The nationwide Teacher Shortage Area (TSA) lists for the 2004-05 and 2005-06 school years have been completed.

The federal designation of teacher shortage areas under:

- 34 CFR 682.210(q) enables a borrower who had no outstanding Federal Family Education Loan (FFEL) Program loan on July 1, 1987 but who had an outstanding FFEL Program loan on July 1, 1993 to qualify for deferment of loan repayment under the Federal Stafford Program anytime within the life of the borrower's loan(s);

- 34 CFR 674.53(c) enables Federal Perkins Loan borrowers who are full time teachers of mathematics, science, foreign languages, bilingual education or any other field of expertise where the State educational agency determined there is a shortage of qualified teachers to qualify for cancellation of up to 100 percent of their loan; and

- 34 CFR 653.50(a)(2)(ii) enables scholars to qualify for the reduction of teaching obligation under the Paul Douglas Teacher Scholarship Program.

Please refer Federal Stafford/SLS and Federal Perkins Loan borrowers who have general questions concerning their loan(s), including the teacher shortage area deferment, to the Federal Student Aid Hotline at 1-800-4FED-AID and refer Douglas Scholars to the State agency that awarded the scholarship.

We appreciate the efforts and patience of the State representatives who provided the required data for updating this document. If you have any comments or suggestions about this listing we would like to hear from you. Please direct your comments or suggestions to:

GENERAL NOTES

Numbers in parenthesis refer to grade levels, unless age is specified. For example, “(4-12)” means grades 4 through 12.

Geographic Shortage Areas – The geographic boundaries of a school district are acceptable, however, designation by school district does not limit eligibility for the deferment or reduction of teach obligation to teachers in public schools only.

No TSA proposal submitted – This indicates the State chose not to submit a TSA proposal for consideration.

No TSAs approved – This indicates a TSA proposal was submitted, but adequate information was not provided.

State declared no TSAs exist – This indicates the State sent a letter indicating that no shortage areas exist for the school year indicated.

TSA data not available – This indicates the State did submit a 2004-2005 proposal, however the State’s 2005-2006 data was not available at the time of publication.
