs."

(iii) The Federal GSL programs are authorized to operate in States not served by a guaranty agency program. In addition, the FISL and Federal SLS programs are authorized, under limited circumstances, to operate in States in which a guaranty agency program does not serve all eligible students.

(Authority: 20 U.S.C. 1071 to 1087-2)

Sec. 682.102 Obtaining and repaying a loan.

(a) Stafford loan application. Generally, to obtain a Stafford loan, a student completes an application and submits it to the school for certification. After the school certifies the application, the application is submitted to a participating lender. If the lender decides to make the loan, the lender obtains a loan guarantee from a guaranty agency or the Secretary.

(b) SLS loan application. Generally, to obtain an SLS loan, a student completes an application and submits it to the school for certification. After the school certifies the application, the application is submitted to a participating lender. If the lender decides to make the loan, the lender obtains a loan guarantee from a guaranty agency or the Secretary.

(c) PLUS loan application. Generally, to obtain a PLUS loan, both the student and the parent complete an application and submit it to the school for certification. After the school certifies the application, the application is submitted to a participating lender. If the lender decides to make the loan, the lender obtains a loan guarantee from a guaranty agency or the Secretary.

(d) Consolidation loan application. Generally, to obtain a Consolidation loan, a borrower completes an application and submits it to a lender holding at least one of the borrower's loans to be consolidated. If all the holders of loans selected for consolidation by the borrower refuse to make a Consolidation loan, the borrower may submit the application to any other lender participating in the Consolidation Loan Program. In the case of a married couple seeking a Consolidation loan, only the holders for one of the applicants must be contacted for consolidation. If a lender decides to make the loan, the lender obtains a loan guarantee from a guaranty agency or the Secretary.

(e) Repaying a loan—(1) General. Generally, the borrower is obligated to repay the full amount of the loan, late fees, collection costs chargeable to the borrower, and any interest not payable by the Secretary. The borrower's...
obligation to repay is canceled if the borrower dies, becomes totally and permanently disabled, or has that obligation discharged in bankruptcy. The borrower's obligation to repay a PLUS loan is canceled if the student, on whose behalf the parent borrowed, dies. The borrower's obligation to repay all or a portion of his or her loan may be canceled if the borrower is unable to complete his or her program of study because the school closed or the borrower's eligibility to borrow was falsely certified by the school. The obligation to repay all or a portion of a loan may be forgiven for borrowers who enter certain areas of the teaching or nursing professions or perform certain kinds of national or community service.

(2) Stafford loan repayment. Generally, a borrower is not required to make any principal payments on a Stafford loan during the time the borrower is in school. In most cases, the Secretary pays the interest on the borrower's behalf during the time the borrower is in school. When the borrower ceases to be enrolled on at least a half-time basis, a grace period begins during which no principal payments are required, and the Secretary continues to make interest payments on the borrower's behalf. At the end of the grace period, the repayment period begins. During the repayment period, the borrower pays both the principal and the interest accruing on the loan.

(3) SLS loan repayment. Generally, the repayment period for an SLS loan begins immediately on the day of the last disbursement of the loan proceeds by the lender. The first payment of principal and interest on an SLS loan is due from the borrower within 60 days after the loan is fully disbursed unless a borrower who is also a Stafford loan borrower, but who has not yet entered repayment on the Stafford loan, requests that commencement of repayment on the SLS loan be deferred until the borrower's grace period on the Stafford loan expires.

(4) PLUS loan repayment. Generally, the repayment period for a PLUS loan begins on the day the loan is disbursed by the lender. The first payment of principal and interest on a PLUS loan is due from the borrower within 60 days after the loan is fully disbursed.

(5) Consolidation loan repayment. Generally, the repayment period for a Consolidation loan begins on the day the loan is disbursed. The first payment of principal and interest on a Consolidation loan is due from the borrower within 60 days after the borrower's liability on all loans being consolidated has been discharged.

(6) Deferment of repayment. Repayment of principal on a FFEL program loan may be deferred under the circumstances described in 682.210.

(7) Default. If a borrower defaults on a loan, the guarantor reimburses the lender for the amount of its loss. The guarantor then collects the amount owed from the borrower.

  - (1) 180 days for a loan repayable in monthly installments; or
  - (2) 240 days for a loan repayable in less frequent installments.

- Disbursement: The transfer of loan proceeds by a lender to a borrower, a school, or an escrow agent by issuance of an individual check, a master check that represents loan amounts for more than one borrower, or by electronic funds transfer.

A special business relationship between a school and a lender in which the lender delegates to the school, or to an entity or individual affiliated with the school, substantial functions or responsibilities normally performed by lenders before making FFEL program loans. In this situation, the school is considered to have "originated" a loan made by the lender.

(1) In the case of an undergraduate student who seeks a Stafford loan or unsubsidized Stafford loan for the cost of attendance at a school that participates in the Pell Grant Program, has received a final determination, or, in the case of a student who has filed an application with the school for a Pell Grant, a preliminary determination, from the school of the student's eligibility or ineligibility for a Pell Grant and, if eligible, has applied for the period of enrollment for which the loan is sought;

(2) In the case of any student who seeks an unsubsidized Stafford loan for the cost of attendance at a school that participates in the Stafford Loan Program, the student must have received a determination of need for a subsidized Stafford loan, and if determined to have need in excess of $200, have filed an application with a lender for a subsidized Stafford loan;

(3) For purposes of a dependent undergraduate student's eligibility for an additional unsubsidized Stafford loan amount, as described at Sec. 682.204(d), is a dependent undergraduate student for whom the financial aid administrator determines and documents in the school's file, after review of the family financial information provided by the student and consideration of the student's debt burden, that the student's parents likely will be precluded by exceptional circumstances (e.g., the student's parents receive only public assistance, or disability benefits, is incarcerated, or his or her whereabouts are unknown) from borrowing under the PLUS Program and the student's family is otherwise unable to provide the student's expected family contribution. A parent's refusal to borrow a PLUS loan does not constitute an exceptional circumstance;

(4)(i) Reaffirms any FFEL loan amount on which there has been a total cessation of collection activity, including all principal and interest that has accrued on that amount up to the date of reaffirmation.

(ii) For purposes of this paragraph, reaffirmation means the acknowledgement of the loan by the borrower in a legally binding manner. The acknowledgement may include, but is not limited to, the borrower—
(A) Signing a new promissory note or repayment schedule; or

(B) Making a payment on the loan.

(5)(i) In the case of a borrower whose previous loan was canceled due to total and permanent disability, the student must--

(A) Obtain a certification from a physician that the borrower is able to engage in substantial gainful activity; and

(B) Sign a statement acknowledging that the FFEL loan the borrower receives cannot be canceled in the future on the basis of any impairment present when the new loan is made, unless that impairment substantially deteriorates;

(ii) Signs a statement acknowledging that any new FFEL loan the borrower receives cannot be canceled in the future on the basis of any present impairment, unless that condition substantially deteriorates;

(6) In the case of any student who seeks a loan but does not have a certificate of graduation from a school providing secondary education or the recognized equivalent of such a certificate, the student meets the requirements under 34 CFR Part 668.7(b).

(vii)(A) In the case of a Federal PLUS loan made on or after July 1, 1993, does not have an adverse credit history.

(B) For purposes of this section, the lender must obtain a credit report on each applicant from at least one national credit bureau. The credit report must be secured within a timeframe that would ensure the most accurate, current representation of the borrower's credit history before the first day of the period of enrollment for which the loan is intended.

(C) Unless the lender determines that extenuating circumstances existed, the lender must consider each applicant to have an adverse credit history based on the credit report if--

(1) The applicant is considered 90 or more days delinquent on the repayment of a debt;

(2) The applicant has been the subject of a default determination, bankruptcy discharge, foreclosure, repossession, tax lien, wage garnishment, or write-off of a Title IV debt, during the five years preceding the date of the credit report.

(D) Nothing in this paragraph precludes the lender from establishing more restrictive credit standards to determine whether the applicant has an adverse credit history.

(E) The absence of any credit history is not an indication that the applicant has an adverse credit history and is not to be used as a reason to deny a PLUS loan to that applicant.

(F) The lender must retain documentation demonstrating its basis for determining that extenuating circumstances existed. This documentation may include, but is not limited to, an updated credit report, a statement from the creditor that the borrower has made satisfactory arrangements to repay the debt, or a satisfactory statement from the borrower explaining any delinquencies with outstanding balances of less than $500.

(viii) Obtains an endorser who has been determined not to have an adverse credit history as provided in paragraph (b)(1)(vii)(C) of this section.

(2) For purposes of paragraph (b)(1) of this section, a "parent" includes the individuals described in the definition of "parent" in 34 CFR 668.2 and the spouse of a parent who remarried, if that spouse's income and assets would have been taken into account when calculating a dependent student's expected family contribution.

(i) Agrees to be held jointly and severally liable for the repayment of the total amount of the Consolidation loan;

(ii) Agrees to repay the debt regardless of any change in marital status; and

(iii) Meets the requirements of paragraph (c)(1) of this section, and only one must have met the requirements of paragraph (c)(1)(vi) of this section.

PART 682--FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(1) A notice informing the borrower that the loan is being converted to a variable interest rate;

(v) The notice may be provided as part of the disclosure requirement as specified under Sec. 682.205.

(vi) The interest rate as calculated under this paragraph may not exceed the maximum interest rate applicable to the loan prior to the conversion.

(2) A lender may capitalize interest payable by the borrower that has accrued--

(i) During the period from the date the first disbursement was made to the beginning date of the in-school period;

(ii) During the in-school period or grace period, if capitalization is expressly authorized by the promissory note (or with the written consent of the borrower);

(iii) During a period of authorized deferment;

(v) During the period from the date the first installment payment was due until it was made.

(3) A lender may capitalize accrued interest under paragraphs (b)(2)(ii) through (iv) of this section no more frequently than quarterly, except that capitalization is again permitted when repayment is required to begin or resume. A lender may capitalize accrued interest under paragraph (b)(2)(i) and (v) of this section only on the date repayment of principal is scheduled to begin.

(4) Under the SLS and PLUS programs, the lender shall require the borrower to pay on a monthly or quarterly basis or, with the borrower's written consent, capitalize on a quarterly basis interest that has accrued during periods in which the borrower--

(i) is pursuing a full-time course of study at an eligible institution;

(ii) is pursuing at least a half-time course of study (as determined by the institution) during an enrollment period for which the student has obtained a FFEL loan;

(iii) is pursuing a course of study pursuant to a graduate fellowship program approved by the Secretary; or

(iv) is pursuing a rehabilitation training program for disabled individuals that is approved by the Secretary.

(5) For all borrowers who are in a period of deferment, a required medical or dental internship forbearance, or the in-school or grace period on a nonsubsidized Stafford loan and have agreed to monthly or quarterly payments of interest, the lender may capitalize past due interest after notification to the borrower that the borrower's failure to resolve any delinquency constitutes the borrower's consent to capitalization of delinquent interest and all interest that will accrue through the remainder of that period.

(c) Fees for FFEL Program loans. A lender--

(1) May charge a borrower an origination fee on a subsidized Stafford loan not to exceed the maximum rate specified by federal statute;

(2) Shall charge a borrower an origination fee on an unsubsidized Stafford loan of 3 percent of the principal amount of the loan;

(3) Shall charge a borrower an origination fee on an SLS or a PLUS loan of 3 percent of the principal amount of the loan;

(A) The borrower has no FFEL Program loans in repayment status and has requested, in writing, that the repaid or returned funds be used for a different purpose; or

(B) The borrower has a FFEL Program loan in repayment status, in which case the payment is applied in
accordance with Sec. 682.209(b) unless the borrower has requested, in writing, that the repaid or returned funds be applied as a cancellation of all or part of the loan;

(iii) For which a loan check has not been negotiated within 120 days of disbursement; or

(iv) For which loan proceeds disbursed by electronic funds transfer or master check in accordance with Sec. 682.207(b)(1)(ii) (B) and (C) have not been released from the restricted account maintained by the school within 120 days of disbursement.

(d) Insurance Premium. A lender may charge the borrower the amount of the insurance premium paid by the lender to the guarantor up to 1 percent of the principal amount of the loan, if that charge is provided for in the promissory note.

(e) Administrative charge for a refinanced PLUS or SLS Loan. A lender may charge a borrower up to $100 to cover the administrative costs of making a loan to a borrower under 682.209(e) for the purpose of refinancing a PLUS or SLS loan to secure a variable interest rate.

(f) Late charge. (1) If authorized by the borrower’s promissory note, the lender may require the borrower to pay a late charge under the circumstances described in paragraph (f)(2) of this section. This charge may not exceed six cents for each dollar of each late installment.

(2) The lender may require the borrower to pay a late charge if the borrower fails to pay all or a portion of a required installment payment within 15 days after it is due.

(g) Collection charges. (1) If provided for in the borrower’s promissory note, and notwithstanding any provisions of State law, the lender may require that the borrower or any endorser pay costs incurred by the lender or its agents in collecting installments not paid when due, including, but not limited to--

Sec. 682.203 Responsible parties.

(a) Delegation of functions. A school, lender, or guaranty agency may contract or otherwise delegate the performance of its functions under the Act and this part to a servicing agency or other party. This contracting or other delegation of functions does not relieve the school, lender, or guaranty agency of its duty to comply with the requirements of the Act and this part.

(b) Trustee responsibility. A lender that holds a loan in its capacity as a trustee assumes responsibility for complying with all statutory and regulatory requirements imposed on any other holders of a loan.

different levels of borrowing and interest accruals resulting
from capitalization of interest while the student is in school.
Sample projections must disclose the cost to the borrower of
principal and interest, interest only and capitalized interest.

(e) Borrower may not be charged for disclosures.
The lender shall provide the information required to be

Sec. 682.206 Due diligence in making a loan.

(a) General. (1) Loan-making duties include
processing the loan application and other required forms,
approving the borrower for a loan, determining the loan
amount, explaining to the borrower his or her rights and
responsibilities under the loan, and completing and having the
borrower sign the promissory note.

(2) A lender that delegates substantial loan-making
duties to a school on a loan thereby enters into a loan
origination relationship with the school in regard to that loan. If
that relationship exists, the lender may rely in good faith upon
statements of the borrower made in the loan application
process, but may not rely upon statements made by the school
in that process. A non-school lender that does not have
an origination relationship with a school with respect to a loan
may rely in good faith upon statements of both the borrower
and the school in the loan application process. Except as
provides in 34 CFR part 668, subpart E, a school lender may
rely in good faith upon statements made by the borrower in the
loan application process.

(b) Processing forms. Before disbursing a loan, a
lender must determine that all required forms have been
accurately completed by the borrower, the student, the school,
and the lender. A lender may not ask the borrower to sign any
form before the borrower has provided on the form all
information requested from the borrower.
PART 682--FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(c) Approval of borrower and determination of loan amount. (1) A lender may make a loan only to an eligible borrower. To the extent authorized by paragraph (a)(2) of this section, the lender may rely on the information provided on the application form or data electronically transmitted to the lender by the school, the borrower, and, if the borrower is a parent, the student on whose behalf the loan is sought, in determining the borrower's eligibility for a loan.

(2) Except in the case of a Consolidation loan, in determining the amount of the loan to be made, the lender must review the data on the student's cost of attendance and estimated financial assistance that is provided by the school. In no case may the loan amount exceed the student's estimated cost of attendance less the sum of--

(i) The student's estimated financial assistance for the period of enrollment for which the loan is intended; and

(ii) In the case of a Stafford loan that is eligible for interest benefits, the borrower's expected family contribution for that period.

(3) A lender may not approve a loan for more than the borrower requests, the student's unmet financial need, or the maximum established by Sec. 682.204, whichever is less.

(d) Promissory note. (1) The lender shall obtain from the borrower an executed legally enforceable promissory note for each loan as proof of the borrower's indebtedness.

(2) Without the guarantor's prior approval, a lender may not add any clauses to, or modify any provisions of, the most current promissory note provided by the guarantor.

(3) The lender shall give the borrower and any endorser or co-maker a copy of each executed note.

(e) Security, endorsement, and co-makers. (1) A FISL, SLS or Federal PLUS loan must be made without security or endorsement.

(2) A Federal PLUS Program loan and Federal Consolidation Program Loan may be made to two eligible borrowers who agree to be jointly and severally liable for repayment of the loan as co-makers.

(3) A Federal Consolidation loan may be made to two eligible spouses provided both borrowers agree to be jointly and severally liable for repayment of the loan as co-makers.

(f) Additional requirement for Consolidation loans. (1) Prior to disbursement of a Consolidation loan, the lender shall obtain from the holder of each loan to be consolidated a certification with respect to the loan held by the holder that--

(i) The loan is a legal, valid, and binding obligation of the borrower;

(ii) The loan was made and serviced in compliance with applicable laws and regulations; and

(iii) In the case of a FFEL loan, that the guarantee on the loan is in full force and effect.

(2) The Consolidation loan lender may rely in good faith on the certification provided under paragraph (f)(1) of this section by the holder of a loan to be consolidated.

(Authority: 20 U.S.C. 1077, 1078, 1078-1, 1078-2, 1078-3, 1079, 1080, 1082, 1083, 1085)

(Approved by the Office of Management and Budget under control number 1840-0538)

Sec. 682.207 Due diligence in disbursing a loan.

(a)(1) This section prescribes procedures for lenders to follow in disbursing Stafford, SLS, and PLUS loans, other than a refinanced SLS or PLUS Program loan made under Sec. 682.209 (e) or (f). With respect to FISL, Federal SLS, and Federal PLUS loans, references to the "guaranty agency" in this section shall be understood to refer to the "Secretary."

(2) The requirements of paragraphs (b)(1)(ii) and (v) of this section must be satisfied either by the lender or by an escrow agent with which the lender has an agreement pursuant to Sec. 682.408. The lender shall comply with paragraph (b)(1)(iii) of this section whether or not it disburses to an escrow agent.

(b)(1) In disbursing a loan, a lender--

(i) May not disburse loan proceeds prior to the issuance of the guarantee commitment for the loan by the guaranty agency, except with the agency's prior approval; and

(B) Must disburse a Stafford or SLS loan in accordance with the disbursement schedule provided by the school;

(ii) Shall disburse loan proceeds by--

(A) A check that is made payable to the borrower, or, if required by the guarantor or lender, is made co-payable to the borrower and the school for attendance at which the loan is intended, and requires the personal endorsement or other written certification of the borrower in order to be cashed

(D) In the case of a student enrolled in an eligible foreign school, if the student requests—

(1) Directly to the student; or

(2) To the institution if the borrower provides a power-of-attorney to an individual not affiliated with the institution to endorse the check or complete an electronic funds transfer authorization.

However, the school may present the loan check to a financial institution for deposit in an account of the borrower pursuant to the borrower's written authorization under paragraph (b)(1)(ii)(A) of this section.

(c) A lender shall disburse any Stafford or PLUS loan as follows:

(1) Disbursement must be in two or more installments.

(5) A lender is not required to make more than one disbursement if a school is not in a State.

(d)(1) A lender may disburse loan proceeds after the student has ceased to be enrolled on at least a half-time basis.

Sec. 682.208 Due diligence in servicing a loan.

(a) The loan servicing process includes reporting to national credit bureaus, responding to borrower inquiries, and establishing the terms of repayment.

(b)(1) An eligible lender of a FFEL loan shall report to at least one national credit bureau—

(i) The total amount of FFEL loans the lender has made to the borrower, within 90 days of each disbursement;

(ii) The outstanding balance of the loans;

(iii) Information concerning the repayment status of the loan, within 90 days after a change in that status from current to delinquent;

(iv) The date the loan is fully repaid by, or on behalf of, the borrower, or discharged by reason of the borrower's death, bankruptcy, or total and permanent disability, within 90 days after that date;

(v) Other information required by law to be reported.

(2) An eligible lender that has acquired a FFEL loan shall report to at least one national credit bureau the information required by paragraph (b)(1)(i)-(v) of this section within 90 days of its acquisition of the loan.

(c) The loan servicing process includes the following:

(1) A lender shall respond within 30 days after receipt to any inquiry from a borrower or any endorser on a loan.

(2) When a lender learns that a Stafford loan borrower is no longer enrolled at an eligible school on at least a half-time basis, the lender shall promptly contact the borrower in order to establish the terms of repayment.

(d) Subject to the rules regarding maximum duration of a repayment period and minimum annual payment described in Sec. 682.209(a)(7), (c), and (h), nothing in this part is intended to limit a lender's discretion in establishing, or, with the borrower's consent, revising a borrower's repayment schedule—

(1) To provide for graduated or income-sensitive repayment terms. The Secretary strongly encourages lenders to provide a graduated or income-sensitive repayment schedule to a borrower providing for at least the payment of interest charges, unless the borrower requests otherwise, in order to make the borrower's repayment burden commensurate with his or her projected ability to pay; or

(2) To provide a single repayment schedule for all FFEL program loans to the borrower held by the lender.

(e)(1) If the assignment of a Stafford, PLUS, or SLS loan is to result in a change in the identity of the party to whom the borrower must send subsequent payments, the assignor and assignee of the loan shall, no later than 45 days from the date the assignee acquires a legally enforceable right to receive payment from the borrower on the assigned loan, provide, either jointly or separately, a notice to the borrower of—
PART 682--FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(i) The assignment;
(ii) The identity of the assignee;
(iii) The name and address of the party to whom subsequent payments or communications must be sent; and
(iv) The telephone numbers of both the assignor and the assignee.

(2) If the assignor and assignee separately provide the notice required by paragraph (e)(1) of this section, each notice must indicate that a corresponding notice will be sent by the other party to the assignment.

(3) For purposes of this paragraph, the term "assigned" is defined in Sec. 682.401(b)(15)(ii).

(4) The assignee, or the assignor on behalf of the assignee, shall notify the guaranty agency that guaranteed the loan within 45 days of the date the assignee acquires a legally enforceable right to receive payment from the borrower on the loan of--

(i) The assignment; and
(ii) The name and address of the assignee, and the telephone number of the assignee that can be used to obtain information about the repayment of the loan.

(5) The requirements of this paragraph (e), as to borrower notification, apply if the borrower is in a grace period or has entered the repayment period.

(f) Notwithstanding an error by the school or lender, a lender shall follow the procedures in Sec. 682.412 whenever it receives information that can be substantiated that the borrower, or the student on whose behalf a parent has borrowed, provided false or erroneous information or took actions that caused the student or borrower--

(i) To be ineligible for all or a portion of a loan made under this part;

(ii) To receive a Stafford loan subject to payment of Federal interest benefits as provided under Sec. 682.301, for which he or she was ineligible; or

(iii) To receive loan proceeds that were not paid to the school or repaid to the lender by or on behalf of a registered student who--

(A) The school notifies the lender under 682.604(d)(4) has withdrawn or been expelled prior to the first day of classes for the period of enrollment for which the loan was intended; or

(B) Failed to attend school during that period.

(2) For purposes of this section, the term "guaranty agency" in Sec. 682.412(e) refers to the Secretary in the case of a Federal GSL loan.

(g) If, during a period when the borrower is not delinquent, a lender receives information indicating it does not know the borrower's address, it may commence the skip-tracing activities specified in 682.411(g).

(h) Notifying the borrower about a servicing change.

If an FFEL Program loan has not been assigned, but there is a change in the identity of the party to whom the borrower must send subsequent payments or direct any communications concerning the loan, the holder of the loan shall, no later than 45 days after the date of the change, provide notice to the borrower of the name, telephone number, and address of the party to whom subsequent payments or communications must be sent. The requirements of this paragraph apply if the borrower is in a grace period or has entered the repayment period.

(Authority: 20 U.S.C. 1077, 1078, 1078-1, 1078-2, 1078-3, 1079, 1080, 1082, 1085)

Sec. 682.209 Repayment of a loan.

(a) Conversion of a loan to repayment status. (1) For a Consolidation loan, the repayment period begins on the date the loan is disbursed. The first payment is due within 60 days after the date the loan is fully disbursed.

(2)(i) For a PLUS loan, the repayment period begins on the date of the last disbursement made on the loan. The first payment is due within 60 days after the date the loan is fully disbursed. Interest accrues and is due and payable from the date of the first disbursement of the loan.

(ii) For an SLS loan, the repayment period begins on the date the loan is disbursed, or, if the loan is disbursed in multiple installments, on the date of the last disbursement of the loan. Interest accrues and is due and payable from the date of the first disbursement of the loan. Except as provided in paragraph (a)(2)(iii) of this section the first payment is due within 60 days after the date the loan is fully disbursed.

(iii) For an SLS borrower who has not yet entered repayment on a Stafford loan, the borrower may postpone payment, consistent with the grace period on the borrower's
(3)(i) Except as provided in paragraphs (a)(4) and (5) of this section, for a Stafford loan the repayment period begins—

(A) For a borrower with a loan for which the applicable interest rate is 7 percent per year, not less than 9 nor more than 12 months following the date on which the borrower is no longer enrolled on at least a half-time basis at an eligible school. The length of this grace period is determined by the lender for loans made under the FISL Program, and by the guaranty agency for loans guaranteed by the agency; and

(B) For a borrower with a loan for which the initial applicable interest rate is 8 or 9 percent per year, 6 months following the date on which the borrower is no longer enrolled on at least a half-time basis at an eligible school.

(ii) The first payment on a Stafford loan is due on a date established by the lender that is no more than—

(A) 45 days following the first day that the repayment period begins;

(B) 45 days from the expiration of a deferment or forbearance period;

(C) 45 days following the end of the grace period;

(D) If the lender first learns after the fact that the borrower has entered the repayment period, no later than 75 days after the date the lender learns that the borrower has entered the repayment period; or

(E) An additional 30 days beyond the periods specified in paragraphs (a)(3)(ii)(A)-(a)(3)(ii)(D) of this section in order for the lender to comply with the required deadlines contained in Sec. 682.205(c)(1).

(4) For a borrower of a Stafford loan who is a correspondence student, the grace period specified in paragraph (a)(3)(i) of this section begins on the earliest of the date—

(i) The borrower completes the program;

(ii) The borrower fails 60 days behind the due date for submission of a scheduled assignment, according to the schedule required in Sec. 682.602. However, a school may grant the borrower one restoration to in-school status if the borrower fails to submit a lesson within this 60-day period after the due date for submission of a particular assignment if, within the 60-day period, the borrower declares, in writing, an intention to continue in the program and an understanding that the required lessons must be submitted on time; or

(iii) That is 60 days following the latest allowable date established by the school for completing the program under the schedule required under Sec. 682.602.

(5) For a Stafford loan, the repayment period begins prior to the end of the grace period if the borrower requests in writing and is granted a repayment schedule that so provides. In this event, a borrower waives the remainder of the grace period.

(6)(i) The repayment schedule may provide for substantially equal installment payments or for installment payments that increase or decrease in amount during the repayment period. If the loan has a variable interest rate that changes annually, the lender may establish a repayment schedule that—

(A) Provides for adjustments of the amount of the installment payment to reflect annual changes in the variable interest rate; or

(B) Contains no provision for an adjustment of the amount of the installment payment to reflect annual changes in the variable interest rate, but requires the lender to grant a forbearance to the borrower (or endorser, if applicable) for a period of up to 3 years of payments in accordance with Sec. 682.211(j)(5) in cases where the effect of a variable interest rate on a standard or graduated repayment schedule would result in a loan not being repaid within the maximum repayment term.

(ii) If a graduated or income-sensitive repayment schedule is established, it may not provide for any single installment that is more than three times greater than any other installment. An agreement as specified in paragraph (c)(1)(i) of this section is not required if the schedule provides for less than the minimum annual payment amount specified in paragraph (c)(1)(i) of this section.

(iii) Not more than six months prior to the date that the borrower's first payment is due, the lender shall offer a choice of a standard, graduated, or income-sensitive repayment schedule to a new borrower who receives a Stafford or SLS loan first disbursed on or after July 1, 1993. For purposes of this section, a "new borrower" is an individual who has no outstanding principal or interest balance on an FFEL Program loan as of July 1, 1993 or on the date he or she obtains a loan on or after July 1, 1993. This term also includes a borrower who obtains a Federal Consolidation Loan on or after July 1, 1993 if the borrower has no other outstanding FFEL Program loan when the Consolidation Loan is made. The lender shall also offer a choice of repayment schedules to any individual whose Consolidation loan application is received by the lender on or after January 1, 1993. The Secretary encourages lenders to offer the choice of repayment schedules to all other borrowers.
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(iv) The repayment schedule must require that each payment equal at least the interest that accrues during the interval between scheduled payments.

(v) The lender shall require the borrower to repay the loan under a standard repayment schedule described in paragraph (a)(6)(vi) of this section if the borrower—

(A) Does not select an income-sensitive or a graduated repayment schedule within 45 days after being notified by the lender to choose a repayment schedule; or

(B) Chooses an income-sensitive repayment schedule, but does not provide the documentation requested by the lender under paragraph (a)(6)(viii)(C) of this section within the time period specified by the lender.

(vi) Under a standard repayment schedule, the borrower is scheduled to pay either—

(A) The same amount for each installment payment made during the repayment period, except that the borrower's final payment may be slightly more or less than the other payments; or

(B) An installment amount that will be adjusted to reflect annual changes in the loan's variable interest rate.

(vii) Under a graduated repayment schedule—

(A) The amount of the borrower's installment payment is scheduled to change (usually by increasing) during the course of the repayment period; and

(B) An agreement as specified in paragraph (c)(1)(ii) of this section is not required if the schedule provides for less than the minimum annual payment amount specified in paragraph (c)(1)(i) of this section.

(viii) Under an income-sensitive repayment schedule—

(A) The amount of the borrower's installment payment is adjusted annually, based on the borrower's expected total monthly gross income received by the borrower from employment and from other sources during the course of the repayment period;

(B) In general, the lender shall request the borrower to inform the lender of his or her income no earlier than 90 days prior to the due date of the borrower's initial installment payment and subsequent annual payment adjustment under an income-sensitive repayment schedule. The income information must be sufficient for the lender to make a reasonable determination of what the borrower's payment amount should be. If the lender receives late notification that the borrower has dropped below half-time enrollment status at a school, the lender may request that income information earlier than 90 days prior to the due date of the borrower's initial installment payment;

(C) If the borrower reports income to the lender that the lender considers to be insufficient for establishing monthly installment payments that would repay the loan within the maximum 10-year repayment period, the lender shall require the borrower to submit evidence showing the amount of the most recent total monthly gross income received by the borrower from employment and from other sources including, if applicable, pay statements from employers and documentation of any income received by the borrower from other parties;

(D) The lender shall grant a forbearance to the borrower (or endorser, if applicable) for a period of up to 5 years of payments in accordance with Sec. 682.211(j)(5) in cases where the effect of decreased installment amounts paid under an income-sensitive repayment schedule would result in a loan not being repaid within the maximum repayment term; and

(E) The lender shall inform the borrower that the loan must be repaid within the time limits specified under paragraph (a)(7) of this section.

(ix) For purposes of this section, a lender may require that all FFEL loans owed by a borrower to the lender be combined into one account and repaid under one repayment schedule. In that event, the word "loan" in this section shall mean all of the borrower's loans that were combined by the lender into that account.

(7)(i) Subject to paragraphs (a)(7)(ii) through (iv) of this section, a lender shall allow a borrower at least 5 years, but not more than 10 years, to repay a Stafford, SLS, or PLUS loan, calculated from the beginning of the repayment period. Except in the case of a FISL loan for a period of enrollment beginning on or after July 1, 1986, the lender shall require a borrower to fully repay a FISL loan within 15 years after it is made.

(ii) If the borrower receives an authorized deferment or is granted forbearance, as described in Sec. 682.210 or Sec. 682.211 respectively, the periods of deferment or forbearance are excluded from determinations of the 5-, 10-, and 15-year periods, and from the 12-, 15-, 20-, 25-, and 30-year periods for repayment of a Consolidation loan pursuant to Sec. 682.208(h).

(iii) If the minimum annual repayment required in paragraph (c) of this section would result in complete repayment of the loan in less than 5 years, the borrower is not entitled to the full 5-year period.

(iv) The borrower may, prior to the beginning of the repayment period, request and be granted by the lender a repayment period of less than 5 years. Subject to paragraph (a)(7)(iii) of this section, a borrower who makes such a request
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

may, by written notice to the lender at any time during the repayment period, extend the repayment period to a minimum of 5 years.

(8) If, with respect to the aggregate of all loans held by a lender, the total payment made by a borrower for a monthly or similar payment period would not otherwise be a multiple of five dollars, the lender may round that periodic payment to the next highest whole dollar amount that is a multiple of five dollars.

(b) Payment application and prepayment. (1) The lender may credit the entire payment amount first to any late charges accrued or collection costs and then to any outstanding interest and then to outstanding principal.

(2)(i) The borrower may prepay the whole or any part of a loan at any time without penalty.

(ii) If the prepayment amount equals or exceeds the monthly payment amount under the repayment schedule established for the loan, the lender shall apply the prepayment to future installments by advancing the next payment due date, unless the borrower requests otherwise. The lender must either inform the borrower in advance using a prominent statement in the borrower coupon book or billing statement that any additional full payment amounts submitted without instructions to the lender as to their handling will be applied to future scheduled payments with the borrower's next scheduled payment due date advanced consistent with the number of additional payments received, or provide a notification to the borrower after the payments are received informing the borrower that the payments have been so applied and the date of the borrower's next scheduled payment due date. Information related to next scheduled payment due date need not be provided to borrower's making such prepayments while in an in-school, grace, deferment, or forbearance period when payments are not due.

(c) Minimum annual payment. (1)(i) Subject to paragraph (c)(1)(ii) of this section, during each year of the repayment period a borrower's total payments to all holders of the borrower's FFEL Program loans must total at least $600 or the unpaid balance of all loans, including interest, whichever amount is less.

(ii) If the borrower and the lender agree, the amount paid may be less.

(2) The provisions of paragraphs (c)(1)(i) and (ii) of this section may not result in an extension of the maximum repayment period unless forbearance as described in Sec. 682.211, or deferment described in Sec. 682.210, has been approved.

(d) Combined repayment of a borrower's student PLUS and SLS loans held by a lender. (1) A lender may, at the request of a student borrower, combine the borrower's student PLUS and SLS loans held by it into a single repayment schedule.

(2) The repayment period on the loans included in the combined repayment schedule must be calculated based on the beginning of repayment of the most recent included loan.

(3) The interest rate on the loans included in the new combined repayment schedule must be the weighted average of the rates of all included loans.

(e) Refinancing a fixed-rate PLUS or SLS Program loan to secure a variable interest rate. (1) Subject to paragraph (g) of this section, a lender may, at the request of a borrower, refinance a PLUS or SLS loan with a fixed interest rate in order to permit the borrower to obtain a variable interest rate.

(2) A loan made under paragraph (e)(1) of this section—

(i) Must bear interest at the variable rate described in Sec. 682.202(a)(2)(iv); and

(ii) May not extend the repayment period provided for in paragraph (a)(7)(i) of this section.

(3) The lender may not charge an additional insurance premium on the loan, but may charge the borrower an administrative fee pursuant to Sec. 682.202(e).

(f) Refinancing of a fixed-rate PLUS or SLS Program loan to secure a variable interest rate by discharge of previous loan. (1) Subject to paragraph (g) of this section, a borrower who has applied for, but been denied, a refinanced loan authorized under paragraph (e) of this section by the holder of the borrower's fixed-rate PLUS or SLS loan, may obtain a loan from another lender for the purpose of discharging the fixed-rate loan and obtaining a variable interest rate.

(2) A loan made under paragraph (f)(1) of this section—

(i) Must bear interest at the variable interest rate described in Sec. 682.202(a)(2)(iv); and

(ii) May not operate to extend the repayment period provided for in paragraph (a)(7)(i) of this section; and

(iii) Must be disbursed to the holder of the fixed-rate loan to discharge the borrower's obligation thereon.

(3) Upon receipt of the proceeds of a loan made under paragraph (f)(1) of this section, the holder of the fixed-rate loan shall, within five business days, apply the proceeds to discharge the borrower's obligation on the fixed-rate loan, and provide the refinancing lender with either a copy of the borrower's original promissory note evidencing the
Part 682—Federal Family Education Loan (FFEL) Program

A fixed-rate loan or the holder’s written certification that the borrower’s obligation on the fixed-rate loan has been fully discharged.

(4) The refinancing lender may charge the borrower an insurance premium on a loan made under paragraph (f)(1) of this section, but may not charge a fee to cover administrative costs.

(5) For purposes of deferments under Sec. 682.210, the refinancing loan:

(i) Is considered a PLUS loan if any of the included loans is a PLUS loan made to a parent;

(ii) Is considered an SLS loan if the combined loan does not include a PLUS loan made to a parent; or

(iii) Is considered a loan to a “new borrower” as defined in Sec. 682.210(b)(7), if all the loans that were refinanced were made on or after July 1, 1987, for a period of enrollment beginning on or after that date.

(g) Conditions for refinancing certain loans. (1) A lender may not refinance a loan under paragraphs (e) or (f) of this section if that loan is in default, involves a violation of a condition of reinsurance described in Sec. 682.406, or, in the case of a Federal SLS or PLUS loan, is uninsured by the Secretary.

(2)(i) Prior to refinancing a fixed-rate loan under paragraph (f) of this section, the lender shall obtain a written statement from the holder of the loan certifying that:

(A) The holder has refused to refinance the fixed-rate loan under paragraph (e) of this section; and

(B) The fixed-rate loan is eligible for insurance or reinsurance under paragraph (g)(1) of this section.

(ii) The holder of the fixed-rate loan shall, within 10 business days of receiving a lender’s written request to provide a certification under paragraph (g)(2)(ii) of this section, provide the lender with that certification, or provide the lender and the guarantor on the loan with a written explanation of the reasons for its inability to provide the certification to the requesting lender.

(iii) The refinancing lender may rely in good faith on the certification provided by the holder of the fixed-rate loan under paragraph (g)(2) of this section.

(h) Consolidation loans. (1) For a Consolidation loan, the repayment period begins on the day of disbursement, with the first payment due within 60 days after the date of disbursement.

(2) If the sum of the amount of the Consolidation loan and the unpaid balance on other student loans to the applicant:

(i) Is equal to or greater than $7,500 but less than $10,000, the borrower shall repay the Consolidation loan in not more than 12 years;

(ii) Is equal to or greater than $10,000 but less than $20,000, the borrower shall repay the Consolidation loan in not more than 15 years;

(iii) Is equal to or greater than $20,000 but less than $40,000, the borrower shall repay the Consolidation loan in not more than 20 years;

(iv) Is equal to or greater than $40,000 but less than $60,000, the borrower shall repay the Consolidation loan in not more than 25 years; or

(v) Is equal to or greater than $60,000, the borrower shall repay the Consolidation loan in not more than 30 years.

(3) In order to qualify for a repayment period under paragraph (h)(2)(ii) of this section, the Consolidation loan must include at least $5,000 in Title IV Part B loans.

(4) For the purpose of paragraph (h)(2) of this section, the unpaid balance on other student loans:

(i) May not exceed the amount of the Consolidation loan; and

(ii) Does not include the unpaid balance on any loan not made under Title IV of the HEA on which the borrower is in default, but may include the unpaid balance on a defaulted loan made under Title IV of the HEA if the borrower has made satisfactory repayment arrangements with the holder to repay that loan.

(iii) May include loans received prior to the date of the Consolidation loan provided that the loans are included within 180 days after the Consolidation loan is made.

(5) A repayment schedule for a Consolidation loan:

(i) Must be established by the lender;

(ii) Must provide for graduated or income-sensitive repayment; and

(iii) Must require that each payment equal at least the interest that accrues during the interval between scheduled payments.

(6) Upon receipt of the proceeds of a loan made under paragraph (h)(2) of this section, the holder of the underlying loan shall promptly apply the proceeds to discharge fully the borrower’s obligation on the underlying loan, and
provide the consolidating lender with the holder's written certification that the borrower's obligation on the underlying loan has been fully discharged.

(i) Treatment by a lender of borrowers' refunds received from schools. (1) A lender shall treat a payment of a borrower's refund of tuition or other institutional charges received by the lender from a school as a credit against the borrower's loan balance consistent with the requirements of Secs. 682.202 and 682.401.

(2)(i) If a lender receives a refund payment from a school on a loan that is no longer held by that lender, or that has been discharged by another lender by refinancing under 682.209(f) or by a Consolidation loan, the lender shall transmit the amount of the refund payment, within 30 days of its receipt, to the lender to whom it assigned the loan, or to the lender that discharged the prior loan, with an explanation of the source of the payment.

(ii) Upon receipt of a refund transmitted under paragraph (i)(2)(i) of this section, the holder of the loan promptly shall provide written notice to the borrower that the holder has received the refund.

(j) Certification on loans to be repaid through consolidation. Within 10 business days after receiving a written request for a certification from a lender under Sec. 682.206(f), a holder shall either provide the requesting lender the certification or, if it is unable to certify to the matters described in that paragraph, provide the requesting lender and the guarantor on the loan at issue with a written explanation of the reasons for its inability to provide the certification.

Sec. 682.210 Deferral.

(a) General. (1)(i) A borrower is entitled to have periodic installment payments of principal deferred during authorized periods after the beginning of the repayment period, pursuant to paragraph (b) of this section.

(i) With the exception of a deferral authorized under paragraph (a) of this section, a borrower may continue to receive a specific type of deferral that is limited to a maximum period of time only if the total amount of time that the borrower has received the deferral does not exceed the maximum time period allowed for the deferral.

(2)(i) For a loan made before October 1, 1981, the borrower is also entitled to have periodic installments of principal deferred during the six-month period (post-deferment grace period) that begins after the completion of each deferral period or combination of those periods, except as provided in paragraph (a)(2)(ii) of this section.

(ii) Once a borrower receives a post-deferment grace period following an unemployment deferment, as described in paragraph (b)(1)(v) of this section, the borrower does not qualify for additional post-deferment grace periods following subsequent unemployment deferments.

(3) Interest accrues and is paid by the borrower during the deferral period and the post-deferment grace period, if applicable, unless interest accrues and is paid by the Secretary if--

(i) in the case of a Stafford loan, the loan was determined to be eligible for interest benefits under Sec. 682.301 when the loan was made; or

(ii) in the case of a Consolidation loan for which the application was received by an eligible lender on or after January 1, 1993, during any period the borrower was eligible for a deferral under section 428(b)(1)(m).

(4) As a condition for receiving a deferral, the borrower shall request the deferral, and provide the lender with all information and documents required to establish eligibility for a specific type of deferral.

(5) An authorized deferral period begins on the date the condition entitling the borrower to the deferral first exists, but not more than six months before the date the lender receives a request and the information and documentation required for the deferral.

(6) An authorized deferral period ends on the earlier of--

(i) The date when the condition establishing the borrower's eligibility for the deferral ends;

(ii) Except as provided in paragraph (a)(6)(iv) of this section, the date on which, as certified by an authorized official, the borrower's eligibility for the deferral is expected to end;

(iii) Except as provided in paragraph (a)(6)(iv) of this section, the expiration date of the period covered by any certification required by this section to be obtained for the deferral;
(iv) In the case of a student deferment for a Stafford or PLUS loan made to a borrower guaranteed by a guaranty agency whose student status confirmation report system includes student status reports for each borrower with a student deferment, and in the case of an SLS loan made to a borrower for a period of enrollment that commences at the same time as the deferment, the student's anticipated graduation date as indicated on the loan application, and as updated by notice to the lender from the school or guaranty agency; or

(v) The date when the condition providing the basis for the borrower's eligibility for the deferment has continued to exist for the maximum amount of time allowed for that type of deferment.

(7) A lender may not deny a borrower a deferment to which the borrower is entitled, even though the borrower may be delinquent, but not in default, in making required installment payments. The 180- or 240-day period required to establish default does not run during the deferment and post-deferment grace periods. Unless the lender has granted the borrower forbearance under Sec. 682.211, when the deferment and, if applicable, the post-deferment grace period expire, a borrower resumes any delinquency status that existed when the deferment period began.

(8) A borrower whose loan is in default is not eligible for a deferment, unless the borrower has made payment arrangements acceptable to the lender prior to the payment of a default claim by a guaranty agency.

(9) The borrower promptly must inform the lender when the condition entitling the borrower to a deferment no longer exists.

(10) Authorized deferments are described in paragraph (b) of this section. Specific requirements for each deferment are set forth in paragraphs (c) through (r) of this section.

(11) If two individuals are jointly liable for repayment of a PLUS loan or a Consolidation loan, the lender shall grant a request for deferment if both individuals simultaneously meet the requirements of this section for receiving the same, or different deferments.

(b) Authorized deferments. (1) Deferment is authorized for a FFEL borrower during any period when the borrower is-

(i) Except as provided in paragraph (c)(4) of this section, engaged in full-time study at a school, or at a school that is operated by the Federal Government (e.g., the service academies), unless the borrower is not a national of the United States and is pursuing a course of study at a school not located in a State;

(ii) Engaged in a course of study under an eligible graduate fellowship program;

(iii) Engaged in a rehabilitation training program for disabled individuals;

(iv) Temporarily totally disabled, or unable to secure employment because the borrower is caring for a spouse or other dependent who is disabled and requires continuous nursing or similar services for up to three years; or

(v) Conscientiously seeking, but unable to find, full-time employment in the United States, for up to two years.

(2) For a borrower of a Stafford or SLS loan, and for a parent borrower of a PLUS loan made before August 15, 1983, deferment is authorized during any period when the borrower is-

(i) On active duty status in the United States Armed Forces, or an officer in the Commissioned Corps of the United States Public Health Service, for up to three years (including any period during which the borrower received a deferment authorized under paragraph (b)(5)(i) of this section);

(ii) A full-time volunteer under the Peace Corps Act, for up to three years;

(iii) A full-time volunteer under Title I of the Domestic Volunteer Service Act of 1973 (ACTION programs), for up to three years;

(v) Engaged in an internship of residency program, for up to two years (including any period during which the borrower received a deferment authorized under paragraph (b)(5)(iii) of this section).

(3) For a borrower of a Stafford or SLS loan who has been enrolled on at least a half-time basis at an eligible institution during the six months preceding the beginning of this deferment, deferment is authorized during a period of up to six months during which the borrower is-

(i)(A) Pregnant;

(B) Caring for his or her newborn child; or

(C) Caring for a child immediately following the placement of the child with the borrower before or immediately following adoption; and

(ii) Not attending a school or gainfully employed.

(4) For a "new borrower," as defined in paragraph (b)(7) of this section, of a Stafford, SLS, or PLUS loan,
deferment is authorized during periods when the borrower is engaged in at least half-time study at a school for a period of enrollment for which the borrower received a Stafford or SLS loan, unless the borrower is not a national of the United States and is pursuing a course of study at a school not located in a State.

(5) For a new borrower, as defined in paragraph (b)(7) of this section, of a Stafford or SLS loan, deferment is authorized during any period when the borrower is—

(i) On active duty status in the National Oceanic and Atmospheric Administration Corps, for up to three years (including any period during which the borrower received a deferment authorized under paragraph (b)(2)(i) of this section);

(ii) Up to three years of service as a full-time teacher in a public or non-profit private elementary or secondary school in a teacher shortage area designated by the Secretary under paragraph (q) of this section.

(iii) Engaged in an internship or residency program, for up to two years (including any period during which the borrower received a deferment authorized under paragraph (b)(2)(v) of this section); or

(iv) A mother who has preschool-age children (i.e., children who have not enrolled in first grade) and who is earning not more than $1 per hour above the Federal mini-mum wage, for up to 12 months of employment, and who began that full-time employment within one year of entering or re-entering the work force. Full-time employment involves at least 30 hours of work a week and is expected to last at least 3 months.

(6) For a parent borrower of a PLUS loan, deferment is authorized during any period when a student on whose behalf the parent borrower received the loan—

(i) Is not independent as defined in section 480(d) of the Act; and

(ii) Meets the conditions and provides the required documentation, for any of the deferments described in paragraphs (b)(2)(i)-(iii) and (b)(4) of this section.

(7) For purposes of this section, a "new borrower" with respect to a loan is a borrower who, on the date he or she signs the promissory note, has no outstanding balance on—

(i) A Stafford, SLS, or PLUS loan made prior to July 1, 1987 for a period of enrollment beginning prior to July 1, 1987; or

(ii) A Consolidation loan that repaid a loan made prior to July 1, 1987 and for a period of enrollment beginning prior to July 1, 1987.

(c) Student deferment. (1) Except as provided in paragraph (c)(4) of this section, to document eligibility for a deferment for full-time study or half-time study at a school, the borrower shall provide the lender with—

(i) A completed deferment application or certified loan application; and

(ii) A statement, which may be on the deferment application or a loan application, completed by an authorized official of the school certifying that the borrower is enrolled on a full-time basis, or, in the case of a deferment described in paragraph (b)(4) of this section, on at least a half-time basis; and

(iii) In the case of a deferment described in paragraph (b)(4) of this section for a borrower who is at least half-time but less than full-time, a statement from the financial aid administrator of the school or other documentation evidencing that the borrower has received, or will receive, a Stafford or SLS loan for the period of enrollment for which the deferment is sought.

(2) The lender shall consider a deferment granted on the basis of a certified loan application to cover the period lasting until the anticipated graduation date appearing on the application, unless and until it receives notice that the borrower has ceased the level of study (i.e., full-time or half-time) required for the deferment.

(3) In the case of a Stafford, SLS or PLUS borrower, the lender shall treat the certified loan application or other form certified by the school or for multiple holders of a borrower’s loans, shared data from the Student Status Confirmation Report, as sufficient documentation for a student deferment for any outstanding Stafford, SLS or PLUS loan previously made to the borrower.

(4) A borrower serving in a medical internship residency program, except for an internship in dentistry, is prohibited from receiving or continuing a deferment on a Stafford, SLS, or Consolidation loan under paragraph (c) of this section.

(d) Graduate fellowship deferment. (1) To qualify for a deferment for study in a graduate fellowship program, a borrower shall provide the lender with a statement from an authorized official of the borrower's fellowship program certifying—

(i) That the borrower holds at least a baccalaureate degree conferred by an institution of higher education;

(ii) That the borrower has been accepted or recommended by an institution of higher education for acceptance on a full-time basis into an eligible graduate fellowship program; and
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(iii) The borrower's anticipated completion date in the program.

(2) For purposes of paragraph (d)(1) of this section, an eligible graduate fellowship program is a fellowship program that—

(i) Provides sufficient financial support to graduate fellows to allow for full-time study for at least six months;

(ii) Requires a written statement from each applicant explaining the applicant's objectives before the award of that financial support;

(iii) Requires a graduate fellow to submit periodic reports, projects, or evidence of the fellow's progress; and

(iv) In the case of a course of study at a foreign university, accepts the course of study for completion of the fellowship program.

(e) Rehabilitation training program deferment. (1) To qualify for a rehabilitation training program deferment, a borrower shall provide the lender with a statement from an authorized official of the borrower's rehabilitation training program certifying that the borrower is either receiving, or is scheduled to receive, services under an eligible rehabilitation training program for disabled individuals.

(2) For purposes of paragraph (e)(1) of this section, an eligible rehabilitation training program for disabled individuals is a program that—

(i) Is licensed, approved, certified, or otherwise recognized as providing rehabilitation training to disabled individuals by—

(A) A State agency with responsibility for vocational rehabilitation programs;

(B) A State agency with responsibility for drug abuse treatment programs;

(C) A State agency with responsibility for mental health services program;

(D) A State agency with responsibility for alcohol abuse treatment programs; or

(E) The Department of Veterans Affairs; and

(ii) Provides or will provide the borrower with rehabilitation services under a written plan that—

(A) Is individualized to meet the borrower's needs;

(B) Specifies the date on which the services to the borrower are expected to end; and

(C) Is structured in a way that requires a substantial commitment by the borrower to his or her rehabilitation. The Secretary considers a substantial commitment by the borrower to be a commitment of time and effort that normally would prevent an individual from engaging in full-time employment, either because of the number of hours that must be devoted to rehabilitation or because of the nature of the rehabilitation. For the purpose of this paragraph, full-time employment involves at least 30 hours of work per week and is expected to last at least three months.

(f) Temporary total disability deferment. (1) To qualify for a temporary total disability deferment, a borrower shall provide the lender with a statement from a physician, who is a doctor of medicine or osteopathy and is legally authorized to practice, certifying that the borrower is temporarily totally disabled as defined in Sec. 682.200(b).

(2) A borrower is not considered temporarily totally disabled on the basis of a condition that existed before he or she applied for the loan, unless the condition has substantially deteriorated so as to render the borrower temporarily totally disabled, as substantiated by the statement required under paragraph (f)(1) of this section, after the borrower submitted the loan application.

(3) A lender may not grant a deferment based on a single certification under paragraph (f)(1) of this section beyond the date that is six months after the date of certification.

(g) Dependent's disability deferment. (1) To qualify for a deferment given to a borrower whose spouse or other dependent requires continuous nursing or similar services for a period of at least 90 days, the borrower shall provide the lender with a statement—

(i) From a physician, who is a doctor of medicine or osteopathy and is legally authorized to practice, certifying that the borrower's spouse or dependent requires continuous nursing or similar services for a period of at least 90 days; and

(ii) From the borrower, certifying that the borrower is unable to secure full-time employment because he or she is providing continuous nursing or similar services to the borrower's spouse or other dependent. For the purpose of this paragraph, full-time employment involves at least 30 hours of work per week and is expected to last at least three months.

(2) A lender may not grant a deferment based on a single certification under paragraph (g)(1) of this section beyond the date that is six months after the date of certification.
(h) Unemployment deferment. (1) To qualify for an unemployment deferment, a borrower shall provide the lender with a written certification—

(i) Describing the borrower's conscientious search for full-time employment during the preceding six months, except in the case of the initial period of unemployment, including, for each of at least six attempts to secure employment to support the period covered by the certification—

(A) The name of the employer contacted;
(B) The employer's address and phone number;
(C) The name or title of the person contacted; and

(ii) Setting forth the borrower's latest permanent home address and, if applicable, the borrower's latest temporary address; and

(iii) Affirming that the borrower has registered with a public or private employment agency, if one is within a 50-mile radius of the borrower's permanent or temporary address, specifying the agency's name and address and the date of registration.

(2) A borrower may qualify for an unemployment deferment whether or not the borrower has been previously employed.

(3) An unemployment deferment is not justified if the borrower refuses to seek or accept employment in kinds of positions or at salary and responsibility levels for which the borrower feels over qualified by virtue of education or previous experience.

(4) For the purpose of this paragraph, full-time employment involves at least 30 hours of work a week and is expected to last at least three months.

(5) A lender may not grant a deferment based on a single certification under paragraph (h)(1) of this section beyond the date that is six months after the date of the certification.

(6) A lender may accept, as an alternative to the certification of employer contacts required under paragraph (h)(1)(ii) of this section, comparable documentation the borrower has used to meet the requirements of the Unemployment Insurance Service, provided it shows the same number of contacts and contains the same information the borrower would be required to provide under the Department's regulations.

(i) Military deferment. (1) To qualify for a military deferment, a borrower shall provide the lender with—

(i) A written statement from the borrower's commanding or personnel officer certifying—

(A) That the borrower is on active duty in the Armed Forces of the United States;

(C) The date on which the borrower's service is expected to end; or

(ii) (A) A copy of the borrower's official military orders; and

(B) A copy of the borrower's military identification.

(2) For the purpose of this section, the Armed Forces means the Army, Navy, Air Force, Marine Corps, and the Coast Guard.

(3) A borrower enlisted in a reserve component of the Armed Forces may qualify for a military deferment only for service on a full-time basis that is expected to last for a period of at least one year in length, as evidenced by official military orders, unless an order for national mobilization of reservists is issued.

(i) That the internship or residency program is a supervised training program that requires the borrower to hold at least a baccalaureate degree prior to acceptance into the program;
(ii) That, except for a borrower that provides the statement from a State official described in paragraph (n)(2) of this section, the internship or residency program leads to a degree or certificate awarded by an institution of higher education, a hospital, or a health care facility that offers postgraduate training;
(iii) That the borrower has been accepted into the internship or residency program; and
(iv) The anticipated dates on which the borrower will begin and complete the internship or residency program, or, in the case of a borrower providing the statement described in paragraph (n)(2) of this section, the anticipated date on which the borrower will begin and complete the minimum period of participation in the internship program that the State requires be completed before an individual may be certified for professional practice or service.

(ii) A certification that he or she is teaching in a teacher shortage area designated by the Secretary as provided for in paragraphs (q)(5) through (7) of this section, as described in paragraph (q)(2) of this section.

(2) In order to satisfy the requirement for certification that a borrower is teaching in a teacher shortage area designated by the Secretary, a borrower must do one of the following:

(i) If the borrower is teaching in a State in which the Chief State School Officer has complied with paragraph (q)(3) of this section and provides an annual listing of designated teacher shortage areas to the State's chief administrative officers whose schools are affected by the Secretary's designations, the borrower may obtain a certification that he or she is teaching in a teacher shortage area from his or her school's chief administrative officer.

(ii) If a borrower is teaching in a State in which the Chief State School Officer has not complied with paragraph (q)(3) of this section or does not provide an annual listing of designated teacher shortage areas to the State's chief administrative officers whose schools are affected by the Secretary's designations, the borrower must obtain certification that he or she is teaching in a teacher shortage area from the Chief State School Officer for the State in which the borrower is teaching.

(3) In the case of a State in which borrowers wish to obtain certifications as provided for in paragraph (q)(2)(i) of this section, the State's Chief State School Officer must first have notified the Secretary, by means of a one-time written assurance, that he or she provides annually to the State's chief administrative officers whose schools are affected by the Secretary's designations and the guaranty agency for that State, a listing of the teacher shortage areas designated by the Secretary as provided for in paragraphs (q)(5) through (7) of this section.

(4) If a borrower who receives a deferment continues to teach in the same teacher shortage area as that in which he or she was teaching when the deferment was originally granted, the borrower shall, at the borrower's request, continue to receive the deferment for those subsequent years, up to the three-year maximum deferment period, even if his or her position does not continue to be within an area designated by the Secretary as a teacher shortage area in those subsequent years. To continue to receive the deferment in a subsequent year under this paragraph, the borrower shall provide the lender with a statement by the chief administrative officer of the public or nonprofit private elementary or secondary school that employs the borrower, certifying that the borrower continues to be employed as a full-time teacher in the same teacher shortage area for which the deferment was received for the previous year.

(5) For purposes of this section a teacher shortage area is--

(i) A geographic region of the State in which there is a shortage of elementary or secondary school teachers; or

(ii) A specific grade level or academic, instructional, subject-matter, or discipline classification in which there is a statewide shortage of elementary or secondary school teachers; and

(6) A teacher shortage area designated by the Secretary under paragraphs (q)(6) or (q)(7) of this section.

(6)(i) In order for the Secretary to designate one or more teacher shortage areas in a State for a school year, the Chief State School Officer shall by January 1 of the calendar year in which the school year begins, and in accordance with objective written standards, propose teacher shortage areas to the Secretary for designation. With respect to private nonprofit schools included in the recommendation, the Chief State
School Officer shall consult with appropriate officials of the private nonprofit schools in the State prior to submitting the recommendation.

(ii) In identifying teacher shortage areas to propose for designation under paragraph (q)(6)(i) of this section, the Chief State School Officer shall consider data from the school year in which the recommendation is to be made, unless that data is not yet available, in which case he or she may use data from the immediately preceding school year, with respect to--

(A) Teaching positions that are unfilled;

(B) Teaching positions that are filled by teachers who are certified by irregular, provisional, temporary, or emergency certification; and

(C) Teaching positions that are filled by teachers who are certified, but who are teaching in academic subject areas other than their area of preparation.

(iii) If the total number of unduplicated full-time equivalent (FTE) elementary or secondary teaching positions identified under paragraph (q)(6)(ii) of this section in the shortage areas proposed by the State for designation does not exceed 5 percent of the total number of FTE elementary and secondary teaching positions in the State, the Secretary designates those areas as teacher shortage areas.

(iv) If the total number of unduplicated FTE elementary and secondary teaching positions identified under paragraph (q)(6)(ii) of this section in the shortage areas proposed by the State for designation exceeds 5 percent of the total number of elementary and secondary FTE teaching positions in the State, the Chief State School Officer shall submit, with the list of proposed areas, supporting documentation showing the methods used for identifying shortage areas, and an explanation of the reasons why the Secretary should nevertheless designate all of the proposed areas as teacher shortage areas. The explanation must include a ranking of the proposed shortage areas according to priority, to assist the Secretary in determining which areas should be designated. The Secretary, after considering the explanation, determines which shortage areas to designate as teacher shortage areas.

(7) A Chief State School Officer may submit to the Secretary for approval an alternative written procedure to the one described in paragraph (q)(6) of this section, for the Chief State School Officer to use to select the teacher shortage areas recommended to the Secretary for designation, and for the Secretary to use to choose the areas to be designated. If the Secretary approves the proposed alternative procedure, in writing, that procedure, once approved, may be used instead of the procedure described in paragraph (q)(6) of this section for designation of teacher shortage areas in that State.

(8) For purposes of paragraphs (q)(1) through (7) of this section--

(i) The definition of the term school in Sec. 682.200(b) does not apply;

(ii) Elementary school means a day or residential school that provides elementary education, as determined under State law;

(iii) Secondary school means a day or residential school that provides secondary education, as determined under State law. In the absence of applicable State law, the Secretary may determine, with respect to that State, whether the term "secondary school" includes education beyond the twelfth grade;

(iv) Teacher means a professional who provides direct and personal services to students for their educational development through classroom teaching;

(v) Chief State School Officer means the highest ranking educational official for elementary and secondary education for the State;

(vi) School year means the period from July 1 of a calendar year through June 30 of the following calendar year;

(vii) Teacher shortage area means an area of specific grade, subject matter, or discipline classification, or a geographic area in which the Secretary determines that there is an inadequate supply of elementary or secondary school teachers; and

(viii) Full-time equivalent means the standard used by a State in defining full-time employment, but not less than 30 hours per week. For purposes of counting full-time equivalent teacher positions, a teacher working part of his or her total hours in a position that is designated as a teacher shortage area is counted on a pro rata basis corresponding to the percentage of his or her working hours spent in such a position.

(f) Working-mother deferment. (1) To qualify for the working-mother deferment described in paragraph (b)(5)(iv) of this section, the borrower shall provide the lender with a statement certifying that she--

(iv) Does not receive compensation that exceeds $1 per hour above the rate prescribed under section 6 of the Fair Labor Standards Act of 1938 (the Federal minimum wage).

(2) In addition to the certification required under paragraph (o)(1) of this section, the borrower shall provide to the lender documents demonstrating the age of her child (e.g., a birth certificate) and the rate of her compensation (e.g., a pay stub showing her hourly rate of pay).

(3) For purposes of this paragraph—

(i) A preschool-age child is one who has not yet enrolled in first grade or a higher grade in elementary school; and

(ii) Full-time employment involves at least 30 hours of work a week and is expected to last at least 3 months.

(a) Deferrals for new borrowers on or after July 1, 1993—(1) General. A new borrower who receives an FFEL Program loan first disbursed on or after July 1, 1993 is entitled to receive deferrals under paragraphs (s)(2) through (s)(6) of this section. For purposes of this section, a "new borrower" is an individual who has no outstanding principal or interest balance on an FFEL Program loan as of July 1, 1993 or on the date he or she obtains a loan on or after July 1, 1993. This term also includes a borrower who obtains a Federal Consolidation Loan on or after July 1, 1993 if the borrower has no other outstanding FFEL Program loan when the Consolidation Loan was made.

(2) Student deferment. An eligible borrower is entitled to a deferment for at least half-time study in accordance with the rules prescribed in Sec. 682.210(c), except that the borrower is not required to obtain a Stafford or SLS loan for the period of enrollment covered by the deferment.

(3) Graduate fellowship deferment. An eligible borrower is entitled to a graduate fellowship deferment in accordance with the rules prescribed in Sec. 682.210(d).

(4) Rehabilitation training program deferment. An eligible borrower is entitled to a rehabilitation training program deferment in accordance with the rules prescribed in Sec. 682.210(e).

(5) Unemployment deferment. An eligible borrower is entitled to an unemployment deferment in accordance with the rules prescribed in Sec. 682.210(h) for periods that, collectively, do not exceed 3 years.

(6) Economic hardship deferment. An eligible borrower is entitled to an economic hardship deferment for periods of up to one year at a time that, collectively, do not exceed 3 years, if the borrower provides documentation satisfactory to the lender showing that the borrower—

(i) Has been granted an economic hardship deferment under either the Direct Loan or Federal Perkins Loan Programs for the period of time for which the borrower has requested an economic hardship deferment for his or her FFEL loan;

(ii) Is receiving payment under a Federal or State public assistance program, such as Aid to Families with Dependent Children, Supplemental Security Income, Food Stamps, or State general public assistance;

(iii) Is working full-time and earning a total monthly gross income that does not exceed the greater of—

(A) The minimum wage rate described in section 6 of the Fair Labor Standards Act of 1938; or

(B) An amount equal to 100 percent of the poverty line for a family of two, as determined in accordance with section 673(2) of the Community Service Block Grant Act;

(iv) Is working full-time and has a Federal education debt burden that equals or exceeds 20 percent of the borrower's total monthly gross income, and the borrower's income minus such burden is less than 220 percent of the amount calculated under paragraph (s)(6)(iii) of this section; or

(v) Is not working full-time and has a total monthly gross income that does not exceed twice the amount calculated under paragraph (s)(6)(iii) of this section and, after deducting an amount equal to the borrower's Federal education debt burden, as determined under paragraph (s)(6)(vi) of this section, the remaining amount of that income does not exceed the amount specified in paragraph (s)(6)(iii) of this section.

(vi) In determining a borrower's Federal education debt burden for purposes of an economic hardship deferment under paragraphs (s)(6)(iv) through (v) of this section, the lender shall count only the monthly payment amount (or a proportional share if the payments are due less frequently than monthly) that would have been owed on a Federal postsecondary education loan if the loan had been scheduled to be repaid in 10 years from the date the borrower entered repayment, regardless of the length of the borrower's actual repayment schedule or the actual monthly payment amount (if any) that would be owed during the period that the borrower requested an economic hardship deferment. The lender shall require the borrower to provide evidence that would enable the lender to determine the amount of the monthly payments that would have been owed by the borrower during the deferment period to other entities for Federal postsecondary education loans in accordance with paragraph (s)(6)(vi) of this section.

(vii) For an initial period of deferment granted under paragraphs (s)(6)(iii) through (v) of this section, the lender shall require the borrower to submit evidence showing the amount of the borrower's most recent total monthly gross income, as
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

defined in paragraph (s)(6)(ix) of this section.

(viii) To qualify for a subsequent period of deferment that begins less than one year after the end of a period of deferment under paragraphs (s)(6)(iii) through (v) of this section, the lender shall require the borrower to submit evidence showing the amount of the borrower's most recent total monthly gross income, as defined in paragraph (s)(6)(ix) of this section, and a copy of the borrower's Federal income tax return if the borrower filed a tax return within eight months prior to the date the deferment is requested.

(ix) For purposes of paragraph (s)(6) of this section, a borrower's total monthly gross income shall be the gross amount of income received by the borrower from employment (either full-time or part-time) and from other sources.

(x) For purposes of paragraph (s)(6) of this section, a borrower is considered to be working full-time if the borrower is expected to be employed for at least three consecutive months at 30 hours per week.

Sec. 682.211 Forbearance.

(a)(1) The Secretary encourages a lender to grant forbearance for the benefit of a borrower or endorser in order to prevent the borrower or endorser from defaulting on the borrower's or endorser's repayment obligation, or to permit the borrower or endorser to resume honoring that obligation after default. Forbearance means permitting the temporary cessation of payments, allowing an extension of time for making payments, or temporarily accepting smaller payments than previously were scheduled.

(2) Subject to paragraph (h) of this section, a lender may grant forbearance of payments of principal and interest under paragraphs (b), (c), and (d) of this section only if--

(i) The lender reasonably believes, and documents in the borrower's file, that the borrower or endorser intends to repay the loan but, due to poor health or other acceptable reasons, is currently unable to make scheduled payments; or

(ii) The borrower's payments of principal are deferred under Sec. 682.210 and the Secretary does not pay interest benefits on behalf of the borrower under Sec. 682.301.

(3) If two individuals are jointly liable for repayment of a PLUS loan or a Consolidation loan, the lender may grant forbearance on repayment of the loan only if the ability of both individuals to make scheduled payments has been impaired.

(4) If payments of interest are forbore, they may be capitalized as provided in Sec. 682.202(b).

(b) A lender may grant forbearance if the lender and the borrower or endorser agree in writing to the terms of the forbearance, or, in the case of forbearance of interest during a period of deferment, if the lender informs the borrower at the time the deferrment is granted that interest payments are to be forbore.

(c) A lender may grant forbearance for a period of up to one year at a time if both the borrower or endorser and an authorized official of the lender agree in writing to the forbearance.

(d) A guaranty agency may authorize a lender to grant forbearance to permit a borrower or endorser to resume honoring the agreement to repay the debt after default. The terms of the forbearance agreement in this situation must include a new signed repayment obligation.

(e) Except in the case of forbearance of interest payments during a deferment period or a forbearance granted under paragraph (g) of this section, if a forbearance involves the postponement of all payments, the lender must contact the borrower or endorser by telephone or send a written notice to the borrower or endorser at least once every three months during the period of forbearance to remind the borrower or endorser of the outstanding obligation to repay.

(f) A lender may grant administrative forbearance, upon notice to the borrower or if applicable, the endorser, with respect to payments of interest and principal that are overdue or that would be overdue--

(1) For a properly granted period of deferment for which the lender learns the borrower did not qualify;

(2) Upon the beginning of an authorized deferment period;

(3) For the period beginning when the borrower entered repayment until the first payment due date was established;

(4) For a period as authorized by the Secretary in the event of a national military mobilization or other national emergency; or
(5) For the period prior to the borrower's filing of a bankruptcy petition as provided in Sec. 682.402(d).

(6) For a period not to exceed 60 days after the lender receives reliable information indicating that the borrower (or student in the case of a PLUS loan) has died, or the borrower has become totally and permanently disabled, until the lender receives documentation of death or total and permanent disability, pursuant to Sec. 682.402(b) or (c);

(7) For periods necessary for the Secretary or guaranty agency to determine the borrower's eligibility for discharge of the loan because of attendance at a closed school or false certification of loan eligibility, pursuant to Sec. 682.402(d) or (e), or the borrower's or, if applicable, endorser's bankruptcy, pursuant to Sec. 682.402(f); or

(8) For a period of delinquency at the time a loan is sold or transferred, if the borrower or endorser is less than 60 days delinquent on the loan at the time of sale or transfer.

(9) For a period of delinquency that may remain after a borrower ends a period of deferment or mandatory forbearance until the next due date is established in accordance with Sec. 682.209(a)(3)(ii)(B).

(g) Upon the written request of the borrower, a lender shall grant forbearance of principal and, unless otherwise indicated by the borrower, interest, in intervals not to exceed 12 months, to a borrower whose deferment received under Sec. 682.210(n) has expired until the borrower has completed the internship or residency.

(h) In granting a forbearance under this section, except for a forbearance under paragraph (j)(5), a lender shall grant a temporary cessation of payments, unless the borrower chooses another form of forbearance subject to paragraph (a)(1) of this section.

(i) Mandatory forbearance. (1) Medical or dental interns or residents. Upon receipt of a written request and sufficient supporting documentation, as described in Sec. 682.210(n), from a borrower serving in a medical or dental internship or residency program, a lender shall grant forbearance to the borrower in yearly increments (or a lesser period equal to the actual period during which the borrower is eligible) if the borrower has exhausted his or her eligibility for a deferment under Sec. 682.210(n), or the borrower's promissory note does not provide for such a deferment--

(i) For the length of time remaining in the borrower's medical or dental internship or residency that must be successfully completed before the borrower may begin professional practice or service; or

(ii) For the length of time that the borrower is serving in a medical or dental internship or residency program leading to a degree or certificate awarded by an institution of higher education, a hospital, or a health care facility that offers postgraduate training.

(2) Borrowers who are not medical or dental interns or residents, and endorsers. Upon receipt of a written request and sufficient supporting documentation from an endorser (if applicable), or from a borrower (other than a borrower who is serving in a medical or dental internship or residency described in paragraph (i)(1) of this section), a lender shall grant forbearance--

(i) In increments up to one year, for periods that collectively do not exceed three years, if-

(A) The borrower or endorser is currently obligated to make payments on Title IV loans; and

(B) The amount of those payments each month (or a proportional share if the payments are due less frequently than monthly) is collectively equal to or greater than 20 percent of the borrower's or endorser's total monthly income;

(ii) In yearly increments (or a lesser period equal to the actual period during which the borrower is eligible) for as long as a borrower--

(A) Is serving in a national service position for which the borrower receives a national service educational award under the National and Community Service Trust Act of 1993;

(B) Is eligible for loan forgiveness under the Federal Stafford Loan Forgiveness Demonstration Program, if the program is funded, for performing the type of service described in Sec. 682.215(b); or

(C) Is performing the type of service that would qualify the borrower for a partial repayment of his or her loan under the Student Loan Repayment Programs administered by the Department of Defense under 10 U.S.C. 2171.

(3) Documentation. (i) Before granting a forbearance to a borrower or endorser under paragraph (i)(2)(i) of this section, the lender shall require the borrower or endorser to submit at least the following documentation:

(A) Evidence showing the amount of the most recent total monthly gross income received by the borrower or endorser from employment and from other sources; and

(B) Evidence showing the amount of the monthly payments owed by the borrower or endorser to other entities for the most recent month for the borrower's or endorser's Title IV loans.

(ii) Before granting a forbearance to a borrower or endorser under paragraph (i)(2)(ii)(B) of this section, the lender shall require the borrower or endorser to submit documentation showing the beginning and ending dates that
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

the borrower is expected to perform the type of service described in Sec. 682.215(b).

(iii) Before granting a forbearance to a borrower or endorser under paragraph (i)(2)(ii)(C) of this section, the lender shall require the borrower or endorser to submit documentation showing the beginning and ending dates that the Department of Defense considers the borrower to be eligible for a partial repayment of his or her loan under the Student Loan Repayment Programs.

(j) Mandatory administrative forbearance. (1) The lender shall grant a mandatory administrative forbearance for the periods specified in paragraph (j)(2) of this section until the lender is notified by the Secretary or a guaranty agency that the forbearance period no longer applies. The lender may not require a borrower who is eligible for a forbearance under paragraph (j)(2)(ii) of this section to submit a request or supporting documentation, but shall require a borrower (or endorser, if applicable) who requests forbearance because of a military mobilization to provide documentation showing that he or she is subject to a military mobilization as described in paragraph (j)(4) of this section.

(2) The lender is not required to notify the borrower (or endorser, if applicable) at the time the forbearance is granted, but shall grant a forbearance to a borrower or endorser during a period, and the 30 days following the period, when the lender is notified by the Secretary that—

(i) Exceptional circumstances exist, such as a local or national emergency or military mobilization; or

(ii) The geographical area in which the borrower or endorser resides has been designated a disaster area by the president of the United States or Mexico, the prime minister of Canada, or by a governor of a state.

(3) As soon as feasible, or by the date specified by the Secretary, the lender shall notify the borrower (or endorser, if applicable) that the lender has granted a forbearance and the date that payments should resume. The lender's notification shall state that the borrower or endorser—

(i) May decline the forbearance and continue to be obligated to make scheduled payments; or

(ii) Consents to making payments in accordance with the lender's notification if the forbearance is not declined.

(4) For purposes of paragraph (j)(2)(i) of this section, the term "military mobilization" shall mean a situation in which the Department of Defense orders members of the National Guard or Reserves to active duty under sections 672(a), 672(g), 673, 673b, 674, or 688 of title 10, United States Code. This term also includes the assignment of other members of the Armed Forces to duty stations at locations other than the locations at which they were normally assigned, only if the military mobilization involved the activation of the National Guard or Reserves.

(5) The lender shall grant a mandatory administrative forbearance to a borrower (or endorser, if applicable) during a period when the borrower (or endorser, if applicable) is making payments for a period of—

(i) Up to 3 years of payments in cases where the effect of a variable interest rate on a standard or graduated repayment schedule would result in a loan not being repaid within the maximum repayment term; or

(ii) Up to 5 years of payments in cases where the effect of decreased installment amounts paid under an income-sensitive repayment schedule would result in the loan not being repaid within the maximum repayment term.

Sec. 682.212 Prohibited transactions.

(a) No points, premiums, payments, or additional interest of any kind may be paid or otherwise extended to any eligible lender or other party in order to—

(1) Secure funds for making loans; or

(2) Induce a lender to make loans to either the students or the parents of students of a particular school or particular category of students or their parents.

(b) The following are examples of transactions that, if entered into for the purposes described in paragraph (a) of this section, are prohibited:

(1) Cash payments by or on behalf of a school made to a lender or other party.

(2) The maintaining of a compensating balance by or on behalf of a school with a lender.

(3) Payments by or on behalf of a school to a lender of servicing costs on loans that the school does not own.
(4) Payments by or on behalf of a school to a lender of unreasonably high servicing costs on loans that the school does own.

(5) Purchase by or on behalf of a school of stock of the lender.

(6) Payments ostensibly made for other purposes.

(c) Except when purchased by the Student Loan Marketing Association, an agency of any State functioning as a secondary market or in any other circumstances approved by the Secretary, notes, or any interest in notes, may not be sold or otherwise transferred at discount if the underlying loans were made—

(1) By a school; or

(2) To students or parents of students attending a school by a lender having common ownership with that school.

(d) Except to secure a loan from the Student Loan Marketing Association or an agency of a State functioning as a secondary market or in other circumstances approved by the Secretary, a school or lender (with respect to a loan made to a student, or a parent of a student, attending a school having common ownership with that lender), may not use a loan made under the FFEL programs as collateral for any loan bearing aggregate interest and other charges in excess of the sum of the interest rate applicable to the loan plus the rate of the most recently prescribed special allowance under Sec. 682.302.

(e) The prohibitions described in paragraphs (a), (b), (c), and (d) of this section apply to any school, lender, or other party that would participate in a proscribed transaction—

(1) Covers future reductions by the Secretary or a guaranty agency in computing the amount of loss payable on default claims filed on the loans, if the reductions are attributable to an act, or failure to act, on the part of the seller or previous holder; and

(2) Does not cover matters for which a purchaser is charged with responsibility under this part, such as due diligence in collecting loans.

(g) Section 490(c) of the Act provides that any person who knowingly and willfully makes an unlawful payment to an eligible lender as an inducement to make, or to acquire by assignment, a FFEL loan shall, upon conviction thereof, be fined not more than $10,000 or imprisoned not more than one year, or both.

(Sec. 682.213 Prohibition against the use of the Rule of 78s.

For purposes of the calculations required by this part, a lender may not use the Rule of 78s to calculate the outstanding principle balance of a loan, except for a loan made to a borrower who entered repayment before June 26, 1987 and who was informed in the promissory note that interest on the loan would be calculated using the Rule of 78s. For those loans, the Rule of 78s must be used for the life of the loan.

(Sec. 682.214 Compliance with equal credit opportunity requirements.

In making a Stafford loan on which interest benefits are to be paid, a lender shall comply with the equal credit opportunity requirements of Regulation B (12 CFR part 202). With regard to Regulation B, the Secretary considers the Stafford loan program to be a credit-assistance program authorized by Federal law for the benefit of an economically disadvantaged class of persons within the meaning of 12 CFR 202.8(a)(1). Therefore, under 12 CFR 202.8(d), the lender may request a loan applicant to disclose his or her marital status, income from alimony, child support, and separate maintenance income, and spouse's financial resources.

(Sec. 682.215 Federal Stafford Loan forgiveness demonstration program.

(a) General. The Federal Stafford Loan forgiveness demonstration program is intended to encourage individuals to enter the teaching and nursing professions and to perform national and community service. Under this demonstration program, the Secretary repays portions of unsubsidized, subsidized and nonsubsidized Federal Stafford obligations that were incurred by a borrower during the borrower's last two years of undergraduate education if that borrower worked in those professions or performed that service. For purposes of this section, an eligible borrower is a borrower who, as of October 1, 1989, had no outstanding debt under the FFEL programs.
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(b) Borrower eligibility; requirements for qualification. A borrower may obtain loan forgiveness under this program if he or she was employed as a full-time teacher in certain elementary and secondary schools teaching certain subjects or as a full-time nurse in certain types of hospitals or health care centers, or was serving as a volunteer under the Peace Corps Act or under the Domestic Volunteer Service Act of 1973, or was performing comparable service as a full-time employee of a tax exempt organization under section 501(c)(3) of the Internal Revenue Code of 1986. For purposes of this section, full-time means the standard used by a State or profession in defining full-time employment. For a borrower serving in more than one organization, the determination of "full-time" is based on the combination of all qualifying employment. A borrower who is in default on a FFEL loan and has not made satisfactory repayment arrangements is not eligible for forgiveness. However, if a borrower has made satisfactory repayment arrangements on the loan or loans in default, the forgiveness applies only to the loan or loans held by the holder that are not in default. Federal Stafford loans that have been rehabilitated are eligible for forgiveness.

(c) Application. To qualify for the forgiveness program, an eligible borrower shall apply to the Secretary each year following a completed year of service, but no earlier than September 1 and no later than October 1 of a given year. The application must be in writing, on a form provided by the Secretary and according to procedures established by the Secretary. An eligible borrower must complete a year of service prior to filing a loan forgiveness application with the Secretary. Eligible borrowers are chosen on a first-come, first-served basis to participate and must receive forbearance upon request for each year of service for which forgiveness is requested. An eligible borrower must reapply each year to receive the forgiveness benefit. Incomplete or inaccurate applications are not considered in the first-come, first-served process. If a borrower initially submits an incomplete or inaccurate application, the borrower must provide a completed application to the Secretary or his designee prior to consideration in the selection process.

(d) Limitation; Stafford forgiveness recipients. The total amount of loans forgiven is limited to the amount of funds appropriated for the fiscal year for the demonstration program.

(e) Borrower eligibility; teaching forgiveness. (1) To qualify for teaching loan forgiveness under this section, a borrower must have taught full-time for a year (as defined by the jurisdiction in which the borrower is employed) in a teacher shortage area as certified by the authorizing official. For purposes of this paragraph a teacher has taught in a teacher shortage area if--

(i) The teacher taught in a school that satisfied the criteria in section 465(a)(2)(A) of the Act for loan cancellation for Perkins loan recipients who teach in those schools; and

(ii) The teacher taught mathematics, science, foreign languages, special education, bilingual education or in any other field of expertise where the State educational agency determined there was a shortage of qualified teachers.

(2) The borrower, in the time frame provided under paragraph (c) of this section, for the year of service for which forgiveness is requested, must provide to the Secretary or his designee--

(i) A statement by the chief administrative officer of the public elementary or secondary school in which the borrower was teaching--

(A) Certifying the year that the borrower was employed as a full-time teacher;

(B) Certifying which subject area listed in paragraph (e)(1)(ii) of this section or designated by the State educational agency the borrower taught; and

(C) Verifying that the borrower taught in a school that satisfies the requirements of paragraph (e)(1)(i) of this section.

(f) Borrower eligibility; volunteer service forgiveness. (1) To qualify for the volunteer service loan forgiveness under this paragraph, a borrower must have served as a full-time volunteer for at least a year (defined as twelve consecutive months) under--

(A) The Peace Corps Act; or

(B) The Domestic Volunteer Service Act of 1973 (ACTION programs).

(ii) A borrower may also qualify for the volunteer service loan forgiveness if the borrower performed service comparable to service provided under paragraph (f)(1) of this section as a full-time employee of an organization that is exempt from taxation under section 501(c)(3) of the Internal Revenue Code of 1986, if the borrower did not receive compensation that exceeds the greater of--

(A) The minimum wage rate described in section 6 of the Fair Labor Standards Act of 1938; or

(B) An amount equal to 100 percent of the poverty line for a family of two as defined in section 673(2) of the Community Services Block Grant Act.

(2) To qualify under this paragraph, the borrower must--

(i) Have worked for an organization that provides services to low income persons and their communities to assist them in eliminating poverty and poverty-related human, social, and environmental conditions; and
(ii) Not, as part of his or her duties, have given religious instruction, conducted worship services, engaged in religious proselytizing, or engaged in fund-raising to support religious activities.

(3) The borrower, in the time frame provided under paragraph (c) of this section, for the year of service for which forgiveness is requested under paragraphs (f)(1), (f)(2), or (f)(3) of this section must provide to the Secretary or his designee a statement from an authorized official of the organization or agency for whom the borrower worked certifying—

(i) That the borrower served in a job that satisfies the requirements of this paragraph;

(ii) The date on which the borrower's service began; and

(iii) The date on which the borrower completed the year of service.

(g) Borrower eligibility; nursing profession loan forgiveness. (1) To qualify for the nursing profession loan forgiveness under this paragraph, a borrower must have been employed as a full-time nurse for a public hospital, a rural health clinic, a migrant health clinic, an Indian Health Service Health Center, an Indian Health Center, a Native Hawaiian Health Center or for an acute care or long-term care facility.

(2) To qualify for loan forgiveness under this paragraph, a borrower, in the time frame provided under paragraph (c) of this section, for the year of service for which forgiveness is requested, must provide to the Secretary or his designee—

(i) A statement from an authorized official where the borrower was employed certifying that the borrower was employed as a full-time nurse for a facility described in this section and served for the term of at least one year (defined as twelve consecutive months);

(ii) The date on which the borrower's service began; and

(iii) The date on which the borrower's year of service ended.

(h) Forgiveness amounts. (1) The Secretary repays the holder a percentage of the total amount of Stafford loans owed by the eligible borrower for—

(i) The borrower's last 2 years of undergraduate education; or

(ii) The 2 academic years in which a borrower who was not already participating in loan repayment pursuant to this section returned to an institution of higher education for the purpose of obtaining a post graduate teaching certificate or additional teacher certification.

(2) The Secretary repays loans on the following basis:

(i) 15 percent of the total original principal amount of Federal Stafford loans for each of the first two years in which the borrower is awarded the benefit and meets the requirements of this section.

(ii) 20 percent of the total original principal amount for each of the third and fourth years.

(iii) 30 percent of the total original principal amount for the fifth year.

(3) The Secretary repays the holder for the amount of interest, including capitalized interest, which accrued on the loan or loans subject to forgiveness over the year.

(4) Payments made by the Secretary must be applied first to the unsubsidized Federal Stafford portion of the loan, followed by the subsidized Federal Stafford portion, and then the nonsubsidized Federal Stafford portion.

(5) The amount of payments made by the Secretary under paragraphs (h)(2)(i), (h)(2)(ii), and (h)(2)(iii) of this section may not exceed the sum of the outstanding principal balance of the loan or loans subject to forgiveness plus all interest payments made in accordance with paragraph (h)(3) of this section.

(6) Payments received from a borrower who qualifies for loan forgiveness under this section may not be refunded.

(i) Definitions. The following definitions apply to this section:

Sec. 682.303 [Reserved]

Sec. 682.304 Methods for computing interest benefit and special allowance.

(a) General. The Secretary pays a lender interest benefits and special allowance on eligible loans on a quarterly basis. These calendar quarters end on March 31, June 30, September 30, and December 31 of each year. A lender may use either the average daily balance method or the actual accrual method to determine the amount of interest benefits payable on a lender’s loans. A lender shall use the average
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

daily balance method to determine the balance on which the Secretary computes the amount of special allowance payable on its loans.

(b) Average daily balance method for interest benefits. (1) Under this method, the lender adds the unpaid principal balance outstanding on all loans qualifying for interest benefits at each actual interest rate for each day of the quarter, divides the sum by the number of days in the quarter, and rounds the result to the nearest whole dollar. The resulting figure is the average daily balance for qualified loans outstanding at each actual interest rate.

(2) The Secretary computes the interest benefits due on all qualified loans at each actual interest rate by multiplying the average daily balance thereof by the actual interest rate, multiplying this result by the number of days in the quarter, and then dividing this result by the actual number of days in the year.

(c) Actual accrual method for interest benefits. (1) Under this method, the lender computes the total unpaid principal balance outstanding on all qualified loans at each actual interest rate on each day of the quarter, multiplies this result by the actual interest rate, and divides this result by the actual number of days in the year, or, alternatively, 365.25 days. A lender who chooses to divide by 365.25 days must do so for four consecutive years.

(2) The interest benefits due for a quarter equal the sum of the daily interest benefits due, computed under paragraph (c)(1) of this section, for each day of the quarter.

(d) Average daily balance method for special allowance. (1) To compute the average daily balance outstanding for purposes of special allowance, the lender adds the unpaid principal balance outstanding on all qualified loans at each applicable interest rate for each day of the quarter, divides this sum by the number of days in the quarter, and rounds the result to the nearest whole dollar. The resulting figure is the average daily balance for the quarter for qualifying loans at each applicable interest rate.

(2) The Secretary computes the special allowance payable to a lender based upon the average daily balance computed by the lender under paragraph (d)(1) of this section.

(Authority: 20 U.S.C. 1082, 1087-1)

Sec. 682.305 Procedures for payment of interest benefits and special allowance.

(a) General. (1) To receive payments of interest benefits and special allowance, a lender must submit quarterly reports to the Secretary on a form provided or prescribed by the Secretary.

(2) The lender shall report, on the quarterly report required by paragraph (a)(1) of this section, the amount of origination fees it was authorized to collect and the amount of those fees refunded to borrowers during the quarter covered by the report.

(3) The Secretary reduces the amount of interest benefits and special allowance payable to the lender by the amount of origination fees the lender was authorized to collect during the quarter under Sec. 682.202(c), whether or not the lender actually collected that amount. The Secretary increases the amount of interest benefits and special allowance payable to the lender by the amount of origination fees refunded to borrowers during the quarter under Sec. 682.202(c).

(4) If an originating lender sells or otherwise transfers a loan to a new holder, the originating lender remains liable to the Secretary for payment of the origination fees. The Secretary will not pay interest benefits or special allowance to the new holder or pay reinsurance to the guaranty agency until the origination fees are paid to the Secretary.

(b) Penalty interest. (1)(i) If the Secretary does not pay interest benefits or the special allowance within 30 days after the Secretary receives an accurate, timely, and complete request for payment from a lender, the Secretary pays the lender penalty interest.

(ii) The payment of interest benefits or special allowance is deemed to occur, for purposes of this paragraph, when the Secretary—

(A) Authorizes the Treasury Department to pay the lender;

(B) Credits the payment due the lender against a debt that the Secretary determines is owed the Secretary by the lender; or

(C) Authorizes the Treasury Department to pay the amount due by the lender to another Federal agency for credit against a debt that the Federal agency has determined the lender owes.

(2) Penalty interest is an amount that accrues daily on interest benefits and special allowance due to the lender. The penalty interest is computed by—

(i) Multiplying the daily interest rate applicable to loans on which payment for interest benefits was requested, by the amount of interest benefits due on those loans for each interest rate;

(ii) Multiplying the daily special allowance rate applicable to loans on which special allowance was requested by the amount of special allowance due on those loans for each interest rate and special allowance category;
(iii) Adding the results of paragraphs (b)(2)(i) and (ii) of this section to determine the gross penalty interest to be paid for each day that penalty interest is due;

(iv) Dividing the results of paragraph (b)(2)(iii) of this section by the gross amount of interest benefits and special allowance due to obtain the average penalty interest rate;

(v) Multiplying the rate obtained in paragraph (b)(2)(iv) of this section by the total amount of reduction to gross interest benefits and special allowance due (e.g., origination fees or other debts owed to the Federal government);

(vi) Subtracting the amount calculated in paragraph (b)(2)(v) of this section from the amount calculated under paragraph (b)(2)(iii) of this section to obtain the net amount of penalty interest due per day; and

(vii) Multiplying the amount calculated in paragraph (b)(2)(vi) of this section by the number of days calculated under paragraph (b)(3) of this section.

(3) The Secretary pays penalty interest for the period--

(i) Beginning on the later of--

(A) The 31st day after the final day of the quarter covered by the request for payment; or

(B) The 31st day after the Secretary's receipt of an accurate, timely, and complete request for payment from the lender; and

(ii) Ending on the day the Secretary pays the interest benefits and the special allowance at issue, in accordance with paragraph (b)(1)(ii) of this section.

(4) A request for interest benefits and special allowance is considered timely only if it is received by the Secretary within 90 days following the end of the quarter to which the request pertains.

(5) A request for interest benefits and special allowance is not considered accurate and complete if it--

(i) Requests payments to which the lender is not entitled under Sec. 682.300 through Sec. 682.302;

(ii) Includes loans that the Secretary, in writing, has directed that the lender exclude from the request;

(iii) Does not contain all information required by the Secretary or contains conflicting information; or

(iv) Is not provided and certified on the form and in the manner prescribed by the Secretary.

(c) Independent audits. (1) A lender shall arrange for an independent annual compliance audit conducted by a qualified independent organization or person.

(2) The audit required under paragraph (c)(1) of this section must--

(i) Examine the lender's compliance with the Act and applicable regulations;

(ii) Examine the lender's financial management of its FFEL program activities;

(iii) Be conducted in accordance with the standards for audits issued by the United States General Accounting Office's (GAO's) Government Auditing Standards. Procedures for audits are contained in an audit guide developed by and available from the Office of the Inspector General of the Department;

(iv) Be conducted at least annually and be submitted to the Secretary within six months of the end of the audit period. The initial audit must be of the lender's first fiscal year that begins after July 23, 1992, and must be submitted within six months of the end of the audit period. Each subsequent audit must cover the lender's activities for the period beginning no later than the end of the period covered by the preceding audit;

(v) With regard to a lender that is a governmental entity, the audit required by this paragraph must be conducted in accordance with 31 U.S.C. 7502 and 34 CFR part 80, appendix G; and

(vi) With regard to a lender that is a nonprofit organization, the audit required by this paragraph must be conducted in accordance with OMB Circular A-133, Audit of Institutions of Higher Education and Other Nonprofit Institutions, as incorporated in 34 CFR 74.81(h)(3). If a nonprofit lender meets the criteria in Circular A-133 for choosing the option for a program-specific audit, and so chooses, the program-specific audit must meet the requirements in paragraphs (c)(1) through (c)(2)(iv) of this section.

(vii) The Secretary may determine that a lender has met the requirements of paragraph (c) of this section if the lender has been audited in accordance with 31 U.S.C. 7502 for other purposes, the lender submits the results of the audit to the Office of Inspector General, and the Secretary determines that the audit meets the requirements of this paragraph.

(b) There are four agreements:

(1) Basic program agreement. In order to participate in the FFEL programs, a guaranty agency must have a basic program agreement. Under this agreement—

(ii) Lenders under the guaranty agency program may receive special allowance payments from the Secretary and have death, disability, and bankruptcy claims paid by the Secretary through the guaranty agency; and

(iii) The guaranty agency may apply for the administrative cost allowance and for the other agreements described in this section.

(2) Federal advances for claim payments agreement. A guaranty agency must have an agreement for Federal advances for claim payments to receive and use Federal advances to pay default claims.

(4) Loan Rehabilitation Agreement. A guaranty agency must have an agreement for rehabilitating a loan for which the Secretary has made a reinsurance payment under section 428(c)(1) of the Act.

(c) The Secretary's execution of an agreement does not indicate acceptance of any current or past standards or procedures used by the agency.

(d) All of the agreements are subject to subsequent changes in the Act, in other applicable Federal statutes, and in regulations that apply to the FFEL programs.

(4) Reinstatement of borrower eligibility. For a borrower's loans held by a guaranty agency on which a reinsurance claim has been paid by the Secretary, the guaranty agency must afford a defaulted borrower, upon the borrower's request, renewed eligibility for Title IV assistance once the borrower has made satisfactory repayment arrangements as that term is defined in Sec. 682.200.

(i) For purposes of this section, the determination of reasonable and affordable must—

(A) Include consideration of the borrower's and spouse's disposable income and necessary expenses including, but not limited to, housing, utilities, food, medical costs, dependent care costs, work-related expenses and other Title IV repayment;

(C) Be based on the documentation provided by the borrower or other sources including, but not limited to—

(1) Evidence of current income (e.g. proof of welfare benefits, Social Security benefits, Supplemental Security Income, Workers' Compensation, child support, veterans' benefits, two most recent pay stubs, most recent copy of U.S. income tax return, State Department of Labor reports);

(2) Evidence of current expenses (e.g. a copy of the borrower's monthly household budget, on a form provided by the guaranty agency); and

(3) A statement of the unpaid balance on all FFEL loans held by other holders.

(ii) A guaranty agency must provide the borrower with written information regarding the possibility of loan rehabilitation if the borrower makes six additional reasonable and affordable monthly payments after making payments to regain eligibility for Title IV assistance and the consequences of loan rehabilitation.

(5) Borrower responsibilities. (i) The borrower shall indicate his or her preferred lender on the loan application, if he or she has such a preference.

(ii) The borrower shall give the lender, as part of the application process for a Stafford, SLS, or PLUS loan—

(A) A statement, as described in 34 CFR part 668, that the loan will be used for the cost of the student's attendance;

(B) Information demonstrating that the borrower is eligible for the loan;

(C) Information concerning the outstanding FFEL loans of the borrower and, for a parent borrower, of the student, including any Consolidation loan used to discharge a Stafford, SLS, or PLUS loan;

(D) A statement of the sources and amount of the student's estimated financial assistance, as defined in Sec. 682.200, for the period of enrollment for which the loan is intended;

(E) A statement from the student authorizing the school to release information relevant to the student's eligibility to borrow or to have a parent borrow on the student's behalf (e.g., the student's enrollment status, financial assistance, and employment records); and

(F) Information from the school demonstrating that the student qualifies as an eligible student and providing the maximum amount that may be borrowed by or on behalf of the student.

(iii) The borrower shall give the lender, as part of the application process for a Consolidation loan—

(A) Information demonstrating that the borrower is eligible for the loan under Sec. 682.201(c); and

(B) A statement that the borrower does not currently have another application for a Consolidation loan pending.

(iv) The borrower shall promptly notify—

(A) The current holder or the guaranty agency of any change of name, address, student status to less than half-time, employer, or employer's address; and
PART 682--FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(B) The school of any change in local address during enrollment.

(6) School eligibility. (i) General. A school that has a program participation agreement in effect with the Secretary under Sec. 682.600 is eligible to participate in the program of the agency under reasonable criteria established by the guaranty agency, and approved by the Secretary, under paragraph (d)(2) of this section, except to the extent that--

(A) The school's eligibility is limited, suspended, or terminated by the Secretary under 34 CFR Part 668 or by the guaranty agency under standards and procedures that are substantially the same as those in 34 CFR Part 668;

(B) The Secretary upholds the limitation, suspension, or termination of a school by a guaranty agency and extends that sanction to all guaranty agency programs under section 432(h)(3) of the Act or Sec. 682.713;

(C) The school is ineligible under sections 428A(a)(2) or 435(a)(2) of the Act;

(D) There is a State constitutional prohibition affecting the school's eligibility;

(E) The school's programs consist of study solely by correspondence;

(F) The agency determines, subject to the agreement of the Secretary, that the school does not satisfy the standards of administrative capability and financial responsibility as defined in 34 CFR Part 668;

(G) The school fails to make timely refunds to students as required in Sec. 682.607(c);

(H) The school has not satisfied, within 30 days of issuance, a final judgment obtained by a student seeking a refund;

(I) The school or an owner, director, or officer of the school is found guilty or liable in any criminal, civil, or administrative proceeding regarding the obtaining, maintenance, or disbursement of State or Federal student grant, loan, or work assistance funds; or

(J) The school or an owner, director, or officer of the school has unpaid financial liabilities involving the improper acquisition, expenditure, or refund of State or Federal student financial assistance funds.

(ii) Limitation by a guaranty agency of a school's participation. For purposes of this paragraph, a school that is subject to limitation of participation in the guaranty agency's program may be either a school that is applying to participate in the agency's program for the first time, or a school that is renewing its application to continue participation in the agency's program. A guaranty agency may limit the total number of loans or the volume of loans made to students attending a particular school, or otherwise establish appropriate limitations on the school's participation, if the agency makes a determination that the school does not satisfy--

(A) The standards of financial responsibility defined in 34 CFR 668.5; or

(B) The standards of administrative capability defined in 34 CFR 668.16.

(iii) Limitation, suspension, or termination of school eligibility. A guaranty agency may limit, suspend, or terminate the participation of an eligible school. If a guaranty agency limits, suspends, or terminates the participation of a school from the agency's program, the Secretary applies that limitation, suspension, or termination to all locations of the school.

(iv) Condition for guaranteeing loans for students attending a school. The guaranty agency may require the school to execute a participation agreement with the agency and to submit documentation that establishes the school's eligibility to participate in the agency's program.

(7) Lender eligibility. (i) An eligible lender may participate in the program of the agency under reasonable criteria established by the guaranty agency except to the extent that--

(A) The lender's eligibility has been limited, suspended, or terminated by the Secretary under subpart G of this part or by the agency under standards and procedures that are substantially the same as those in subpart G of this part; or

(B) The lender is disqualified by the Secretary under sections 432(h)(1), 432(h)(2), 435(d)(3), or 435(d)(5) of the Act or Sec. 682.712; or

(C) There is a State constitutional prohibition affecting the lender's eligibility.

(ii) The agency may not guarantee a loan made by a school lender that is not located in the geographical area that the agency serves.

(iii) The guaranty agency may refuse to guarantee loans made by a school on behalf of students not attending that school.

(iv) The guaranty agency may, in determining whether to enter into a guarantee agreement with a lender, consider whether the lender has had prior experience in a similar Federal, State, or private nonprofit student loan program and the amount and percentage of loans that are currently delinquent or in default under that program.
(8) Out-of-State schools. The agency shall guarantee Stafford, SLS, and PLUS loans for students who are legal residents of any State served by the agency under Sec. 682.404(h)(2) but who attend schools out of that State and for parents who are legal residents of that State and are borrowing on behalf of students attending schools out of that State. In guaranteeing these loans, the agency may not impose any restrictions that it does not apply to borrowers who are legal residents of the State attending in-State schools or to parent borrowers who are legal residents of the State and are borrowing for students attending in-State schools.

(9) Out-of-State residents. The agency shall guarantee Stafford, SLS, and PLUS loans for students who are not legal residents of any State served by the agency under Sec. 682.404(h)(2) but who attend schools in that State, and for parents who are not legal residents of that State and who are borrowing on behalf of students attending schools in that State. In guaranteeing these loans, the agency may not impose any restrictions that it does not apply to borrowers who are legal residents of the State attending in-State schools, or to parent borrowers who are legal residents of the State and who are borrowing for students attending in-State schools.

(10) Insurance premiums. (i) Except for a SLS or PLUS loan refinanced under Sec. 682.209(e) or (f), the guaranty agency may charge the lender an insurance premium on each Stafford, SLS, or PLUS loan it guarantees.

(ii) The guaranty agency may use the proceeds of this charge only to guarantee loans and to cover costs incurred by the guaranty agency in the administration of its loan guarantee program.

(iii) The lender may deduct the amount of the premium from the borrower's loan proceeds. For a loan disbursed in more than one installment, the insurance premium must be deducted proportionately from each disbursement of the loan proceeds.

(iv) The amount of the insurance premium may not exceed 3 percent of the principal balance of the loan.

(v) The guaranty agency shall refund to the lender any insurance premium received for a loan under the circumstances specified in Sec. 682.401(b)(9)(vi)(A) and (B).

(vi) The lender shall refund to the borrower by a credit against the borrower's loan balance the insurance premium paid by the borrower on a loan under the following circumstances:

(A) The premium attributable to each disbursement of a loan must be refunded if the loan check is returned uncashed to the lender.

(B) The premium or an appropriate prorated amount of the premium must be refunded by application to the borrower's loan balance if-

(1) The loan or a portion of the loan is returned by the school to the lender in order to comply with the Act or with applicable regulations;

(2) Within 120 days of disbursement, the loan or a portion of the loan is repaid or returned, unless--

(i) the borrower has no FFEL Program loans in repayment status and has requested, in writing, that the repaid or returned funds be used for a different purpose; or

(ii) the borrower has a FFEL Program loan in repayment status, in which case the payment is applied in accordance with Sec. 682.209(b) unless the borrower has requested, in writing, that the repaid or returned funds be applied as a cancellation of all or part of the loan;

(3) Within 120 days of disbursement, the loan check has not been negotiated; or

(4) Within 120 days of disbursement, the loan proceeds disbursed by electronic funds transfer or master check in accordance with Sec. 682.207(b)(1)(ii) (B) and (C) have not been released from the restricted account maintained by the school.

(11) Payments for lender referral service. (i) The guaranty agency may not use insurance premiums to pay incentive fees to lenders, except to those lenders who agree to participate in and make FFEL loans (other than Stafford loans that do not qualify for interest benefits) to all eligible students referred under a qualified lender referral service.

(ii) For purposes of this paragraph, the term qualified lender referral service means a lender referral service offered by a guaranty agency under which the agency refers to a participating lender each eligible student applying for the service who is either a resident of the State in which the agency is the principal guaranty agency or attending a school in that State and who has sought and been unable to find a lender willing to make a FFEL loan (other than a Stafford loan that does not qualify for interest benefits) to the student.

(iii) The Secretary will pay a lender referral fee to each guaranty agency with whom the Secretary has a lender referral agreement, an amount equal to 0.5 percent of the principal amount of a loan made as a result of the agency's referral service.

(12) Administrative fee for Consolidation loans. The guaranty agency may charge a lender a fee, not to exceed $50, reasonably calculated to cover the agency's cost of increased or extended liability incurred in guaranteeing a Consolidation loan. The lender may not pass the fee on to the borrower. If it charges the fee, the agency must charge it for all loans made under the agency's Consolidation Loan program.
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(13) Administrative fee for refinancing fixed-rate PLUS or SLS loans. The guaranty agency may require a lender to pay to the guaranty agency up to 50 percent of the fee the lender charges a borrower under Sec. 682.202(e) for the purpose of defraying the agency's administrative costs incident to the guarantee of a lender's reissuance of a fixed-rate PLUS or SLS loan at a variable interest rate. If it charges the fee, the agency must charge the same fee to all lenders that refinance under this paragraph.

(14) Guaranty liability. The guaranty agency shall guarantee—

(i) 100 percent of the unpaid principal balance of each loan guaranteed for loans disbursed before October 1, 1993; and

(ii) Not more than 98 percent of the unpaid principal balance of each loan guaranteed for loans first disbursed on or after October 1, 1993.

(15) Guaranty agency verification of default data. A guaranty agency must respond to an institution's written request for verification of its default rate data for purposes of an appeal pursuant to 34 CFR 668.15(g)(1)(i) within 15 working days of the date the agency receives the institution's written request pursuant to 34 CFR 668.15(g)(7), and simultaneously provide a copy of that response to the Secretary's designated Department official.

(16) Guaranty agency administration. In the case of a State loan guarantee program administered by a State government, the program must be administered by a single State agency, or by one or more private nonprofit institutions or organizations under the supervision of a single State agency. For this purpose, "supervision" includes, but is not limited to, setting policies and procedures, and having full responsibility for the operation of the program.

(17) Loan assignment. (i) Except as provided in paragraph (b)(16)(iii) of this section, the guaranty agency must allow a loan to be assigned only if the loan is fully disbursed and is assigned to—

(A) An eligible lender;

(B) A guaranty agency, in the case of a borrower's default, death, total and permanent disability, or filing of a bankruptcy petition, or for other circumstances approved by the Secretary, such as a loan made for attendance at a school that closes;

(C) An educational institution, whether or not it is an eligible lender, in connection with the institution's repayment to the agency or to the Secretary of a guarantee or a reinsurance claim payment made on a loan that was ineligible for the payment;

(D) A Federal or State agency or an organization or corporation acting on behalf of such an agency and acting as a conservator, liquidator, or receiver of an eligible lender; or

(E) The Secretary.

(ii) For the purpose of this paragraph, "assigned" means any kind of transfer of an interest in the loan, including a pledge of such an interest as security.

(iii) The guaranty agency must allow a loan to be assigned under paragraph (b)(16)(i) of this section, following the first disbursement of the loan if the assignment does not result in a change in the identity of the party to whom payments must be made.

(18) Transfer of guarantees. Except in the case of a transfer of guarantee requested by a borrower seeking a transfer to secure a single guarantor, the guaranty agency may transfer its guarantee obligation on a loan to another guaranty agency, only with the approval of the Secretary, the transferee agency, and the holder of the loan.

(19) Standards and procedures. (i) The guaranty agency shall establish, disseminate to concerned parties, and enforce standards and procedures for—

(A) Ensuring that all lenders in its program meet the definition of "eligible lender" in section 435(d) of the Act and have a written lender agreement with the agency;

(B) School and lender participation in its program;

(C) Limitation, suspension, termination of school and lender participation;

(D) Emergency action against a participating school or lender;

(E) The exercise of due diligence by lenders in making, servicing, and collecting loans; and

(F) The timely filing by lenders of default, death, disability, and bankruptcy claims.

(ii) The guaranty agency shall ensure that its program and all participants in its program at all times meet the requirements of subparts B, C, D and F of this part.

(20) Student status confirmation. (i) The guaranty agency shall establish and use a system and procedures for monitoring the enrollment status of a FFEL program borrower or student on whose behalf a parent has borrowed that includes, at a minimum—

(A) Transmitting to the school, that according to the guaranty agency's records the student most recently attended, a student status confirmation report for completion at least
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

semi-annually in accordance with a schedule established by the agency;

(B) Reporting to the current holder of the loan within 60 days of the receipt of the completed report from the school any change in the student's enrollment status reported by the school that triggers—

(1) The beginning of the borrower's grace period; or

(2) The beginning or resumption of the borrower's immediate obligation to make scheduled payments.

(ii) The agency shall use the data elements and report format provided in Appendix B to this part, unless the Secretary notifies the guaranty agency that other data elements or a revised format may be used.

(21) Submission of interest and special allowance information. Upon the Secretary's request, the guaranty agency shall submit, or require its lenders to submit, information that the Secretary deems necessary for determining the amount of interest benefits and special allowance payable on the agency's guaranteed loans.

(22) Submission of information for reports. The guaranty agency shall require lenders to submit to the agency the information necessary for the agency to complete the reports required by Sec. 682.414(b).

(23) Guaranty agency transfer of information. (i) A guaranty agency from which another guaranty agency requests information regarding Stafford and SLS loans made after January 1, 1987, to students who are residents of the State for which the requesting agency is the principal guaranty agency as defined in Sec. 682.800(d) shall provide—

(A) The name and social security number of the student; and

(B) The annual loan amount and the cumulative amount borrowed by the student in loans under the Stafford and SLS programs guaranteed by the responding agency.

(ii) The reasonable costs incurred by an agency in fulfilling a request for information made under paragraph (b)(21)(ii) of this section must be paid by the guaranty agency making the request.

(24) Information of defaults. The guaranty agency shall upon the request of an eligible institution furnish information with respect to students, including the names and addresses of such students, who were enrolled at the eligible institution and who are in default on the repayment of any loan guaranteed by that agency.

(25) Information on loan sales or transfers. The guaranty agency must, upon the request of an eligible school, furnish to the school last attended by the student, information with respect to the sale or transfer of a borrower's loan prior to the beginning of the repayment period, including—

(i) Notice of the assignment;

(ii) The identity of the assignee;

(iii) The name and address of the party by which contact may be made with the holder concerning repayment of the loan; and

(iv) The telephone number of the assignee, or if the assignee uses a lender servicer, another appropriate number for borrower inquiries.

(26) Third-party servicers. The guaranty agency may not enter into a contract with a third-party servicer that the Secretary has determined does not meet the financial and compliance standards under Sec. 682.416. The guaranty agency shall provide the Secretary with the name and address of any third-party servicer with which the agency enters into a contract and, upon request by the Secretary, a copy of that contract.

(27) Collection Charges and Late Fees on Defaulted FFEL loans being Consolidated. (i) A guaranty agency may add collection costs in an amount not to exceed 18.5 percent of the outstanding principal and interest to a defaulted FFEL Program loan that is included in a Federal Consolidation loan.

(ii) When returning the proceeds from the consolidation of a defaulted loan to the Secretary, a guaranty agency may only retain the amount added to the borrower's balance pursuant to paragraph (b)(27)(i) of this section.

(28) Change in agency's records system. The agency shall provide written notification to the Secretary at least 30 days prior to placing its new guarantees or converting the records relating to its existing guaranty portfolio to an information or computer system that is owned by, or otherwise under the control of, an entity that is different than the party that owns or controls the agency's existing information or computer system. If the agency is soliciting bids from third parties with respect to a proposed conversion, the agency shall provide written notice to the Secretary as soon as the solicitation begins. The notifications described in this paragraph must include a concise description of the agency's conversion project and the actual or estimated cost of the project.

(c)(1) Lender-of-last-resort. The guaranty agency must ensure that it or an eligible lender described in section 435(d)(1)(D) of the Act serves as a lender-of-last-resort in the State in which it is the principal guaranty agency, as defined in Sec. 682.800(d).
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(2) The lender-of-last-resort must make a subsidized Stafford loan to any eligible student who satisfies the lender's eligibility requirements and—

(i) Qualifies for interest benefits, pursuant to Sec. 682.301, for a loan amount of at least $200; and

(ii) Has been otherwise unable after conscientious efforts to obtain a loan from another eligible lender for the same period of enrollment.

(3) The guaranty agency or an eligible lender described in section 435(d)(1)(D) of the Act may arrange for a loan required to be made under paragraph (c)(1) of this section to be made by another eligible lender.

(4) The guaranty agency must develop policies and operating procedures for its lender-of-last-resort program that provide for the accessibility of lender-of-last-resort loans. These policies and procedures must be submitted to the Secretary for approval as required under paragraph (d)(2) of this section. The policies and procedures for the agency's lender-of-last-resort program must ensure that—

(i) The guaranty agency will serve eligible students attending any eligible school;

(ii) The program establishes operating hours and methods of application designed to facilitate application by students;

(iii) Information about the availability of loans under the program is made available to schools in the State;

(iv) Appropriate steps are taken to ensure that borrowers receiving loans under the program are appropriately counseled on their loan obligation;

(v) The guaranty agency will respond to a student within 60 days after the student submits an original complete application; and

(vi) Borrowers are not required to obtain more than two objections from eligible lenders prior to requesting assistance under the lender-of-last-resort program.

(d) Review of forms and procedures. (1) The guaranty agency shall submit to the Secretary its write-off criteria and procedures. The agency may not use these materials until the Secretary approves them.

(2) The guaranty agency shall promptly submit to the Secretary its regulations, statements of procedures and standards, agreements, and other materials that substantially affect the operation of the agency's program, and any proposed changes to those materials. Except as provided in paragraph (d)(1) of this section, the agency may use these materials unless and until the Secretary disapproves them.

(3) The guaranty agency shall use a common application form, promissory note, and other common forms approved by the Secretary.

(4) The guaranty agency must develop and implement appropriate procedures that provide for the granting of a student deferment as specified in Sec. 682.210(a)(6)(iv) and (c)(3) and require their lenders to use these procedures.

(5) The guaranty agency shall ensure that all program materials meet the requirements of Federal and State law, including, but not limited to, the Act and the regulations in this part and part 668.

(e) Prohibited inducements. A guaranty agency may not—

(1) Offer directly or indirectly any premium, payment, or other inducement to an employee or student of a school, or an entity or individual affiliated with a school, to secure applicants for FFEL loans;

(2)(i) Offer, directly or indirectly, any premium, incentive payment, or other inducement to any lender, or any person acting as an agent, employee, or independent contractor of any lender or other guaranty agency to administer or market FFEL loans, other than unsubsidized Stafford loans or subsidized Stafford loans made under a guaranty agency's lender-of-last-resort program, in an effort to secure the guaranty agency as an insurer of FFEL loans. Examples of prohibited inducements include, but are not limited to—

(A) Compensating lenders or their representatives for the purpose of securing loan applications for guarantee;

(B) Performing functions normally performed by lenders without appropriate compensation;

(C) Providing equipment or supplies to lenders at below market cost or rental; or

(D) Offering to pay a lender, that does not hold loans guaranteed by the agency, a fee for each application forwarded for the agency's guarantee.

(ii) For the purposes of this section, the terms "premium", "inducement", and "incentive" do not include services directly related to the enhancement of the administration of the FFEL Program the guaranty agency generally provides to lenders that participate in its program. However, the terms "premium", "inducement", and "incentive" do apply to other activities specifically intended to secure a lender's participation in the agency's program.

(3) Conduct unsolicited mailings of student loan application forms to students enrolled in secondary school.
(4) Conduct fraudulent or misleading advertising concerning loan availability.

(Approved by the Office of Management and Budget under control number 1840-0538)

Sec. 682.402 Death, disability, closed school, false certification, and bankruptcy payments.

(a) General. (1) Rules governing the payment of claims based on filing for relief in bankruptcy, and discharge of loans due to death, total and permanent disability, attendance at a school that closes, and false certification by a school of a borrower’s eligibility for a loan, are set forth in this section.

(2) If a PLUS loan was obtained by two parents as co-makers or a Consolidation loan was obtained by a married couple, and only one of the borrowers dies, becomes totally and permanently disabled, has collection of his or her loan obligation stayed by a bankruptcy filing, or has that obligation discharged in bankruptcy, the other borrower remains obligated to repay the loan.

(3) Except for a borrower’s loan obligation discharged by the Secretary under the false certification discharge provision of paragraphs (e)(1)(i)(ii) of this section, a loan qualifies for payment under this section only to the extent that the loan is legally enforceable under applicable law by the holder of the loan.

(4) For purposes of this section—

(i) The legal enforceability of a loan is conclusively determined on the basis of a ruling by a court or administrative tribunal of competent jurisdiction with respect to that loan, or a ruling with respect to another loan in a judgment that collaterally estops the holder from contesting the enforceability of the loan;

(ii) A loan is conclusively determined to be legally unenforceable to the extent that the guarantor determines, pursuant to an objection presented in a proceeding conducted in connection with credit bureau reporting, tax refund offset, wage garnishment, or in any other administrative proceeding, that the loan is not legally enforceable; and

(iii) If an objection has been raised by the borrower or another party about the legal enforceability of the loan and no determination has been made under paragraph (a)(4)(i) or (ii) of this section, the Secretary may authorize the payment of a claim under this section under conditions the Secretary considers appropriate. If the Secretary determines in that or any other case that a claim was paid under this section with respect to a loan that was not a legally enforceable obligation of the borrower, the recipient of that payment must refund that amount of the payment to the Secretary.

(b) Death. (1) If an individual borrower dies, or, on or after July 23, 1992 the student for whom a parent received a PLUS loan dies, the obligation of the borrower and any endorser to make any further payments on the loan is discharged.

(2) In determining that a borrower (or student) has died, the lender may rely on a death certificate or other proof of death that is acceptable under applicable state law. If a death certificate or other acceptable proof of death is not available, the borrower’s obligation on the loan can be discharged only if the guaranty agency determines that other evidence establishes that the borrower (or student) has died.

(3) After receiving information indicating that the borrower (or student) has died, the lender, if it believes the information to be reliable, shall suspend any collection activity against the borrower and promptly request that the borrower’s representative (or the student’s parent in the case of a PLUS loan) provide the documentation described in paragraph (b)(2) of this section. During the suspension of collection activity, which may not exceed 60 days, the lender shall diligently attempt to obtain documentation verifying the borrower’s (or student’s) death. If, despite diligent attempts, the lender is not able to confirm the borrower’s (or student’s) death within 60 days, the lender shall resume collection activity from the point that it had been discontinued and is deemed to have exercised forbearance as to repayment of the loan during the period when collection activity was suspended.

(4) Once the lender has determined under paragraph (b)(2) of this section that the borrower (or student) has died, the lender may not attempt to collect on the loan from the borrower’s estate or from any endorser.

(5) The lender shall return to the sender any payments received from the estate or paid on behalf of the borrower after the date of the borrower’s (or student’s) death.

(c) Total and permanent disability. (1) If a lender determines that an individual borrower has become totally and permanently disabled, the obligation of the borrower and any endorser to make any further payments on the loan is discharged.
(ii) Except as provided in paragraph (c)(1)(iii)(A) of this section, a borrower is not considered totally and permanently disabled based on a condition that existed at the time the borrower applied for the loan unless the borrower's condition substantially deteriorated after the loan was made so as to render the borrower totally and permanently disabled.

(iii)(A) For a Consolidation Loan, a borrower is considered totally and permanently disabled if he or she would be considered totally and permanently disabled under paragraphs (c)(1)(i) and (ii) of this section for all of the loans that were included in the Consolidation Loan if those loans had not been consolidated.

(B) For the purposes of discharging a loan under paragraph (c)(1)(iii)(A) of this section, provisions in paragraphs (c)(1)(i) and (ii) of this section apply to each loan included in the Consolidation Loan, even if the loan is not a FFEL Program loan.

(C) If requested, a borrower seeking to discharge a loan obligation under paragraph (c)(1)(iii)(A) of this section must provide the lender with the disbursement dates of the underlying loans if the lender does not possess that information.

(2) After being notified by the borrower or the borrower's representative that the borrower claims to be totally and permanently disabled, the lender promptly shall request that the borrower or the borrower's representative submit on a form provided or approved by the Secretary a certification by a physician who is a doctor of medicine or osteopathy and legally authorized to practice in a State that the borrower is totally and permanently disabled. The lender shall continue collection until it receives either the certification of total disability or a letter from a physician stating that the certification has been requested and that additional time is needed to determine if the borrower is totally and permanently disabled. Except as provided in paragraph (c)(4) of this section, after receiving the physician's certification or letter, the lender may not attempt to collect from the borrower or any endorser.

(3) After being notified that the guaranty agency has paid a disability discharge claim, the lender shall return to the endorser any payments received by the lender after the date that the borrower became totally and permanently disabled as certified by the physician. At the same time that the lender returns the payment, it shall notify the borrower that there is no obligation to repay a loan discharged on the basis of disability.

(4) If the lender determines that a borrower who claims to be totally and permanently disabled is not in fact disabled, or if the lender does not receive the physician's certification of total disability within 60 days of the receipt of the physician's letter requesting additional time, as described in paragraph (c)(2) of this section, the lender shall resume collection and shall be deemed to have exercised forbearance.
(3) Borrower qualification for discharge. In order to qualify for discharge of a loan under paragraph (d) of this section a borrower shall submit to the holder of the loan a written request and sworn statement. The statement need not be notarized, but must be made by the borrower under penalty of perjury, and, in the statement, the borrower shall state—

(i) Whether the student has made a claim with respect to the school's closing with any third party, such as the holder of a performance bond or a tuition recovery program, and if so, the amount of any payment received by the borrower (or student) or credited to the borrower's loan obligation;

(ii) That the borrower (or the student for whom a parent received a PLUS loan)—

(A) Received, on or after January 1, 1986, the proceeds of any disbursement of a loan disbursed, in whole or in part, on or after January 1, 1986 to attend a school;

(B) Did not complete the educational program at that school because the school closed while the student was enrolled or on an approved leave of absence in accordance with Sec. 682.605(c), or the student withdrew from the school not more than 90 days before the school closed; and

(C) Did not complete the program of study through a teach-out at another school or by transferring academic credits or hours earned at the closed school to another school;

(iii) That the borrower agrees to provide, upon request by the Secretary or the Secretary's designee, other documentation reasonably available to the borrower that demonstrates, to the satisfaction of the Secretary or the Secretary's designee, that the student meets the qualifications in paragraph (d) of this section; and

(iv) That the borrower agrees to cooperate with the Secretary or the Secretary's designee in enforcement actions in accordance with paragraph (d)(4) of this section, and to transfer any right to recovery against a third party in accordance with paragraph (d)(6) of this section.

(4) Cooperation by borrower in enforcement actions. (i) In any judicial or administrative proceeding brought by the Secretary or the Secretary's designee to recover for amounts discharged under paragraph (d) of this section or to take other enforcement action with respect to the conduct on which those claims were based, a borrower who requests or receives a discharge under paragraph (d) of this section must cooperate with the Secretary or the Secretary's designee. At the request of the Secretary or the Secretary's designee, and upon the Secretary's or the Secretary's designee's tendering to the borrower the fees and costs as are customarily provided in litigation to reimburse witnesses, the borrower shall—

(A) Provide testimony regarding any representation made by the borrower to support a request for discharge; and

(B) Produce any documentation reasonably available to the borrower with respect to those representations and any sworn statement required by the Secretary with respect to those representations and documents.

(ii) The Secretary revokes the discharge, or denies the request for discharge, of a borrower who—

(A) Fails to provide testimony, sworn statements, or documentation to support material representations made by the borrower to obtain the discharge; or

(B) Provides testimony, a sworn statement, or documentation that does not support the material representations made by the borrower to obtain the discharge.

(5) Transfer to the Secretary of borrower's right of recovery against third parties. (i) Upon discharge under paragraph (d) of this section, the borrower is deemed to have assigned to and relinquished in favor of the Secretary any right to a loan refund (up to the amount discharged) that the borrower (or student) may have by contract or applicable law with respect to the loan or the enrollment agreement for the program for which the loan was received, against the school, its principals, affiliates and their successors, its sureties, and any private fund, including the portion of a public fund that represents funds received from a private party.

(ii) The provisions of paragraph (d) of this section apply notwithstanding any provision of State law that would otherwise restrict transfer of such rights by the borrower (or student), limit or prevent a transferee from exercising those rights, or establish procedures or a scheme of distribution that would prejudice the Secretary's ability to recover on those rights.

(iii) Nothing in this section shall be construed as limiting or foreclosing the borrower's (or student's) right to pursue legal and equitable relief regarding disputes arising from matters otherwise unrelated to the loan discharged.

(6) Guaranty agency responsibilities. (i) Procedures applicable if a school closed on or after January 1, 1986, but prior to June 13, 1994. (A) If a borrower received a loan for attendance at a school with a closure date on or after January 1, 1986, but prior to June 13, 1994, the loan may be discharged in accordance with the procedures specified in paragraph (d)(6)(i) of this section.

(B) If a loan subject to paragraph (d) of this section was discharged in part in accordance with the Secretary's "Closed School Policy" as authorized by section IV of Bulletin 89-G-159, the guaranty agency shall initiate the discharge of the remaining balance of the loan not later than August 13, 1994.
PART 682--FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(C) A guaranty agency shall review its records and identify all schools that appear to have closed on or after January 1, 1986 and prior to June 13, 1994, and shall identify the loans made to any borrower (or student) who appears to have been enrolled at the school on the school closure date or who withdrew not more than 90 days prior to the closure date.

(D) A guaranty agency shall notify the Secretary immediately if it determines that a school not previously known to have closed appears to have closed, and, within 30 days of making that determination, notify all lenders participating in its program to suspend collection efforts against individuals with respect to loans made for attendance at the closed school, if the student to whom (or on whose behalf) a loan was made, appears to have been enrolled at the school on the closing date, or withdrew not more than 90 days prior to the date the school appears to have closed. Within 30 days after receiving confirmation of the date of a school's closure from the Secretary, the agency shall--

(1) Notify all lenders participating in its program to mail a discharge application explaining the procedures and eligibility criteria for obtaining a discharge and an explanation of the information that must be included in the sworn statement (which may be combined) to all borrowers who may be eligible for a closed school discharge; and

(2) Review the records of loans that it holds, identify the loans made to any borrower (or student) who appears to have been enrolled at the school on the school closure date or who withdrew not more than 90 days prior to the closure date, and mail a discharge application and an explanation of the information that must be included in the sworn statement (which may be combined) to the borrower. The application shall inform the borrower of the procedures and eligibility criteria for obtaining a discharge.

(E) If a loan identified under paragraph (d)(6)(i)(D)(2) of this section is held by the guaranty agency as a defaulted loan and the borrower's current address is known, the guaranty agency shall immediately suspend any efforts to collect from the borrower on any loan received for the program of study for which the loan was made (but may continue to receive borrower payments), and notify the borrower that the agency will provide additional information about the procedures for requesting a discharge after the agency has received confirmation from the Secretary that the school had closed.

(F) If a loan identified under paragraph (d)(6)(i)(D)(2) of this section is held by the guaranty agency as a defaulted loan and the borrower's current address is unknown, the agency shall, by June 13, 1995, further refine the list of borrowers whose loans are potentially subject to discharge under paragraph (d) of this section by consulting with representatives of the closed school, the school's licensing agency, accrediting agency, and other appropriate parties. Upon learning the new address of a borrower who would still be considered potentially eligible for a discharge, the guaranty agency shall, within 30 days after learning the borrower's new address, mail to the borrower a discharge application that meets the requirements of paragraph (d)(6)(i)(E) of this section.

(G) If the guaranty agency determines that a borrower identified in paragraph (d)(6)(i)(E) or (F) of this section has satisfied all of the conditions required for a discharge, the agency shall notify the borrower in writing of that determination within 30 days after making that determination.

(H) If the guaranty agency determines that a borrower identified in paragraph (d)(6)(i)(E) or (F) of this section does not qualify for a discharge, the agency shall notify the borrower in writing of that determination and the reasons for it within 30 days after the date the agency--

(1) Made that determination based on information available to the guaranty agency;

(2) Was notified by the Secretary that the school had not closed;

(3) Was notified by the Secretary that the school had closed on a date that was more than 90 days after the borrower (or student) withdrew from the school;

(4) Was notified by the Secretary that the borrower (or student) was ineligible for a closed school discharge for other reasons; or

(5) Received the borrower's completed application and sworn statement.

(I) If a borrower described in paragraph (d)(6)(i)(E) or (F) of this section fails to submit the written request and sworn statement described in paragraph (d)(3) of this section within 60 days of being notified of that option, the guaranty agency shall resume collection and shall be deemed to have exercised forbearance of payment of principal and interest from the date it suspended collection activity. The agency may capitalize, in accordance with Sec. 682.202(b), any interest accrued and not paid during that period.

(J) A borrower's request for discharge may not be denied solely on the basis of failing to meet any time limits set by the lender, guaranty agency, or the Secretary.

(ii) Procedures applicable if a school closed on or after June 13, 1994. (A) A guaranty agency shall notify the Secretary immediately whenever it becomes aware of reliable information indicating a school may have closed. The designated guaranty agency in the state in which the school is located shall promptly investigate whether the school has closed and, within 30 days after receiving information indicating that the school may have closed, report the results
of its investigation to the Secretary concerning the date of the school's closure and whether a teach-out of the closed school's program was made available to students.

(B) If a guaranty agency determines that a school appears to have closed, it shall, within 30 days of making that determination, notify all lenders participating in its program to suspend collection efforts against individuals with respect to loans made for attendance at the closed school, if the student to whom (or on whose behalf) a loan was made, appears to have been enrolled at the school on the closing date, or withdrew not more than 90 days prior to the date the school appears to have closed. Within 30 days after receiving confirmation of the date of a school's closure from the Secretary, the agency shall:

(1) Notify all lenders participating in its program to mail a discharge application explaining the procedures and eligibility criteria for obtaining a discharge and an explanation of the information that must be included in the sworn statement (which may be combined) to all borrowers who may be eligible for a closed school discharge; and

(2) Review the records of loans that it holds, identify the loans made to any borrower (or student) who appears to have been enrolled at the school on the school closure date or who withdrew not more than 90 days prior to the closure date, and mail a discharge application and an explanation of the information that must be included in the sworn statement to the borrower (or student) who withdrew not more than 90 days prior to the date the school appears to have closed. The application shall inform the borrower of the procedures and eligibility criteria for obtaining a discharge.

(C) If a loan identified under paragraph (d)(6)(ii)(B)(2) of this section is held by the guaranty agency as a defaulted loan and the borrower's current address is unknown, the guaranty agency shall immediately suspend any efforts to collect from the borrower on any loan received for the program of study for which the loan was made (but may continue to receive borrower payments), and notify the borrower that the agency will provide additional information about the procedures for requesting a discharge after the agency has received confirmation from the Secretary that the school had closed.

(D) If a loan identified under paragraph (d)(6)(ii)(B)(2) of this section is held by the guaranty agency as a defaulted loan and the borrower's current address is unknown, the agency shall, within one year after identifying the borrower, attempt to locate the borrower and further determine the borrower's potential eligibility for a discharge under paragraph (d) of this section by consulting with representatives of the closed school, the school's licensing agency, accrediting agency, and other appropriate parties. Upon learning the new address of a borrower who would still be considered potentially eligible for a discharge, the guaranty agency shall, within 30 days after learning the borrower's new address, mail to the borrower a discharge application that meets the requirements of paragraph (d)(6)(ii)(B) of this section.

(E) If the guaranty agency determines that a borrower identified in paragraph (d)(6)(ii)(C) or (D) of this section has satisfied all of the conditions required for a discharge, the agency shall notify the borrower in writing of that determination within 30 days after making that determination.

(F) If the guaranty agency determines that a borrower identified in paragraph (d)(6)(ii)(C) or (D) of this section does not qualify for a discharge, the guaranty agency shall notify the borrower in writing of that determination and the reasons for it within 30 days after the date the agency:

(1) Made that determination based on information available to the guaranty agency;

(2) Was notified by the Secretary that the school had not closed;

(3) Was notified by the Secretary that the school had closed on a date that was more than 90 days after the borrower (or student) withdrew from the school;

(4) Was notified by the Secretary that the borrower (or student) was ineligible for a closed school discharge for other reasons; or

(5) Received the borrower's completed application and sworn statement.

(G) Upon receipt of a closed school discharge claim filed by a lender, the agency shall review the borrower's request and supporting sworn statement in the light of information available from the records of the agency and from other sources, including other guaranty agencies, state authorities, and cognizant accrediting associations, and shall take the following actions:

(1) If the agency determines that the borrower satisfies the requirements for discharge under paragraph (d) of this section, it shall pay the claim in accordance with Sec. 682.402(h) not later than 90 days after the agency received the claim; or

(2) If the agency determines that the borrower does not qualify for a discharge, the agency shall, not later than 90 days after the agency received the claim, return the claim to the lender with an explanation of the reasons for its determination.

(H) If a borrower fails to submit the written request and sworn statement described in paragraph (d)(3) of this section within 60 days of being notified of that option, the lender or guaranty agency shall resume collection and shall be deemed to have exercised forbearance of payment of principal and interest from the date it suspended collection activity. The
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

lender or guaranty agency may capitalize, in accordance with Sec. 682.202(b), any interest accrued and not paid during that period.

(i) A borrower's request for discharge may not be denied solely on the basis of failing to meet any time limits set by the lender, guaranty agency, or the Secretary.

(7) Lender responsibilities. (i) A lender shall comply with the requirements prescribed in paragraph (d) of this section. In the absence of specific instructions from a guaranty agency or the Secretary, if a lender receives information from a source it believes to be reliable indicating that an existing or former borrower may be eligible for a loan discharge under paragraph (d) of this section, the lender shall immediately notify the guaranty agency, and suspend any efforts to collect from the borrower on any loan received for the program of study for which the loan was made (but may continue to receive borrower payments).

(ii) If the borrower fails to submit the written request and sworn statement described in paragraph (d)(3) of this section within 60 days after being notified of that option, the lender shall resume collection and shall be deemed to have exercised forbearance of payment of principal and interest from the date the lender suspended collection activity. The lender may capitalize, in accordance with Sec. 682.202(b), any interest accrued and not paid during that period.

(iii) The lender shall file a closed school claim with the guaranty agency in accordance with Sec. 682.402(g) no later than 60 days after the lender receives the borrower's written request and sworn statement described in paragraph (d)(3) of this section. If a lender receives a payment made by or on behalf of the borrower on the loan after the lender files a claim on the loan with the guaranty agency, the lender shall forward the payment to the guaranty agency within 30 days of its receipt. The lender shall assist the guaranty agency and the borrower in determining whether the borrower is eligible for discharge of the loan.

(iv) Within 30 days after receiving reimbursement from the guaranty agency for a closed school claim, the lender shall notify the borrower that the loan obligation has been discharged, and request that all credit bureaus to which it previously reported the status of the loan delete all adverse credit history assigned to the loan.

(v) Within 30 days after being notified by the guaranty agency that the borrower's request for a closed school discharge has been denied, the lender shall resume collection and notify the borrower of the reasons for the denial. The lender shall be deemed to have exercised forbearance of payment of principal and interest from the date the lender suspended collection activity, and may capitalize, in accordance with Sec. 682.202(b), any interest accrued and not paid during that period.

(e) False certification by a school of a student's eligibility to borrow and unauthorized disbursements—

(1) General. (i) The Secretary reimburses the holder of a loan received by a borrower on or after January 1, 1986, and discharges a current or former borrower's obligation with respect to the loan in accordance with the provisions of paragraph (e) of this section, if the borrower's (or the student for whom a parent received a PLUS loan) eligibility to receive the loan was falsely certified by an eligible school. For purposes of a false certification discharge, the term "borrower" includes all endorsers on a loan. A student's eligibility to borrow shall be considered to have been falsely certified by the school if the school—

(A) Certified the student's eligibility for a FFEL Program loan on the basis of ability to benefit from its training and the student did not meet the applicable requirements described in 34 CFR Part 686 and section 484(d) of the Act, as applicable and as described in paragraph (e)(13) of this section; or

(B) Signed the borrower's name without authorization by the borrower on the loan application or promissory note.

(ii) The Secretary discharges the obligation of a borrower with respect to a loan disbursement for which the school, without the borrower's authorization, endorsed the borrower's loan check or authorization for electronic funds transfer, unless the student for whom the loan was made received the proceeds of the loan either by actual delivery of the loan funds or by a credit in the amount of the contested disbursement applied to charges owed to the school for that portion of the educational program completed by the student. However, the Secretary does not reimburse the lender with respect to any amount disbursed by means of a check bearing an unauthorized endorsement unless the school also executed the application or promissory note for that loan for the named borrower without that individual's consent.

(2) Relief available pursuant to discharge. (i) Discharge under paragraph (e)(1)(i) of this section relieves the borrower of an existing or past obligation to repay the loan certified by the school, and any charges imposed or costs incurred by the holder with respect to the loan that the borrower is, or was, otherwise obligated to pay.

(ii) A discharge of a loan under paragraph (e) of this section qualifies the borrower for reimbursement of amounts paid voluntarily or through enforced collection on a loan obligation discharged under paragraph (e) of this section.

(iii) A borrower who has defaulted on a loan discharged under paragraph (e) of this section is not regarded as in default on the loan after discharge, and is eligible to receive assistance under the Title IV, HEA programs.
(iv) A discharge of a loan under paragraph (e) of this section is reported by the loan holder to all credit reporting agencies to which the holder previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan.

(v) Discharge under paragraph (e)(1)(ii) of this section qualifies the borrower for relief only with respect to the amount of the disbursement discharged.

3. Borrower qualification for discharge. In order to qualify for discharge of a loan under paragraph (e) of this section the borrower shall submit to the holder of the loan a written request and a sworn statement. The statement need not be notarized, but must be made by the borrower under penalty of perjury, and, in the statement, the borrower shall--

(i) State whether the student has made a claim with respect to the school’s false certification with any third party, such as the holder of a performance bond or a tuition recovery program, and if so, the amount of any payment received by the borrower (or student) or credited to the borrower’s loan obligation;

(ii) In the case of a borrower requesting a discharge based on the school’s defective testing of the student’s ability to benefit, state that the borrower (or the student for whom a parent received a PLUS loan)—

(A) Received, on or after January 1, 1986, the proceeds of any disbursement of a loan disbursed, in whole or in part, on or after January 1, 1986 to attend a school;

(B) Was admitted to that school on the basis of ability to benefit from its training and did not meet the applicable requirements for admission on the basis of ability to benefit as described in paragraph (e)(13) of this section; and

(C) Withdrew from the school and did not find employment in the occupation for which the program was intended to provide training, or completed the training program for which the loan was made and made a reasonable attempt to obtain employment in the occupation for which the program was intended to provide training, and—

(1) Was not able to find employment in that occupation; or

(2) Obtained employment in that occupation only after receiving additional training that was not provided by the school that certified the loan;

(iii) In the case of a borrower requesting a discharge because the school signed the borrower’s name on the loan application or promissory note—

(A) State that the signature on either of those documents was not the signature of the borrower; and

(B) Provide five different specimens of his or her signature, two of which must be not earlier or later than one year before or after the date of the contested signature;

(iv) In the case of a borrower requesting a discharge because the school, without authorization of the borrower, endorsed the borrower’s name on the loan check or signed the authorization for electronic funds transfer or master check, the borrower shall—

(A) Certify that he or she did not endorse the loan check or sign the authorization for electronic funds transfer or master check, or authorize the school to do so;

(B) Provide five different specimens of his or her signature, two of which must be not earlier or later than one year before or after the date of the contested signature; and

(C) State that the proceeds of the contested disbursement were not received either through actual delivery of the loan proceeds or by a credit in the amount of the contested disbursement applied to charges owed to the school for that portion of the educational program completed by the student;

(v) That the borrower agrees to provide upon request by the Secretary or the Secretary's designee, other documentation reasonably available to the borrower, that demonstrates, to the satisfaction of the Secretary or the Secretary's designee, that the student meets the qualifications in paragraph (e) of this section; and

(vi) That the borrower agrees to cooperate with the Secretary or the Secretary's designee in enforcement actions in accordance with paragraph (e)(4) of this section, and to transfer any right to recovery against a third party in accordance with paragraph (e)(5) of this section.

4. Cooperation by borrower in enforcement actions.

(i) In any judicial or administrative proceeding brought by the Secretary or the Secretary's designee to recover for amounts discharged under paragraph (e) of this section or to take other enforcement action with respect to the conduct on which those claims were based, a borrower who requests or receives a discharge under paragraph (e) of this section must cooperate with the Secretary or the Secretary's designee. At the request of the Secretary or the Secretary's designee, and upon the Secretary's or the Secretary's designee's tendering to the borrower the fees and costs as are customarily provided in litigation to reimburse witnesses, the borrower shall—

(A) Provide testimony regarding any representation made by the borrower to support a request for discharge; and

(B) Produce any documentation reasonably available to the borrower with respect to those representations.
and any sworn statement required by the Secretary with respect to those representations and documents.

(ii) The Secretary revokes the discharge, or denies the request for discharge, of a borrower who—

(A) Fails to provide testimony, sworn statements, or documentation to support material representations made by the borrower to obtain the discharge; or

(B) Provides testimony, a sworn statement, or documentation that does not support the material representations made by the borrower to obtain the discharge.

(5) Transfer to the Secretary of borrower's right of recovery against third parties. (i) Upon discharge under paragraph (e) of this section, the borrower is deemed to have assigned to and relinquished in favor of the Secretary any right to a loan refund (up to the amount discharged) that the borrower (or student) may have by contract or applicable law with respect to the loan or the enrollment agreement for the program for which the loan was received, against the school, its principals, affiliates and their successors, its sureties, and any private fund, including the portion of a public fund that represents funds received from a private party.

(ii) The provisions of paragraph (e) of this section apply notwithstanding any provision of state law that would otherwise restrict transfer of such rights by the borrower (or student), limit or prevent a transferee from exercising those rights, or establish procedures or a scheme of distribution that would prejudice the Secretary's ability to recover on those rights.

(iii) Nothing in this section shall be construed as limiting or foreclosing the borrower's (or student's) right to pursue legal and equitable relief regarding disputes arising from matters otherwise unrelated to the loan discharged.

(6) Guaranty agency responsibilities—general. (i) A guaranty agency shall notify the Secretary immediately whenever it becomes aware of reliable information indicating that a school may have falsely certified a student's eligibility or caused an unauthorized disbursement of loan proceeds, as described in paragraph (e)(3) of this section. The designated guaranty agency in the state in which the school is located shall promptly investigate whether the school has falsely certified a student's eligibility and, within 30 days after receiving information indicating that the school may have done so, report the results of its preliminary investigation to the Secretary.

(ii) If the guaranty agency receives information it believes to be reliable indicating that a borrower whose loan is held by the agency may be eligible for a discharge under paragraph (e) of this section, the agency shall immediately suspend any efforts to collect from the borrower on any loan received for the program of study for which the loan was made (but may continue to receive borrower payments), and inform the borrower of the procedures for requesting a discharge.

(iii) If the borrower fails to submit the written request and sworn statement described in paragraph (e)(3) of this section within 60 days of being notified of that option, the guaranty agency shall resume collection and shall be deemed to have exercised forbearance of payment of principal and interest from the date it suspended collection activity. The agency may capitalize, in accordance with Sec. 682.202(b), any interest accrued and not paid during that period.

(iv) Upon receipt of a discharge claim filed by a lender or a request submitted by a borrower with respect to a loan held by the guaranty agency, the agency shall have up to 90 days to determine whether the discharge should be granted. The agency shall review the borrower's request and supporting sworn statement in light of information available from the records of the agency and from other sources, including other guaranty agencies, state authorities, and cognizant accrediting associations.

(v) A borrower's request for discharge and sworn statement may not be denied solely on the basis of failing to meet any time limits set by the lender or the guaranty agency.

(7) Guaranty agency responsibilities with respect to a claim filed by a lender based on the borrower's assertion that he or she did not sign the loan application or the promissory note, or that the school failed to test, or improperly tested, the student's ability to benefit. (i) The agency shall evaluate the borrower's request and consider relevant information it possesses and information available from other sources, and follow the procedures described in paragraph (e)(7) of this section.

(ii) If the agency determines that the borrower satisfies the requirements for discharge under paragraph (e) of this section, it shall, not later than 30 days after the agency makes that determination, pay the claim in accordance with Sec. 682.402(h) and—

(A) Notify the borrower that his or her liability with respect to the amount of the loan has been discharged, and that the lender has been informed of the actions required under paragraph (e)(7)(ii)(C) of this section;

(B) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount; and

(C) Notify the lender that the borrower's liability with respect to the amount of the loan has been discharged, and that the lender must—
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(1) Immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the lender related to the discharged loan amount that the borrower is, or was, otherwise obligated to pay; and

(2) Within 30 days, report to all credit reporting agencies to which the lender previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan.

(iii) If the agency determines that the borrower does not qualify for a discharge, it shall, within 30 days after making that determination—

(A) Notify the lender that the borrower's liability on the loan is not discharged and that, depending on the borrower's decision under paragraph (e)(7)(iii)(B) of this section, the loan shall either be returned to the lender or paid as a default claim; and

(B) Notify the borrower that the borrower does not qualify for discharge, and state the reasons for that conclusion. The agency shall advise the borrower that he or she remains obligated to repay the loan and warn the borrower of the consequences of default, and explain that the borrower will be considered to be in default on the loan unless the borrower submits a written statement to the agency within 30 days stating that the borrower—

(1) Acknowledges the debt and, if payments are due, will begin or resume making those payments to the lender; or

(2) Requests the Secretary to review the agency's decision.

(iv) Within 30 days after receiving the borrower's written statement described in paragraph (e)(7)(iii)(B)(1) of this section, the agency shall return the claim file to the lender and notify the lender to resume collection efforts if payments are due.

(v) Within 30 days after receiving the borrower's request for review by the Secretary, the agency shall forward the claim file to the Secretary for his review and take the actions required under paragraph (e)(11) of this section.

(vi) The agency shall pay a default claim to the lender within 30 days after the borrower fails to return either of the written statements described in paragraph (e)(7)(iii)(B) of this section.

(8) Guaranty agency responsibilities with respect to a claim filed by a lender based only on the borrower's assertion that he or she did not sign the loan check or the authorization for the release of loan funds via electronic funds transfer or master check. (i) The agency shall evaluate the borrower's request and consider relevant information it possesses and information available from other sources, and follow the procedures described in paragraph (e)(8) of this section.

(ii) If the agency determines that a borrower who asserts that he or she did not sign the loan check satisfies the requirements for discharge under paragraph (e)(3)(iv) of this section, it shall, within 30 days after making that determination—

(A) Notify the borrower that his or her liability with respect to the amount of the contested disbursement of the loan has been discharged, and that the lender has been informed of the actions required under paragraph (e)(8)(ii)(B) of this section;

(B) Notify the lender that the borrower's liability with respect to the amount of the contested disbursement of the loan has been discharged, and that the lender must—

(1) Immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the lender related to the discharged loan amount that the borrower is, or was, otherwise obligated to pay;

(2) Within 30 days, report to all credit reporting agencies to which the lender previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan;

(3) Refund to the borrower, within 30 days, all amounts paid by the borrower with respect to the loan disbursement that was discharged, including any charges imposed or costs incurred by the lender related to the discharged loan amount; and

(4) Refund to the Secretary, within 30 days, all interest benefits and special allowance payments received from the Secretary with respect to the loan disbursement that was discharged; and

(C) Transfer to the lender the borrower's written assignment of any rights the borrower may have against third parties with respect to a loan disbursement that was discharged because the borrower did not sign the loan check.

(iii) If the agency determines that a borrower who asserts that he or she did not sign the electronic funds transfer or master check authorization satisfies the requirements for discharge under paragraph (e)(3)(iv) of this section, it shall, within 30 days after making that determination, pay the claim in accordance with Sec. 682.402(h) and—

(A) Notify the borrower that his or her liability with respect to the amount of the contested disbursement of the loan has been discharged, and that the lender has been...
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

informed of the actions required under paragraph (e)(8)(iii)(C) of this section;

(B) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount; and

(C) Notify the borrower that the borrower's liability with respect to the contested disbursement of the loan has been discharged, and that the lender must—

(1) Immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the lender related to the discharged loan amount that the borrower is, or was, otherwise obligated to pay; and

(2) Within 30 days, report to all credit reporting agencies to which the lender previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan.

(iv) If the agency determines that the borrower does not qualify for a discharge, it shall, within 30 days after making that determination—

(A) Notify the lender that the borrower's liability on the loan is not discharged and that, depending on the borrower's decision under paragraph (e)(8)(iv)(B) of this section, the loan shall either be returned to the lender or paid as a default claim; and

(B) Notify the borrower that the borrower does not qualify for discharge, and state the reasons for that conclusion. The agency shall advise the borrower that he or she remains obligated to repay the loan and warn the borrower of the consequences of default, and explain that the borrower will be considered to be in default on the loan unless the borrower submits a written statement to the agency within 30 days stating that the borrower—

(1) Acknowledges the debt and, if payments are due, will begin or resume making those payments to the lender; or

(2) Requests the Secretary to review the agency's decision.

(v) Within 30 days after receiving the borrower's written statement described in paragraph (e)(8)(iv)(B)(1) of this section, the agency shall return the claim file to the lender and notify the lender to resume collection efforts if payments are due.

(vi) Within 30 days after receiving the borrower's request for review by the Secretary, the agency shall forward the claim file to the Secretary for his review and take the actions required under paragraph (e)(11) of this section.

(vii) The agency shall pay a default claim to the lender within 30 days after the borrower fails to return either of the written statements described in paragraph (e)(8)(iv)(B) of this section.

(9) Guaranty agency responsibilities in the case of a loan held by the agency for which a discharge request is submitted by a borrower based on the borrower's assertion that he or she did not sign the loan application or the promissory note, or that the school failed to test, or improperly tested, the student's ability to benefit. (i) The agency shall evaluate the borrower's request and consider relevant information it possesses and information available from other sources, and follow the procedures described in paragraph (e)(9) of this section.

(ii) If the agency determines that the borrower satisfies the requirements for discharge under paragraph (e)(3) of this section, it shall immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the agency related to the discharged loan amount that the borrower is, or was, otherwise obligated to pay and, not later than 30 days after the agency makes the determination that the borrower satisfies the requirements for discharge—

(A) Notify the borrower that his or her liability with respect to the amount of the loan has been discharged;

(B) Report to all credit reporting agencies to which the agency previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan; and

(C) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount.

(iii) If the agency determines that the borrower does not qualify for a discharge, it shall, within 30 days after making that determination, notify the borrower that the borrower's liability with respect to the amount of the loan is not discharged, state the reasons for that conclusion, and if the borrower is not then making payments in accordance with a repayment arrangement with the agency on the loan, advise the borrower of the consequences of continued failure to reach such an arrangement, and that collection action will resume on the loan unless within 30 days the borrower—

(A) Acknowledges the debt and, if payments are due, reaches a satisfactory arrangement to repay the loan or resumes making payments under such an arrangement to the agency; or
(B) Requests the Secretary to review the agency's decision.

(iv) Within 30 days after receiving the borrower's request for review by the Secretary, the agency shall forward the borrower's discharge request and all relevant documentation to the Secretary for his review and take the actions required under paragraph (e)(11) of this section.

(v) The agency shall resume collection action if within 30 days of giving notice of its determination the borrower fails to seek review by the Secretary or agree to repay the loan.

(10) Guaranty agency responsibilities in the case of a loan held by the agency for which a discharge request is submitted by a borrower based only on the borrower's assertion that he or she did not sign the loan check or the authorization for the release of loan proceeds via electronic funds transfer or master check. (i) The agency shall evaluate the borrower's request and consider relevant information it possesses and information available from other sources, and follow the procedures described in paragraph (e)(10) of this section.

(ii) If the agency determines that a borrower who asserts that he or she did not endorse the loan check satisfies the requirements for discharge under paragraph (e)(3)(iv) of this section, it shall refund to the Secretary the amount of reinsurance payment received with respect to the amount discharged on that loan less any repayments made by the lender under paragraph (e)(10)(ii)(D)(2) of this section, and within 30 days after making that determination--

(A) Notify the borrower that his or her liability with respect to the amount of the contested disbursement of the loan has been discharged;

(B) Report to all credit reporting agencies to which the agency previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan;

(C) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount;

(D) Notify the lender to whom a claim payment was made that the lender must refund to the Secretary, within 30 days--

(1) All interest benefits and special allowance payments received from the Secretary with respect to the loan disbursement that was discharged; and

(2) The amount of the borrower's payments that were refunded to the borrower by the guaranty agency under paragraph (e)(10)(iii)(C) of this section that represent borrower payments previously paid to the lender with respect to the loan disbursement that was discharged;

(E) Notify the lender to whom a claim payment was made that the lender must, within 30 days, reimburse the agency for the amount of the loan that was discharged, minus the amount of borrower payments made to the lender that were refunded to the borrower by the guaranty agency under paragraph (e)(10)(iii)(C) of this section; and

(F) Transfer to the lender the borrower's written assignment of any rights the borrower may have against third parties with respect to the loan disbursement that was discharged.

(iii) In the case of a borrower who requests a discharge because he or she did not sign the electronic funds transfer or master check authorization, if the agency determines that the borrower meets the conditions for discharge, it shall immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the agency related to the discharged loan amount that the borrower is, or was, otherwise obligated to pay, and within 30 days after making that determination--

(A) Notify the borrower that his or her liability with respect to the amount of the contested disbursement of the loan has been discharged;

(B) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount; and

(C) Report to all credit reporting agencies to which the lender previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan.

(iv) The agency shall take the actions required under paragraphs (e)(9)(iii) through (v) if the agency determines that the borrower does not qualify for a discharge.

(11) Guaranty agency responsibilities if a borrower requests a review by the Secretary. (i) Within 30 days after receiving the borrower's request for review under paragraph (e)(7)(i)(B)(2), (e)(8)(iv)(B)(2), (e)(9)(iii)(B), or (e)(10)(iv)(B) of this section, the agency shall forward the borrower's discharge request and all relevant documentation to the Secretary for his review.

(ii) The Secretary notifies the agency and the borrower of a determination on review. If the Secretary determines that the borrower is not eligible for a discharge under paragraph (e) of this section, within 30 days after being so informed, the agency shall take the actions described in
paragraphs (e)(8)(iv) through (vii) or (e)(9)(iii) through (v) of this section, as applicable.

(iii) If the Secretary determines that the borrower meets the requirements for a discharge under paragraph (e) of this section, the agency shall, within 30 days after being so informed, take the actions required under paragraph (e)(7)(ii), (e)(8)(ii), (e)(8)(iii), (e)(9)(ii), (e)(10)(ii), or (e)(10)(iii) of this section, as applicable.

(12) Lender Responsibilities. (i) If the lender is notified by a guaranty agency or the Secretary, or receives information it believes to be reliable from another source indicating that a current or former borrower may be eligible for a discharge under paragraph (e) of this section, the lender shall immediately suspend any efforts to collect from the borrower on any loan received for the program of study for which the loan was made (but may continue to receive borrower payments) and, within 30 days of receiving the information or notification, inform the borrower of the procedures for requesting a discharge.

(ii) If the borrower fails to submit the written request and sworn statement described in paragraph (e)(3) of this section within 60 days of being notified of that option, the lender shall resume collection and shall be deemed to have exercised forbearance of payment of principal and interest from the date the lender suspended collection activity. The lender may capitalize, in accordance with Sec. 682.202(b), any interest accrued and not paid during that period.

(iii) The lender shall file a claim with the guaranty agency in accordance with Sec. 682.402(g) no later than 60 days after the lender receives the borrower's written request and sworn statement described in paragraph (e)(3) of this section. If a lender receives a payment made by or on behalf of the borrower on the loan after the lender files a claim on the loan with the guaranty agency, the lender shall forward the payment to the guaranty agency within 30 days of its receipt. The lender shall assist the guaranty agency and the borrower in determining whether the borrower is eligible for discharge of the loan.

(iv) The lender shall comply with all instructions received from the Secretary or a guaranty agency with respect to loan discharges under paragraph (e) of this section.

(v) The lender shall review a claim that the borrower did not endorse and did not receive the proceeds of a loan check. The lender shall take the actions required under paragraphs (e)(8)(ii)(A) and (B) of this section if it determines that the borrower did not endorse the loan check, unless the lender secures persuasive evidence that the proceeds of the loan were received by the borrower or the student for whom the loan was made, as provided in paragraph (e)(1)(ii). If the lender determines that the loan check was properly endorsed or the proceeds were received by the borrower or student, the lender may consider the borrower's objection to repayment as

a statement of intention not to repay the loan, and may file a claim with the guaranty agency for reimbursement on that ground, but shall not report the loan to credit bureaus as in default until the guaranty agency, or, as applicable, the Secretary, reviews the claim for relief. By filing such a claim, the lender shall be deemed to have agreed to the following—

(A) If the guarantor or the Secretary determines that the borrower endorsed the loan check or the proceeds of the loan were received by the borrower or the student, any failure to satisfy due diligence requirements by the lender prior to the filing of the claim that would have resulted in the loss of reinsurance on the loan in the event of default will be waived by the Secretary; and

(B) If the guarantor or the Secretary determines that the borrower did not endorse the loan check and that the proceeds of the loan were not received by the borrower or the student, the lender will comply with the requirements specified in paragraph (e)(8)(ii)(B) of this section.

(vi) Within 30 days after being notified by the guaranty agency that the borrower's request for a discharge has been denied, the lender shall notify the borrower of the reasons for the denial and, if payments are due, resume collection against the borrower. The lender shall be deemed to have exercised forbearance of payment of principal and interest from the date the lender suspended collection activity, and may capitalize, in accordance with Sec. 682.202(b), any interest accrued and not paid during that period.

(13) Requirements for admission on the basis of ability to benefit. (i) For periods of enrollment beginning between July 1, 1987 and June 30, 1991, a student who had a general education diploma or received one before the scheduled completion of the program of instruction is deemed to have the ability to benefit from the training offered by the school.

(ii) A student not described in paragraph (e)(13)(i) of this section is considered to have the ability to benefit from training offered by the school if the student—

(A) For periods of enrollment beginning prior to July 1, 1987, was determined by the school to have the ability to benefit from the school's training in accordance with the requirements of 34 CFR 668.6;

(B) For periods of enrollment beginning on or after July 1, 1987, achieved a passing grade on a test—

(1) Approved by the Secretary, for periods of enrollment beginning on or after July 1, 1991, or by the accrediting agency, for other periods; and

(2) Administered substantially in accordance with the requirements for use of the test; or
(C) Successfully completed a program of developmental or remedial education provided by the school.

(iii) Notwithstanding paragraphs (e)(13)(i) and (ii) of this section, a student did not have the ability to benefit from training offered by the school if—

(A) The school certified the eligibility of the student for a FFEL Program loan; and

(B) At the time of certification, the student would not meet the requirements for employment (in the student's State of residence) in the occupation for which the training program supported by the loan was intended because of a physical or mental condition, age, or criminal record or other reason accepted by the Secretary.

(f) Bankruptcy—(1) General. If a borrower files a petition for relief under the Bankruptcy Code, the Secretary reimburses the holder of the loan for unpaid principal and interest on the loan in accordance with paragraphs (d) through (i) of this section.

(2) Suspension of collection activity. If the lender is notified that a borrower has filed a petition for relief in bankruptcy, the lender shall immediately suspend any collection efforts outside the bankruptcy proceeding against the borrower and—

(i) Against any co-maker or endorser if the borrower has filed for relief under Chapters 12 or 13; and

(ii) Against any co-maker or endorser who has filed for relief in bankruptcy.

(3) Determination of filing. The lender shall determine that a borrower has filed a petition for relief in bankruptcy on the basis of receiving a notice of the first meeting of creditors or other confirmation issued by the bankruptcy court.

(4) Proof of claim. Unless instructed otherwise by the guaranty agency, the lender shall file a proof of claim with the bankruptcy court within—

(i) 30 days after the lender receives a notice of first meeting of creditors unless, in the case of a proceeding under Chapter 7, the notice states that the borrower has no assets; or

(ii) 30 days after the lender receives a notice from the court stating that a Chapter 7 no-asset case has been converted to an asset case.

(5) Filing of bankruptcy claim with the guaranty agency. (i) The lender shall file a bankruptcy claim on the loan with the guaranty agency in accordance with paragraph (e) of this section, if—

(A) The borrower has filed a petition for relief under Chapters 12 or 13 of the Bankruptcy Code; or

(B) The borrower has filed a petition for relief under Chapters 7 or 11 of the Bankruptcy Code and the loan has been in repayment for more than seven years (exclusive of any applicable suspension of the repayment period) from the due date of the first payment until the date of the filing of the petition for relief; or

(C) The borrower has begun an action to have the loan obligation determined to be dischargeable on grounds of undue hardship.

(ii) In cases not described in paragraph (d)(5)(i) of this section, the lender shall continue to hold the loan notwithstanding the bankruptcy proceeding. Once the bankruptcy proceeding is completed or dismissed, the lender shall treat the loan as if the lender had exercised forbearance as to repayment of principal and interest accrued from the date of the borrower's filing of the bankruptcy petition until the date the lender is notified that the bankruptcy proceeding is completed or dismissed.

(g) Claim procedures for a loan held by a lender—(1) Documentation. A lender shall provide the guaranty agency with the following documentation when filing a death, disability, closed school, false certification, or bankruptcy claim:

(i) The original promissory note, or, if the lender no longer has the original promissory note, a copy of the note certified by the lender as a true and accurate copy;

(ii) The loan application.

(iii) In the case of a death claim, those documents that formed the basis for the determination of death.

(iv) In the case of a disability claim, a copy of the certification of disability described in paragraph (c)(2) of this section.

(v) In the case of a bankruptcy claim—

(A) Evidence that a bankruptcy petition has been filed, all pertinent documents sent to or received from the bankruptcy court by the lender, and an assignment to the guaranty agency of any proof of claim filed by the lender regarding the loan; and

(B) A statement of any facts of which the lender is aware that may form the basis for an objection or exception to the discharge of the borrower's loan obligation in bankruptcy and all documents supporting those facts.

(vi) In the case of a closed school claim, the documentation described in paragraph (d)(3) of this section, or any other documentation as the Secretary may require;
(vii) In the case of a false certification claim, the documentation described in paragraph (e)(3) of this section.

(2) Filing deadlines. A lender shall file a death, disability, closed school, false certification, or bankruptcy claim within the following periods:

(i) Within 60 days of the date on which the lender determines that a borrower (or the student on whose behalf a parent obtained a PLUS loan) has died, or the lender determines that the borrower is totally and permanently disabled.

(ii) In the case of a closed school claim, the lender shall file a claim with the guaranty agency no later than 60 days after the borrower submits to the lender the written request and sworn statement described in paragraph (d)(3) of this section or after the lender is notified by the Secretary or the Secretary's designee or by the guaranty agency to do so.

(iii) In the case of a false certification claim, the lender shall file a claim with the guaranty agency no later than 60 days after the borrower submits to the lender the written request and sworn statement described in paragraph (e)(3) of this section or after the lender is notified by the Secretary or the Secretary's designee or by the guaranty agency to do so.

(iv) A lender shall file a bankruptcy claim with the guaranty agency by the earlier of—

(A) 30 days after the date on which the lender receives notice of the first meeting of creditors or other information described in paragraph (d)(2) of this section; or

(B) 15 days after the lender is served with a complaint or motion to have the loan determined to be dischargeable on grounds of undue hardship, or, if the lender secures an extension of time within which an answer may be filed, 25 days before the expiration of that extended period, whichever is later.

(h) Payment of death, disability, closed school, false certification, and bankruptcy claims by the guaranty agency.--(1) General. (i) The guaranty agency shall review a death, disability, or bankruptcy claim promptly and shall pay the lender on an approved claim the amount of loss in accordance with paragraph (f) of this section, not later than 45 days after the claim was filed by the lender.

(ii) In the case of a bankruptcy claim, the guaranty agency shall, upon receipt of the claim from the lender, immediately take those actions required under paragraph (g) of this section to oppose the discharge of the loan by the bankruptcy court.

(iii) In the case of a closed school claim or a false certification claim based on the determination that the borrower did not sign the loan application, the promissory note, or the authorization for the electronic transfer of loan funds, or that the school failed to test, or improperly tested, the student's ability to benefit, the guaranty agency shall document its determination that the borrower is eligible for discharge under paragraphs (d) or (e) of this section and pay the borrower or the holder the amount determined under paragraph (h)(2) of this section.

(2) Amount of loss to be paid on a claim. (i) The amount of loss payable on a death, disability, or bankruptcy claim is equal to the unpaid balance of principal and interest determined in accordance with paragraph (f)(3) of this section.

(ii) The amount of loss payable to a lender on a closed school claim or on a false certification claim is equal to the sum of the remaining principal balance and interest accrued on the loan, collection costs incurred by the lender and applied to the borrower's account within 30 days of the date those costs were actually incurred, and unpaid interest determined in accordance with paragraph (f)(3) of this section.

(iii) In the case of a claim filed by a lender on an outstanding loan owed by the borrower, on the same date that the agency pays a claim to the lender, the agency shall pay the borrower an amount equal to the amount paid on the loan by or on behalf of the borrower, less any school tuition refunds or payments received by the holder or the borrower from a tuition recovery fund, performance bond, or other third-party source.

(iv) In the case of a claim filed by a lender based on a request received from a borrower whose loan had been repaid in full by, or on behalf of the borrower to the lender, on the same date that the agency notifies the lender that the borrower is eligible for a closed school or false certification discharge, the agency shall pay the borrower an amount equal to the amount paid on the loan by or on behalf of the borrower, less any school tuition refunds or payments received by the holder or the borrower from a tuition recovery fund, performance bond, or other third-party source.

(v) In the case of a loan that has been included in a Federal Consolidation Loan, the agency shall pay to the holder of the borrower's Consolidation Loan, an amount equal to—

(A) The amount paid on the loan by or on behalf of the borrower at the time the loan was paid through consolidation;

(B) The amount paid by the consolidating lender to the holder of the loan when it was repaid through consolidation; minus
(C) Any school tuition refunds or payments received by the holder or the borrower from a tuition recovery fund, performance bond, or other third-party source if those refunds or payments were—

1. Received by the borrower or received by the holder and applied to the borrower’s loan balance before the date the loan was repaid through consolidation; or

2. Received by the borrower or received by the Consolidation Loan holder on or after the date the consolidating lender made a payment to the former holder to discharge the borrower’s obligation to that former holder.

(3) Payment of interest. If the guarantee covers unpaid interest, the amount payable on an approved claim includes the unpaid interest that accrues during the following periods:

(i) During the period before the claim is filed, not to exceed the period provided for in paragraph (g)(2) of this section for filing the claim.

(ii) During a period not to exceed 30 days following the receipt date by the lender of a claim returned by the guaranty agency for additional documentation necessary for the claim to be approved by the guaranty agency.

(iii) During the period required by the guaranty agency to approve the claim and to authorize payment or to return the claim to the lender for additional documentation.

(i) Guaranty agency participation in bankruptcy proceedings—

1. Undue hardship claims. (i) In response to a petition filed with regard to any bankruptcy proceeding by the borrower for discharge under 11 U.S.C. 523(a)(8)(B) on the grounds of undue hardship, the guaranty agency shall determine on the basis of reasonably available information—

(A) Whether the first payment on the loan was due less than 7 years (exclusive of any applicable suspension of the repayment period) before the filing of the petition for relief commencing the bankruptcy case; and

(B) Whether repayment under either the current repayment schedule or any adjusted schedule authorized under this part would impose an undue hardship on the borrower and his or her dependents.

(ii) If the agency determines that repayment would not constitute an undue hardship, the agency shall then determine whether the expected costs of opposing the discharge petition would exceed one-third of the total amount owed on the loan, including principal, interest, late charges, and collection costs.

(iii) If the expected costs of opposing the discharge petition do not exceed one-third of the total amount owed on the loan, the agency shall—

(A) Oppose the borrower’s petition for a determination of dischargeability; and

(B) If the borrower is in default on the loan, seek a judgment for the amount owed on the loan.

(iv) In opposing a petition for a determination of dischargeability on the grounds of undue hardship, a guaranty agency may agree to discharge of a portion of the amount owed on a loan if it reasonably determines that the agreement is necessary in order to obtain a judgment on the remainder of the loan.

2. Response by a guaranty agency to plans proposed under Chapters 11, 12, and 13. The guaranty agency shall take the following actions when a petition for relief in bankruptcy under Chapters 11, 12, or 13 is filed:

(i) The agency is not required to respond to a proposed plan that—

(A) Provides for repayment of the full outstanding balance of the loan;

(B) Makes no provision with regard to the loan or to general unsecured claims.

(ii) In any other case, the agency shall determine, based on a review of its own records and documents filed by the debtor in the bankruptcy proceeding—

(A) What part of the loan obligation will be discharged under the plan as proposed;

(B) Whether the plan itself or the classification of the loan under the plan meets the requirements of 11 U.S.C. 1129, 1225, or 1325, as applicable; and

(C) Whether grounds exist under 11 U.S.C. 1112, 1208, or 1307, as applicable, to move for conversion or dismissal of the case.

(iii) If the agency determines that grounds exist to challenge the proposed plan, the agency shall, as appropriate, object to the plan or move to dismiss the case, if—

(A) The costs of litigation of these actions are not reasonably expected to exceed one-third of the amount of the loan to be discharged under the plan; and

(B) With respect to an objection under 11 U.S.C. 1325, the additional amount that may be recovered under the plan if an objection is successful can reasonably be expected to equal or exceed the cost of litigating the objection.
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(iv) The agency shall monitor the debtor’s performance under a confirmed plan. If the debtor fails to make payments required under the plan or seeks but does not demonstrate entitlement to discharge under 11 U.S.C. 1328(b), the agency shall oppose any requested discharge or move to dismiss the case if the costs of litigation together with the costs incurred for objections to the plan are not reasonably expected to exceed one-third of the amount of the loan to be discharged under the plan.

(3) Response by guaranty agency to plans proposed under Chapters 11, 12, and 13 for loans in repayment less than seven years. The guaranty agency shall take the following actions with regard to a loan that was in repayment for less than seven years (exclusive of applicable suspensions of the repayment period) when a petition for relief in bankruptcy under chapter 11, 12, or 13 was filed:

(i) If the debtor proposes a plan that is expected to end less than seven years (exclusive of applicable suspensions of the repayment period) after the first payment was due on the loan, the agency shall monitor the debtor’s performance under a confirmed plan. If the debtor fails to make payments required under the plan and demonstrate entitlement to discharge under 11 U.S.C. 1328(b), the agency shall oppose any requested discharge and move to dismiss the case if the costs of litigation together with the costs incurred for objections to the plan are not reasonably expected to exceed one-third of the amount of the loan to be discharged under the plan.

(ii) If the debtor proposes a plan that is expected to end more than seven years (exclusive of applicable suspensions of the repayment period) after the first payment was due on the loan, the agency shall take the actions required under paragraph (g)(2) of this section.

(j) Mandatory purchase by a lender of a loan subject to a bankruptcy claim. (1) The lender shall repurchase from the guaranty agency a loan held by the agency pursuant to a bankruptcy claim paid to that lender, unless the guaranty agency sells the loan to another lender, promptly after the earliest of the following events:

(i) The entry of an order denying or revoking discharge or dismissing a proceeding under any chapter.

(ii) A ruling in a proceeding under chapter 7 or 11 that the loan is not dischargeable under 11 U.S.C. 523(a)(8)(B) or other applicable law.

(iii) The entry of an order granting discharge under chapter 12 or 13, or confirming a plan of arrangement under chapter 11 in a proceeding begun less than 7 years (exclusive of any applicable suspension of the repayment period) after the first payment due date of the loan, unless the court determined that the loan is dischargeable under 11 U.S.C. 523(a)(8)(B) on grounds of undue hardship.

(2) The lender may capitalize all outstanding interest accrued on a loan purchased under paragraph (j) of this section to cover any periods of delinquency prior to the bankruptcy action through the date the lender purchases the loan and receives the supporting loan documentation from the guaranty agency.

(k) Claims for reimbursement from the Secretary on loans held by guaranty agencies. (1)(i) The Secretary shall reimburse the guaranty agency for its losses on bankruptcy claims paid to lenders after:

(A) A determination by the court that the loan is dischargeable under 11 U.S.C. 523(a)(8)(B) with respect to a proceeding initiated under chapter 7 or chapter 11 begun less than 7 years (exclusive of any applicable suspension of the repayment period) after the first payment due date of the loan; or

(B) With respect to any other loan, after the agency pays the claim to the lender.

(ii) The guaranty agency shall refund to the Secretary the full amount of reimbursement received from the Secretary on a loan that a lender repurchases under this section.

(2) The Secretary pays a death, disability, bankruptcy, closed school, or false certification claim in an amount determined under Sec. 682.402(k)(5) on a loan held by a guaranty agency after the agency has paid a default claim to the lender thereon and received payment under its reinsurance agreement. The Secretary reimburses the guaranty agency only if:

(i) The guaranty agency determines that the borrower (or the student for whom a parent obtained a PLUS loan or each of the co-makers of a PLUS loan) has died, or the borrower (or each of the co-makers of a PLUS loan) has become totally and permanently disabled since applying for the loan, or has filed for relief in bankruptcy, in accordance with the procedures in paragraphs (b), (c), (f) of this section, or the student was unable to complete an educational program because the school closed, or the borrower’s eligibility to borrow (or the student’s eligibility in the case of a PLUS loan) was falsely certified by an eligible school. For purposes of this paragraph, references to the “lender” and “guaranty agency” in paragraphs (b) through (f) of this section mean the guaranty agency and the Secretary respectively;

(ii) In the case of a Stafford, SLS, or PLUS loan, the guaranty agency determines that the borrower (or the student for whom a parent obtained a PLUS loan, or each of the co-makers of a PLUS loan) has died, or the borrower (or each of the co-makers of a PLUS loan) has become totally and permanently disabled since applying for the loan, or has filed the petition for relief in bankruptcy within 10 years of the date the borrower entered repayment, exclusive of periods of
deferment or periods of forbearance granted by the lender that extended the 10-year maximum repayment period, or the borrower (or the student for whom a parent obtained a PLUS loan) was unable to complete an educational program because the school closed, or the borrower's eligibility to borrow (or the student's eligibility in the case of a PLUS loan) was falsely certified by an eligible school;

(iii) In the case of a Consolidation loan, the guaranty agency determines that the borrower (or each of the co-makers) has died, is determined to be totally and permanently disabled under Sec. 682.402(c), or has filed the petition for relief in bankruptcy within the maximum repayment period described in Sec. 682.209(h)(2), exclusive of periods of deferment or periods of forbearance granted by the lender that extended the maximum repayment period;

(iv) The guaranty agency has not written off the loan in accordance with the procedures established by the agency under Sec. 682.410(b)(6)(x), except for closed school and false certification discharges; and

(v) The guaranty agency has exercised due diligence in the collection of the loan in accordance with the procedures established by the agency under Sec. 682.410(b)(6)(x), until the borrower (or the student for whom a parent obtained a PLUS loan, or each of the co-makers of a PLUS loan) has died, or the borrower (or each of the co-makers of a PLUS loan) has become totally and permanently disabled or filed a Chapter 12 or Chapter 13 petition, or had the loan discharged in bankruptcy, or for closed school and false certification claims, the guaranty agency receives a request for discharge from the borrower or another party.

(3) [Reserved]

(4) Within 30 days of receiving reimbursement for a closed school or false certification claim, the guaranty agency shall pay--

(i) The borrower an amount equal to the amount paid on the loan by or on behalf of the borrower, less any school tuition refunds or payments received by the holder, guaranty agency, or the borrower from a tuition recovery fund, performance bond, or other third-party source; or

(ii) The amount determined under paragraph (h)(2)(iv) of this section to the holder of the borrower's Consolidation Loan.

(5) The Secretary pays the guaranty agency a percentage of the outstanding principal and interest that is equal to the complement of the reinsurance percentage paid on the loan. This interest includes interest that accrues during--

(i) For death, disability, or bankruptcy claims, the shorter of 60 days or the period from the date the guaranty agency determines that the borrower (or the student for whom a parent obtained a PLUS loan, or each of the co-makers of a PLUS loan) died, became totally and permanently disabled, or filed a petition for relief in bankruptcy until the Secretary authorizes payment; or

(ii) For closed school or false certification claims, the period from the date on which the guaranty agency received payment from the Secretary on a default claim to the date on which the Secretary authorizes payment of the closed school or false certification claim.

(1) Payments received after the Secretary's payment of a death, disability, closed school, false certification, or bankruptcy claim. (1) If the guaranty agency receives any payments from or on behalf of the borrower or attributable to a loan that has been discharged in bankruptcy on which the Secretary previously paid a bankruptcy claim, the guaranty agency shall return 100 percent of these payments to the sender. The guaranty agency shall promptly return, to the sender, any payment on a cancelled or discharged loan made by the sender and received after the Secretary pays a closed school or false certification claim. At the same time that the agency returns the payment, it shall notify the borrower that there is no obligation to repay a loan discharged on the basis of death, disability, bankruptcy, false certification, or closing of the school.

(2) The guaranty agency shall remit to the Secretary all payments received from a tuition recovery fund, performance bond, or other third party with respect to a loan on which the Secretary previously paid a closed school or false certification claim.

(3) If the guaranty agency has returned a payment to the borrower, or the borrower's representative, with the notice described in paragraph (1) of this section, and the borrower (or representative) continues to send payments to the guaranty agency, the agency shall remit all of those payments to the Secretary.

(m) Applicable suspension of the repayment period. For purposes of this section and 11 U.S.C. 523(a)(8)(A) with respect to loans guaranteed under the FFEL Program, an applicable suspension of the repayment period--

(1) Includes any period, including a period of deferment, during which the lender, at the request of the borrower, does not require the borrower to make payments on the loan;

(2) Begins on the date on which the borrower qualifies for the requested deferment as provided in Sec. 682.210(a)(5) or the lender grants the requested forbearance;

(3) Closes on the later of the date on which--
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(i) The condition for which the requested deferment or forbearance was received ends; or

(ii) The lender receives notice of the end of the condition for which the requested deferment or forbearance was received, if the condition ended earlier than represented by the borrower at the time of the request and the borrower did not notify timely the lender of the date on which the condition actually ended;

(4) Includes the period between the end of the borrower's grace period and the first payment due date established by the lender in the case of a borrower who entered repayment without the knowledge of the lender;

(5) Includes the period between the filing of the petition for relief and the date on which the proceeding is completed or dismissed, unless payments have been made during that period in amounts sufficient to meet the amount owed under the repayment schedule in effect when the petition was filed.

Sec. 682.403 Federal advances for claim payments.

(a) The Secretary makes an advance to a guaranty agency that has a reinsurance agreement. The advance may be used only to pay guarantee claims. The Secretary makes an advance to—

(1) A State guaranty agency; or

(2) 1 or more private nonprofit guarantee agencies in a State if, during a fiscal year—

(i) The State does not have a guaranty agency program;

(ii) The Secretary consults the chief executive officer of the State and finds it unlikely that the State will have a program for that year; and

(iii) Each private nonprofit guaranty agency—

(A) Agrees to establish at least 1 office in the State with sufficient staff to handle written and telephone inquiries from students, eligible lenders, and other persons in the State;

(B) Agrees to encourage maximum commercial lender participation within the State and to conduct periodic visits to at least the major lenders within the State;

(C) Agrees that the benefit of its loan guarantees will not be denied to students because of their choice of schools or lack of need; and

(D) Certifies that it is not an eligible educational institution and that it does not have any substantial affiliation with an eligible educational institution.

(b) A guaranty agency shall apply to the Secretary in order to receive an initial advance.

(c)(1) An advance may be made to a new guaranty agency for each of five consecutive calendar years. A new agency is an agency that entered into a basic agreement on or after October 12, 1976, or that was not actively carrying on a loan guarantee program on or before October 12, 1976.

(2)(i) A guaranty agency may request that the initial advance be made on a specified date. The Secretary pays subsequent advances on the same day that the initial advance was made for each of the four succeeding calendar years.

(ii) An additional advance may be made to a private nonprofit guaranty agency only if the agency continues to qualify under paragraph (a) of this section.

(d) The Secretary makes an advance on terms and conditions specified in a Federal advances for claim payments agreement between the Secretary and the guaranty agency.

(e) In the case of a private nonprofit guaranty agency, the repayment of advances is determined separately for each State for which the agency has received in advance under this section, in accordance with section 422(c)(4) of the Act.

(f) A guaranty agency shall return advances provided under this section in accordance with the provisions of sections 422(c) and (d) of the Act.

(Authority: 20 U.S.C. 1072, 1082)

Sec. 682.404 Federal reinsurance agreement.

(a) General. (1)(i) The Secretary may enter into a reinsurance agreement with a guaranty agency that has a basic program agreement. Except as provided in paragraph (b)
of this section, under a reinsurance agreement the Secretary reimburses the guaranty agency for 98 percent of its losses on default claim payments to lenders.

(ii) Notwithstanding paragraph (a)(1)(i) of this section, the Secretary reimburses a guaranty agency for 100 percent of its losses on default claim payments—

(A) For loans made prior to October 1, 1993;

(B) For loans made under an approved lender-of-last-resort program;

(C) For loans transferred under a plan approved by the Secretary from an insolvent guaranty agency or a guaranty agency that withdraws its participation in the FFEL Program;

(D) For a guaranty agency that entered into a basic program agreement under section 428(b) of the Act after September 30, 1976, or was not actively carrying on a loan guarantee program covered by a basic program agreement on October 1, 1976 for five consecutive fiscal years beginning with the first year of its operation.

(2) For purposes of this section—

(i) Losses means the amount of unpaid principal and accrued interest the agency paid on a default claim filed by a lender on a reinsured loan, minus payments made by or on behalf of the borrower after default but before the Secretary reimburses the agency;

(ii) Preclaims assistance means collection assistance made available to the lender by the guaranty agency no later than the 90th day of delinquency. This assistance must include collection activities that are at least as forceful as the level of preclaims assistance performed by the guaranty agency as of October 16, 1990, and involves the initiation by the guaranty agency of at least 3 collection activities, one of which is a letter designed to encourage the borrower to begin or resume repayment. As part of their preclaims assistance, guaranty agencies must provide counseling and consumer information (in written or other format) to the borrower by the 10th working day after the agency receives the lender's request for preclaims assistance informing the borrower of all of the borrower's options to avoid default, including the availability of consolidating delinquent loans under the FFEL Program or the Federal Direct Consolidation Loan Program.

(iii) Supplemental preclaims assistance means collection assistance provided to the lender by the guaranty agency that involves the initiation by the agency of at least two collection activities designed to encourage the borrower to begin or resume payment that is begun on or after the 120th day of delinquency.

(3)(i) If an account has been subject to supplemental preclaims assistance and is not submitted as a default claim by the lender to the guaranty agency by the 150th day after the loan becomes 120 days delinquent, the Secretary will pay the guaranty agency $50.

(ii) If a guaranty agency contracts with an outside entity to perform any supplemental preclaims assistance activity, that entity may not—

(A) Hold or service the loan;

(B) Own, control, or share common ownership with the holder or servicer of the loan; or

(C) Hold a contract with the agency to perform collection services on the loan in the event of default.

(iii) For purposes of paragraph (a)(3)(i) of this section, an "account" includes 1 or more FFEL programs loans that were—

(A) Made to the same borrower;

(B) Held by the same lender;

(C) Guaranteed by the same guaranty agency;

(D) Subject to preclaims assistance by the same agency; and

(E) Covered by the same supplemental preclaims assistance request.

(4) A guaranty agency's loss on a loan that was outstanding when a reinsurance agreement was executed is covered by the reinsurance agreement only if the default on the loan occurs after the effective date of the agreement.

(5) If a lender has requested preclaims assistance as described in paragraph (a)(2)(i) of this section, upon request of the school, the agency shall notify the school for attendance at which the borrower received the loan of the lender's request by providing the school with a copy of that request, or by other means.

(b) Reinsurance rate. (1) If the total of reinsurance claims paid by the Secretary to a guaranty agency during any fiscal year reaches 5 percent of the amount of loans in repayment at the end of the preceding fiscal year, the Secretary's reinsurance payment on a default claim subsequently paid by the guaranty agency during that fiscal year equals—

(i) 90 percent of its losses for loans made before October 1, 1993 or transferred under a plan approved by the Secretary from an insolvent guaranty agency or a guaranty agency that withdraws its participation in the FFEL Program; or

(ii) Notwithstanding paragraph (a)(1)(i) of this section, the Secretary reimburses the guaranty agency for 98 percent of its losses on default claim payments—
(ii) 88 percent of its losses for loans made on or after October 1, 1993.

(2) If the total of reinsurance claims paid by the Secretary to a guaranty agency during any fiscal year reaches 9 percent of the amount of loans in repayment at the end of the preceding fiscal year, the Secretary’s reinsurance payment on a default claim subsequently paid by the guaranty agency during that fiscal year equals—

(i) 80 percent of its losses for loans made before October 1, 1993 or transferred under a plan approved by the Secretary from an insolvent guaranty agency or a guaranty agency that withdraws its participation in the FFEL Program; or

(ii) 78 percent of its losses for loans made on or after October 1, 1993.

(3) For purposes of this section, the total of reinsurance claims paid by the Secretary to a guaranty agency during any fiscal year does not include amounts paid on claims by the guaranty agency—

(i) On loans considered in default under Sec. 682.412(e);

(ii) Under a policy established by the agency that is consistent with Sec. 682.509(a)(1); or

(iii) That were filed by lenders at the direction of the Secretary;

(iv) On loans made under a guaranty agency’s approved lender-of-last-resort program.

(4) For purposes of this section, amount of loans in repayment means—

(i) The sum of—

(A) The original principal amount of all loans guaranteed by the agency; and

(B) The original principal amount of any loans on which the guarantee was transferred to the agency from another agency;

(ii) Minus the original principal amount of all loans on which—

(A) The loan guarantee was canceled;

(B) The loan guarantee was transferred to another agency;

(C) The borrower has not yet reached the repayment period;

(D) Payment in full has been made by the borrower;

(E) The borrower was in deferment status at the time repayment was scheduled to begin and remains in deferment status;

(F) Reinsurance coverage has been lost and cannot be regained; and

(G) The agency paid claims, excluding the amount of those claims—

(1) Paid under Sec. 682.412(e);

(2) Paid under a policy established by the agency that is consistent with Sec. 682.509(a)(1); or

(3) Paid at the direction of the Secretary.

(c) Submission of reinsurance rate base data. The guaranty agency shall submit to the Secretary the quarterly report required by the Secretary for the previous quarter ending September 30 containing complete and accurate data in order for the Secretary to calculate the amount of loans in repayment at the end of the preceding fiscal year. The Secretary does not pay a reinsurance claim to the guaranty agency after the date the quarterly report is due until the guaranty agency submits a complete and accurate report.

(d) Reinsurance fee. (1) Except for loans made under Sec. 682.209(e), (f) and (h), a guaranty agency shall pay to the Secretary during each fiscal year in quarterly installments a reinsurance fee equal to—

(i) 0.25 percent of the total principal amount of the Stafford, SLS, and PLUS loans on which guarantees were issued by that agency during that fiscal year; or

(ii) 0.5 percent of the total principal amount of the Stafford, SLS, and PLUS loans on which guarantees were issued by that agency during that fiscal year if the agency’s reinsurance claims paid reach the amount described in paragraph (b)(1) of this section at any time during that fiscal year.

(2) The agency that is the original guarantor of a loan shall pay the reinsurance fee to the Secretary even if the guaranty agency transfers its guarantee obligation on the loan to another guaranty agency.

(3) The guaranty agency shall pay the reinsurance fee required by paragraph (d)(1) of this section due the Secretary for each calendar quarter ending March 31, June 30, September 30, and December 31, within 90 days after the end of the applicable quarter or within 30 days after receiving written notice from the Secretary that the fees are due, whichever is earlier.
(e) Initiation or extension of agreements. In deciding whether to enter into or extend a reinsurance agreement, or, if an agreement has been terminated, whether to enter into a new agreement, the Secretary considers the adequacy of-

1. Efforts by the guaranty agency and the lenders to which it provides guarantees to collect outstanding loans as required by Sec. 682.410(b)(6) or (7), and Sec. 682.411;

2. Efforts by the guaranty agency to make FFEL loans available to all eligible borrowers; and

3. Other relevant aspects of the guaranty agency's program operations.

(f) Application of borrower payments. A payment made to a guaranty agency by a borrower on a defaulted loan must be applied first to the collection costs incurred to collect that amount and then to other incidental charges, such as late charges, then to accrued interest and then to principal.

(g) Federal share of borrower payments. (1) If a borrower makes payments on a loan after the Secretary has paid a reinsurance claim on that loan, the agency shall pay to the Secretary the Secretary's equitable share of those payments.

(2) For purposes of this section, the Secretary's equitable share means that portion of borrower payments that remains after the agency has deducted-

(i) An amount equal to the complement of the reinsurance percentage that was in effect when the reinsurance payment was made by the Secretary; and

(ii) 30 percent of borrower payments.

(3) Unless the Secretary approves otherwise, the guaranty agency shall pay to the Secretary the Secretary's equitable share of borrower payments within 45 days of its receipt of the payments.

(h) Nondiscrimination. (1) A guaranty agency may not engage in any pattern or practice that results in a denial of a borrower's access to FFEL loans because of the borrower's race, sex, color, religion, national origin, age, handicapped status, income, attendance at a particular participating school within any State served by the guaranty agency, length of the borrower's educational program, or the borrower's academic year in school.

(2) For purposes of this section a guaranty agency is deemed to be serving a State if it guarantees-

(i) Made to a borrower who is a resident of a State not served by the agency; and

(ii) Made for attendance at a school located in the State.

(1) Other terms. The reinsurance agreement contains other terms and conditions that the Secretary finds necessary to-

1. Promote the purposes of the FFEL programs and to protect the United States from unreasonable risks of loss;

2. Ensure proper and efficient administration of the loan guarantee program; and

3. Ensure that due diligence will be exercised in the collection of loans.

Sec. 682.405 Loan rehabilitation agreement.

(a) General. (1) A guaranty agency that has a basic program agreement must enter into a loan rehabilitation agreement with the Secretary. The guaranty agency must establish a loan rehabilitation program for all borrowers with an enforceable promissory note for the purpose of rehabilitating defaulted loans so that the loan may be purchased, if practicable, by an eligible lender and removed from default status.

(2) A loan is considered to be rehabilitated only after the borrower has made one voluntary reasonable and affordable full payment each month and the payment is received by a guaranty agency or its agent within 15 days of the scheduled due date for 12 consecutive months in accordance with this section, and the loan has been sold to an eligible lender.

(3) After the loan has been rehabilitated, the borrower regains all benefits of the program, including any remaining deferment eligibility under section 428(b)(1)(M) of the Act, from the date of the rehabilitation.

(4) A borrower who wishes to rehabilitate a loan on
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

which a judgment has been entered must sign a new promissory note prior to the sale of the loan to an eligible lender.

(b) Terms of agreement. In the loan rehabilitation agreement, the guaranty agency agrees to ensure that its loan rehabilitation program meets the following requirements at all times:

(1) A borrower may request the rehabilitation of the borrower's defaulted FFEL loan held by the guaranty agency. The borrower must make one voluntary full payment each month for 12 consecutive months to be eligible to have the defaulted loans rehabilitated. For purposes of this section, "full payment" means a reasonable and affordable payment agreed to by the borrower and the agency. The required amount of such monthly payment may be no more than is reasonable and affordable based upon the borrower's total financial circumstances. Voluntary payments are those made directly by the borrower regardless of whether there is a judgment against the borrower, and do not include payments obtained by income tax off-set, garnishment, or income or asset execution. A guaranty agency must attempt to secure a lender to purchase the loan at the end of the twelve-(12-)month payment period.

(i) For purposes of this section, the determination of reasonable and affordable must—

(A) Include a consideration of the borrower's and spouse's disposable income and reasonable and necessary expenses including, but not limited to, housing, utilities, food, medical costs, work-related expenses, dependent care costs and other Title IV repayment;

(B) Not be a required minimum payment amount, e.g., $50, if the agency determines that a smaller amount is reasonable and affordable based on the borrower's total financial circumstances. The agency must include documentation in the borrower's file of the basis for the determination if the monthly reasonable and affordable payment established under this section is less than $50.00 or the monthly accrued interest on the loan, whichever is greater. However, $50.00 may not be the minimum payment for a borrower if the agency determines that a smaller amount is reasonable and affordable;

(C) Be based on the documentation provided by the borrower or other sources including, but not be limited to—

(1) Evidence of current income (e.g., proof of welfare benefits, Social Security benefits, child support, veterans' benefits, Supplemental Security Income, Workmen's Compensation, two most recent pay stubs, most recent copy of U.S. income tax return, State Department of Labor reports);

(2) Evidence of current expenses (e.g., a copy of the borrower's monthly household budget, on a form provided by the guaranty agency); and

(3) A statement of the unpaid balance on all FFEL loans held by other holders.

(ii) The agency must include any payment made under Sec. 682.401(b)(4) in determining whether the 12 consecutive payments required under paragraph (b)(1) of this section have been made.

(iii) A borrower may request that the monthly payment amount be adjusted due to a change in the borrower's total financial circumstances only upon providing the documentation specified in paragraph (b)(1)(i)(C) of this section.

(iv) A guaranty agency must provide the borrower with a written statement confirming the borrower's reasonable and affordable payment amount, as determined by the agency, and explaining any other terms and conditions applicable to the required series of payments that must be made before a borrower's account can be considered for repurchase by an eligible lender. The statement must inform borrowers of the consequences of having their loans rehabilitated (e.g. credit clearing, possibility of increased monthly payments). The statement must inform the borrower of the amount of the collection costs to be added to the unpaid principal at the time of the sale. The collection costs may not exceed 18.5 percent of the unpaid principal and accrued interest at the time of the sale.

(v) A guaranty agency must provide the borrower with an opportunity to object to terms of the rehabilitation of the borrower's defaulted loan.

(2) The guaranty agency must report to all national credit bureaus within 90 days of the date the loan was rehabilitated that the loan is no longer in a default status.

(3) An eligible lender purchasing a rehabilitated loan must establish a repayment schedule that meets the same requirements that are applicable to other FFEL Program loans made under the same loan type and provides for the borrower to make monthly payments at least as great as the average of the 12 consecutive monthly payments received by the guaranty agency. For the purposes of the maximum loan repayment period, the lender must treat the first payment made under the 12 consecutive payments as the first payment under the 10-year maximum.

Sec. 682.406 Conditions of reinsurance coverage.

(a) A guaranty agency is entitled to reinsurance payments on a loan only if—

(1) The lender exercised due diligence in making, disbursing, and servicing the loan as prescribed by the rules of the agency;

(2) With respect to the reinsurance payment on the portion of a loan represented by a single disbursement of loan proceeds—

(i) The check for the disbursement was cashed within 120 days after disbursement; or

(ii) The proceeds of the disbursement made by electronic funds transfer or master check in accordance with Sec. 682.207(b)(1)(ii)(B) and (C) have been released from the restricted account maintained by the school within 120 days after disbursement;

(3) The lender provided—

(i) An accurate collection history to the guaranty agency with the default claim filed on the loan sufficient to support guarantor review for claim payment showing that the lender exercised due diligence in collecting the loan through collection efforts meeting the requirements of Sec. 682.411, including collection efforts against each endorser; and

(ii) A payment history that supports the claim payment amount.

(4) The loan was in default before the agency paid a default claim filed thereon;

(5) The lender filed a default claim thereon with the guaranty agency within 90 days of default;

(6) The lender resubmitted a properly documented default claim to the guaranty agency not later than 60 days from the date the agency had returned that claim due solely to inadequate documentation, except that interest accruing beyond the 30th day after the date the guaranty agency returned the claim is not reinsured unless the lender files a claim for loss on the loan with the guarantor together with all required documentation, prior to the 30th day;

(7) The lender satisfied all conditions of guarantee coverage set by the agency, unless the agency reinstated guarantee coverage on the loan following the lender’s failure to satisfy such a condition pursuant to written policies and procedures established by the agency;

(8) The agency paid or returned to the lender for additional documentation a default claim thereon filed by the lender within 90 days of the date the lender filed the claim or, if applicable, the additional documentation, except that interest accruing beyond the 60th day after the date the lender originally filed the claim is not reinsured;

(9) The agency submitted a request for the payment on a form required by the Secretary no later than 45 days following payment of a default claim to the lender, which must take place no earlier than 90 days following default in the case of a loan payable in monthly installments, or no earlier than 30 days following default, in the case of a loan payable in less frequent installments;

(10) The loan was legally enforceable by the lender when the agency paid a claim on the loan to the lender;

(11) The agency exercised due diligence in collection of the loan in accordance with Sec. 682.410(b)(6) or (7);

(12) The agency and lender complied with all other Federal requirements with respect to the loan including the payment of origination fees and compliance with all preclaims assistance requirements in Sec. 682.404(a)(2)(ii);

(13) The agency assigns the loan to the Secretary, if so directed, in accordance with the requirements of Sec. 682.409; and

(14) The guaranty agency certifies to the Secretary that diligent attempts have been made by the lender and the guaranty agency under Sec. 682.411(g) to locate the borrower through the use of reasonable skip-tracing techniques.

(b) Notwithstanding paragraph (a) of this section, the Secretary may waive his right to refuse to make or require repayment of a reinsurance payment if, in the Secretary’s judgment, the best interests of the United States so require. The Secretary’s waiver policy for violations of paragraph (a)(3) or (a)(5) of this section is set forth in Appendix D to this part.

Sec. 682.407 [Removed and reserved]

Note: Section removed and reserved November 30, 1994, effective July 1, 1995.
Sec. 682.408 Loan disbursement through an escrow agent.

(a) General. (1) A guaranty agency or an eligible lender may act as an escrow agent for the purpose of receiving Stafford, SLS, and PLUS loan proceeds disbursed by an eligible lender other than a school, State lender, or a State agency or instrumentality, and transmitting those proceeds to the borrower's school if the lender and the escrow agent have entered into a written agreement for this purpose.

(2) The agreement must provide that--

(i) The lender may make payments into an escrow account that is administered by the escrow agent in accordance with the requirements of paragraph (c) of this section and Sec. 682.207(b)(1)(iv);

(ii) The lender shall promptly notify the borrower's school when funds are escrowed for the borrower; and

(iii) The escrow agent is authorized to--

(A) Transmit the proceeds according to the note evidencing the loan;

(B) Commingle the proceeds of the loans paid to it pursuant to an escrow agreement;

(C) Invest the loan proceeds only in obligations of the Federal Government or obligations that are insured or guaranteed by the Federal Government; and

(D) Retain for its own use interest or other earnings on those investments.

(b) Disbursement by the lender. Subject to Sec. 682.207(b)(1)(ii), the lender may disburse the loan proceeds to the escrow agent using any method agreed to by the escrow agent and the lender.

(c) Transmittal of FFEL loan proceeds by the escrow agent. (1) The escrow agent shall transmit Stafford and SLS loan proceeds received from a lender under this section to a school in accordance with the requirements of Sec. 682.207(b)(1)(ii) and (iv) not later than 21 days after the agent receives the funds from the lender.

(Authority: 20 U.S.C. 1078, 1082)

Sec. 682.409 Mandatory assignment by guaranty agencies of defaulted loans to the Secretary.

(a)1) If the Secretary determines that action is necessary to protect the Federal fiscal interest, the Secretary will direct a guaranty agency to promptly assign to the Secretary any loan held by the agency on which the agency has received payment under Sec. 682.402(d), 682.402(i), or 682.404. An orderly transition from the FFEL program to the Federal Direct Student Loan (FDSL) Program and the collection of unpaid loans owed by Federal employees by Federal salary offset are, among other things, deemed to be in the Federal fiscal interest. Unless the Secretary notifies an agency, in writing, that other loans must be assigned to the Secretary, an agency must assign any loan that meets all of the following criteria as of April 15 of each year:

(i) The unpaid principal balance is at least $100.

(ii) For each of the two fiscal years following the fiscal year in which these regulations are effective, the loan, and any other loans held by the agency for that borrower, have been held by the agency for at least four years; for any subsequent fiscal year such loan must have been held by the agency for at least five years.

(iii) A payment has not been received on the loan in the last year.

(iv) A judgment has not been received on the loan against the borrower.

(2) If the agency fails to meet a fiscal year recovery rate standard under paragraph (a)(2)(ii) of this section for a loan type, and the Secretary determines that additional assignments are necessary to protect the Federal fiscal interest, the Secretary may require the agency to assign in addition to those loans described in paragraph (a)(1) of this section, loans in amounts needed to satisfy the requirements of paragraph (a)(2)(iii) or (a)(3)(i) of this section.

(i) Calculation of fiscal year loan type recovery rate. A fiscal year loan type recovery rate for an agency is determined by dividing the amount collected on defaulted loans, including collections by Federal Income Tax Refund Offset, for each loan program (i.e., the Stafford, PLUS, SLS, and Consolidation loan programs) by the agency for loans of that program (including payments received by the agency on loans under Sec. 682.401(b)(4) and Sec. 682.409 and the amounts of any loans purchased from the guaranty agency by an eligible lender) during the most recent fiscal year for which

13-81

419
data are available by the total of principal and interest owed to an agency on defaulted loans for each loan program at the beginning of the same fiscal year, less accounts permanently assigned to the Secretary through the most recent fiscal year.

(ii) Fiscal year loan type recovery rate standards. 
(A) If, in each of the two fiscal years following the fiscal year in which these regulations are effective, the fiscal year loan type recovery rate for a loan program for an agency is below 80 percent of the average recovery rate of all active guaranty agencies in each of the same two fiscal years for that program type, and the Secretary determines that additional assignments are necessary to protect the Federal fiscal interest, the Secretary may require the agency to make additional assignments in accordance with paragraph (a)(2)(iii) of this section.

(B) In any subsequent fiscal year the loan type recovery rate standard for a loan program must be 90 percent of the average recovery rate of all active guaranty agencies.

(iii) Non-achievement of loan type recovery rate standards. (A) Unless the Secretary determines under paragraph (a)(2)(iv) of this section that protection of the Federal fiscal interest requires that a lesser amount be assigned, upon notice from the Secretary, an agency with a fiscal year loan type recovery rate described in paragraph (a)(2)(ii) of this section must promptly assign to the Secretary a sufficient amount of defaulted loans, in addition to loans to be assigned in accordance with paragraph (a)(1) of this section, to cause the fiscal year loan type recovery rate of the agency that fiscal year to equal or exceed the average rate of all agencies described in paragraph (a)(2)(ii) of this section when recalculated to exclude from the denominator of the agency’s fiscal year loan type recovery rate the amount of these additional loans.

(B) The Secretary, in consultation with the guaranty agency, may require the amount of loans to be assigned under paragraph (a)(2) of this section to include particular categories of loans that share characteristics that make the performance of the agency fall below the appropriate percentage of the loan type recovery rate as described in paragraph (a)(2)(ii) of this section.

(iv) Calculation of loan type recovery rate standards.
The Secretary, within 30 days after the date for submission of the second quarterly report from all agencies, makes available to all agencies a mid-year report, showing the recovery rate for each agency and the average recovery rate of all active guaranty agencies for each loan type. In addition, the Secretary, within 120 days after the beginning of each fiscal year, makes available a final report showing those rates and the average rate for each loan type for the preceding fiscal year.

(3)(i) Determination that the protection of the Federal fiscal interest requires assignments. Upon petition by an agency submitted within 45 days of the notice required by paragraph (a)(2)(iii)(A) of this section, the Secretary may determine that protection of the Federal fiscal interest does not require assignment of all loans described in paragraph (a)(1) of this section or of loans in the full amount described in paragraph (a)(2)(iii) of this section only after review of the agency’s petition. In making this determination, the Secretary considers all relevant information available to him (including any information and documentation obtained by the Secretary in reviews of the agency or submitted to the Secretary by the agency) as follows:

(A) For each of the two fiscal years following the fiscal year in which these regulations are effective, the fiscal year loan type recovery rate above the average rate of all active agencies to demonstrate that the protection of the Federal fiscal interest will be served if any amounts of loans of the loan type required to be assigned to the Secretary under paragraph (a)(1) of this section are retained by that agency.

For any subsequent fiscal year, the Secretary considers information presented by an agency with a fiscal year recovery rate 10 percent above the average rate of all active agencies.

(B) The Secretary considers information presented by an agency that is required to assign loans under paragraph (a)(2) of this section to demonstrate that the protection of the Federal fiscal interest will be served and that agency demonstrates that its compliance with Sec. 682.401(b)(4) and Sec. 682.405 has reduced substantially its fiscal year loan type recovery rate or rates or if the agency is not required to assign amounts of loans that would otherwise have to be assigned.

(C) The information provided by an agency pursuant to paragraphs (a)(3)(i)(A) and (B) of this section may include, but is not limited to the following:

(1) The fiscal year loan type recovery rate within such school sectors as the Secretary may designate for the agency, and for all agencies.

(2) The fiscal year loan type recovery rate for loans for the agency and for all agencies categorized by age of the loans as the Secretary may determine.

(3) The performance of the agency, and all agencies, in default aversion.

(4) The agency’s performance on judgment enforcement.

(5) The existence and use of any state or guaranty agency-specific collection tools.

(6) The agency’s level of compliance with Secs. 682.409 and 682.410(b)(6).
PART  682—FEDERAL FAMILY EDUCATION  LOAN (FFEL) PROGRAM

(7) Other factors that may affect loan repayment such as State or regional unemployment and natural disasters.

(ii) Denial of an agency’s petition. If the Secretary does not accept the agency’s petition, the Secretary provides, in writing, to the agency the Secretary’s reasons for concluding that the Federal fiscal interest is best protected by requiring the assignment.

(b)(1) A guaranty agency that assigns a defaulted loan to the Secretary under this section thereby releases all rights and title to that loan. The Secretary does not pay the guaranty agency any compensation for a loan assigned under this section.

(2) The guaranty agency does not share in any amounts received by the Secretary on a loan assigned under this section, regardless of the reinsurance percentage paid on the loan or the agency’s previous collection costs.

(c)(1) A guaranty agency must assign a loan to the Secretary under this section at the time, in the manner, and with the information and documentation that the Secretary requires. The agency must submit this information and documentation in the form (including magnetic media) and format specified by the Secretary.

(2) The guaranty agency shall execute an assignment to the United States of America of all right, title, and interest in the promissory note or judgment evidencing a loan assigned under this section.

(3) If the agency does not provide the required information and documentation in the form and format required by the Secretary, the Secretary may, at his option—

(i) Allow the agency to revise the agency's submission to include the required information and documentation in the specified form and format;

(ii) Reorganize the material submitted and assess the cost of the activity against the agency;

(iii) Obtain from other agency records and add to the agency's submission any information from the original submission, and assess the cost of that activity against the agency.

(4) For each loan assigned, the agency shall submit to the Secretary the following documents associated for each loan, assembled in the order listed below:

(i) The promissory note.

(ii) Any documentation of a judgment entered on the loan.

(iii) A written assignment of the loan or judgment, unless this assignment is affixed to the promissory note.

(iv) The loan application.

(v) A payment history for the loan, as described in Sec. 682.414(a)(1)(i)(C).

(vi) A collection history for the loan, as described in Sec. 682.414(a)(1)(ii)(D).

(5) The agency may submit certified copies of required documents in lieu of originals if no originals exist.

(6) The Secretary may accept the assignment of a loan without all of the documents listed in paragraph (c)(4) of this section. If directed to do so, the agency must retain these documents for submission to the Secretary at some future date.

(d)(1) If the Secretary determines that the agency has not submitted a document or record required by paragraph (c) of this section, and the Secretary decides to allow the agency an additional opportunity to submit the omitted document under paragraph (c)(3)(i) of this section, the Secretary notifies the agency and provides a reasonable period of time for the agency to submit the omitted record or document.

(2) If the omitted document is not submitted within the time specified by the Secretary, the Secretary determines whether that omission impairs the Secretary’s ability to collect the loan.

(3) If the Secretary determines that the ability to collect the loan has been impaired under paragraph (d)(2) of this section, the Secretary assesses the agency the amount paid to the agency under the reinsurance agreement and accrued interest at the rate applicable to the borrower under Sec. 682.410(b)(3).

(4) The Secretary reassigns to the agency that portion of the loan determined to be unenforceable by the Department.

Sec. 682.410 Fiscal, administrative, and enforcement requirements.

(a) Fiscal requirements (1) Reserve fund assets. A guaranty agency shall establish and maintain a reserve fund to be used solely for its activities as a guaranty agency under the FFEL Program ("guaranty activities"). The guaranty agency shall credit to the reserve fund-

(i) The total amount of insurance premiums collected;

(ii) Funds received from a State for the agency's guaranty activities, including matching funds under section 422(a) of the Act;

(iii) Federal advances obtained under sections 422(a) and (c) of the Act;

(iv) Federal payments for default, bankruptcy, death, disability, closed schools, and false certification claims;

(v) Supplemental preclaims assistance payments;

(vi) Administrative cost allowance payments received under Sec. 682.407 and transitional support payments received under section 458(a) of the Act;

(vii) Funds collected by the guaranty agency on FFEL Program loans on which a claim has been paid;

(viii) Investment earnings on the reserve fund; and

(ix) Other funds received by the guaranty agency from any source for the agency's guaranty activities.

(2) Uses of reserve fund assets. A guaranty agency may not use the assets of the reserve fund established under paragraph (a)(1) of this section to pay costs prohibited under Sec. 682.418, but shall use the assets of the reserve fund to pay only--

(i) Insurance claims;

(ii) Costs that are reasonable, as defined under Sec. 682.410(a)(11)(iii), and that are ordinary and necessary for the agency to fulfill its responsibilities under the HEA, including costs of collecting loans, providing preclaims assistance, monitoring enrollment and repayment status, and carrying out any other guaranty activities. Those costs must be--

(A) Allocable to the FFEL Program;

(B) Not higher than the agency would incur under established policies, regulations, and procedures that apply to any comparable non-Federal activities of the guaranty agency;

(C) Not included as a cost or used to meet cost sharing or matching requirements of any other federally supported activity, except as specifically provided by Federal law;

(D) Net of all applicable credits; and

(E) Documented in accordance with applicable legal and accounting standards;

(iii) Lenders for their participation in a loan referral service under section 428(e) of the Act;

(iv) The Secretary's equitable share of collections;

(v) Federal advances and other funds owed to the Secretary;

(vi) Reinsurance fees;

(vii) Insurance premiums related to cancelled loans;

(viii) Borrower refunds, including those arising out of student or other borrower claims and defenses;

(ix)(A) The repayment, on or after December 29, 1993, of amounts credited under paragraphs (a)(1)(ii) or (a)(1)(ix) of this section, if the agency provides the Secretary 30 days prior notice of the repayment and demonstrates that--

(1) These amounts were originally received by the agency under appropriate contemporaneous documentation specifying that receipt was on a temporary basis only;

(2) The objective for which these amounts were originally received by the agency has been fully achieved; and

(3) Repayment of these amounts would not cause the agency to fail to comply with the minimum reserve levels provided by paragraph (a)(10) of this section, except that the Secretary may, for good cause, provide written permission for a payment that meets the other requirements of this paragraph (a)(2)(ix)(A).

(B) The repayment, prior to December 29, 1993, of amounts credited under paragraphs (a)(1)(ii) or (a)(1)(ix) of this section, if the agency demonstrates that--

(1) These amounts were originally received by the agency under appropriate contemporaneous documentation that receipt was on a temporary basis only; and

(2) The objective for which these amounts were originally received by the agency has been fully achieved.

(x) Any other costs or payments ordinary and necessary to perform functions directly related to the agency's
faith when it made the payment or the agency would otherwise be unfairly prejudiced by the nonallowability of the payment at a later time; and

(xii) Any other amounts authorized or directed by the Secretary.

(3) Accounting basis. Except as approved by the Secretary, a guaranty agency shall credit the items listed in paragraph (a)(1) of this section to its reserve fund upon their receipt, without any deferral for accounting purposes, and shall deduct the items listed in paragraph (a)(2) of this section from its reserve fund upon their payment, without any accrual for accounting purposes.

(4) Accounting records. (i) The accounting records of a guaranty agency must reflect the correct amount of sources and uses of funds under paragraph (a) of this section.

(ii) A guaranty agency may reverse prior credits to its reserve fund if--

(A) The agency gives the Secretary prior notice setting forth a detailed justification for the action;

(B) The Secretary determines that such credits were made erroneously and in good faith; and

(C) The Secretary determines that the action would not unfairly prejudice other parties.

(iii) A guaranty agency shall correct any other errors in its accounting or reporting as soon as practicable after the errors become known to the agency.

(iv) If a general reconstruction of a guaranty agency's historical accounting records is necessary to make a change under paragraphs (a)(4)(ii) and (a)(4)(iii) of this section or any other retroactive change to its accounting records, the agency may make this reconstruction only upon prior approval by the Secretary and without any deduction from its reserve fund for the cost of the reconstruction.

(5) Investments. The guaranty agency shall exercise the level of care required of a fiduciary charged with the duty of investing the money of others when it invests the assets of the reserve fund in paragraph (a)(1) of this section. It may invest these assets only in low-risk securities, such as obligations issued or guaranteed by the United States or a State.

(6) Development of assets. (i) If the guaranty agency uses in a substantial way for purposes other than the agency's guaranty activities any funds required to be credited to the reserve fund under paragraph (a)(1) of this section or any assets derived from the reserve fund to develop an asset of any kind and does not in good faith allocate a portion of the cost of developing and maintaining the developed asset to funds other than the reserve fund, the Secretary may require the agency to--

(A) Correct this allocation under paragraph (a)(4)(iii) of this section; or

(B) Correct the recorded ownership of the asset under paragraph (a)(4)(iii) of this section so that--

(1) If, in a transaction with an unrelated third party, the agency sells or otherwise derives revenue from uses of the asset that are unrelated to the agency's guaranty activities, the agency promptly shall deposit into the reserve fund described in paragraph (a)(1) of this section a fair percentage of the sale proceeds or revenue equal to the fair percentage of the total development cost of the asset paid with the reserve fund monies or provided by assets derived from the reserve fund; or

(ii) If the agency uses funds or assets described in paragraph (a)(6)(i) of this section in the manner described in that paragraph and makes a cost and maintenance allocation erroneously and in good faith, it shall correct the allocation under paragraph (a)(4)(iii) of this section.

(7) Third-party claims. If the guaranty agency has any claim against any other party to recover funds or other assets for the reserve fund, the claim is the property of the United States.

(8) Related-party transactions. All transactions between a guaranty agency and a related organization or other person that involve funds required to be credited to the agency's reserve fund under paragraph (a)(1) of this section or assets derived from the reserve fund must be on terms that are not less advantageous to the reserve fund than would have been negotiated on an arm's-length basis by unrelated parties.

(9) Scope of definition. The provisions of this Sec. 682.410(a) define reserve funds and assets for purposes of sections 422 and 428 of the Act. These provisions do not, however, affect the Secretary's authority to use all funds and assets of the agency pursuant to section 428(c)(9)(F)(vii) of the Act.
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(10) Minimum reserve fund level. The guaranty agency must maintain a current minimum reserve level of not less than—

(i) .5 percent of the amount of loans outstanding, for the fiscal year of the agency that begins in calendar year 1993;

(ii) .7 percent of the amount of loans outstanding, for the fiscal year of the agency that begins in calendar year 1994;

(iii) .9 percent of the amount of loans outstanding, for the fiscal year of the agency that begins in calendar year 1995; and

(iv) 1.1 percent of the amount of loans outstanding, for each fiscal year of the agency that begins on or after January 1, 1996.

(11) Definitions. For purposes of this section—

(i) Reserve fund level means—

(A) The total of reserve fund assets as defined in paragraph (a)(1) of this section;

(B) Minus the total amount of the reserve fund assets used in accordance with paragraphs (a)(2) and (a)(3) of this section; and

(ii) Amount of loans outstanding means—

(A) The sum of—

1. The original principal amount of all loans guaranteed by the agency; and

2. The original principal amount of any loans on which the guarantee was transferred to the agency from another guarantor, excluding loan guarantees transferred to another agency pursuant to a plan of the Secretary in response to the insolvency of the agency;

(B) Minus the original principal amount of all loans on which—

1. The loan guarantee was cancelled;

2. The loan guarantee was transferred to another agency;

3. Payment in full has been made by the borrower;

4. Reinsurance coverage has been lost and cannot be regained; and

5. The agency paid claims.

(iii) Reasonable cost means a cost that, in its nature and amount, does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the cost. The burden of proof is upon the guaranty agency, as a fiduciary under its agreements with the Secretary, to establish that costs are reasonable. In determining reasonableness of a given cost, consideration must be given to—

(A) Whether the cost is of a type generally recognized as ordinary and necessary for the proper and efficient performance and administration of the guaranty agency's responsibilities under the HEA;

(B) The restraints or requirements imposed by factors such as sound business practices, arms-length bargaining, Federal, State, and other laws and regulations, and the terms and conditions of the guaranty agency's agreements with the Secretary; and

(C) Market prices of comparable goods or services.

(b) Administrative requirements—(1) Independent audits. The guaranty agency shall arrange for an independent financial and compliance audit of the agency's FFEL program as follows:

(i) With regard to a guaranty agency that is an agency of a State government, an audit must be conducted in accordance with 31 U.S.C. 7502 and 34 CFR part 80, appendix G.

(ii) With regard to a guaranty agency that is a nonprofit organization, an audit must be conducted in accordance with OMB Circular A-133, Audits of Institutions of Higher Education and Other Nonprofit Organizations and 34 CFR 74.61(h)(3). If a nonprofit guaranty agency meets the criteria in Circular A-133 to have a program specific audit, and chooses that option, the program specific audit must meet the following requirements:

(A) The audit must examine the agency's compliance with the Act, applicable regulations, and agreements entered into under this part.

(B) The audit must examine the agency's financial management of its FFEL program activities.

(C) The audit must be conducted in accordance with the standards for audits issued by the United States General Accounting Office's (GAO) Government Auditing Standards. Procedures for audits are contained in an audit guide developed by, and available from, the Office of the Inspector General of the Department.

(D) The audit must be conducted annually and must be submitted to the Secretary within six months of the end of the audit period. The first audit must cover the agency's activities for a period that includes July 23, 1992, unless the
agency is currently submitting audits on a biennial basis, and the second year of its biennial cycle starts on or before July 23, 1992. Under these circumstances, the agency shall submit a biennial audit that includes July 23, 1992 and submit its next audit as an annual audit.

(2) Collection charges. Whether or not provided for in the borrower's promissory note and subject to any limitation on the amount of those costs in that note, the guaranty agency shall charge a borrower an amount equal to reasonable costs incurred by the agency in collecting a loan on which the agency has paid a default or bankruptcy claim. These costs may include, but are not limited to, all attorney's fees, collection agency charges, and court costs. Except as provided in Secs. 682.401(b)(27) and 682.405(b)(1)(iv), the amount charged a borrower must equal the lesser of—

(i) The amount the same borrower would be charged for the cost of collection under the formula in 34 CFR 30.60; or

(ii) The amount the same borrower would be charged for the cost of collection if the loan was held by the U.S. Department of Education.

(3) Interest charged by guaranty agencies. The guaranty agency shall charge the borrower interest on the amount owed by the borrower after the capitalization required under paragraph (b)(4) of this section has occurred at a rate that is the greater of—

(i) The rate established by the terms of the borrower's original promissory note;

(ii) In the case of a loan for which a judgment has been obtained, the rate provided for by State law.

(4) Capitalization of unpaid interest. The guaranty agency shall capitalize any unpaid interest due the lender from the borrower at the time the agency pays a default claim to the lender.

(5) Credit bureau reports. (i) After the completion of the procedures in paragraph (b)(5)(ii) of this section, the guaranty agency shall, after it has paid a default claim, report promptly, but not less than sixty days after completion of the procedures in paragraph (b)(6)(iii) of this section, and on a regular basis, to all national credit bureaus—

(A) The total amount of loans made to the borrower and the remaining balance of those loans;

(B) The date of default;

(C) Information concerning collection of the loan, including the repayment status of the loan;

(D) Any changes or corrections in the information reported by the agency that result from information received after the initial report; and

(E) The date the loan is fully repaid by or on behalf of the borrower or discharged by reason of the borrower's death, bankruptcy, or total and permanent disability.

(ii) The guaranty agency, promptly after it pays a default claim on a loan but before it reports the default to a credit bureau or assesses collection costs against a borrower, shall provide the borrower with—

(A) Written notice that meets the requirements of paragraph (b)(5)(vi) of this section regarding the proposed actions;

(B) An opportunity to inspect and copy agency records pertaining to the loan obligation;

(C) An opportunity for an administrative review of the legal enforceability or past-due status of the loan obligation; and

(D) An opportunity to enter into a repayment agreement on terms satisfactory to the agency.

(iii) The procedures set forth in 34 CFR 30.20-30.33 (administrative offset) satisfy the requirements of paragraph (b)(5)(ii) of this section.

(iv)(A) In response to a request submitted by a borrower, after the deadlines established under agency rules, for access to records, an administrative review, or for an opportunity to enter into a repayment agreement, the agency shall provide the requested relief but may continue reporting the debt to credit bureaus until it determines that the borrower has demonstrated that the loan obligation is not legally enforceable or that alternative repayment arrangements satisfactory to the agency have been made with the borrower.

(B) The deadline established by the agency for requesting administrative review under paragraph (b)(5)(ii)(C) of this section must allow the borrower at least 60 days from the date the notice described in paragraph (b)(5)(ii)(A) of this section is sent to request that review.

(v) An agency may not permit an employee, official, or agent to conduct the administrative review required under this paragraph if that individual is—

(A) Employed in an organizational component of the agency or its agent that is charged with collection of loan obligations; or

(B) Compensated on the basis of collections on loan obligations.
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(vi) The notice sent by the agency under paragraph (b)(5)(ii)(A) of this section must—

(A) Advise the borrower that the agency has paid a default claim filed by the lender and has taken assignment of the loan;

(B) identify the lender that made the loan and the school for attendance at which the loan was made;

(C) State the outstanding principal, accrued interest, and any other charges then owing on the loan;

(D) Demand that the borrower immediately begin repayment of the loan;

(E) Explain the rate of interest that will accrue on the loan, that all costs incurred to collect the loan will be charged to the borrower, the authority for assessing these costs, and the manner in which the agency will calculate the amount of these costs;

(F) Notify the borrower that the agency will report the default to all national credit bureaus to the detriment of the borrower's credit rating;

(G) Explain the opportunities available to the borrower under agency rules to request access to the agency's records on the loan, to request an administrative review of the legal enforceability or past-due status of the loan, and to reach an agreement on repayment terms satisfactory to the agency to prevent the agency from reporting the loan as defaulted to credit bureaus and provide deadlines and method for requesting this relief;

(H) Unless the agency uses a separate notice to advise the borrower regarding other proposed enforcement actions, describe specifically any other enforcement action, such as offset against federal or state income tax refunds or wage garnishment that the agency intends to use to collect the debt, and explain the procedures available to the borrower prior to those other enforcement actions for access to records, for an administrative review, or for agreement to alternative repayment terms;

(I) Describe the grounds on which the borrower may object that the loan obligation as stated in the notice is not a legally enforceable debt owed by the borrower;

(J) Describe any appeal rights available to the borrower from an adverse decision on administrative review of the loan obligation;

(K) Describe any right to judicial review of an adverse decision by the agency regarding the legal enforceability or past-due status of the loan obligation; and

(L) Describe the collection actions that the agency may take in the future if those presently proposed do not result in repayment of the loan obligation, including the filing of a lawsuit against the borrower by the agency and assignment of the loan to the Secretary for the filing of a lawsuit against the borrower by the Federal Government.

(6) Collection efforts on defaulted loans. (i) A guaranty agency shall engage in at least the collection activities described in paragraphs (b)(6)(iii) through (xii) of this section on a loan on which it pays a default claim filed by a lender, and shall attempt an annual IRS offset on each eligible loan, except that the agency may engage in the collection activities described in paragraph (b)(7) of this section in lieu of the activities described in paragraphs (b)(6)(iii) through (v) of this section. If, after initiating wage garnishment procedures, the agency terminates those procedures for a particular borrower, the agency shall, within 30 days, commence collection efforts at least as forceful as those described in paragraphs (b)(6)(ii) through (xii) of this section. The agency's collection efforts shall begin with the same collection activities as those that immediately preceded the initiation of garnishment procedures, or, if no collection activities had been performed, the agency shall begin with the activities described in paragraph (b)(6)(iii) of this section, except that the agency may engage in the collection activities described in paragraph (b)(7) of this section in lieu of the activities described in paragraphs (b)(6)(iii) through (vi) of this section.

(ii)(A) The periods of time set forth in paragraphs (b)(6)(iii)-(xii) and (b)(7) of this section refer to the number of days that elapse from the date the agency pays a default claim on a loan or on multiple loans for a borrower. These periods of time do not include any periods during which the agency is engaged in activities related to administrative wage garnishment, or is receiving a payment through garnishment at least once every 60 days during the period specified in paragraph (5)(iv)(B) of this section, or during which the agency is engaged in an administrative review of the borrower's indebtedness on the loan pursuant to a request by the borrower under paragraph (b)(5)(iv) of this section. References to the "borrower" in this paragraph and paragraph (b)(7) of this section include all endorsers on a loan.

(B) The agency may institute a civil suit against the borrower earlier than the first day of the period described in paragraph (b)(6)(vi) of this section. Upon instituting suit, the agency is not required thereafter to follow the procedures in paragraphs (b)(6)(iii) or (b)(7) of this section.

(C) Upon receipt of a payment from a borrower during a period described in paragraphs (b)(6)(iii) or (iv) of this section, or, in the case of a borrower whom the agency locates through the use of skip-tracing under paragraph (b)(6)(xii) of this section, the agency is not required to follow the specific collection efforts described in paragraphs (b)(6)(i)-(vi) of this section if the written notice described in paragraph (b)(5)(ii) of this section has been sent, but shall diligently attempt to collect the loan for 60-days following receipt of the payment or receipt.
of confirmation of the borrower's address, as applicable. If the agency receives no payments during the 60-day period, the agency shall resume its use of the collection efforts described in paragraphs (b)(6)(iv)-(ix) of this section, treating the first day after the end of the 60-day period as the first day of the period described in paragraph (b)(6)(iv) of this section.

(iii) One-45 days: During this period, the agency shall—

(A) Send to the borrower the written notice described in paragraph (b)(5)(ii) of this section, and a written notice stating that the agency either will initiate procedures to garnish the borrower's wages, or institute a civil suit to compel repayment of the amount that the borrower owes plus related collection costs; and

(B) Diligently attempt to contact the borrower by telephone, as defined in Sec. 682.411(1) (with references to "the lender" understood to mean "the agency"), to demand payment of the loan.

(iv) 46-180 days: During this period the agency shall—

(A) Engage in at least two diligent attempts to contact the borrower by telephone, as defined in Sec. 682.411(1) (with references to "the lender" understood to mean "the agency") to demand repayment of the loan; and

(B) Send at least three written notices to the borrower forcefully demanding that the borrower immediately commence repayment of the loan, and informing the borrower that the default has been reported to all national credit bureaus (if that is the case) and that the borrower's credit rating may thereby have been damaged. The final notice also must indicate that it is the final notice the borrower will receive before the agency will take more forceful action, including the initiation of procedures to garnish the borrower's wages, or to offset the borrower's state and federal income tax refunds, or instituting a civil suit to compel repayment of the amount that the borrower owes plus related collection costs.

(v) At no point during the periods described in paragraphs (b)(6)(iii) and (iv) of this section may the agency permit the occurrence of a gap in collection activity of more than 60 days.

(vi) For purposes of paragraph (b)(6)(v) of this section, the term gap in collection activity means, with respect to a loan, any period—

(A) Beginning on the date that is the day after—

(1) The date the agency paid a default claim to the lender thereon;
the debt and that the cost of litigation would not exceed the amount likely to be obtained if litigation were begun, then, if subsequent collection efforts are not successful, the agency, no later than 60 days after the determination, shall institute a civil suit against the borrower for repayment of the loan.

(C) The guaranty agency shall document in the borrower’s file determinations made pursuant to this paragraph.

(x)(A) The agency shall attempt diligently to enforce a judgment obtained against a borrower on a loan and shall ensure that the judgment is renewed as permitted by applicable law. If, despite diligent attempts, the agency cannot recover the full amount of the judgment because the borrower lacks sufficient assets or income attachable under applicable law to fully satisfy the judgment, the agency shall conduct diligent semi-annual inquiries to determine if the borrower has since acquired sufficient attachable assets or income to satisfy the remainder of the judgment.

(B) If the agency determines that the borrower has acquired sufficient attachable assets or income to satisfy the remainder of the judgment and that the cost of enforcing the judgment would not exceed the likely recovery, the agency, no later than 60 days thereafter, shall notify the borrower in writing of its intention to resume enforcement efforts on the judgment unless the borrower makes payment in full of all outstanding amounts.

(C) If the borrower does not make payment in full within 30 days of the date the agency sends the notice described in paragraph (b)(6)(ix)(B) of this section, the agency, within 30 days thereafter, shall proceed to enforce the remainder of the judgment.

(x) The agency may discontinue conducting the semi-annual inquiries concerning a borrower’s means required by paragraphs (b)(6)(viii) and (ix) of this section only in accordance with criteria and procedures approved by the Secretary.

(xii) Not later than 10 days after its receipt of information indicating that it does not know the current address of a borrower on a loan on which the agency has neither declined to sue under paragraph (b)(6)(vii)(B) of this section nor discontinued semi-annual inquiries under paragraph (b)(6)(x) of this section, or the 60th day after its payment of a default claim on the loan, whichever is later, the agency shall attempt diligently to locate the borrower through the use of all available skip-tracing techniques, including, but not limited to, any skip-tracing assistance available from the IRS, credit bureaus, and state motor vehicle departments. A guaranty agency shall use any information provided by a school about a borrower’s location in conducting skip-tracing activities.

(7) Alternative collection procedures for defaulted loans. (i) A guaranty agency may engage in the following collection activities in lieu of the activities described in paragraphs (b)(5)(ii) and (b)(7)(iv)(C) of this section only in accordance with paragraphs (b)(7)(iv)(A) and (B) of this section apply to the periods of time set forth in paragraphs (b)(7)(iii)-(v) of this section.

(ii) Upon receipt of a payment from a borrower, the agency is not required to follow the specific collection efforts described in paragraphs (b)(7)(iii)-(v) of this section but shall diligently attempt to collect the loan for 60 days following receipt of the payment. If the agency receives no payments during the 60-day period, the agency shall resume its use of the collection efforts described in paragraphs (b)(7)(iii)-(v) of this section, treating the first day after the end of the 60-day period as the first day of the period described in paragraph (b)(7)(v) of this section.

(iii) 1-30 days: During this period the agency shall send to the borrower the written notice described in paragraph (b)(5)(i) of this section.

(iv)(A) 31-180 days: During this period the guaranty agency shall attempt diligently to collect the loan using such collection tools and activities as it deems appropriate, provided, however, that the agency must make at least one diligent effort to contact the borrower by telephone, as defined in Sec. 682.411(i) (with references to “the lender” understood to mean “the agency”), and send at least two forceful collection letters to the borrower.

(B) By the end of this period, the agency shall refer the loan to a collection contractor in accordance with paragraph (b)(7)(iv)(C) of this section.

(C) The collection contractor to whom the agency refers a loan under paragraph (b)(7)(iv)(B) of this section must--

(1) Be compensated for its services on all FFEL loans referred by the agency solely on a contingency fee basis.
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(2) Be one of at least two collection contractors simultaneously providing collection services to the agency on FFEL loans under a competitive system that the agency has established and that includes the periodic assessment by the agency of the performance of the competing contractors and periodic adjustments in the volume of loans referred by the agency to each competing contractor based on those assessments; and

(3) Not receive referral of more than 70 percent of the agency's referred loans in any calendar year.

(v) Notwithstanding the deadline for instituting a civil suit set forth in paragraph (b)(6)(vii) of this section, an agency that uses the procedures in paragraphs (b)(7)(i)-(iv) of this section shall institute a civil suit required by that paragraph prior to the earliest of--

(A) The 90th day following the collection contractor's return of the loan to the agency; or

(B) The 365th day following the later of the agency's referral of the loan to the collection contractor, or the contractor's receipt of a payment on the loan.

(8) Special conditions for agency payment of a claim. (i) A guaranty agency may adopt a policy under which it pays a claim to a lender on a loan under the conditions described in Sec. 682.509(a)(1).

(ii) Upon the payment of a claim under a policy described in paragraph (b)(8)(i) of this section, the guaranty agency shall--

(A) Perform the loan servicing functions required of a lender under Sec. 682.208, except that the agency is not required to follow the credit bureau reporting requirements of that section;

(B) Perform the functions of the lender during the repayment period of the loan, as required under Sec. 682.209;

(C) If the borrower is delinquent in repaying the loan at the time the agency pays a claim thereon to the lender or becomes delinquent while the agency holds the loan, exercise due diligence in accordance with Sec. 682.411 in attempting to collect the loan from the borrower and any endorser or co-maker; and

(D) After the date of default on the loan, if any, comply with paragraph (b)(6)(i) of this section with respect to collection activities on the loan, with the date of default treated as the claim payment date for purposes of those paragraphs.

(9) Preemption of State law. The provisions of paragraphs (b)(2), (5), (6), and (7) of this section preempt any State law, including State statutes, regulations, or rules, that would conflict with or hinder satisfaction of the requirements of these provisions.

(10) Administrative Garnishment. (i) If a guaranty agency decides to garnish the disposable pay of a borrower who is not making payments on a loan held by the agency, on which the Secretary has paid a reinsurance claim, it shall do so in accordance with the following procedures:

(A) The employer shall deduct and pay to the agency from a borrower's wages an amount that does not exceed the lesser of 10 percent of the borrower's disposable pay for each pay period or the amount permitted by 15 U.S.C. 1673, unless the borrower provides the agency with written consent to deduct a greater amount. For this purpose, the term "disposable pay" means that part of the borrower's compensation from an employer remaining after the deduction of any amounts required by law to be withheld.

(B) At least 30 days before the initiation of garnishment proceedings, the guaranty agency shall mail to the borrower's last known address, a written notice of the nature and amount of the debt, the intention of the agency to initiate proceedings to collect the debt through deductions from pay, and an explanation of the borrower's rights.

(C) The guaranty agency shall offer the borrower an opportunity to inspect and copy agency records related to the debt.

(D) The guaranty agency shall offer the borrower an opportunity to enter into a written repayment agreement with the agency under terms agreeable to the agency.

(E) The guaranty agency shall offer the borrower an opportunity for a hearing in accordance with paragraph (b)(10)(i)(J) of this section concerning the existence or the amount of the debt and, in the case of a borrower whose proposed repayment schedule under the garnishment order is established other than by a written agreement under paragraph (b)(10)(i)(D) of this section, the terms of the repayment schedule.

(F) The guaranty agency shall sue any employer for any amount that the employer, after receipt of the garnishment notice provided by the agency under paragraph (b)(10)(i)(H) of this section, fails to withhold from wages owed and payable to an employee under the employer's normal pay and disbursement cycle.

(G) The guaranty agency may not garnish the wages of a borrower whom it knows has been involuntarily separated from employment until the borrower has been reemployed continuously for at least 12 months.

(H) Unless the guaranty agency receives information that the agency believes justifies a delay or cancellation of the withholding order, it shall send a withholding order to the employer within 20 days after the borrower fails to
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

make a timely request for a hearing, or, if a timely request for a hearing is made by the borrower, within 20 days after a final decision is made by the agency to proceed with garnishment.

(i) The notice given to the employer under paragraph (b)(10)(i)(H) of this section must contain only the information as may be necessary for the employer to comply with the withholding order.

(J) The guaranty agency shall provide a hearing, which, at the borrower's option, may be oral or written, if the borrower submits a written request for a hearing on the existence or amount of the debt or the terms of the repayment schedule. The time and location of the hearing shall be established by the agency. An oral hearing may, at the borrower's option, be conducted either in-person or by telephone conference. All telephonic charges must be the responsibility of the guaranty agency.

(K) If the borrower's written request is received by the guaranty agency on or before the 15th day following the borrower's receipt of the notice described in paragraph (b)(10)(i)(B) of this section, the guaranty agency may not issue a withholding order until the borrower has been provided the requested hearing. For purposes of this paragraph, in the absence of evidence to the contrary, a borrower shall be considered to have received the notice described in paragraph (b)(10)(i)(B) of this section 5 days after it was mailed by the agency. The guaranty agency shall provide a hearing to the borrower in sufficient time to permit a decision, in accordance with the procedures that the agency may prescribe, to be rendered within 60 days.

(L) If the borrower's written request is received by the guaranty agency after the 15th day following the borrower's receipt of the notice described in paragraph (b)(10)(i)(B) of this section, the guaranty agency shall provide a hearing to the borrower in sufficient time that a decision, in accordance with the procedures that the agency may prescribe, may be rendered within 60 days, but may not delay issuance of a withholding order unless the agency determines that the delay in filing the request was caused by factors over which the borrower had no control, or the agency receives information that the agency believes justifies a delay or cancellation of the withholding order. For purposes of this paragraph, in the absence of evidence to the contrary, a borrower shall be considered to have received the notice described in paragraph (b)(10)(i)(B) of this section 5 days after it was mailed by the agency.

(M) The hearing official appointed by the agency to conduct the hearing may be any qualified individual, including an administrative law judge, not under the supervision or control of the head of the guaranty agency.

(N) The hearing official shall issue a final written decision at the earliest practicable date, but not later than 60 days after the guaranty agency's receipt of the borrower's hearing request.

(O) As specified in section 488A(a)(8) of the HEA, the borrower may seek judicial relief, including punitive damages, if the employer discharges, refuses to employ, or takes disciplinary action against the borrower due to the issuance of a withholding order.

(ii) References to "the borrower" in this paragraph include all endorsers on a loan.

(11) Conflicts of interest. (i) A guaranty agency shall maintain and enforce written standards of conduct governing the performance of its employees, officers, directors, trustees, and agents engaged in the selection, award, and administration of contracts or agreements. The standards of conduct must, at a minimum, require disclosure of financial or other interests and must mandate disinterested decision-making. The standards must provide for appropriate disciplinary actions to be applied for violations of the standards by employees, officers, directors, trustees, or agents of the guaranty agency, and must include provisions to-

(A) Prohibit any employee, officer, director, or agent from participating in the selection, award, or decision-making related to the administration of a contract or agreement supported by the reserve fund described in paragraph (a) of this section, if that participation would create a conflict of interest. Such a conflict would arise if the employee, officer, director, trustee, or agent, or any member of his or her immediate family, his or her partner, or an organization that employs or is about to employ any of those parties has a financial or ownership interest in the organization selected for an award or would benefit from the decision made in the administration of the contract or agreement. The prohibitions described in this paragraph do not apply to employees of a State agency covered by codes of conduct established under State law;

(B) Ensure sufficient separation of responsibility and authority between its lender claims processing as a guaranty agency and its lending or loan servicing activities, or both, within the guaranty agency or between that agency and one or more affiliates, including independence in direct reporting requirements and such management and systems controls as may be necessary to demonstrate, in the independent audit required under Sec. 682.410(b)(1), that claims filed by another arm of the guaranty agency or by an affiliate of that agency receive no more favorable treatment than that accorded the claims filed by a lender or servicer that is not an affiliate or part of the guaranty agency; and
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(C) Prohibit the employees, officers, directors, trustees, and agents of the guaranty agency, his or her partner, or any member of his or her immediate family, from soliciting or accepting gratuities, favors, or anything of monetary value from contractors or parties to agreements, except that nominal and unsolicited gratuities, favors, or items may be accepted.

(ii) Guaranty agency restructuring. If the Secretary determines that action is necessary to protect the Federal fiscal interest because of an agency’s failure to meet the requirements of Sec. 682.410(b)(11)(i), the Secretary may require the agency to comply with any additional measures that the Secretary believes are appropriate, including the total divestiture of the agency’s non-FFEL functions and the agency’s interests in any affiliated organization.

(c) Enforcement requirements. A guaranty agency shall take such measures and establish such controls as are necessary to ensure its vigorous enforcement of all Federal, State, and guaranty agency requirements, including agreements, applicable to its loan guarantee program, including, at a minimum, the following:

(1) Conducting comprehensive biennial on-site program reviews, using statistically valid techniques to calculate liabilities to the Secretary that each review indicates may exist, of at least--

(2) Equaled or exceeded two percent of the total of all loans guaranteed in that year by the agency;

(2) Was one of the ten largest lenders whose loans were guaranteed in that year by the agency; or

(3) Equaled or exceeded $10 million in the most recent fiscal year;

(B) Each lender described in section 423(d)(1)(D) or (J) of the Act that is located in any State in which the agency is the principal guarantor as defined in Sec. 682.600(d), and, at the option of each guaranty agency, the Student Loan Marketing Association; and

(C) Each participating school, located in a State for which the guaranty agency is the principal guaranty agency, that has a cohort default rate, as defined in 34 CFR 668.15, for either of the two immediately preceding fiscal years, as defined in 668.15, that exceeds 20 percent, unless the school is under a mandate from the Secretary under 668.15 to take specific default reduction measures or if the total dollar amount of loans entered repayment in each fiscal year on which the default rate over 20 percent is based does not exceed $100,000; or

(ii) The schools and lenders selected by the agency as an alternative to the reviews required by paragraphs (c)(1)(A)-(C) of this section if the Secretary approves the agency’s proposed alternative selection methodology.

(2) Demanding prompt repayment by the responsible parties to lenders, borrowers, the agency, or the Secretary, as appropriate, of all funds found in those reviews to be owed by the participants with regard to loans guaranteed by the agency, whether or not the agency holds the loans, and monitoring the implementation by participants of corrective actions, including these repayments, required by the agency as a result of those reviews.

(3) Referring to the Secretary for further enforcement action any case in which repayment of funds to the Secretary is not made in full within 60 days of the date of the agency’s written demand to the school, lender, or other party for payment, together with all supporting documentation, any correspondence, and any other documentation submitted by that party regarding the repayment.

(4) Adopting procedures for identifying fraudulent loan applications.

(5) Undertaking or arranging with State or local law enforcement agencies for the prompt and thorough investigation of all allegations and indications of criminal or other programmatic misconduct by its program participants, including violations of Federal law or regulations.

(6) Promptly referring to appropriate State and local regulatory agencies and to nationally recognized accrediting agencies and associations for investigation information received by the guaranty agency that may affect the retention or renewal of the license or accreditation of a program participant.

(7) Promptly reporting all of the allegations and indications of misconduct having a substantial basis in fact, and the scope, progress, and results of the agency’s investigations thereof to the Secretary.

(8) Referring appropriate cases to State or local authorities for criminal prosecution or civil litigation.

(9) Promptly notifying the Secretary of--

(i) Any action it takes affecting the FFEL program eligibility of a participating lender or school;

(ii) Information it receives regarding an action affecting the FFEL program eligibility of a participating lender or school taken by a nationally recognized accrediting agency, association, or a State licensing agency;

(iii) Any judicial or administrative proceeding relating to the enforceability of FFEL loans guaranteed by the agency.
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

or in which tuition obligations of a school’s students are directly at issue, other than a proceeding relating to a single borrower or student; and

(iii) Filing a proof of claim with a bankruptcy court for recovery of any funds due the agency and any refunds due to borrowers on FFEL loans that it has guaranteed when the agency learns that a participating school or holder of loans is experiencing problems that threaten the solvency of the school or holder, including—

(i) Conducting on-site program reviews;

(ii) Providing training and technical assistance, if appropriate;

(iv) Promptly notifying the Secretary that the agency has determined that a school or holder of loans is experiencing potential solvency problems; and

(v) Promptly notifying the Secretary of the results of any actions taken by the agency to protect Federal funds involving such a school or holder.

Sec. 682.411 Due diligence by lenders in the collection of guaranty agency loans.

(a) General. In the event of delinquency on a FFEL programs loan, the lender shall engage in at least the collection efforts described in paragraphs (c)-(m) of this section, except that in the case of a loan made to a borrower who is incarcerated or to a borrower residing outside a State, Mexico, or Canada, the lender may send a forceful collection letter in lieu of each telephone effort required by this section.

(b) Delinquency. (1) For purposes of this section, delinquency on a loan begins on the first day after the due date of the first missed payment which is not later made. The due date of the first payment is established by the lender but must occur no later than 45 days following the end of the grace period, or, if the lender first learns after the fact that the borrower has entered the repayment period, no later than 75 days after the day the lender so learns, except as provided in Sec. 682.209(a)(3)(ii)(E). If a payment is made late, the first day of delinquency is the day after the due date of the next missed payment which is not later made. A payment that is within five dollars of the amount normally required to advance the due date may nevertheless advance the due date if the lender’s procedures allow for that advancement.

(2) At no point during the periods specified in paragraphs (c) and (d) of this section may the lender permit the occurrence of a gap in collection activity, as defined in paragraph (i) of this section, of more than 45 days (60 days in the case of a transfer).

(c) 1-15 days delinquent. Except in the case where a loan is brought into this period by a payment on the loan, expiration of an authorized deferment or forbearance period, or the lender’s receipt from the drawee of a dishonored check submitted as a payment on the loan, the lender during this period shall send at least one written notice or collection letter to the borrower informing the borrower of the delinquency and urging the borrower to make payments sufficient to eliminate the delinquency. The notice or collection letter sent during this period must include, at a minimum, a lender/servicer contact and telephone number, and a prominent statement informing the borrower that assistance may be available if he or she is experiencing difficulty in making a scheduled repayment.

(d) 16-180 days delinquent (16-240 days delinquent for a loan repayable in installments less frequent than monthly). (1) Unless exempted under paragraph (d)(4) of this section, during this period the lender shall engage in at least four diligent efforts to contact the borrower by telephone and send at least four collection letters urging the borrower to make the required payments on the loan. At least one of the diligent efforts to contact the borrower by phone must occur before, and another one must occur after, the 90th day of delinquency. The notice or collection letter sent during this period must include, at a minimum, information for the borrower regarding
PART 682–FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

deferment, forbearance, income-sensitive repayment and loan consolidation and other available options to avoid default.

(2) At least two of the collection letters required under paragraph (d)(1) of this section must warn the borrower that if the loan is not paid, the lender will assign the loan to the guaranty agency that, in turn, will report the default to all national credit bureaus, and that the agency may institute proceedings to offset the borrower's state and federal income tax refunds and other payments made by the federal government to a borrower or to garnish the borrower's wages, or assign the loan to the federal government for litigation against the borrower.

(3) Following the lender's receipt of a payment on the loan or a correct address for the borrower, the lender's receipt from the drawee of a dishonored check received as a payment on the loan, the lender's receipt of a correct telephone number for the borrower, or the expiration of an authorized deferment or forbearance period, the lender is required to engage in only—

(i) Two diligent efforts to contact the borrower by telephone during this period, if the loan is less than 91 days delinquent (121 days delinquent for a loan repayable in installments less frequent than monthly) upon receipt of the payment, correct address, or returned check, or expiration of the deferment or forbearance; or

(ii) One diligent effort to contact the borrower by telephone if the loan is 91-120 days delinquent (121-180 days delinquent for a loan repayable in installments less frequent than monthly) upon receipt of the payment, correct address, or returned check, or expiration of the deferment of forbearance.

(4) A lender need not attempt to contact by telephone any borrower—

(i) Who is incarcerated;

(ii) Who is residing outside of a State, Mexico or Canada;

(iii) Whose telephone number is unknown;

(iv) Who is more than 120 days delinquent (180 days delinquent for a loan repayable in installments less frequent than monthly) following the lender's receipt of—

(A) A payment on the loan;

(B) A correct address for the borrower;

(C) A dishonored check received from the drawee as a payment on the loan; or

(D) The expiration of an authorized deferment or forbearance.

(e) Final demand. On or after the 151st day of delinquency, (the 211th day for loans payable in less frequent installments than monthly) the lender shall send a final demand letter to the borrower requiring repayment of the loan in full and notifying the borrower that a default will be reported to a national credit bureau. The lender shall allow the borrower at least 30 days after the date the letter is mailed to respond to the final demand letter and to bring the loan out of default before filing a default claim on the loan.

(f) Collection procedures when borrower's telephone number is not available. Upon completion of a diligent but unsuccessful effort to ascertain the correct telephone number of a borrower as required by paragraph (g)(1) of this section, the lender is excused from any further efforts to contact the borrower by telephone during the delinquency period in which the unsuccessful effort was made, unless the borrower's number is obtained before the 120th day of delinquency (the 150th day for loans payable repayable in installments less frequent than monthly).

(g) Skip-tracing. (1) Unless the letter specified under paragraph (e) of this section has already been sent, within 10 days of its receipt of information indicating that it does not know the borrower's current address, the lender shall diligently attempt to locate the borrower through the use of normal commercial skip-tracing techniques. These efforts must include, but are not limited to, making a diligent effort to contact each endorser, relative, reference, and individual and entity identified in the borrower's loan file. For this purpose, a lender's contact with a school official who might reasonably be expected to know the borrower's address may be with someone other than the financial aid administrator identified on the loan application. These efforts must be completed by the date of default with no gap of more than 45 days between attempts to contact those individuals or entities.

(2) Upon receipt of information indicating that it does not know the borrower's current address, the lender shall discontinue the collection efforts described in paragraphs (c)-(e) of this section.

(3) If the lender is unable to ascertain the borrower's current address despite its performance of the activities described in paragraph (g)(1) of this section, the lender is excused thereafter from performance of the collection activities described in paragraphs (c)-(e) and (k)(1) through (k)(3) and (k)(5) of this section unless it receives communication indicating the borrower's address before the 151st day of delinquency (the 211th day for loans payable in less frequent installments than monthly).

(4) The activities specified by paragraphs (l)(1)(i) or (ii) of this section (with references to "the borrower" understood to mean endorser, reference, relative, individual or entity as
appropriate) meet the requirement that the lender make a
diligent effort to contact each individual identified in the
borrower's loan file.

   (h) Preclaims assistance. The lender shall request
preclaims assistance from the agency that guaranteed the loan
within 10 days before or after the date established by the
agency that assistance is first available from the agency.

   (i) Gap in collection activity. For purposes of this
section, the term "gap in collection activity" means, with
respect to a loan, any period--

   (1) Beginning on the date that is the day after--

   (i) The due date of a payment unless the lender
does not know the borrower's address on that date;

   (ii) The day on which the lender receives a payment
on a loan that remains delinquent notwithstanding
the payment;

   (iii) The day on which the lender receives the correct
address for a delinquent borrower;

   (iv) The day on which the lender completes a
collection activity;

   (v) The day on which the lender receives a
dishonored check submitted as a payment on the loan;

   (vi) The expiration of an authorized deferment or
forbearance period on a delinquent loan; or

   (vii) The day the lender receives information
indicating it does not know the borrower's current address; and

   (2) Ending on the date of the earliest of--

   (i) The day on which the lender receives the first
subsequent payment or completed deferment request or
forbearance agreement;

   (ii) The day on which the lender begins the first
subsequent collection activity;

   (iii) The day on which the lender receives written
communication from the borrower relating to his or her
account; or

   (iv) Default.

   (j) Transfer. For purposes of this section, the term
"transfer" with respect to a loan means any action, including,
but not limited to, the sale of the loan, that results in a change
in the system used to monitor or conduct collection activity on
a loan from one system to another.

   (k) Collection activity. For purposes of this section,
the term "collection activity" with respect to a loan means--

   (1) Mailing or otherwise transmitting to the borrower
at an address that the lender reasonably believes to be the
borrower's current address a collection letter or final demand
letter that satisfies the timing and content requirements of
paragraphs (c), (d), or (e) of this section;

   (2) Making an attempt to contact the borrower by
telephone to urge the borrower to begin or resume repayment;

   (3) Conducting skip-tracing efforts, in accordance
with paragraph (g)(1) of this section, to locate a borrower
whose correct address or telephone number is unknown to the
lender;

   (4) Mailing or otherwise transmitting to the guaranty
agency a request for preclaims assistance available from the
agency on the loan at the time the request is transmitted; or

   (5) Any telephone discussion or personal contact
with the borrower so long as the borrower is apprised of the
account's past-due status.

   (l) "Diligent effort" for telephone contact. (1) For
purposes of this section, the term "diligent effort" with respect
to telephone contact means--

   (i) A successful effort to contact the borrower by
telephone;

   (ii) At least two unsuccessful attempts to contact the
borrower by telephone at a number that the lender reasonably
believes to be the borrower's correct telephone number; or

   (iii) An unsuccessful effort to ascertain the correct
telephone number of a borrower, including, but not limited to, a
directory assistance inquiry as to the borrower's telephone
number, and a diligent effort to contact each reference,
relative, and individual identified in the most recent loan
application for that borrower held by the lender. The lender
may contact a school official other than the financial aid
administrator who reasonably may be expected to know the
borrower's address.

   (2) If the lender is unable to ascertain the borrower's
correct telephone number despite its performance of the
activities described in paragraph (l)(1)(iii) of this section, the
lender is excused thereafter from attempting to contact the
borrower by telephone unless it receives a communication
indicating the borrower's current telephone number before the
120th day of delinquency (the 150th day for loans repayable in
installments less frequent than monthly).

   (3) The activities specified by paragraphs (l)(1)(i) or
(ii) of this section (with references to "the borrower" understood
to mean endorser, reference, relative or individual as
appropriate), meet the requirement that the lender make a
diligent effort to contact each endorser or each reference,
relative or individual identified on the borrower's most recent
loan application.

(m) Due diligence for endorsers. (1) During the
delinquency period the lender shall--

(i) Make a diligent effort to contact the endorser by
telephone; and

(ii) Send the endorser on the loan two letters
advising the endorser of the delinquent status of the loan and
urging the endorser to make the required payments on the
loan with at least one letter containing the information
described in paragraph (d)(2) of this section (with references to
"the borrower" understood to mean the endorser).

(2) On or after the 151st day of delinquency, (the
211th day for loans payable in less frequent installments than
monthly) the lender shall send a final demand letter to the
endorser requiring repayment of the loan in full and notifying
the endorser that a default will be reported to a national credit
bureau. The lender shall allow the endorser at least 30 days
after the date the letter is mailed to respond to the final
demand letter and to bring the loan current before filing a
default claim on the loan.

(3) Unless the letter specified under paragraph
(m)(2) of this section has already been sent, upon receipt of
information indicating that it does not know the endorser's
current address or telephone number, the
lender must
diligently attempt to locate the endorser through the use of
normal commercial skip-tracing techniques. This effort must
include an inquiry to directory assistance.

(n) Preemption of State law. The provisions of this
section preempt any State law, including State statutes,
regulations, or rules, that would conflict with or hinder
satisfaction of the requirements or frustrate the purposes of
this section.

Sec. 682.412 Consequences of the failure of a borrower or
student to establish eligibility.

(a) The lender shall immediately send to the
borrower a final demand letter meeting the requirements of
Sec. 682.411(e) when it learns and can substantiate that the
borrower or the student on whose behalf a parent has
borrowed, without the lender or school's knowledge at the time
the loan was made, provided false or erroneous information or
took actions that caused the student or borrower--

(1) To be ineligible for all or a portion of a loan made
under this part;

(2) To receive a Stafford loan subject to payment of
Federal interest benefits as provided under Sec. 682.301 for
which he or she was ineligible; or

(3) To receive loan proceeds for a period of
enrollment from which he or she has withdrawn or been
expelled prior to the first day of classes or during which he or
she failed to attend school and has not paid those funds to the
school or repaid them to the lender.

(b) The lender shall neither bill the Secretary for nor
be entitled to interest benefits on a loan after it learns that one
of the conditions described in paragraph (a) of this section
exists with respect to the loan.

(c) In the final demand letter transmitted under
paragraph (a) of this section, the lender shall demand that
within 30 days from the date the letter is mailed the borrower
repay in full any principal amount for which the borrower is
ineligible and any accrued interest, including interest and all
special allowance paid by the Secretary.

(d) If the borrower repays the amounts described in
paragraph (c) of this section within the 30-day period, the
lender shall--

(1) On its next quarterly interest billing submitted
under Sec. 682.305, refund to the Secretary the interest
benefits and special allowance repaid by the borrower and all
other interest benefits and special allowance previously paid
by the Secretary on the ineligible portion of the loan; and

(2) Treat that payment of the principal amount of the
ineligible portion of the loan as a prepayment of principal.

(e) If a borrower fails to comply with the terms of a
final demand letter described in paragraph (a) of this section,
the lender shall treat the entire loan as in default, and--
(1) With its next quarterly interest billing submitted under Sec. 682.305, refund to the Secretary the amount of the interest benefits received from the Secretary on the ineligible portion of the loan, whether or not repaid by the borrower; and

(2) Within the time specified in Sec. 682.406(a)(5), file a default claim thereon with the guaranty agency for the entire unpaid balance of principal and accrued interest.

Sec. 682.413 Remedial actions.

(a)(1) The Secretary requires a lender and its third-party servicer administering any aspect of the FFEL programs under a contract with the lender to repay interest benefits and special allowance or other compensation received on a loan guaranteed by a guaranty agency, pursuant to paragraph (a)(2) of this section—

(i) For any period beginning on the date of a failure by the lender or servicer, with respect to the loan, to comply with any of the requirements set forth in Sec. 682.406(a)(1)-(a)(6), (a)(9), and (a)(12);

(ii) For any period beginning on the date of a failure by the lender or servicer, with respect to the loan, to meet a condition of guarantee coverage established by the guaranty agency, to the date, if any, on which the guaranty agency reinstated the guarantee coverage pursuant to policies and procedures established by the agency;

(iii) For any period in which the lender or servicer, with respect to the loan, violates the requirements of subpart C of this part; and

(iv) For any period beginning on the day after the Secretary's obligation to pay special allowance on the loan terminates under Sec. 682.302(d).

(2) For purposes of this section, a lender and any applicable third-party servicer shall be considered jointly and severally liable for the repayment of any interest benefits and special allowance paid as a result of a violation of applicable requirements by the servicer in administering the lender's FFEL programs.

(3) For purposes of paragraph (a)(2) of this section, the relevant third-party servicer shall repay any outstanding liabilities under paragraph (a)(2) of this section only if—

(i) The Secretary has determined that the servicer is jointly and severally liable for the liabilities; and

(ii) (A) The lender has not repaid in full the amount of the liability within 30 days from the date the lender receives notice from the Secretary of the liability;

(B) The lender has not made other satisfactory arrangements to pay the amount of the liability within 30 days from the date the lender receives notice from the Secretary of the liability; or

(C) The Secretary is unable to collect the liability from the lender by offsetting the lender's bill to the Secretary for interest benefits or special allowance, if—

(1) The bill is submitted after the 30 day period specified in paragraph (a)(3)(ii)(A) of this section has passed; and

(2) The lender has not paid, or made satisfactory arrangements to pay, the liability.

(b)(1) The Secretary requires a guaranty agency to repay reinsurance payments received on a loan if the lender, third-party servicer, if applicable, or the agency fails to meet the requirements of Sec. 682.406(a).

(2) The Secretary may require a guaranty agency to repay reinsurance payments received on a loan or to assign FFEL loans to the Department if the agency fails to meet the requirements of Sec. 682.410.

(c)(1) In addition to requiring repayment of reinsurance payments pursuant to paragraph (b) of this section, the Secretary may take one or more of the following remedial actions against a guaranty agency or third-party servicer administering any aspect of the FFEL programs under a contract with the guaranty agency, that makes an incomplete or incorrect statement in connection with any agreement entered into under this part or violates any applicable Federal requirement:

(i) Require the agency to return payments made by the Secretary to the agency.

(ii) Withhold payments to the agency.

(iii) Limit the terms and conditions of the agency's continued participation in the FFEL programs.

(iv) Suspend or terminate agreements with the agency.

(v) Impose a fine on the agency or servicer. For purposes of assessing a fine on a third-party servicer, a
repeated mechanical systemic unintentional error shall be counted as one violation, unless the servicer has been cited for a similar violation previously and had failed to make the appropriate corrections to the system.

(vi) Require repayment from the agency and servicer pursuant to paragraph (c)(2) of this section, of interest, special allowance, and reinsurance paid on Consolidation loan amounts attributed to Consolidation loans that violate Sec. 682.206(f)(1).

(vii) Require repayment from the agency or servicer, pursuant to paragraph (c)(2) of this section, of any related payments that the Secretary became obligated to make to others as a result of an incomplete or incorrect statement or a violation of an applicable Federal requirement.

(2) For purposes of this section, a guaranty agency and any applicable third-party servicer shall be considered jointly and severally liable for the repayment of any interest benefits, special allowance, reinsurance paid, or other compensation on Consolidation loan amounts attributed to Consolidation loans that violate Sec. 682.206(f)(1) as a result of a violation by the servicer administering any aspect of the FFEL programs under a contract with that guaranty agency.

(3) For purposes of paragraph (c)(2) of this section, the relevant third-party servicer shall repay any outstanding liabilities under paragraph (c)(2) of this section only if:

(i) The Secretary has determined that the servicer is jointly and severally liable for the liabilities; and

(ii)(A) The guaranty agency has not repaid in full the amount of the liability within 30 days from the date the guaranty agency receives notice from the Secretary of the liability;

(B) The guaranty agency has not made other satisfactory arrangements to pay the amount of the liability within 30 days from the date the guaranty agency receives notice from the Secretary of the liability;

(C) The Secretary is unable to collect the liability from the guaranty agency by offsetting the guaranty agency's first reinsurance claim to the Secretary, if-

(1) The claim is submitted after the 30-day period specified in paragraph (c)(3)(ii)(A) of this section has passed; and

(2) The guaranty agency has not paid, or made satisfactory arrangements to pay, the liability.

(d)(1) The Secretary follows the procedures described in 34 CFR part 668, subpart G, applicable to fine proceedings against schools, in imposing a fine against a lender, guaranty agency, or third-party servicer. References to "the institution" in those regulations shall be understood to mean the lender, guaranty agency, or third-party servicer, as applicable, for this purpose.

(2) The Secretary also follows the provisions of section 432(g) of the Act in imposing a fine against a guaranty agency or lender.

(e)(1) The Secretary's decision to require repayment of funds, withhold funds, or to limit, suspend, or terminate a lender, agency, or third-party servicer from participation in the FFEL programs does not become final until the Secretary provides the lender, agency, or servicer with written notice of the intended action and an opportunity to be heard thereon, at a time and in a manner the Secretary determines to be appropriate to the resolution of the issues on which the lender, agency, or servicer requests an opportunity to be heard.

(2)(i) The Secretary may withhold payments from an agency or suspend an agreement with an agency prior to giving notice and an opportunity to be heard if the Secretary finds that emergency action is necessary to prevent substantial harm to Federal interests.

(ii) The Secretary follows the notice and show cause procedures described in Sec. 682.704 applicable to emergency actions against lenders in taking an emergency action against a guaranty agency.

(3) The Secretary follows the procedures in 34 CFR 30.20-30.32 in collecting a debt by offset against payments otherwise due a guaranty agency or lender.

(f) Notwithstanding paragraphs (a)-(e) of this section, the Secretary may waive the right to require repayment of funds by a lender or agency if in the Secretary's judgment the best interests of the United States so require. The Secretary's waiver policy for violations of Sec. 682.406(a)(3) or (a)(5) is set forth in appendix D to this part.

(g) The Secretary's final decision to require repayment of funds or to take other remedial action, other than a fine, against a lender or guaranty agency under this section is conclusive and binding on the lender or agency.

Note: A decision by the Secretary under this section is subject to judicial review under 5 U.S.C. 706 and 41 U.S.C. 321-322.

Sec. 682.414 Records, reports, and inspection requirements for guaranty agency programs.

(a) Records. (1)(i) The guaranty agency shall maintain current, complete, and accurate records of each loan that it holds, including, but not limited to, the records described in paragraph (a)(1)(ii) of this section. The records must be maintained in a system that allows ready identification of each loan's current status, updated at least once every 10 business days. Any reference to a guaranty agency under this section includes a third-party servicer that administers any aspect of the FFEL programs under a contract with the guaranty agency, if applicable.

(ii) The agency shall maintain—

(B) Notices of changes in a borrower's address;

(C) A payment history showing the date and amount of each payment received from or on behalf of the borrower by the guaranty agency, and the amount of each payment that was attributed to principal, accrued interest, and collection costs and other charges, such as late charges;

(D) A collection history showing the date and subject of each communication between the agency and the borrower or endorser relating to collection of a defaulted loan, each communication between the agency and a credit bureau regarding the loan, each effort to locate a borrower whose address was unknown at any time, and each request by the lender for preclaims and supplemental preclaims assistance on the loan;

(2) The guaranty agency shall retain records for each loan for at least five years after the loan is paid in full or has been determined to be uncollectible in accordance with the agency's write-off procedures. However, in particular cases the Secretary may require the retention of records beyond this minimum period. For the purpose of this section, the term "paid in full" includes loans paid by the Secretary due to the borrower's death (or student's death in the case of a PLUS loan), the borrower's permanent and total disability or bankruptcy, the discharge of the borrower's loan obligation because of attendance at a closed school, or because the student's eligibility to borrow had been falsely certified by the school.

(3) A guaranty agency shall retain a copy of the audit report required under Sec. 682.410(b) for not less than five years after the report is issued.

(4)(i) The guaranty agency shall require a participating lender to maintain current, complete, and accurate records of each loan that it holds, including, but not limited to, the records described in paragraph (a)(3)(ii) of this section. The records must be maintained in a system that allows ready identification of each loan's current status.

(ii) The lender shall keep—

(K) Any additional records that are necessary to document the validity of a claim against the guarantee or the accuracy of reports submitted under this part.

(iii) Except as provided in paragraph (a)(4)(iv) of this section, a lender shall retain the records required for each loan for not less than five years following the date the loan is repaid.
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

in full by the borrower or the lender is reimbursed on a claim. However, in particular cases, the Secretary or the guaranty agency may require the retention of records beyond this minimum period.

(iv) A lender shall retain a copy of the audit report required under Sec. 682.305(c) for not less than five years after the report is issued.

(5)(i) A guaranty agency or lender may store the records specified in paragraphs (a)(4)(ii)(C)-(K) of this section in accordance with 34 CFR 668.24(d)(3) (i) through (iv).

(ii) A lender or guaranty agency holding a promissory note shall retain the original note until the loan is paid in full or assigned to the Secretary. When a loan is paid in full by the borrower, the lender or guaranty agency shall either return the original note to the borrower or notify the borrower under an alternate procedure that is acceptable under State law that the loan is paid in full, and retain a copy for the prescribed period.

(iii) Either the lender or guaranty agency shall retain the original loan application and, until the loan is fully repaid, the promissory note.

(b) Reports. A guaranty agency shall accurately complete and submit to the Secretary the following reports:

(1) A report concerning the status of the agency's reserve fund and the operation of the agency's loan guarantee program at the time and in the manner that the Secretary may reasonably require. The Secretary does not pay the agency any funds, the amount of which are determined by reference to data in the report, until a complete and accurate report is received.

(2) Annually, for each State in which it operates, a report of the total guaranteed loan volume, default volume, and default rate for each of the following categories of originating lenders on all loans guaranteed after December 31, 1980:

(i) Schools.

(ii) State or private nonprofit lenders.

(iii) Commercial financial institutions (banks, savings and loan associations, and credit unions).

(iv) All other types of lenders.

(3) By July 1 of each year, a report on—

(i) Its eligibility criteria for schools and lenders;

(ii) Its procedures for the limitation, suspension, and termination of schools and lenders;

(iii) Any actions taken in the preceding 12 months to limit, suspend, or terminate the participation of a school or lender in the agency's program; and

(iv) The steps the agency has taken to ensure its compliance with Sec. 682.410(c), including the identity of any law enforcement agency with which the agency has made arrangements for that purpose.

(2) A guaranty agency shall require in its agreement with a lender or in its published rules or procedures that the lender or its agent give the Secretary or the Secretary's designee and the guaranty agency access to the lender's records for inspection and copying in order to verify the accuracy of the information provided by the lender pursuant to Sec. 682.401(b) (21) and (22), and the right of the lender to receive or retain payments made under this part, or to permit the Secretary or the agency to enforce any right acquired by the Secretary or the agency under this part.

Sec. 682.415 Special insurance and reinsurance rules.

(a)(1) A lender or lender servicer (as an agent for an eligible lender) designated for exceptional performance under paragraph (b) of this section shall receive 100 percent reimbursement on all claims submitted for insurance during the 12-month period following the date the lender or lender servicer and appropriate guaranty agencies receive notification.
of the designation of the eligible lender or lender servicer under paragraph (b) of this section. A guaranty agency or a guaranty agency servicer (as an agent for a guaranty agency) designated for exceptional performance under paragraph (c) of this section shall receive the applicable reinsurance rate under section 428(c)(1) of the Act on all claims submitted for payments by the guaranty agency or guaranty agency servicer during the 12-month period following the date the guaranty agency receives notification of its designation, or its servicer's designation, under paragraph (c) of this section. A notice of designation for exceptional performance under this section is deemed to have been received by the lender, servicer, or guaranty agency no later than 3 days after the date the notice is mailed, unless the lender, servicer, or guaranty agency is able to prove otherwise.

(2) To receive a designation for exceptional performance under paragraph (a)(1) of this section, a lender, servicer, and guaranty agency must submit to the Secretary--

(i) A written request for designation for exceptional performance that includes--

(A) The applicant's name and address;

(B) A contact person;

(C) Its ED identification number, if applicable;

(D) The name and address of applicable guarantors; and

(E) A copy of an annual financial audit performed in accordance with the Audit Guide developed by the U.S. Department of Education, Office of Inspector General, or one of the following as appropriate:

(1) A lender may submit a copy of an annual audit required under Sec. Sec. 682.305(c), if the audit period ends no more than 90 days prior to the date the lender submits its request for designation.

(2) A servicer may submit a copy of the annual financial audit, as defined, completed and submitted under 34 CFR 682.416(e), if the audit period ends no more than 90 days prior to the date the servicer submits its request for designation.

(3) A guaranty agency may submit a copy of the annual audit required under section 428(b)(2)(D) of the Higher Education Act of 1965, as amended, if the audit period ends no more than 90 days prior to the date the guaranty agency submits its request for designation;

(ii) If the applicant is a servicer, a statement signed by the owner or chief executive officer of the applicant certifying that the applicant meets the definition of a servicer contained in paragraph (o)(3) of this section; and

(iii)(A) A compliance audit of its loan portfolio, conducted by a qualified independent organization meeting the criteria in paragraph (b)(9) of this section, that yields a compliance performance rating of 97 percent or higher of all due diligence requirements applicable to each loan, on average, with respect to the collection of delinquent or defaulted loans and satisfying the requirements in paragraph (b)(1)(iv) of this section or, if applicable, paragraph (c)(2)(i) of this section. The audit period may end no more than 90 days prior to the date the lender, servicer or guaranty agency submits its request for designation.

(B) To satisfy the requirement of paragraph (a)(2)(iii)(A) of this section, a servicer may submit its annual compliance audit under 34 CFR 682.416(e), if the servicer includes in its report a measure of its compliance performance rating required under paragraph (a)(2)(iii)(A) of this section, if the audit is performed in accordance with an audit guide developed by the U.S. Department of Education, Office of Inspector General.

(3) The cost of audits for determining eligibility and continued compliance under this section is the responsibility of the lender, servicer, or guaranty agency.

(4) A lender or servicer shall also submit the information in paragraph (a)(2)(i), (ii), or (iii) of this section to each appropriate guaranty agency.

(5) A lender may be designated for exceptional performance for loans that it services itself. A lender servicer may be designated for exceptional performance only for all loans it services.

(6)(i) To prevent a lapse of a lender's, servicer's, or guaranty agency's exceptional performance status after the end of the 12-month period, the lender, servicer, or guaranty agency shall submit updated information required under paragraph (a)(2) of this section to the Secretary no later than 90 days after the end of the annual audit period.

(ii) Upon the Secretary's determination that the lender, servicer, or guaranty agency maintained at least a 97 percent compliance performance rate and satisfies the other requirements for designation, the Secretary notifies the lender, servicer, or guaranty agency that its designation for exceptional performance begins on the date following the last day of the previous 12-month period for which it received designation for exceptional performance. However, a lender's, servicer's, or guaranty agency's designation for exceptional performance continues until it receives notification from the Secretary that its request for redesignation is approved, or that its designation is revoked, under the provisions of paragraph (b)(8)(iii) of this section.

(iii) The Secretary notifies the lender or lender servicer and the appropriate guaranty agency within 60 days after the date the Secretary receives the information, listed in
paragraph (a)(2) of this section, from the eligible lender or lender servicer, that the lender's or lender servicer's reapplication for designation for exceptional performance has been approved or denied. A notice under paragraph (a)(6) of this section is determined to have been received by the lender, servicer, or guaranty agency no later than 3 days after the notice is mailed, unless the lender, servicer, or guaranty agency is able to prove otherwise.

(b) Determination of eligibility. (1) The Secretary determines whether to designate a lender or lender servicer for exceptional performance based upon—

(i) The annual compliance audit of collection activities required for FFEL Program loans under Sec. 682.411(c) through (h), and (m), if applicable, serviced during the audit period;

(ii) Information from any guaranty agency regarding an eligible lender or lender servicer desiring designation, including, but not limited to, any information suggesting that the lender's or lender servicer's request for designation should not be approved;

(iii) Any other information in the possession of the Secretary, or submitted to the Secretary by any other agency or office of the Federal Government; and

(iv) Evidence indicating that the lender or lender servicer has complied with the requirements for converting FFEL Program loans to repayment under Sec. 682.402(e)(2) and 682.406(a)(5), in accordance with the audit guide as published by the U.S. Department of Education, Office of Inspector General. The audit submitted under paragraph (b)(1)(i) of this section may satisfy this requirement, if a separate sample of loans is used.

(2) The Secretary informs the eligible lender or lender servicer, and the appropriate guaranty agency, that the lender's or lender servicer's request for designation as an exceptional lender or lender servicer has been approved, unless the results of the audit are persuasively rebutted by information under paragraphs (b)(1)(ii) or (iii) of this section. If the request for designation is not approved, the Secretary informs the lender or lender servicer and the appropriate guaranty agency or agencies of the reason the application is not approved.

(3) In calculating a lender's or lender servicer's compliance rating, as referenced in paragraph (a)(2)(ii) of this section, the universe for the audit must include all loans in the lender's or lender servicer's FFEL Program portfolio that are serviced during the audit period performed under the Department's regulations in Secs. 682.411, 682.209(a), 682.402(e)(2), and 682.406(a)(5). The calculation may consider only due diligence activities applicable to the audit period. The numerator must include the total number of collection activities successfully completed, in accordance with program regulations, that are serviced during the audit period. The denominator must include the total number of collection activities required to be performed, in compliance with program regulations, that are serviced during the audit period. Using statistical sampling and evaluation techniques identified in an audit guide prepared by the Department's Office of Inspector General, a random sample of loans must be selected and evaluated.

(4) The Secretary notifies the lender or lender servicer and the appropriate guaranty agency within 60 days after the date the Secretary receives the information, listed in paragraph (a)(2) of this section, from the eligible lender or lender servicer, that the lender's or lender servicer's application for designation for exceptional performance has been approved or denied.

(5)(i) Except as provided under paragraph (b)(8) of this section, a guaranty agency may not refuse, solely on the basis of a violation of repayment conversion, due diligence requirements, or timely filing requirements, to pay an eligible lender or lender servicer, designated for exceptional performance, 100 percent of the unpaid principal and interest of all loans for which eligible claims are submitted for insurance payment by that eligible lender or lender servicer. The designation of a lender or lender servicer for exceptional performance applies to loans that have been serviced by the lender or lender servicer for the last 180 days prior to a borrower's default or earlier in the case of death, disability, or bankruptcy.

(ii) A guaranty agency or the Secretary may require the lender or lender servicer to repurchase a loan if the agency determines the loan should not have been submitted as a claim. A guaranty agency may not require repurchase of a loan based solely on the lender's violation of the requirement relating to repayment conversion, due diligence, or timely filing. The guaranty agency must pay claims to a lender or lender servicer designated for exceptional performance in accordance with this paragraph for the one-year period following the date the guaranty agency receives notification of the lender's or lender servicer's designation under paragraph (b)(2) of this section, unless the Secretary notifies the guaranty agency that the lender's or lender servicer's designation for exceptional performance has been revoked.

(6)(i) To maintain its designation for exceptional performance, the lender or lender servicer must have a quarterly compliance audit of the due diligence in collection activities required for FFEL Program loans under Sec. 682.411(c)-(h), and (m), if applicable, and for converting FFEL Program loans to repayment under Sec. 682.209(a) and timely filing requirements under Secs. 682.402(e)(2) and 682.406(a)(5) conducted by a qualified independent organization meeting the criteria in paragraph (b)(9) of this section that results in a compliance rating for the quarter of not less than 97 percent. The audit must indicate a compliance...
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

performance rating of not less than 97 percent for two consecutive months or 90 percent for any month. The quarterly audit may not include any period covered by the annual financial and compliance audit under paragraph (a)(2) of this section. The results of the quarterly compliance audit must be submitted to the Secretary and to the appropriate guaranty agencies within 90 days following the end of each quarter.

(ii) If a lender or lender servicer has been designated for exceptional performance for at least 15 months, a lender or lender servicer may petition the Secretary for permission to have its internal auditors perform the subsequent quarterly compliance audits required by paragraph (b)(6)(i) of this section. If the Secretary approves the request, the lender's or lender servicer's annual audit must assess the reliability of the procedures used by the lender's or lender servicer's internal auditor in performing the quarterly audits.

(iii) The lender or lender servicer shall perform three quarterly audits and one annual audit that includes a representative sample of fourth quarter collection activities to satisfy the requirements of this paragraph.

(7)(i) Insurance payments made on eligible claims submitted by a lender or lender servicer designated for exceptional performance are not subject to additional review of repayment conversion, due diligence, and timely filing requirements, or to required repurchase by the lender or lender servicer, unless the Secretary determines that the eligible lender or lender servicer engaged in fraud or other purposeful misconduct in obtaining designation for exceptional performance. Notwithstanding the payment requirements in this paragraph, nothing prohibits the guaranty agency or the Secretary from reviewing the lender's or lender servicer's activities in regard to the loans paid under this paragraph as part of program oversight responsibilities, or for requiring the lender to repurchase a loan if the agency determines the loan should not have been submitted as a claim. The lender shall file, and the guaranty agency shall maintain, the documentation the guaranty agency normally requires its lenders to file with respect to the collection history of each loan.

(ii) A lender or lender servicer designated under this section that fails to service loans or otherwise comply with applicable program regulations is considered in violation of 31 U.S.C. 3729.

(8)(i) The Secretary revokes the designation of a lender or lender servicer for exceptional performance if--

(A) The quarterly compliance audit required under paragraph (b)(6) of this section is not received by the Secretary within 90 days following the end of each quarter.

(i) The Secretary may revoke the designation of an exceptional lender or lender servicer if--

(A) The Secretary determines the eligible lender or lender servicer failed to maintain an overall level of regulatory compliance consistent with the audit submitted by the lender or lender servicer;

(B) The Secretary has reason to believe the lender or lender servicer may have engaged in fraud in securing its designation for exceptional performance; or

(C) The lender or lender servicer fails to service loans in accordance with program regulations. For purposes of this paragraph, a lender or lender servicer fails to service loans in accordance with program regulations if the Secretary determines that the lender or lender servicer has committed serious and material violations of the regulations.

(ii) The date on which the event or condition occurred is the effective date of the revocation, except for revocation under paragraph (a)(6) of this section, which is effective at the close of the 12-month period for which the lender or lender servicer received designation for exceptional performance.

(9) Public accountants, public accounting firms, and external government audit organizations that meet the qualification and independence standards contained in Government Auditing Standards published by the Comptroller General of the United States are acceptable entities to perform the audits required under paragraphs (a)(3)(iii)(A) and (b)(6) of this section.

(c)(1)(i) Except as provided under paragraph (c)(6) of this section, the Secretary pays the applicable reinsurance rate under section 428(b)(1)(G) of the Act on all claims submitted by a guaranty agency or guaranty agency servicer that has been designated for exceptional performance.

(ii) A guaranty agency may be designated for exceptional performance for loans that it services itself.

(iii) A guaranty agency servicer may be designated for exceptional performance for loans it services.

(iv) A guaranty agency or guaranty agency servicer is designated for exceptional performance for a 12-month period following the receipt, by the guaranty agency or guaranty agency servicer, of the Secretary's notification of designation.

(v) A notice under this paragraph is determined to have been received no later than 3 days after the date the
notice is mailed, unless the guaranty agency or guaranty agency servicer is able to prove otherwise.

(2) The Secretary determines whether to designate a guaranty agency or guaranty agency servicer for exceptional performance based upon--

(i) The annual financial audit and a compliance audit of collection activities, including timely claim payment and timely reinsurance filing required for FFEL Program loans under Secs. 682.410(b)(6)(i) through (xii), and 682.406(a)(8) and (a)(9), or Secs. 682.410(b)(7) and 682.406(a)(8) and (a)(9); and

(ii) Any other information in the possession of the Secretary.

(3) The Secretary informs the guaranty agency or guaranty agency servicer that its request for designation for exceptional performance has been approved, unless the results of the audit are persuasively rebutted by other information received by the Secretary. If the Secretary does not approve the guaranty agency's or guaranty agency servicer's request for designation, the Secretary informs the guaranty agency or guaranty agency servicer of the reason the application was not approved.

(4) In calculating a guaranty agency's or guaranty agency servicer's compliance rating, as referenced in paragraph (a)(2)(ii) of this section, the Secretary requires that the universe of loans in the audit sample must consist of all loans in the guaranty agency's or guaranty agency servicer's FFEL Program portfolio that are serviced during the audit period performed under the Department's regulations in Secs. 682.410(b)(6)(iii) through (xii) and 682.406(a)(8) and (a)(9) or Secs. 682.410(b)(7) and 682.406(a)(8) and (a)(9). The calculation may consider only the due diligence activities that were or should have been conducted during the audit period. The numerator must include the total number of collection activities successfully completed in accordance with program regulations on loans that were serviced during the audit period. The denominator must include the total number of collection activities required to be performed in compliance with program regulations on loans that were serviced during the audit period. Using statistical sampling and evaluation techniques identified in an audit guide prepared by the Department's Office of Inspector General, a random sample of loans must be selected and evaluated.

(5) The Secretary notifies a guaranty agency or guaranty agency servicer, within 60 days after the date the Secretary receives the information listed in paragraph (a)(2) of this section whether the guaranty agency's or guaranty agency servicer's application for designation for exceptional performance has been approved or denied.

(6)(i) To maintain its status as an exceptional guaranty agency or guaranty agency servicer, the guaranty agency or guaranty agency servicer must have a quarterly compliance audit of the due diligence in collection activities of defaulted FFEL Program loans made on claims, or timely filing for reinsurance covering a period of not less than 97 percent. The quarterly audit may not include any period covered by the annual financial and compliance audit required under paragraph (a)(2) of this section. The results of the quarterly compliance audit must be submitted to the Secretary within 90 days following the end of each quarter.

(ii) If the guaranty agency or guaranty agency servicer has been designated for exceptional performance for at least 15 months, the guaranty agency or a guaranty agency servicer may petition the Secretary for permission to have its internal auditors perform subsequent quarterly compliance audits required by paragraph (c)(6)(i) of this section. If the Secretary approves the request, the guaranty agency's or guaranty agency servicer's annual audit must assess the reliability of the procedures used by the guaranty agency's or the guaranty agency servicer's internal auditor in performing the quarterly audits.

(7)(i) Payments of reinsurance made on claims, under the FFEL Program, submitted by a guaranty agency or guaranty agency servicer designated for exceptional performance are not subject to repayment based on additional review of due diligence activities, including timely claim payment, or timely filing for reinsurance covering a period during which the guaranty agency or guaranty agency servicer was designated for any reason other than a determination by the Secretary that the eligible guaranty agency or guaranty agency servicer engaged in fraud or other purposeful misconduct in obtaining designation for exceptional performance.

(ii) A guaranty agency designated under this section that fails to service loans or otherwise comply with applicable program regulations is considered in violation of 31 U.S.C. 3729.

(8)(i) The Secretary may revoke the designation of a guaranty agency or guaranty agency servicer for exceptional performance if the Secretary has reason to believe the guaranty agency or guaranty agency servicer fraudulently obtained its designation for exceptional performance.

(ii) The Secretary may revoke the designation for exceptional performance upon 30 days' notice, and an opportunity for a hearing before the Secretary, if the Secretary finds that the guaranty agency or guaranty agency servicer failed to maintain an acceptable overall level of regulatory compliance.
(9) A qualified independent organization is an organization that meets the criteria in paragraph (b)(9) of this section.

(d) Definitions. For purposes of this section--

(1) Due diligence requirements means the activities required to be performed by lenders or guaranty agencies on delinquent or defaulted loans pursuant to Sec. 682.411(c) through (h), and (m), if applicable and Secs. 682.410(b)(6) (iii) through (xii) and 682.406(a)(8) and (a)(9) or Secs. 682.410(b)(7) and 682.406(a)(8) and (a)(9):

(2) Eligible loan means a loan made, insured, or guaranteed under part B of title IV of the Act; and

(3) Servicer means an entity that services and collects student loans and that--

(i) Has substantial experience in servicing and collecting consumer loans or student loans;

(ii) Has an annual independent financial audit that is furnished to the Secretary and any other parties designated by the Secretary;

(iii) Has business systems capable of meeting the requirements of part B of the Act and applicable regulations;

(iv) Has adequate personnel knowledgeable about the student loan programs authorized by part B of the Act; and

(v) Does not knowingly have any owner, majority shareholder, director, or officer of the entity who has been convicted of a felony.

Sec. 682.416 Requirements for third-party servicers and lenders contracting with third-party servicers.

(a) Standards for administrative capability. A third-party servicer is considered administratively responsible if it--

(1) Provides the services and administrative resources necessary to fulfill its contract with a lender or guaranty agency, and conducts all of its contractual obligations that apply to the FFEL programs in accordance with FFEL programs regulations;

(2) Has business systems including combined automated and manual systems, that are capable of meeting the requirements of part B of Title IV of the Act and with the FFEL programs regulations; and

(3) Has adequate personnel who are knowledgeable about the FFEL programs.

(b) Standards of financial responsibility. The Secretary applies the provisions of 34 CFR 668.15(b)(1)-(4) and (6)-(9) to determine that a third-party servicer is financially responsible under this part. References to "the institution" in those provisions shall be understood to mean the third-party servicer, for this purpose.

(c) Special review of third-party servicer. (1) The Secretary may review a third-party servicer to determine that it meets the administrative capability and financial responsibility standards in this section.

(2) In response to a request from the Secretary, the servicer shall provide evidence to demonstrate that it meets the administrative capability and financial responsibility standards in this section.

(3) The servicer may also provide evidence of why administrative action is unwarranted if it is unable to demonstrate that it meets the standards of this section.

(4) Based on the review of the materials provided by the servicer, the Secretary determines if the servicer meets the standards in this part. If the servicer does not, the Secretary may initiate an administrative proceeding under subpart G.

(d) Past performance of third-party servicer or persons affiliated with servicer. Notwithstanding paragraphs (b) and (c) of this section, a third-party servicer is not financially responsible if--

(1)(i) The servicer; its owner, majority shareholder, or chief executive officer; any person employed by the servicer in a capacity that involves the administration of a Title IV, HEA program or the receipt of Title IV, HEA program funds; any person, entity, or officer or employee of an entity with which the servicer contracts where that person, entity, or officer or employee of the entity acts in a capacity that involves the administration of a Title IV, HEA program or the receipt of Title IV, HEA program funds has been convicted of, or has pled nolo contendere or guilty to, a crime involving the acquisition, use, or expenditure of Federal, State, or local government funds, or has been administratively or judicially determined to have committed fraud or any other material violation of law involving such funds, unless--
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(A) The funds that were fraudulently obtained, or criminally acquired, used, or expended have been repaid to the United States, and any related financial penalty has been paid;

(B) The persons who were convicted of, or pled nolo contendere or guilty to, a crime involving the acquisition, use, or expenditure of the funds are no longer incarcerated for that crime; and

(C) At least five years have elapsed from the date of the conviction, nolo contendere plea, guilty plea, or administrative or judicial determination; or

(ii) The servicer, or any principal or affiliate of the servicer (as those terms are defined in 34 CFR part 85), is--

A) Debarred or suspended under Executive Order (E.O.) 12549 (3 CFR, 1986 Comp., p. 169) or the Federal Acquisition Regulations (FAR), 48 CFR part 9, subpart 9.4; or

B) Engaging in any activity that is a cause under 34 CFR 85.305 or 85.405 for debarment or suspension under E.O. 12549 (3 CFR, 1986 Comp., p. 169) or the FAR, 48 CFR part 9, subpart 9.4; and

(2) Upon learning of a conviction, plea, or administrative or judicial determination described in paragraph (d)(1) of this section, the servicer does not promptly remove the person, agency, or organization from any involvement in the administration of the servicer's participation in Title IV, HEA programs, including, as applicable, the removal or elimination of any substantial control, as determined under 34 CFR 682.15, over the servicer.

(e) Independent audits. (1) A third-party servicer shall arrange for an independent audit of its administration of the FFELP loan portfolio unless--

(i) The servicer contracts with only one lender or guaranty agency; and

(ii) The audit of that lender's or guaranty agency's FFEL programs involves every aspect of the servicer's administration of those FFEL programs.

(2) The audit must--

(i) Examine the servicer's compliance with the Act and applicable regulations;

(ii) Examine the servicer's financial management of its FFEL program activities;

(iii) Be conducted in accordance with the standards for audits issued by the United States General Accounting Office's (GAO's) Standards for Audit of Governmental Organizations, Programs, Activities, and Functions. (This publication is available from the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402.)

Procedures for audits are contained in an audit guide developed by and available from the Office of Inspector General of the Department of Education; and

(iv) Except for the initial audit, be conducted at least annually and be submitted to the Secretary within six months of the end of the audit period. The initial audit must be an annual audit of the servicer's first full fiscal year beginning on or after July 1, 1994, and include any period from the beginning of the first full fiscal year. The audit report must be submitted to the Secretary within six months of the end of the audit period. Each subsequent audit must cover the servicer's activities for the one-year period beginning no later than the end of the period covered by the preceding audit.

(3) With regard to a third-party servicer that is a governmental entity, the audit required by this paragraph must be conducted in accordance with 31 U.S.C. 7502 and 34 CFR part 80, Appendix G.

(4) With regard to a third-party servicer that is a nonprofit organization, the audit required by this paragraph must be conducted in accordance with Office of Management and Budget (OMB) Circular A-133, "Audit of Institutions of Higher Education and Other Nonprofit Institutions," as incorporated in 34 CFR 74.61(h)(3).

(f) Contract responsibilities. A lender that participates in the FFEL programs may not enter into a contract with a third-party servicer that the Secretary has determined does not meet the requirements of this section. The lender must provide the Secretary with the name and address of any third-party servicer with which the lender enters into a contract and, upon request by the Secretary, a copy of that contract. A third-party servicer that is under contract with a lender to perform any activity for which the records in Sec. 682.414(a)(3)(ii) are relevant to perform the services for which the servicer has contracted shall maintain current, complete, and accurate records pertaining to each loan that the servicer is under contract to administer on behalf of the lender. The records must be maintained in a system that allows ready identification of each loan's current status.

PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

Sec. 682.417 Determination of reserve funds or assets to be returned.

(a) General. The procedures described in this section apply to a determination by the Secretary that—

1. A guaranty agency must return to the Secretary a portion of its reserve funds which the Secretary has determined is unnecessary to pay the program expenses and contingent liabilities of the agency; and

2. A guaranty agency must require the return to the agency or the Secretary of reserve funds or assets within the meaning of section 422(g)(1) of the Act held by or under the control of any other entity, which the Secretary determines are necessary to pay the program expenses and contingent liabilities of the agency or which are required for the orderly termination of the guaranty agency's operations and the liquidation of its assets.

(b) Return of unnecessary reserve funds. (1) The Secretary may initiate a process to recover unnecessary reserve funds under paragraph (a)(1) of this section if the Secretary determines that a guaranty agency's reserve fund ratio under Sec. 682.410(a)(10) for each of the two preceding Federal fiscal years exceeded 2.0 percent.

(2) If the Secretary initiates a process to recover unnecessary reserve funds, the Secretary requires the return of a portion of the reserve funds that the Secretary determines will permit the agency to—

(i) Have a reserve fund ratio of at least 2.0 percent under Sec. 682.410(a)(10) at the time of the determination; and

(ii) Meet the minimum reserve fund requirements under Sec. 682.410(a)(10) and retain sufficient additional reserve funds to perform its responsibilities as a guaranty agency during the current Federal fiscal year and the four succeeding Federal fiscal years.

(3)(i) The Secretary makes a determination of the amount of the reserve funds needed by the guaranty agency under paragraph (b)(2) of this section on the basis of financial projections for the period described in that paragraph. If the agency provides projections for a period longer than the period referred to in that paragraph, the Secretary may consider those projections.

(ii) The Secretary may require a guaranty agency to provide financial projections in a form and on the basis of assumptions prescribed by the Secretary. If the Secretary requests the agency to provide financial projections, the agency shall provide the projections within 60 days of the Secretary's request. If the agency does not provide the projections within the specified time period, the Secretary determines the amount of reserve funds needed by the agency on the basis of other information.

(c) Notice. (1) The Secretary or an authorized Departmental official begins a proceeding to order a guaranty agency to return a portion of its reserve funds, or to direct the return of reserve funds or assets subject to return, by sending the guaranty agency a notice by certified mail, return receipt requested.

(2) The notice—

(i) Informs the guaranty agency of the Secretary's determination that the reserve funds or assets must be returned;

(ii) Describes the basis for the Secretary's determination and contains sufficient information to allow the guaranty agency to prepare and present an appeal;

(iii) States the date by which the return of reserve funds or assets must be completed;

(iv) Describes the process for appealing the determination, including the time for filing an appeal and the procedure for doing so; and

(v) Identifies any actions that the guaranty agency must take to ensure that the reserve funds or assets that are the subject of the notice are maintained and protected against use, expenditure, transfer, or other disbursement after the date of the Secretary's determination, and the basis for requiring those actions. The actions may include, but are not limited to, directing the agency to place the reserve funds in an escrow account. If the Secretary has directed the guaranty agency to require the return of reserve funds or assets held by or under the control of another entity, the guaranty agency shall ensure that the agency's claims to those funds or assets and the collectability of the agency's claims will not be compromised or jeopardized during an appeal. The guaranty agency shall also comply with all other applicable regulations relating to the use of reserve funds and assets.

(d) Appeal. (1) A guaranty agency may appeal the Secretary's determination that reserve funds or assets must be returned by filing a written notice of appeal within 20 days of the date of the guaranty agency's receipt of the notice of the Secretary's determination. If the agency files a notice of appeal, the requirement that the return of reserve funds or assets be completed by a particular date is suspended pending completion of the appeal process. If the agency does not file a notice of appeal within the period specified in this paragraph, the Secretary's determination is final.

(2) A guaranty agency shall submit the information described in paragraph (d)(4) of this section within 45 days of the date of the guaranty agency's receipt of the notice of the Secretary's determination unless the Secretary agrees to extend the period at the agency's request. If the agency does
not submit that information within the prescribed period, the Secretary's determination is final.

(3) A guaranty agency's appeal of a determination that reserve funds or assets must be returned is considered the reserve funds or assets need not be returned; and

(4) In an appeal of the Secretary's determination, the guaranty agency shall--

(i) State the reasons the guaranty agency believes the reserve funds or assets need not be returned;

(ii) Identify any evidence on which the guaranty agency bases its position that the reserve funds or assets need not be returned;

(iii) Include copies of the documents that contain this evidence;

(iv) Include any arguments that the guaranty agency believes support its position that the reserve funds or assets need not be returned; and

(v) Identify the steps taken by the guaranty agency to comply with the requirements referred to in paragraph (c)(2)(v) of this section.

(5) In its appeal, the guaranty agency may request the opportunity to make an oral argument to the deciding official for the purpose of clarifying any issues raised by the appeal. The deciding official provides such an opportunity promptly after the expiration of the period referred to in paragraph (d)(2) of this section.

(ii) The agency may not submit new evidence at or after the oral argument unless the deciding official determines otherwise. A transcript of the oral argument is made a part of the record of the appeal and is promptly provided to the agency.

(6) The guaranty agency has the burden of production and the burden of persuading the deciding official that the Secretary's determination should be modified or withdrawn.

(e) Third-party participation. (1) If the Secretary issues a determination under paragraph (a)(1) of this section, the Secretary promptly publishes a notice in the Federal Register announcing the portion of the reserve fund to be returned by the agency and providing interested persons an opportunity to submit written information relating to the determination within 30 days after the date of publication. The Secretary publishes the notice no earlier than five days after the agency receives a copy of the determination.

(2) If the guaranty agency to which the determination relates files a notice of appeal of the determination, the deciding official may consider any information submitted in response to the Federal Register notice. All information submitted by a third party is available for inspection and copying at the offices of the Department of Education in Washington, D.C., during normal business hours.

(f) Adverse information. If the deciding official considers information in addition to the evidence described in the notice of the Secretary's determination that is adverse to the guaranty agency's position on appeal, the deciding official informs the agency and provides it a reasonable opportunity to respond to the information without regard to the period referred to in paragraph (d)(2) of this section.

(g) Decision. (1) The deciding official issues a written decision on the guaranty agency's appeal within 45 days of the date on which the information described in paragraph (d)(4) and (d)(5)(ii) of this section is received, or the oral argument referred to in paragraph (d)(5) of this section is held, whichever is later. The deciding official mails the decision to the guaranty agency by certified mail, return receipt requested. The decision of the deciding official becomes the final decision of the Secretary 30 days after the deciding official issues it. In the case of a determination that a guaranty agency must return reserve funds, if the deciding official does not issue a decision within the prescribed period, the agency is no longer required to take the actions described in paragraph (c)(2)(v) of this section.

(2) A guaranty agency may not seek judicial review of the Secretary's determination to require the return of reserve funds or assets until the deciding official issues a decision.

(3) The deciding official's written decision includes the basis for the decision. The deciding official bases the decision only on evidence described in the notice of the Secretary's determination and on information properly submitted and considered by the deciding official under this section. The deciding official is bound by all applicable statutes and regulations and may neither waive them nor rule them invalid.

(h) Collection of reserve funds or assets. (1) If the deciding official's final decision requires the guaranty agency to return reserve funds, or requires the guaranty agency to require the return of reserve funds or assets to the agency or to the Secretary, the decision states a new date for compliance with the decision. The new date is no earlier than the date on which the decision becomes the final decision of the Secretary.

(2) If the guaranty agency fails to comply with the decision, the Secretary may recover the reserve funds from any funds due the agency from the Department without any further notice or procedure and may take any other action permitted or authorized by law to compel compliance.

(Approved by the Office of Management and Budget under Control Number 1840-0538)

Note: Section added November 25, 1994, effective July 1, 1995.

Sec. 682.418 Prohibited uses of reserve fund assets.

(a) General. (1) A guaranty agency may not use the assets of the reserve fund established under Sec. 682.410(a)(1) to pay costs prohibited under paragraph (b) of this section and may not use the assets of the reserve fund to pay for goods, property, or services provided by an affiliated organization that would exceed the affiliated organization's actual and reasonable cost of providing those goods, property, or services, unless the agency demonstrates to the Secretary, and receives the Secretary's concurrence, that such a payment would be in the Federal fiscal interest.

(2) All guaranty agency contracts with respect to its reserve fund or assets must include a provision stating that the contract is terminable by the Secretary upon 30 days notice to the contracting parties if the Secretary determines that the contract includes an impermissible transfer of the reserve fund or assets or is otherwise inconsistent with the terms and purposes of section 422 of the HEA.

(b) Prohibited uses of reserve fund assets. A guaranty agency may use the assets of the reserve fund established under Sec. 682.410(a)(1) only as prescribed in Sec. 682.410(a)(2). Uses of the reserve fund that are not allowable under Sec. 682.410(a)(2) include, but are not limited to—

(1) Compensation for personnel services, including wages, salaries, pension plan costs, post-retirement health benefits, employee life insurance, unemployment benefit plans, severance pay, costs of leave, and other benefits, to the extent that total compensation to an employee, officer, director, trustee, or agent of the guaranty agency is not reasonable for the services rendered. Compensation is considered reasonable to the extent that it is comparable to that paid in the labor market in which the guaranty agency competes for the kind of employees involved. Costs that are otherwise unallowable may not be considered allowable solely on the basis that they constitute personnel compensation. In no case may the reserve fund be used to pay any compensation, whether calculated on an hourly basis or otherwise, that would be proportionately greater than 118.05 percent of the total salary paid (as calculated on an hourly basis) under section 5312 of title 5, United States Code (relating to Level I of the Executive Schedule).

(2) Contributions and donations, including cash, property, and services, by the guaranty agency to others, regardless of the recipient or purpose, unless pursuant to written authorization from the Secretary;

(3) Entertainment, including amusement, diversion, hospitality suites, and social activities, and any costs associated with those activities, such as tickets to shows or sports events, meals, alcoholic beverages, lodging, rentals, transportation, and gratuities;

(4) Fines, penalties, damages, and other settlements resulting from violations or alleged violations of the guaranty agency's failure to comply with Federal, State, or local laws and regulations that are unrelated to the FFEL Program, unless specifically approved by the Secretary. This prohibition does not apply if a non-criminal violation or alleged violation has been assessed against the guaranty agency, the payment does not reimburse an agency employee, and the payment does not exceed $1,000, or if it occurred as a result of compliance with specific requirements of the FFEL Program or in accordance with written instructions from the Secretary. The use of the reserve fund in any other case must be requested by the agency and specifically approved in advance by the Secretary;

(5) Legal expenses for prosecution of claims against the Federal Government, unless the guaranty agency substantially prevails on those claims. In that event, the Secretary approves the reimbursement of reasonable legal expenses incurred by the guaranty agency;

(6) Lobbying activities, as defined in section 501(h) of the Internal Revenue Code, including dues to membership organizations to the extent that those dues are used for lobbying;

(7) Major expenditures, including those for land, buildings, equipment, or information systems, whether singly or as a related group of expenditures, that exceed 5 percent of the guaranty agency's reserve fund balance at the time the expenditures are made, unless the agency has provided written notice of the intended expenditure to the Secretary 30 days before the agency makes or commits itself to the expenditure. For those expenditures involving the purchase of an asset, the term "major expenditure" applies to costs such as the cost of purchasing the asset and making improvements to it, the cost to put it in place, the net invoice price of the asset, ancillary charges, such as taxes, duty, protective in-transit insurance, freight, and installation costs, and the costs of any modifications, attachments, accessories, or auxiliary apparatus necessary to make the asset usable for the purpose for which it was acquired, whether the expenditures are classified as capital or operating expenses;

(8) Public relations, and all associated costs, paid directly or through a third party, to the extent that those costs are used to promote or maintain a favorable image of the guaranty agency. The term "public relations" does not include any activity that is ordinary and necessary for the fulfillment of the agency's FFEL guaranty responsibilities under the HEA.
including appropriate and reasonable advertising designed specifically to communicate with the public and program participants for the purpose of facilitating the agency’s ability to fulfill its FFEL guaranty responsibilities under the HEA. Ordinary and necessary public relations activities include training of program participants and secondary school personnel and customer service functions to disseminate FFEL-related information and materials to schools, loan holders, prospective loan applicants, and their parents. In providing that training at workshops, conferences, or other ordinary and necessary forums customarily used by the agency to fulfill its responsibilities under the HEA, the agency may provide light meals and refreshments of a reasonable nature and amount to the participants;

(9) Relocation of employees in excess of an employee’s actual or reasonably estimated expenses or for purposes that do not benefit the administration of the guaranty agency's FFEL program. Except as approved by the Secretary, reimbursement must be in accordance with an established written policy; and

(10) Travel expenses that are not in accordance with a written policy approved by the Secretary or a State policy. If the guaranty agency does not have such a policy, it may not use the assets of the reserve fund to pay for travel expenses that exceed those allowed for lodging and subsistence under subchapter I of Chapter 57 of title 5, United States Code, or in excess of commercial airfare costs for standard coach airfare, unless those accommodations would require circuitous routing, travel during unreasonable hours, excessively prolonged travel, would result in increased cost that would offset transportation savings, or would offer accommodations not reasonably adequate for the medical needs of the traveler.

(c) Cost allocation. Each guaranty agency that shares costs with any other program, agency, or organization shall develop a cost allocation plan consistent with the requirements described in OMB Circular A-87 and maintain the plan and related supporting documentation for audit. A guaranty agency is required to submit its cost allocation plans for the Secretary’s approval if it is specifically requested to do so by the Secretary.

(Authority: 20 U.S.C. 1078)

Note: Section added November 27, 1996, effective July 1, 1997.
(ii) Guaranteeing loans made in the State to students attending that school would significantly increase the access of students at that school to FFEL Program loans. The Secretary may guarantee loans made to those students by a lender in that State if:

(A) The guaranty agency does not recognize the school as being eligible, but the school is eligible under the FISL program; or

(B) A majority of the persons enrolled at the school meet the conditions of student eligibility for FISL loans but are not recognized as eligible under the guaranty agency program.

(c) For purposes of paragraph (b) of this section, a lender is considered to be located in the same State as a school if the lender:

(1) Has an origination relationship with the school;

(2) Has a majority of its voting stock held by the school; or

(3) Has common ownership or management with the school and more than 50 percent of the loans made by that lender are made to students at that school.

(d) As a condition for guaranteeing loans under the Federal FFEL programs, the Secretary may require the lender to submit evidence of circumstances that would justify loan guarantees under the provisions of this section.

(e) With regard to a school lender that has entered into an agreement with the Secretary under Sec. 682.600, the Secretary denies loan guarantees on the basis of this section only if the Secretary first determines that all eligible students at that school who make a conscientious effort to obtain a loan from another lender will find a loan to be reasonably available. For purposes of this paragraph, the determination of loan availability is based on studies and surveys that the Secretary considers satisfactory.

Sec. 682.501 Extent of Federal guarantee under the Federal GSL programs.

(a) General. Except as provided in paragraph (b) of this section, the Secretary's guarantee liability on any Federal GSL loan is 100 percent of the unpaid principal balance and, to the extent permitted under Sec. 682.512, accrued interest.

(b) Special provisions for State lenders. (1) Except as described in paragraph (b)(2) of this section, the Secretary's guarantee liability is less than 100 percent under the following conditions:

(i) If the total of default claims under the Federal GSL programs paid by the Secretary to a State lender during any fiscal year reaches five percent of the amount of the Federal GSL loans in repayment at the end of the preceding fiscal year, the Secretary's guarantee liability on a claim subsequently paid during that fiscal year is 90 percent of the amount of the unpaid principal balance plus accrued interest.

(ii) If the total of default claims under the Federal GSL programs paid by the Secretary to a State lender during any fiscal year reaches nine percent of the amount of the Federal GSL loans in repayment at the end of the preceding fiscal year, the Secretary's guarantee liability on a claim subsequently paid during that fiscal year is 80 percent of the amount of the unpaid principal balance plus accrued interest.

(iii) For purposes of this paragraph, the total default claims paid by the Secretary during any fiscal year do not include paid claims filed by the lender under the provisions of Sec. 682.412(e) or 682.509.

(2) The potential reduction in guarantee liability does not apply to a State lender during the first Federal fiscal year of its operation as a Federal GSL Program lender and during each of the four succeeding fiscal years.

(3) For the purposes of this section, the term "amount of the Federal GSL loans in repayment" means the original principal amount of all loans guaranteed by the Secretary less:

(i) The original principal amount of loans on which:

(A) Under the FISL program, the borrower has not yet reached the repayment period;

(B) Payment in full has been made by the borrower;

(C) The borrower was in deferment status at the time repayment of principal was scheduled to begin and remains in deferment status; or

(D) The Secretary has paid a claim filed under section 437 of the Act; and

(ii) The amount paid by the Secretary for default claims on loans, exclusive of paid claims filed by the lender under Sec. 682.412(e) or 682.509.

(4) For the purposes of this paragraph, payments by the Secretary on a loan that the original lender assigned to a subsequent holder are considered payments made to the original lender.

(5) State lenders shall consolidate Federal GSL loans for the purpose of calculating the amount of the Secretary's guarantee liability under this section.
Sec. 682.502 The application to be a lender.

(a) To be considered for participation in the Federal GSL programs, a lender shall submit an application to the Secretary.

(b) In determining whether to enter into a guarantee agreement with an applicant, and, if so, what the terms of the agreement will be, the Secretary considers:

1. Whether the applicant meets the definition of an "eligible lender" in section 435(d) of the Act and the definition of "lender" in Sec. 682.200;

2. Whether the applicant is capable of complying with the regulations in this part as they apply to lenders;

3. Whether the applicant is capable of implementing adequate procedures for making, servicing, and collecting loans;

4. Whether the applicant has had prior experience with a similar Federal, State, or private nonprofit student loan program, and the amount and percentage of loans that are currently delinquent or in default under that program;

5. The financial resources of the applicant; and

6. In the case of a school that is seeking approval as a lender, its accreditation status.

(c) The Secretary may require an applicant to submit sufficient materials with its application so that the Secretary may fairly evaluate it in accordance with the criteria in this section.

(d)(1) If the Secretary decides not to approve the application for a guarantee agreement, the Secretary's response includes the reason for the decision.

2. The Secretary provides the lender an opportunity for the lender to meet with a designated Department official if the lender wishes to appeal the Secretary's decision.

3. However, the Secretary need not explain the reasons for the denial or grant the lender an opportunity to appeal if the lender submits its application within six months of a previous denial.

Sec. 682.503 The guarantee agreement.

(a)(1) To participate in the Federal GSL programs, a lender must have a guarantee agreement with the Secretary.

The Secretary does not guarantee a loan unless it is covered by such an agreement.

2. In general, under a guarantee agreement the lender agrees to comply with all laws, regulations, and other requirements applicable to its participation as a lender in the Federal GSL programs. In return, the Secretary agrees to guarantee each eligible Federal GSL loan held by the lender against the borrower's default, death, total and permanent disability, or bankruptcy.

3. The Secretary may include in an agreement a limit on the duration of the agreement and the number or amount of Federal GSL loans the lender may make or hold.

(b)(1) Except as otherwise approved by the Secretary, a guarantee agreement with a school lender limits the Federal GSL loans made by that school lender that will be covered by the Federal guarantee to those loans made to students, or to parents borrowing on behalf of students, who are:

i. In attendance at that school;

ii. In attendance at other schools under the same ownership as that school;

iii. Employees or dependents of employees, or whose parents are employees, of that school lender or other schools under the same ownership, under circumstances the Secretary considers appropriate for loan guarantees.

2. The Secretary may on a school-by-school basis impose limits under paragraph (b)(1)(iii) of this section on a school lender that makes loans to students or to parents of students in attendance at other schools under the same ownership, under circumstances the Secretary considers appropriate for loan guarantees.
Sec. 682.505 Insurance premium.

(a) General. The Secretary charges the lender an insurance premium for each Federal GSL Program loan that is guaranteed, except that no insurance premium is charged on a Federal Consolidation loan, or on a Federal SLS or Federal PLUS loan made under Sec. 682.209(f).

(b) Rate. The rate of the insurance premium is one-fourth of one percent per year of the loan principal, excluding interest or other charges that may have been added to the principal.

(c) FISL loans--insurance premium calculation. (1) The insurance premium for FISL loans is calculated by--

(i) Counting the number of months beginning with the month following the month in which each disbursement on the loan is to be made and ending 12 months after the borrower's anticipated graduation from the school for attendance at which the loan is sought;

(ii) Dividing one-fourth of one percent of the principal amount of the loan by 12; and

(iii) Multiplying the result obtained in paragraph (c)(1)(i) of this section by that obtained in paragraph (c)(1)(ii) of this section.

(2) If the lender disburses the loan in multiple installments, the insurance premium is calculated for each disbursement from the month following the month that the disbursement is made.

(d) PLUS and SLS Loans--insurance premium calculation. The insurance premium for a Federal PLUS or SLS loan is calculated by--

(1) Using the projected repayment period as a base;

(2) Amortizing the loan in equal monthly installments over the repayment period;

(3) Determining one-fourth of one percent of each monthly declining principal balance; and

(4) Computing the total of monthly amounts calculated under paragraph (d)(3) of this section.

(e) Collection from lenders. (1) The Secretary may bill the lender for the insurance premium or may require the lender to pay the insurance premium to the Secretary at the time of disbursement of the loan. At the Secretary's discretion, the Secretary may alternatively collect the insurance premium by offsetting it against amounts payable by the Secretary to the lender.

(2) The Secretary's guarantee on a loan ceases to be effective if the lender fails to pay the insurance premium within 60 days of the date payment is due. However, the Secretary may excuse late payment of an insurance premium and reinstate the guarantee coverage on a loan if the Secretary is satisfied that at the time the premium is paid--

(i) The loan is not in default and the borrower is not delinquent in making installment payments; or

(ii) The loan is in default, or the borrower is delinquent, under circumstances where the borrower has entered the repayment period without the lender's knowledge.

(f) Collection from borrowers. The lender may pass along the cost of the insurance premium to the borrower. If it does so, the insurance premium must be deducted from each disbursement of the loan in an amount proportionate to that disbursement's contribution to the premium amount.

(g) Refund provisions. The insurance premium is not refundable by the Secretary and need not be refunded by the lender to the borrower, even if the borrower prepays, defaults, dies, becomes totally and permanently disabled, or files a petition in bankruptcy.

Sec. 682.506 Limitations on maximum loan amounts.

(a) The Secretary does not guarantee a FISL, Federal SLS, or Federal PLUS loan in an amount that would--

(1) Result in an annual loan amount in excess of the student's estimated cost of attendance for the period of enrollment for which the loan is intended less--

(i) The student's estimated financial assistance; and

(ii) The student's expected family contribution for that period, in the case of a FISL loan; or

(2) Result in an annual or aggregate loan amount in excess of the permissible annual and aggregate loan limits described in Sec. 682.204.

(b) The Secretary does not guarantee a Federal Consolidation loan in an amount greater than that required to discharge loans eligible for consolidation under Sec. 682.100(a)(4).

Sec. 682.507 Due diligence in collecting a loan.

(a) General. (1) Except as provided in paragraph (a)(4) of this section, a lender shall exercise due diligence in the collection of a loan with respect to both a borrower and an authorized endorser. If, in order to exercise due diligence, a lender shall implement the procedures described in this section if a borrower fails to make an installment payment when due.

(2) If two borrowers are liable for repayment of a Federal PLUS or Consolidation loan as co-makers, the lender must follow these procedures with respect to both borrowers.

(3) For purposes of this section, the borrower’s delinquency begins on the day after the due date of an installment payment not paid when due, except that if the borrower entered the repayment period without the lender’s knowledge, the delinquency begins 30 days after the day the lender receives notice that the borrower has entered the repayment period.

(4) In lieu of the procedures described in this section, a lender may use the due diligence procedures in Sec. 682.411 in collecting a Federal GSL loan.

(b) Initial delinquency. If a borrower is delinquent in making a payment, the lender shall remind the borrower within 10 working days of the date the payment was due by means of a letter, notice, telephone call, or personal contact. If payments do not begin or resume, the lender shall attempt to contact the borrower—

(1) At least six more times at regular intervals during the remainder of the six-month period that started on the date of delinquency for loans repayable in monthly installments; or

(2) At least eight more times during the remainder of the eight-month period that started on the date of delinquency for loans repayable in installments less frequent than monthly.

(c) Skip-tracing assistance. (1) If a lender does not know the borrower’s current address, the lender promptly shall attempt to locate the borrower through normal commercial collection activities, including contacting all individuals and entities named in the borrower’s loan application. If these efforts are unsuccessful, the lender promptly shall attempt to learn the borrower’s current address through use of the Department’s skip-tracing assistance.

(2) If the lender does not know the borrower’s address when a borrower is first delinquent in making a payment, but subsequently obtains the borrower’s address prior to the date on which the loan goes into default, the lender shall attempt to contact the borrower in accordance with paragraph (b) of this section, with the first contact occurring within 15 days of the date the lender obtained knowledge of the borrower’s address, and shall attempt to contact the borrower at least once during each succeeding 30-day period until default.

(d) Preclaims assistance. When the borrower is 60 days delinquent in making a payment, the lender shall request preclaims assistance from the Department of Education. This preclaims assistance consists of sending a series of letters to the borrower, urging the borrower to contact the lender and begin or resume payments.

(e) Final demand letter. A lender shall send a final demand letter to the borrower at least 30 days before the lender files a default claim. The lender shall allow the borrower at least 30 days to respond to the final demand letter. However, a lender need not send a final demand letter to a borrower whose address is unknown to the lender.

(f) Litigation. (1) If a loan is in default and the lender determines that the borrower or an endorser has the ability to repay the loan, the lender may bring suit against the borrower or the endorser to recover the amount of the unpaid principal and interest, together with reasonable attorneys’ fees, late charges, and court costs.

(2) Prior to bringing suit the lender shall—

(i) Obtain the Secretary’s approval; and

(ii) Notify the borrower or endorser in writing that it has received the Secretary’s approval to bring suit on the loan, and that unless the borrower or endorser makes payments sufficient to bring the account out of default the lender will seek a judgment under which the borrower or endorser will be liable for payment of late charges, attorneys’ fees, collection agency charges, court costs, and other reasonable collection costs in addition to the unpaid principal and interest on the loan. The lender shall mail the notice to the borrower or endorser by certified mail, return receipt requested.

(3) The lender may bring suit if the borrower or endorser does not make payments sufficient to bring the account out of default within 10 days following the date of delivery of the notice described in paragraph (f)(2)(ii) of this section to the borrower or endorser indicated on the receipt.

(4) A lender may first apply the proceeds of any judgment against its attorneys’ fees, court costs, collection agency charges, and other reasonable collection costs, whether or not the judgment provides for these fees and costs.

Note: (a)(2) amended June 28, 1994, effective July 1, 1995.

Sec. 682.508 Assignment of a loan.

(a) General. A Federal GSL loan may not be assigned except to another eligible lender. For the purpose of this paragraph, "assigned" means any kind of transfer of an interest in the loan, including a pledge of such an interest as security.

(b)(1) Procedure. If the assignment of a FISL Program loan is to result in a change in the identity of the party to whom the borrower must send subsequent payments, the assignor and the assignee of the loan shall, no later than 45 days from the date the assignee acquires a legally enforceable right to receive payment from the borrower on the assigned loan, provide separate notices to the borrower of:

(i) The assignment;

(ii) The identity of the assignee;

(iii) The name and address of the party to whom subsequent payments must be sent; and

(iv) The telephone numbers of both the assignor and the assignee.

(2) The assignor and assignee shall provide the notice required by paragraph (b)(1) of this section separately. Each notice must indicate that a corresponding notice will be sent by the other party to the assignment.

(c) The Secretary’s approval. The approval of the Secretary is required prior to the assignment of a note to an eligible lender that has not entered into a contract of insurance with the Secretary under Sec. 682.503.

(d) Warranty. (1) Nothing in this section precludes the buyer of a loan from obtaining a warranty from the seller covering certain future reductions by the Secretary in computing the amount of guaranteed loss, if any, on a claim filed on the loan.

(2) The warranty may cover only reductions that are attributable to an act or failure to act of the seller or other previous holder.

(3) The warranty may not cover matters the buyer is responsible for under the regulations in this part.

Sec. 682.509 Special conditions for filing a claim.

(a) A lender shall cease collection activity on a loan and file a claim with the Secretary within the time specified in Sec. 682.511(e)(3), if:

(1) In the case of a loan that was not made or originated by the school, the lender learns that while the student was enrolled at the school the school terminated its teaching activities for that student during the academic period covered by the loan; or

(2) The Secretary directs that the claim be filed.

(b) A lender may not as a result of a claim filed with the Secretary under this section report a borrower’s loan as in default to any credit bureau or other third party.

Sec. 682.511 Procedures for filing a claim.

(a) Filing a claim application. (1) A lender may file a claim against the Secretary’s guarantee on a Federal GSL loan for any of the following reasons:

(i) The loan is in default, as defined in Sec. 682.200.

(ii) Any of the conditions exist for filing a claim without collection efforts, as set forth in Sec. 682.412(e)(2) or 682.509.

(iii) The borrower has died, become totally and permanently disabled, or filed a bankruptcy petition, as determined by the lender in accordance with Sec. 682.510.

(2) If a Federal PLUS loan was obtained by two eligible parents as co-makers, or a Consolidation loan was
obtained jointly by a married couple, the reason for filing a claim must hold true for both applicants, or each applicant must have satisfied a claimable criterion at the time of the request for discharge of the loan.

(3) A lender may file a claim against the Secretary's guarantee only on a form provided by the Secretary. The lender shall attach to the claim all documents required by the Secretary. If the lender fails to do so, the Secretary denies the claim.

(b) Documentation required for claims. (1) The Secretary requires a lender to submit the following documentation with all claims:

(i) The original promissory note.

(ii) The loan application.

(iii) The repayment instrument.

(iv) A payment history, as described in Sec. 682.414(a)(3)(ii)(A).

(ix) Any additional documentation that the Secretary determines is relevant to a claim.

(2) The documentation requirements for death, total and permanent disability, or bankruptcy claims in Sec. 682.402(e)(1) apply to the Federal GSL programs. For purposes of this section, references to the "guaranty agency" in Sec. 682.402(e)(2) mean the Secretary.

(c) Assignment of note. The Secretary's payment of a claim is contingent upon receipt from the lender of an assignment to the United States of America of all rights, title, and interest of the lender in the note underlying the claim.

(d) Bankruptcy subsequent to default. If the lender files a default claim on a loan and subsequently receives a notice of the first meeting of creditors in the proceeding of the borrower in bankruptcy, the lender shall promptly forward that notice to the Department of Education. Under these circumstances the lender shall not file a proof of claim with the bankruptcy court.

(e) Claim filing deadlines. To obtain payment of a claim, a lender shall comply with the following deadlines:

(1) Default claims. Unless the lender has already filed suit against the borrower in accordance with Sec. 682.507(f), it shall file a default claim on a loan with the Secretary within 90 days after a default has occurred on the loan. For a claim filed by a lender pursuant to Sec. 682.412(e)(2), as directed in Sec. 682.208(f)(2), the lender shall file a claim within 90 days following transmission of the final demand letter sent pursuant to Sec. 682.411(e) if the borrower failed to comply with the terms of the letter within 30 days of the transmission.

Sec. 682.512 Determination of amount payable on a claim.

(a) Default claims. (1) Amount payable. The amount of loss to be paid on a default claim depends upon the date the Secretary received the application for a guarantee commitment on the loan. If the application was received

(i) Prior to July 1, 1972, or from August 19, 1972 through February 28, 1973, the amount payable on a valid claim is equal to the unpaid balance of the original principal loan amount disbursed; or

(ii) From July 1 through August 18, 1972, or after February 28, 1973, the amount payable on a valid claim is equal to the unpaid balance of the original principal loan amount disbursed; or

(2) The documentation requirements for death, total and permanent disability, or bankruptcy claims in Sec. 682.402(e)(1) apply to the Federal GSL programs. For purposes of this section, references to the "guaranty agency" in Sec. 682.402(e)(1) mean the Secretary.

(c) Assignment of note. The Secretary's payment of a claim is contingent upon receipt from the lender of an assignment to the United States of America of all rights, title, and interest of the lender in the note underlying the claim.

(d) Bankruptcy subsequent to default. If the lender files a default claim on a loan and subsequently receives a notice of the first meeting of creditors in the proceeding of the borrower in bankruptcy, the lender shall promptly forward that notice to the Department of Education. Under these circumstances the lender shall not file a proof of claim with the bankruptcy court.

(e) Claim filing deadlines. To obtain payment of a claim, a lender shall comply with the following deadlines:

(1) Default claims. Unless the lender has already filed suit against the borrower in accordance with Sec. 682.507(f), it shall file a default claim on a loan with the Secretary within 90 days after a default has occurred on the loan. For a claim filed by a lender pursuant to Sec. 682.412(e)(2), as directed in Sec. 682.208(f)(2), the lender shall file a claim within 90 days following transmission of the final demand letter sent pursuant to Sec. 682.411(e) if the borrower failed to comply with the terms of the letter within 30 days of the transmission.

Note: (a)(2) amended June 28, 1994, effective July 1, 1995.

Sec. 682.512 Determination of amount payable on a claim.

(a) Default claims. (1) Amount payable. The amount of loss to be paid on a default claim depends upon the date the Secretary received the application for a guarantee commitment on the loan. If the application was received

(i) Prior to July 1, 1972, or from August 19, 1972 through February 28, 1973, the amount payable on a valid claim is equal to the unpaid balance of the original principal loan amount disbursed; or
(2) Payment of interest. If the guarantee covers unpaid interest, the payment of a valid claim covers the unpaid interest that accrues during the following periods:

(i) During the period before the claim is filed, not to exceed the period provided for in Sec. 682.511(e) for filing the claim.

(ii) During a period not to exceed 30 days following the return of the claim to the lender by the Secretary for additional documentation necessary for the claim to be approved by the Secretary.

(iii) During the period, after the claim is filed, that is required by the Secretary to approve the claim and to authorize payment or to return the claim to the lender for additional documentation.

(3) Recovery of outstanding debts. The Secretary may reduce the amount of loss due to the lender on a claim by the amount the Secretary determines is owed to the Secretary by the lender.

(b) Death, total and permanent disability, or bankruptcy claims. (1) In the case of a death or disability claim, the amount to be paid on a valid claim—

(i) Is equal to the unpaid balance of the original principal loan amount disbursed if the loan was disbursed prior to December 15, 1968; or

(ii) Is calculated in accordance with Sec. 682.402(f)(2) and (f)(3) if the loan was disbursed after December 14, 1968.

(2) In the case of a bankruptcy claim, the amount of loss is calculated in accordance with Sec. 682.402(f)(2) and (f)(3).

(3) For purposes of this section, references to the “guaranty agency” in Sec. 682.402(f)(3) mean the Secretary.

(c) Special rules for a loan acquired by assignment. If a claim is filed by a lender that obtained a loan by assignment, that lender is not entitled to any payment under this section greater than that to which a previous holder would have been entitled. For example, the Secretary deducts from the claim any amounts that are attributable to payments made by the borrower to a prior holder of the loan before the borrower received proper notice of the assignment of the loan.

(iii) The lender shall retain the original or a copy of the loan application.

(b) Reports. A lender shall submit reports to the Secretary at the time and in the manner that the Secretary reasonably may require.

(c) Inspections. Upon request, a lender or its agent shall cooperate with the Secretary, the Department's Office of the Inspector General, and the Comptroller General of the United States, or their authorized representatives, in the conduct of audits, investigations, and program reviews. This cooperation must include—

(1) The school shall employ full-time at least one person whose responsibilities are limited to the administration of financial aid programs for students attending the school;

(2) The school may not be a correspondence school;

(3) The school may not make or originate loans that would be outstanding to or on behalf of more than 50 percent of the undergraduates in attendance at that school on at least a half-time basis unless the Secretary waives this rule pursuant to paragraph (c) of this section;

(4) The school shall inform any undergraduate student who has not previously obtained a loan that was made or originated by the school and who seeks to obtain such a loan that he or she must first make a good faith effort to obtain a loan from a commercial lender;
PART 682--FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(5)(i) The school may not make or originate a loan for an academic period to a student described in paragraph (a)(4) of this section until the student provides the school with evidence under paragraph (b) of this section of denial of a loan by a commercial lender for the same academic period; and

(6) The school's cohort default rate as calculated under Sec. 668.17 may not exceed 15 percent; and

(7) Except for reasonable administrative expenses directly related to the FFEL Program, the school must use payments received under Sec. 682.300 and Sec. 682.302 for need-based grant programs for its students.

(ii) In determining whether a school has complied with the requirement set paragraph (a)(5)(i) of this section, the Secretary may take into consideration any patterns reflected by the letters of denial or the students' sworn statements referred to in paragraph (b) of this section that indicate that the school has not given sufficient counseling to students to seek loans from a commercial lender first. An example of an unacceptable pattern would be if all denials of loans to a school's students were made by a small number of lenders.

(b) Establishing a loan denial by a commercial lender. (1) To verify that a borrower has sought and been denied a loan from a commercial lender pursuant to paragraph (a)(4) of this section, the school shall obtain from the borrower--

(i) A written statement from a commercial lender indicating that the lender denied the borrower a loan for that academic period; or

(ii) The borrower's sworn statement, indicating both the refusal of a loan by a commercial lender and the lender's refusal to provide a written statement of the denial.

(2) If the borrower's statement is used to establish the denial of a loan, the statement must include--

(i) The name and address of the lender that denied the loan;

(ii) The approximate date on which the loan was denied;

(iii) The name and telephone number of the official who communicated the denial to the borrower; and

(iv) The borrower's signature.

(3) If the school determines that the denial of a loan to an eligible borrower by a commercial lender is based upon the lender's refusal to lend more than a part of the amount requested by the borrower, the school may either--

(i) Make or originate a loan to the borrower for the entire amount; or

(ii) Supplement the loan that the commercial lender is willing to make with a second loan to the borrower.

(c) Waiver of the 50 percent lending limit. A school may request the Secretary to waive the 50 percent lending limit described in paragraph (a)(3) of this section if adherence to that limit would create a substantial hardship for the school's present or prospective students. The Secretary determines whether to grant the school a waiver after considering, among other factors--

(1) The extent to which the school provides and expects to continue providing educational opportunities to economically disadvantaged students, as measured by the percentage of those students enrolled at the school who--

(i) Are in families that fall within the "low-income family" category used by the Bureau of the Census;

(ii) Would not be able to enroll or continue their enrollment at that school without Stafford, SLS, or PLUS loans made or originated by the school; and

(iii) Would not be able to obtain a comparable education at another school;

(2) The extent to which the school offers educational programs that--

(i) Are unique in the geographical area the school serves; and

(ii) Would not be available to some students if the school adhered to the 50 percent lending limit; and

(3) The quality of the school's--

(i) Management of student financial assistance programs; and

(ii) Conformance with sound business practices.

Note: OMB control number amended February 19, 1993, effective February 19, 1993. (a)(4) and (a)(5) amended and (a)(6) and (a)(7) added June 28, 1994, effective July 1, 1995.
Sec. 682.603 Certification by a participating school in connection with a loan application.

(a) A school shall certify that the information it provides in connection with a loan application about the borrower and, in the case of a parent borrower, the student for whom the loan is intended, is complete and accurate. Except as provided in 34 CFR part 668, subpart E, a school may rely in good faith upon statements made on the application by the student.

(b) The information to be provided by the school about the borrower making application for the loan pertains to:

(1) The borrower's eligibility for a loan, as determined in accordance with Sec. 682.201 and Sec. 682.401(b) (1) and (2);

(2) The student's estimated cost of attendance for the period for which the loan is sought;

(3) The student's estimated financial assistance for the period for which the loan is sought;

(4) For a Stafford loan, the student's eligibility for interest benefits, based on information provided by the student upon which the school can rely and as determined in accordance with Sec. 682.301; and

(5) The schedule for disbursement of the loan proceeds, which must reflect the delivery of the loan proceeds as set forth in Sec. 682.604(o)(6).

(c) removed and reserved

(d) A school may not certify a Stafford, PLUS, or SLS loan application, or combination of loan applications, for a loan amount that--

(1) The school has reason to know would result in the borrower exceeding the annual or maximum loan amounts in Sec. 682.204; or

(2) Exceeds the student's estimated cost of attendance, less--

(i) The student's estimated financial assistance for that period; and

(ii) In the case of a Stafford loan that is eligible for interest benefits, the borrower's expected family contribution for that period.

(e) A school may refuse to certify a Stafford, SLS, or PLUS loan application or may reduce the borrower's determination of need for the loan if the reason for that action is documented and provided to the student in writing, provided--

(1) The determination is made on a case-by-case basis;

(2) The documentation supporting the determination is retained in the student's file; and

(3) The school does not engage in any pattern or practice that results in a denial of a borrower's access to FFEL loans because of the borrower's race, sex, color, religion, national origin, age, handicapped status, income, or selection of a particular lender or guaranty agency.

(f)(1) The minimum period of enrollment for which a school may certify a loan application is--

(i) At a school that measures academic progress in credit hours and uses a semester, trimester, or quarter system, a single academic term (e.g., a semester or quarter); or

(ii) At a school that measures academic progress in clock hours, or measures academic progress in credit hours but does not use a semester, trimester, or quarter system, the lesser of--

(A) The length of the student's program at the school; or

(B) The academic year as defined by the school in accordance with 34 CFR 668.2, (See paragraphs (b) and (c) of the definition of "Academic year.")

(2) The maximum period for which a school may certify a loan application is generally an academic year, as defined by 34 CFR 668.2, except that a guaranty agency may allow schools to use a longer period of time, not to exceed 12 months, corresponding to the period to which the agency applies the annual loan limits under Sec. 682.401(b)(2)(ii).

(3) In certifying a Stafford or SLS loan amount in accordance with Sec. 682.204--

(i) A program of study must be considered at least one full academic year if--

(A) The number of weeks of instruction time is at least 30 weeks; and

(B) The number of clock hours is at least 900, the number of semester or trimester hours is at least 24, or the number of quarter hours is at least 36.
(ii) A program of study must be considered two-thirds 2/3 of an academic year if--

(A) The number of weeks of instruction is at least 20 weeks; and

(B) The number of clock hours is at least 600, the number of semester or trimester hours is at least 16, or the number of quarter hours is at least 24.

(iii) A program of study must be considered one-third 1/3 of an academic year if--

(A) The number of weeks of instruction time is at least 10 weeks; and

(B) The number of clock hours is at least 300, the number of semester or trimester hours is at least 8, or the number of quarter hours is at least 12.

(4) In prorating a loan amount for a student enrolled in a program of study with less than a full academic year remaining, the school need not recalculate the amount of the loan if the number of hours for which an eligible student is enrolled changes after the school certifies the loan.

(g) A school may not assess the borrower, or the student in the case of a PLUS loan, a fee for the completion or certification of any FFEL Program form or information or for providing any information necessary for a student or parent to receive a loan under part B of the Act or any benefits associated with such a loan.

(requesting loan proceeds. (1) Pursuant to paragraph (b)(5) of the section, a school may not request the disbursement by the lender for loan proceeds earlier than the period specified in Sec. 668.167.

(2) For a borrower who is enrolled in the first year of an undergraduate program of study and who has not previously received a Stafford or SLS loan, a fee for the completion or certification of any FFEL Program form or information or for providing any information necessary for a student or parent to receive a loan under part B of the Act or any benefits associated with such a loan.

(h) Requesting loan proceeds. (1) Pursuant to paragraph (b)(5) of the section, a school may not request the disbursement by the lender for loan proceeds earlier than the period specified in Sec. 668.167.

(2) For a borrower who is enrolled in the first year of an undergraduate program of study and who has not previously received a Stafford or SLS loan, a fee for the completion or certification of any FFEL Program form or information or for providing any information necessary for a student or parent to receive a loan under part B of the Act or any benefits associated with such a loan.

(2)(i) Except as provided in Sec. 682.207(b)(1)(v)(C)(1), the proceeds of a Stafford, SLS or PLUS loan disbursed using electronic transfer of funds must be sent directly to the school by the lender.

(2)(ii) Except in the case of a late disbursement under paragraph (e) of this section or as provided in paragraph (b)(2)(iii) or (iv) of this section, a school may release the proceeds of any disbursement of a loan only to a student whom the school determines, after the school receives those proceeds from the lender, continuously has maintained eligibility in accordance with the provisions of Sec. 682.201, from the beginning of the loan period certified by the school on the student's loan application.

(2)(iii) If, after the proceeds of the first disbursement are transmitted to the student, the student becomes ineligible due solely to the school's loss of eligibility to participate in the Title IV programs, the school may transmit the proceeds of the second or subsequent disbursement to the borrower as permitted by Sec. 668.26.

(iv) If, prior to the transmittal of the proceeds of a disbursement to the student, the student temporarily ceases to be enrolled on at least a half-time basis, the school may transmit the proceeds of that disbursement and any subsequent disbursement to the student if the school subsequently determines and documents in the student's file--

(A) That the student has resumed enrollment on at least a half-time basis;

(B) The student's revised cost of attendance; and
(C) That the student continues to qualify for the entire amount of the loan, notwithstanding any reduction in the student's cost of attendance caused by the student's temporary cessation of enrollment on at least a half-time basis.

(c) Processing of the loan proceeds by the school.

(1) Except as provided in paragraph (c)(3) of this section, if a school receives a borrower's loan proceeds, it shall hold the funds until the student has registered for classes for the period of enrollment for which the loan is intended and then follow the procedures in paragraph (c) (2) of this section.

(2)(i) Except as provided in Sec. 682.207(b)(1)(v)(C)(1), after the student has registered, if the loan proceeds are disbursed by means of a check that requires the endorsement of the student only, the school shall deliver the check to the student, subject to paragraph (d)(2) of this section, within 30 days of the school's receipt of the check.

(ii) If the loan proceeds are disbursed by means of a check that requires the endorsement of both the student and the school, the school shall--

(A) In the case of the initial disbursement on a loan, endorse the check on its own behalf, and, after the student has registered, deliver it to the student subject to paragraph (d)(2) of this section, within 30 days of the school's receipt of the check; or

(B) Obtain the student borrower's endorsement on the check, endorse the check on its own behalf and, after the student has registered, credit the student's account, in accordance with paragraph (d)(1) of this section, and deliver the remaining loan proceeds to the student, as specified in 668.164(e).

(3) If the loan proceeds are disbursed by electronic funds transfer to an account of the school in accordance with Sec. 682.207(b)(1)(ii)(B), or by master check in accordance with Sec. 682.207(b)(1)(ii)(C), the school must, unless authorization was provided in the loan application, not more than 30 days prior to the first day of classes of the period of enrollment for which the loan is intended, obtain the student's, or in the case of a Federal PLUS loan, the parent borrower's written authorization for the release of the initial and any subsequent disbursement of each FFEL loan to be made, and after the student has registered either--

(i) Deliver the proceeds to the student or parent borrower as specified in Sec. 668.164; or

(ii) Credit the student's account in accordance with paragraph (d)(1) of this section and Sec. 668.164, notify the student or parent borrower in writing that it has so credited that account, and deliver to the student or parent borrower the remaining loan proceeds not later than the timeframe specified in 668.164.

(4) A school may not credit a student's account or release the proceeds of a loan to a student who is on a leave of absence, as described in Sec. 668.22(j).

(5) A school may not release the first installment of a Stafford or SLS loan for endorsement to a student who is enrolled in the first year of an undergraduate program of study and who has not previously received a Stafford or SLS loan until 30 days after the first day of the student's program of study.

(6) Notwithstanding any other provision of this section, unless Sec. 682.207(c)(4) or (5) applies--

(i) If a loan period is more than one payment period, the school shall deliver loan proceeds at least once in each payment period; and

(ii) If a loan period is one payment period, the school shall make at least two deliveries of loan proceeds during that payment period. The school may not make the second delivery until the calendar midpoint between the first and last scheduled days of class of the loan period.

(7) If an educational program measures academic progress in credit hours and does not use semesters, trimesters, or quarters, the school may not deliver a second disbursement until the later of--

(i) The calendar midpoint between the first and last scheduled days of class of the loan period; or

(ii) The date, as determined by the school, that the student has completed half of the academic coursework in the loan period.

(8) If an educational program measures academic progress in clock hours, the school may not deliver a second disbursement until the later of--

(i) The calendar midpoint between the first and last scheduled days of class of the loan period; or

(ii) The date, as determined by the school, that the student has completed half of the clock hours in the loan period.

(9) The school must deliver loan proceeds in substantially equal installments, and no installment may exceed one-half of the loan.

(d) Applying the loan proceeds. (1)(i) For purposes of paragraphs (c)(2)(ii)(B) and (c)(3)(ii) of this section, a school may not credit a registered student's account earlier than the period specified in Sec. 668.164.
PART 682--FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(i)(A) The school may credit a registered student's account with only those loan proceeds covering costs specified in Sec. 668.165(b)(2).

(B) The school shall maintain these funds, as provided in Sec. 668.165(b)(4).

(2) For purposes of paragraphs (c)(2)(i), (c)(2)(ii) and (c)(3) of this section, a school may not deliver loan proceeds earlier than the timeframe specified in Sec. 668.164.

(3) If a student does not register for the period of enrollment for which the loan was made, or a registered student withdraws or is expelled prior to the first day of classes of the period of enrollment for which the loan is made, the school shall return the proceeds to the lender no later than the period specified in Sec. 668.167.

(4) If the school is unable for any other reason to document that a registered student attended school during the period of enrollment for which the loan is made, the school must determine the student's withdrawal date as required under Sec. 682.605(b)(1)(ii), and by the deadline described under Sec. 682.605(b)(1)(A) and (B) within 30 days of the period described in Sec. 682.607(c) shall notify the lender of the student's withdrawal, expulsion, or failure to attend school, if applicable, and return to the lender--

(i) Any loan proceeds credited directly by the school to the student's account; and

(ii) The amount of payments made directly by the student to the school, to the extent that they do not exceed the amount of any loan proceeds delivered by the school to the student.

(e) Processing a late disbursement. (1) A school may process a late disbursement received from a lender under Sec. 682.207(d) in accordance with Sec. 668.164(g).

(2) If the total amount of the late disbursement and all prior disbursements is greater than that portion of the borrower's educational charges, the school shall return the balance of the borrower's loan proceeds to the lender with a notice certifying--

(i) The beginning and ending dates of the period during which the borrower was enrolled at the school as an eligible student during the loan period or payment period; and

(ii) The borrower's corrected financial need for the loan for that period of enrollment or payment period.

(f) Initial counseling. (1) Except in the case of a student enrolled in a correspondence program or a study-abroad program approved for credit at the home institution, a school shall conduct initial counseling with each Stafford borrower either in person, by audiovisual presentation or by computer assisted technology. In each case, the school shall conduct this counseling prior to its release of the first disbursement of the proceeds of the first Stafford loan made to the borrower for attendance at the school, unless the borrower has received a prior Stafford, SLS or Direct loan, and shall ensure that an individual with expertise in the title IV programs is reasonably available shortly after the counseling to answer the borrower's questions regarding those programs. In the case of a correspondence school or a student enrolled in a study-abroad program that the school approves for credit, the school shall provide the borrower with written counseling materials by mail prior to releasing those proceeds.

(2) In conducting the initial counseling, the school must--

(i) Emphasize to the borrower the seriousness and importance of the repayment obligation the borrower is assuming;

(ii) Describe in forceful terms the likely consequences of default, including adverse credit reports and litigation; and

(iii) In the case of a borrower of a Stafford or SLS loan (other than a loan made or originated by the school), emphasize that the borrower is obligated to repay the full amount of the loan even if the borrower does not complete the program, is unable to obtain employment upon completion, or is otherwise dissatisfied with or does not receive the educational or other services that the borrower purchased from the school.

(3) Additional matters that the Secretary recommends that a school include in the initial counseling session or materials are set forth in appendix D to 34 CFR part 668.

(g) Exit counseling. (1) A school shall conduct in-person exit counseling with each Stafford and SLS borrower shortly before the borrower ceases at least half-time study at the school, except that--

(i) In the case of a correspondence school, the school shall provide the borrower with written counseling materials by mail within 30 days after the borrower completes the program; and

(ii) If the borrower withdraws from school without the school's prior knowledge or fails to attend an exit counseling session as scheduled, the school shall mail written counseling material to the borrower at the borrower's last known address within 30 days after learning that the borrower has withdrawn from school or failed to attend the scheduled session.

(2) In conducting the exit counseling, the school shall--
(i) Inform the student of the average anticipated monthly repayment amount based on the student's indebtedness or on the average indebtedness of students who have obtained Stafford or SLS loans for attendance at that school or in the borrower's program of study.

(ii) Review for the borrower available repayment options (e.g., loan consolidation, refinancing);

(iii) Suggest to the borrower debt-management strategies that the school determines would best assist repayment by the borrower;

(iv) Include the matters described in paragraph (f)(2) of this section;

(v) Review with the borrower the conditions under which the borrower may defer repayment or obtain partial cancellation of a loan; and

(vi) Require the borrower to provide corrections to the institution's records concerning name, address, social security number, references, and driver's license number, as well as the name and address of the borrower's expected employer that will then be provided within 60 days to the guaranty agency or agencies listed in the borrower's records.

(3) Additional matters that the Secretary recommends that a school include in the exit counseling session or materials are set forth in appendix D to 34 CFR part 668.

(4) The school shall maintain in the student borrower's file documents substantiating the school's compliance with paragraphs (f)-(g) of this section as to that borrower.

(h) Treatment of excess loan proceeds. Except as provided under paragraph (i) of this section, or in the case of a student attending a foreign school, if, before the delivery of any Stafford or SLS loan disbursement, the school learns that the borrower will receive or has received financial aid for the period of enrollment for which the loan was made that exceeds the amount of assistance for which the student is eligible, the school shall reduce or eliminate the overaward by either:

1. Using the student's SLS, PLUS, unsubsidized Stafford, or State-sponsored or private loan to cover the expected family contribution, if not already done;

2. (i) Returning the entire undelivered disbursement to the lender or escrow agent; and

   (ii) Providing the lender with a written statement describing the reason for the return of the funds, if any;

   (B) Setting forth the student's revised financial need;

   (C) Directing the lender to re-disburse a revised amount and, if necessary, revise subsequent disbursements to eliminate the overaward; or

   (3) Returning to the lender only the portion of the disbursement for which the student is ineligible and providing the lender with a written statement explaining the return of the funds.

(i) For purposes of paragraph (h) of this section, funds obtained from any Federal College Work-Study employment that do not exceed the borrower's financial need by more than $300 may not be considered as excess loan proceeds.

Sec. 682.605 Determining the date of a student's withdrawal.

(a) Except in the case of a student who does not return for the next scheduled term following a summer break, which includes any summer term(s) in which classes are offered but students are not generally required to attend, a school shall follow the procedures in 34 CFR 688.22(j) for determining the student's date of withdrawal. In the case of a student who does not return from a summer break, the school must follow the procedures in 34 CFR 668.22(j) except that the school shall determine the student's withdrawal date no later than 30 days after the first day of the next scheduled term.

(b) The school shall use the withdrawal date determined under 34 CFR 668.22(j) for the purpose of reporting to the lender the date that the student has withdrawn from the school.

Note: Section removed and reserved November 29, 1994, effective July 1, 1995.

Sec. 682.607 Payment of a refund to a lender.

(a) General. By applying for a FFEL loan, a borrower authorizes the school to pay directly to the lender that portion of a refund from the school that is allocable to the loan. A school--

(1) Shall pay that portion of the student's refund that is allocable to a FFEL loan to--

(i) The original lender; or

(ii) A subsequent holder, if the loan has been transferred and the school knows the new holder's identity; and

(2) Shall provide simultaneous written notice to the borrower if the school pays a refund to a lender on behalf of that student.

(b) Allocation of refund. In determining the portion of a student's refund for an academic period that is allocable to a FFEL loan received by the borrower for that academic period, the school shall follow the procedures established in 34 CFR part 668 for allocating a refund that is payable.

(c) Timely payment. A school shall pay a refund that is due--

(1) Within 60 days of the date that the student officially withdraws, is expelled, or the institution determines that a student has unofficially withdrawn, as determined in accordance with 34 CFR 668.22(j) and Sec. 682.605.

(2) In the case of a student who does not return to school at the expiration of an approved leave of absence under 34 CFR 668.22(j), within 30 days of the earlier of the date of expiration of the leave of absence or the date the student notifies the institution that the student will not be returning to the institution after the expiration of an approved leave of absence.

Sec. 682.608 Termination of a school's lending eligibility.

(a) General. The Secretary may terminate a school's eligibility to make loans under this part if the school reaches the 15 percent limit on loan defaults described in paragraph (b) of this section.

(b) The 15 percent limit. (1) The Secretary may terminate a school's eligibility to make loans if at the end of each of the 2 most recent consecutive Federal fiscal years for which data are available, the total amount of loans described in paragraph (b)(1)(i) of this section is equal to or greater than 15 percent of the total amount of loans described in paragraph (b)(1)(ii) of this section as follows:

(i) The original principal amount of all loans the school has ever made that went into default during that period.

(ii) The original principal amount of all loans the school has ever made, including loans in deferment status that--

(A) Were in repayment status at the beginning of that period; or

(B) Entered repayment status during that period.

(2) In making the determination under this section, the Secretary considers the status of all FFEL loans made by the school whether the loans are held by the school or by a subsequent holder.

(c) Exception based on hardship. The Secretary does not terminate a school's lending eligibility under paragraphs (a) and (b) of this section if the Secretary determines that the termination would result in a hardship for the school or its students. The Secretary makes this determination if the school shows that--

(1) Termination is not justified in light of recent improvements the school has made in its collection capabilities that will reduce the school's loan default rate significantly within the next year. Examples of those improvements include--

(i) Adopting more efficient collection procedures; or

(ii) Employing increased collection staff; or
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(2) Termination would cause a substantial hardship to the school's current or prospective students or their parents based on--

(i) The extent to which the school provides, and expects to continue to provide educational opportunities to economically disadvantaged students as measured by the percentage of students enrolled at the school who--

(A) Are in families that fall within the "low-income family" category used by the Bureau of the Census;

(B) Would not be able to enroll or continue their enrollment at that school without a loan from the school; and

(C) Would not be able to obtain a comparable education at another school;

(ii) The extent to which the school offers educational programs that--

(A) Are unique in the geographical area that the school serves; and

(B) Would not be available to some students if they or their parents could not obtain loans from the school; and

(iii) The quality of improvements the school has made in its--

(A) Management of student financial assistance programs; and

(B) Conformance with sound business practices.

(d) Termination procedures. (1) The Secretary notifies the school of the proposed termination of its lending eligibility and provides an opportunity for a hearing before the Secretary terminates the school under this section.

(2) The Secretary or his designee begins a termination action by sending a notice to the school. The notice is sent by certified mail with return receipt requested. The notice--

(i) Informs the school of the intent to terminate the school's lending eligibility because of the school's default experience;

(ii) Specifies the proposed date the termination becomes effective; and

(iii) Informs the school that it has 15 days to--

(A) Submit any written material it wants considered in determining whether its lending eligibility should be terminated under paragraphs (a) and (b) of this section, including written material in support of a hardship exception under paragraph (c) of this section; or

(B) Request an oral hearing to show why the school's lending eligibility should not be terminated.

(3) If the school does not request an oral hearing but submits written material, the Secretary or the designated official considers that material and notifies the school as to whether the termination action will be taken.

(4) The Secretary or the designated official (presiding officer) schedules the date and place of a hearing for a school that has requested an oral hearing. The date of the hearing is at least 15 days from the date of receipt of the request. A presiding officer--

(i) Conducts the hearing;

(ii) Considers all written material presented before the hearing and any other material presented during the hearing; and

(iii) Determines if termination of the school's lending eligibility is warranted.

(5) The decision of the designated official is subject to review by the Secretary.

(e) Effects of termination. A school that has its lending eligibility terminated under this section may not--

(1) Make further loans under this part until it has entered into a new guarantee agreement with the Secretary; or

(2) Enter into a new guarantee agreement with the Secretary until at least one year after the school's lending eligibility has been terminated under this section.

(f) Schools under the same ownership. If a school makes loans to students or parents of students in attendance at other schools under the same ownership, the Secretary may make the determination required by this section by--

(1) Treating all of the schools as one school; or

(2) Treating each school on an individual basis.

(Authority: 20 U.S.C. 1077, 1078, 1078-1, 1078-2, 1082, 1085)
benefits contrary to the school's certification, and to make arrangements acceptable to the Secretary for reimbursement of the amounts the Secretary will be obligated to pay to program participants respecting that loan in the future. The repayment of funds and purchase of loans may be required if the Secretary determines that the payment to program participants, the unenforceability of the loan, or the disbursement of loan amounts for which the borrower was ineligible or for which the borrower was ineligible for interest benefits, resulted in whole or in part from—

(1) The school's violation of a Federal statute or regulation; or

(2) The school's negligent or willful false certification.

(b) In requiring a school to repay funds to the Secretary or to another party or to purchase loans from a holder in connection with an audit or program review, the Secretary follows the procedures described in 34 CFR part 668, subpart H.

(c) Notwithstanding paragraph (a) of this section, the Secretary may waive the right to require repayment of funds or repurchase of loans by a school if, in the Secretary's judgment, the best interest of the United States so requires.

(d) The Secretary may impose a fine or take an emergency action against a school or limit, suspend, or terminate a school's participation in the FFEL programs, in accordance with 34 CFR part 668, subpart G.

(e) A school shall comply with any emergency action, limitation, suspension, or termination imposed by a guaranty agency in accordance with the agency's standards and procedures. A school shall repay funds to the Secretary or other party or purchase loans from a holder if a guaranty agency determines that the school improperly received or retained the funds in violation of a Federal law or regulation or a guaranty agency rule or regulation.

(1) The name of the lender;

(6) For loans delivered by electronic funds transfer or master check, a copy of the borrower's written authorization required under Sec. 682.604(c)(3) to deliver the initial and subsequent disbursements of each FFEL program loan.

(c) Student status confirmation reports. A school shall—

(1) Upon receipt of a student status confirmation report form from the Secretary or a similar student status confirmation report form from any guaranty agency, complete and return that report within 30 days of receipt to the Secretary or the guaranty agency, as appropriate; and

(2) Unless it expects to submit its next student status confirmation report to the Secretary or the guaranty agency within the next 60 days, notify the guaranty agency or lender within 30 days—

(i) If it discovers that a Stafford, SLS, or PLUS loan has been made to or on behalf of a student who enrolled at that school, but who has ceased to be enrolled on at least a half-time basis;

(ii) If it discovers that a Stafford, SLS, or PLUS loan has been made to or on behalf of a student who has been accepted for enrollment at that school, but who failed to enroll on at least a half-time basis for the period for which the loan was intended;

(iii) If it discovers that a Stafford, SLS, or PLUS loan has been made to or on behalf of a full-time student who has ceased to be enrolled on a full-time basis; or
(iv) If it discovers that a student who is enrolled and who has received a Stafford or SLS loan has changed his or her permanent address.

Subpart G--Limitation, Suspension, or Termination of Lender or Third-party Servicer Eligibility and Disqualification of Lenders and Schools

Sec. 682.700 Purpose and scope.

(a) This subpart governs the limitation, suspension, or termination by the Secretary of the eligibility of an otherwise eligible lender to participate in the FFEL programs or the eligibility of a third-party servicer to enter into a contract with an eligible lender to administer any aspect of the lender's FFEL programs. The regulations in this subpart apply to a lender or third-party servicer that violates any statutory provision governing the FFEL programs or any regulations, special arrangements, agreements, or limitations entered into under the authority of statutes applicable to Title IV of the HEA prescribed under the FFEL programs. These regulations apply to lenders that participate only in a guaranty agency program, lenders that participate in the FFEL programs, and third-party servicers that administer aspects of a lender's FFEL portfolio. These regulations also govern the Secretary's disqualification of a lender or school from participation in the FFEL programs under section 432(h)(2) and (h)(3) of the Act.

(b) This subpart does not apply--

(1)(i) To a determination that an organization fails to meet the standards in Sec. 682.416;  

(ii) To a determination that an organization fails to meet the standards in Sec. 682.416;  

(iii) To a school's loss of lending eligibility under Sec. 682.608; or  

(iv) To an administrative action by the Department of Education based on any alleged violation of--  

(ii) Title VI of the Civil Rights Act of 1964, which is governed by 34 CFR parts 100 and 101;  

(iii) Section 504 of the Rehabilitation Act of 1973 (relating to discrimination on the basis of handicap), which is governed by 34 CFR part 104; or  

(iv) Title IX of the Education Amendments of 1972 (relating to sex discrimination), which is governed by 34 CFR part 106.

(c) This subpart does not supplant any rights or remedies that the Secretary may have against participating lenders or schools under other authorities.

(Authority: 20 U.S.C. 1080, 1082, 1085, 1094)

Note: (a) and (b)(1) amended April 29, 1994, effective July 1, 1994.

Sec. 682.701 Definitions of terms used in this subpart.

Designated Departmental Official: An official of the Department of Education to whom the Secretary has delegated the responsibility for initiating and pursuing disqualification or limitation, suspension, or termination proceedings.

Disqualification: The removal of a lender's or school's eligibility for an indefinite period of time by the Secretary on review of limitation, suspension, or termination action taken against the lender or school by a guaranty agency.

Limitation: The continuation of a lender's or third-party servicer's eligibility subject to compliance with special conditions established by agreement with the Secretary or a guaranty agency, as applicable, or imposed as the result of a limitation or termination proceeding.
Suspension. The removal of a lender's eligibility, or a third-party servicer's eligibility to contract with a lender or guaranty agency, for a specified period of time or until the lender or servicer fulfills certain requirements.

Termination. (1) The removal of a lender's eligibility for an indefinite period of time—

(i) By a guaranty agency; or

(ii) By the Secretary, based on an action taken by the Secretary, or a designated Departmental official under Sec. 682.706; or

(2) The removal of a third-party servicer's eligibility to contract with a lender or guaranty agency for an indefinite period of time by the Secretary based on an action taken by the Secretary, or a designated Departmental official under Sec. 682.706.

(Authority: 20 U.S.C. 1080, 1082, 1085, 1094)

Note: Section amended April 29, 1994, effective July 1, 1994.

Sec. 682.702 Effect on participation.

(a) Limitation, suspension, or termination proceedings by the Secretary do not affect a lender's responsibilities or rights to benefits and claim payments that are based on the lender's prior participation in the program, except as provided in paragraph (d) of this section and in Sec. 682.709.

(b) A limitation imposes on a lender—

(1) A limit on the number or total amount of loans that a lender may make, purchase, or hold under the FFEL programs;

(2) A limit on the number or total amount of loans a lender may make to, or on behalf of, students at a particular school under the FFEL programs; or

(3) Other reasonable requirements or conditions, including those described in Sec. 682.709.

(2) A limit on the number of loans or accounts or total amount of loans that the servicer is administering under its contract with a lender or guaranty agency; or

(3) Other reasonable requirements or conditions, including those described in Sec. 682.709.

(d) After the date the termination of a lender's eligibility becomes effective, the Secretary does not guarantee new loans made by that lender or pay interest benefits, special allowance, or reinsurance on new loans guaranteed by a guaranty agency after that date. The Secretary may also prohibit the lender from making further disbursements on a loan for which a guarantee commitment has already been issued.

(Authority: 20 U.S.C. 1080, 1082, 1085, 1094)

Note: (c) redesignated as (d), a new paragraph (c) added, and (a) amended April 29, 1994, effective July 1, 1994.

Sec. 682.703 Informal compliance procedure.

(a) The Secretary may use the informal compliance procedure in paragraph (b) of this section if the Secretary receives a complaint or other reliable information indicating that a lender or third-party servicer may be in violation of applicable laws, regulations, special arrangements, agreements, or limitations entered into under the authority of statutes applicable to Title IV of the HEA.

(b) Under the informal compliance procedure, the Secretary gives the lender or servicer a reasonable opportunity to—

(1) Respond to the complaint or information; and

(2) Show that the violation has been corrected or submit an acceptable plan for correcting the violation and preventing its recurrence.

(c) The Secretary does not delay limitation, suspension, or termination procedures during the informal compliance procedure if—

(1) The delay would harm the FFEL programs; or

(2) The informal compliance procedure will not result in correction of the alleged violation.

(Authority: 20 U.S.C. 1080, 1082, 1085, 1094)

Note: (a) and (b) amended April 29, 1994, effective July 1, 1994.

Sec. 682.704 Emergency action.

(a) The Secretary, or a designated Departmental official, may take emergency action to stop the issuance of guarantee commitments by the Secretary and guarantee
agencies and to withhold payment of interest benefits and special allowance to a lender if the Secretary--

(1) Receives reliable information that the lender or a third-party servicer with which the lender contracts is in violation of applicable laws, regulations, special arrangements, agreements, or limitations entered into under the authority of statutes applicable to Title IV of the HEA pertaining to the lender's portfolio of loans;

(2) Determines that immediate action is necessary to prevent the likelihood of substantial losses by the Federal Government, parent borrowers, or students; and

(3) Determines that the likelihood of loss exceeds the importance of following the procedures for limitation, suspension, or termination.

(b) The Secretary begins an emergency action by notifying the lender or third-party servicer, by certified mail, return receipt requested, of the action and the basis for the action.

(c) The action becomes effective on the date the notice is mailed to the lender or third-party servicer.

(d)(1) An emergency action does not exceed 30 days unless a limitation, suspension, or termination proceeding is begun before that time expires.

(2) If a limitation, suspension, or termination proceeding is begun before the expiration of the 30-day period--

(i) The emergency action may be extended until completion of the proceeding, including any appeal to the Secretary; and

(ii) Upon the written request of the lender or third-party servicer, the Secretary may provide the lender or servicer with an opportunity to demonstrate that the emergency action is unwarranted.

(Authority: 20 U.S.C. 1080, 1082, 1085, 1094)

Note: (a)(1), (b), (c), and (d)(2)(ii) amended April 29, 1994, effective July 1, 1994.

Sec. 682.705 Suspension proceedings.

(a) Scope. (1) A suspension by the Secretary removes a lender's eligibility under the FFEL programs or a third-party servicer's ability to enter into contracts with eligible lenders, and the Secretary does not guarantee or reinsure a new loan made by the lender or new loan serviced by the servicer during a period not to exceed 60 days from the date the suspension becomes effective, unless--

(i) The lender or servicer and the Secretary agree to an extension of the suspension period, if the lender or third-party servicer has not requested a hearing; or

(ii) The Secretary begins a limitation or a termination proceeding.

(2) If the Secretary begins a limitation or a termination proceeding before the suspension period ends, the Secretary may extend the suspension period until the completion of that proceeding, including any appeal to the Secretary.

(b) Notice. (1) The Secretary, or a designated Departmental official, begins a suspension proceeding by sending the lender or servicer a notice by certified mail with return receipt requested.

(2) The notice--

(i) Informs the lender or servicer of the Secretary's intent to suspend the lender's or servicer's eligibility for a period not to exceed 60 days;

(ii) Describes the consequences of a suspension;

(iii) Identifies the alleged violations on which the proposed suspension is based;

(iv) States the proposed date the suspension becomes effective, which is at least 20 days after the date of mailing of the notice;

(v) Informs the lender or servicer that the suspension will not take effect on the proposed date, except as provided in paragraph (c)(8) of this section, if the Secretary receives at least five days prior to that date a request for an oral hearing or written material showing why the suspension should not take effect; and

(vi) Asks the lender or servicer to correct voluntarily any alleged violations.

(c) Hearing. (1) If the lender or servicer does not request an oral hearing but submits written material, the Secretary, or a designated Departmental official, considers the material and--

(i) Dismisses the proposed suspension; or

(ii) Determines that the proposed suspension should be implemented and notifies the lender or servicer of the effective date of the suspension.

(2) If the lender or servicer requests an oral hearing within the time specified in paragraph (b)(2)(v) of this section, the Secretary schedules the date and place of the hearing. The date is at least 15 days after receipt of the request from
PART 682--FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

the lender or servicer. No proposed suspension takes effect until a hearing is held.

(3) The oral hearing is conducted by a presiding officer who--

(i) Ensures that a written record of the hearing is made;

(ii) Considers relevant written material presented before the hearing and other relevant evidence presented during the hearing; and

(iii) Issues a decision based on findings of fact and conclusions of law that may suspend the lender's or servicer's eligibility only if the presiding officer is persuaded that the suspension is warranted by the evidence.

(4) The formal rules of evidence do not apply, and no discovery, as provided in the Federal Rules of Civil Procedure, (28 U.S.C. Appendix) is required.

(5) The presiding officer shall base findings of fact only on evidence considered at or before the hearing and matters given official notice.

(6) The initial decision of the presiding officer is mailed to the lender or servicer.

(7) The Secretary automatically reviews the initial decision of the presiding officer. The Secretary notifies the lender or servicer of the Secretary's decision by mail.

(8) A suspension takes effect on either a date that is at least 20 days after the date the notice of a decision imposing the suspension is mailed to the lender or servicer, or on the proposed effective date stated in the notice sent under paragraph (b) of this section, whichever is later.

(Authority: 20 U.S.C. 1080, 1082, 1085, 1094)

Note: Section amended April 29, 1994, effective July 1, 1994.

Sec. 682.706 Limitation or termination proceedings.

(a) Notice. (1) The Secretary, or a designated Departmental official, begins a limitation or termination proceeding, whether a suspension proceeding has begun, by sending the lender or third-party servicer a notice by certified mail with return receipt requested.

(2) The notice--

(i) Informs the lender or servicer of the Secretary's intent to limit or terminate the lender's or servicer's eligibility;

(ii) Describes the consequences of a limitation or termination;

(iii) Identifies the alleged violations on which the proposed limitation or termination is based;

(iv) States the limits which may be imposed, in the case of a limitation proceeding;

(v) States the proposed date the limitation or termination becomes effective, which is at least 20 days after the date of mailing of the notice;

(vi) Informs the lender or servicer that the limitation or termination will not take effect on the proposed date if the Secretary receives, at least five days prior to that date, a request for an oral hearing or written material showing why the limitation or termination should not take effect;

(vii) Asks the lender or servicer to correct voluntarily any alleged violations; and

(viii) Notifies the lender or servicer that the Secretary may collect any amount owed by means of offset against amounts owed to the lender by the Department and other Federal agencies.

(b) Hearing. (1) If the lender or servicer does not request an oral hearing but submits written material, the Secretary, or a designated Departmental official, considers the material and--

(i) Dismisses the proposed limitation or termination; or

(ii) Notifies the lender or servicer of the date the limitation or termination becomes effective.

(2) If the lender or servicer requests a hearing within the time specified in paragraph (a)(2)(vi) of this section, the Secretary schedules the date and place of the hearing. The date is at least 15 days after receipt of the request from the lender or servicer. No proposed limitation or termination takes effect until a hearing is held.

(3) The hearing is conducted by a presiding officer who--

(i) Ensures that a written record of the hearing is made;

(ii) Considers relevant written material presented before the hearing and other relevant evidence presented during the hearing; and
(iii) Issues an initial decision, based on findings of fact and conclusions of law, that may limit or terminate the lender's or servicer's eligibility if the presiding officer is persuaded that the limitation or termination is warranted by the evidence.

(4) The formal rules of evidence do not apply, and no discovery, as provided in the Federal Rules of Civil Procedure (28 U.S.C. appendix), is required.

(5) The presiding officer shall base findings of fact only on evidence presented at or before the hearing and matters given official notice.

(6) If a termination action is brought against a lender or third-party servicer and the presiding officer concludes that a limitation is more appropriate, the presiding officer may issue a decision imposing one or more limitations on a lender or third-party servicer rather than terminating the lender's or servicer's eligibility.

(7) The initial decision of the presiding officer is mailed to the lender or servicer.

(8) Any time schedule specified in this section may be shortened with the approval of the presiding officer and the consent of the lender or servicer and the Secretary or designated Departmental official.

(9) The presiding officer's initial decision automatically becomes the Secretary's final decision 20 days after it is issued and received by both parties unless the lender, servicer, or designated Departmental official appeals the decision to the Secretary within this period.

(c) Notwithstanding the other provisions of this section, if a lender or a lender's owner or officer or third-party servicer or servicer's owner or officer, respectively, is convicted of or pled nolo contendere or guilty to a crime involving the unlawful acquisition, use, or expenditure of FFEL program funds, that conviction or guilty plea is grounds for terminating the lender's or servicer's eligibility, respectively, to participate in the FFEL programs.

(Authority: 20 U.S.C. 1080, 1082, 1085, 1094)

Note: Section amended April 29, 1994, effective July 1, 1994.

Sec. 682.706 Evidence of mailing and receipt dates.

(a) All mailing dates and receipt dates referred to in this subpart must be substantiated by the original receipts from the U.S. Postal Service.

(b) If a lender or third-party servicer refuses to accept a notice mailed under this subpart, the Secretary considers the notice as being received on the date that the lender or servicer refuses to accept the notice.

(Authority: 20 U.S.C. 1080, 1082, 1085, 1094)

Note: (a) and (d) amended April 29, 1994, effective July 1, 1994.

Sec. 682.707 Appeals in a limitation or termination proceeding.

(a) If the lender, third-party servicer, or designated Departmental official appeals the initial decision of the presiding officer in accordance with Sec. 682.706(b)(9)-

(1) An appeal is made to the Secretary by submitting to the Secretary and the opposing party within 15 days of the date of the appealing party's receipt of the presiding officer's decision, a brief or other written material explaining why the decision of the presiding officer should be overturned or modified; and

(2) The opposing party shall submit its brief or other written material to the Secretary and the appealing party within 15 days of its receipt of the brief or written material of the appealing party.

(b) The Secretary issues a final decision affirming, modifying, or reversing the initial decision, including a statement of the reasons for the Secretary's decision.

(c) Any party submitting material to the Secretary shall provide a copy to each party that participates in the hearing.

(d) If the presiding officer's initial decision would limit or terminate the lender's or servicer's eligibility, it does not take effect pending the appeal unless the Secretary determines that a stay of the date it becomes effective would seriously and adversely affect the FFEL programs or student or parent borrowers.

(Authority: 20 U.S.C. 1080, 1082, 1085, 1094)

Note: (a) and (d) amended April 29, 1994, effective July 1, 1994.

Sec. 682.708 Reimbursements, refunds, and offsets.

(a) As part of a limitation or termination proceeding, the Secretary, or a designated Departmental official, may require a lender or third-party servicer to take reasonable corrective action to remedy a violation of applicable laws, regulations, special arrangements, agreements, or limitations entered into under the authority of statutes applicable to Title IV of the HEA.
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(b) The corrective action may include payment to the Secretary or recipients designated by the Secretary of any funds, and any interest thereon, that the lender, or, in the case of a third-party servicer, the servicer or the lender that has a contract with a third-party servicer, improperly received, withheld, disbursed, or caused to be disbursed. A third-party servicer may be held liable up to the amounts specified in Sec. 682.413(a)(2).

(c) If a final decision requires a lender, a lender that has a contract with a third-party servicer, or a third-party servicer to reimburse or make any payment to the Secretary, the Secretary may, without further notice or opportunity for a hearing, proceed to offset or arrange for another Federal agency to offset the amount due against any interest benefits, special allowance, or other payments due to the lender, the lender that has a contract with the third-party servicer, or the third-party servicer. A third-party servicer may be held liable up to the amounts specified in Sec. 682.413(a)(2).

(Authority: 20 U.S.C. 1080, 1082, 1094)

Sec. 682.710 Removal of limitation.

(a) A lender or third-party servicer may request removal of a limitation imposed by the Secretary in accordance with the regulations in this subpart at any time more than 12 months after the date the limitation becomes effective.

(b) The request must be in writing and must show that the lender or servicer has corrected any violations on which the limitation was based.

(c) Within 60 days after receiving the request, the Secretary--

(1) Grants the request;

(2) Denies the request; or

(3) Grants the request subject to other limitations.

(d)(1) If the Secretary denies the request or establishes other limitations, the lender or servicer, upon request, is given an opportunity to show why all limitations should be removed.

(2) A lender or third-party servicer may continue to participate in the FFEL programs, subject to any limitation imposed by the Secretary under paragraph (c)(3) of this section, pending a decision by the Secretary on a request under paragraph (d)(1) of this section.

(Authority: 20 U.S.C. 1080, 1082, 1085, 1094)

Sec. 682.711 Reinstatement after termination.

(a) A lender or third-party servicer whose eligibility has been terminated by the Secretary in accordance with the regulations in this subpart may request reinstatement of its eligibility at any time more than 18 months after the date the termination becomes effective.

(b) The request must be in writing and must show that--

(1) The lender or servicer has corrected any violations on which the termination was based; and

(2) The lender or servicer meets all requirements for eligibility.

(c) A school lender whose eligibility as a participating school has been terminated under 34 CFR part 668 may not be considered for reinstatement as a lender until it is reinstated as a participating school. However, the school may request reinstatement as both a school and a lender at the same time.

(d) Within 60 days after receiving a request for reinstatement, the Secretary--

(1) Grants the request;

(2) Denies the request; or

(3) Grants the request subject to limitations.

(e)(1) If the Secretary denies the lender's or servicer's request or allows reinstatement subject to limitations, the lender or servicer, upon request, is given an opportunity to show why its eligibility should be reinstated and all limitations removed.

(2) A lender or third-party servicer whose eligibility to participate in the FFEL programs is reinstated subject to limitations imposed by the Secretary pursuant to paragraph (d)(3) of this section, may participate in those programs, subject to those limitations, pending a decision by the Secretary on a request under paragraph (e)(1) of this section.

472
Sec. 682.712 Disqualification review of limitation, suspension, and termination actions taken by guarantee agencies against lenders.

(a) The Secretary reviews a limitation, suspension, or termination action taken by a guaranty agency against a lender participating in the FFEL programs to determine if national disqualification is appropriate. Upon completion of the Secretary's review, the Secretary notifies the guaranty agency and the lender of the Secretary's decision by mail.

(b) The Secretary disqualifies a lender from participation in the FFEL programs if--

1. The lender waives review by the Secretary; or

2. The Secretary conducts the review and determines that the limitation, suspension, or termination was imposed in accordance with section 428(b)(1)(U) of the Act.

(c)(1) Disqualification by the Secretary continues until the Secretary is satisfied that--

(i) The lender has corrected the failure that led to the limitation, suspension, or termination; and

(ii) There are reasonable assurances that the lender will comply with the requirements of the FFEL programs in the future.

(2) Revocation of disqualification by the Secretary does not remove any limitation, suspension, or termination imposed by the agency whose action resulted in the disqualification.

(d) A guaranty agency shall refer a limitation, suspension, or termination action that it takes against a lender to the Secretary within 30 days of its final decision to limit, suspend, or terminate the lender's eligibility to participate in the agency's program.

(e) The Secretary reviews an agency's limitation, suspension, or termination of a lender's eligibility only when the guaranty agency's action is final, e.g., the lender is not entitled to any further appeals within the guaranty agency. A subsequent court challenge to an agency's action does not by itself affect the timing of the Secretary's review.

(f) The guaranty agency's notice to the Secretary regarding a termination action must include a certified copy of the administrative record compiled by the agency with regard to the action. The record must include certified copies of the following documents:

1. The guaranty agency's letter initiating the action.

(g) The guaranty agency's referral notice to the Secretary regarding a limitation or suspension action must include--

1. The documents described in paragraph (f) of this section; and

2. Documents describing and substantiating the existence of one or more of the circumstances described in paragraph (j) of this section.

(h)(1) Within 60 days of the Secretary's receipt of a referral notice described in paragraph (f) or (g) of this section, the Secretary makes an initial assessment, based on the agency's record, as to whether the agency's action appears to comply with section 428(b)(1)(U) of the Act.

(2) In the case of a referral notice described in paragraph (g) of this section, the Secretary also determines whether one or more of the circumstances described in paragraph (j) of this section exist.

(3) If the Secretary concludes that the agency's action appears to comply with section 428(b)(1)(U) of the Act and, if applicable, one or more of the circumstances described in paragraph (j) of this section exist, the Secretary notifies the lender that the Secretary will review the guaranty agency's action to determine whether to disqualify the lender from further participation in the FFEL programs and affords the lender an opportunity--

1. To waive the review and be disqualified immediately; or

2. To request a review.
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

CFR part 682, subpart G).

(j) In the case of an action by an agency that limits or suspends a lender's eligibility to participate in the agency's program, the agency shall provide the Secretary with a referral as described in paragraph (g) of this section only if—

(1) The lender has not corrected the violation. A violation is corrected if, among other things, the lender has satisfied fully all liabilities incurred by the lender as a result of the violation, including its liability to the Secretary, or the lender has arranged to satisfy those liabilities in a manner acceptable to the parties to whom the liabilities are owed;

(2) The lender has not provided satisfactory assurances to the agency of future compliance with program requirements; or

(3) The guaranty agency determines that special circumstances warrant disqualification of the lender from the FFEL programs for a significant period, notwithstanding the agency's decision not to terminate the lender's eligibility to participate in the agency's program.

Sec. 682.713 Disqualification review of limitation, suspension, and termination actions taken by guarantee agencies against a school.

(a) The Secretary reviews a limitation, suspension, or termination action taken by a guaranty agency against a school participating in the FFEL programs to determine if national disqualification is appropriate. Upon completion of the Secretary's review, the Secretary notifies the guaranty agency and the school of his decision by mail.

(b) The Secretary disqualifies a school from participation in the FFEL programs if—

(1) The school waives review by the Secretary; or

(2) The Secretary conducts the review and determines that the limitation, suspension, or termination was imposed in accordance with section 428(b)(1)(T) of the Act.

(c)(1) Disqualification by the Secretary continues until the Secretary is satisfied that—

(i) The school has corrected the failure that led to the limitation, suspension, or termination; and

(ii) There are reasonable assurances that the school will comply with the requirements of the FFEL programs in the future.

(2) Revocation of disqualification by the Secretary does not remove any limitation, suspension, or termination imposed by the agency whose action resulted in the disqualification.

(d) A guaranty agency shall refer a limitation, suspension, or termination action that it takes against a school to the Secretary within 30 days of its final decision to limit, suspend, or terminate the school's eligibility to participate in the agency's program.

(e) The Secretary reviews an agency's limitation, suspension, or termination of a school's eligibility only when the guaranty agency's action is final, i.e., the institution is not entitled to any further appeals within the guaranty agency. A subsequent court challenge to an agency's action does not by itself affect the timing of the Secretary's review.

(f) The guaranty agency's notice to the Secretary regarding a termination action must include a certified copy of the administrative record compiled by the agency with regard to the action. The record must include certified copies of the following documents:

(1) The guaranty agency's letter initiating the action.

(2) The school's response.

(3) The transcript of the agency's hearing.

(4) The decision of the agency's hearing officer.

(5) The decision of the agency on appeal from the hearing officer's decision, if any.

(6) The regulations and written procedures of the agency under which the action was taken.

(7) The audit or program review report or documented basis that led to the action.

(8) All other documents relevant to the action.

(g) The guaranty agency's referral notice to the Secretary regarding a limitation or suspension action must include—

(1) The documents described in paragraph (f) of this section; and

(2) Documents describing and substantiating the existence of one or more of the circumstances described in paragraph (j) of this section.
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

(h)(1) Within 60 days of the Secretary's receipt of a referral notice described in paragraph (f) or (g) of this section, the Secretary makes an initial assessment, based on the agency's record, as to whether the agency's action appears to comply with section 428(b)(1)(T) of the Act.

(2) In the case of a referral notice described in paragraph (g) of this section, the Secretary also determines whether one or more of the circumstances described in paragraph (j) of this section exist.

(3) If the Secretary concludes that the agency's action appears to comply with section 428(b)(1)(T) of the Act, and, if applicable, one or more of the circumstances described in paragraph (j) of this section exist, the Secretary notifies the school that the Secretary will review the guaranty agency's action to determine whether to disqualify the school from further participation in the FFEL programs and gives the school an opportunity within 30 days from the date the notice is mailed:

(i) To waive the review and be disqualified immediately; or

(ii) To request a review.

(i) The Secretary's review of the guaranty agency's action is limited to:

(1) A review of the written record of the agency's proceedings; and

(2) Whether the agency action was taken in accordance with procedures that were substantially the same as procedures established by the Secretary in 34 CFR part 668, subpart G.

(j) In the case of an action by an agency that limits or suspends a school's eligibility to participate in the agency's program, the agency shall provide the Secretary with a referral as described in paragraph (g) of this section only if:

(1) The school has not corrected the violation. A violation is corrected if, among other things, the school has fully satisfied all liabilities incurred by the school as a result of the violation, including its liability to the Secretary, or the school has arranged to satisfy those liabilities in a manner acceptable to the parties to whom the liabilities are owed;

(2) The school has not provided assurances satisfactory to the agency of future compliance with program requirements; or

(3) The guaranty agency determines that special circumstances warrant disqualification of the school from the FFEL programs for a significant period, notwithstanding the agency's decision not to terminate the school's eligibility to participate in the agency's program.

Sec. 682.804 Failure to comply with Plan for Doing Business.

(a) If the Secretary finds that an Authority has failed to comply with any requirement of its Plan or of this subpart, the Secretary takes actions necessary to protect the interests of the United States. These actions may include the following:

(1) Withholding payment of special allowances.

(2) Suspending or revoking approval of the Plan.

(3) Determining that loans made or purchased with the proceeds of a tax-exempt obligation by the Authority or any entity acting for the Authority after the date of suspension or revocation are ineligible for payments of special allowances.

(4) Requiring reimbursement from the Authority of special allowances paid on loans made or purchased by the Authority or any entity acting for the Authority.

(b) The Secretary's decision to require repayment of funds by an Authority to withhold payments of special allowance, or to suspend or revoke approval of a Plan does not become final until the Secretary provides the Authority with written notice of the intended action and an opportunity to be heard thereon. However, the Secretary may withhold payments or suspend approval of the Plan prior to giving notice and opportunity to be heard if the Secretary finds that emergency action necessary to prevent substantial harm to Federal interests.

Sec. 682.805 Sanctions for material misrepresentation.

(a) If at any time the Secretary determines that the submission for approval of a tax-exempt obligation or a Plan for Doing Business contains or contained a material misrepresentation, the Secretary may to the extent provided in paragraph (b) of this section--

(1) Require reimbursement from the Authority of special allowance payments to the Authority or to any other party on loans made or purchased with the proceeds of the issue with respect to which the misrepresentation was made; and

(2) Determine to be ineligible for special allowance payments any loans to be made or purchased by the Authority or any entity acting for the Authority with the unexpended proceeds of the issue with respect to which the misrepresentation was made.

(b) If an Authority uses funds from sources other than a tax-exempt obligation to retire an issue with respect to which the Secretary has determined that a material misrepresentation was made, the Secretary takes the adverse actions described in paragraph (a) of this section only with regard to those special allowance payments which accrued
earlier than ninety days before that issue was retired.

(c) The Secretary's decision to require repayment of funds by an Authority, to withhold payments of special allowance, or to take any of the actions in Sec. 682.804 does not become final until the Secretary provides the Authority with written notice of the intended action and an opportunity to be heard thereon. However, the Secretary may withhold payments or suspend approval of the Plan prior to giving notice and opportunity to be heard if the Secretary finds such emergency action necessary to prevent substantial harm to Federal interests.

(d) Once final, the Secretary's decision to require repayment of funds or to take other remedial action against an Authority under this section is conclusive and binding on the Authority.

Appendix C--Procedures for Curing Violations of the Due Diligence in Collection and Timely Filing of Claims Requirements Applicable to FISLP and Federal PLUS Program Loans and for Repayment of Interest and Special Allowance Overbillings [Bulletin L-77a]

Note: The following is a reprint of Bulletin L-77a, issued on January 7, 1983, with minor modifications made to reflect changes in the program regulations since that date. All references to "the date of this bulletin" refer to that date. All references made to the Federal Insured Student Loan Program (FISLP) shall be understood to include the Federal PLUS Program. The bulletin includes references to the 120- and 180-day default periods that used to apply to FISLP and PLUS Program loans. Public Law 99-272 established new default periods of 180 and 240 days (as set out in 34 CFR 682.200 of these regulations) for all new loans and many existing ones. Although the discussion in this Appendix C refers to the 120- and 180-day default periods, it is equally applicable to the new 180- and 240-day default periods.

Introduction

This bulletin prescribes procedures for lenders to use (1) to cure violations of the requirements for due diligence in collection ("due diligence") and timely filing of claims under the Federal Insured Student Loan Program (FISLP), and (2) to repay interest and special allowance overbillings made on loans evidencing such violations. See 34 CFR 682.507, 682.511.1 These procedures allow for the reinstatement of a lender's eligibility for interest and special allowance and claim payments on loans evidencing such violations, under specified circumstances. These procedures apply to loans for which the first day of the 120-day or 180-day default period occurred on or after October 21, 1979 (the effective date of the September 17, 1979 regulations), whether or not the loans have previously been submitted as claims to the Secretary.

The due diligence and timely filing requirements governing the FISLP were established in response to requests from some lenders for more detailed regulatory guidance on the proper handling of FISLP loans. Despite the promulgation of these provisions, a number of lenders have failed to exercise the requisite care in their treatment of these loans, thereby increasing the risk of default thereon and, in many cases, prejudicing the Secretary's ability to collect from the borrowers. At the time the current due diligence and timely filing rules were issued, the Secretary anticipated that violations of these rules would be so infrequent as to permit requests for cures to be handled individually. However, the unexpectedly high incidence of violations of these rules has made continued case-by-case treatment of all cure requests administratively unmanageable. After carefully considering the views of lenders and other program participants, the Secretary has decided to exercise his authority under 20 U.S.C. 1082(a)(5), (6), and institute uniform procedures by which lenders with loans involving violations of the due diligence or timely filing requirements may cure these violations.

Due Diligence

Collection activity is required to begin immediately upon delinquency by the borrower in honoring the repayment obligation. This holds true whether or not the borrower received a repayment schedule or signed a repayment agreement. Under 34 CFR 682.200, default on a FISLP loan occurs when a borrower fails to make a payment when due, provided this failure persists for 120 days for loans payable in monthly installments or for 180 days for loans payable in less frequent installments. If, however, the lender has added the optional provision to the promissory note requiring the borrower to execute a repayment agreement not later than 120 days prior to the expiration of the grace period, the loan entered repayment prior to September 4, 1985 (see 50 FR 35970), the lender sends the agreement to the borrower 150 days or more before the end of the grace period, and the agreement is not executed before the end of the grace period, default occurs at that time. One exception to this rule is as follows: If the holder of the loan is not the lender that made the loan, the holder may choose to forego enforcement of the optional 120-day provision in the note.

The 120/180 day default period applies regardless of whether payments were missed consecutively or intermittently. For example, if the borrower, on a loan payable in monthly installments, makes his January 1st payment on time, his February 1st payment two months late (April 1st), his March 1st payment three months late (June 1st), and makes no further payments, the default period begins on February 1st, with the first delinquency, and ends on August 1st, when the April 1st payment becomes 120 days past due. The lender must treat the payment made on April 1st as the February 1st payment, since the February 1st payment had not been made prior to that time. Similarly, the lender must treat the payment made on June 1st as the March 1st payment, since the March payment had not been made prior to that time.

Note: Lenders are strongly encouraged to exercise forbearance, prior to default, for the benefit of borrowers who have missed payments intermittently but have otherwise indicated willingness to repay their loans. See 34 CFR 682.211. The forbearance process helps to reduce the incidence of default, and serves to emphasize for the borrower the importance of compliance with the repayment obligation.
Timely Filing

The 90-day filing period applicable to FISLP default claims is set forth in 34 CFR 682.511(e) (1) and (3). The 90-day filing period begins at the end of the 120/180 day default period. The lender must file a default claim on a loan in default by the end of the filing period, unless the borrower brings the account current before the end of the filing period. In such a case, the lender may choose not to file a claim on the loan at that time.

In addition, for any loan less than 210 days delinquent on the date of this bulletin, the lender need not file a claim on that loan before the 210th day of delinquency (120-day default period plus 90-day filing period) if the borrower brings the account less than 120 days delinquent before such 210th day. Thus, in the above example, if the borrower makes the April 1st payment on August 2nd, the 90-day filing period continues to run from August 1st, unless the loan was less than 210 days delinquent on the date of this bulletin. If the loan was less than 210 days delinquent on the date of this bulletin, then the August 2nd payment makes the loan 91 days delinquent, and the lender may, but need not file a default claim on the loan at that time. If, however, that loan again becomes 120 days delinquent, the lender must file a default claim within 90 days thereafter (unless the loan is again brought to less than 120 days delinquent prior to the end of that 90 day period). In other words, for any loan less than 210 days delinquent on the date of this bulletin, the Secretary will permit a lender to treat payments made during the filing period as "curing" the default if such payments are sufficient to make the loan less than 120 days delinquent.

If a lender fails to comply with either the due diligence or timely filing requirements, the affected loan ceases to be insured; that is, the lender loses its right to receive interest benefits, special allowance and claim payments thereon. Some examples of violations of the due diligence requirements are set out in section I.C. below.

I. Cure Procedures

A. Definitions

The following definitions apply to terms used throughout Section I of this bulletin.

Full payment means payment by the borrower, or another person (other than the lender) on the borrower's behalf, in an amount at least as great as the monthly payment amount required under the existing terms of the loan, exclusive of any forbearance agreement in force at the time of the default. (For example, if the original repayment schedule or agreement called for payments of $30 per month, but a forbearance agreement was in effect at the time of default that allowed the borrower to pay $15 per month for a specified time, and the borrower defaulted in making the reduced payments, a "full payment" would be $30, or two $15 payments in accordance with original repayment schedule or agreement.)

Reinstatement with respect to insurance coverage means the reinstatement of the lender's right to receive default, death, disability, or bankruptcy claim payments for the unpaid principal balance of the loan and for unpaid interest accruing on the loan after the date of reinstatement. Upon reinstatement of insurance, the borrower regains the right to receive forbearance or deferments, as appropriate. For purposes of this bulletin, "reinstatement" with respect to insurance on a loan does not include reinstatement of the lender's right to receive interest and special allowance payments on that loan. Reinstatement of the lender's right to receive interest and special allowance payments is addressed in section I.B.1, below.

B. General

1. Resumption of Interest and Special Allowance Billing on Loans Involving Due Diligence or Timely Filing Violations. For any loan on which a cure is attempted under this bulletin, the lender may resume billing for interest and special allowance on the loan only for periods following the earlier of (1) its receipt of the equivalent of three full payments thereon, after the date of this bulletin or the date of the violation, whichever is later, or (2) receipt by the borrower of an authorized deferment, after reinstatement of insurance coverage.

2. Reservation of the Secretary's Right to Strict Enforcement. While this bulletin allows cures to be attempted for particular violations in specified ways, the Secretary retains the option of refusing to permit or recognize cures in cases where, in the Secretary's judgment, a lender has committed an excessive number of severe violations of the due diligence or timely filing rules, and in cases where the best interests of the program otherwise require strict enforcement of these requirements. More generally, this bulletin states the Secretary's general policy and is not intended to limit in any way the authority and discretion afforded the Secretary by statute or regulations.

3. Applicability of the Cure Procedures to Particular Classes of Loans. The cure procedures outlined in this bulletin apply only to a loan for which the first day of the 120/180 day default period that ended with default by the borrower occurred on or after October 21, 1979, and which involve violations only of the due diligence and/or timely filing requirements.

The cure procedures applicable to loans involving due diligence violations also apply to loans involving violations of both the timely filing and due diligence requirements.

4. Excusal of Certain Due Diligence Violations. A lender whose claim was previously denied solely for violation of the timely filing rule, and who is permitted to cure that violation under the procedures set out in this bulletin, will not
be required to utilize the procedures for curing due diligence violations, or to repay interest and special allowance improperly received from the Secretary as a result of a due diligence violation for periods prior to the timely filing violation. This applies even if, upon submission of the "cured" claim, the Secretary discovers that evidence of due diligence violations appeared in the file of the previously rejected claim.

The Secretary will also excuse a due diligence violation by a lender if the account was brought current by the borrower (or another, other than the lender, on the borrower's behalf) prior to the 120th/180th day of the delinquency period during which the violation occurred.

5. Treatment of Accrued Interest on "Cured" Claims—e. Due Diligence Violations. For any default claim involving "cured" violations of the due diligence rules, the Secretary will not reimburse the lender for any unpaid interest accruing after the first day of the 120/180 day period that culminated in default, and prior to the date of reinstatement of insurance coverage.

For any loan involving "cured" due diligence violations, the lender may capitalize unpaid interest accruing on the loan from the commencement of the 120/180 day default period to the date of the reinstatement of insurance coverage. See sections I.C. and D. below. However, if the lender later files a claim on that loan, the lender must deduct this capitalized interest from the amount of the claim. This deduction must be reflected in column 15 on the ED Form 1207, Lender's Application for Insurance Claim on Federal Insured Student Loan, filed with the claim evidencing the cure.

b. Timely Filing Violations. For any default claim involving "cured" violations of the timely filing rules, the Secretary will not reimburse the lender for unpaid interest accruing after the end of the 120/180 day default period that culminated in default, and prior to the date of reinstatement of insurance coverage.

For any default claim involving a "cured" timely filing violation, if insurance coverage is later reinstated, the lender may capitalize unpaid interest accruing on the loan from the commencement of the original 120/180 day default period to the date of the reinstatement of insurance coverage. See sections I.C. and D. below. However, if the lender later files a claim on that loan, the lender must deduct this capitalized interest from the amount of the claim, except that the lender need not deduct from the claim unpaid interest that accrued on the loan during the original 120/180 day default period. This deduction must be reflected in Column 15 of the ED Form 1207, Lender's Application for Insurance Claim on Federal Insured Student Loan, filed with the claim evidencing the cure.

Some timely filing cures will not reinstate insurance coverage. For treatment of accrued interest in such cases, see Section I.D.1.c.

6. Documents to be Submitted with "Cured" Claims. The Secretary requests that any lender submitting a claim on a loan involving "cured" violations identify the claim as such with a note in the claim file stapled to the new ED Form 1207.

For all "cured" claims, the lender must submit:

- For loans on which a claim was previously rejected, all documents sent by the regional office with the original claim (when the claim was rejected and returned to the lender), including without limitation, the original ED Form 1207 and all documents showing the reason(s) for the original rejection;

- All documents ordinarily required in connection with the submission of a default claim, including, without limitation, the promissory note, which must bear a valid assignment to the United States of America;

- A new ED Form 1207; and

- All documents showing that the lender has complied with the applicable cure procedures and requirements.

C. Cures for Violations of the Due Diligence in Collection Requirements (34 CFR 682.507)

A violation of the due diligence in collection rules occurs when a lender fails to meet requirements found in 34 CFR 682.507. For example, a violation occurs if the lender fails to:

- Remind the borrower of the date a missed payment was due within 15 days of delinquency;

- Attempt to contact the borrower and any endorser at least 3 times at regular intervals during the rest of the 120/180 day default period;

- Request preclaims assistance from the Department of Education;

- Request skip-tracing assistance from the Secretary, if required, or

- Send a final demand letter to the borrower exercising the option to accelerate the due date for the outstanding balance of the loan, unless the lender does not know the borrower's address as of the 90th day of delinquency.

1. Reinstatement of Insurance Coverage. In the case of a due diligence violation, the lender may utilize either of the two procedures described below for obtaining reinstatement of insurance coverage on the loan. After the date of this bulletin, or after the date of the violation, whichever
PART 682--FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

is later:

(a) The lender obtains a new repayment agreement signed by the borrower which complies with the ten and fifteen year repayment limitations set out in 34 CFR 682.209(a)(7); or

(b) The lender obtains 3 full payments. If the borrower later defaults, the lender must submit evidence of these payments (e.g., copies of the checks) with the claim.

2. Borrower's Deemed Current As of Date of Cure. On the date the lender receives a signed copy of the new repayment agreement, or receives the third (curing) payment, insurance coverage on the loan is reinstated, and the borrower shall be deemed by the lender to be current in repaying the loan and entitled to all rights and benefits available to FISLP borrowers. If the borrower later becomes delinquent in repayment, the lender shall follow the collection procedures set out in 34 CFR 682.507, and the timely filing requirements set out in 34 CFR 682.511.

D. Cures for Violations of the Timely Filing Requirements (34 CFR 682.511)

1. Default Claims—Reinstatement of Insurance Coverage. In order to obtain reinstatement of insurance coverage on a loan in the case of a timely filing violation, the lender must first locate the borrower after the date of this bulletin, or after the date of the violation, whichever is later (see section I.D.1.d. for description of acceptable evidence of location). Then, the lender must send to the borrower, at the address at which the borrower was located, (i) a new repayment agreement, to be signed by the borrower, which complies with the ten and fifteen year repayment limitations set out in 34 CFR 682.209(a)(7), along with (ii) a collection letter indicating in strong terms the seriousness of the borrower's delinquency and its potential effect on his or her credit rating if repayment is not commenced or resumed.

If, within 30 days after the lender sends these items, the borrower fails to make a full payment or to sign and return the new repayment agreement, the lender shall, within 5 working days thereafter, send the borrower a copy of the attached “48 hour” collection letter, on the lender’s letterhead. (See attachment A.)

b. Borrower Deemed Current Under Certain Circumstances. If, within 45 days after the lender sends the new repayment agreement to the borrower for signature, the borrower makes a full payment or signs and returns the new repayment agreement, insurance coverage on the loan is reinstated. The borrower shall be deemed by the lender to be current in repaying the loan and entitled to all rights and benefits available to FISLP borrowers. If the borrower later becomes delinquent in repayment, the lender shall follow the collection steps in 34 CFR 682.507 and the timely filing requirements in 34 CFR 682.511.

c. Borrower Deemed in Default Under Certain Circumstances. If the borrower does not make a full payment, or sign and return the new repayment agreement, within 45 days after the lender sends the new repayment agreement, the lender shall deem the borrower to be in default. The lender shall then file a default claim on the loan accompanied by acceptable evidence of location (see I.D.1.d below), within 30 days after the end of such 45-day period. Although insurance coverage is not reinstated on loans involving these circumstances, the Secretary will honor default claims submitted in accordance with this paragraph on the outstanding principal balance of such loans, and on unpaid interest accruing on the loan during the 120/180 day default period.

d. Acceptable Evidence of Location. Only the following documentation is acceptable as evidence that the lender has located the borrower:

(i) Postal receipt signed by the borrower not more than 25 days prior to the date on which the lender sent the new repayment agreement, indicating acceptance of correspondence from the lender by the borrower at the address shown on the receipt; or

(ii) A completed “Certification of Borrower Location” form (Attachment B).

2. Death, Disability, and Bankruptcy Claims. Lenders may immediately resubmit any death or disability claim which was rejected solely for failure to meet the 60 day timely filing requirements (see 34 CFR 685.511(e)(2)). However, the Secretary will not pay any such claim if, before the date the lender determined that the borrower died or was totally and permanently disabled, the lender had violated the due diligence or timely filing requirements applicable to default claims with respect to that loan. Interest that accrued on the loan after the expiration of the 60-day filing period remains uninsured by the Secretary, and the lender must repay all interest and special allowance received on the loan for periods after the expiration of the 60-day filing period.

The Secretary has determined that, in the vast majority of cases, the failure of a lender to comply with the timely filing requirement applicable to bankruptcy claims causes irreparable harm to the Secretary's ability to contest the discharge of the loan by the court, or to otherwise collect from the borrower. Therefore, the Secretary has decided not to permit cures for violations of the timely filing requirement applicable to bankruptcy claims, except when the lender can demonstrate that the bankruptcy action has concluded and that the loan has not been discharged in bankruptcy. In that case, the lender shall treat the loan as in default. The Secretary will honor a default claim later filed on such a loan only if the lender has met the cure requirements in section I.C. above for due diligence violations.

II. Repayment of Interest and Special Allowance on

13-145
Loans Evidencing Violations of the Due Diligence or Timely Filing Requirements

A. General Rule

It has always been the Secretary's interpretation of the FISLP statute and regulations that a lender's right to receive interest and special allowance payments on a FISLP loan terminates immediately following the lender's violation of the due diligence or timely filing requirements. This applies whether or not the lender has filed a claim on the loan. In other words, lenders may receive interest and special allowance only on loans which are insured by the Secretary. Since these violations result in the termination of insurance, they also result in the termination of FISLP benefits.

B. Cessation of Billing on Loans Evidencing Violations of the Due Diligence or Timely Filing Requirements

Any lender currently billing the Secretary for interest and special allowance payments on a loan that the lender knows involves a due diligence or timely filing violation must cease doing so immediately. However, lenders are not required at this time to review their loan portfolios for due diligence and timely filing violations.

C. Determination of Amounts of Interest and Special Allowance That Must Be Repaid

1. Due Diligence Violations. In the case of due diligence violations, it is often difficult to ascertain the precise date on which a violation occurred. For the administrative ease of the Secretary and lenders, the Secretary has decided to waive his right to recoup interest and special allowance payments made to a lender for periods between the date of a due diligence violation and the end of the 120/180 day default period. However, any lender that has received interest or special allowance payments from the Secretary for periods after the end of the 120/180 day default period on a loan that the lender knows involves a due diligence violation must promptly repay those amounts.

2. Timely Filing Violations. In the case of timely filing violations, the lender loses its right to receive interest and special allowance payments as of the expiration of the applicable timely filing period. Therefore, any lender that has received interest or special allowance payments from the Secretary for periods following the end of the applicable timely filing period on a loan that the lender knows involves a timely filing violation must repay those amounts.

3. Situations in Which a Lender May Have Received Interest Benefits for Periods During Which a Loan Was Uninsured. Because most due diligence violations, and timely filing violations, occur after termination of the grace period, interest payments are ordinarily not affected by such violations. However, there are three types of situations in which a lender may have received interest payments from the Secretary to which it was not entitled due to a due diligence or timely filing violation.

a. Promissory notes that include a requirement that the borrower sign a repayment agreement no later than 120 days prior to the expiration of the grace period. In such cases, a due diligence violation may occur during the grace period, when the lender may otherwise have been eligible to receive interest benefits. However, the lender need not repay that interest to the Secretary. See II.C.1. above.

b. Deferment Periods. A due diligence violation may occur prior to a deferment period when the lender would otherwise have been eligible to receive interest benefits.

c. Loans Made Prior to December 15, 1968. A loan disbursed prior to December 15, 1968, and which qualified for payment of Federal interest benefits at the time the loan was disbursed, qualifies for payment of a 3 percent interest subsidy on the unpaid principal balance for periods during the entire repayment period, provided the loan remains insured. In the case of such a loan, a due diligence or timely filing violation terminates the lender's eligibility for the 3 percent payments.

D. Procedures for Repayment of Federal Interest Benefits and Special Allowance Received by a Lender for Periods During Which a Loan Was Uninsured

A lender must make the repayments of interest and/or special allowance discussed in II.C. above, by way of an adjustment during the two quarters immediately following the discovery of the violation. These adjustments must be reported on the normal Lender's Interest and Special Allowance Request and Report (ED Form 799). Lenders are requested not to send a check with the adjustment; the overpaid amount will be deducted by the Secretary from the lender's next regular interest and special allowance payment. For five years after any loan for which an adjustment is made is repaid in full, the lender shall retain a record of the basis for the adjustment showing the amount(s) of the overbilling(s), and the date it used for cessation of interest or special allowance eligibility in calculating the overbilled amount. See 34 CFR 682.515(a)(2).

Appendix D—Policy for Waiving the Secretary's Right To Recover or Refuse To Pay, Interest Benefits, Special Allowance, and Reinsurance on Stafford, PLUS, Supplemental Loans for Students, and Consolidation Program Loans Involving Lenders' Violations of Federal Regulations Pertaining to Due Diligence in Collection or Timely Filing of Claims [Bulletin 88-G-138]

Note: The following is a reprint of Bulletin 88-G-138, issued on March 11, 1988, with modifications made to reflect changes in the program regulations. For a loan that has lost reinsurance prior to December 1, 1992, this policy applies only through November 30, 1995. For a loan that loses reinsurance on or after December 1, 1992, this policy applies until three years after the default claim filing deadline.

Introduction

This letter sets forth the circumstances under which the Secretary, pursuant to sections Sec. 432(a)(5) and (6) of the Higher Education Act of 1965 and 34 CFR 682.406(b) and 682.413(f), will waive certain of his rights and claims with respect to Stafford Loans, PLUS, Supplemental Loans for Students (SLS), and Consolidation Program loans made under a guaranty agency program that involve violations of Federal regulations pertaining to due diligence in collection or timely filing. (These programs are collectively referred to in this letter as the FFEL Programs.) This policy applies to due diligence violations on loans for which the first day of delinquency occurred on or after March 10, 1987 (the effective date of the November 10, 1986 due diligence regulations) and to timely filing violations occurring on or after December 26, 1986, whether or not the affected loans have been submitted as claims to the guaranty agency.

The Secretary has been implementing a variety of regulatory and administrative actions to minimize defaults in the FFEL Programs. As a part of this effort, the Secretary published final regulations on November 10, 1986 requiring lenders and guaranty agencies to undertake specific due diligence activities to collect delinquent and defaulted loans, and establishing deadlines for the filing of claims by lenders with guaranty agencies. In recognition of the time required for agencies and lenders to modify their internal procedures, the Secretary delayed for four months the date by which lenders were required to comply with the new due diligence requirements. Thus, Sec. 682.411 of the regulations, which established minimum due diligence procedures that a lender must follow in order for a guaranty agency to receive reinsurance on a loan, became effective for loans for which the first day of delinquency occurred on or after March 10, 1987. The regulations make clear that compliance with these minimum requirements, and with the new timely filing deadlines, is a condition for an agency's receiving or retaining

13-147
reinsurance payments made by the Secretary on a loan. See 34 CFR 682.406(a)(3), (a)(5), and 682.413(b). The regulations also specify that a lender must comply with Sec. 682.411 and with the applicable filing deadline, as a condition for its right to receive or retain interest benefits and special allowance on a loan for certain periods. See 34 CFR 682.300(b)(2)(vi), 682.413(a)(1).

The Department has received inquiries regarding the procedures by which a lender may "cure" a violation of Sec. 682.411 regarding diligent loan collection, or of the 90-day deadline for the filing of default claims found in Sec. 682.406(a)(3) and (a)(5), in order to reinstate the agency's right to reinsurance, and the lender's right to interest benefits and special allowance. Preliminarily, please note that, absent an exercise of the Secretary's waiver authority, a guaranty agency may not receive or retain reinsurance payments on a loan on which the lender has violated the Federal due diligence or timely filing requirements, even if the lender has followed a cure procedure established by the agency. Under Sec. 682.406(b) and 682.413(f), the Secretary—not the guaranty agency—decides whether to reinstate reinsurance coverage on a loan involving such a violation, or any other violation of Federal regulations. A lender's violation of a guaranty agency's requirement that affects the agency's guarantee coverage also affects reinsurance coverage. See 682.406(a)(7); and 682.413(b). As 682.406(a)(7) and 682.413(b) make clear, a guaranty agency's cure procedures are relevant to reinsurance coverage only insofar as they allow for cure of violations of requirements established by the agency affecting the loan insurance it provides to lenders. In addition, all such requirements must be submitted to the Secretary for review and approval, under 34 CFR 682.401(d).

References throughout this letter to "due diligence and timely filing" rules, requirements, and violations should be understood to mean only the Federal rules cited above, unless the context clearly requires otherwise.

A. Scope

This letter outlines the Secretary's waiver policy regarding certain violations of Federal due diligence or timely filing requirements on a loan insured by a guaranty agency. Unless your agency receives notification to the contrary, or the lender's violation involves fraud or other intentional misconduct, you may treat as reinsured any otherwise reinsured loan involving such a violation that has been cured in accordance with this letter.

B. Duty of a Guaranty Agency to Enforce Its Standards

As noted above, a lender's violation of a guaranty agency's requirement that affects the agency's guarantee coverage also affects reinsurance coverage. Thus, as a general rule, an agency that fails to enforce such a requirement and pays a default claim involving a violation is not eligible to receive reinsurance on the underlying loan. However, in light of the waiver policy outlined below, which provides more stringent cure procedures for violations occurring on or after May 1, 1988 than for pre-May 1, 1988 violations, some guarantee agencies with more stringent policies than the policy outlined below for the pre-May 1 violations have indicated that they wish to relax their own policies for violations of agency rules during that period. While the Secretary does not encourage any agency to do so, the Secretary will permit an agency to take either of the following approaches to its enforcement of its own due diligence and timely filing rules for violations occurring before May 1, 1988.

1. The agency may continue to enforce its rules, even if they result in the denial of guarantee coverage by the agency on otherwise reinsurable loans; or

2. The agency may decline to enforce its rules as to any loan that would be reinsured under the retrospective waiver policy outlined below. In other words, for violations of a guaranty agency's due diligence and timely filing rules occurring before May 1, 1988, a guaranty agency is authorized, but not required, to retroactively revise its own due diligence and timely filing standards to treat as guaranteed any loan amount that is reinsured under the retrospective enforcement policy outlined in section I.C.1., below. However, for any violation of an agency's due diligence or timely filing rules occurring on or after May 1, 1988, the agency must resume enforcing those rules in accordance with their terms, in order to receive reinsurance payments on the underlying loan. For these post-April 30 violations, and for any other violation of an agency's rule affecting its guarantee coverage, the Secretary will treat as reinsured all loans on which the agency has engaged in, and documented, a case-by-case exercise of reasonable discretion allowing for guarantee coverage to be continued or reinstated notwithstanding the violation. But any agency that otherwise fails, or refuses, to enforce such a rule does so without the benefit of reinsurance coverage on the affected loans, and the lenders continue to be ineligible for interest benefits and special allowance thereon.

C. Due Diligence

Under 34 CFR 682.200, default on a FFEL Program loan occurs when a borrower fails to make a payment when due, provided this failure persists for 180 days for loans payable in monthly installments, or for 240 days for loans payable in less frequent installments. The 180/240-day default period applies regardless of whether payments were missed consecutively or intermittently. For example, if the borrower, on a loan payable in monthly installments, makes his January 1st payment on time, his February 1st payment two months late (April 1st), his March 1st payment three months late (June 1st), and makes no further payments, the delinquency period begins on February 2nd, with the first delinquency, and default occurs on September 29th, when the April payment becomes 180 days past due. The lender must treat the payment made on April 1st as the February 1st payment, since the February
PART 682--FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

1st payment had not been made prior to that time. Similarly, the lender must treat the payment made on June 1st as the March 1st payment, since the March payment had not been made prior to that time.

Note: Lenders are strongly encouraged to exercise forbearance, prior to default, for the benefit of borrowers who have missed payments intermittently but have otherwise indicated willingness to repay their loans. See 34 CFR 682.211. The forbearance process helps to reduce the incidence of default, and serves to emphasize for the borrower the importance of compliance with the repayment obligation.

D. Timely Filing

The 90-day filing period applicable to FFEL Program default claims is set forth in 34 CFR 682.406(a)(5). The 90-day filing period begins at the end of the 180/240-day default period. The lender ordinarily must file a default claim on a loan in default by the end of the filing period. However, the lender may, but need not, file a claim on that loan before the 270th day of delinquency (180-day default period plus 90-day filing period) if the borrower brings the account less than 180 days delinquent before such 270th day. Thus, in the above example, if the borrower makes the April 1st payment on September 30th, that payment makes the loan 151 days delinquent, and the lender may, but need not, file a default claim on the loan at that time. If, however, the loan again becomes 180 days delinquent, the lender must file a default claim within 90 days thereafter (unless the loan is again brought to less than 180 days delinquent prior to the end of that 90-day period). In other words, the Secretary will permit a lender to treat payments made during the filing period as curing the default if such payments are sufficient to make the loan less than 180 days delinquent.

Section I of this letter outlines the Secretary's waiver policy for due diligence and timely filing violations. As noted above, to the extent that it results in the imposition of a lesser sanction than that available to the Secretary by statute or regulation, this policy reflects the exercise of the Secretary's authority to waive the Secretary's rights and claims in this area. Section II discusses the issue of the due date of the first payment on a loan, and the application of the waiver policy to that issue. Section III provides guidance on several issues related to due diligence and timely filing as to which clarification has been requested by some program participants.

I. Waiver Policy

A. Definitions

The following definitions apply to terms used throughout this letter.

Full payment means payment by the borrower, or another person (other than the lender) on the borrower's behalf, in an amount at least as great as the monthly payment amount required under the existing terms of the loan, exclusive of any forbearance agreement in force at the time of the default. (For example, if the original repayment schedule or agreement called for payments of $50 per month, but a forbearance agreement was in effect at the time of default that allowed the borrower to pay $25 per month for a specified time, and the borrower defaulted in making the reduced payments, a "full payment" would be $50, or two $25 payments in accordance with the original repayment schedule or agreement.) In the case of a payment made by cash, money order, or other means that do not identify the payor that is received by a lender after the date of this letter, that payment may constitute a "full payment" only if a senior officer of the lender or servicing agent certifies that the payment was not made by or on behalf of the lender or servicing agent.

Reinstatement with respect to reinsurance coverage means the reinstatement of the guaranty agency's right to receive reinsurance payments on the loan after the date of reinstatement. Upon reinstatement of reinsurance, the borrower regains the right to receive forbearance or deferments, as appropriate. "Reinstatement" with respect to reinsurance on a loan also includes reinstatement of the lender's right to receive interest and special allowance payments on that loan.

"Gap" in collection activity on a loan means:

(a) The period between the initial delinquency and the first collection activity;

(b) The period between collection activities (a request for preclaims assistance is considered a collection activity);

(c) The period between the last collection activity and default; or

(d) The period between the date a lender discovers a borrower has "skipped" and the lender's first skip-tracing activity.

Note: the concept of "gap" is used herein simply as one measure of collection activity. This definition applies to loans subject to the FFEL and PLUS programs regulations published on November 10, 1986. For such loans, not all gaps are violations of the due diligence rules.

Violation with respect to the due diligence requirements in Sec. 682.411 means the failure to timely complete a required diligent phone contact effort, the failure to timely send a required letter (including a request for preclaims assistance), or the failure to timely engage in a required skip-tracing activity. If during the delinquency period, a gap of more than 45 days occurs (more than 60 days for loans with a transfer), the lender must satisfy the requirement outlined in I.D.1. for reinsurance to be reinstated. The day after the 45-day gap (or 60 for loans with a transfer) will be considered
PART 682--FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

the date that the violation occurred.

Transfer means any action, including, but not limited to, the sale of the loan, that results in a change in the system used to monitor or conduct collection activity on a loan from one system to another.

B. General

1. Resumption of Interest and Special Allowance Billing on Loans Involving Due Diligence or Timely Filing Violations. For any loan on which a cure is required under this letter in order for the agency to receive any reinsurance payment, the lender may resume billing for interest and special allowance on the loan only for periods following its completion of the required cure procedure.

2. Reservation of the Secretary's Right to Strict Enforcement. While this letter describes the Secretary's general waiver policy, the Secretary retains the option of refusing to permit or recognize cures, or of insisting on strict enforcement of the remedies established by statute or regulation, in cases where, in the Secretary's judgment, a lender has committed an excessive number of severe violations of due diligence or timely filing rules, and in cases where the best interests of the United States otherwise require such strict enforcement. More generally, this bulletin states the Secretary's general policy and is not intended to limit in any way the authority and discretion afforded the Secretary by statute or regulation.

3. Interest, Special Allowance, and Reinsurance Repayment Required as a Condition for Exercise of the Secretary's Waiver Authority. The Secretary's waiver of the right to recover or refuse to pay reinsurance, interest benefits, or special allowance payments, and recognition of cures for due diligence and timely filing violations, are conditioned on the following:

(1) The guaranty agency and lender shall ensure that the lender repays all interest benefits and special allowance received on loans involving violations occurring prior to May 1, 1988, for which the lender is ineligible under the waiver policy for the "retrospective period" described in section I.C.1., below, or under the waiver policy for timely filing violations described in section I.E.1., below. Pending completion of the repayment described above, a lender or guaranty agency may submit billings to the Secretary on loans that are eligible for reinsurance under the waiver policy in this letter until it learns that repayment in full will not be made, or until the deadline for a repayment has passed without it being made, whichever is earlier. Of course, a lender or guaranty agency is prohibited from billing the Secretary for program payments on any loan amount that is not eligible for reinsurance under the waiver policy outlined in this letter. In addition to the repayments required above, any amounts received in the future in violation of this prohibition must immediately be repaid to the Secretary.

4. Applicability of the Waiver Policy to Particular Classes of Loans. The policy outlined in this letter applies only to a loan for which the first day of the 180/240-day default period that ended with default by the borrower occurred on or after March 10, 1987, or, in the case of a timely filing violation, December 26, 1986, and that involves violations only of the due diligence and/or timely filing requirements. For a loan that has lost reinsurance prior to December 1, 1992, this policy applies only through November 30, 1995. For a loan that loses reinsurance on or after December 1, 1992, this policy applies until three years after the default claim filing deadline.

5. Excuse of Certain Due Diligence Violations. Except as noted in section II, below, if a loan has due diligence violations but was later cured and brought current, those violations will not be considered in determining whether a loan was serviced in accordance with 34 CFR 682.411. Guarantors must review the due diligence for the 180-day period prior to the default date ensuring the due date of the first payment not later made is the correct payment due date for the borrower.

6. Excuse of Timely Filing Violations Due to Performance of a Guaranty Agency's Cure Procedures. If, prior to May 1, 1988, and prior to the filing deadline, a lender commenced the performance of collection activities specifically required by the guaranty agency to cure a due diligence violation on a loan, the Secretary will excuse the lender's timely filing violation if the lender completes the additional activities within the time period permitted by the guaranty agency, and files a default claim on the loan not more than 45 days after completing the additional activities.

7. Treatment of Accrued Interest on "Cured" Claims. For any loan involving any violation of the due diligence or timely filing rules for which a "cure" is required under section I.C. or I.E., below, for the agency to receive a reinsurance payment, the Secretary will not reimburse the guaranty agency for any unpaid interest accruing after the date of the earliest unexcused violation occurring after the last payment received before the cure is accomplished, and prior to the date of reinstatement of reinsurance coverage. The lender may capitalize unpaid interest accruing on the loan from the date of the earliest unexcused violation to the date of the reinstatement of reinsurance coverage. However, if the agency...
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

later files a claim for reinsurance on that loan, the agency must deduct this capitalized interest from the amount of the claim. Some cures will not reinstate coverage. For treatment of accrued interest in such cases, see Section I.E.1.c, below.

C. Waiver Policy for Violations of the Federal Due Diligence in Collection Requirements (34 CFR 682.411)

A violation of the due diligence in collection rules occurs when a lender fails to meet the requirements found in 34 CFR 682.411. However, if a lender makes all required calls and sends all required letters during any of the delinquency periods described in that section, the lender is considered to be in compliance with that section for that period, even if the letters were sent before the calls were made.

The special provisions for transfers set forth below apply whenever the violation(s) and, if applicable, the gap, were due to a transfer, as defined in section I.A., above.

1. Retrospective Period. For one or more due diligence violations occurring during the period March 10, 1987-April 30, 1988—

   a. There will be no reduction or recovery by the Secretary of payments to the lender or guaranty agency if no gap of 46 days or more (61 days or more for a transfer) exists.

   b. If a gap of 46-60 days (61-75 days for a transfer) exists, principal will be reinsured, but accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period are limited to amounts accruing through the date of default.

   c. If a gap of 61 days or more (76 days or more for a transfer) exists, the borrower must be located after the gap, either by the agency or the lender, in order for reinsurance on the loan to be reinstated. (See section I.E.1.d, below, for a description of acceptable evidence of location.) In addition, if the loan is held by the lender or after March 15, 1988, the lender must follow the steps described in section I.E.1., or receive a full payment or a new signed repayment agreement, in order for the loan to again be eligible for reinsurance. The lender must repay all interest benefits and special allowance received for the period beginning with its earliest unexcused violation occurring after the last payment received before the cure is accomplished, and ending with the date, if any, that reinsurance on the loan is reinstated.

   d. If there exists more than three violations of 6 days or more each (21 days or more for a transfer) of any type, or a gap of 46 days (61 days for a transfer) or more and at least one violation, the lender must satisfy the requirements outlined in I.E.1., or receive a full payment or a new signed repayment agreement in order for reinsurance on the loan to be reinstated. The Secretary does not pay any interest benefits or special allowance for the period beginning with the lender's earliest unexcused violation occurring after the last payment received before the cure is accomplished, and ending with the date, if any, that reinsurance on the loan is reinstated.

2. Prospective Period. For due diligence violations occurring on or after May 1, 1988—

   a. There will be no reduction or recovery by the Secretary of payments to the lender or guaranty agency if there is no violation of Federal requirements of 6 days or more (21 days or more for a transfer.)

   b. If there exists not more than 2 violations of 6 days or more each (21 days or more for a transfer), and no gap of 46 days or more (61 days or more for a transfer) exists, principal will be reinsured, but accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period will be limited to amounts accruing through the date of default.

   However, the lender must complete all required activities before the claim filing deadline, except that a preclaims assistance request must be made before the 240th day of delinquency. If the lender fails to make this request by the 240th day, the Secretary will not pay any accrued interest, interest benefits, and special allowance for the most recent 180 days prior to default. If the lender fails to complete any other required activity before the claim filing deadline, accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period will be limited to amounts accruing through the 90th day before default.

   c. If there exists 3 violations of 6 days or more each (21 days or more for a transfer) and no gap of 46 days or more (61 days or more for a transfer), the lender must satisfy the requirements outlined in I.E.1., or receive a full payment or a new signed repayment agreement in order for reinsurance on the loan to be reinstated. The Secretary does not pay any interest benefits or special allowance for the period beginning with the lender's earliest unexcused violation occurring after the last payment received before the cure is accomplished, and ending with the date, if any, that reinsurance on the loan is reinstated.

   d. If there exists more than three violations of 6 days or more each (21 days or more for a transfer) of any type, or a gap of 46 days (61 days for a transfer) or more and at least one violation, the lender must satisfy the requirement outlined in section I.D.1., for reinsurance on the loan to be reinstated. The Secretary does not pay any interest benefits or special allowance for the period beginning with the lender's earliest unexcused violation occurring after the last payment received before the cure is accomplished, and ending with the date, if any, that reinsurance on the loan is reinstated.

D. Reinstatement of Reinsurance Coverage for Certain Egregious Due Diligence Violations

1. Cures. In the case of a loan involving violations described in section I.C.2.d., above, the lender may utilize either of the two procedures described below for obtaining reinstatement of reinsurance coverage on the loan.

   a. After the violations occur, the lender obtains a new repayment agreement signed by the borrower. The repayment agreement must comply with the ten-year repayment limitations set out in 34 CFR 682.209(a)(7); or
PART 682—FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

b. After the violations occur, the lender obtains one full payment. If the borrower later defaults, the guaranty agency must obtain evidence of this payment (e.g., a copy of the check) from the lender.

2. Borrower Deemed Current as of Date of Cure. On the date the lender receives a new signed repayment agreement or the curing payment under section I.D.1., above, reinsurance coverage on the loan is reinstated, and the borrower shall be deemed by the lender to be current in repaying the loan and entitled to all rights and benefits available to borrowers who are not in default. The lender shall then follow the collection and timely filing requirements applicable to the loan.

E. Cures for Timely Filing Violations and Certain Due Diligence Violations

1. Default Claims—a. Reinstatement of Insurance Coverage. Except as noted in section I.B.6., in order to obtain reinstatement of reinsurance coverage on a loan in the case of a timely filing violation, a due diligence violation described in section I.C.2.c., or a due diligence violation described in section I.C.1.c. where the lender holds the loan on or after March 15, 1988, the lender must first locate the borrower after the gap, or after the date of the last violation, as applicable. (See section I.E.1.d for description of acceptable evidence of location.) Within 15 days thereafter, the lender must send to the borrower, at the address at which the borrower was located, (i) a new repayment agreement, to be signed by the borrower, that complies with the ten-year repayment limitations set out in 34 CFR 682.209(a)(7), along with (ii) a collection letter indicating in strong terms the seriousness of the borrower's delinquency and its potential effect on his or her credit rating if repayment is not commenced or resumed.

b. Borrower Deemed Current Under Certain Circumstances. If, at any time on or before the 30th day after the lender completes the additional collection efforts described in section I.E.1.a, above, or the 180th day of delinquency, whichever is later, the lender shall deem the borrower to be in default. The lender shall then file a default claim on the loan, accompanied by acceptable evidence of location (see section I.E.1.d, below), within 30 days after the end of such 30-day period. Reinsurance coverage, and therefore the lender's right to receive interest benefits and special allowance, is not reinstated on a loan involving these circumstances. However, the Secretary will honor reinsurance claims submitted in accordance with this paragraph on the outstanding principal balance of such loans, on unpaid interest as provided in section I.B.7., above, and for reimbursement of eligible supplemental preclaims assistance costs.

In the case of a timely filing violation on a loan for which the borrower is deemed current under this paragraph, the lender is ineligible to receive interest benefits and special allowance accruing from the date of the violation.

d. Acceptable Evidence of Location. Only the following documentation is acceptable as evidence that the lender has located the borrower:

(1) A postal receipt signed by the borrower not more than 15 days prior to the date on which the lender sent the new repayment agreement, indicating acceptance of correspondence from the lender by the borrower at the address shown on the receipt; or

(2) Documentation submitted by the lender showing--

(i) The name, identification number, and address of the lender;

(ii) The name and Social Security number of the borrower; and

(iii) A signed certification by an employee or agent of the lender, that--

(A) On a specified date, he or she spoke with or received written communication (attached to the certification) from the borrower on the loan underlying the default claim, or a
PART 682--FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAM

parent, spouse, sibling, roommate, or neighbor of the borrower;

(B) The address and, if available, telephone number of the borrower were provided to the lender in the telephone or written communication; and

(C) In the case of a borrower whose address or telephone number was provided to the lender by someone other than the borrower, the new repayment agreement and the letter sent by the lender pursuant to section I.E.1.a., above, had not been returned undelivered as of 20 days after the date those items were sent, for due diligence violations described in section I.C.1.c. where the lender holds the loan on the date of this letter, and as of the date the lender filed a default claim on the cured loan, for all other violations.

2. Death, Disability, and Bankruptcy Claims. The Secretary will honor a death or disability claim on an otherwise eligible loan notwithstanding the lender's failure to meet the 60-day timely filing requirement (see 34 CFR 682.402(e)(2)(i)). However, the Secretary will not reimburse the guaranty agency if, before the date the lender determined that the borrower died or was totally and permanently disabled, the lender had violated the Federal due diligence or timely filing requirements applicable to that loan, except in accordance with the waiver policy described above. Interest that accrued on the loan after the expiration of the 60-day filing period remains ineligible for reimbursement by the Secretary, and the lender must repay all interest and special allowance received on the loan for periods after the expiration of the 60-day filing period.

The Secretary had determined that, in the vast majority of cases, the failure of a lender to comply with the timely filing requirement applicable to bankruptcy claims (Sec. 682.402(e)(2)(ii)) causes irreparable harm to the guaranty agency's ability to contest the discharge of the loan by the court, or to otherwise collect from the borrower. Therefore, the Secretary has decided not to excuse violations of the timely filing requirement applicable to bankruptcy claims, except when the lender can demonstrate that the bankruptcy action has concluded and that the loan has not been discharged in bankruptcy, or, if previously discharged, has been the subject of a reversal of the discharge. In that case, the lender shall return the borrower to the appropriate status that existed prior to the filing of the bankruptcy claim. The Secretary will not reimburse the guaranty agency for interest accruing beyond the filing deadline for the bankruptcy claim.

II. Due Date of First Payment

Section 682.411(b)(1) refers to the "due date of the first missed payment not later made" as one way to determine the first day of delinquency on a loan. Section 682.209(a)(3) states that, generally, the repayment period on a FFEL programs loan begins some number of months after the month in which the borrower ceases at least half-time study. Where the borrower enters the repayment period with the lender's knowledge, the first payment due date may be set by the lender, provided it falls within a reasonable time after the first day of the month in which the repayment period begins. In this situation, the Secretary generally permits a lender to allow the borrower up to 45 days from the first day of repayment to make the first payment. (Unless the lender establishes the first day of repayment under Sec. 682.209(a)(3)(ii)(E).)

In cases where the lender learns that the borrower has entered the repayment period after the fact, current Sec. 682.411 treats the 30th day after the lender receives this information as the first day of delinquency. In the course of discussion with lenders, the Secretary has learned that many lenders have not been using the 30th day after receipt of notice that the repayment period has begun ("the notice") as the first payment due date. In recognition of this apparently widespread practice, the Secretary has decided that, both retrospectively and prospectively, a lender should be allowed to establish a first payment due date within 60 days after receipt of the notice, to capitalize interest accruing up to the first payment due date, and to exercise forbearance with respect to the period during which the borrower was in the repayment period but made no payment. In effect, this means that, if the lender sends the borrower a coupon book, billing notice, or other correspondence establishing a new first payment due date, on or before the 60th day after receipt of the notice, the lender is deemed to have exercised forbearance up to the new first payment due date. The first payment due date must fall no later than 75 days after receipt of the notice. (Unless the lender establishes the first day of repayment under Sec. 682.209(a)(3)(ii)(E).) In keeping with the 5-day tolerance permitted under section I.C.2.a., for the "prospective period", a lender that sends the above-described material on or before the 65th day after receipt of the notice will be held harmless. However, a lender that sends such a notice on the 66th day will have failed by more than 5 days to send both of the collection letters required by Sec. 682.411(c) to be sent within the first 30 days of delinquency, and will thus have committed two violations of more than five days of that rule.

Please Note: References to the "65th day after receipt of the notice" and "66th day" in the preceding paragraphs should be amended to read "95th day" and "96th day" respectively for lenders subject to Sec. 682.209(a)(3)(ii)(E).

If the lender fails to send the material establishing a new first payment due date on or before the 65th day after receipt of the notice, it may thereafter send material establishing a new first payment due date falling not more than 45 days after the materials are sent, and will be deemed to have exercised forbearance up to the new first payment due date. However, all violations and gaps occurring prior to the date on which the material is sent are subject to the waiver policies described in section I for violations falling in either the retrospective or prospective periods. This is an exception to the general policy set forth in section I.B.5., above, that only
violations occurring during the most recent 180 days of the
delinquency period on a loan are relevant to the Secretary’s
examination of due diligence.

III. Questions and Answers

The waiver policy outlined in this letter was
developed after extensive discussion and consultation with
participating lenders and guarantee agencies. In the course of
these discussions, lenders and agencies raised a number of
questions regarding the due diligence rules as applied to
various circumstances. The Secretary’s responses to these
questions are set forth below. Note: The answer to questions
1 and 4 are applicable only to loans subject to Sec. 682.411 of
the FFEL and PLUS program regulations published on
November 10, 1986.

Q1.: Section 682.411 of the program regulations
requires the lender to make “diligent efforts to contact the
borrower by telephone” during each 30-day period
of delinquency beginning after the 30th day of delinquency. What
must a lender do to comply with this requirement?

A: Generally speaking, one actual telephone contact
with the borrower, or two attempts to make such contact on
different days and at different times, will satisfy the “diligent
efforts” requirement for any of the 30-day delinquency periods
described in the rule. However, the “diligent efforts”
requirement is intended to be a flexible one, requiring the
lender to act on information it receives in the course of
attempting telephone contact regarding the borrower’s actual
telephone number, the best time to call to reach the borrower,
etc. For instance, if the lender is told during its second
telephone contact attempt that the borrower can be reached at
another number or at a different time of day, the lender must
then attempt to reach the borrower by telephone at that
number or that time of day.

Q2.: What must a lender do when it receives
conflicting information regarding the date a borrower ceased at
least half-time study?

A: A lender must promptly attempt to reconcile
conflicting information regarding a borrower’s in-school status
by making inquiries of appropriate parties, including the
borrower’s school. Pending reconciliation, the lender may rely
on the most recent credible information it has.

Q3.: If a loan is transferred from one lender to
another, is the transferee held responsible for information
regarding the borrower’s status that is received by the
transferor but is not passed on to the transferee?

A: No. A lender is responsible only for information
received by its agents and employees. However, if the
transferee has reason to believe that the transferor has
received additional information regarding the loan, the
transferee must make a reasonable inquiry of the transferor as
to the nature and substance of that information.

Q4.: What are a lender’s due diligence
responsibilities where a check received on a loan is
dishonored by the bank on which it was drawn?

A: Upon receiving notice that a check has been
dishonored, the lender shall treat the payment as having never
been made for purposes of determining the number of days
delinquent that the borrower is at that time. The lender must
then begin (or resume) attempting collection on the loan in
accordance with Sec. 682.411, commencing with the first
30-day delinquency period described in Sec. 682.411 that
begins after the 30-day delinquency period in which the notice
of dishonor is received. The same result obtains when the
lender successfully obtains a delinquent borrower’s correct
address through skip-tracing, or when a delinquent borrower
leaves deferment or forbearance status.

Subpart A—Purpose and Scope

Sec. 685.100 The William D. Ford Federal Direct Loan Program.

(a) Under the William D. Ford Federal Direct Loan (Direct Loan) Program (formerly known as the Federal Direct Student Loan Program), the Secretary makes loans to enable a student or parent to pay the costs of the student’s attendance at a postsecondary school. This part governs the Federal Direct Stafford/Ford Loan Program, the Federal Direct Unsubsidized Stafford/Ford Loan Program, the Federal Direct PLUS Program, and the Federal Direct Consolidation Loan Program. The Secretary makes loans under the following program components:

1. Federal Direct Stafford/Ford Loan Program (formerly known as the Federal Direct Stafford Loan Program), which provides loans to undergraduate, graduate, and professional students. The Secretary subsidizes the interest while the borrower is in an in-school, grace, or deferment period.

2. Federal Direct Unsubsidized Stafford/Ford Loan Program (formerly known as the Federal Direct Unsubsidized Stafford Loan Program), which provides loans to undergraduate, graduate and professional students. The borrower is responsible for the interest that accrues during any period.

3. Federal Direct PLUS Program, which provides loans to parents of dependent students. The borrower is responsible for the interest that accrues during any period.

4. Federal Direct Consolidation Loan Program, which provides loans to borrowers to consolidate certain Federal educational loans.

(b) The Secretary makes a Direct Subsidized Loan, a Direct Unsubsidized Loan, or a Direct PLUS Loan only to a student or a parent of a student enrolled in a school that has been selected by the Secretary to participate in the Direct Loan Program.

(c) The Secretary makes a Direct Consolidation Loan only to—

1. A borrower with a loan made under the Direct Loan Program; or

2. A borrower with a loan made under the Federal Family Education Loan Program who is not able to receive—

(i) A Federal Consolidation Loan with income-sensitive repayment terms that are satisfactory to the borrower.

Authority: 20 U.S.C. 1087a et seq.

Sec. 685.101 Participation In the Direct Loan Program.

(a) (1) Colleges, universities, graduate and professional schools, vocational schools, and proprietary schools selected by the Secretary may participate in the Direct Loan Program. Participation in the Direct Loan Program enables an eligible student or parent to obtain a loan to pay for the student’s cost of attendance at the school.

2. The Secretary may permit a school to participate in both the Federal Family Education Loan (FFEL) Program, as defined in 34 CFR Part 600, and the Direct Loan Program. A school permitted to participate in both the FFEL Program and the Direct Loan Program may certify loan applications under the FFEL Program according to the terms of its agreement with the Secretary.

(b) An eligible student who is enrolled at a school participating in the Direct Loan Program may borrow under the Federal Direct Stafford/Ford Loan and Federal Direct Unsubsidized Stafford/Ford Loan Programs. An eligible parent of an eligible dependent student enrolled at a school participating in the Direct Loan Program may borrow under the Federal Direct PLUS Program.

Authority: 20 U.S.C. 1087a et seq.

Each school in a consortium shall sign a Direct Loan Program participation agreement with the Secretary and be responsible for the information it supplies through the consortium.

Default: The failure of a borrower and endorser, if

any, to make an installment payment when due, or to meet other terms of the promissory note, if the Secretary finds it reasonable to conclude that the borrower and endorser, if any, no longer intend to honor the obligation to repay, provided that this failure persists for 180 days.

Estimated financial assistance (1) The estimated amount of assistance for a period of enrollment that a student (or a parent on behalf of a student) will receive from Federal, State, institutional, or other sources, such as scholarships, grants, financial need-based employment, or loans, including but not limited to—

(C) Non-Federal loan amounts; and

(ii) Federal Perkins loan and Federal Work-Study funds that the student has declined.

Federal Direct Consolidation Loan Program: A loan program authorized by title IV, part D of the Act that provides
loans to borrowers who consolidate certain Federal educational loan(s), and one of the components of the Direct Loan Program. Loans made under this program are referred to as Direct Consolidation Loans. There are three types of Direct Consolidation Loans:

(1) Direct Subsidized Consolidation Loans. Subsidized title IV education loans may be consolidated into a Direct Subsidized Consolidation Loan. Interest is not charged to the borrower during in-school, grace, and deferment periods.

(2) Direct Unsubsidized Consolidation Loans. Certain Federal education loans may be consolidated into a Direct Unsubsidized Consolidation Loan. The borrower is responsible for the interest that accrues during any period.

(3) Direct PLUS Consolidation Loans. Parent Loans for Undergraduate Students, Federal PLUS, Direct PLUS, and Direct PLUS Consolidation Loans may be consolidated into a Direct PLUS Consolidation Loan. The borrower is responsible for the interest that accrues during any period.

Federal Direct PLUS Program: A loan program authorized by title IV, part D of the Act that provides loans to parents of dependent students attending schools that participate in the Direct Loan Program, and one of the components of the Direct Loan Program. The borrower is responsible for the interest that accrues during any period. Loans made under this program are referred to as Direct PLUS Loans.

Federal Direct Stafford/Ford Loan Program: A loan program authorized by title IV, part D of the Act that provides loans to undergraduates, graduate, and professional students attending Direct Loan Program schools, and one of the components of the Direct Loan Program. The borrower is responsible for the interest that accrues during any period. Loans made under this program are referred to as Direct Subsidized Loans.

Federal Direct Unsubsidized Stafford/Ford Loan Program: A loan program authorized by title IV, part D of the Act that provides loans to undergraduate, graduate, and professional students attending Direct Loan Program schools, and one of the components of the Direct Loan Program. The borrower is responsible for the interest that accrues during any period. Loans made under this program are referred to as Direct Unsubsidized Loans.

Grace period: A six-month period that begins on the day after a Direct Loan Program borrower ceases to be enrolled as at least a half-time student at an eligible institution and ends on the day before the repayment period begins.

Half-time student: A student who is not a full-time student and who is enrolled in a school participating in the FFEL Program or the Direct Loan Program and is carrying an academic workload that is at least one-half the workload of a full-time student, as determined by the school. A student enrolled solely in an eligible program of study by correspondence is considered a half-time student.

Interest rate: The annual interest rate that is charged on a loan, under title IV, part D of the Act.

Loan fee: A fee, payable by the borrower, that is used to help defray the costs of the Direct Loan Program.

Period of enrollment: The period for which a Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan is intended. The period of enrollment must coincide with one or more academic terms established by the school (such as semester, trimester, quarter, academic year, and length of the program of study), for which institutional charges are generally assessed. The period of enrollment is also referred to in this part as the loan period.

Satisfactory repayment arrangement: (1) For the purpose of regaining eligibility under section 428F(b) of the HEA, the making of six consecutive, voluntary, on-time, full monthly payments on a defaulted loan. A borrower may only obtain the benefit of this paragraph with respect to renewed eligibility once.

(2) For the purpose of consolidating a defaulted loan under 34 CFR 685.215(d)(1)(ii)(E), the making of three consecutive, voluntary, on-time, full monthly payments on a defaulted loan.

(3) The required monthly payment amount may not be more than is reasonable and affordable based on the borrower's total financial circumstances. "On-time" means a payment made within 15 days of the scheduled due date, and voluntary payments are those payments made directly by the borrower, regardless of whether there is a judgment against the borrower, and do not include payments obtained by income tax offset, garnishment, or income or asset execution.

School origination option 1: In general, under this option the school performs the following functions: creates a loan origination record, transmits the record to the Servicer, prepares the promissory note, obtains a completed and signed promissory note from a borrower, transmits the promissory note to the Servicer, receives the funds electronically, disburses a loan to a borrower, creates a disbursement record, transmits the disbursement record to the Servicer, and reconciles on a monthly basis. The Servicer initiates the drawdown of funds for schools participating in school origination option 1. The Secretary may modify the functions performed by a particular school.

School origination option 2: In general, under this option the school performs the following functions: creates a loan origination record, transmits the record to the Servicer, prepares the promissory note, obtains a completed and signed
promissory note from a borrower, transmits the promissory note to the Servicer, determines funding needs, initiates the drawdown of funds, receives the funds electronically, disburses a loan to a borrower, creates a disbursement record, transmits the disbursement record to the Servicer, and reconciles on a monthly basis. The Secretary may modify the functions performed by a particular school.

Servicer. An entity that has contracted with the Secretary to act as the Secretary's agent in providing services relating to the origination or servicing of Direct Loans.

Standard origination: In general, under this option the school performs the following functions: creates a loan origination record, transmits the record to the Servicer, receives funds electronically, disburses funds, creates a disbursement record, transmits the disbursement record to the Servicer, and reconciles on a monthly basis. The Servicer prepares the promissory note, obtains a completed and signed promissory note from a borrower, and initiates the drawdown of funds for schools participating in standard origination. The Secretary may modify the functions performed by a particular school.

Subpart B—Borrower Provisions

Sec. 685.200 Borrower eligibility.

(a) Student borrower. (1) A student is eligible to receive a Direct Subsidized Loan, a Direct Unsubsidized Loan, or a combination of these loans, if the student meets the following requirements:

(i) The student is enrolled, or accepted for enrollment, on at least a half-time basis in a school that participates in the Direct Loan Program.

(ii) The student meets the requirements for an eligible student under 34 CFR Part 668.

(iii) In the case of an undergraduate student who seeks a Direct Subsidized Loan or a Direct Unsubsidized Loan at a school that participates in the Federal Pell Grant Program, the student has received a determination of Federal Pell Grant eligibility for the period of enrollment for which the loan is sought.

(iv) In the case of a borrower whose previous loan was cancelled due to total and permanent disability, the student--

(A) Obtains a certification from a physician that the borrower is able to engage in substantial gainful activity; and

(B) Signs a statement acknowledging that the Direct Loan the borrower receives cannot be cancelled in the future on the basis of any impairment present when the new loan is made, unless that impairment substantially deteriorates.

(v) In the case of any student who seeks a loan but does not have a certificate of graduation from a school providing secondary education or the recognized equivalent of such a certificate, the student meets the requirements under 34 CFR 668.7(b).

(2)(i) A Direct Subsidized Loan borrower must demonstrate financial need in accordance with title IV, part F of the Act.

(ii) The Secretary considers a member of a religious order, group, community, society, agency, or other organization who is pursuing a course of study at an institution of higher education to have no financial need if that organization--

(A) Has as its primary objective the promotion of ideals and beliefs regarding a Supreme Being;

(B) Requires its members to forego monetary or other support substantially beyond the support it provides; and

(C)(1) Directs the member to pursue the course of study; or

(2) Provides subsistence support to its members.

(b) Parent borrower. (1) A parent is eligible to receive a Direct PLUS Loan if the parent meets the following requirements:
PART 685—WILLIAM D. FORD FEDERAL DIRECT LOAN PROGRAM

(i) The parent is borrowing to pay for the educational costs of a dependent undergraduate student who meets the requirements for an eligible student under 34 CFR Part 688.

(ii) The parent provides his or her and the student's social security number.

(iii) The parent meets the requirements pertaining to citizenship and residency that apply to the student under 34 CFR 688.7.

(vi) The parent meets the requirements that apply to a student under paragraph (a)(1)(iv) of this section.

(vii)(A) The parent--

(1) Does not have an adverse credit history;

(2) Has an adverse credit history but has obtained an endorser who does not have an adverse credit history; or

(3) Has an adverse credit history but documents to the satisfaction of the Secretary that extenuating circumstances exist.

(B) For purposes of paragraph (b)(1)(vii)(A) of this section, an adverse credit history means that as of the date of the credit report, the applicant--

(1) Is 90 or more days delinquent on any debt; or

(2) Has been the subject of a default determination, bankruptcy discharge, repossession, tax lien, wage garnishment, or write-off of a debt under title IV of the Act during the five years preceding the date of the credit report.

(C) For the purposes of (b)(1)(vii)(A) of this section, the Secretary does not consider the absence of a credit history as an adverse credit history and does not deny a Direct PLUS loan on that basis.

(2) For purposes of paragraph (b)(1) of this section, a "parent" includes the individuals described in the definition of "parent" in 34 CFR 688.2 and the spouse of a parent who remarried, if that spouse's income and assets would have been taken into account when calculating a dependent student's expected family contribution.

(c) Defaulted FFEL Program and Direct Loan borrowers. Except as noted in Sec. 685.215(d)(1)(i)(F), in the case of a student or parent borrower who is currently in default on an FFEL Program or a Direct Loan Program Loan, the borrower shall make satisfactory repayment arrangements, as described in paragraph (2) of the definition of that term under Sec. 685.102(b), on the defaulted loan.

(d) Use of loan proceeds to replace expected family contribution. The amount of a Direct Unsubsidized Loan, a Direct PLUS Loan, a State-sponsored loan, or another non-Federal loan obtained for a loan period may be used to replace the expected family contribution for that loan period.

(Authority: 20 U.S.C. 1087a et seq.)

Note: (b)(1) redesignated and (b)(2) added December 1, 1995, effective July 1, 1996. (a)(1)(i) and (c) revised June 12, 1996, effective July 12, 1996.

Sec. 685.201 Obtaining a loan.

(a) Application for a Direct Subsidized Loan or a Direct Unsubsidized Loan.

(1) To obtain a Direct Subsidized Loan or a Direct Unsubsidized Loan, a student shall complete a Free Application for Federal Student Aid and submit it in accordance with instructions in the application.

(2) If the student is eligible for a Direct Subsidized Loan or a Direct Unsubsidized Loan, the Secretary or the school in which the student is enrolled shall perform specific functions. Unless a school's agreement with the Secretary specifies otherwise, the school shall perform the following functions:

(i) A school participating under school origination option 2 shall create a loan origination record, obtain a completed promissory note from the student, draw down funds, and disburse the funds.

(ii) A school participating under school origination option 1 shall create a loan origination record, obtain a completed promissory note from the student, and transmit the record and promissory note to the Servicer. The Servicer initiates the drawdown of funds, and the school disburses the funds.

(iii) If the student is attending a school participating under standard origination, the school shall create a loan origination record and transmit the record to the alternative originator, which prepares the promissory note and sends it to the student and receives the completed promissory note from the student. The Servicer initiates the drawdown of funds, and the school disburses the funds.
(b) Application for a Direct PLUS Loan. To obtain a Direct PLUS Loan, the parent shall complete the application and promissory note and submit it to the school at which the student is enrolled. The school shall complete its portion of the application and promissory note and submit it to the Servicer, which makes a determination as to whether the parent has an adverse credit history. Unless a school's agreement with the Secretary specifies otherwise, the school shall perform the following functions: A school participating under school origination option 2 shall draw down funds and disburse the funds. For a school participating under school origination option 1 or standard origination, the Servicer initiates the drawdown of funds, and the school disburses the funds.

(c) Application for a Direct Consolidation Loan. (1) To obtain a Direct Consolidation Loan, the applicant shall complete the application and promissory note and submit it to the Servicer. The application and promissory note set forth the terms and conditions of the Direct Consolidation Loan and inform the applicant how to contact the Servicer. The Servicer answers questions regarding the process of applying for a Direct Consolidation Loan and provides information about the terms and conditions of both Direct Consolidation Loans and the types of loans that may be consolidated.

(2) Once the applicant has submitted the completed application and promissory note to the Servicer, the Secretary makes the Direct Consolidation Loan under the procedures specified in Sec. 685.215.

(Authority: 20 U.S.C. 1087a et seq., 1091a)

Note: (a)(2) introductory text and (b) amended December 1, 1995, effective July 1, 1996.

Sec. 685.202 Charges for which Direct Loan Program borrowers are responsible.

(a) Interest. (1) Interest rate for Direct Subsidized Loans and Direct Unsubsidized Loans.

(i) Loans first disbursed prior to July 1, 1995. For Direct Subsidized Loans and Direct Unsubsidized Loans during all periods, the interest rate during any twelve-month period beginning on July 1 and ending on June 30 is determined on the June 1 immediately preceding that period. The interest rate is equal to the bond equivalent rate of 91-day Treasury bills auctioned at the final auction held prior to that June 1 plus 3.1 percentage points, but does not exceed 8.25 percent.

(ii) Loans first disbursed on or after July 1, 1995. During the in-school, grace, and deferment periods. The interest rate during any twelve-month period beginning on July 1 and ending on June 30 is determined on the June 1 immediately preceding that period. The interest rate is equal to the bond equivalent rate of 91-day Treasury bills auctioned at the final auction held prior to that June 1 plus 3.1 percentage points, but does not exceed 8.25 percent.

(b) Capitalization. (1) The Secretary may add unpaid accrued interest to the borrower's unpaid principal balance. This increase in the principal balance of a loan is called "capitalization."

(2) For a Direct Unsubsidized Loan or a Direct Unsubsidized Consolidation Loan that qualifies for a grace period, the Secretary capitalizes the unpaid interest that accrues on the loan when the borrower enters repayment.

(3) Notwithstanding Sec. 685.208(g)(5) and Sec. 685.209(d)(3), for a Direct Loan not eligible for interest subsidies during periods of deferment, and for all Direct Loans during periods of forbearance, the Secretary capitalizes the unpaid interest that has accrued on the loan upon the expiration of the deferment or forbearance.

(4) Except as provided in paragraph (b)(3) of this section and in Sec. 685.208(g)(5), and Sec. 685.209(d)(3), the Secretary annually capitalizes unpaid interest when the borrower is paying under the alternative or income contingent repayment plans and the borrower's scheduled payments do not cover the interest that has accrued on the loan.

(5) The Secretary may capitalize unpaid interest when the borrower defaults on the loan.

(c) Loan fee for Direct Subsidized, Direct Unsubsidized, and Direct PLUS Loans. The Secretary--

(1) Charges a borrower a loan fee of four percent of the principal amount of the loan on a Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan;

(2) Deducts the loan fee from the proceeds of the loan;

(3) In the case of a loan disbursed in multiple
installments, deducts a pro rata portion of the fee from each disbursement; and

(4) Applies to a borrower’s loan balance the portion of the loan fee previously deducted from the loan that is attributable to any portion of the loan that is—

(i) Repaid or returned within 120 days of disbursement, unless—

(A) The borrower has no Direct Loans in repayment status and has requested, in writing, that the repaid or returned funds be used for a different purpose; or

(B) The borrower has a Direct Loan in repayment status, in which case the payment is applied in accordance with Sec. 685.211(a) unless the borrower has requested, in writing, that the repaid or returned funds be applied as a cancellation of all or part of the loan; or

(ii) Returned by a school in order to comply with the Act or with applicable regulations.

(d) Late charge. (1) The Secretary may require the borrower to pay a late charge of up to six cents for each dollar of each installment or portion thereof that is late under the circumstances described in paragraph (d)(2) of this section.

(2) The late charge may be assessed if the borrower fails to pay all or a portion of a required installment payment within 30 days after it is due.

(e)(1) Collection charges before default. Notwithstanding any provision of State law, the Secretary may require that the borrower or any endorser pay costs incurred by the Secretary or the Secretary’s agents in collecting installments not paid when due. These charges do not include routine collection costs associated with preparing letters or notices or with making personal contacts with the borrower (e.g., local and long-distance telephone calls).

(2) Collection charges after default. If a borrower defaults on a Direct Loan, the Secretary assesses collection costs on the basis of $34 CFR 30.60.

(Authority: 20 U.S.C. 1087a et seq., 1091a)

Note: (a)(1) and (b) revised June 12, 1996, effective July 12, 1996. (c)(4) revised November 28, 1997, effective July 1, 1998.

Sec. 685.203 Loan limits.

(a) Direct Subsidized Loans. (1) In the case of an undergraduate student who has not successfully completed the first year of a program of undergraduate education, the total amount the student may borrow for any academic year of study under the Federal Direct Stafford/Ford Loan Program in combination with the Federal Stafford Loan Program may not exceed the following:

(i) $2,625 for a program of study of at least a full academic year in length.

(ii) $1,750 for a program of study of at least two-thirds but less than a full academic year in length.

(iii) $875 for a program of study of at least one-third but less than two-thirds of an academic year in length.

(2) In the case of an undergraduate student who has successfully completed the first year of an undergraduate program but has not successfully completed the second year of an undergraduate program, the total amount the student may borrow for any academic year of study under the Federal Direct Stafford/Ford Loan Program in combination with the Federal Stafford Loan Program may not exceed the following:

(i) $3,500 for a program of study of at least a full academic year in length.

(ii) If the student is enrolled in a program of study with less than a full academic year remaining, an amount that bears the same ratio to $3,500 as the number of semester, trimester, quarter, or clock hours for which the student enrolls bears to one academic year.

(3) In the case of an undergraduate student who has successfully completed the first and second years of a program of study of undergraduate education but has not successfully completed the remainder of the program, or in the case of a student in a program who has an associate or baccalaureate degree which is required for admission into the program, the total amount the student may borrow for any academic year of study under the Federal Direct Stafford/Ford Loan Program in combination with the Federal Stafford Loan Program may not exceed the following:

(i) $5,500 for a program of study of at least an academic year in length.

(ii) For a student enrolled in a program of study with less than a full academic year remaining, an amount that bears the same ratio to $5,500 as the number of semester, trimester, quarter, or clock hours for which the student enrolls bears to one academic year.

(4) In the case of a graduate or professional student, the total amount the student may borrow for any academic year of study under the Federal Direct Stafford/Ford Loan Program in combination with the Federal Stafford Loan Program may not exceed $8,500.

(b) Direct Unsubsidized Loans. The total amount a student may borrow under any period of study for the Federal
Direct Unsubsidized Loan Program and the Federal Unsubsidized Stafford/Ford Loan Program is the same as the amount determined under paragraph (a) of this section, less any amount received under the Federal Direct Stafford/Ford Loan Program or the Federal Stafford Loan Program.

(c) Additional eligibility for Direct Unsubsidized Loans. (1)(i) An independent undergraduate student, graduate or professional student, and certain dependent undergraduate students may borrow amounts under the Federal Direct Unsubsidized Loan Program in addition to any amount borrowed under paragraph (b) of this section.

(ii) In order for a dependent undergraduate student to receive this additional loan amount, the financial aid administrator must determine that the student's parent likely will be precluded by exceptional circumstances from borrowing under the Federal Direct PLUS Program or the Federal PLUS Program and the student's family is otherwise unable to provide the student's expected family contribution. The financial aid administrator shall base the determination on a review of the family financial information provided by the student and consideration of the student's debt burden and shall document the determination in the school's file.

(iii) "Exceptional circumstances" under paragraph (c)(1)(ii) of this section include but are not limited to circumstances in which the student's parent receives only public assistance or disability benefits, the parent is incarcerated, the parent has an adverse credit history, or the parent's whereabouts are unknown. A parent's refusal to borrow a Federal PLUS Loan or Direct PLUS Loan does not constitute "exceptional circumstances."

(2) The additional amount that a student described in paragraph (c)(1)(ii) of this section may borrow under the Federal Direct Unsubsidized Stafford/Ford Loan Program and the Federal Unsubsidized Stafford Loan Program for any academic year of study may not exceed the following:

(B) $2,500 for enrollment in a program of study of at least two-thirds but less than a full academic year in length; and

(C) $1,500 for enrollment in a program of study of at least one-third but less than two-thirds of an academic year in length.

(ii) In the case of a student who has successfully completed the first and second year of an undergraduate program but has not completed the remainder of the program of study—

(A) For a student enrolled in a program of study of at least a full academic year, $5,000; and

(B) For a student enrolled in a program of study with less than a full academic year remaining, an amount that bears the same ratio to $5,000 as the number of semester, trimester, quarter, or clock hours for which the student enrolls bears to one academic year.

(iii) In the case of a graduate or professional student, $10,000.

(d) Federal Direct Stafford/Ford Loan Program and Federal Stafford Loan Program aggregate limits. The aggregate unpaid principal amount of all Direct Subsidized Loans and Federal Stafford Loans made to a student may not exceed the following:

(1) $23,000 in the case of any student who has not successfully completed a program of study at the undergraduate level.

(2) $65,500 in the case of a graduate or professional student, including loans for undergraduate study.

(e) Aggregate limits for unsubsidized loans. The total amount of Direct Unsubsidized Stafford Loans, Federal Unsubsidized Stafford Loans, and Federal SLS Loans may not exceed the following:

(1) For a dependent undergraduate student, $23,000 minus any Direct Subsidized Loan and Federal Stafford Loan amounts, unless the student qualifies under paragraph (c) of this section for additional eligibility or qualified for that additional eligibility under the Federal SLS Program.

(2) For an independent undergraduate or a dependent undergraduate who qualifies for additional eligibility under paragraph (c) of this section or qualified for this additional eligibility under the Federal SLS Program, $46,000 minus any Direct Subsidized Loan and Federal Stafford Loan amounts.

(3) For a graduate or professional student, $138,500 including any loans for undergraduate study, minus any Direct Subsidized Loan, Federal Stafford Loan, and Federal SLS Program loan amounts.

(f) Direct PLUS Loans annual limit. The total amount of all Direct PLUS Loans that a parent or parents may borrow on behalf of each dependent student for any academic year of study may not exceed the cost of attendance minus other estimated financial assistance for that student.

(g) Direct PLUS Loans aggregate limit. The total amount of all Direct PLUS Loans that a parent or parents may
borrow on behalf of each dependent student for enrollment in an eligible program of study may not exceed the student's cost of attendance minus other estimated financial assistance for that student for the entire period of enrollment.

(h) Loan limit period. The annual loan limits apply to an academic year.

(i) Treatment of Direct Consolidation Loans and Federal Consolidation Loans. The percentage of the outstanding balance on Direct Consolidation Loans or Federal Consolidation Loans counted against a borrower's aggregate loan limits is calculated as follows:

(1) For Direct Subsidized Loans, the percentage equals the percentage of the original amount of the Direct Consolidation Loan or Federal Consolidation Loan attributable to the Direct Subsidized and Federal Stafford Loans.

(2) For Direct Unsubsidized Loans, the percentage equals the percentage of the original amount of the Direct Consolidation Loan or Federal Consolidation Loan attributable to the Direct Unsubsidized, Federal SLS, and Federal Unsubsidized Stafford Loans.

(j) Maximum loan amounts. In no case may a Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan amount exceed the student's estimated cost of attendance for the period of enrollment for which the loan is intended, less--

(1) The student's estimated financial assistance for that period; and

(2) In the case of a Direct Subsidized Loan, the borrower's expected family contribution for that period.

(Authority: 20 U.S.C. 1087a et seq.)

Sec. 685.204 Deferment.

(a)(1) A Direct Loan borrower whose loan is eligible for interest subsidies and who meets the requirements described in paragraph (b) of this section is eligible for a deferment during which periodic installments of principal and interest need not be paid.

(2) A Direct Loan borrower whose loan is not eligible for interest subsidies and who meets the requirements described in paragraph (b) of this section is eligible for a deferment during which periodic installments of principal need not be paid but interest does accrue and is capitalized or paid by the borrower.

(b) Except as provided in paragraphs (d) and (e) of this section, a Direct Loan borrower is eligible for a deferment during any period during which the borrower meets any of the following requirements:

(1)(i) The borrower--

(A) is carrying at least one-half the normal full-time work load for the course of study that the borrower is pursuing, as determined by the eligible school the borrower is attending;

(B) is pursuing a course of study pursuant to a graduate fellowship program approved by the Secretary; or

(C) is pursuing a rehabilitation training program, approved by the Secretary, for individuals with disabilities; and

(ii) The borrower is not serving in a medical internship or residency program, except for a residency program in dentistry.

(2)(i) The borrower is seeking and unable to find full-time employment.

(ii) For purposes of paragraph (b)(2)(i) of this section, the Secretary determines whether a borrower is eligible for a deferment due to the inability to find full-time employment using the standards and procedures set forth in 34 CFR 682.210(h) with references to the lender understood to mean the Secretary.

(3)(i) The borrower has experienced or will experience an economic hardship.

(ii) For purposes of paragraph (b)(3)(i) of this section, the Secretary determines whether a borrower is eligible for a deferment due to an economic hardship using the standards and procedures set forth in 34 CFR 682.210(s)(6) with references to the lender understood to mean the Secretary.

(c) No deferment under paragraphs (b) (2) or (3) of this section may exceed three years.

(d) If, at the time of application for a borrower's first Direct Loan, a borrower has an outstanding balance of principal or interest owing on any FFEL Program loan that was made, insured, or guaranteed prior to July 1, 1993, the borrower is eligible for a deferment during--

(1) the periods described in paragraph (b) of this section; and

(2) the periods described in 34 CFR 682.210(b), including those periods that apply to a "new borrower" as that term is defined in 34 CFR 682.210(b)(7).

(e) A borrower whose loan is in default is not eligible for a deferment, unless the borrower has made payment arrangements satisfactory to the Secretary.

PART 685—WILLIAM D. FORD FEDERAL DIRECT LOAN PROGRAM

(Approved by the Office of Management and Budget under control number 1840-0672)

Note: OMB control number added June 28, 1995, effective July 1, 1995.

Note: (b) and (d) revised and (e) added June 12, 1996, effective July 12, 1996.

Sec. 685.205 Forbearance.

(a) General. "Forbearance" means permitting the temporary cessation of payments, allowing an extension of time for making payments, or temporarily accepting smaller payments than previously scheduled. The borrower has the option to choose the form of forbearance. If payments of interest are forborne, they are capitalized. The Secretary grants forbearance if the borrower or endorser intends to repay the loan but requests forbearance and provides sufficient documentation to support this request, and—

(1) The Secretary determines that, due to poor health or other acceptable reasons, the borrower or endorser is currently unable to make scheduled payments;

(2) The borrower's payments of principal are deferred under Sec. 685.204 and the Secretary does not subsidize the interest benefits on behalf of the borrower;

(3) The borrower is in a medical or dental internship or residency that must be successfully completed before the borrower may begin professional practice or service, or the borrower is serving in a medical or dental internship or residency program leading to a degree or certificate awarded by an institution of higher education, a hospital, or a health care facility that offers postgraduate training;

(4) The borrower is serving in a national service position for which the borrower is receiving a national service educational award under the National and Community Service Trust Act of 1993;

(5) The borrower is eligible for loan forgiveness under the Federal Stafford Loan Forgiveness Demonstration Program, if the program is funded, for performing the type of service described in Sec. 682.215(b); or

(6) For not more than three years during which the borrower or endorser—

(i) is currently obligated to make payments on loans under title IV of the Act; and

(ii) The sum of these payments each month (or a proportional share if the payments are due less frequently than monthly) is equal to or greater than 20 percent of the borrower's or endorser's total monthly gross income.

(b) Administrative forbearance. In certain circumstances, the Secretary grants forbearance without requiring documentation from the borrower. These circumstances include but are not limited to—

(1) A properly granted period of deferment for which the Secretary learns the borrower did not qualify;

(2) The period for which payments are overdue at the beginning of an authorized deferment period;

(3) The period beginning when the borrower entered repayment until the first payment due date was established;

(4) The period prior to a borrower's filing of a bankruptcy petition;

(5) A period after the Secretary receives reliable information indicating that the borrower (or the student in the case of a Direct PLUS Loan) has died, or the borrower has become totally and permanently disabled, until the Secretary receives documentation of death or total and permanent disability;

(6) Periods necessary for the Secretary to determine the borrower's eligibility for discharge—

(i) Under Sec. 685.213;

(ii) Under Sec. 685.214; or

(iii) Due to the borrower's or endorser's (if applicable) bankruptcy;

(7) A period of up to three years in cases where the effect of a variable interest rate on a fixed-amount or graduated repayment schedule causes the extension of the maximum repayment term; or

(8) A period during which the Secretary has authorized forbearance due to a national military mobilization or other local or national emergency.

(c) Period of forbearance. (1) The Secretary grants forbearance for a period of up to one year.

(2) The forbearance is renewable, upon request of the borrower, for the duration of the period in which the borrower meets the condition required for the forbearance.

(Authority: 20 U.S.C. 1087a et seq.)

Note: (a)(4) revised June 12, 1996, effective July 12, 1996.

Sec. 685.206 Borrower responsibilities and defenses.

(a) The borrower shall give the school the following information as part of the origination process for a Direct
PART 685—WILLIAM D. FORD FEDERAL DIRECT LOAN PROGRAM

Subsidized, Direct Unsubsidized, or Direct PLUS Loan:

(1) A statement, as described in 34 CFR Part 688, that the loan will be used for the cost of the student's attendance.

(2) Information demonstrating that the borrower is eligible for the loan.

(3) Information concerning the outstanding FFEL Program and Direct Loan Program loans of the borrower and, for a parent borrower, of the student, including any Federal Consolidation Loan or Direct Consolidation Loan.

(4) A statement authorizing the school to release to the Secretary information relevant to the student's eligibility to borrow or to have a parent borrow on the student's behalf (e.g., the student's enrollment status, financial assistance, and employment records).

(b)(1) The borrower shall promptly notify the Secretary of any change of name, address, student status to less than half-time, employer, or employer's address; and

(2) The borrower shall promptly notify the school of any change in address during enrollment.

(c) Borrower defenses. (1) In any proceeding to collect on a Direct Loan, the borrower may assert as a defense against repayment, any act or omission of the school attended by the student that would give rise to a cause of action against the school under applicable State law. These proceedings include, but are not limited to, the following:

(i) Tax refund offset proceedings under 34 CFR 30.33.

(ii) Wage garnishment proceedings under section 488A of the Act.

(iv) Credit bureau reporting proceedings under 31 U.S.C. 3711(f).

(2) If the borrower's defense against repayment is successful, the Secretary notifies the borrower that the borrower is relieved of the obligation to repay all or part of the loan and associated costs and fees that the borrower would otherwise be obligated to pay. The Secretary affords the borrower such further relief as the Secretary determines is appropriate under the circumstances. Further relief may include, but is not limited to, the following:

(i) Reimbursing the borrower for amounts paid toward the loan voluntarily or through enforced collection.

(ii) Determining that the borrower is not in default on the loan and is eligible to receive assistance under title IV of the Act.

(iii) Updating reports to credit bureaus to which the Secretary previously made adverse credit reports with regard to the borrower's Direct Loan.

(3) The Secretary may initiate an appropriate proceeding to require the school whose act or omission resulted in the borrower's successful defense against repayment of a Direct Loan to pay to the Secretary the amount of the loan to which the defense applies. However, the Secretary does not initiate such a proceeding after the period for the retention of records described in Sec. 685.309(c) unless the school received actual notice of the claim during that period.

Sec. 685.207 Obligation to repay.

(a) Obligation of repayment in general. (1) A borrower is obligated to repay the full amount of a Direct Loan, including the principal balance, fees, any collection costs charged under Sec. 685.202(e), and any interest not subsidized by the Secretary, unless the borrower is relieved of the obligation to repay as provided in this part.

(2) The borrower's repayment of a Direct Loan may also be subject to the deferment provisions in Sec. 685.204, the forbearance provisions in Sec. 685.205, and the discharge provisions in Sec. 685.212.

(b) Direct Subsidized Loan repayment. (1) During the period in which a borrower is enrolled at an eligible school on at least a half-time basis, the borrower is in an "in-school" period and is not required to make payments on a Direct Subsidized Loan unless:

(i) The loan entered repayment before the in-school period began; and

(ii) The borrower has not been granted a deferment under Sec. 685.204.

(2)(i) When a borrower ceases to be enrolled at an eligible school on at least a half-time basis, a six-month grace period begins, unless the grace period has been previously exhausted.
(ii) During a grace period, the borrower is not required to make payments on a Direct Subsidized Loan.

(3) A borrower is not obligated to pay interest on a Direct Subsidized Loan for in-school or grace periods unless the borrower is required to make payments on the loan during those periods under paragraph (b)(1) of this section.

(4) The repayment period for a Direct Subsidized Loan begins the day after the grace period ends. A borrower is obligated to repay the loan under paragraph (a) of this section during the repayment period.

(c) Direct Unsubsidized Loan repayment. (1) During the period in which a borrower is enrolled at an eligible school on at least a half-time basis, the borrower is in an "in-school" period and is not required to make payments of principal on a Direct Unsubsidized Loan unless—

(i) The loan entered repayment before the in-school period began; and

(ii) The borrower has not been granted a deferment under Sec. 685.204.

(2)(i) When a borrower ceases to be enrolled at an eligible school on at least a half-time basis, a six-month grace period begins, unless the grace period has been previously exhausted.

(ii) During a grace period, the borrower is not required to make any principal payments on a Direct Unsubsidized Loan.

(3) A borrower is responsible for the interest that accrues on a Direct Unsubsidized Loan during in-school and grace periods. Interest begins to accrue on the day the first installment is disbursed. Interest that accrues may be capitalized or paid by the borrower.

(4) The repayment period for a Direct Unsubsidized Loan begins the day after the grace period ends. A borrower is obligated to repay the loan under paragraph (a) of this section during the repayment period.

(d) Direct PLUS Loan repayment. The repayment period for a Direct PLUS Loan begins on the day the loan is fully disbursed. Interest begins to accrue on the day the first installment is disbursed. A borrower is obligated to repay the loan under paragraph (a) of this section during the repayment period.

(e) Direct Consolidation Loan repayment. (1) Except as provided in paragraphs (e)(2) and (e)(3) of this section, the repayment period for a Direct Consolidation Loan begins and interest begins to accrue on the day the loan is made. The borrower is obligated to repay the loan under paragraph (a) of this section during the repayment period.
PART 685—WILLIAM D. FORD FEDERAL DIRECT LOAN PROGRAM

(b) Standard repayment plan. (1) Under the standard repayment plan, a borrower shall repay a loan in full within ten years from the date the loan entered repayment by making fixed monthly payments.

(2) Periods of authorized deferment or forbearance are not included in the ten-year repayment period.

(3) A borrower's payments under the standard repayment plan are at least $50 per month, except that a borrower's final payment may be less than $50.

(4) The number of payments or the fixed monthly repayment amount may be adjusted to reflect changes in the variable interest rate identified in Sec. 685.202(a).

c) Extended repayment plan. (1) Under the extended repayment plan, a borrower shall repay a loan in full by making fixed monthly payments within an extended period of time that varies with the total amount of the borrower's loans, as described in paragraph (e) of this section.

(2) Periods of deferment and forbearance are not included in the number of years of repayment.

(3) A borrower makes fixed monthly payments of at least $50, except that a borrower's final payment may be less than $50.

(4) The number of payments or the fixed monthly repayment amount may be adjusted to reflect changes in the variable interest rate identified in Sec. 685.202(a).

(d) Graduated repayment plan. (1) Under the graduated repayment plan, a borrower shall repay a loan in full by making fixed monthly payments within a period of time that varies with the total amount of the borrower's loans, as described in paragraph (e) of this section.

(2) Periods of deferment and forbearance are not included in the number of years of repayment.

(3) The number of payments or the monthly repayment amount may be adjusted to reflect changes in the variable interest rate identified in Sec. 685.202(a).

(4) No scheduled payment under the graduated repayment plan may be less than the amount of interest accrued on the loan between monthly payments, less than 50 percent of the payment amount that would be required under the standard repayment plan, or more than 150 percent of the payment amount that would be required under the standard repayment plan.

e) Repayment period for the extended and graduated plans. Under the extended and graduated repayment plans, if the total amount of the borrower's Direct Loans is—

(1) Less than $10,000, the borrower shall repay the loans within 12 years of entering repayment;

(2) Greater than or equal to $10,000 but less than $20,000, the borrower shall repay the loans within 15 years of entering repayment;

(3) Greater than or equal to $20,000 but less than $40,000, the borrower shall repay the loans within 20 years of entering repayment;

(4) Greater than or equal to $40,000 but less than $60,000, the borrower shall repay the loans within 25 years of entering repayment; and

(5) Greater than or equal to $60,000, the borrower shall repay the loans within 30 years of entering repayment.

(f) Income contingent repayment plan. (1) Under the income contingent repayment plan, a borrower's monthly repayment amount is generally based on the total amount of the borrower's Direct Loans, family size, and Adjusted Gross Income (AGI) reported by the borrower for the most recent year for which the Secretary has obtained income information. The borrower's AGI includes the income of the borrower's spouse. A borrower shall make payments on a loan until the loan is repaid in full or until the loan has been in repayment through the end of the income contingent repayment period.

(2) The regulations in effect at the time a borrower enters repayment and selects the income contingent repayment plan or changes into the income contingent repayment plan from another plan govern the method for determining the borrower's monthly repayment amount for all of the borrower's Direct Loans, unless—

(i) The Secretary amends the regulations relating to a borrower's monthly repayment amount under the income contingent repayment plan; and

(ii) The borrower submits a written request that the amended regulations apply to the repayment of the borrower's Direct Loans.

(3) Provisions governing the income contingent repayment plan are set out in Sec. 685.209.

(g) Alternative repayment. (1) The Secretary may provide an alternative repayment plan for a borrower who demonstrates to the Secretary's satisfaction that the terms and conditions of the repayment plans specified in paragraphs (b) through (f) of this section are not adequate to accommodate the borrower's exceptional circumstances.
(2) The Secretary may require a borrower to provide evidence of the borrower's exceptional circumstances before permitting the borrower to repay a loan under an alternative repayment plan.

(3) If the Secretary agrees to permit a borrower to repay a loan under an alternative repayment plan, the Secretary notifies the borrower in writing of the terms of the plan. After the borrower receives notification of the terms of the plan, the borrower may accept the plan or choose another repayment plan.

(4) A borrower shall repay a loan under an alternative repayment plan within 30 years of the date the loan entered repayment, not including periods of deferment and forbearance.

(5) If the amount of a borrower's monthly payment under an alternative repayment plan is less than the accrued interest on the loan, the unpaid interest is capitalized until the outstanding principal amount is 10 percent greater than the original principal amount. After the outstanding principal amount is 10 percent greater than the original principal amount, interest continues to accrue but is not capitalized. For purposes of this paragraph, the original principal amount is the amount owed by the borrower when the borrower enters repayment.

Note: (f)(1) and (2) revised June 19, 1996, effective July 1, 1996, (f)(2) revised May 9, 1997, effective July 1, 1996.

Sec. 685.209 Income contingent repayment plan.

(a) Repayment amount calculation. (1) The amount the borrower would repay is based upon the borrower's Direct Loan debt when the borrower's first loan enters repayment, and this basis for calculation does not change unless the borrower obtains another Direct Loan or the borrower and the borrower's spouse obtain approval to repay their loans jointly under paragraph (b)(2) of this section. If the borrower obtains another Direct Loan, the amount the borrower would repay is based on the combined amounts of the loans when the last loan enters repayment. If the borrower and the borrower's spouse repay the loans jointly, the amount the borrowers would repay is based on both borrowers' Direct Loan debts at the time they enter joint repayment.

(2) The annual amount payable under the income contingent repayment plan by a borrower is the lesser of-

(i) The amount the borrower would repay annually over 12 years using standard amortization multiplied by an income percentage factor that corresponds to the borrower's adjusted gross income (AGI) as shown in the income percentage factor table in Appendix A to this part; or

(ii) 20 percent of discretionary income.

(3) For purposes of this section, discretionary income is defined as a borrower's AGI minus the amount of the "HHS Poverty Guidelines for all States (except Alaska and Hawaii) and the District of Columbia" as published by the United States Department of Health and Human Services on an annual basis. For residents of Alaska and Hawaii, discretionary income is defined as a borrower's AGI minus the amounts in the "HHS Poverty Guidelines for Alaska" and the "HHS Poverty Guidelines for Hawaii" respectively. If a borrower provides documentation acceptable to the Secretary that the borrower has more than one person in the borrower's family, the Secretary applies the HHS Poverty Guidelines for the borrower's family size.

(4) For exact incomes not shown in the income percentage factor table in Appendix A, an income percentage factor is calculated, based upon the intervals between the incomes and income percentage factors shown on the table.

(5) Each year, the Secretary recalculates the borrower's annual payment amount based on changes in the borrower's AGI, the variable interest rate, the income percentage factors in the table in Appendix A, and updated HHS Poverty Guidelines (if applicable).

(6) If a borrower's monthly payment is calculated to be greater than $0 but less than or equal to $5.00, the amount payable by the borrower shall be $5.00.

(7) For purposes of the annual recalculation described in paragraph (a)(5) of this section, after periods in which a borrower makes payments that are less than interest accrued on the loan, the payment amount is recalculated based upon unpaid accrued interest and the highest outstanding principal loan amount (including amount capitalized) calculated for that borrower while paying under the income contingent repayment plan.

(8) For each calendar year after calendar year 1996, the Secretary publishes in the Federal Register a revised income percentage factor table reflecting changes based on inflation. This revised table is developed by changing each of the dollar amounts contained in the table by a percentage equal to the estimated percentage changes in the Consumer Price Index (as determined by the Secretary) between December 1995 and the December next preceding the beginning of such calendar year.

The HHS Poverty Guidelines are available from the Office of the Assistant Secretary for Planning and Evaluation, Department of Health and Human Services (HHS), Room 438F, Humphrey Building, 200 Independence Avenue, S.W., Washington, D.C. 20201.
or forbearance. The repayment period also does not include periods in which the borrower makes payments under an extended repayment plan in which payments are based on a repayment period that is longer than 12 years.

(iii) If a borrower repays more than one loan under the income contingent repayment plan, a separate repayment period for each loan begins when that loan enters repayment.

(iv) If a borrower has not repaid a loan in full at the end of the 25-year repayment period under the income contingent repayment plan, the Secretary cancels the unpaid portion of the loan.

(v) At the beginning of the repayment period under the income contingent repayment plan, a borrower shall make monthly payments of the amount of interest that accrues on the borrower's Direct Loans until the Secretary calculates the borrower's monthly repayment amount on the basis of the borrower's income.

(5) Limitation on capitalization of interest. If the amount of a borrower's monthly payment is less than the accrued interest, the unpaid interest is capitalized until the outstanding principal amount is ten percent greater than the original principal amount. After the outstanding principal amount is ten percent greater than the original amount, interest continues to accrue but is not capitalized. For purposes of this paragraph, the original amount is the amount owed by the borrower when the borrower enters repayment.

(6) Notification of terms and conditions. When a borrower elects or is required by the Secretary to repay a loan under the income contingent repayment plan, the Secretary notifies the borrower of the terms and conditions of the plan, including—

(i) That the Internal Revenue Service will disclose certain tax return information to the Secretary or the Secretary's agents; and

(ii) That if the borrower believes that special circumstances warrant an adjustment to the borrower's repayment obligations, as described in Sec. 685.209(c)(3), the borrower may contact the Secretary and obtain the Secretary's determination as to whether an adjustment is appropriate.

(7) Consent to disclosure of tax return information. (i) A borrower shall provide written consent to the disclosure of certain tax return information by the Internal Revenue Service (IRS) to agents of the Secretary for purposes of calculating a monthly repayment amount and servicing and collecting a loan under the income contingent repayment plan. The borrower shall provide consent by signing a consent form, developed consistent with 26 CFR 301.6103(c)-1 and provided to the borrower by the Secretary, and shall return the signed form to the Secretary.
(ii) The borrower shall consent to disclosure of the borrower's taxpayer identity information as defined in 26 U.S.C. 6103(b)(6), tax filing status, and AGI.

(iii) The borrower shall provide consent for a period of five years from the date the borrower signs the consent form. The Secretary provides the borrower a new consent form before that period expires. The IRS does not disclose tax return information after the IRS has processed a borrower's withdrawal of consent.

(iv) The Secretary designates the standard repayment plan for a borrower who selects the income contingent repayment plan but--

(A) Fails to provide the required written consent;

(B) Fails to renew written consent upon the expiration of the five-year period for consent; or

(C) Withdraws consent and does not select another repayment plan.

(v) If a borrower defaults and the Secretary designates the income contingent repayment plan for the borrower but the borrower fails to provide the required written consent, the Secretary mails a notice to the borrower establishing a repayment schedule for the borrower.

Note: OMB control number added June 28, 1995, effective July 1, 1995. (a) and (b) amended; (c) removed; (d) redesignated as (c); new (c)(2) through (5) redesignated as (c)(4) through (7), respectively; (c)(2) and (c)(3) added December 1, 1995, effective July 1, 1996. Note: (a)(6) through (8) redesignated (a)(7) through (9) and new (a)(6) added; (c)(6)(ii) revised June 19, 1996, effective July 1, 1996.

Sec. 685.210 Choice of repayment plan.

(a) Initial selection of a repayment plan. (1) Before a Direct Loan enters into repayment, the Secretary provides the borrower a description of the available repayment plans and requests the borrower to select one. A borrower may select a repayment plan before the loan enters repayment by notifying the Secretary of the borrower's selection in writing.

(2) If a borrower does not select a repayment plan, the Secretary designates the standard repayment plan described in Sec. 685.208(b) for the borrower.

(b) Changing repayment plans. (1) A borrower may change repayment plans at any time after the loan has entered repayment by notifying the Secretary. However, a borrower who is repaying a defaulted loan under the income contingent repayment plan under Sec. 685.211(c)(3)(ii) may not change to another repayment plan unless--

(i) The borrower was required to and did make a payment under the income contingent repayment plan in each of the prior three (3) months; or

(ii) The borrower was not required to make payments but made three reasonable and affordable payments in each of the prior three months; and

(iii) The borrower makes and the Secretary approves a request to change plans.

(2)(i) A borrower may not change to a repayment plan that has a maximum repayment period of less than the number of years the loan has already been in repayment, except that a borrower may change to the income contingent repayment plan at any time.

(ii) If a borrower changes plans, the repayment period is the period provided under the borrower's new repayment plan, calculated from the date the loan initially entered repayment. However, if a borrower changes to the income contingent repayment plan, the repayment period is calculated as described in Sec. 685.209(d)(2).

(Authority: 20 U.S.C. 1087a et seq.)

Sec. 685.211 Miscellaneous repayment provisions.

(a) Payment application and prepayment. (1) The Secretary applies any payment first to any accrued charges and collection costs, then to any outstanding interest, and then to outstanding principal.

(2) A borrower may prepay all or part of a loan at any time without penalty. If a borrower pays any amount in excess of the amount due, the excess amount is a prepayment.

(3) If a prepayment equals or exceeds the monthly repayment amount under the borrower's repayment plan, the Secretary--

(i) Applies the prepaid amount according to paragraph (a)(1) of this section;

(ii) Advances the due date of the next payment unless the borrower requests otherwise; and

(iii) Notifies the borrower of any revised due date for the next payment.

(4) If a prepayment is less than the monthly repayment amount, the Secretary applies the prepayment according to paragraph (a)(1) of this section.
(b) Refunds from schools. The Secretary applies any refund due to a borrower that the Secretary receives from a school under Sec. 668.22 against the borrower's outstanding principal and notifies the borrower of the refund.

(c) Default. (1) Acceleration. If a borrower defaults on a Direct Loan, the entire unpaid balance and accrued interest are immediately due and payable.

(2) Collection charges. If a borrower defaults on a Direct Loan, the Secretary assesses collection charges in accordance with Sec. 685.202(e).

(3) Collection of a defaulted loan. (i) The Secretary may take any action authorized by law to collect a defaulted Direct Loan including, but not limited to, filing a lawsuit against the borrower, reporting the default to national credit bureaus, requesting the Internal Revenue Service to offset the borrower's Federal income tax refund, and garnishing the borrower's wages.

(ii) If a borrower defaults on a Direct Subsidized Loan, a Direct Unsubsidized Loan, a Direct Unsubsidized Consolidation Loan or a Direct Subsidized Consolidation Loan, the Secretary may designate the income contingent repayment plan for the borrower.

(d) Ineligible borrowers. (1) The Secretary determines that a borrower is ineligible if, at the time the loan was made and without the school's or the Secretary's knowledge, the borrower (or the student on whose behalf a parent borrowed) provided false or erroneous information or took actions that caused the borrower or student—

(i) To receive a loan for which the borrower is wholly or partially ineligible;

(ii) To receive interest benefits for which the borrower was ineligible; or

(iii) To receive loan proceeds for a period of enrollment for which the borrower was not eligible.

(2) If the Secretary makes the determination described in paragraph (d)(1) of this section, the Secretary sends an ineligible borrower a demand letter that requires the borrower to repay some or all of a loan, as appropriate. The demand letter requires that within 30 days from the date the letter is mailed, the borrower repay any principal amount for which the borrower is ineligible and any accrued interest, including interest subsidized by the Secretary, through the previous quarter.

(3) If a borrower fails to comply with the demand letter described in paragraph (d)(2) of this section, the borrower is in default on the entire loan.

(4) A borrower may not consolidate a loan under Sec. 685.215 for which the borrower is wholly or partially ineligible.

(e) Rehabilitation of defaulted loans. A defaulted Direct Loan is rehabilitated if the borrower makes 12 consecutive on-time, reasonable, and affordable monthly payments. The amount of such a payment is determined on the basis of the borrower's total financial circumstances. If a defaulted loan is rehabilitated, the Secretary instructs any credit bureau to which the default was reported to remove the default from the borrower's credit history.

Sec. 685.212 Discharge of a loan obligation.

(a) Death. If the Secretary receives acceptable documentation that a borrower (or the student on whose behalf a parent borrowed) has died, the Secretary discharges the obligation of the borrower and any endorser to make any further payments on the loan.

(b) Total and permanent disability. (1) If the Secretary receives acceptable documentation that a borrower has become totally and permanently disabled, the Secretary discharges the obligation of the borrower and any endorser to make any further payments on the loan.

(2) Except as provided in paragraph (b)(3)(i) of this section, a borrower is not considered totally and permanently disabled based on a condition that existed at the time the borrower applied for the loan unless the borrower's condition substantially deteriorated after the loan was made so as to render the borrower totally and permanently disabled.

(3)(i) For a Direct Consolidation Loan, a borrower is considered totally and permanently disabled if he or she would be considered totally and permanently disabled under paragraphs (b) (1) and (2) of this section for all of the loans that were included in the Direct Consolidation Loan if those loans had not been consolidated.

(ii) For the purposes of discharging a loan under paragraph (b)(3)(i) of this section, provisions in paragraphs (b) (1) and (2) of this section apply to each loan included in the Direct Consolidation Loan, even if the loan is not a Direct Loan Program loan.

(iii) If requested, a borrower seeking to discharge a loan obligation under paragraph (b)(3)(i) of this section must provide the Secretary with the disbursement dates of the underlying loans.

(c) Bankruptcy. If a borrower's obligation to repay a loan is discharged in bankruptcy, the Secretary does not require the borrower to make any further payments on the loan.
(d) Closed schools. If a borrower meets the requirements in Sec. 685.213, the Secretary discharges the obligation of the borrower and any endorser to make any further payments on the loan.

(e) False certification and unauthorized disbursement. If a borrower meets the requirements in Sec. 685.214, the Secretary discharges the obligation of the borrower and any endorser to make any further payments on the loan.

(f) Payments received after eligibility for discharge. Upon receipt of acceptable documentation and approval of the discharge request, the Secretary returns to the sender, or, for a discharge based on death, the borrower's estate, those payments received after the date that the eligibility requirements for discharge were met but prior to the date the discharge was approved. The Secretary also returns any payments received after the date the discharge was approved.

(g) Loan forgiveness demonstration program. If funds are appropriated for the loan forgiveness demonstration program authorized by section 428J of the Act, the Secretary follows the procedures and applies the standards in 34 CFR 682.215 for borrowers under the Direct Loan Program.

(Authority: 20 U.S.C. 1087a et seq.)

Sec. 685.213 Closed school discharge.

(a) General. (1) The Secretary discharges the borrower's (and any endorser's) obligation to repay a Direct Loan in accordance with the provisions of this section if the borrower (or the student on whose behalf a parent borrowed) did not complete the program of study for which the loan was made because the school at which the borrower (or student) was enrolled closed, as described in paragraph (c) of this section.

(2) For purposes of this section--

(i) A school's closure date is the date that the school ceases to provide educational instruction in all programs, as determined by the Secretary; and

(ii) "School" means a school's main campus or any location or branch of the main campus.

(b) Relief pursuant to discharge. (1) Discharge under this section relieves the borrower of any past or present obligation to repay the loan and any accrued charges or collection costs with respect to the loan.

(2) The discharge of a loan under this section qualifies the borrower for reimbursement of amounts paid voluntarily or through enforced collection on the loan.

(3) The Secretary does not regard a borrower who has defaulted on a loan discharged under this section as in default on the loan after discharge, and such a borrower is eligible to receive assistance under programs authorized by title IV of the Act.

(4) The Secretary reports the discharge of a loan under this section to all credit reporting agencies to which the Secretary previously reported the status of the loan.

(c) Borrower qualification for discharge. In order to qualify for discharge of a loan under this section, a borrower shall submit to the Secretary a written request and sworn statement, and the factual assertions in the statement must be true. The statement need not be notarized but must be made by the borrower under penalty of perjury. In the statement, the borrower shall--

(1) State that the borrower (or the student on whose behalf a parent borrowed)--

(i) Received the proceeds of a loan to attend a school;

(ii) Did not complete the program of study at that school because the school closed while the student was enrolled, or the student withdrew from the school not more than 90 days before the school closed (or longer in exceptional circumstances); and

(iii) Did not complete the program of study through a teach-out at another school or by transferring academic credits or hours earned at the closed school to another school;

(2) State whether the borrower (or student) has made a claim with respect to the school's closing with any third party, such as the holder of a performance bond or a tuition recovery program, and, if so, the amount of any payment received by the borrower (or student) or credited to the borrower's loan obligation; and

(3) State that the borrower (or student)--

(i) Agrees to provide to the Secretary upon request other documentation reasonably available to the borrower that demonstrates that the borrower meets the qualifications for discharge under this section; and

(ii) Agrees to cooperate with the Secretary in enforcement actions in accordance with paragraph (d) of this section and to transfer any right to recovery against a third party to the Secretary in accordance with paragraph (e) of this section.
PART 685—WILLIAM D. FORD FEDERAL DIRECT LOAN PROGRAM

(d) Cooperation by borrower in enforcement actions. (1) In order to obtain a discharge under this section, a borrower shall cooperate with the Secretary in any judicial or administrative proceeding brought by the Secretary to recover amounts discharged or to take other enforcement action with respect to the conduct on which the discharge was based. At the request of the Secretary and upon the Secretary’s tendering to the borrower the fees and costs that are customarily provided in litigation to reimburse witnesses, the borrower shall—

(i) Provide testimony regarding any representation made by the borrower to support a request for discharge;

(ii) Produce any documents reasonably available to the borrower with respect to those representations; and

(iii) If required by the Secretary, provide a sworn statement regarding those documents and representations.

(2) The Secretary denies the request for a discharge or revokes the discharge of a borrower who—

(i) Fails to provide the testimony, documents, or a sworn statement required under paragraph (d)(1) of this section; or

(ii) Provides testimony, documents, or a sworn statement that does not support the material representations made by the borrower to obtain the discharge.

(e) Transfer to the Secretary of borrower’s right of recovery against third parties. (1) Upon discharge under this section, the borrower is deemed to have assigned to and relinquished in favor of the Secretary any right to a loan refund (up to the amount discharged) that the borrower (or student) may have by contract or applicable law with respect to the loan or the enrollment agreement for the program for which the loan was received, against the school, its principals, its affiliates and their successors, its sureties, and any private fund, including the portion of a public fund that represents funds received from a private party.

(2) The provisions of this section apply notwithstanding any provision of State law that would otherwise restrict transfer of those rights by the borrower (or student), limit or prevent a transferee from exercising those rights, or establish procedures or a scheme of distribution that would prejudice the Secretary’s ability to recover on those rights.

(3) Nothing in this section limits or forecloses the borrower’s (or student’s) right to pursue legal and equitable relief regarding disputes arising from matters unrelated to the discharged Direct Loan.

(f) Discharge procedures. (1) After confirming the date of a school’s closure, the Secretary identifies any Direct Loan borrower (or student on whose behalf a parent borrowed) who appears to have been enrolled at the school on the school closure date or to have withdrawn not more than 90 days prior to the closure date.

(2) If the borrower’s current address is known, the Secretary mails the borrower a discharge application and an explanation of the qualifications and procedures for obtaining a discharge. The Secretary also promptly suspends any efforts to collect from the borrower on any affected loan. The Secretary may continue to receive borrower payments.

(3) If the borrower’s current address is unknown, the Secretary attempts to locate the borrower and determines the borrower’s potential eligibility for a discharge under this section by consulting with representatives of the closed school, the school’s licensing agency, the school’s accrediting agency, and other appropriate parties. If the Secretary learns the new address of a borrower, the Secretary mails to the borrower a discharge application and explanation and suspends collection, as described in paragraph (h)(2) of this section.

(4) If a borrower fails to submit the written request and sworn statement described in paragraph (c) of this section within 60 days of the Secretary’s mailing the discharge application, the Secretary resumes collection and grants forbearance of principal and interest for the period in which collection activity was suspended. The Secretary may capitalize any interest accrued and not paid during that period.

(5) If the Secretary determines that a borrower who requests a discharge meets the qualifications for a discharge, the Secretary notifies the borrower in writing of that determination.

(6) If the Secretary determines that a borrower who requests a discharge does not meet the qualifications for a discharge, the Secretary notifies that borrower in writing of that determination and the reasons for the determination.

Sec. 685.214 Discharge for false certification of student eligibility or unauthorized payment.

(a) Basis for discharge. (1) False certification. The Secretary discharges a borrower’s (and any endorser’s) obligation to repay a Direct Loan in accordance with the provisions of this section if a school falsely certifies the eligibility of the borrower (or the student on whose behalf a parent borrowed) to receive the loan. The Secretary considers a student’s eligibility to borrow to have been falsely certified by
PART 685—WILLIAM D. FORD FEDERAL DIRECT LOAN PROGRAM

the school if the school--

(i) Certified the student's eligibility for a Direct Loan on the basis of ability to benefit from its training and the student did not meet the eligibility requirements described in 34 CFR part 668 and section 484(d) of the Act, as applicable;

(ii) Signed the borrower's name on the loan application or promissory note without the borrower's authorization; or

(iii) Certified the eligibility of a student who, because of a physical or mental condition, age, criminal record, or other reason accepted by the Secretary, would not meet the requirements for employment (in the student's State of residence when the loan was originated) in the occupation for which the training program supported by the loan was intended.

(2) Unauthorized payment. The Secretary discharges a borrower's (and any endorser's) obligation to repay a Direct Loan if the school, without the borrower's authorization, endorsed the borrower's loan check or signed the borrower's authorization for electronic funds transfer, unless the proceeds of the loan were delivered to the student or applied to charges owed by the student to the school.

(b) Relief pursuant to discharge. (1) Discharge for false certification under paragraph (a)(1) of this section relieves the borrower of any past or present obligation to repay the loan and any accrued charges and collection costs with respect to the loan.

(2) Discharge for unauthorized payment under paragraph (a)(2) of this section relieves the borrower of the obligation to repay the amount of the payment discharged.

(3) The discharge under this section qualifies the borrower for reimbursement of amounts paid voluntarily or through enforced collection on the discharged loan or payment.

(4) The Secretary does not regard a borrower who has defaulted on a loan discharged under this section as in default on the loan after discharge, and such a borrower is eligible to receive assistance under programs authorized by title IV of the Act.

(5) The Secretary reports the discharge under this section to all credit reporting agencies to which the Secretary previously reported the status of the loan.

(c) Borrower qualification for discharge. In order to qualify for discharge under this section, the borrower shall meet the requirements in paragraphs (c)(1) through (5) of this section

(1) Ability to benefit. In the case of a borrower requesting a discharge based on the school's defective testing of the student's ability to benefit, the borrower shall state that the borrower (or the student on whose behalf a parent borrowed)--

(i) Received a disbursement of a loan to attend a school;

(ii) Received a Direct Loan at that school on the basis of an ability to benefit from the school's training and did not meet the eligibility requirements described in 34 CFR Part 668 and section 484(d) of the Act, as applicable; and

(iii) Either--

(A) Withdrew from the school and did not find employment in the occupation for which the training program was intended; or

(B) Completed the training program for which the loan was made, made reasonable attempts to obtain employment in the occupation for which the program was intended, and was not able to find employment in that occupation or obtained employment in that occupation only after receiving additional training that was not provided by the school that originated the loan.

(2) Unauthorized loan. In the case of a borrower requesting a discharge because the school signed the borrower's name on the loan application or promissory note without the borrower's authorization, the borrower shall--

(i) State that he or she did not sign the document in question or authorize the school to do so; and

(ii) Provide five different specimens of his or her signature, two of which must be within one year before or after the date of the contested signature.

(3) Unauthorized payment. In the case of a borrower requesting a discharge because the school, without the borrower's authorization, endorsed the borrower's loan check or signed the borrower's authorization for electronic funds transfer, the borrower shall--

(i) State that he or she did not endorse the loan check or sign the authorization for electronic funds transfer or authorize the school to do so; and

(ii) Provide five different specimens of his or her signature, two of which must be within one year before or after the date of the contested signature.
(iii) State that the proceeds of the contested disbursement were not delivered to the student or applied to charges owed by the student to the school.

(4) Claim to third party. The borrower shall state whether the borrower (or student) has made a claim with respect to the school's false certification or unauthorized payment with any third party, such as the holder of a performance bond or a tuition recovery program, and, if so, the amount of any payment received by the borrower (or student) or credited to the borrower's loan obligation.

(5) Cooperation with Secretary. The borrower shall state that the borrower (or student):

(i) Agrees to provide to the Secretary upon request other documentation reasonably available to the borrower that demonstrates that the borrower meets the qualifications for discharge under this section; and

(ii) Agrees to cooperate with the Secretary in enforcement actions as described in Sec. 685.213(d) and to transfer any right to recovery against a third party to the Secretary as described in Sec. 685.213(e).

(d) Discharge procedures. (1) If the Secretary determines that a borrower's Direct Loan may be eligible for a discharge under this section, the Secretary mails the borrower a disclosure application and an explanation of the qualifications and procedures for obtaining a discharge. The Secretary also promptly suspends any efforts to collect from the borrower on any affected loan. The Secretary may continue to receive borrower payments.

(2) If the borrower fails to submit the written request and sworn statement described in paragraph (c) of this section within 60 days of the Secretary's mailing the disclosure application, the Secretary resumes collection and grants forbearance of principal and interest for the period in which collection activity was suspended. The Secretary may capitalize any interest accrued and not paid during that period.

(3) If the borrower submits the written request and sworn statement described in paragraph (c) of the section, the Secretary determines whether to grant a request for discharge under this section by reviewing the request and sworn statement in light of information available from the Secretary's records and from other sources, including guaranty agencies, State authorities, and cognizant accrediting associations.

(4) If the Secretary determines that the borrower meets the applicable requirements for a discharge under paragraph (c) of this section, the Secretary notifies the borrower in writing of that determination.

(5) If the Secretary determines that the borrower does not qualify for a discharge, the Secretary notifies the borrower in writing of that determination and the reasons for the determination.

(e) Application for a Direct Consolidation Loan. To obtain a Direct Consolidation Loan, a borrower or borrowers shall submit a completed application to the Secretary. A single application may be used for one or more consolidation loans. A borrower may add eligible loans to a Direct Consolidation Loan by submitting a request to the Secretary within 180 days after the date on which the Direct Consolidation Loan is originated.

(f) Origination of a consolidation loan. (1)(i) The holder of a loan that a borrower wishes to consolidate into a Direct Loan shall complete and return the Secretary's request for certification of the amount owed within 10 business days of receipt or, if it is unable to provide the certification, provide to the Secretary a written explanation of the reasons for its inability to provide the certification.

(ii) If the Secretary approves an application for a consolidation loan, the Secretary pays to each holder of a loan selected for consolidation the amount necessary to discharge the loan.
(iii) For a Direct Loan or FFEL Program loan that is in default, the Secretary limits collection costs that may be charged to the borrower to no more than those authorized under the FFEL Program and may impose reasonable limits on collection costs paid to the holder.

(1) A borrower may not repay a Direct PLUS Consolidation Loan under the income contingent repayment plan; and

(2) A borrower who became eligible to consolidate a defaulted loan under paragraph (d)(1)(i)(E) of this section shall repay the consolidation loan under the income contingent repayment plan unless--

(i) The borrower was required to and did make a payment under the income contingent repayment plan in each of the prior three (3) months; or

(ii) The borrower was not required to make payments but made three reasonable and affordable payments in each of the prior three (3) months; and

(iii) The borrower makes and the Secretary approves a request to change plans.

(i) Repayment period. (1) Except as noted in paragraph (i)(4) of this section, the repayment period for a Direct Consolidation Loan begins on the day the loan is disbursed.

(2) Under the extended or graduated repayment plan, the Secretary determines the repayment period under Sec. 685.208(e) on the basis of the outstanding balances on all of the borrower’s loans that are eligible for consolidation and the balances on other education loans except as provided in paragraph (h)(3) of this section.

(3)(i) The total amount of outstanding balances on the other education loans used to determine the repayment period under the graduated or extended repayment plan may not exceed the amount of the Direct Consolidation Loan.

(ii) The borrower may not be in default on the other education loan unless the borrower has made satisfactory repayment arrangements with the holder of the loan.

(iii) The lender of the other educational loan may not be an individual.

(4) A Direct Consolidation Loan receives a grace period if it includes a Direct Loan or FFEL Program loan for which the borrower is in an in-school period at the time of consolidation. The repayment period begins the day after the grace period ends.

(j) Repayment schedule. (1) The Secretary provides a borrower of a Direct Consolidation Loan a repayment schedule before the borrower’s first payment is due. The repayment schedule identifies the borrower’s monthly repayment amount under the repayment plan selected.

(8) Provide that eligible students at the school and their parents may participate in the programs under part B of the Act at the discretion of the Secretary for the period during which the school participates in the Direct Loan Program under part D of the Act, except that a student may not receive loans under both part D of the Act and part B of the Act for the same period of enrollment and a parent (borrowing for the same student) may not receive loans under both part D of the Act and part B of the Act for the same period of enrollment;

(1) A school participating in the Direct Loan Program shall ensure that any information it provides to the Secretary in connection with loan origination is complete and accurate. A school shall originate a Direct Loan while the student meets the borrower eligibility requirements of Sec. 685.200. Except as provided in 34 CFR Part 668, subpart E, a school may rely in good faith upon statements made in the application by the student.

(2) A school shall provide to the Secretary borrower information that includes but is not limited to--

(i) The borrower's eligibility for a loan, as determined in accordance with Sec. 685.200 and Sec. 685.203;

(ii) The student's loan amount; and

(3) A school may not originate a Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan, or a combination of loans, for an amount that--

(i) The school has reason to know would result in the borrower exceeding the annual or maximum loan amounts in Sec. 685.203; or

(A) The student's estimated financial assistance for that period; and

(B) In the case of a Direct Subsidized Loan, the borrower's expected family contribution for that period.

(5) The date of loan origination is the date a school creates the electronic loan origination record.

(6) If a student has received a determination of need for a Direct Subsidized Loan that is $200 or less, a school may choose not to originate a Direct Subsidized Loan for that student and to include the amount as part of a Direct Unsubsidized Loan.

(7) A school may refuse to originate a Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan or may reduce the borrower's determination of need for the loan if the reason for that action is documented and provided to the student in writing; and if--

(i) The determination is made on a case-by-case basis;

(ii) The documentation supporting the determination is retained in the student's file; and

(iii) The school does not engage in any pattern or practice that results in a denial of a borrower's access to Direct Loans because of the borrower's race, gender, color, religion, national origin, age, disability status, or income.

(8) A school may not assess a fee for the completion or certification of any Direct Loan Program forms or information or for the origination of a Direct Loan.
PART 685—WILLIAM D. FORD FEDERAL DIRECT LOAN PROGRAM

(7) The school must disburse loan proceeds in substantially equal installments, and no installment may exceed one-half of the loan.

(8) A school not in a State is not required to make more than one disbursement.

A school must submit the loan origination record and disbursement record to the Secretary no later than 30 days following the date of disbursement for each subsequent disbursement.

(2) A school that participates under standard origination must submit the initial and subsequent disbursement record to the Secretary no later than 30 days following the date of disbursement. Sec. 685.303 Processing loan proceeds.

(a) Purpose. This section establishes rules governing a school's processing of a borrower's Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan proceeds. The school shall also comply with any rules for processing loan proceeds contained in 34 CFR Part 668.

(b) General. (1)(i) A school that initiates the drawdown of funds. A school may not disburse loan proceeds to a borrower unless the school has obtained an executed, legally enforceable promissory note from the borrower.

(ii) A school that does not initiate the drawdown of funds. A school may disburse loan proceeds only to a borrower whom the school has received funds from the Secretary.

(2)(i) Except in the case of a late disbursement under paragraph (d) of this section, or as provided in paragraph (b)(2)(ii) of this section, a school may disburse loan proceeds only to a student, or a parent in the case of a PLUS Loan, if the school determines the student has continuously maintained eligibility in accordance with the provisions of Sec. 685.200 from the beginning of the loan period described in the promissory note.

(ii) In the event a student delays attending school for a period of time, the school may consider that student to have maintained eligibility for the loan from the first day of the period of enrollment. However, the school must comply with the requirements under paragraph (b)(3) of this section.

(iii) If, after a school makes the first disbursement to a borrower, the student becomes ineligible due solely to the school's loss of eligibility to participate in the title IV programs or the Direct Loan Program, the school may make subsequent disbursements to the borrower as permitted by 34 CFR Part 668.

(iv) If, prior to making any disbursement to a borrower, the student temporarily ceases to be enrolled on at least a half-time basis, the school may make a disbursement and any subsequent disbursement to the student if the school determines and documents in the student's file—

(A) That the student has resumed enrollment on at least a half-time basis;

(B) The student's revised cost of attendance; and

(C) That the student continues to qualify for the entire amount of the loan, notwithstanding any reduction in the student's cost of attendance caused by the student's temporary cessation of enrollment on at least a half-time basis.

(3) If a registered student withdraws or is expelled prior to the first day of classes of the period of enrollment for which the loan is made, or fails to attend school during that period, or if the school is unable for any other reason to document that the student attended school during that period, the school shall notify the Secretary, within 30 days of the date described in Sec. 685.305(a), of the student's withdrawal, expulsion, or failure to attend school, as applicable, and return to the Secretary—

(i) Any loan proceeds credited by the school to the student's account; and

(ii) The amount of payments made by the student to the school, to the extent that they do not exceed the amount of any loan proceeds disbursed by the school to the student.

(4) If a student is enrolled in the first year of an undergraduate program of study and has not previously received a Federal Stafford, Federal Supplemental Loans for Students, Direct Subsidized, or Direct Unsubsidized Loan, a school may not disburse the proceeds of a Direct Subsidized or Direct Unsubsidized Loan until 30 days after the first day of the student's program of study.

(c) Processing of the proceeds of a Direct Loan. Schools shall follow the procedures for disbursing funds in 34 CFR 668.164.

(d) Late Disbursement. A school may make a late disbursement according to the provisions found under 34 CFR 668.164(g).
(e) Treatment of excess loan proceeds. Before the disbursement of any Direct Subsidized or Direct Unsubsidized Loan proceeds, if a school learns that the borrower will receive or has received financial aid for the period of enrollment for which the loan was intended that exceeds the amount of assistance for which the student is eligible, the school shall reduce or eliminate the overaward by either—

(1) Using the student's Direct Unsubsidized, Direct PLUS, or State-sponsored or another non-Federal loan to cover the expected family contribution, if not already done; or

(2) Reducing one or more subsequent disbursements to eliminate the overaward.

Note: OMB control number added June 28, 1995, effective July 1, 1995. (b)(2)(i) revised and (d)(3)(iii) and (d)(3)(iv) added June 12, 1996, effective July 12, 1996. (c) and (d) amended November 29, 1996, effective July 1, 1997.

Sec. 685.304 Counseling borrowers.

(a) Initial counseling. (1) Except as provided in paragraph (a)(5) of this section, a school shall conduct initial counseling prior to making the first disbursement of the proceeds of a Direct Subsidized or Direct Unsubsidized Loan to a borrower unless—

(i) The borrower is enrolled in a correspondence program or a study-abroad program approved for credit at the home school; or

(ii) The borrower has received a prior Direct Subsidized, Direct Unsubsidized, Federal Stafford, Federal Unsubsidized Stafford, or Federal SLS Loan.

(2) The counseling must be in person, by audiovisual presentation, or by computer-assisted technology. In each case, the school shall ensure that an individual with knowledge of the title IV programs is reasonably available shortly after the counseling to answer the borrower's questions regarding those programs. In the case of a student enrolled in a correspondence program or a study-abroad program approved for credit at the home school, the school shall provide the borrower with written counseling materials by mail prior to disbursing the loan proceeds.

(3) In conducting the initial counseling, the school shall—

(i) Emphasize to the borrower the seriousness and importance of the repayment obligation the borrower is assuming;

(ii) Describe in forceful terms the likely consequences of default, including adverse credit reports, garnishment of wages, and litigation;

(iii) Provide the borrower with general information with respect to the average indebtedness of students who have obtained Direct Subsidized or Direct Unsubsidized Loans for attendance at that school or in the borrower's program of study; and

(iv) Inform the student as to the average anticipated monthly repayment for those students based on the average indebtedness provided under paragraph (a)(3)(iii) of this section.

(4) Additional matters that the Secretary recommends that a school include in the initial counseling session or materials are set forth in Appendix D to 34 CFR Part 686.

(5) A school may adopt an alternative approach for initial counseling as part of the school's quality assurance plan described in Sec. 685.300(b)(9). If a school adopts an alternative approach, it is not required to meet the requirements of paragraphs (a)(1)-(3) of this section unless the Secretary determines that the alternative approach is not adequate for the school. The alternative approach must—

(i) Ensure that each borrower subject to initial counseling under paragraph (a)(1) of this section is provided written counseling materials that contain the information described in paragraph (a)(3) of this section;

(ii) Be designed to target those students who are most likely to default on their repayment obligations and provide them more intensive counseling and support services; and

(iii) Include performance measures that demonstrate the effectiveness of the school's alternative approach. These performance measures must include objective outcomes, such as levels of borrowing, default rates, and withdrawal rates.

(b) Exit counseling. (1) A school shall conduct in-person exit counseling with each Direct Subsidized or Direct Unsubsidized Loan borrower shortly before the borrower ceases at least half-time study at the school, except that—

(i) In the case of a correspondence program, the school shall provide the borrower with written counseling materials by mail within 30 days after the borrower completes the program; and

(ii) If the borrower withdraws from school without the school's prior knowledge or fails to attend an exit counseling session as scheduled, the school shall mail written counseling materials to the borrower at the borrower's last known address within 30 days after the school learns that the borrower has...
PART 685—WILLIAM D. FORD FEDERAL DIRECT LOAN PROGRAM

withdrawn from school or failed to attend the scheduled session.

(2) In conducting the exit counseling, the school shall—

(i) Inform the student of the average anticipated monthly repayment amount based on the student's indebtedness or on the average indebtedness of students who have obtained Direct Subsidized or Direct Unsubsidized Loans for attendance at that school or in the borrower's program of study.

(ii) Review for the borrower available repayment options including the standard repayment, extended repayment, graduated repayment, and income contingent repayment plans, and loan consolidation;

(iii) Provide options to the borrower concerning those debt-management strategies that the school determines would facilitate repayment by the borrower;

(iv) Explain to the borrower how to contact the party servicing the student's Direct Loans;

(v) Meet the requirements described in paragraphs (a)(3) (i) and (ii) of this section;

(vi) Review with the borrower the conditions under which the borrower may defer repayment or obtain cancellation of a loan; and

(vii) Require the borrower to provide corrections to the school's records concerning name, address, social security number, references, and driver's license number and State of issuance, as well as the name and address of the borrower's expected employer (if known). The school shall provide this information to the Secretary within 60 days.

(3) Additional matters that the Secretary recommends that a school include in the exit counseling session or materials are set forth in Appendix D to 34 CFR Part 668.

(4) The school shall maintain in the student borrower's file documentation substantiating the school's compliance with paragraphs (a) and (b) of this section as to that borrower.

(Authority: 20 U.S.C. 1087a et seq.)

Sec. 685.305 Determining the date of a student's withdrawal.

(a) Except as provided in paragraph (b) of this section, a school shall follow the procedures in 34 CFR 668.22(j) for determining the student's date of withdrawal.

(b) For a student who does not return for the next scheduled term following a summer break, which includes any summer term(s) in which classes are offered but students are not generally required to attend, a school shall follow the procedures in 34 CFR 668.22(j) for determining the student's date of withdrawal except that the school must determine the student's date of withdrawal no later than 30 days after the start of the next scheduled term.

(c) The school shall use the date determined under paragraph (a) or (b) of this section for the purpose of reporting to the Secretary the student's date of withdrawal and for determining when a refund must be paid under Sec. 685.306.

(Authority: 20 U.S.C. 1087 et seq.)

Note: Section revised June 12, 1996, effective July 12, 1996.

Sec. 685.306 Payment of a refund to the Secretary.

(a) General. By applying for a Direct Loan, a borrower authorizes the school to pay directly to the Secretary that portion of a refund from the school that is allocable to the loan. A school—

(1) Shall pay that portion of the student's refund that is allocable to a Direct Loan to the Secretary; and

(2) Shall provide simultaneous written notice to the borrower if the school pays a refund to the Secretary on behalf of that student.

(b) Determination, allocation, and payment of a refund. In determining the portion of a student's refund that is allocable to a Direct Loan, the school shall follow the procedures established in 34 CFR 668.22 for allocating and paying a refund that is due.

(Authority: 20 U.S.C. 1087a et seq.)

Sec. 685.307 Withdrawal procedure for schools participating in the Direct Loan Program.

(a) A school participating in the Direct Loan Program may withdraw from the program by providing written notice to the Secretary.

(b) A participating school that intends to withdraw from the Direct Loan Program shall give at least 60 days notice to the Secretary.

(c) Unless the Secretary approves an earlier date, the withdrawal is effective on the later of—

(1) 60 days after the school notifies the Secretary; or

PART 685—WILLIAM D. FORD FEDERAL DIRECT LOAN PROGRAM

Sec. 685.308 Remedial actions.

(a) General. The Secretary may require the repayment of funds and the purchase of loans by the school if the Secretary determines that the unenforceability of a loan or loans, or the disbursement of loan amounts for which the borrower was ineligible, resulted in whole or in part from—

(1) The school’s violation of a Federal statute or regulation; or

(2) The school’s negligent or willful false certification.

(b) In requiring a school to repay funds to the Secretary or to purchase loans from the Secretary in connection with an audit or program review, the Secretary follows the procedures described in 34 CFR part 668, subpart H.

(c) The Secretary may impose a fine or take an emergency action against a school or limit, suspend, or terminate a school’s participation in the Direct Loan Program in accordance with 34 CFR part 668, subpart G.

Sec. 685.309 Administrative and fiscal control and fund accounting requirements for schools participating in the Direct Loan Program.

(a) General. A participating school shall—

(1) Establish and maintain proper administrative and fiscal procedures and all necessary records as set forth in this part and in 34 CFR part 668; and

(2) Submit all reports required by this part and 34 CFR part 668 to the Secretary.

(b) Student status confirmation reports. A school shall—

(1) Upon receipt of a student status confirmation report from the Secretary, complete and return that report to the Secretary within 30 days of receipt; and

(2) Unless it expects to submit its next student status confirmation report to the Secretary within the next 60 days, notify the Secretary within 30 days if it discovers that a Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan has been made to or on behalf of a student who—

(i) Enrolled at that school but has ceased to be enrolled on at least a half-time basis;

(ii) Has been accepted for enrollment at that school but failed to enroll on at least a half-time basis for the period for which the loan was intended; or

(iii) Has changed his or her permanent address.

(3) The Secretary provides student status confirmation reports to a school at least semi-annually.

(4) The Secretary may provide the student status confirmation report in either paper or electronic format.

(c) Record retention requirements. An institution shall follow the record retention and examination requirements in this part and in 34 CFR 668.24.

(d) Accounting requirements. A school shall follow accounting requirements in 34 CFR 668.24(b).

(e) Direct Loan Program bank account. Schools shall follow the procedures for maintaining funds established in 34 CFR 668.163.

(f) Division of functions. Schools shall follow the procedures for division of functions in 34 CFR 668.16(c).

(g) Limit on use of funds. Except for funds paid to a school under section 452(b)(1) of the Act, funds received by a school under this part may be used only to make Direct Loans to eligible borrowers and may not be used or hypothecated for any other purpose.

Subpart D—School Participation and Loan Origination in the Direct Loan Program

Sec. 685.400 School participation requirements for academic years 1996-1997 and beyond.

(a)(1) In order to qualify for initial participation in the Direct Loan Program, a school must meet the eligibility requirements in section 435(a) of the Act, including the requirement that it have a cohort default rate of less than 25 percent for at least one of the three most recent fiscal years for
which data are available unless the school is exempt from this requirement under section 435(a)(2)(C) of the Act.

(2) In order to continue to participate in the Direct Loan Program, a school must continue to meet the requirements of paragraph (a)(1) of this section for years for which cohort default rate data represent the years prior to the school's participation in the Direct Loan Program.

(b) In order to qualify for initial participation, the school must not be subject to an emergency action or a proposed or final limitation, suspension, or termination action under sections 428(b)(1)(T), 432(h), or 487(c) of the Act.

(c) If schools apply as a consortium, each school in the consortium must meet the requirements in paragraphs (a) and (b) of this section.

(Authority: 20 U.S.C. 1087a et seq.)

Sec. 685.401 Selection criteria and process for academic years 1996-1997 and beyond.

(a) The Secretary selects schools to participate in the Direct Loan Program for an academic year beginning in 1996-1997 from among those that apply to participate.

(b) In evaluating an application from an eligible school, the Secretary--

(1) To the extent possible, selects schools that are reasonably representative of the schools that are participating in the FFEL Program in terms of anticipated loan volume, length of academic program, control of the school, highest degree offered, size of student enrollment, geographic location, annual loan volume, and default experience; and

(2) In order to ensure an expeditious but orderly transition from the FFEL Program to the Direct Loan Program, selects schools that the Secretary believes will make the transition as smooth as possible.

(Authority: 20 U.S.C. 1087a et seq.)

(Approved by the Office of Management and Budget under control number 1840-0672)

Note: OMB control number added June 28, 1995, effective July 1, 1995.

Sec. 685.402 Criteria for schools to originate loans for academic years 1996-1997 and beyond.

(a) Initial determination of origination status. (1) Standard origination. Any school eligible to participate in the Direct Loan Program under Sec. 685.400 is eligible to participate under standard origination.

(2) School Origination. To be eligible to originate loans, a school must meet the following criteria:

(i) Have participated in the Federal Perkins Loan Program, the Federal Pell Grant Program, or, for a graduate and professional school, a similar program for the three most recent years preceding the date of application to participate in the Direct Loan Program.

(ii) If participating in the Federal Pell Grant Program, not be on the reimbursement system of payment.

(iii) In the opinion of the Secretary, have had no severe performance deficiencies for any of the programs under title IV of the Act, including deficiencies demonstrated by the most recent audit or program review.

(iv) Be financially responsible in accordance with the standards of 34 CFR 668.15.

(v) Be current on program and financial reports and audits required under title IV of the Act for the 12-month period immediately preceding the date of application to participate in the Direct Loan Program.

(vi) Be current on Federal cash transaction reports required under title IV of the Act for the 12-month period immediately preceding the date of application to participate in the Direct Loan Program and have no final determination of cash on hand that exceeds immediate title IV program needs.

(vii) Have no material findings in any of the annual financial audits submitted for the three most recent years preceding the date of application to participate in the Direct Loan Program.

(viii) Provide an assurance that the school has no delinquent outstanding debts to the Federal Government, unless--

(A) Those debts are being repaid under or in accordance with a repayment arrangement satisfactory to the Federal Government; or

(B) The Secretary determines that the existence or amount of the debts has not been finally determined by the cognizant Federal agency.

(3) A school that meets the criteria to originate loans may participate under school origination option 1 or 2 or under standard origination.

(b) Change in origination status. (1) After the initial determination of a school's origination status, the Secretary may allow a school that does not qualify to originate loans under either origination option 1 or origination option 2 to do so if the Secretary determines that the school is fully capable of originating loans under one of those options.
(2)(i) At any time after the initial determination of a school's origination status, a school participating under origination option 2 may request to change to origination option 1 or standard origination, and a school participating under origination option 1 may request to change to standard origination.

(ii) The change in origination status becomes effective when the school receives notice of the Secretary's approval, unless the Secretary specifies a later date.

(3)(i) A school participating under origination option 1 may apply to participate under option 2, and a school participating in standard origination may apply to participate under either origination option 1 or 2 after one full year of participation in its initial origination status.

(ii) Applications to participate under another origination option are considered on an annual basis.

(iii) An application to participate under another origination option is evaluated on the basis of criteria and performance standards established by the Secretary, including but not limited to--

(A) Eligibility under paragraph (a)(2) of this section;

(B) Timely submission of accurate origination and disbursement records;

(C) Successful completion of reconciliation on a monthly basis; and

(D) Timely submission of completed and signed promissory notes, if applicable.

(iv) The change in origination status becomes effective when the school receives notice of the Secretary's approval, unless the Secretary specifies a later date.

(c) Secretarial determination of change in origination status. (1) At any time after a school has been approved to originate loans, the Secretary may require a school participating under origination option 2 to convert to option 1 or to standard origination and may require a school participating under origination option 1 to convert to standard origination.

(2) The Secretary may require a school to change origination status if the Secretary determines that such a change is necessary to ensure program integrity or if the school fails to meet the criteria and performance standards established by the Secretary, including but not limited to--

(i) For an origination option 1 school, eligibility under paragraph (a)(2) of this section, the timely submission of completed and signed promissory notes and accurate origination and disbursement records, and the successful completion of reconciliation on a monthly basis; and

(ii) For an origination option 2 school, the criteria and performance standards required of origination option 1 schools and accurate and timely drawdown requests.

(3) The change in origination status becomes effective when the school receives notice of the Secretary's approval, unless the Secretary specifies a later date.

(d) Origination by consortia. A consortium of schools may participate under origination options 1 or 2 only if all members of the consortium are eligible to participate under paragraph (a)(2) of this section. All provisions of this section that apply to an individual school apply to a consortium.

(e) School determination of change of Servicer. (1) The Secretary assigns one or more Servicers to work with a school to perform certain functions relating to the origination and servicing of Direct Loans.

(2) A school may request the Secretary to designate a different Servicer. Documentation of the unsatisfactory performance of the school's current Servicer must accompany the request. The Servicer requested must be one of those approved by the Secretary for participation in the Direct Loan Program.

(3) The Secretary grants the request if the Secretary determines that--

(i) The claim of unsatisfactory performance is accurate and substantial; and

(ii) The Servicer requested by the school can accommodate such a change.

(4) If the Secretary denies the school's request based on a determination under paragraph (e)(3)(ii) of this section, the school may request another Servicer.

(5) The change in Servicer is effective when the school receives notice of the Secretary's approval, unless the Secretary specifies a later date.

(Authority: 20 U.S.C. 1087a et seq.)
APPENDIX A–Income Contingent Repayment

Examples of the Calculations of Monthly Repayment Amounts

Example 1: A single borrower with $15,000 of Direct Loans, 8.25 percent interest rate, and an adjusted gross income (AGI) of $23,356.

Step 1: Determine annual payments based on what the borrower would pay over 12 years using standard amortization. To do this, multiply the principal balance by the constant multiplier for 8.25 percent interest (0.1315452). The constant multiplier is a factor used to calculate amortized payments at a given interest rate over a fixed period of time. (See the constant multiplier chart below to determine the constant multiplier you should use for the interest rate on the loan. If the exact interest rate is not listed, use the next highest for estimation purposes.)

\[ 0.1315452 \times 15,000 = 1,973.18 \]

Step 2: Multiply the result by the income percentage factor shown in the income percentage factor table that corresponds to the borrower's income (if the income is not listed, use the next highest for estimation purposes).

\[ 80.33\% \times 1,973.18 = 1,585.06 \]

Step 3: Determine 20 percent of discretionary income. For a single borrower, subtract the poverty level for a family of one, as published in the Federal Register on February 24, 1998 (63 FR 9235), from the borrower's income and multiply the result by 20 percent:

\[ 23,356 - 8,050 = 15,306 \]
\[ 15,306 \times 0.20 = 3,061.20 \]

Step 4: Compare the amount from step 2 with the amount from step 3. The lower of the two will be the borrower's annual payment amount. This borrower will be paying the amount calculated under step 2. To determine the monthly repayment amount, divide the annual amount by 12.

\[ 1,585.06 \div 12 = 132.09 \]

Example 2: Married borrowers repaying jointly under the income contingent repayment plan with a combined AGI of $29,337. The husband has a Direct Loan balance of $10,000, and the wife has a Direct Loan balance of $15,000. The interest rate is 8.25 percent. This couple has no children.

Step 1: Add the Direct Loan balances of the husband and wife together to determine the aggregate loan balance.

\[ 10,000 + 15,000 = 25,000 \]

Step 2: Determine the annual payment based on what the couple would pay over 12 years using standard amortization. To do this, multiply the aggregate principal balance by the constant multiplier for 8.25 percent interest (0.1315452). (See the constant multiplier chart to determine the constant multiplier you should use for the interest rate on the loan. If the exact interest rate is not listed, choose the next highest rate for estimation purposes.)

\[ 0.1315452 \times 25,000 = 3,288.63 \]

Step 3: Multiply the result by the income percentage factor shown in the income percentage factor table that corresponds to the couple's income (if the income is not listed, you can calculate the applicable income percentage factor by following the instructions under the interpolation heading below):

\[ 87.61\% \times 3,288.63 = 2,881.17 \]

Step 4: Determine 20 percent of the couple's discretionary income. To do this, subtract the poverty level for a family of 2, as published in the Federal Register on February 24, 1998 (63 FR 9235), from the couple's income and multiply the result by 20 percent:

\[ 29,337 - 10,850 = 18,487 \]
\[ 18,487 \times 0.20 = 3,397.40 \]

Step 5: Compare the amount from step 3 with the amount from step 4. The lower of the two will be the annual payment amount. The married borrowers will be paying the amount calculated under step 3. To determine the monthly repayment amount, divide the annual amount by 12.

\[ 2,881.17 \div 12 = 240.10 \]

Interpolation: If your income does not appear on the income percentage factor table, you will have to calculate the income percentage factor through interpolation. For example, assume you are single and your income is $30,000.

Step 1: To interpolate, you must first find the interval between the closest income listed that is less than $30,000 and the closest income listed that is greater than $30,000. Afterwards, you must subtract these numbers (for this discussion, we will call the result "the income interval"): 

\[ 36,793 - 29,337 = 7,456 \]
Step 2: Next, find the interval between the two income percentage factors that are given for these incomes (for this discussion, we will call the result, the "income percentage factor interval"):

- $100.00\% - 88.77\% = 11.23\%$

Step 3: Subtract the income shown on the chart that is immediately less than $30,000 from $30,000:

- $30,000 - $29,337 = $663$

Step 4: Divide the result by the number representing the income interval:

- $\frac{663}{7,456} = 0.0889$

Step 5: Multiply the result by the income percentage factor interval:

- $0.0889 \times 11.23 = 0.9983$

Step 6: Add the result to the lower income percentage factor used to calculate the income percentage factor interval for $30,000 in income:

- $0.9983\% + 88.77\% = 89.77\%$

The result is the income percentage factor that will be used to calculate the monthly repayment amount under the income contingent repayment plan.

Central processor: An organization under contract with the Secretary that calculates an applicant's expected family contribution based on the applicant's application information, transmits an ISIR to each institution designated by the applicant, and submits reports to the Secretary on the correctness of its computations of the expected family contribution amounts and the accuracy of the answers to questions on application forms for the previous award year cycle.

Disbursement Schedule: A table showing the annual awards that three-quarter, half-time, and less-than-half-time students at term-based institutions using credit hours would receive for an academic year. This table is published annually by the Secretary and is based on—

(1) A student's expected family contribution, as determined in accordance with title IV, part F of the HEA; and

(2) A student's attendance costs as defined in title IV, part F of the HEA.

(3) The amount of funds available for making Federal Pell Grants.

Enrollment status: Full-time, three-quarter-time, half-time, or less-than-half-time depending on a student's credit-hour work load per academic term at an institution using semesters, trimesters, quarters, or other academic terms and measuring progress by credit hours.

Institutional Student Information Record (ISIR): A paper document or a computer-generated electronic record that the central processor transmits to an institution that includes an applicant's—

1. Personal identification information;
2. Application data used to calculate the applicant's EFC; and
3. EFC calculated by the central processor.

Less-than-half-time student: An enrolled student who is carrying less than half the work load of the appropriate minimum requirement outlined in the institution's definition of a full-time student.

PART 690—FEDERAL PELL GRANT PROGRAM

(b) An institution shall determine when the student has completed the academic curriculum requirements for that first undergraduate baccalaureate course of study. Any noncredit or remedial course taken by a student, including a course in English language instruction, is not included in the institution's determination of that student's period of Federal Pell Grant eligibility.

(Authority: 20 U.S.C. 1070a)

Note: (b) amended November 1, 1994, effective July 1, 1995.

Sec. 690.7 Institutional participation.

(a) If an institution begins participation in the Federal Pell Grant Program during an award year, a student enrolled and attending that institution is eligible to receive a Federal Pell Grant for the payment period during which the institution enters into a program participation agreement with the Secretary and any subsequent payment period.

(b) If an institution becomes ineligible to participate in the Federal Pell Grant Program during an award year, an eligible student who was attending the institution and who submitted a valid SAR to the institution before the date the institution became ineligible is paid a Federal Pell Grant for that award year for:

(1) The payment periods that the student completed before the institution became ineligible; and

(2) The payment period in which the institution became ineligible.

(c) An institution which becomes ineligible shall, within 45 days after the effective date of loss of eligibility, provide to the Secretary:

(1) The name and enrollment status of each eligible student, who, during the award year, submitted a valid SAR to the institution before it became ineligible;

(2) The amount of funds paid to each Federal Pell Grant recipient for that award year;

(4) An accounting of the Federal Pell Grant expenditures for that award year to the date of termination.

(Authority: 20 U.S.C. 1070a)

Sec. 690.8 Enrollment status for students taking regular and correspondence courses.

(a) If, in addition to regular coursework, a student takes correspondence courses from either his or her own institution or another institution having an agreement for this purpose with the student's institution, the correspondence work may be included in determining the student's enrollment status to the extent permitted under paragraph (b) of this section.

(b) Except as noted in paragraph (c) of this section, the correspondence work that may be included in determining a student's enrollment status is that amount of work which:

(1) Applies toward a student's degree or certificate or is remedial work taken by the student to help in his or her course of study;

(2) is completed within the period of time required for regular course work; and

(3) does not exceed the amount of a student's regular course work for the payment period for which the student's enrollment status is being calculated.

(c)(1) Notwithstanding the limitation in paragraph (b)(3) of this section, a student who would be a half-time student based solely on his or her correspondence work is considered a half-time student unless the calculation in paragraph (b) of this section produces an enrollment status greater than half-time.

(2) A student who would be a less-than-half-time student based solely on his or her correspondence work or a combination of correspondence work and regular course work is considered a less-than-half-time student.

(d) The following chart provides examples of the rules set forth in this section. It assumes that the institution defines full-time enrollment as 12 credits per term, making the half-time enrollment equal to 6 credits per term.

However, the other institution may determine and pay the student's Federal Pell Grant assistance if the institutions agree in writing to that agreement.

(2) The institution which determines and pays the Federal Pell Grant assistance shall:

   (i) Take into account all courses which apply to the student's degree or certificate taken by the student at each eligible institution participating in the agreement when determining the student's enrollment status and cost of attendance; and

   (ii) Maintain all records regarding the student's eligibility for and receipt of Federal Pell Grant assistance.

(Authority: 20 U.S.C. 1070a)

Sec. 690.10 Administrative cost allowance to participating schools.

(a) Subject to available appropriations, the Secretary pays to each participating institution $5.00 for each student who receives a Federal Pell Grant at that institution for an award year.

(b) All funds an institution receives under this section must be used solely to pay the institution's cost of administering the Federal Pell Grant, Federal Perkins Loan, Federal Work-Study, and Federal Supplemental Educational Opportunity Grant programs.

(c) If an institution enrolls a significant number of students who are attending less-than-full-time or are independent students, the institution shall use a reasonable proportion of these funds to make financial aid services available during times and in places that will most effectively accommodate the needs of those students.

(Authority: 20 U.S.C. 1096)

Note: (c) added November 1, 1994, effective July 1, 1995. (b) revised November 27, 1996, effective July 1, 1997.

PART 690—FEDERAL PELL GRANT PROGRAM

(b) The student shall submit an application to the Secretary by—

(1) Providing the application form, signed by all appropriate family members, to the institution at which the student attends or plans to attend so that the institution can transmit electronically the application information to the Secretary under EDE; or

(2) Sending an approved application form to the Secretary.

(c) The student shall provide the address of his or her residence unless the student is incarcerated and the educational institution has made special arrangements with the Secretary to receive relevant correspondence on behalf of the student. If such an arrangement is made, the student shall provide the address indicated by the institution.

(d) For each award year the Secretary, through publication in the Federal Register, established deadline dates for submitting these applications and for making corrections to the information contained in the applications.

Subpart C through E—[Removed and Reserved]

Subpart F—Determination of Federal Pell Grant Awards

Sec. 690.61 Disbursement conditions and deadlines.

(a) Submission process. (1) Except as provided in paragraph (a)(2) of this section, an institution must disburse a Federal Pell Grant to an eligible student who is otherwise qualified to receive that disbursement if—

(i) The student submits a valid SAR to the institution; or

(ii) The institution obtains a valid ISIR for the student.
(2) In determining a student's eligibility to receive his or her Federal Pell Grant, an institution is entitled to assume that SAR information or ISIR information is accurate and complete except under the conditions set forth in 34 CFR 668.16(f) and 668.60.

(b) Student Aid Report or Institutional Student Information Record deadline. Except as provided in 34 CFR 668.60, for a student to receive a Federal Pell Grant for an award year, the student must submit the relevant parts of the SAR to his or her institution or the institution must obtain a valid ISIR by the earlier of:

(1) The last date that the student is still enrolled and eligible for payment at that institution; or

(2) By the deadline date established by the Secretary through publication of a notice in the Federal Register.

(Authority: 20 U.S.C. 1070a)

Note: Section amended November 1, 1994, effective July 1, 1995. (a)(1)(ii) and (b)(2) amended November 27, 1996, effective July 1, 1997.

Sec. 690.62 Calculation of a Federal Pell Grant.

(a) The amount of a student's Federal Pell Grant for an academic year is based upon the payment and disbursement schedules published by the Secretary for each award year.

(b) No payment may be made to a student if the student's annual award is less than $200. However, a student who is eligible for an annual award that is equal to or greater than $200, but less than or equal to $400, shall be awarded a Federal Pell Grant of $400.

(Authority: 20 U.S.C. 1070a (a)(2))

Note: (b) amended November 1, 1994, effective July 1, 1995.

Sec. 690.63 Calculation of a Federal Pell Grant for a payment period.

(a)(1) Programs using standard terms with at least 30 weeks of instructional time. A student's Federal Pell Grant for a payment period is calculated under paragraphs (b) or (d) of this section if:

(i) The student is enrolled in an eligible program that:

(A) Measures progress in credit hours;

(B) is offered in semesters, trimesters, or quarters;

(C) Requires the student to enroll for at least 12 credit hours in each term in the award year to qualify as a full-time student; and

(D) Is not offered with overlapping terms; and

(ii) The institution offering the program—

(A) Provides the program using an academic calendar that includes two semesters or trimesters in the fall through the following spring, or three quarters in the fall, winter, and spring; and

(B) Provides at least 30 weeks of instructional time in the terms specified in paragraph (a)(1)(ii)(A) of this section.

(2) Programs using standard terms with less than 30 weeks of instructional time. A student's Federal Pell Grant for a payment period is calculated under paragraph (c) or (d) of this section if:

(i) The student is enrolled in an eligible program that—

(A) Measures progress in credit hours;

(B) is offered in semesters, trimesters, or quarters;

(C) Requires the student to enroll in at least 12 credit hours in each term in the award year to qualify as a full-time student; and

(D) Is not offered with overlapping terms; and

(i) The institution offering the program—

(A) Provides the program using an academic calendar that includes two semesters or trimesters in the fall through the following spring, or three quarters in the fall, winter, and spring; and

(B) Does not provide at least 30 weeks of instructional time in the terms specified in paragraph (a)(2)(ii)(A) of this section.

(3) Other programs using terms and credit hours. A student's Federal Pell Grant for a payment period is calculated under paragraph (d) of this section if the student is enrolled in an eligible program that—

(i) Measures progress in credit hours; and

(ii) Is offered in academic terms other than those described in paragraphs (a)(1) and (a)(2) of this section.
(4) Programs not using terms or using clock hours. A student's Federal Pell Grant for any payment period is calculated under paragraph (e) of this section if the student is enrolled in an eligible program that—

(i) Is offered in credit hours but is not offered in academic terms; or

(ii) Is offered in clock hours.

(5) Programs of study offered by correspondence. A student's Federal Pell Grant payment for a payment period is calculated under Sec. 690.66 if the program is offered by correspondence courses.

(6) Programs for which an exception to the academic year definition has been granted under 34 CFR 668.3. If an institution receives a waiver from the Secretary of the 30 weeks of instructional time requirement under 34 CFR 668.3, an institution may calculate a student's Federal Pell Grant payment for a payment period using the following methodologies:

(i) If the program is offered in terms and credit hours, the institution uses the methodology in—

(A) Paragraph (b) of this section provided that the program meets all the criteria in paragraph (a)(1) of this section, except that in lieu of paragraph (a)(1)(ii)(B) of this section, the program provides at least the same number of weeks of instructional time in the terms specified in paragraph (a)(1)(ii)(A) of this section as are in the program's academic year; or

(B) Paragraph (d) of this section.

(ii) The institution uses the methodology described in paragraph (e) of this section if the program is offered in credit hours without terms or clock hours.

(iii) The institution uses the methodology described in Sec. 690.66 if the program is correspondence study.

(b) Programs using standard terms with at least 30 weeks of instructional time. The Federal Pell Grant for a payment period, i.e., an academic term, for a student in a program using standard terms with at least 30 weeks of instructional time in two semesters or trimesters or in three quarters as described in paragraph (a)(2)(ii)(A) of this section, is calculated by—

(1) Determining his or her enrollment status for the term;

(2) Based upon that enrollment status, determining his or her annual award from the Payment Schedule for full-time students or the Disbursement Schedule for three-quarter-time, half-time, or less-than-half-time students;

(3) Multiplying his or her annual award determined under paragraph (c)(2) of this section by the following fraction as applicable:

In a program using semesters or trimesters—

\[
\frac{\text{The number of weeks of instructional time offered in the program in the fall and spring semesters}}{\text{The number of weeks in the program's academic year}}
\]

or

In a program using quarters—

\[
\frac{\text{The number of weeks of instructional time offered in the program in the fall, winter, and spring quarters}}{\text{The number of weeks in the program's academic year}}
\]

and

(4)(i) Dividing the amount determined under paragraph (c)(3) of this section by two for programs using semesters or trimesters or three for programs using quarters;
PART 690—FEDERAL PELL GRANT PROGRAM

(4)(i) Dividing the amount determined under paragraph (c)(3) of this section by two for programs using semesters or trimesters or three for programs using quarters; or

(ii) Dividing the student's annual award determined under paragraph (c)(2) of this section by the number of terms over which the institution chooses to distribute the student's annual award if--

(A) An institution chooses to distribute all of the student's annual award determined under paragraph (c)(2) of this section over more than two terms for programs using semesters or trimesters or more than three quarters for programs using quarters; and

(B) The number of weeks of instructional time in the terms, including the additional term or terms, equals the weeks of instructional time in the program's academic year definition.

(d) Other programs using terms and credit hours.

The Federal Pell Grant for a payment period, i.e., an academic term, for a student in a program using terms and credit hours, other than those described in paragraphs (a)(1) or (a)(2) of this section, is calculated by--

(1)(i) For a student enrolled in a semester, trimester, or quarter, determining his or her enrollment status for the term; or

(ii) For a student enrolled in a term other than a semester, trimester, or quarter, determining his or her enrollment status for the term by--

(A) Dividing the number of weeks of instructional time in the term by the number of weeks of instructional time in the program's academic year;

(B) Multiplying the fraction determined under paragraph (d)(1)(ii)(A) of this section by the number of credit hours in the program's academic year to determine the number of hours required to be enrolled to be considered a full-time student; and

(C) Determining a student's enrollment status by comparing the number of hours in which the student enrolls in the term to the number of hours required to be considered full-time under paragraph (d)(1)(ii)(B) of this section for that term;

(2) Based upon that enrollment status, determining his or her annual award from the Payment Schedule for full-time students or the Disbursement Schedule for three-quarter-time, half-time, or less-than-half-time student;

(3) Multiplying his or her annual award determined under paragraph (d)(2) of this section by the following fraction:

\[
\frac{\text{The number of weeks of instructional time in the term}}{\text{The number of weeks of instructional time in the program's academic year}}
\]

and

(4) Paying the student the amount determined under paragraph (d)(3) of this section.

(e) Programs using clock hours or credit hours without terms.

The Federal Pell Grant for a payment period for a student in a program using credit hours without terms or using clock hours is calculated by--

(1) Determining the student's Scheduled Federal Pell Grant using the Payment Schedule;

(2) Multiplying the amount determined under paragraph (e)(1) of this section by the lesser of--

(i) The number of weeks of instructional time required for a full-time student to complete the lesser of the clock or credit hours in the program or the academic year

\[
\frac{\text{The number of weeks of instructional time in the program's academic year}}{}
\]

or

(ii) One; and

(3) Multiplying the amount determined under paragraph (e)(2) of this section by

\[
\frac{\text{The number of credit or clock hours in a payment period}}{\text{The number of credit or clock hours in the program's academic year}}
\]

(f) A single disbursement may not exceed 50 percent of any award determined under paragraph (d) or (e) of this section. If a payment for a payment period calculated under paragraphs (d) or (e) of this section would require the disbursement of more than 50 percent of a student's annual award in that payment period, the institution shall make at least two disbursements to the student in that payment period. The institution may not disburse an amount that exceeds 50 percent of the student's annual award until the student has completed the period of time in the payment period that equals, in terms of weeks of instructional time, 50 percent of the weeks of instructional time in the program's academic year.

(g)(1) Notwithstanding paragraphs (b), (c), (d), and (e) of this section and 34 CFR 668.66, the amount of a student's award for an award year may not exceed his or her Scheduled Federal Pell Grant award for that award year except as provided in Sec. 690.67.
(2) For purposes of this section and Sec. 690.66, an institution must define an academic year for each of its eligible programs in terms of the number of credit or clock hours and weeks of instructional time in accordance with the requirements of 34 CFR 668.2 and 668.3.

(Authority: 20 U.S.C. 1070a)

Note: Section amended November 1, 1994, effective July 1, 1995.

Sec. 690.64 Calculation of a Federal Pell Grant for a payment period which occurs in two award years.

(a) If a student enrolls in a payment period which is scheduled to occur in two award years--

(1) The entire payment period must be considered to occur within one award year.

(2) The institution shall determine for each Federal Pell Grant recipient the award year in which the payment period will be placed subject to the restrictions set forth in paragraph (a)(3) of this section.

(3) The institution shall place a payment period with more than six months scheduled to occur within one award year in that award year.

(4) If an institution places the payment period in the first award year, it shall pay a student with funds from the first award year.

(5) If an institution places the payment period in the second award year, it shall pay a student with funds from the second award year.

(b) An institution may not make a payment which will result in the student receiving more than his or her Scheduled Federal Pell Grant for an award year.

(Authority: 20 U.S.C. 1070a)

Sec. 690.65 Transfer student: attendance at more than one institution during an award year.

(a) If a student who receives a Federal Pell Grant at one institution subsequently enrolls at a second institution in the same award year, the student may receive a Federal Pell Grant at the second institution only if--

(1) The student submits a valid SAR to the second institution; or

(2) The second institution obtains a valid ISIR.

(b) The second institution shall calculate the student's award according to Sec. 690.63.

(c) The second institution may pay a Federal Pell Grant only for that portion of the academic year in which a student is enrolled at that institution. The grant amount must be adjusted, if necessary, to ensure that the grant does not exceed the student's Scheduled Federal Pell Grant for that award year except as provided under Sec. 690.67.

(d) If a student's Scheduled Federal Pell Grant at the second institution differs from the Scheduled Federal Pell Grant at the first institution, the grant amount at the second institution is calculated as follows--

(1) The amount received at the first institution is compared to the Scheduled Federal Pell Grant at the first institution to determine the percentage of the Scheduled Federal Pell Grant that the student has received.

(2) That percentage is subtracted from 100 percent.

(3) The remaining percentage is the percentage of the Scheduled Federal Pell Grant at the second institution to which the student is entitled.

(e) The student's Federal Pell Grant for each payment period is calculated according to the procedures in Sec. 690.63 unless the remaining percentage of the Scheduled Federal Pell Grant at the second institution, referred to in paragraph (d)(3) of this section, is less than the amount the student would normally receive for that payment period. In that case, the student's Federal Pell Grant is equal to that remaining percentage.

(f) A transfer student shall repay any amount received in an award year that exceeds--

(1) His or her Scheduled Federal Pell Grant; or

(2) The amount which he or she was eligible to receive for the award year under Sec. 690.67.

(Authority: 20 U.S.C. 1070a)

Note: (a), (c) and (f) amended November 1, 1994, effective July 1, 1995.

Sec. 690.66 Correspondence study.

(a) An institution calculates the Federal Pell Grant for a payment period for a student in a program of study offered by correspondence courses without terms, but not including any residential component by--

(1) Determining the student's annual award using the half-time Disbursement Schedule;
PART 690—FEDERAL PELL GRANT PROGRAM

(2) Determining the length of the correspondence program in weeks of instructional time by:

(i) Preparing a written schedule for submission of lessons that reflect a workload of at least 12 hours of preparation per week; and

(ii) Determining the number of weeks of instructional time in the program of study using the written schedule for submission of lessons;

(3) Multiplying the annual award determined from the Disbursement Schedule for a half-time student by the lesser of-

(i) The number of weeks of instructional time as determined under paragraph (a)(2)(ii) of this section for a student to complete the lesser of the credit hours in the program or the academic year;

(ii) One; and

Sec. 690.80 Recalculation of a Federal Pell Grant award.

(a) Change in expected family contribution. (1) The institution shall recalculate a Federal Pell Grant award for the entire award year if the student's expected family contribution changes at any time during the award year. The change may result from—

(ii) A correction based on information required as a result of verification under 34 CFR part 668, Subpart E.

(2) Except as described in 34 CFR 668.60(c), the institution shall adjust the student's award when an overaward or underaward is caused by the change in the expected family contribution. That adjustment must be made—

(i) Within the same award year—if possible—to correct any overpayment or underpayment; or

(2)(i) If the student's projected enrollment status changes during a payment period after the student has begun attendance in all of his or her classes for that payment period, the institution may (but is not required to) establish a policy under which the student's award for the payment period is recalculated. Any such recalculations must take into account any changes in the cost of attendance. If such a policy is established, it must apply to all students.

(ii) If a student's projected enrollment status changes during a payment period before the student begins attendance in all of his or her classes for that payment period, the institution shall recalculate the student's enrollment status to reflect only those classes for which the student actually began attendance.

(c) Change in cost of attendance. If the student's cost of attendance changes at any time during the award year and his or her enrollment status remains the same, the institution may (but is not required to) establish a policy under which the student's award for the payment period is recalculated. If such a policy is established, it must apply to all students.

(Authority: 20 U.S.C. 1070a)

Note: (a) and (b)(1) amended November 1, 1994, effective July 1, 1995.

(3) An institution that does not comply with the requirements of this paragraph may receive a payment or reduction in accountability only as provided in paragraph (d) of this section.

(b) (1) An institution shall report to the Secretary any change in enrollment status, cost of attendance, or other event or condition that causes a change in the amount of a Federal Pell Grant for which a student qualifies by submitting to the Secretary the student's Payment Data that discloses the basis and result of the change in award for each student. Through publication in the Federal Register, the Secretary divides the award year into periods and establishes the deadlines by which the institution shall report changes occurring during each period. The institution shall submit the student's Payment Data reporting a change to the Secretary by the end of the reporting period that next follows the reporting period in which the change occurred.

(2) An institution shall submit in accordance with deadline dates established by the Secretary, through publication in the Federal Register, other reports and information the Secretary requires in connection with the funds advanced to it and shall comply with the procedures the Secretary finds necessary to ensure that the reports are correct.

(3) An institution that timely submits, and has accepted by the Secretary, the Payment Data for a student in accordance with this section shall report a reduction in the amount of a Federal Pell Grant award that the student received when it determines that an overpayment has occurred, unless that overpayment is one for which the institution is not liable under Sec. 690.79(a).

(c) In accordance with 34 CFR 668.84 the Secretary may impose a fine on the institution if the institution fails to comply with the requirements specified in paragraphs (a) or (b) of this section.

(d) (1) Notwithstanding paragraphs (a) or (b) of this section, if an institution demonstrates to the satisfaction of the Secretary that the institution has provided Federal Pell Grants in accordance with this part but has not received credit or payment for those grants, the institution may receive payment or a reduction in accountability for those grants in accordance with paragraphs (d)(4) and either (d)(2) or (d)(3) of this section.

(2) The institution must demonstrate that it qualifies for a credit or payment by means of a finding contained in an audit report of an award year that was the first audit of that award year and that was conducted after December 31, 1988 and timely submitted to the Secretary under 34 CFR 668.23(c).

(3) An institution that timely submits the Payment Data for a student in accordance with paragraph (a) of this section but does not timely submit to the Secretary, or have accepted by the Secretary, the Payment Data necessary to document the full amount of the award to which the student is entitled, may receive a payment or reduction in accountability in the full amount of that award, if--

(i) A program review demonstrates to the satisfaction of the Secretary that the student was eligible to receive an amount greater than that reported in the student's Payment Data timely submitted to, and accepted by the Secretary, and

(ii) The institution seeks an adjustment to reflect an underpayment for that award that is at least $100.

(4) In determining whether the institution qualifies for a payment or reduction in accountability, the Secretary takes into account any liabilities of the institution arising from that audit or program review or any other source. The Secretary collects those liabilities by offset in accordance with 34 CFR part 30.

Subparts C through E—[Reserved]

Subpart F—Determination of Awards

Sec. 691.61 Disbursement conditions and deadlines.

(b) Student Aid Report or Institutional Student Information Record deadline. Except as provided in 34 CFR 668.60, for a student to receive a PAS award for an award year, the student must submit the relevant parts of the SAR to his or her institution or the institution must obtain a valid ISIR—

(1) While the student is still enrolled and eligible for payment at that institution; and

(2) By June 30 of that award year.

(Authority: 20 U.S.C. 1070a-32)

Sec. 691.62 Calculation of a Presidential Access Scholarship Program award.

The amount of a student's PAS for an academic year is equal to 25 percent of the student's Federal Pell Grant awarded for that academic year as determined under 34 CFR 690.62 except that—
PART 691—PRESIDENTIAL ACCESS SCHOLARSHIP PROGRAM

(a) If funding in a fiscal year is sufficient to fund fully all eligible student awards in that academic year, no payment shall be made to a full-time student of less than $400 for an academic year, independent of the amount of the Federal Pell Grant.

(b) If funding is insufficient to fund fully all eligible students, the Secretary reduces each student's award in proportion to the amount that the PAS Program is not fully funded.

(Authority: 20 U.S.C. 1070a-32)

Sec. 691.63 Calculation of a Presidential Access Scholarship for a payment period.

For an eligible student enrolled in an institution of higher education in an eligible program, the student's PAS for each payment period is calculated by—

(a) Determining his or her total PAS award in accordance with Sec. 691.62; and

(b) Determining the amount of each payment based on the payment amount for a Federal Pell Grant as calculated in accordance with Sec. 690.63.

(Authority: 20 U.S.C. 1070a-32)

Sec. 691.64 Calculation of a Presidential Access Scholarship for a payment period that occurs in 2 award years.

(a) If a student enrolls in a payment period that is scheduled to occur in 2 award years—

(1) The entire payment period must be considered to occur within 1 award year.

(2) The institution shall determine for each PAS recipient the award year in which the payment period will be placed subject to the restrictions set forth in paragraph (a)(3) of this section.

(3) The institution shall place a payment period with more than 6 months scheduled to occur within 1 award year in that award year.

(4) If an institution places the payment period in the first award year, it shall pay a student with funds from the first award year.

(5) If an institution places the payment period in the second award year, it shall pay a student with funds from the second award year.

(b) An institution may not make a payment that will result in the student receiving more than his or her Scheduled PAS for an award year.

(Authority: 20 U.S.C. 1070a-32)

Sec. 691.65 Transfer student: attendance at more than one institution during an award year.

(a) If a student who receives a PAS at one institution subsequently enrolls at a second institution in the same award year, the student may receive a PAS at the second institution only if—

(1) The student has submitted a valid SAR; or

(2) The second institution participates in the Secretary's electronic programs to report Federal Pell Grant disbursement data electronically to the Secretary and the second institution has obtained a valid ISIR, in which case the institution shall use the information from the valid ISIR to determine the amount of the student's award. (The institution shall follow the procedures set forth in 34 CFR 668.19 relating to financial aid transcripts.)

(b) The second institution shall calculate the student's award according to Sec. 691.63.

(c) The second institution may pay a PAS only for that portion of the award year in which a student is enrolled at that institution. The scholarship amount must be adjusted, if necessary, to ensure that the scholarship award does not exceed the percentage of the award remaining from the student's first institution for that award year.

(d) If a student's PAS award at the second institution differs from the Scheduled PAS Award at the first institution, the award amount at the second institution is calculated as follows—

(1) The amount received at the first institution is compared to the PAS award at the first institution to determine the percentage of the PAS award that the student has received.

(2) The percentage in paragraph (d)(1) of this section is subtracted from 100 percent.

(3) The remaining percentage is the percentage of the Scheduled PAS award at the second institution to which the student is entitled.

(e) The student's PAS award for each payment period is calculated according to the procedures in Sec. 691.63, unless the remaining percentage of the Scheduled PAS at the second institution, referred to in paragraph (d)(3) of this section, is less than the amount the student would
normally receive for that payment period. In that case, the student's PAS is equal to the remaining percentage.

(f) A transfer student shall repay any amount received in an award year which exceeds his or her Scheduled PAS.

(2) Is enrolled as an undergraduate student; and

(3)(i) Has completed required clock hours for which he or she has been paid a PAS, if the student is enrolled in an eligible program that is measured in clock hours; or

(ii) Has completed the required credit hours for which he or she has been paid a PAS, if the student is enrolled in an eligible program that is measured in credit hours and that does not have academic terms.

(b) If an eligible student submits a valid SAR to the institution or the institution receives a valid ISIR for that student and that student then becomes ineligible before receiving a payment, the institution may pay the student only the amount it determines could have been used for educational purposes before the student became ineligible.

(c) If an institution determines at the beginning of a payment period that a student is not maintaining satisfactory progress but reverses that determination before the end of the payment period, the institution may pay a PAS to the student for the entire payment period.

(d) If an institution determines at the beginning of a payment period that a student is not maintaining satisfactory progress but reverses that determination after the end of the payment period, the institution may neither pay the student a PAS for that payment period nor make adjustments in subsequent PAS payments to compensate for the loss of aid.
(e) A member of a religious order, community, society, agency, or organization who is pursuing a course of study in an institution of higher education is considered to have an expected family contribution of at least $3,000 if that religious order—

(1) Has as a primary objective the promotion of ideals and beliefs regarding a Supreme Being; and

(3) If the student has not picked up his or her payment at the end of the 15-day period, the institution may credit the student's account only for any outstanding charges for tuition and fees and room and board for the award year incurred by the student while he or she was eligible.

(4) A student forfeits the rights to receive the payment if he or she does not pick up a payment by the end of the 15 day period.

(5) Notwithstanding paragraph (d)(4) of this section, if the student has not picked up his or her payment by the end of the 15-day period, an institution may, if it chooses, pay a student who did not pick up his or her payment, through the next payment period.

(c)(1) An institution that has timely submitted an SAR Payment Document for a student in accordance with paragraph (a) of this section but does not timely submit to the Secretary, or have accepted by the Secretary, an SAR Payment Document necessary to document the full amount of the PAS award to which the student is entitled may receive a payment or reduction in accountability in the full amount of that award if--

(2) An institution that has timely submitted and has accepted an SAR Payment Document for a student in accordance with this section shall report a reduction in the amount of a PAS award that the student received when it determines that an overpayment has occurred, unless that overpayment is one for which the institution is not liable under Sec. 690.79(a).

Subpart B—What Is the Amount of Assistance and How May It Be Used?

Sec. 692.10 How does the Secretary allot funds to the States?

(a)(1) The Secretary allot to each State participating in the SSIG program an amount which bears the same ratio to the Federal SSIG funds appropriated as the number of students in that State who are "deemed eligible" to participate in the State's SSIG program bears to the total number of students in all States who are "deemed eligible" to participate in the SSIG program, except that no State may receive less than it received in fiscal year 1979.

(2) If the Federal SSIG funds appropriated for a fiscal year are not sufficient to allot to each State the amount of Federal SSIG funds it received in fiscal year 1979, the Secretary allot to each State an amount which bears the same ratio to the amount of Federal SSIG funds appropriated as the amount of Federal SSIG funds that State received in fiscal year 1979 bears to the amount of Federal SSIG funds all States received in fiscal year 1979.

(b) For the purpose of paragraph (a)(1) of this section, the Secretary determines the number of students "deemed eligible" to participate in a State's SSIG Program by dividing the amount of that State's SSIG expenditures, including both its Federal allotment and the State-appropriated funds matching the allotment, by the average grant award per student of all participating States. The Secretary determines the "average grant award per student" by dividing the total number of student recipients for all States into the total amount of SSIG expenditures for all States, including both the Federal allotments and the State-appropriated funds matching those allotments. In making this determination, the Secretary uses the most current available data reported by each State.

(Authority: 20 U.S.C. 1070c)

Sec. 692.11 For what purposes may a State use its payments under the program?

A State may use the funds it receives under this part only to make grants to students and to pay wages or salaries to students in community service-learning jobs.

(Authority: 20 U.S.C. 1070c)
Subpart C—How Does a State Apply To Participate in This Program?

Sec. 692.20 What must a State do to receive an allotment under this program?

(a) To participate in the State Student Incentive Grant Program, a State shall enter into an agreement with the Secretary under section 1203 of the HEA (Federal-State Relationship Agreement).

(b) For each fiscal year that it wishes to participate, a State shall submit an application that contains information that shows that its State Student Incentive Grant Program meets the requirements of Sec. 692.21.

(c)(1) Except as provided in paragraph (c)(2) of this section, the State shall submit its application through the State agency designated in its Federal-State Relationship Agreement to administer its State Student Incentive Grant Program as of July 1, 1985.

(2) If the Governor of the State so designates, and notifies the Secretary through a modification to the States Federal-State Relationship Agreement, the State may submit its application under paragraph (b) of this section through an agency that did not administer its State Student Incentive Grant Program as of July 1, 1985.

(g) Provides that, if a State awards grants to independent students or to students who are less-than-full-time students enrolled in an institution of higher education, a reasonable portion of the State’s allocation must be awarded to those students;

(h) Provides that—

(1) The State will pay an amount for grants and work-study jobs under this part for each fiscal year that is not less than the payment to the State under this part for that fiscal year; and

(2) The amount that the State expends during a fiscal year for grants and work-study jobs under this program represents an additional amount for grants and work-study jobs for students attending institutions of higher education over the amount expended by the State for those activities during the fiscal year two years prior to the fiscal year in which the State first received funds under this program;

(a)(1) Each year, a State may use up to 20 percent of its allotment for a community service-learning job program that satisfies the conditions set forth in paragraph (b) of this section.

(2) A student who receives assistance under this section must receive compensation for work and not a grant.

(b)(1) The community service-learning job program must be administered by institutions of higher education in the State.

(2) Each student employed under the program must be employed in work in the public interest by an institution itself or by a Federal, State, or local public agency or a private nonprofit organization under an arrangement between the institution and the agency or organization.

(c) Each community service-learning job must--

(1) Provide community service as described in paragraph (d) of this section;

(2) Provide participating students community service-learning opportunities related to their educational or vocational programs or goals;

(3) Not result in the displacement of employed workers or impair existing contracts for services;

(4) Be governed by conditions of employment that are considered appropriate and reasonable, based on such factors as type of work performed, geographical region, and proficiency of the employee;

(6) Not pay any wage to a student that is less than the current Federal minimum wage as mandated by section 6(a) of the Fair Labor Standards Act of 1938.

(d) For the purpose of paragraph (c)(1) of this section, "community service" means direct service, planning, or applied research that is--

(1) Identified by an institution of higher education through formal or informal consultation with local nonprofit, governmental, and community-based organizations; and

(2) Designed to improve the quality of life for residents of the community served, particularly low-income residents, in such fields as health care, child care, education, literacy training, welfare, social services, public safety, crime prevention and control, transportation, recreation, housing and neighborhood improvement, rural development, and community improvement.

(e) For the purpose of paragraph (d)(2) of this section, "low-income residents" means--

(1) Residents whose taxable family income for the year before the year in which they are scheduled to receive assistance under this part did not exceed 150 percent of the amount equal to the poverty level determined by using criteria of poverty established by the United States Census Bureau; or

[Authority: 20 U.S.C. 1070o-2, 1091]

(Approved by the Office of Management and Budget under control number 1840-0544.)

Sec. 692.41 What standards may a State use to determine substantial financial need?

(a) A State determines whether a student has substantial financial need on the basis of criteria it establishes that are approved by the Secretary. A State may define
substantial financial need in terms of family income, expected family contribution, and relative need as measured by the difference between the student's cost of attendance and the resources available to meet that cost. To determine substantial need, the State may use—

(1) A system for determining a student's financial need under part F of title IV of the HEA;

(2) The State's own needs analysis system if approved by the Secretary; or

(3) A combination of these systems, if approved by the Secretary.

(b) The Secretary generally approves a need-analysis system under paragraph (a)(2) or (3) of this section only if the need-analysis system applies the term "independent student" as defined under section 480(d) of the HEA. However, for good cause shown, the Secretary may approve, on a case-by-case basis, a State's need analysis system that uses a definition for "independent student" that varies from that term as defined in section 480(d) of the HEA.
