**Notes:**

1. Retention rates give the percentage of the 2011 first-time, full-time undergraduate cohort that returned for the second year.
2. Graduation rates are six-year rates for the 2006 cohort of first-time, full-time full-time undergraduates.
3. University of Maryland - Baltimore is included because it does not enroll first-time freshmen.
4. University of Maryland - University College is excluded because it primarily serves the adult, part-time population.
5. The University of Baltimore began admitting first-time, full-time students in 2007, so six-year graduation rates are not yet available.
